APPENDIX B CALCULATION OF CHARGES

1. GENERAL

- 1.1 As set forth in Section 3.3, "Compensation," of the Agreement, compensation for Work performed under this Agreement will be on a time and materials basis, unless otherwise approved by the Airport Project Manager.
- 1.2 No charges shall be incurred under this Agreement nor shall any payments become due to the Contractor until reports, services, or both required under this Agreement are received from the Contractor and approved by the Airport as being in accordance with this Agreement. In no event shall the Airport be liable for interest or late charges for any late payments.

2. METHOD OF PAYMENT

- 2.1 Unless approved otherwise by the Airport, the Contractor shall submit invoices for its services on a monthly basis, and the City will issue payments within thirty (30) days of receipt of an acceptable invoice with satisfactory backup documentation, approved by the Airport Project Manager. The term "invoice" shall include the Contractor's bill or other written request for payment under this Agreement for services performed. All invoices shall be made in writing and delivered or mailed to the Airport to the mailing address listed in Section 11.1 "Notices to the Parties," of the Agreement.
- 2.2 The Contractor shall submit invoices for the Work performed in conformance with procedures approved by the Airport.
 - 2.2.1 Such invoices shall segregate current costs from previously invoiced costs.
 - 2.2.2 Costs for individual labor shall be segregated by task and subtasks, if any.
 - 2.2.3 In no case shall the Contractor's invoices include costs that the Airport has disallowed or otherwise indicated that it will not recognize. Costs shall be invoiced by Contractor's accounting categories and shall be subject to the audit provisions of this Agreement.
 - 2.2.4 Each invoice shall clearly distinguish Contractor's personnel that are invoiced at the home office multiplier versus the field office multiplier. See Paragraph 3 below for rate definitions.
 - 2.2.5 Such invoices shall be, at a minimum: (i) mechanically accurate; (ii) substantially evidenced and properly supported; and (iii) in compliance with generally accepted accounting principles.
- 2.3 The Contractor shall also certify, for each invoice, that (i) the hourly rates for direct labor to be reimbursed under this Agreement, whether for Contractor or its subcontractor(s), are not in excess of the hourly rates in effect for the Contractor or subcontractor employees engaged in

the performance of services under this Agreement at that time; and (ii) that such hourly rates are in conformance with the Agreement.

- 2.4 The Airport reserves the right to withhold payment(s) otherwise due the Contractor in the event of the Contractor's material non-compliance with any of the provisions of this Agreement, including, but not limited to, the requirements imposed upon the Contractor in Article 5, "Insurance and Indemnity," of the Agreement. The Airport shall provide notice of withholding and may continue the withholding until the Contractor has provided evidence of compliance that is acceptable to the Airport.
