Adjustment of Principal Payments. The principal amounts set forth in this Official Notice of Sale reflect certain estimates of the City with respect to the likely interest rates of the winning bid and the premium contained in the winning bid. **The City reserves the right to change the principal payment schedule set forth above for a Series of the Bonds after the determination of the winning bidder therefor, by adjusting one or more of the principal payments of such Series of Bonds, in increments of \$5,000 or to eliminate maturities in their entirety, as determined in the sole discretion of the City. Any such adjustment of principal payments with respect to a Series of Bonds shall be based on the schedule of principal payments provided by the City to be used as the basis of bids for such Series of Bonds. Any such adjustment will not change the average per Bond dollar amount of the applicable underwriter’s discount. Any such adjustment will be communicated to the winning bidder within 24 hours after receipt of such bid by the City. In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted and no winning bid may be withdrawn.**

[(vii) Make-Whole Optional Redemption of the Series 2023[]-2 Bonds. The Series 2023[]-2 Bonds maturing on or after June 15, 20__ will be subject to redemption either in whole or in part, at the option of the City, at any time, at a redemption price equal to the greater of (i)

100% of the principal amount thereof or (ii) the Discounted Value thereof, plus in either case, accrued interest thereon to the date of redemption. The Series 2023[]-2 Bonds may be redeemed in any order of maturity and in any principal amount within a maturity as selected by the City in its sole discretion. All calculations and determinations referred to under this caption “Make-Whole Optional Redemption of the Series 2023[]-2 Bonds,” except as provided in the preceding sentence, are expected (but not required) to be made by a financial advisor or other agent selected by the City for such purposes (the “**Calculation Agent**”).

“**Discounted Value**” means, with respect to each outstanding maturity of the Series 2023[]-2 Bonds to be redeemed, the sum as determined by the City or the Calculation Agent of the amounts obtained by discounting all remaining scheduled payments of principal and interest (exclusive of interest accrued to the date of redemption) on such maturity from their respective scheduled payment dates to the applicable redemption date, at a yield (computed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months) equal to the applicable Discount Yield.

“**Discount Yield**” means, the Blended Treasury Yield determined by the City or the Calculation Agent with respect to the Series 2023[]-2 Bonds maturity to be redeemed, plus _____ basis points. The Discount Yield will be calculated assuming semi-annual compounding based upon a 360-day year consisting of twelve 30-day months.

“**Blended Treasury Yield**” means, with respect to the Series 2023[]-2 Bonds of a particular maturity, the yield computed by the City or the Calculation Agent as the linear interpolation of two Market Treasury Yields such that the theoretical maturity that corresponds to the interpolated Market Treasury Yield equals the date that corresponds to the remaining average life of the Bonds maturity to be redeemed from the redemption date. The first Market Treasury Yield will be based on an actively traded U.S. Treasury security or U.S. Treasury index whose maturity is closest to but no later than the date corresponding to the remaining average life of the Series 2023[]-2 Bonds maturity to be redeemed; the second Market Treasury Yield will be based on an actively traded U.S. Treasury security or U.S. Treasury index whose maturity is closest to but no earlier than the date corresponding to the remaining average life of the Series 2023[]-2 Bonds maturity to be redeemed.

“**Market Treasury Yield**” means that yield, as determined by the City or the Calculation Agent, assuming semi-annual compounding based upon a 360-day year consisting of twelve 30-day months, which is equal to:

(i) the yield for the applicable maturity of an actively traded U.S. Treasury security, reported, as of 11:00 a.m., New York City time, on the Valuation Date on the display designated as “Page PX1” of the Bloomberg Financial Markets Services Screen (or, if not available, any other nationally recognized trading screen reporting on-line intraday trading in U.S. Treasury securities); or

(ii) if the yield described in (i) above is not reported as of such time or the yield reported as of such time is not ascertainable, the most recent yield data for the applicable U.S. Treasury maturity index from the federal Reserve Statistical Release H.15 Daily Update (or any comparable or successor publication) reported, as of 11:00 a.m., New York City time, on the Valuation Date; or

(iii) if the yields described in (i) and (ii) above are not reported as of such time or the yields reported as of such time are not ascertainable, the yield for the applicable maturity of any actively traded U.S. Treasury security shall be based upon the average of yield quotations for such security (after excluding the highest and lowest quotations) as of 3:30 p.m., New York City time, on the Valuation Date received from no less than five primary dealers in U.S. Government securities selected by the City.

“**Valuation Date**” means no less than the third Business Day or more than the twentieth Business Day preceding the redemption date.

Each yield quotation for each actively traded U.S. Treasury security required in (i) and (iii) of the definition of Market Treasury Yield above will be determined using the average of the bid and ask prices for that security. See the Preliminary Official Statement – “THE BONDS - Redemption - *Make-Whole Optional Redemption of the 2023[] Bonds.*”]

[(vii) No Redemption of the Taxable Bonds. The Taxable Bonds are not subject to redemption prior to maturity.]

Legal Opinions and Tax Matters. Upon delivery of the Bonds, Norton Rose Fulbright US LLP and Alexis S. M. Chiu, Esq., Co-Bond Counsel to the City (“**Co-Bond Counsel**”), will deliver their separate legal opinions as to the validity, enforceability and tax status of each Series of the Bonds.

A complete copy of the proposed form of each opinion of Co-Bond Counsel is set forth in Appendix F to the Preliminary Official Statement. Copies of the opinions of Co-Bond Counsel will be furnished to the Purchaser upon delivery of the Bonds.

See the Preliminary Official Statement – “TAX MATTERS.”

a responsible bidder and whether any bid is timely and complete and conforms to this Official Notice of Sale. The City takes no responsibility for informing any bidder prior to the time for receiving bids that its bid is incomplete or nonconforming with this Official Notice of Sale or has not been received.

Bids will be received exclusively through Parity in accordance with this Official Notice of Sale. For further information about Parity, potential bidders may contact the Municipal Advisor at the number provided above or Parity at (212) 404-8107 or at the Parity website: <https://www.newissuehome.i-deal.com>.

Warnings Regarding Electronic Bids. None of the City, the City Attorney, the Municipal Advisor or Co-Bond Counsel assumes any responsibility for any error contained in any bid submitted electronically or for failure of any bid to be transmitted, received or opened by the time for receiving bids, and each bidder expressly assumes the risk of any incomplete, untimely or nonconforming bid submitted by electronic transmission by such bidder, including, without limitation, by reason of garbled transmissions, mechanical failure, engaged telecommunications lines, or any other cause arising from submission by electronic transmission.

When a bidder submits an electronic bid for a Series of Bonds through Parity, such bidder thereby agrees to the following terms and conditions: (1) if any provision in this Official Notice of Sale with respect to the Bonds conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any amendments or modifications issued through Parity and/or the News Services, will control; (2) each bidder will be solely responsible for making necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Official Notice of Sale; (3) the City will not have any duty or obligation to provide or assure access to Parity to any bidder, and the City will not be responsible for proper operation of, or have any liability for, any delays, interruptions or damages caused by use of Parity or any incomplete, inaccurate or untimely bid submitted by any bidder through Parity; (4) the City is permitting use of Parity as a communication mechanism, and not as an agent of the City, to facilitate the submission of electronic bids for the Bonds; Parity is acting as an independent contractor, and is not acting for or on behalf of the City; (5) the City is not responsible for ensuring or verifying bidder compliance with any procedures established by Parity; and (6) the City may regard the electronic transmission of a bid through Parity (including information regarding the purchase price for a Series of Bonds or the interest rates for any maturity of the Bonds) as though the information were submitted and executed on the bidder's behalf by a duly authorized signatory.

Process of Award. The City will take final action awarding each Series of Bonds or rejecting all bids for a Series of Bonds not later than thirty (30) hours after the time for receipt of bids, unless such time period is waived by the winning bidder.

The following five (5) steps constitute the City's process for a final award of each Series of Bonds:

- (1) The Municipal Advisor, on behalf of the City, will give a verbal notice of award of the Bonds to the apparent winning bidder ("**Apparent Winning Bidder**") to be determined as described below under "-Basis of Award;"

(2) Such Apparent Winning Bidder shall, promptly after such verbal award, but no later than one hour after the City has given notice of such verbal award, fax or email to the City (in c/o its Municipal Advisor and to the City’s Controller’s Office, Director of Public Finance at the fax and/or email addresses provided for such purpose) a signed copy of their bid;

(3) The Apparent Winning Bidder shall provide the Good Faith Deposit, as described under “–Good Faith Deposit;”

(4) The Municipal Advisor will fax or email to the Apparent Winning Bidder confirmation of the final principal amortization schedule and purchase price for the Bonds, after adjustments, if any, are made, as described under “TERMS RELATING TO THE BONDS - Adjustment of Principal Payments;” and

(5) The City will fax or email to the Apparent Winning Bidder its written final award (a “**Certificate of Award**”).

Upon completion of the steps described above, the Apparent Winning Bidder will be deemed the Purchaser of the Series of Bonds and will be contractually bound by the terms of this Official Notice of Sale to purchase the Bonds, which contract shall consist of: (a) this Official Notice of Sale; (b) the bid transmitted electronically by the bidder through Parity; and (c) the Certificate of Award.

Basis of Award. Unless all bids are rejected, each Series of the Bonds will be awarded to the responsible bidder who submits a conforming bid that represents the lowest true interest cost to the City. The true interest cost will be that nominal interest rate that, when compounded semiannually and applied to discount all payments of principal and interest payable on such Series of Bonds to the dated date of such Series of Bonds, results in an amount equal to the principal amount of the Bonds plus the amount of any net premium. For the purpose of calculating the true interest cost, mandatory sinking fund payments for any term bond of a Series of Bonds specified by a bidder will be treated as Bonds maturing on the dates of such mandatory sinking fund payment. In the event that two or more bidders offer bids for a Series of Bonds at the same true interest cost, the City will determine by lot which bidder will be awarded such Series of Bonds. Bid evaluations or rankings made by Parity are not binding on the City.

Estimate of True Interest Cost. Each bidder is requested, but not required, to supply an estimate of the true interest cost based upon its bid, which will be considered as informative only and not binding on either the bidder or the City.

Multiple Bids. In the event multiple bids with respect to a Series of the Bonds are received from a single bidder by any means or combination thereof, the City shall be entitled to accept the bid representing the lowest true interest cost to the City, and each bidder agrees by submitting multiple bids to be bound by the bid representing the lowest true interest cost to the City.

Good Faith Deposit. To secure the City from any loss resulting from the failure of the Apparent Winning Bidder to comply with the terms of its bid, each Apparent Winning Bidder must provide to the City a good faith deposit in the amount of: [(i) \$ _____ for the Series 2023 ____

Bonds; (ii) \$ _____ for the Series 2023 ___ Bonds; (iii) \$ _____ for the Series 2023 ___ Bonds; and (iv) \$ _____ for the _____ Bonds] (each, a “**Good Faith Deposit**”).

Upon the determination by the City of the Apparent Winning Bidder of a Series of the Bonds, the Municipal Advisor will (i) provide to the Apparent Winning Bidder of such Series the wire transfer information and (ii) request the Apparent Winning Bidder to immediately wire the Good Faith Deposit to the City. No later than ninety (90) minutes after the time the Municipal Advisor requests the Apparent Winning Bidder to wire the Good Faith Deposit to the City, the Apparent Winning Bidder of such Series of the Bonds must wire the applicable Good Faith Deposit to the City and provide the Federal wire reference number of such Good Faith Deposit to the Municipal Advisor. In the event that the Apparent Winning Bidder does not wire the Good Faith Deposit to the City or does not provide the Federal wire reference number of such Good Faith Deposit to the Municipal Advisor within the time specified above, the City may reject the bid of the Apparent Winning Bidder and award such Series of Bonds to a responsible bidder that submitted a conforming bid that represents the next lowest true interest cost to the City.

No interest will be paid upon the Good Faith Deposit made by any bidder. The Good Faith Deposit of each Purchaser will immediately become the property of the City. The Good Faith Deposit will be held and invested for the exclusive benefit of the City. The Good Faith Deposit, without interest thereon, will be credited against the purchase price of the Series of Bonds purchased by such Purchaser at the time of delivery thereof.

If the purchase price is not paid in full upon tender of a Series of Bonds, the City shall retain the applicable Good Faith Deposit and the Purchaser will have no right in or to such Bonds or to the recovery of its Good Faith Deposit, or to any allowance or credit by reason of such deposit, unless it shall appear that such Series of Bonds would not be validly delivered to the Purchaser in the form and manner proposed, except pursuant to a right of cancellation. See “CLOSING PROCEDURES AND DOCUMENTS - Right of Cancellation.” In the event of nonpayment for such Series of Bonds by a winning bidder, the City reserves any and all rights granted by law to recover the full purchase price of such Series of Bonds and, in addition, any damages suffered by the City.

Reoffering Prices, Establishment of Issue Price and Issue Price Certificate (Hold-the-Offering-Price Rule Will Apply if Competitive Sale Requirements Are Not Satisfied).

(a) The Purchaser(s) for each of the Series 2023A-1 Bonds, Series 2023B-1 Bonds and Series 2023C-1 Bonds (collectively the “**Tax-Exempt Bonds**”) shall assist the City in establishing the issue price of such Series and shall execute and deliver to the City at Closing an “issue price” or similar certificate for such Series setting forth the reasonably expected initial offering price to the public of each of such Series, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Purchaser(s), the City and Co-Bond Counsel.

(b) The City intends that Sections 1.148-1(f)(2)(iii) and 1.148-1(f)(3)(i) (providing a special rule establishing the issue price of the competitively sold bonds and defining the term “competitive sale”) will apply to the initial sale of each Series of Tax-Exempt Bonds (the “**competitive sale requirements**”) because:

- (1) the City shall disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid on one or more Series;
- (3) the City may receive bids for each of the Series from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of each Series to the bidder that submits a firm offer to purchase the particular Series at the highest price (or lowest interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of such Series of Bonds as specified in the bid.

(c) If the competitive sale requirements are not satisfied with respect to a Series, the City shall so advise the winning bidder. In such event, the City intends to treat the first price at which 10% of a maturity of the Series (the “**10% test**”) is sold to the public as the issue price of that maturity if such maturity of the Series satisfies the 10% test as of the date and time of the award of the Series. With respect to those maturities of the Series that do not meet the 10% test as of the date and time of the award of the Series, the City intends to treat the initial offering price to the public as of the sale date of each maturity of such Series as the issue price of that maturity (the “**hold-the-offering-price rule**”). Bids will not be subject to cancellation in the event that the competitive sale requirements are not satisfied with respect to a Series, and the hold-the-offering-price rule will thus apply to any maturity of such Series as to which less than 10% of the maturity was sold by the winning bidder to the public at a single price. Bidders should prepare their bids on the assumption that some or all maturities of each Series will be subject to the hold-the-offering-price rule in order to establish the issue prices of that Series. The winning bidder shall advise the City if any maturity of a Series awarded to such bidder satisfies the 10% test as of the date and time of the award of such Series.

(d) By submitting a bid for any Series, the winning bidder shall (i) confirm that the underwriters have offered or will offer the Tax-Exempt Bonds of that Series to the public on or before the date of award at the offering price or prices (“**initial offering price**”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the particular Series, that the underwriters will neither offer nor sell unsold Tax-Exempt Bonds of such Series of any maturity to which the hold-the-offering-price rule applies to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5th) business day after the sale date; or

- (2) the date on which the underwriters have sold at least 10% of that maturity to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity to the public at a price that is no higher than such maturity's initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

(e) The City acknowledges that, in making the representations set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of a Series to the public, the agreement of each dealer that is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail or other third-party distribution agreement that was employed in connection with the initial sale of a Series to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail or other third-party distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule, and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail or other third-party distribution agreement to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to one or more maturities of a particular Series.

(f) By submitting a bid for a Series, each bidder confirms that: (i) any agreement among underwriters, any selling group agreement and each retail or other third-party distribution agreement (to which the bidder is a party) relating to the initial sale of such Series to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail or other third-party distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Tax-Exempt Bonds of each maturity of such Series allotted to it and subject to the hold-the-offering-price rule until it is notified by the winning bidder that the hold-the-offering-price rule no longer applies to such maturity, and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of such Series to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail or other third-party distribution agreement to be employed in connection with the initial sale of such Series to the public to require each broker-dealer that is a party to such retail or other third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Tax-Exempt Bonds of each maturity of such Series allotted to it and subject to the hold-the-offering-price rule until it is notified by the winning bidder or such underwriter that the hold-the-offering-price rule no longer applies to such maturity and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(g) Sales of the Tax-Exempt Bonds of any Series to any person that is a related party to an underwriter of any Series shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Tax-Exempt Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Tax-Exempt Bonds to the public (including a member of a selling group or a party to a retail or other third-party distribution agreement participating in the initial sale of any Series of the Tax-Exempt Bonds to the public),
- (iii) a purchaser of the Tax-Exempt Bonds of any Series is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and
- (iv) “sale date” for a particular Series means the date on which such Series are awarded by the City to the winning bidder for that Series.

Right of Rejection and Waiver of Irregularity. The City reserves the right, in its sole discretion, to reject any and all bids and to waive any irregularity or informality in any bid which does not materially affect such bid or change the ranking of the bids.

Right to Modify or Amend. Other than with respect to postponement or cancellation as described in this Official Notice of Sale, and in addition to the City’s right to adjust the payment amounts of the Bonds as provided in “TERMS RELATING TO THE BONDS - Adjustment of Principal Payments” the City reserves the right to modify or amend this Official Notice of Sale in any respect including, without limitation, increasing or decreasing the principal amount of any serial maturity or mandatory sinking fund payment for any Series of Bonds and adding or deleting serial or term maturity and mandatory sinking fund payment dates, along with corresponding principal amounts with respect thereto; provided, that, subject to the terms of this Official Notice of Sale (see “TERMS RELATING TO THE BONDS - Adjustment of Principal Payments”) any such modification or amendment will be communicated to potential bidders through Parity and/or the News Services not later than 1:00 p.m., California time, on the business day preceding the date

for receiving bids. Failure of any potential bidder to receive notice of any modification or amendment will not affect the sufficiency of any such notice or the legality of the sale.

Postponement or Cancellation of Sale. The City may postpone or cancel the sale of any or all Series of the Bonds at or prior to the time for receiving bids. Notice of such postponement or cancellation shall be given through Parity and/or the News Services as soon as practicable following such postponement or cancellation. If a sale is postponed, notice of a new sale date will be given through Parity and/or the News Services as soon as practicable following a postponement and no later than 1:00 p.m., California time, on the business day preceding the new date for receiving bids. Failure of any potential bidder to receive notice of postponement or cancellation will not affect the sufficiency of any such notice.

Prompt Award. The Controller's Office of Public Finance of the City will take official action awarding the Bonds or rejecting all bids with respect to the Bonds not later than thirty (30) hours after the time for receipt of bids for each Series of Bonds, unless such time period is waived by the Purchaser.

Equal Opportunity. Pursuant to the spirit and intent of the City's Local Business Enterprise ("LBE") Ordinance, Chapter 14B of the Administrative Code of the City, the City strongly encourages the inclusion of Local Business Enterprises certified by the San Francisco Human Rights Commission in prospective bidding syndicates. A list of certified LBEs may be obtained from the San Francisco Human Rights Commission, 25 Van Ness Avenue, Room 800, San Francisco, California 94102; telephone: (415) 252-2500.

Sales Outside of the United States. The Purchaser must undertake responsibility for compliance with any laws or regulations of any foreign jurisdiction in connection with any sale of each Series of Bonds to persons outside the United States.

Insurance. No bids with municipal bond insurance will be accepted.

Such payment and delivery is called the "Closing." Payment for the Bonds (including any premium) must be made at the time of delivery in immediately available funds to the City Treasurer. Any expense for making payment in immediately available funds shall be borne by the applicable Purchaser. The City will deliver to the Purchaser of each Series of Bonds, dated as of the delivery date, a copy of the legal opinions with respect to the Bonds described in APPENDIX F to the Preliminary Official Statement.

* Preliminary; subject to change.

Qualification for Sale. The City will furnish such information and take such action not inconsistent with law as a Purchaser may request and the City may deem necessary or appropriate to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the Purchaser; provided, that the City will not execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction. By submitting its bid for a Series of Bonds, the Purchaser assumes all responsibility for qualifying the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of the states and jurisdictions in which the Purchaser offers or sells the Bonds, including the payment of fees for such qualification. Under no circumstances may the Bonds be sold or offered for sale or any solicitation of an offer to buy the Bonds be made in any jurisdiction in which such sale, offer or solicitation would be unlawful under the securities laws of the jurisdiction.

No Litigation. The City will deliver a certificate stating that no litigation of any nature is pending, or to the knowledge of the officer of the City executing such certificate, threatened, restraining or enjoining the sale, issuance or delivery of the Bonds or any part thereof, or the entering into or performance of any obligation of the City, or concerning the validity of the Bonds, the ability of the City to levy and collect the *ad valorem* tax required to pay debt service on the Bonds, the corporate existence or the boundaries of the City, or the entitlement of any officers of the City who will execute the Bonds to their respective offices.

Right of Cancellation. A Purchaser will have the right, at its option, to cancel the contract if the City fails to execute the purchased Bonds and tender the same for delivery within thirty (30) days from the sale date, and in such event the Purchaser will be entitled only to the return of the Good Faith Deposit, without interest thereon.

CUSIP Numbers. The Municipal Advisor will timely apply for CUSIP numbers with respect to the Bonds as required by Municipal Securities Rulemaking Board's Rule G-34. The Purchaser will be responsible for the cost of assignment of such CUSIP numbers and any CUSIP Service Bureau charges related to the Bonds awarded to such Purchaser. The Purchaser shall also notify the CUSIP Service Bureau as to the final structure of the Bonds awarded to such Purchaser.

It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Purchaser to accept delivery of and pay for such Bonds in accordance with the terms hereof.

CUSIP is a registered trademark of American Bankers Association. CUSIP data is provided by CUSIP Global Services managed by S&P Global Market Intelligence on behalf of the American Bankers Association. The City takes no responsibility for the accuracy of such CUSIP numbers. CUSIP numbers are provided only for the convenience of the Purchaser of each Series of Bonds.

Expenses of the Purchaser(s). CUSIP Service Bureau charges, California Debt and Investment Advisory Commission fees (under California Government Code Section 8856), Depository Trust Company charges and all other expenses of the Purchaser(s) will be the responsibility of the Purchaser of each Series. Pursuant to Section 8856 of the California

Government Code, the Purchaser must pay to the California Debt and Investment Advisory Commission, within sixty (60) days from the sale date, the statutory fee for the Bonds purchased.

Official Statement. Copies of the Preliminary Official Statement with respect to the Bonds will be furnished or electronically transmitted to any potential bidder through Elabra www.elabra.com or upon request to the Municipal Advisor. (The contact information for the Municipal Advisor is set forth above in this Official Notice of Sale.) In accordance with Rule 15c2-12 of the Securities and Exchange Commission, as amended (“**Rule 15c2-12**”), the City deems the Preliminary Official Statement final as of its date, except for the omission of certain information as permitted by Rule 15c2-12. Within seven (7) business days after the date of award of the Bonds, the Purchaser of each Series of Bonds will be furnished with a reasonable number of copies (not to exceed fifty (50)) of the final Official Statement, without charge, for distribution in connection with the resale of the Bonds. The Purchaser of each Series of Bonds must notify the City in writing within two (2) days of the sale of the Bonds if such Purchaser requires additional copies of the final Official Statement to comply with applicable regulations. The cost for such additional copies will be paid by the Purchaser requesting such copies.

By submitting a bid for a Series of Bonds, the Purchaser of the Series of Bonds agrees to: (1) disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any supplements; (2) promptly file a copy of the final Official Statement, including any supplements, with the Municipal Securities Rulemaking Board; and (3) take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of such Series of Bonds to the Purchaser, including, without limitation, the delivery of a final Official Statement, including any supplements, to each investor who purchases such Series of Bonds.

The form and content of the final Official Statement is within the sole discretion of the City. The name of the Purchaser(s) of the Bonds will not appear on the cover of the final Official Statement.

At the request of a Purchaser, the City will include in the final Official Statement information concerning the qualification of the offer and sale in foreign jurisdictions (and related settlement procedures) of the Series of Bonds to be purchased by such Purchaser. If the inclusion of such language is requested by a Purchaser, such language shall be provided by, and be the responsibility of, such Purchaser. The City does not and will not take responsibility whatsoever with respect to the accuracy or completeness of the information provided by such Purchaser with respect to the qualification of the offer or sale of the Series of Bonds to be offered or sold by such Purchaser in foreign jurisdictions (and related settlement procedures) or whether such information or any other information in the Official Statement is sufficient or adequate for such Purchaser to offer or sell such Series of Bonds in any foreign jurisdiction. Each Purchaser must undertake responsibility for compliance with all laws and regulations of any applicable foreign jurisdiction in connection with any offer or sale of any Series of Bonds by such Purchaser to persons outside the United States.

Certificate Regarding Official Statement. At the time of delivery of the Bonds, each Purchaser will receive a Certificate, signed by an authorized representative of the City, confirming to the Purchaser that (i) such authorized representative has determined that, to the best of such

authorized representative's knowledge and belief, the final Official Statement (excluding reoffering information, information relating to The Depository Trust Company and its book-entry system, as to which no view will be expressed) did not as of its date, and does not as of the date of delivery of the Bonds, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, (ii) such authorized representative knows of no material adverse change in the condition or affairs of the City that would make it unreasonable for such Purchaser to rely upon the final Official Statement in connection with the resale of the applicable Series of Bonds, and (iii) the City authorizes the Purchaser to distribute copies of the final Official Statement in connection with the resale of its Series of Bonds.

Purchaser's Certificate Concerning Official Statement. As a condition of delivery of each Series of the Bonds, the Purchaser of such Series of Bonds will be required to execute and deliver to the City, prior to the date of Closing, a certificate to the following effect:

- (i) The Purchaser has provided to the City the initial reoffering prices or yields on such Series of Bonds as printed in the final Official Statement, and the Purchaser has made a bona fide offering of such Series of Bonds to the public at the prices and yields so shown.
- (ii) The Purchaser has not undertaken any responsibility for the contents of the final Official Statement. The Purchaser, in accordance with and as part of its responsibilities under the federal securities laws and the securities laws of any foreign jurisdiction where such Purchaser offers or sells, or plans to offer or sell, any of the Bonds, has reviewed the information in the final Official Statement and has not notified the City of the need to modify or supplement the final Official Statement.
- (iii) [The Purchaser undertakes responsibility for compliance with all laws and regulations of any applicable foreign jurisdiction in connection with any offer or sale of any Series of Bonds by such Purchaser to persons outside the United States.]
- (iv) The foregoing statements will be true and correct as of the date of Closing.

Continuing Disclosure. In order to assist bidders in complying with Rule 15c2-12, the City will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information, operating data and notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

Except as otherwise disclosed in the Official Statement under the heading "CONTINUING DISCLOSURE," for the past five years, the City has been in compliance in all material respects with its continuing disclosure obligations under Rule 15c2-12.

The undersigned, on behalf of _____ (“Purchaser”), hereby certifies as set forth below with respect to the issuance of the above-captioned obligations (“Bonds”) of the City and County of San Francisco (“City”).

1. Sale of the General Rule Maturities. As of the date of this certificate, for each Maturity of the General Rule Maturities, the first price at which at least 10% of such Maturity was sold to the Public is the respective price listed in Schedule A.

2. Initial Offering Price of the Hold-the-Offering-Price Maturities.

(a) The Purchaser offered the Hold-the-Offering-Price Maturities to the Public for purchase at the respective initial offering prices listed in Schedule A (“Initial Offering Prices”) on or before the Sale Date. A copy of the pricing wire or equivalent communication for the Bonds is attached to this Certificate as Schedule B.

(b) As set forth in the Official Notice of Sale, the Purchaser agreed in writing on or prior to the Sale Date that, (i) for each Maturity of the Hold-the-Offering-Price Maturities, it would neither offer nor sell any of the Bonds of such Maturity to any person at a price that is higher than the Initial Offering Price for such Maturity during the Holding Period for such Maturity (“hold-the-offering-price rule”), and (ii) any selling group agreement shall contain the agreement of each dealer that is a member of the selling group, and any retail or other third-party distribution agreement shall contain the agreement of each broker-dealer that is a party to the retail or other third-party distribution agreement, to comply with the hold-the-offering-price rule. Pursuant to such agreement, no Underwriter (as defined below) has offered or sold any Maturity of the Hold-the-Offering-Price Maturities at a price that is higher than the respective Initial Offering Price for that Maturity of the Bonds during the Holding Period.

3. Defined Terms.

(d) *Maturity* means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate maturities.

(e) *Public* means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter.
