19 Section 1. Findings.

20 (a) CEQA and Land Use Findings.

21 (1) The Planning Department has determined that the Planning Code  
 22 amendment proposed in this ordinance is subject to a Categorical Exemption from the  
 23 California Environmental Quality Act (California Public Resources Code Sections 21000 et  
 24 seq., "CEQA") pursuant to Section 15308 of the CEQA Guidelines (California Code of  
 25 Regulations, Title 14, Sections 15000 et seq.), as an action taken by a regulatory agency for  
 the protection of the environment (in this case, landmark designation). Said determination is

1 on file with the Clerk of the Board of Supervisors in File No. 220924 and is incorporated herein  
2 by reference. The Board of Supervisors affirms this determination.

3 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that  
4 the proposed landmark designation of Turk and Taylor Streets Intersection together with  
5 defined portions of 101 Taylor Street, Assessor's Block No. 0339, Lot 003 (known as the "Site  
6 of the Compton's Cafeteria Riot"), will serve the public necessity, convenience, and welfare for  
7 the reasons set forth in Historic Preservation Commission Resolution No. 1264,  
8 recommending approval of the proposed designation, which is incorporated herein by  
9 reference.

10 (3) The Board of Supervisors finds that the proposed landmark designation of  
11 the Site of the Compton's Cafeteria Riot is consistent with the General Plan and with Planning  
12 Code Section 101.1(b) for the reasons set forth in Historic Preservation Commission  
13 Resolution No. 1264.

14 (b) General Findings.

15 (1) Pursuant to Charter Section 4.135, the Historic Preservation Commission  
16 has authority "to recommend approval, disapproval, or modification of landmark designations  
17 and historic district designations under the Planning Code to the Board of Supervisors."

18 (2) The Landmark Designation Fact Sheet was prepared by Planning  
19 Department Preservation staff. All preparers meet the Secretary of the Interior's Professional  
20 Qualification Standards for historic preservation program staff, as set forth in Code of Federal  
21 Regulations Title 36, Part 61, Appendix A. The report was reviewed for accuracy and  
22 conformance with the purposes and standards of Article 10 of the Planning Code.

23 (3) The Historic Preservation Commission, at its regular meeting of August 17,  
24 2022, reviewed Planning Department staff's analysis of the historical significance of the Site of  
25

1 the Compton’s Cafeteria Riot pursuant to Article 10 as part of the Landmark Designation Fact  
2 Sheet dated August 10, 2022.

3 (4) On June 17, 2022, after holding a public hearing on the proposed initiation,  
4 the Board of Supervisors initiated of the proposed landmark designation of Turk and Taylor  
5 Streets Intersection (at latitude: 37.78323 and longitude: -122.41078) by Resolution No. 283-  
6 22. Said resolution is on file with the Clerk of the Board in File No. 220461.

7 (5) On August 17, 2022, after holding a public hearing on the proposed  
8 designation and having considered the specialized analyses prepared by Planning  
9 Department staff and the Landmark Designation Fact Sheet, the Historic Preservation  
10 Commission recommended designation of the Site of the Compton’s Cafeteria Riot as a  
11 landmark under Article 10 of the Planning Code by Resolution No. 1264. Said resolution is on  
12 file with the Clerk of the Board in File No. 220924.

13 (6) The Board of Supervisors hereby finds that the Site of the Compton’s  
14 Cafeteria Riot has a special character and special historical, architectural, and aesthetic  
15 interest and value, and that its designation as a Landmark will further the purposes of and  
16 conform to the standards set forth in Article 10 of the Planning Code. In doing so, the Board  
17 hereby incorporates by reference the findings of the Landmark Designation Fact Sheet.

18  
19 Section 2. Designation.

20 Pursuant to Section 1004 of the Planning Code, the intersection of Turk and Taylor  
21 Streets, and defined portions of Assessor’s Block No. 0339 Lot No. 003, as set forth in  
22 Section 3, below (referred to herein as the “Site of the Compton’s Cafeteria Riot”), is hereby  
23 designated as a San Francisco Landmark under Article 10 of the Planning Code. Appendix A  
24 to Article 10 of the Planning Code is hereby amended to include this property.

1 Section 3. Required Data.

2 (a) The description, location, and boundary of the Landmark site consists of:

3 (1) The public right-of-way at the intersection of Turk Street and Taylor Street,  
4 bound by Assessor Block Nos. 0339, 0340, 0342 and 0343 with, in addition, the width of  
5 Taylor Street north 52 feet and the width of Turk Street west 40 feet; and

6 (2) The exterior building walls of 101 Taylor Street, to a height of 11 feet, 52  
7 feet north on Taylor Street and 40 feet west on Turk Street (being the walls that contained the  
8 storefronts of the former Compton's Cafeteria).

9 (b) The characteristics of the Landmark that justify its designation are described and  
10 shown in the Landmark Designation Fact Sheet and other supporting materials contained in  
11 Planning Department Record Case No. 2022-005199DES. In brief, the Site of the Compton's  
12 Cafeteria Riot is eligible for local designation as it is associated with events that have made a  
13 significant contribution to the broad patterns of San Francisco history. Specifically, designation  
14 of the Site of the Compton's Cafeteria Riot is proper given its association with the first large-  
15 scale collective direct action on the part of people marginalized by sexuality/gender that  
16 resulted in lasting institutional change. By acting collectively, instead of as individuals,  
17 members of the community were able to further the cause to enable a greater freedom of  
18 gender expression without oppression. Moreover, after the riot, the City's Health and Police  
19 Departments began to develop supportive programs for the transgender people in San  
20 Francisco, some of which would also enable people to gain access to State and Federal anti-  
21 poverty programs. The riot to demand dignity succeeded in starting the long process to  
22 change society.

23 (c) The particular features that shall be preserved, or replaced in-kind as determined  
24 necessary, are those generally shown in photographs and described in the Landmark  
25 Designation Fact Sheet, which can be found in Planning Department Record Case No. 2022-

1 005199DES, and which are incorporated in this designation by reference as though fully set  
2 forth. Specifically, the following features shall be preserved or replaced in kind:

3 (1) The spatial relationships within the public right-of-way at the intersection of  
4 Turk and Taylor Streets, being 68-feet, 9-inches in width, and extending north 52 feet from the  
5 corner of Turk Street and 40 feet west from the corner of Taylor Street;

6 (2) Limited portions of the exterior walls of 101 Taylor Street, specifically, the  
7 lower 11-feet of the building which housed the storefront of the former Gene Compton's  
8 Cafeteria; extending north 52 feet from the corner of Turk Street and 40 feet west from the  
9 corner of Taylor Street.

10  
11 Section 4. Standards of Review for Applications.

12 The following scopes of work shall not require a Certificate of Appropriateness within  
13 the public right-of-way at the intersection of Turk and Taylor Streets, and extending north 52  
14 feet from the corner of Turk Street and 40 feet west from the corner of Taylor Street:

15 (a) Signs, for businesses fronting the public right-of-way, or projecting into it as  
16 regulated by Article 6 of the Planning Code.

17 (b) Awnings or architectural features for buildings fronting the public right-of-way or  
18 projecting into it as regulated by Article 1.2 of the Planning Code.

19 (c) Signs for street, transit, bicycle, or pedestrian safety, direction, and identification,  
20 such as street names, speed limits, traffic signals, etc.

21 (d) Armatures and overhead wires for MUNI service.

22  
23 Section 5. Effective Date.

24 This ordinance shall become effective 30 days after enactment. Enactment occurs  
25 when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not

1 sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the  
2 Mayor's veto of the ordinance.

## LEGISLATIVE DIGEST

[Planning Code - Landmark Designation - Turk and Taylor Streets Intersection]

**Ordinance amending the Planning Code to designate the Turk and Taylor Streets Intersection together with defined portions of 101 Taylor Street, Assessor's Parcel Block No. 0339, Lot No. 003 (known as the "Site of the Compton's Cafeteria Riot"), as a Landmark under Article 10 of the Planning Code; affirming the Planning Department's determination under the California Environmental Quality Act; and making public necessity, convenience, and welfare findings under Planning Code, Section 302, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.**

### Existing Law

Under Article 10, Section 1004 of the Planning Code, the Board of Supervisors may, by ordinance, designate an individual structure that has special character or special historical, architectural or aesthetic interest or value as a City landmark. Unless prohibited by state law, once a structure has been named a landmark, any construction, alteration, removal or demolition for which a City permit is required necessitates a Certificate of Appropriateness from the Historic Preservation Commission. (Planning Code § 1006; Charter of the City and County of San Francisco, § 4.135.) Thus, landmark designation generally affords a high degree of protection to historic and architectural structures of merit in the City. There are currently more than 300 individual landmarks in the City under Article 10, in addition to structures and districts in the downtown area that are protected under Article 11. (See App. A to Article 10.)

### Amendments to Current Law

This ordinance amends the Planning Code to add a new historic landmark to the list of individual landmarks under Article 10: the intersection of Turk and Taylor Streets, and defined portions of Assessor's Block No. 0339 Lot No. 003, referred to in the legislation as the "Site of the Compton's Cafeteria Riot."

The ordinance finds that the Site of the Compton's Cafeteria Riot is eligible for local designation as it is associated with events that have made a significant contribution to the broad patterns of San Francisco history. Specifically, designation of the Site of the Compton's Cafeteria Riot is proper given its association with the first large-scale collective direct action on the part of people marginalized by sexuality/gender that resulted in lasting institutional change. By acting collectively, instead of as individuals, members of the community were able to further the cause to enable a greater freedom of gender expression without oppression. Moreover, after the riot, the City's Health and Police Departments began to develop supportive programs for the transgender people in San Francisco, some of which

FILE NO. 220924

would also enable people to gain access to State and Federal anti-poverty programs. The riot to demand dignity succeeded in starting the long process to change society.

As required by Section 1004, the ordinance lists the particular features that shall be preserved, or replaced in-kind as determined necessary.

Re: **Transmittal of Planning Department Case Number 2022-005199DES**  
**SITE OF THE COMPTON'S CAFETERIA RIOT Landmark Designation**  
BOS File No. 220461

Dear Ms. Calvillo and Supervisor Preston,

On August 17, 2022, the San Francisco Historic Preservation Commission (hereinafter "HPC") conducted a duly noticed public hearing at a regularly scheduled meeting to consider Supervisor Preston's initiation (Board File No. 220461) of the intersection of Turk and Taylor Streets, and the Planning Department's ordinance to landmark the Site of the Compton's Cafeteria Riot, being the intersection of Turk and Tylor Streets, with portions of Turk Street westward, Taylor Street northward and portions of the building at 101 Taylor Street, Assessor's Block 0339, Lot 003. At the hearing, the HPC voted to approve a resolution to recommend landmark designation pursuant to Article 10 of the Planning Code.

The proposed amendments have been determined to be categorically exempt from environmental review under the California Environmental Quality Act Section 15060(c)(2).

Please find attached documents related to the HPC's action. Also attached is an electronic copy of the proposed ordinance, drafted by Deputy City Attorney Andrea Ruiz-Esquide. If you have any questions or require further information, please do not hesitate to contact me.

**Recommendation:** Recommend Landmark Designation to the Board of Supervisors

## Property Description

On June 7, 2022, the Board of Supervisors (BoS) adopted Resolution No. 283-22 to initiate landmark designation of the intersection of Turk and Taylor Streets [[LATITUDE: 37.78323 LONGITUDE: -122.41078], known historically as the site of the Compton’s Cafeteria Riot (“subject property”), pursuant to Article 10 of the Planning Code. Under Article 10, initiation and recommendation are two distinct steps of the landmark designation process which require separate hearings and resolutions. Initiation occurred by Resolution of the Board of Supervisors. Today’s hearing

is to determine if the Historic Preservation Commission will Recommend the Landmark to the Board of Supervisors.

In drafting the designation Fact Sheet, staff relied on the prior work of Shayne Watson and Donna Graves in the Citywide Historic Context Statement for LGBTQ History in San Francisco, 2015. That work itself is based on the scholarship of Dr. Susan Stryker who conducted much primary research on the event. Dr. Stryker also served as an expert reader for the staff report. To date, staff has received three letters of support from the public in favor of the designation.

The site is located within the boundaries of the Transgender District, one of several cultural districts in San Francisco. The Planning Department has been in communication with the leadership of the Transgender District, staff of former Supervisor Haney, several historians, activists and members of the public. Since the Board of Supervisors (BOS) initiated the Landmark, two factors have come to the attention of the Department. First, the initial initiation did not include the building that contained the Compton's Cafeteria itself; second, Public Works has been planning a project to reconstruct the intersection and adjacent blocks for the "Safer Taylor Street" project.

Inclusion of portions of 101 Taylor Street, the building that contained the Gene Compton's Cafeteria was not included in the initial initiation because of a false belief that Article 10 designation required owner consent. It does not. Learning this, and knowing that the Riot occurred both inside the diner and in the street, we [Transgender District leadership] think it appropriate to expand the Landmark to also include at least part of the building. As we [Transgender District leadership] plan for the future and our long-term vision of The Transgender District, we've made the decision to include the building in the landmark that was initiated.<sup>1</sup> A letter of support for the expanded boundaries has also been supplied by Supervisor Preston.

Staff has met with Maria Richard, Facility Director for the owners of 101 Taylor Street and have their support of the limited portions of the building being included in the designation. One ask from Ms. Richard is to be excluded from the need of a Certificate of Appropriateness for the creation of any future murals, which staff has not included in the draft Ordinance, but the HPC may direct should the members support that exclusion.

Planning Code Section 1004.2(b) states in part: "Where the Board of Supervisors has referred an initiation of designation to the HPC, the HPC shall hold a public hearing and shall approve, disapprove or modify the proposal ..." therefore, the Department is requesting the HPC modify the proposal to include portions of the exterior of 101 Taylor Street in the designation. As the exterior of the ground floor has seen significant alterations and no portion of the interior remains, staff recommends that only the exterior portions of the building where the diner formerly occupied be included. The Department's recommended boundaries include the lower 11-feet of the building wall (the height of the storefront) for 40-feet from the corner westward on Turk Street and for 52-feet northward on Taylor Street, being the exterior dimensions of the storefront where the Compton's Cafeteria occupied in 1966.

Safer Taylor Street project: Public Works and the San Francisco Municipal Transportation Agency (SFMTA) has collaborated with the Tenderloin community to developed a new vision for Taylor Street between Turk and Ellis streets to improve transportation safety and livability for all users of this corridor. The Safer Taylor Street project

---

<sup>1</sup> Email from Jupiter Peraza of The Transgender District to Kyle Smeallie, Legislative Aide to Supervisor Preston June 2, 2022.

will provide transportation safety and streetscape improvements along Taylor Street, including sidewalk widening, pedestrian crosswalks, corner bulbouts, new traffic signals, and streetscape enhancement such as decorative paving, new street trees and street furnishing.<sup>2</sup>

Planning Code Section 1005(e)(4) excludes the Safer Tylor Street scope from a Certificate of Appropriateness. It reads: "When the application is for a permit to maintain, repair, rehabilitate, or improve streets and sidewalks, including sidewalk widening, accessibility, and bulb-outs, unless such streets and sidewalks have been explicitly called out in a landmark's or district's designating ordinance as character defining features of the landmark or district." No identified character-defining features are located in the public right-of way.

The seven aspects of Integrity are: location, setting, design, materials, workmanship, feeling, and association. As a resource significant for association for an event, certain aspects of integrity are more relevant than others. The location, setting feeling and association remain intact, as the essential characteristics of an urban intersection are unchanged. Workmanship, design and materials are less important. The storefront that had contained the Compton's Cafeteria has undergone two significant changes since 1966 and is no longer an active storefront. The design and materials have been changed, yet it is still completely recognizable as the location, setting, feeling and associations are extant.

The item before the HPC is consideration of a Resolution to Recommend Article 10 landmark designation of the subject property to the Board of Supervisors under Article 10 of the Planning Code, Section 1004.1.

## Basis for Recommendation

The Department recommends that the Historic Preservation Commission recommend to the Board of Supervisors landmark designation of the "Site of the Compton's Cafeteria Riot" as it is individually eligible for association the first large-scale collective direct action on the part of people marginalized by sexuality/gender that resulted in lasting institutional change, surpassing Cooper Donut in impact, Dewey's in militancy, and preceding the more important/larger Stonewall in time. By acting collectively, instead of as individuals, members of the community were able to further the cause to enable a greater freedom of gender expression without oppression. Moreover, after the Riot, the City's Health and Police Departments began to develop supportive programs for the transgender people in San Francisco, some of which would also enable people to gain access to State and Federal anti-poverty programs. The Riot to demand dignity succeeded in starting the long process to change society.

20 Section 1. Findings.

21 (a) CEQA and Land Use Findings.

22 (1) The Planning Department has determined that the Planning Code  
 23 amendment proposed in this ordinance is subject to a Categorical Exemption from the  
 24 California Environmental Quality Act (California Public Resources Code Sections 21000 et  
 25 seq., "CEQA") pursuant to Section 15308 of the CEQA Guidelines (California Code of  
 Regulations, Title 14, Sections 15000 et seq.), as an action taken by a regulatory agency for  
 the protection of the environment (in this case, landmark designation). Said determination is

1 on file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_ and is  
2 incorporated herein by reference. The Board of Supervisors affirms this determination.

3 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that  
4 the proposed landmark designation of Turk and Taylor Streets Intersection together with  
5 defined portions of 101 Taylor Street, Assessor's Block No. 0339, Lot 003 (known as the "Site  
6 of the Compton's Cafeteria Riot"), will serve the public necessity, convenience, and welfare for  
7 the reasons set forth in Historic Preservation Commission Resolution No. \_\_\_\_\_,  
8 recommending approval of the proposed designation, which is incorporated herein by  
9 reference.

10 (3) The Board of Supervisors finds that the proposed landmark designation of  
11 the Site of the Compton's Cafeteria Riot is consistent with the General Plan and with Planning  
12 Code Section 101.1(b) for the reasons set forth in Historic Preservation Commission  
13 Resolution No. \_\_\_\_\_.

14 (b) General Findings.

15 (1) Pursuant to Charter Section 4.135, the Historic Preservation Commission  
16 has authority "to recommend approval, disapproval, or modification of landmark designations  
17 and historic district designations under the Planning Code to the Board of Supervisors."

18 (2) The Landmark Designation Fact Sheet was prepared by Planning  
19 Department Preservation staff. All preparers meet the Secretary of the Interior's Professional  
20 Qualification Standards for historic preservation program staff, as set forth in Code of Federal  
21 Regulations Title 36, Part 61, Appendix A. The report was reviewed for accuracy and  
22 conformance with the purposes and standards of Article 10 of the Planning Code.

23 (3) The Historic Preservation Commission, at its regular meeting of August 17,  
24 2022, reviewed Planning Department staff's analysis of the historical significance of the Site of  
25

1 the Compton’s Cafeteria Riot pursuant to Article 10 as part of the Landmark Designation Fact  
2 Sheet dated August 10, 2022.

3 (4) On June 17, 2022, after holding a public hearing on the proposed initiation,  
4 the Board of Supervisors initiated of the proposed landmark designation of Turk and Taylor  
5 Streets Intersection (at latitude: 37.78323 and longitude: -122.41078) by Resolution No. 283-  
6 22. Said resolution is on file with the Clerk of the Board in File No. 220461.

7 (5) On August 17, 2022, after holding a public hearing on the proposed  
8 designation and having considered the specialized analyses prepared by Planning  
9 Department staff and the Landmark Designation Fact Sheet, the Historic Preservation  
10 Commission recommended designation of the Site of the Compton’s Cafeteria Riot as a  
11 landmark under Article 10 of the Planning Code by Resolution No. \_\_\_\_\_. Said resolution  
12 is on file with the Clerk of the Board in File No. \_\_\_\_\_.

13 (6) The Board of Supervisors hereby finds that the Site of the Compton’s  
14 Cafeteria Riot has a special character and special historical, architectural, and aesthetic  
15 interest and value, and that its designation as a Landmark will further the purposes of and  
16 conform to the standards set forth in Article 10 of the Planning Code. In doing so, the Board  
17 hereby incorporates by reference the findings of the Landmark Designation Fact Sheet.

18  
19 Section 2. Designation.

20 Pursuant to Section 1004 of the Planning Code, the intersection of Turk and Taylor  
21 Streets, and defined portions of Assessor’s Block No. 0339 Lot No. 003, as set forth in  
22 Section 3, below (referred to herein as the “Site of the Compton’s Cafeteria Riot”), is hereby  
23 designated as a San Francisco Landmark under Article 10 of the Planning Code. Appendix A  
24 to Article 10 of the Planning Code is hereby amended to include this property.

1 Section 3. Required Data.

2 (a) The description, location, and boundary of the Landmark site consists of:

3 (1) The public right-of-way at the intersection of Turk Street and Taylor Street,  
4 bound by Assessor Block Nos. 0339, 0340, 0342 and 0343 with, in addition, the width of  
5 Taylor Street north 52 feet and the width of Turk Street west 40 feet; and

6 (2) The exterior building walls of 101 Taylor Street, to a height of 11 feet, 52  
7 feet north on Taylor Street and 40 feet west on Turk Street (being the walls that contained the  
8 storefronts of the former Compton's Cafeteria).

9 (b) The characteristics of the Landmark that justify its designation are described and  
10 shown in the Landmark Designation Fact Sheet and other supporting materials contained in  
11 Planning Department Record Case No. 2022-005199DES. In brief, the Site of the Compton's  
12 Cafeteria Riot is eligible for local designation as it is associated with events that have made a  
13 significant contribution to the broad patterns of San Francisco history. Specifically, designation  
14 of the Site of the Compton's Cafeteria Riot is proper given its association with the first large-  
15 scale collective direct action on the part of people marginalized by sexuality/gender that  
16 resulted in lasting institutional change. By acting collectively, instead of as individuals,  
17 members of the community were able to further the cause to enable a greater freedom of  
18 gender expression without oppression. Moreover, after the riot, the City's Health and Police  
19 Departments began to develop supportive programs for the transgender people in San  
20 Francisco, some of which would also enable people to gain access to State and Federal anti-  
21 poverty programs. The riot to demand dignity succeeded in starting the long process to  
22 change society.

23 (c) The particular features that shall be preserved, or replaced in-kind as determined  
24 necessary, are those generally shown in photographs and described in the Landmark  
25 Designation Fact Sheet, which can be found in Planning Department Record Case No. 2022-

1 005199DES, and which are incorporated in this designation by reference as though fully set  
2 forth. Specifically, the following features shall be preserved or replaced in kind:

3 (1) The spatial relationships within the public right-of-way at the intersection of  
4 Turk and Taylor Streets, being 68-feet, 9-inches in width, and extending north 52 feet from the  
5 corner of Turk Street and 40 feet west from the corner of Taylor Street;

6 (2) Limited portions of the exterior walls of 101 Taylor Street, specifically, the  
7 lower 11-feet of the building which housed the storefront of the former Gene Compton's  
8 Cafeteria; extending north 52 feet from the corner of Turk Street and 40 feet west from the  
9 corner of Taylor Street.

10  
11 Section 4. Standards of Review for Applications.

12 The following scopes of work shall not require a Certificate of Appropriateness within  
13 the public right-of-way at the intersection of Turk and Taylor Streets, and extending north 52  
14 feet from the corner of Turk Street and 40 feet west from the corner of Taylor Street:

15 (a) Signs, for businesses fronting the public right-of-way, or projecting into it as  
16 regulated by Article 6 of the Planning Code.

17 (b) Awnings or architectural features for buildings fronting the public right-of-way or  
18 projecting into it as regulated by Article 1.2 of the Planning Code.

19 (c) Signs for street, transit, bicycle, or pedestrian safety, direction, and identification,  
20 such as street names, speed limits, traffic signals, etc.

21 (d) Armatures and overhead wires for MUNI service.

22  
23 Section 5. Effective Date.

24 This ordinance shall become effective 30 days after enactment. Enactment occurs  
25 when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not

1 sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the  
2 Mayor's veto of the ordinance.

**Statement of Significance**

**Site of the Compton’s Cafeteria Riot, August 1966<sup>1</sup>**

**Background Context**

In 1966, a group of transgender women and young gay men took direct action during the Compton’s Cafeteria riot, which “resulted in lasting institutional change”<sup>2</sup>. In the 1960s, the Tenderloin saw an influx of socially and economically marginalized people who had been forced out of areas in San Francisco that had been targeted for redevelopment, especially the Western Addition and South of Market areas. The combination of the increased and very mixed population, along with the Tenderloin’s already high number of low-income residents living in single-room-occupancy hotels or on the streets, led to neighborhood activists organizing for financial and social assistance.

Part of a local chain, the Gene Compton’s Cafeteria at 101 Taylor Street at the corner of Turk and Taylor Streets in the heart of the Tenderloin was a popular hangout for transgender women, young male hustlers, and others who lived and worked in the Tenderloin in the early 1960s. Compton’s

<sup>2</sup> Susan Stryker, Transgender History (Berkeley: Seal Press, 2008) 64. Earlier transgender protests have been documented in Los Angeles (Cooper’s Donuts in 1959) and Philadelphia (Dewey’s in 1965).

Cafeteria was a brightly lit, inexpensive restaurant that was open 24 hours a day, and was one of the few places where transgender women could feel safe socializing.

Cheap residential hotels in the neighborhood were among the very few places that would rent rooms to them. Transgender activist Felicia “Flames” Elizondo found her first San Francisco home near Compton’s, where a transgender clerk named Amanda St. Jaymes “let us take tricks up to the room for five dollars.”<sup>3</sup> Elizondo says, “Golden Gate, Mason, Geary and Hyde Streets were the blocks where we felt comfortable.” Tamara Ching, another long-time transgender activist, says the Tenderloin was the easiest place for transgender women to engage in sex work “because everyone knew what was what, the customers knew who we were, what we were.”<sup>4</sup>

Members of the Tenderloin LGBTQ+ youth group Vanguard also gathered at Compton’s, bringing a more assertive and anti-assimilation<sup>5</sup> attitude that annoyed management, who began asking police to remove some patrons. In July 1966, a few dozen Vanguard youth organized a picket line in front of Compton’s to protest “physical and verbal abuse by the management and the “Pinkerton” Special Officers assigned there.”<sup>6</sup> Police at the time had the reputation for capriciousness, arrests were frequent, the charges being for female impersonation, and could result in placement in isolation for days at a time.<sup>7</sup>

police harassment.<sup>8</sup> The riot took place over several days in August 1966—three years before the more well-known Stonewall riots in New York.

In August 1966, a police attempt to evict transgender women from the cafeteria inspired patrons to rebel, rather than submit to arrest as they had done previously. Transgender women and drag queens threw crockery and turned over tables as they fought with police, shattering the restaurant's plate-glass windows in the process. An angry crowd gathered at the intersection of Turk and Taylor Streets, and police called in backup, but the night ended with a police car wrecked and a corner newsstand set on fire. Many went to jail, but "there was a lot of joy after it happened" according to Amanda St. Jaymes. The next night a picket line with placards appeared at Compton's and again, shattered glass littered the sidewalk. Although the event did not receive press coverage at the time, Stryker notes that the Compton's Cafeteria Riot demonstrated a growing assertiveness and community consciousness among some transgender people and represented what Stryker describes as "the transgender community's debut on the stage of American political history."<sup>9</sup>

### **Cultural Significance**

The Turk & Taylor Streets Intersection witnessed the first documented uprising of trans and queer people, In August of 1966, what is known as the Compton's Cafeteria Riot, due to the fact that it started as a confrontation between a police officer and a drag queen at Compton's Cafeteria at the intersection of Turk & Taylor and spilled out into the streets. The Compton's Cafeteria Riots of 1966 transpired three years before the Stonewall Inn Riots, which has been regarded as the quintessential event for the gay liberation movement, eclipsing other trailblazing events such as the Cooper Do-nuts Riot in Los Angeles in 1959 which did not evoke cultural changes. However, the revolutionary event that took place at the intersection of Turk & Taylor Streets must also be

<sup>9</sup> Susan Stryker in documentary film, *Screaming Queens: The Riot at Compton's Cafeteria*, 2005. The film states that Compton's started closing at midnight after the riot, and patronage decreased. It closed in 1972 and was replaced by a porn shop.

recognized as a seminal event in the history of transgender liberation. As decades have passed San Francisco-based publications such as the San Francisco Chronicle and zines used by Tenderloin-based organizations like Vanguard, continue to uphold the prominence and impact of the Compton's Cafeteria Riots and regard the intersection of Turk & Taylor Streets as a historically and culturally important space.

The "Site of the Compton's Cafeteria Riot" is significant given its association with an early documented "instance of collective militant queer resistance to police harassment United States history<sup>10</sup>". By acting collectively, instead of as individuals, members of the community were able to further the cause to enable a greater freedom of gender expression without oppression.

Moreover, after the Riot, the City's Health and Police Departments began to develop supportive programs for the transgender people in San Francisco, some of which would also enable people to gain access to State and Federal anti-poverty programs. The Riot to demand dignity succeeded in starting the long process to change society.

The corner of Turk & Taylor continues to be a valuable asset tethered to the history of transgender and queer individuals in San Francisco's Tenderloin neighborhood and is a key monument for The Transgender Cultural District. The Turk & Taylor Streets Intersection represent a sacred site for the transgender community capable of furthering social and historical awareness, educational opportunities, and economic investment in a neighborhood that has memorialized a prominent transgender presence. The Turk & Taylor Streets Intersection was selected to be the site of the Black Trans Lives Matter Mural, a visual demonstration calling for awareness of the alarming violence perpetrated against transgender women, and disproportionately impacting Black transgender women. Recognizing symbols and monuments tethered to transgender liberation and activism supports and empowers an embattled community that struggles for equitable representation in documented history.

Historic Preservation Committee

2022-005199DES Public Comment

This letter is to offer my fullest support for the Turk and Taylor Landmark Designation Recommendation being put forward. I have read carefully the recommendation and supporting documentation. I understand the premise behind the action as well as agreeing with the supporting arguments.

Over and above my support, I would like to thank the city planning staff, who have prepared the document, for their excellent work.

Community is about caring. Community is recognizing a level of care that manifests beyond the conscious. Community is about doing something positive to foster the intrinsic bonds that underpin the group. This legislation is one of those acts.

As an architect, I am familiar with the rhythms of the city, the solids, and voids - the windows and walls that make up a street. I am sensitive to how they serve as a backdrop to foster, rightly or wrongly, social interaction. Behind those solids and voids are uses and activities whose presence is viewed through the glass, echoed through open doors, and hidden by the walls. Like the transparency of the Twin Peaks bar, Gene Compton's Cafeteria offered others a glimpse at a place for a marginalized group to safely gather.

Buildings like people change over time, but they remain imbued with the experiences and memories that have shaped them over time. In my case - student to architect, man to woman, younger to older. In the case of Turk and Taylor, the essence is still there. I am so pleased that the area, although physically changed from the original, still has energy present which is being recognized and preserved.

I have been fortunate to have had a small audience with the Pope and I have met the Dali Lama. Recently I recently did a small project at the Twin Peaks bar and now I have the opportunity to support this project. I feel blessed.

I trust you will all support and pass this recommendation.

11. WHEREAS, the Historic Preservation Commission finds that the "Site of the Compton's Cafeteria Riot" meets the eligibility requirements of Section 1004 of the Planning Code and warrants consideration for Article 10 landmark designation; and
12. WHEREAS, pursuant to Section 1004.2(b), the Historic Preservation Commission finds that the boundaries be

expanded to include minor portions of Turk and Taylor Streets as well as portions of 101-Taylor street, and the list of character-defining features, as identified in the Landmark Designation Fact Sheet, should be considered for preservation under the proposed landmark designation as they relate to the Site's historical significance and retain historical integrity; and

13. WHEREAS, the proposed designation is consistent with the General Plan priority policies pursuant to Planning Code, Section 101.1 and furthers Priority Policy No. 7, which states that landmarks and historic buildings be preserved, and will serve the public necessity, convenience and welfare pursuant to Planning Code, Section 302; and
14. WHEREAS, the Department has determined that landmark designation is exempt from environmental review, pursuant to CEQA Guidelines Section 15308 (Class Eight - Categorical); and,

THEREFORE BE IT RESOLVED that the Historic Preservation Commission hereby recommends to the Board of Supervisors approval of landmark designation of the "Site of the Compton's Cafeteria Riot", the intersection of Turk and Taylor Streets together with portions of 101 Taylor Street, Assessor's Parcel Block No. 0339, Lot No. 003 consistent with the purposes and standards of Article 10 of the Planning Code.

BE IT FURTHER RESOLVED that the Historic Preservation Commission hereby directs directed Staff to work with appropriate agencies and community to further emphasize the site with more information.

I hereby certify that the foregoing Resolution was adopted by the Historic Preservation Commission at its meeting on August 17, 2022.

# Legislative Process

- **The Intersection of Turk and Taylor was initiated by the Board of Supervisors.**
- **Located within the Transgender District and a National Register Historic District.**
- **The Historic Preservation Commission adopted a resolution to recommend designation of the Site of the Compton's Cafeteria Riot:**
  - 1. Redefine the boundaries of the landmark site to include the intersection, with extensions to coincide with the former storefronts as well as the lower building walls of 101 Taylor Street that housed the former diner.**
  - 2. Recommend that additional interpretive measures be incorporated in the future.**

# Issues and Considerations

As presented in the Ordinance,  
Character-Defining Features are:

- (1) Spatial Relationships within the public right-of-way;
- (2) Limited portions of the 101 Taylor Street being the lower 11-feet of the walls that housed the Compton's Cafeteria in 1966. (Building owners do not object to designation)

**Integrity:** As a resource significant for association for an event, certain aspects of integrity are more relevant than others.

The location, setting feeling and association remain intact, as the essential characteristics of an urban intersection are unchanged.

DATE: November 8, 2022

TO: Angela Calvillo, Clerk of the Board of Supervisors

FROM: Supervisor Myrna Melgar, Chair, Land Use and Transportation Committee

RE: Land Use and Transportation Committee  
COMMITTEE REPORT

---

Pursuant to Board Rule 4.20, as Chair of the Land Use and Transportation Committee, I have deemed the following matter is of an urgent nature and request it be considered by the full Board on Tuesday, November 15, as a Committee Report:

**220924      Planning Code - Landmark Designation - Turk and Taylor Streets Intersection**

Ordinance amending the Planning Code to designate the Turk and Taylor Streets Intersection together with defined portions of 101 Taylor Street, Assessor's Parcel Block No. 0339, Lot No. 003 (known as the "Site of the Compton's Cafeteria Riot"), as a Landmark under Article 10 of the Planning Code; affirming the Planning Department's determination under the California Environmental Quality Act; and making public necessity, convenience, and welfare findings under Planning Code, Section 302, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.

This matter will be heard in the Land Use and Transportation Committee at a Regular Meeting on Monday, November 14, at 1:30 p.m. Sincerely,

A handwritten signature in blue ink, appearing to read "Myrna Melgar".
