Section 1. (a) The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 101445 and is incorporated herein by reference.

(b) On December 15, 2010, at a duly noticed public hearing, the Historic Preservation Commission considered this Ordinance. Documents associated with that hearing are on file with the Clerk of the Board of Supervisors in File No. 101445 and are incorporated herein by reference.

Section 2. The San Francisco Public Works Code is hereby amended by amending Section 184.78, to read as follows:

SEC. 184.78. BANNERS.

(a) **Findings.** The Board of Supervisors hereby finds that:

(1) Banners placed on the upper portion of City-owned utility poles are an important medium for providing notice to San Francisco residents, as well as those who work in and visit

1 San Francisco, about City-sponsored, City-funded, and City-wide special events, City-
2 convention facility events, and the locations of the City's diverse neighborhoods.

3 (2) Because of the significant economic benefits that the City gains from tourism, San
4 Francisco has a strong interest in fostering tourism by promoting City-sponsored, City-funded
5 and City-wide special events, and in providing notice of the locations of the City's varied and
6 distinct neighborhoods.

7 (3) Because of the significant economic benefits that the City gains from the events
8 held at the City's convention facilities, San Francisco has a strong interest in fostering,
9 promoting and identifying those events conducted at the City's convention facilities.

10 (4) Increasing awareness of City-sponsored City-funded and City-wide special events,
11 and San Francisco's diverse neighborhoods also fosters civic pride.

12 (5) By adopting this section the Board does not intend to create a public forum on the
13 upper portion of City-owned utility poles, it has decided to make the upper portion of City-
14 owned utility poles available for the installation of banners that announce City-sponsored
15 events, City-funded events, City-wide special events, City convention facility events, or City
16 neighborhoods in order to achieve its goals of promoting tourism and civic pride, and
17 providing public notice.

18 (b) Subject to the conditions and limitations imposed by this Section, the Department is
19 authorized to adopt rules and regulations governing the posting of banners consistent with the
20 terms of this Article. In enacting such rules and regulations, the Department shall consider the
21 need to protect the safety of pedestrians, vehicles and other property and the need to promote
22 aesthetics on the City's streets and sidewalks. With respect to City-wide special event
23 banners or City convention facility banners, the Department of Public Works shall not
24
25

1 discriminate on the basis of the viewpoint in a banner in its administration and interpretation of
2 this Section and any rules or regulations adopted under this Section.

3 (c) Only the following banners may be posted on City-owned utility poles: City-
4 sponsored banners, City-funded event banners, City-wide event banners, City convention
5 facility banners, and City neighborhood banners.

6 (1) A "city-sponsored banner" is a banner announcing an event or series of related
7 events conducted by the City or any of its departments, boards, commissions or agencies, or
8 announcing a facility operated by the City or any of its departments, boards, commissions.

9 (2) A "city-funded event banners is a banner announcing an event or series of related
10 events which event or series of events have received funding of \$5,000 or more from the City
11 or any of its departments, boards, commissions or agencies.

12 (3) A "city-wide special event banner" is a banner announcing an event or series of
13 related events of interest to a significant portion of the residents of San Francisco and/or
14 tourists, which is not a purely commercial enterprise, and where (a) the proceeds, if any, will
15 directly benefit either a federal, state, or local government agency or a charitable non-profit
16 organization that maintains tax-exempt status under Internal Revenue Code Section 501(c)(3)
17 or (b) the event or series of events will take place on City-owned property and further a public
18 purpose.

19 (4) A "city convention facility banner" is a banner installed on any City-owned utility
20 pole located on streets proximate to the City's convention center facilities that announces an
21 event currently being held at a City-owned convention center facility. Those streets are: Third
22 Street between Folsom and Mission (west side only), Folsom Street between Third and Fourth
23 (north side only), Howard Street between Third and Fifth (both sides), Mission Street between
24 Third and Fourth (south side only), Fourth Street between Mission and Howard (both sides),
25

1 Fourth Street between Howard and Folsom (east side only), and Grove Street between Polk
2 and Larkin (both sides). A "city convention facility banner" may only be installed proximate to
3 the City-owned convention center facility at which the event the banner announces is currently
4 being held. A "city convention facility banner" may only be installed 10 days prior an event,
5 and may not remain posted for more than 10 days after an event. The Department shall give
6 requests for a "city convention facility banner" priority over other requests for banners on City-
7 owned utility poles directly adjacent to any part of the City's convention center facilities.

8 (5) A "city neighborhood banner" is a banner demarking a neighborhood in San
9 Francisco, placed in that neighborhood, and (A) identifying the neighborhood's name, such
10 as, for example: the Tenderloin, or Pacific Heights, or (B) symbolically representing the
11 neighborhood, such as the rainbow flags in and adjacent to the Castro neighborhood starting
12 at Church Street and ending at Castro Street.

13 (6) For the purposes of this Section, an "event or series of related events of interest to
14 a significant portion of the residents of San Francisco" is any event or series of related events
15 that take place in the City and that reasonably expect an in-person attendance of 500 or more
16 people for a single event or 1000 or more people for a series of events. Expected attendance
17 may be demonstrated by attendance at that same event or series of related events in previous
18 years, attendance at a similar event or series of related events in previous years, by
19 attendance projections for an event or series of events based on sales of tickets or
20 subscriptions to the event or series of related events or, for an event or series of events that is
21 being organized for the first time, by another reasonable measure of expected in-person
22 attendance to be determined by the Department of Public Works.

23 (d) Under the findings made in Section 184.58, no banner may be posted on the
24 historic and decorative lamp posts listed in Section 184.58, with the exception of those historic
25

1 and decorative lamp posts in the "Mission Street Corridor" located on Mission Street between
2 Sixteenth and Twenty-Fourth Streets, where banners may be posted.

3 (e) No banner shall be affixed to more than one structure so that it spans the area
4 between two or more structures or spans a street unless and until the party responsible for the
5 posting of such banner first obtains a permit from the Department for the purpose of enabling
6 that Department to ensure that the banner is posted in a safe manner and that the party has
7 obtained adequate insurance coverage for any risk posed by such posting, according to
8 guidelines established by the Director; and provided that, if any part of the banner is to be
9 attached to non-City property, upon filing the permit application, the party shall be notified that
10 the consent of the private owner should be obtained before posting the banner.

11 (f) Notwithstanding anything in this Code that may be to the contrary, the Director is
12 authorized to permit the posting of banners on the historic lamp posts lining Market Street, an
13 area known as the "Path of Gold," City Landmark #200, and more fully described in Section
14 184.58, for:

23 of all or a portion of Market Street's Path of Gold and (B) for which the event sponsor has
24 already obtained the necessary City approvals for such closure; and
25

1 (2B) Banners shall not be posted for longer than 30 days prior to the event, nor remain
2 posted for longer than 10 days after the event.

3 (3) All banners permitted under this Subsection shall be attached with fasteners that
4 are completely reversible and cause no damage.

5 (4) Prior to issuance of a permit under this Subsection (f), including any permit
6 modification or a temporary permit, the Historic Preservation Commission shall have approved
7 a Certificate of Appropriateness pursuant to Planning Code Section 1006.

8 (g) The following shall apply to all Banners:

9 (1) Banners identifying the name of a commercial sponsor must limit that identification
10 to a logo or business name only, located in the top or bottom portion of the banner, and
11 comprising no more than 15% of the total area of the banner.

12 (2) Banners shall not be installed for longer than 30 days prior to the event or series of
13 events, nor remain posted for longer than 10 days after the event or series of events.

14 (3) Banners shall be limited in size to 36 inches in width by 72 inches in length.

2 installer's service phone number. This required text shall be imprinted and maintained on the

22 (n) In addition, a fee equal to the cost of the time and materials expended by the

5 (2) The nonpayment of such fee or fine, or the continued existence of a condition in
6 violation of this Section, shall be grounds for the Director of Public Works to deny a permit for
