Naz,

I am writing to confirm that the Request for Contract Services Package for the new iteration of the Placement Pilot Continuum contract between the California Department of Social Services and the San Francisco Department on the Status of Women was submitted to our CDSS Non-IT Contracts Bureau on Thursday, 09/22/22.

This contract agreement is for \$7,000,000 with a term of 01/01/23 – 12/31/25. This is not a binding agreement until the contract is signed by both parties and fully executed. Although we do not anticipate any major delays, there is no guarantee that the contract will be fully executed by 01/01/23.

The funds for this contract were made possible by an appropriation of \$25,000,000 (AB-154 Budget Act of 2022) for the CDSS to administer and enter into contracts with qualified organizations to develop and implement innovative placement pilot programs for youth who are, or are at risk of becoming victims of commercial sexual exploitation.

Thank you.
