# MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

City Administrative Code Section 10.170-1 states that accepting and expending Federal, State, or third-party grant funds in the amount of \$100,000 or more, including any City matching funds required by the grant, is subject to Board of Supervisors approval.

# BACKGROUND

In July 2020, Mayor London Breed announced her Homelessness Recovery Plan that included the goal of acquiring or leasing 1,500 new units of Permanent Supportive Housing over the next two years. The City added 2,918 new units of permanent supportive housing that were active or under contract with a non-profit provider as of June 30, 2022 using monies made available from the state Homekey program and Proposition C, a gross receipts tax to fund homeless services and housing approved by San Francisco voters in November 2018.

In July 2020, the California Department of Housing and Community Development (HCD) announced the Homekey program, providing grants to sustain and expand housing for people experiencing homelessness impacted by COVID-19. Funding is provided jointly by the federal and state governments, and the program requires the grant recipient to provide matching funds. HSH has secured more than \$212.57 million in state Homekey awards. In Round 1, HSH was awarded \$76.9 million to acquire and operate two properties. In September 2021, HCD announced a second round of Homekey grant funding, which HSH received grant awards for all four applications submitted. As of the writing of this report, HSH has received state approval for round 2 grant funds totaling approximately \$135.7 million to acquire, improve, and operate four sites, including 333 12<sup>th</sup> Street. HSH will be introducing accept and expend legislation for the final round 2 Homekey Grant award for 5630 Mission before the end of the calendar year.

# 333 12th Street

In April 2022, the Board of Supervisors approved the purchase of 333 12<sup>th</sup> Street at a total acquisition cost of \$145,000,000 plus an estimated \$290,000 for typical closing costs, and up to \$2,250,000 in interest payable in two installments, for a total acquisition cost amount not to exceed \$147,540,000 (File 22-0344).<sup>1</sup> The authorizing legislation also permitted HSH to apply for a Project Homekey grant to partially fund the acquisition and operation of the property. In July 2022, HCD notified HSH of a Homekey grant award of \$56,578,000.

In August 2022, the City acquired 333 12<sup>th</sup> Street to provide Permanent Supportive Housing. 333 12<sup>th</sup> Street is approximately 25,533 square feet of land, with a residential building consisting of 200 multi-family units (two-, four- and five-bedroom units), office space, community lounges, a central lobby, laundry rooms, elevator, and shared outdoor space.

<sup>&</sup>lt;sup>1</sup> As of August 31, 2022, the City had completed installment payments totaling \$100,089,899 towards the purchase.

According to the Department of Homelessness and Supportive Housing (HSH) staff, the property is currently being used for private, market rate housing, and current tenants are on month-tomonth leases. Current residents are not required to move out of the building, and tenants have been informed the building will be operated as a supportive housing site for formerly homeless families. Approximately 120 residents currently occupy 19% of total bedrooms across 95 units. As lease up of PSH units occurs, current residents will be asked to consolidate into units per the terms of their existing leases.<sup>2</sup> HSH will be referring families exiting homelessness into vacant units through Coordinated Entry and anticipates attrition of the current market rate tenants to vacate the remaining units.

HSH has selected Abode Services as the supportive services provider and Housing for Independent People, Inc. as the property manager through a competitive bidding process. The master lease and property management agreement is pending approval by the Board of Supervisors (File 22-1171) and the supportive services contract is not yet finalized according to HSH.

# DETAILS OF PROPOSED LEGISLATION

The proposed resolution would:

- Authorize HSH to execute a Standard Agreement with HCD for a total not-to-exceed amount of \$56,578,000 in Project Homekey grant funds;
- Accept and expend those funds for the acquisition of 333 12<sup>th</sup> Street for permanent supportive housing and to support its operations through June 2026;
- Authorize HSH to contribute a minimum of five years of operating costs and approximately \$98,800,000 in Proposition C matching funds for acquisition of the property;
- Affirm the Planning Department's determination under the California Environmental Quality Act;
- Adopt the Planning Department's findings of consistency with the General Plan and Planning Code Section 101.1; and
- Authorize HSH to make changes to the Standard Agreement and Homekey documents that do not materially increase the obligations or liabilities of the City or materially decrease benefits to the City.

# **Building Occupancy**

The Homekey grant agreement requires that 170 of the 200 units in the building will be occupied by Homekey-eligible households defined as individuals or families who are homeless or at risk of becoming homeless and are impacted by COVID-19 or other communicable diseases. As lease up of PSH units occurs, current residents occupying 19% of current bedrooms across 95 units will be asked to consolidate into shared units per the terms of their existing leases. HSH anticipates some

<sup>&</sup>lt;sup>2</sup> Residents typically rent individual rooms rather than the entire unit.

current residents will choose to leave the property. The grant agreement also requires that 85 of the 170 units (50 percent of Homekey-assisted units) will be occupied by homeless individuals or families.

# **FISCAL IMPACT**

### Acquisition and Operating Costs

The total award of \$56,578,000 includes \$48,850,000 towards acquisition costs and \$7,728,000 towards operating costs for the property. The grant agreement requires HSH to fund the remaining acquisition costs of \$98,800,000 and to fund operating and service costs for five years. At the time HSH applied for the Homekey grant, HSH estimated the City share of operating costs for five years to be \$19,800,000 based on average costs of supportive housing sites. However, property management and supportive services costs exceed prior estimates, and the total property management and supportive service costs are expected to be \$27,520,000 (see File 22-1171).

All local matching funds will be provided by existing Proposition C revenues. The estimated Proposition C funds needed for the purchase of the building and five years of operations are approximately \$105.6 million.<sup>3</sup> Acquisition expenditures incurred in FY 2022-23 were previously appropriated in HSH's FY 2021-22 and FY 2022-23 budget.

#### **Bonus Award**

The \$7,728,000 award for operating costs includes a bonus award of \$1,680,000 conditioned on the property achieving 90 percent occupancy by March 2023. HSH does not anticipate meeting this target.

# RECOMMENDATION

Approve the proposed resolution.

<sup>&</sup>lt;sup>3</sup> The total purchase cost was \$145 million, plus \$290,000 in closing costs, and up to \$2,250,000 in interest due to the installation payment structure of the purchase (as discussed in our report on File 22-0344), offset by the proposed Homekey award, which includes \$48,850,000 for the purchase. Five years of property management costs in the pending lease and management agreement are \$15,075,022, paid for by Proposition C (\$6,937,809), Homekey (\$6,048,000), and tenant income (\$2,089,193) and \$12,445,000 for supportive services.

# AUTHORITY, PURPOSE AND SCOPE OF WORK

# 1. Authority

California Assembly Bill No. 140 (Chapter 111, Statutes of 2021) ("**AB 140**") added sections 50675.1.3 and 50675.1.4 to the Multifamily Housing Program ("**MHP**") (Chapter 6.7 (commencing with Section 50675) of Part 2 of Division 31 of the Health and Safety Code). Health and Safety Code section 50675.1.3 provides the statutory basis for the Homekey Program – Round 2 ("**Homekey**" or "**Program**"). Health and Safety Code section 50675.1, subdivision (d) authorizes the Department of Housing and Community Development ("**Department**" or "**HCD**") to administer MHP.

The Department issued a Homekey Program Notice of Funding Availability, Round 2 on September 9, 2021, which was subsequently amended on January 14, 2022 and May 5, 2022 (the "**NOFA**"). The NOFA incorporates by reference the MHP, as well as the Multifamily Housing Program Final Guidelines, dated June 19, 2019 ("**MHP Guidelines**"), both as amended and in effect from time to time. Homekey grant funds are derived primarily from the state's direct allocation of the federal Coronavirus State Fiscal Recovery Fund ("**CSFRF**"), which was established by the American Rescue Plan Act of 2021 ("**ARPA**") (Pub.L. No. 117-2). Homekey funds are also derived from the State of California's General Fund.

This STD 213, Standard Agreement ("**Agreement**") is entered under the authority and in furtherance of the Program. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remaining terms and provisions of this Agreement, or the application of such terms or provisions to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and enforced to the fullest extent permitted by law.

#### 37. Modification or Waiver under AB 1010

#### 38. <u>Waivers</u>

No waiver of any breach, violation, or default under this Agreement shall be held to be a waiver of any other or subsequent breach or violation thereof or default thereunder. The Department's failure, at any time, to enforce the provisions of this Agreement or to require the Grantee's performance under this Agreement shall in no way be construed as a waiver of such provisions or performance, and it shall not affect the validity of this Agreement or the Department's right to enforce this Agreement.

#### 39. <u>Uniform Administrative Requirements, Cost Principles, and Audit</u> <u>Requirements for Federal Awards</u>

This Agreement is subject to the administrative requirements, cost principles, and audit requirements for federal awards to non-federal entities, which are set forth at 2 Code of Federal Regulations part 200.

The parties agree that wherever the consent or approval of the Department or Grantee is required under this Agreement, such consent or approval shall not be unreasonably withheld, conditioned, or delayed, unless the same is specified as being in that party's sole and absolute discretion, or other words of similar import.

#### 43. Grantee Liability

Grantee shall remain liable to the Department for performance under this Standard Agreement and compliance with all Program Requirements regardless of any Department-approved transfer or assignment of interest, or of any designation of a third party for the undertaking of all or any part of the Scope of Work. Likewise, each Co-Grantee shall remain jointly and severally liable to the Department for performance under this Standard Agreement and compliance with all Program Requirements regardless of any Department-approved transfer or assignment of interest; any designation of a third party for the undertaking of all or any part of the Scope of Work; or the Co-Grantees' identification of a Designated Payee.

#### 44. Defense and Indemnification

Grantee agrees to defend, indemnify, and hold harmless the Department, and its appointees, agents, employees, and officers, from any losses, damages, liabilities, claims, actions, judgments, court costs and legal or other expenses (including attorneys' fees), which may arise in connection with Grantee's use of the Grant funds and performance under this Agreement. The Case Manager Ratio for the Homeless Population is 20:1.

#### Supportive Services to be Provided:

- Case Management: Case management staff provide services to tenants with the primary goal of maintaining housing stability, including ongoing meetings and counseling to establish goals, develop services plans that are tenantdriven without predetermined goals, provide referrals and linkages to off-site Support Services, and support tenants toward achieving those goals.
- Behavioral Health Services: HSH will coordinate provision of Behavioral Health services through onsite case management. HSH contracts with a community provider that accepts direct referrals from case management, as needed, and who provides on-site (mobile) behavioral health services to families and children. Additional clinical consultation and crisis services are available through the Department of Public Health (DPH) mobile services hub for Permanent Supportive Housing (PSH).
- Physical Health Services: Case Management staff will assist tenants to access primary care to ensure health care needs are met. HSH partners with In-Home Support Services (IHSS) to connect tenants to services as needed. A trauma informed approach will be utilized to ensure tenant's physical health needs are met. Additionally, HSH is continuing to partner with DPH and the National Harm Reduction Coalition's Drug Overdose Prevention and Education program to create and tailor education services and resources to the community working with people experiencing homelessness. This program will adopt the uniform overdose prevention policy created for PSH programs.
- Education and Employment Services: HSH employs case management in a 20:1 ratio for supportive services. This includes 10 FTE that work at the property to provide referral services and coordination of workshops and trainings as needed by the tenants.
- Assistance obtaining benefits and essential documentation: HSH employs case management in a 20:1 ratio for supportive services. This includes 10 FTE that work at the property to provide referral services and coordination of workshops and trainings as needed by the tenants.

- Housing Stability: Case Management will outreach to and offer services and/or referrals to all residents who display indications of housing instability. Housing instability indicators include but are not limited to, discontinuance from benefits, rules violations or warnings from Property Management, and conflicts with staff or other residents. Residents will be assisted with communicating, responding to, and meeting with Property Management. They will also collaborate with property management to identify clients who have not been seen or have shown signs of concern to staff on at least a weekly basis. Outreach efforts shall be used to make contact with and check in with these residents.
- Other Services: HSH employs case management in a 20:1 ratio for supportive services. This includes 10 FTE that work at the property to provide referral services as needed by the tenants. The City and County of San Francisco prohibits discrimination in all its housing program, and memorializes the prohibition in all contractual agreements with providers. At a broad, City-wide level, Mayor London Breed established an Office of Racial Equity to oversee City departments' progress to reverse policies that previously created, upheld, or exacerbated racial disparities. Correspondingly, the San Francisco Planning Commission adopted Resolution No.20738 on June 11, 2020, which the Planning Department's work program and resource allocation on racial and social equity. City agencies, led by the Human Right Commission (HRC), are defining racial equity, consistent with the Government Alliance on Race and Equity (GARE), as the point at which race can no longer be used to predict life outcomes, and outcomes for all racial groups are improved. These program directly influence the effectiveness of site level programs in order to maximize equity and inclusion for all peoples served by the City.

List all staff positions that will provide services to the tenants of the Homekey Assisted Units. Include any staff positions of partnering organizations who have committed time to the Project. Include the services coordination staff. For each position, list the position title, minimum requirements, the full-time equivalent (FTE), the organization under which the position resides, and the location of the position (on-site or off-site). Do not include staff which serve non-Homekey Units. If a staff position serves both tenants in Homekey and non-Homekey units, include only that portion (i.e., % FTE) of the staff position dedicated to Homekey Assisted Units. Data is reported by Support Service Providers on a monthly, quarterly and annual basis. Information is input into shared databases, CARBON and ONE (Online Navigation and Entry), managed by the City and County of San Francisco. There is least one dedicated HSH staff managing the contract with the Support Services Provider and who reviews the reports on the respective due dates, and provides feedback and follow-up as necessary. Monitoring of the program occurs on an annual basis on-site at the building, at which time the program outcome objectives will be reviewed alongside program documents and client files. A comprehensive report, including findings and feedback, is then issued to the agency providing Support Services. Additionally, HSH will require programs to report how they will address issues of racial equity in services provided, the demographics of their staff at all levels, and internal mechanisms for advancement of staff of color. HSH will monitor and evaluate programs on their responsiveness to racial disparities.

"Article VII((xii) "Enforceable Funding Commitment" means a letter or other document, in form and substance satisfactory to the Department, which evidences an enforceable commitment of funds or a reservation of funds by a Project funding source, and which contains the following: a. The name of the Applicant or Grantee; b. The Project name; c. The Project site address, assessor's parcel number, or legal description; and d. The amount, interest rate (if any), and terms of the funding source. The Enforceable Funding Commitment may be conditioned on certain standard underwriting criteria, such as appraisals, but may not be generally conditional. Examples of unacceptable general conditions include phrases such as "subject to senior management approval," or a statement that omits the word "commitment," but instead indicates the lender's "willingness to process an application" or indicates that financing is subject to loan committee approval of the Project. Contingencies in commitment documents based upon the receipt of tax-exempt bonds or low-income housing tax credits will not disqualify a source from being counted as committed.

Applicant comments: Include a description of balloon payments and unusual or extraordinary circumstances.

MEMORANDUM FOR:	All Potential Applicants	
FROM:	Jennifer Seeger, Deputy Director Division of State Financial Assistance

#### SUBJECT: Homekey Program Notice of Funding Availability, Round 2

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately \$1.45 billion of Homekey Program (Homekey) grant funding through this Round 2 Notice of Funding Availability (NOFA). Building on the success of both <u>Project Roomkey</u> and the first round of Homekey, this significant investment continues a statewide effort to sustain and rapidly expand housing for persons experiencing homelessness or At Risk of Homelessness, and who are, thereby, inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic.

Of the \$1.45 billion in Homekey funding, \$1.2 billion is derived from the Coronavirus State Fiscal Recovery Fund (CSFRF) established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117-2) and \$250 million is State General Fund. The \$250 million in State General Fund money is intended to supplement the acquisition of, and to provide initial operating subsidies for, Homekey sites to promote project feasibility. Five percent of the \$1.45 billion in Homekey funds is for Department administrative costs. Projects receiving an award from the state's direct allocation of the federal ARPA must expend the funds within eight months of the date of award. The portion of a project's award associated with State General Fund must be expended by June 30, 2026.

Due to the potential for program oversubscription, eligible applicants are encouraged to submit their completed application as soon as possible. The Department will be accepting the applications on a continuous, Over-the-Counter basis from the release of the Homekey application in late September until May 2, 2022, or until the available funds are exhausted, whichever occurs first. Applicants must submit a complete application available at <a href="https://homekey.hcd.ca.gov/content/apply.">https://homekey.hcd.ca.gov/content/apply.</a>

On September 30, 2021, the Department will hold a webinar to review the Homekey NOFA and application process. To register, please go to the Department's <u>Homekey webpage</u>. To receive information on the workshop and other updates, please subscribe to the Department's Homelessness Prevention Programs listserv at <u>http://www.hcd.ca.gov/HCD\_SSI/subscribeform.html</u>.

If you have any questions, please submit them to Homekey@hcd.ca.gov.

# HOMEKEY PROGRAM NOTICE OF FUNDING AVAILABILITY

# Article I – Program Overview

## Section 100. Notice of Funding Availability (NOFA)

The California Department of Housing and Community Development (Department) is pleased to announce the availability of approximately \$1.45 billion in Homekey funding to sustain and rapidly expand the inventory of housing for people experiencing homelessness or At Risk of Homelessness and who are, thereby, inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases. Before the COVID-19 pandemic, homelessness data showed Black, Indigenous, and People of Color (BIPOC) were overrepresented in the homelessness system. The pandemic made racial disparities more apparent, and communities are dealing with the additional disproportionate impact of illness and death among people experiencing homelessness. Homekey recognizes these impacts and encourages Eligible Applicants to examine disproportionate impacts in their own communities and to develop strategies to address these impacts.

Homekey is an opportunity for state, regional, and local public entities to develop a broad range of housing types, including but not limited to hotels, motels, hostels, single-family homes and multifamily apartments, adult residential facilities, and manufactured housing, and to convert commercial properties and other existing buildings to Permanent or Interim Housing for the Target Population.

Of the \$1.45 billion in Homekey grant funds, \$1.2 billion is derived from the state's direct allocation of the federal Coronavirus State Fiscal Recovery Fund (CSFRF), which was established by the American Rescue Plan Act of 2021 (ARPA) (Pub.L. No. 117-2). In addition, \$250 million is derived from the state's General Fund to supplement the acquisition of, and to provide initial operating subsidies for, Homekey sites.

#### Section 101. Authorizing Legislation and Applicable Law

Assembly Bill No. 140 (2021-2022 Reg. Sess.) provided the statutory basis for Round 2 of the Homekey Program by adding section 50675.1.3 to the Health and Safety Code (HSC), and it exempted certain Round 2 Homekey Projects from the California Environmental Quality Act (CEQA) by adding section 50675.1.4 to the HSC. The statutory scheme includes new construction of dwelling units as an eligible use and establishes a set-aside of funds for projects serving Homeless Youth and Youth at Risk of Homelessness.

HSC section 50675.1.3, subdivision (e) states, "The Department of Housing and Community Development may adopt guidelines for the expenditure of the funds appropriated to the department, and for the administration of the program. The guidelines shall not be subject to the requirements of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code."

This NOFA serves as the Department's guidelines for the expenditure of Homekey funds and the administration of the Homekey Program. As such, this NOFA establishes the terms, conditions, forms, procedures, and other mechanisms that the Department deems necessary to exercise its powers and to perform its duties pursuant to the Homekey Program. The matters set forth herein are regulatory mandates and are adopted as regulations that have the dignity of statutes. (*Ramirez v. Yosemite Water Company, Inc.* (1999) 20 Cal. 4th 785, 799 [85 Cal.Rptr.2d 844].)

The Multifamily Housing Program (MHP) (Chapter 6.7 (commencing with Section 50675) of Part 2 of Division 31 of the HSC), and as subsequently amended, is hereby incorporated by reference. In accordance with HSC section 50675.1.3, subdivision (d), in the event of a conflict between this NOFA and the MHP, the provisions of this NOFA are controlling.

The MHP Final Guidelines (MHP Guidelines), effective June 19, 2019, and as subsequently amended, are hereby incorporated by reference. In the event of a conflict between any of this NOFA and the MHP Guidelines, the provisions of this NOFA are controlling.

The Department will only amend this NOFA as necessary and in accordance with the Department's guideline authority pursuant to HSC section 50675.1.3, subdivision (e).

All other criteria and matters set forth within the NOFA shall also govern the Tribal Entity set-aside that is further described below, unless and except to the extent expressly provided to the contrary by terms set forth within this NOFA and subject to any potential modification or waiver under or pursuant to Assembly Bill No. 1010 (Stats.2019, c. 660), which is set forth in HSC section 50406, subdivision (p).

#### Section 102. Program Timeline

## Article II – Program Requirements

Section 200. Eligible Applicants

- i. Cities, counties, cities and counties, and all other state, regional, and Local Public Entities, including councils of government, metropolitan planning organizations, and regional transportation planning agencies designated in Section 29532.1 of the Government Code; or
- ii. Tribal Entities.

For purposes of this NOFA, a "Local Public Entity" is defined in accordance with HSC section 50079. Such definition includes the duly constituted governing body of an Indian reservation or rancheria; a tribally designated housing entity, as specified; and a housing authority, as specified.

Each of the foregoing entities may apply independently, or each entity may apply jointly with a nonprofit or for-profit corporation as a Co-Applicant.

# Section 201. Eligible Uses

Awarded funds must be used to provide housing for the Target Population of individuals and families experiencing Homelessness or who are At Risk of Homelessness and who are inherently impacted by or at increased risk for medical diseases or conditions due to the COVID-19 pandemic or other communicable diseases. With respect to the list of eligible uses below, an Eligible Applicant may choose to target Project Roomkey properties, or other, non-Project Roomkey properties. The list of eligible uses is as follows:

- i. Acquisition or Rehabilitation, or acquisition and Rehabilitation, of motels, hotels, hostels, or other sites and assets, including apartments or homes, adult residential facilities, residential care facilities for the elderly, manufactured housing, commercial properties, and other buildings with existing uses that could be converted to permanent or interim housing.
- ii. Master leasing of properties for non-congregate housing.
- iii. Conversion of units from nonresidential to residential.
- iv. New construction of dwelling units.
- v. The purchase of affordability covenants and restrictions for units.
- vi. Relocation costs for individuals who are being displaced as a result of the Homekey Project.
- vii. Capitalized operating subsidies for units purchased, converted, constructed, or altered with funds provided pursuant to HSC section 50675.1.3.

## Section 202. Eligible Projects

The Department welcomes and will consider a variety of innovative housing solutions as eligible projects. The following list of eligible projects is not exhaustive.

- i. Conversion of nonresidential structures to residential dwelling units.
- ii. Conversion of commercially zoned structures, such as office or retail spaces, to residential dwelling units.
- iii. Adult residential facilities, residential care facilities for the elderly, manufactured housing, and other buildings with existing residential uses.
- iv. Multifamily rental housing projects.
- v. Excess state-owned properties.
- vi. Shared housing or scattered site housing is permitted as long as the resulting housing has common ownership, financing, and property management, and each household signs a lease.
- vii. The Department may, in its sole and absolute discretion, provide express written approval of structures lacking a permanent foundation, such as manufactured homes,

recreational vehicles, and floating homes, for temporary use only. The Department encourages applicants to explore financing alternatives to Homekey for such structures. Applicants that wish to access Homekey funds for these special uses shall submit, in their application, a detailed explanation of how the use will meet all Homekey Program requirements, including the requirements for use and affordability restrictions set forth at Section 208 of this NOFA.

Applicants seeking the Department's approval of structures lacking a permanent foundation are encouraged to discuss their options at the required pre-application consultation.

# viii. Existing Homekey Assisted Units, previously awarded under the first round of Homekey funding, are ineligible for funding under this NOFA.

## Section 203. Geographic Distribution and Set-Asides

COVID-19 impacts people who are experiencing or who are at risk of Homelessness throughout California. As such, the Department would like to ensure jurisdictions throughout the state have an equitable opportunity to apply for Homekey funds to protect the health and safety of their most vulnerable residents.

To this end, the Department has divided the state into eight regions, as outlined in Table 2, below. The regions are largely aligned with the various Councils of Government (COGs). As detailed in Table 3 below, each region has funding reserved. Each region's share of the Homekey allocation is calculated based on its proportionate share of persons experiencing homelessness as indicated by both the sheltered and unsheltered 2019 Homeless Point-in-Time (PIT) counts, plus its proportionate share of extremely low-income (ELI) renter households that are paying more than 50 percent of their income for rent.

The Department has established a four-month priority application period from the release date of the Homekey application in late September through January 31, 2022. During this prioritization period, the Department will group applications into one of the eight geographic regions, unless the application is prioritized for the Homeless Youth or Tribal Entity set-asides.

After January 31, 2022, the Department will stop grouping applications by geographic region, and instead deploy unused funds from any undersubscribed geographic region(s) to fund subsequent applications statewide. The set-aside funding for Homeless Youth and Tribal Entities will remain unchanged. The Department will also redeploy undersubscribed and unused funds beginning May 2, 2022, as specified at Section 400 of this NOFA.

To further encourage the timely submission of Homekey applications, the Department will also award a bonus to applications submitted by January 31, 2022, as further detailed in Section 207.

## Set-Asides

The \$1.45 billion in Homekey funds will be allocated as follows:

Table 4: Homekey Funding Categories

Category	CSFRF Allocation	GF Allocation
Total Homekey Allocation	\$1,200,000,000	\$250,000,000
Total Geographic Allocation	\$787,200,000	\$164,400,000
Discretionary Reserve at 20%	\$196,800,000	\$41,100,000
State Administrative at 5%	\$60,000,000	\$12,000,000
Tribal Set-Aside at 5%	\$60,000,000	\$12,500,000
Homeless Youth Set-Aside at 8%	\$96,000,000	\$20,000,000

The Department will reserve 20 percent of the Homekey money to address unforeseen circumstances and to ensure that funding is effectively aligned with need. (For instance, the Department may use this reserve money to fund high-scoring projects in oversubscribed regions.)

Of the total amount provided under this NOFA, set-asides shall be reserved for Homeless Youth and Tribal Entity Projects meeting the criteria set forth below, and in the amounts set forth in Table 4 above. Unless otherwise indicated, all scoring criteria and other NOFA provisions shall govern the set-aside awards provided under this NOFA.

 Homeless Youth: Pursuant to HSC section 50675.1.3, subdivision (c), the Department will set aside eight percent (8%) of Homekey funding for Projects serving Homeless Youth, or Youth at Risk of Homelessness, as defined in 24 Code of Federal Regulations (CFR) part 578.3. Projects within this set-aside may expand the Target Population to include current and former foster youth through the age of 25.

This set-aside is not subject to geographic allocation, but the Department will aim to promote geographic equity. Homekey Projects are not required to serve Homeless Youth, or Youth at Risk of Homelessness. Homekey Projects proposing to serve Homeless Youth, or Youth at Risk of Homelessness, may also serve other qualifying members of the Target Population.

Projects that meet the threshold requirements of Sections 300-303, as well as the following criteria, will be prioritized for Homeless Youth set-aside funds:

- Have at least 25 percent (25%) of Assisted Units reserved for Homeless Youth or Youth at Risk of Homelessness; (See Section 304, 4a for points awarded)
- Have jointly applied and/or partnered with a nonprofit corporation(s), including community-based organization(s), with experience serving Homeless Youth, or Youth at Risk of Homelessness; and (see Section 304, 2a-c for points awarded)
- Have reasonable proximity to youth-centered amenities, including, but not limited to, community colleges, universities, trade schools, apprenticeship programs, employment programs, childcare centers for parenting youth, and community centers for youth (e.g., LGBTQ+ centers, drop-in youth centers). (See Section 304, 4g for points awarded)

The Department will also prioritize Projects that provide supportive services for Youth Assisted Units using a Positive Youth Development (PYD) model and traumainformed care. Services may include, but are not limited to, case management, income supports, educational and employment counseling, life skills, legal assistance, health and wellness, and family connection services.

2. Tribal Entities: The Department will set aside five percent (5%) of the Homekey funding for Eligible Applicants that meet the definition of a Tribal Entity, as set forth and provided in this NOFA. This set-aside is not subject to geographic allocation, but the Department will aim to promote geographic equity.

The Department will endeavor to provide comprehensive technical assistance to Tribal Entities, and Tribal Entities are highly encouraged to utilize available technical assistance throughout the application process and during implementation of the Project.

The requirements set forth in this NOFA are subject to AB 1010 (Stats.2019, c. 660), which is set forth in HSC section 50406, subdivision (p). Accordingly, and pursuant to HSC section 50406, subdivision (p), (a) where the provisions of tribal law, tribal governance, tribal charter, or difference in tribal entity or legal structure would cause a violation or not satisfy the requirements of this NOFA, said requirements may be modified as necessary to ensure program compatibility; and (b) where provisions of tribal law, tribal governance, tribal charter, or difference in tribal entity legal structure or agency create minor inconsistencies (as determined by the Director of the Department or a duly authorized designee thereof) with the requirements set forth in this NOFA, the Department may waive said requirements, as deemed necessary, to avoid an unnecessary administrative burden. Matters set forth or otherwise provided for in this NOFA that may be modified or waived include, without limitation, threshold scoring requirements and any other matters set forth in HSC section 50406, subdivision (p)(2). Tribal Applicants are accordingly encouraged to discuss any such potential modifications or waivers and their options in that regard at the required preapplication consultation.

# Section 204. Program Deadlines

**Capital funds must be expended within eight months of the date of award.** For Projects that involve acquisition and are receiving capital awards, Grantees must expend the funds by the expenditure deadline and the project escrow must be closed by the expenditure deadline. To meet this requirement, the Department will provide ongoing support to assist Grantees and has developed an accelerated award and disbursement process.

Additionally, Grantees shall complete all applicable construction and/or Rehabilitation within 12 months of the date of award. All Projects shall achieve a full occupancy (fully occupied with consideration for an average of 10% vacancy rate at any given time) within 90 days of construction and/or Rehabilitation completion. The Grantee may ask the Department for an extension for construction and/or Rehabilitation completion, where it is clear that the extension is due to circumstances or conditions beyond their control and granting an extension will enable the Project to complete construction and/or Rehabilitation or achieve full occupancy of the Assisted Units. In cases where an extension for construction and/or Rehabilitation completion is granted by the Department, the deadlines for capital fund expenditure and full occupancy may be extended within the constraints of applicable law.

Pursuant to 31 CFR part 35.5, the Department may reimburse eligible costs incurred beginning on March 3, 2021. Applicants are encouraged to discuss their options at the required pre-application consultation.

# All operating funds must be fully expended by the Grantee by no later than June 30, 2026.

# Section 205. Maximum Grant Amounts and Capital Funding Match

Homekey will fund a maximum grant amount per door, pursuant to the conditions of this section, which includes both the acquisition cost and any needed Rehabilitation or new construction. The award will be the lower of the maximum grant amount, or the sum of the acquisition amount supported by an appraisal and any additional construction and Rehabilitation expenses as supported by documentation required by the Department. "Door" refers to units at the time of the acquisition, which may differ from the number of units that are available after a conversion of the property. For those projects that undergo a future conversion, the number of units may need to be reduced in order to accommodate kitchenettes, additional bedrooms, space for supportive services and other amenities. For new construction and conversion of office, commercial, or other non-residential structures into residential dwelling units, Homekey will fund a maximum grant amount per completed Assisted Unit serving the Target Population, or an amount as supported by an appraisal, whichever is lower. "Assisted Unit" refers to units that are available after the construction or conversion of the property.

The Department will contribute a baseline amount per door, as outlined below, in whichever category is higher for the Assisted Unit. This baseline contribution does not require a local match.

# Unit Size -- Baseline Capital Amounts:

- i. Studio or one-bedroom units will receive a baseline amount of \$150,000 per door.
- ii. Two-bedroom units will receive a baseline amount of \$175,000 per door.
- iii. Three-bedroom or larger units will receive a baseline amount of \$200,000 per door.

Note that Homekey will fund "doors" based upon the number of units and unit size at the time of acquisition. In situations where units are combined to make larger units, awards will default to the number of doors and size of units at acquisition. In situations where multibedroom (two or more bedrooms) units at acquisition are divided into smaller unit sizes, awards will default to the number of doors and size of units with the lower baseline amount per door.

# OR

## Sub-Populations Served -- Baseline Capital Amounts:

- i. Assisted Units reserved for those experiencing Chronic Homelessness will receive a baseline amount of \$200,000 per door.
- ii. Assisted Units reserved for Homeless Youth or Youth at Risk of Homelessness will receive a baseline amount of \$175,000 per door.

## Additional Contribution Amount – Local Match

Beyond the applicable baseline amount, the Eligible Applicant may leverage a 1:1 local match to provide up to \$100,000 in additional funds per door. For example, where the Applicant shows \$100,000 in matching funds, the Department will fund no more than \$250,000 for a 1-bedroom Assisted Unit, \$275,000 for a 2-bedroom Assisted Unit,

\$300,000 for a 3+ bedroom Assisted Unit, \$300,000 for an Assisted Unit serving those experiencing Chronic Homelessness, and \$275,000 per door for an Assisted Unit serving Homeless Youth/Youth at Risk of Homelessness.

Appendix A shows how maximum funding awards from Homekey vary with different perdoor costs, unit types, and Applicant contribution levels.

For relocation costs, the Department will pay for one-half of the relocation cost per door in addition to the capital award. For example, if a Project includes \$15,000 in relocation costs, then the Department will pay for \$7,500 of that relocation cost.

For the purchase of affordability covenants and restrictions, and for master-leasing, the Department may size the award per door based on a recent market study within the past year which conforms to guidelines adopted by the Tax Credit Allocation Committee (TCAC), and/or a rent roll, and/or other supporting documentation. For these uses, the maximum Homekey contribution per door shall not exceed the maximum amounts referenced in this section for acquisition, Rehabilitation, and new construction.

#### Section 206. Operating Subsidies and Match

- i. Where an operating subsidy is requested, the total <u>amount</u> of operating subsidy per Assisted Unit is limited as follows:
  - a. Assisted Units reserved for those experiencing Chronic Homelessness, for Homeless Youth, or for Youth at Risk of Homelessness shall not exceed \$1,400 per month; and
  - b. All other Assisted Units shall not exceed \$1,000 per month.
- ii. The total <u>duration</u> of the operating subsidy (as described in i. above) is tied to the amount of the Applicant's matching funds, and is limited as follows:
  - a. If Projects can demonstrate a commitment of three years of non-Homekey operating funds for Assisted Units, the Department will provide an operating subsidy sized for two years.
  - b. If Projects can demonstrate a commitment of four or more years of non-Homekey operating funds for Assisted Units, the Department will provide an operating subsidy sized for three years.
  - c. If Projects have application scores of 140 or more, the Department may consider providing an operating subsidy sized for three years without the Applicant demonstrating a commitment of four or more years of non-Homekey operating funds.
- iii. Operating subsidy may pay for necessary, recurring Project Operating Expenses in an amount approved by the Department. Qualifying expenses include utilities, maintenance, management fees, taxes, licenses, and supportive services costs, but not debt service or required reserve account deposits. Operating Expenses should be included in the Project's submitted budget.

- iv. If requesting an operating subsidy, the Eligible Applicant must submit a letter of support from the local Continuum of Care (CoC) or Housing Authority confirming the need for an operating subsidy and evidencing that other operating funding, such as rental subsidies, were sought for the Project, but the funding isn't available for this use. A letter template and a list of potential Homekey complementary funding can be found on the Homekey <u>webpage</u>.
- v. The Homekey-funded portion of the operating subsidy must be expended (liquidated) by June 30, 2026, with the Grantee establishing a capitalized operating subsidy reserve and disbursing the funds as outlined in this NOFA.
- vi. Eligible Applicants are required to demonstrate a five-year commitment to provide operating funds for the proposed project. The first two years of operating funds may include an award from Homekey. Operating match may be obtained from any source, including any federal, state, local, private, or philanthropic source. Eligible Applicants will have an opportunity to discuss the match requirements and potential match sources during the pre-application consultation.

Additionally, the following requirements apply to operating match contributions:

- i. The Eligible Applicant must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match Homekey funds; and
- ii. If the State General Funds are used to satisfy the matching requirements of another program, then funding from that program may not be used to fulfill the matching requirements of the Homekey Program.

# Section 207. Bonus Awards

## Timely Submission of Application

The Department will award an additional \$10,000 per Assisted Unit as a bonus award for each Project with a timely submission of a complete application to the Department by January 31, 2022. Application packages that are incomplete or that do not meet the filing requirements will not be awarded the bonus award. This bonus may be used for either operating or capital expenses.

# Expedited Occupancy

The Department will award \$10,000 per Assisted Unit as a conditional bonus amount for Projects meeting the following expedited occupancy timeframe:

i. Project's Assisted Units achieve full occupancy (with consideration for an average of 10 percent vacancy) within eight (8) months of the date of award.

This bonus award can be used for operating costs only, including the reimbursement of operating costs already incurred. Projects eligible for this bonus award must commit to achieving full occupancy within eight (8) months after the award date. Projects will not receive the bonus award if reaching full occupancy in eight (8) months was not planned in their application, nor required in their Standard Agreement.

The Department will not disburse the conditional bonus amount until proof of full occupancy (rent roll) is provided to the Department within eight (8) months of the date of award. Once the documentation is deemed sufficient by the Department, the Grantee may submit a request for funds disbursement. If Grantee fails to meet the expedited occupancy timeframe as indicated in their application, the Department may reallocate the conditional bonus amount to fund other Eligible Applicants.

# Section 208. Affordability Term

The Grantee shall duly encumber all Interim Housing, Transitional Housing, and Congregate Shelter Projects with a 15-year covenant, declaration, regulatory agreement, or similar use restriction that (a) is recorded in first position against the Project real property for the benefit of the Department, (b) restricts the use, operation, occupancy, and affordability of the Project in accordance with all applicable requirements of this NOFA and all other Program requirements, and (c) is otherwise in form and substance acceptable to the Department.

The Grantee shall duly encumber all Permanent Housing Projects with a 55-year covenant, declaration, regulatory agreement, or similar use restriction that (a) is recorded in first position against the Project real property for the benefit of the state, regional, local, or tribal Grantee, (b) restricts the use, operation, occupancy, and affordability of the Project in accordance with all applicable requirements of this NOFA and all other Program requirements, (c) duly names the Department as a third party beneficiary with the right and privilege, but not the obligation, of enforcement thereof, and (d) is otherwise in form and substance acceptable to the Department.

# Section 209. Flexibility

The Department recognizes the limited availability of local, state, and federal funds, and the corresponding imperative for flexibility in the Homekey Program. Therefore, subject to the Department's advance written approval, a Grantee may use a capital expenditure award to fund the proposed project's operating costs, or an operating award to fund the proposed capital expenditure, so long as the aggregate Homekey award is expended on eligible uses.

# Article III – Threshold and Scoring Criteria

## Section 300. Threshold Requirements

To be eligible to receive funding, all Projects must meet the following requirements as they relate to the Eligible Applicant and the project types:

- i. Applications may be submitted independently by an Eligible Applicant, as defined in Section 200 and Article VII. Alternatively, each of the foregoing Eligible Applicants may apply jointly with a nonprofit or for-profit corporation as Co-Applicant.
- ii. Projects must serve persons qualifying as members of the Target Population.
- iii. Applications must include an initial plan for providing supportive services based on the anticipated needs of the Target Population and any proposed sub-populations to be served by the Project. The initial plan shall be reasonably detailed and

comprehensive, as determined by the Department in its sole and absolute discretion. The supportive services plan shall provide a description of the services that will be available at the housing site including but not limited to case management, behavioral health services, physical health services, assistance obtaining benefits and essential documentation, and education and employment services. The plan shall include a description of the on-site staffing plan proposed to deliver these services. Also, the plan shall describe the approach to securing and/or connecting residents to off-site services including primary care and other needed physical health and behavioral health services as well as other tenancy supports.

- iv. Applications must include an overview of the plan and timeline for any required entitlements, permits, and environmental clearances. Eligible Applicants will have an opportunity to discuss their land use and environmental clearance plans, and related statutory authorities during the pre-application consultation.
- v. Applications must include a completed Racial Demographic Data Worksheet, which reports CoC outcomes by race and ethnicity. The completed worksheet may be submitted by the Applicant and the template can be found on the Homekey <u>webpage</u>.
- vi. The Grantee shall have site control of the property at the time of application, and such control shall not be contingent on the approval of any other party. The status and nature of the Grantee's title and interest in the property shall be subject to the Department's approval. Site control may be evidenced by one of the following:
  - a. Fee title;
  - b. A leasehold interest on the property with provisions that enable the lessee to make improvements on and encumber the property provided that the terms and conditions of any proposed lease shall permit compliance with all program requirements;
  - c. A leasehold estate held by a Tribal Entity in federal tribal trust lands property, or a valid sublease thereof that has been or will be approved by the Bureau of Indian Affairs;
  - d. An executed disposition and development agreement, or irrevocable offer of dedication to a public agency;
  - e. A sales contract, or other enforceable agreement for the acquisition of the property;
  - f. A letter of intent, executed by a sufficiently authorized signatory of the Eligible Applicant, that expressly represents to the Department, without condition or reservation, that, upon successful application, the Eligible Applicant shall purchase or otherwise acquire a sufficient legal interest in the property to accomplish the purpose of the award. The letter of intent must also be acknowledged by the party selling or otherwise conveying an interest in the subject property to the Eligible Applicant. If this form of evidence is relied upon at the time of application, the Department may impose additional milestones, in the Standard Agreement, regarding increased evidence of eventual site control closer to the likely close of escrow; or

- g. Other forms of site control that give the Department assurance (equivalent to items a. through f. above) that the Applicant will be able to complete the Project in a timely manner and in accordance with all the Program's objectives and requirements.
- h. For Applicants proposing sites that will require a use change for permanent housing, there should be a commitment and plan to facilitate or expedite those processes, so as to not delay expenditure and occupancy requirements.
- vii. The Eligible Applicant applying for the Homekey funding is the entity that the Department relies upon for experience and capacity, and will control the project during acquisition, development, and occupancy.
- viii. A development plan that supports acquisition of a site and fund expenditure before all program deadlines and demonstrates evidence of strong organizational and financial capacity to develop the project.
- ix. Assisted Units and other units of the Project must meet all applicable state and local requirements pertaining to rental housing, manufactured housing, including but not limited to requirements for minimum square footage, and requirements related to maintaining the project in a safe and sanitary condition.
- x. Applicants and Co-Applicants must be in good standing with the State of California and all agencies and departments thereof. By way of example and not limitation, an Applicant and Co-Applicant must be qualified to do business in the State of California and must be in good standing with the California Secretary of State and the California Franchise Tax Board. Applicants that are delinquent in meeting the material requirements of previous Department awards may, in the Department's reasonable discretion, fail threshold review.
- xi. The Department will require Eligible Applicants to submit a complete application with all required documents. The Department reserves the right to request clarification of unclear or ambiguous statements made in an application and other supporting documents.
- xii. Relocation Assistance Narrative. Applicant shall submit a concise, sufficiently detailed narrative to demonstrate its consideration of, and early engagement with, applicable relocation assistance laws and requirements. (This Relocation Assistance Narrative does not take the place of the relocation plan, or the Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, that the Grantee shall submit as a condition of funding.) Applicant's Relocation Assistance Narrative shall include or identify the following:
  - a. A diagrammatic sketch of the Project site.
  - b. Clear, high-resolution photographs of the Project site and all improvements thereon (e.g., buildings, parking lots, billboards).
  - c. The projected dates of any Homekey-funded acquisition, construction, Rehabilitation, demolition, or similar development activities at the Project site.

- d. A description of any persons, businesses, or farm operations that will or may be displaced from the Project site by the foregoing development activities. Applicant shall specify whether any such displacement will be permanent or temporary.
  - i. If no such displacement will occur, Applicant shall conclude the narrative by expressly confirming that Applicant's eligible use(s) of the funds will not result in the displacement of any persons, businesses, or farm operations from the Project site.
  - ii. If such displacement will occur, Applicant shall further develop the narrative by including the additional elements set forth at (e) (i) below.
- e. A description and evidence of attempts made to maintain the tenure of existing residents that may qualify under the criteria for the Target Population.
- f. A description of the aggregate relocation needs of the persons, businesses, or farm operations that will or may be displaced by the Homekey-funded activities.
- g. A brief description of how those relocation needs will be met, as well as the Applicant's projected timeline for fully meeting those needs, including the dates of planned notices to displaced persons, businesses, or farm operations.
- h. An identification of the Applicant's relocation consultant and/or relocation services provider in connection with the project site. Applicant shall also submit legible copies of its services contract or letter of intent with or to the relocation consultant and/or relocation services provider.
- i. Applicant's cost estimate (and associated funding strategy) for providing relocation assistance and benefits to the persons, businesses, or farm operations that will or may be displaced by the Homekey-funded activities.

## Section 301. Permanent Housing Requirements

In addition to Section 300 above, Permanent Housing projects will also be evaluated on the following requirements:

- i. Funding commitments or other reasonable assurance to cover operations and service costs with specific funding sources (government/philanthropic/private) for the proposed project for five (5) years and a budget which covers operations and services costs through year 15 from the recordation of the use restriction.
- ii. If the Eligible Applicant is acquiring, rehabilitating, and operating a Permanent Housing project, the Eligible Applicant or Co-Applicant shall demonstrate the following minimum experience requirements:
  - a. Development, ownership, or operation of a project similar in scope and size to the proposed project; or development, ownership, or operation of at least two affordable rental housing projects in the last ten years, with at least one of those projects containing at least one unit housing a tenant who qualifies as a member of the Target Population.
  - b. The property manager and supportive service provider shall have three or more years of experience serving persons of the Target Population. If a property manager is not yet selected for the proposed project, the Eligible Applicant shall certify that this requirement will be reflected in any future solicitation or memorandum of understanding
  - c. Experience administering a Housing First program that includes principles of harm reduction and low barriers to entry.
- iii. One-for-one replacement of assisted housing
  - a. If the acquired housing or site is to be redeveloped/repositioned as part of the locality's overall goal to address the needs of the Target Population and the community, the Applicant shall provide as part of the application a commitment to ensure one-for-one replacement of units.
  - b. If the target site is going to be demolished before any occupancy by the Target Population, no one-for-one replacement commitment needs to be provided. The unit mix will be evaluated based on the project proposal.
  - c. The application shall include a site map indicating the original target housing location and all proposed housing location(s). If all proposed housing will be located within the neighborhood, no additional documentation is necessary. If replacement housing is proposed outside the target neighborhood, the application must also include a justification explaining why it is necessary to locate this replacement housing outside the target neighborhood (i.e., offsite) and how doing so supports and enables the Target Population to maintain housing.

## Section 302. Interim Housing Requirements

In addition to Section 300 above, Interim Housing projects will also be evaluated on the following requirements:

i. Funding commitments or other reasonable assurance to cover operations and service costs with specific funding sources (government/philanthropic/private) for the

proposed project for five (5) years and submit a budget to cover operations and services costs through year 15 from the recordation of the use restriction.

- ii. If the Eligible Applicant is acquiring, rehabilitating, and/or operating an Interim Housing project, the Eligible Applicant or Co-Applicant shall demonstrate the following minimum experience requirements:
  - a. Successful development, ownership, or operation of an Interim Housing project, such as an emergency shelter or Transitional Housing for at least three of the last ten years for individuals who qualify as members of the Target Population;
  - b. Experience in linking Interim Housing program participants to Permanent Housing to ensure long-term housing stability; and
  - c. Experience administering a Housing First program that includes principles of harm reduction and low barriers to entry.

#### Section 303. Other Requirements

- i. Units serving the Target Population and occupied units serving ELI households are eligible for funding.
  - a. Homekey may fund all units in a project or a portion of the units. If seeking Homekey funding for a portion of the units in a given project, Applicants must identify committed sources for the non-Homekey units. The non-Homekey units are not required to serve the Homekey Target Population.
  - b. If, at the time of acquisition, an existing tenant's household income is at or below the ELI limit, but the tenant does not qualify as a member of the Target Population, the tenant may remain in place and the unit may still be funded by Homekey. When, in the course of normal tenant turnover, the ineligible household moves from the unit, the unit shall thereafter be occupied by the Target Population. There should be no more than 49 percent of the Assisted Units that do not meet the Target Population. An existing household who meets the Target Population definition or was a member of the Target Population at the time they moved into the property will not be counted towards the 49 percent cap. Evidence confirming that existing tenants qualify as either ELI or Target Population will be required of the Applicant.
- ii. At year 15 from the recordation of the use restriction, in circumstances where the Grantee has exhausted available operating funding and demonstrated to the Department that the Project is no longer feasible, the Department may approve an increase in income levels, to the minimum extent required for fiscal integrity, in five percent increments of Assisted Units up to 50 percent AMI.
- iii. The Department reserves the right to set restrictions on the unit mix, rent levels, and other factors deemed necessary. To the maximum extent possible, these changes shall minimize the impact on the lowest income Project residents and shall be phased in as gradually as possible. If, following any increase in rents and income limits, or modification of Target Population occupancy requirements, new resources become available, or market demand changes, allowing reversion to the former income and

rent limits or Target Population occupancy requirements, the Department may reimpose these income limits and rent limits or Target Population occupancy requirements, in whole or in part, subject to an analysis of Project feasibility.

- iv. In addition to Section 300 above, Applicants purchasing affordability covenants and restrictions will also be evaluated on the following requirements:
  - a. The Grantees that purchase affordability covenants and restrictions for existing residential units shall restrict those units to individuals and families who are Homeless or who are At Risk of Homelessness, as defined in 24 CFR part 578.3. Such restriction shall run for at least 15 years.
- v. In addition to Section 300 above, master leasing projects will also be evaluated on the following requirements:
  - a. The Grantee shall provide a 15-year plan from the recordation of the use restriction to cover operations and service costs for the Project with specific funding sources (government/philanthropic/private). The Department may waive the requirement for a 15-year plan to cover operating and services costs in cases where master-leased units are intended for a shorter-term need, including, but not limited to, the housing of individuals temporarily displaced as a result of Rehabilitation, or immediate and short-term placement of individuals while permanent units are under construction.
  - b. The Department can consider and has the discretion to approve other master leasing timeframes and scenarios. Applicants are encouraged to discuss their options at the required pre-application consultation.

# Article IV. Application Submission, Review, and Award Process

# Section 400. Application Process and Submission

For OTC funding, applications will be accepted and evaluated on a first-come, first-served basis at any time from the release of the application until May 2, 2022, or until the available funds are exhausted, whichever occurs first. Funds are awarded to those applicants that meet the minimum threshold criteria, including the minimum point score.

Homekey Round 2 application materials must be submitted electronically to the Department's <u>website</u>.

Electronic Submission - Requirements for uploading the Homekey Round 2 Application and required supporting documentation, including naming conventions, are described in the Homekey Round 2 Application instructions/checklist tab. Pursuant to relocation law, a Grantee must have a relocation plan prior to proceeding with any phase of a project or other activity that will result in the displacement of persons, businesses, or farm operations. To ensure that displaced persons and entities do not suffer a disproportionate impact as a result of projects which benefit the public, all notices to vacate and relocation services must be provided to them in accordance with applicable law. In addition, before the Homekey award will be disbursed, Grantee must have either:
  - a. A Department-approved relocation plan; or
  - b. A Department-issued Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, which has been duly executed and approved by the Department.

The Department will identify its form, substance, and submittal requirements for these relocation documents in the Homekey application materials. Where the Grantee's activities will or may result in displacement, the Grantee's development budget shall include enough funds to pay all costs of relocation benefits and assistance. Any modifications to the foregoing process requirements must be approved in advance by the Department in writing.

# Section 505. Accessibility and Non-Discrimination

All developments shall adhere to the accessibility requirements set forth in California Building Code Chapter 11A and 11B and the Americans with Disabilities Act, Title II. In addition, developments shall adhere to either the Uniform Federal Accessibility Standards (UFAS), 24 C.F.R. The certification must verify that prevailing wages have been or will be paid, and that labor records will be maintained and made available to any enforcement agency upon request. The certification must be signed by the general contractor(s) and the Grantee.

Applicants should consult with their counsel for legal advice in construing application of the foregoing exemptions to their Project.
