AUTHORITY, PURPOSE AND SCOPE OF WORK

1. <u>Authority</u>

California Assembly Bill No. 140 (Chapter 111, Statutes of 2021) ("**AB 140**") created the statutory basis for the California Housing Accelerator by adding Chapter 6.6 (commencing with Section 50672) to Part 2 of Division 31 of the Health and Safety Code. Health and Safety Code section 50672.3 authorizes the Department of Housing and Community Development ("**Department**" or "**HCD**") to adopt guidelines to administer this new chapter.

The Department issued a California Housing Accelerator Tier 2 Project Solicitation and Guidelines on February 28, 2022, which was subsequently amended on May 5, 2022 and August 31, 2022 (collectively, "**Project Solicitation**"). This Project Solicitation serves as the Department's guidelines for administration of the California Housing Accelerator.

California Housing Accelerator funds are derived from the federal Coronavirus State Fiscal Recovery Fund ("CSFRF"), which was established by the American Rescue Plan Act of 2021 ("ARPA") (Pub.L. No. 117-2). Through the 2021-22 California state budget, the funds have been allocated to the California Housing Accelerator. Additional State funds have been allocated to the California Housing Accelerator through the 2022-2023 California state budget.

This STD 213, Standard Agreement ("Agreement") is entered under the authority and in furtherance of the California Housing Accelerator. This Agreement is the result of an application by the Sponsor(s) for California Housing Accelerator funding (the "Application"). As such, this Agreement shall be executed by all Sponsors. Where the Sponsor comprises more than one entity, all Co-Sponsor entities shall execute and be bound by the Agreement.

This Agreement hereby incorporates by reference the Application in its entirety, as well as the project report prepared by the Department in reliance on the representations and descriptions included in that Application (the "Accelerator Project Report"). This Agreement is governed by the following legal authorities and materials, as amended and in effect from time to time (collectively, the "California Housing Accelerator Requirements"), and each of them is incorporated hereto as if set forth in full herein:

- A. Chapter 6.6 (commencing with Section 50672) of Part 2 of Division 31 of the Health and Safety Code:
- B. Health and Safety Code section 50406;
- C. The Project Solicitation;
- D. ARPA and related federal guidance;
- E. The award letter issued by the Department to the Sponsor(s); and
- F. All other applicable law.

2. Purpose

The California Housing Accelerator is intended to expedite the construction and production of Qualified Rental Housing Developments, as defined below, that are unable to proceed due to the short supply of tax credit and bond allocations.

The Department will provide California Housing Accelerator assistance in the form of a forgivable permanent financing loan (the "Loan").

Sponsor(s) applied to the Department for the Loan, which will be expended on Eligible Uses, as defined in <u>Paragraph 3</u> and as outlined in <u>Paragraph 4</u> below. By entering into this Agreement and thereby accepting the award of the Loan, the Sponsor(s) agrees to comply with the California Housing Accelerator Requirements and the terms and conditions of this Agreement.

3. <u>Definitions</u>

Any capitalized terms that are not defined below have the definitions set forth in the California Housing Accelerator Requirements. In the event of any conflict, the definitions in this Agreement and the Project Solicitation are controlling.

A. "Application Fee" means the refundable fee of \$40,000.00, which the Department charged per California Housing Accelerator application. This fee will be fully refunded if the Sponsor meets the Commencement of Construction Deadline, or if the Project obtains a tax credit allocation and the California Housing Accelerator funds are disencumbered prior to the Commencement of Construction Deadline.

This date is identified with specificity at Exhibit E of this Agreement. For purposes of this definition, "commencement of construction" means the first land-disturbing activity associated with a Project, including land preparation such as clearing, grading, and filling, or the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building.

- K. "Performance Milestones" means the indicators and metrics of progress and performance that are identified as such at <u>Exhibit E</u> of this Agreement. 4. Eligible Uses

Sponsor shall apply the Loan to Eligible Uses, as defined in Paragraph 3 of this Exhibit A. The Department reserves the right to disallow expenditures that do not constitute Eligible Uses, as determined by the Department in its sole and absolute discretion. The Department reserves the right, consistent with applicable law, to require its prior written approval of all reserve withdrawals, regardless of whether the reserve was required by the Department.

Sponsor's use of the funds and Scope of Work are specified at <u>Exhibit E</u> of this Agreement.

5. <u>California Housing Accelerator Deadlines</u>

A. The Project must commence construction no later than the Commencement of Construction Deadline, as specified at <u>Exhibit E</u> of this Agreement. The Department may, in its sole and absolute discretion, extend the Commencement

of Construction Deadline due to conditions beyond the control of the Sponsor, for a period not to exceed 90 days.

Failure to meet the Commencement of Construction Deadline, or any Department-approved extension, will result in the forfeiture of the Application Fee and the California Housing Accelerator award. Such failure will also cause the Department to assess negative points when scoring any future application by the Sponsor for Department funding. The foregoing penalties will not apply, however, if the Sponsor secures a CDLAC/TCAC allocation, and the California Housing Accelerator funds are disencumbered by the Commencement of Construction Deadline.

- B. Within seven (7) months of the award, the Sponsor shall submit documentary evidence to the Department that construction commenced by the Commencement of Construction Deadline. Sponsor shall make this showing as specified by Paragraph 7 of Exhibit A of this Agreement.
- C. The Loan proceeds shall be disbursed through permanent financing close of escrow and expended on Eligible Uses no later than the Permanent Loan Conversion Deadline of **November 30**, **2026**. This Permanent Loan Conversion Deadline is derived from the federal expenditure deadline of December 31, 2026 for the CSFRF funds.

6. Performance Milestones

Sponsor shall complete each of the Performance Milestones set forth at <u>Exhibit E</u> of this Agreement by the date designated for such completion therein (each a "**Milestone Completion Date**"). The Performance Milestones shall include, but not be limited to, the Commencement of Construction Deadline, any deadlines for the submission of necessary documentary evidence, and any reporting deadlines.

Sponsor may apply to the Department for an extension of any such Milestone Completion Date. Approval of any such extension request, with the exception of the Commencement of Construction Deadline, shall be in the Department's reasonable discretion. (The Department maintains sole and absolute discretion to approve an extension of the Commencement of Construction Deadline.) In no event will the Department approve an extension request in the absence of Sponsor's demonstration of good cause for said extension, along with Sponsor's reasonable assurances that the extension will not result in Sponsor's failure to meet other Performance Milestones under this Agreement. In no event will the Department approve an extension of the Construction Commencement Deadline beyond the statutorily authorized 90 days.

- B. After satisfaction of each Performance Milestone, the Sponsor shall promptly report its progress, in writing, to the Department.
- C. Within seven (7) months of the award, the Sponsor shall submit documentary evidence to the Department that construction commenced by the Commencement of Construction Deadline. If the Department extends the Commencement of Construction Deadline, as authorized, the Sponsor's deadline for submitting the foregoing documentary evidence shall be extended in the same increment as the extension of the Commencement of Construction Deadline. Qualifying forms of documentary evidence include the following:
 - 1) Recordation of a notice of commencement;
 - 2) Date- and time-stamped photographs;
 - 3) Physical inspection report; or

The 20-year term will commence on the date of recordation of the California Housing Accelerator Loan documents at Permanent Loan Conversion. There will be no residual receipts or periodic payment requirements during the life of the Loan.

The Loan will be forgiven by the Department at the end of the 20-year loan term if all of the following are true at that time, as determined by the Department in its sole and absolute discretion:

The amount of any funds expended by the Department for the purposes of curing or averting a default will be added to the Loan amount secured by the Project payable to the Department upon demand.

2. <u>Disbursement</u>

At the time of the Project's permanent financing closing, all California Housing Accelerator Loan proceeds must be disbursed through an independent escrow/title company licensed to do business in the State of California. The Department shall prepare and submit escrow instructions to the escrow holder. The Department's escrow instructions will further detail the requirements for, and conditions to, the release of Loan proceeds to the Sponsor.

The Loan proceeds will be released through escrow upon the Sponsor's, or its assignee's, submittal of the STD 204, Payee Data Record, and the HCD 846, Request for Funds,

This Agreement incorporates by reference the Department's General Terms and Conditions set forth in each Existing HCD Loan Commitment's STD 213, Standard Agreement (the "Existing HCD General Terms and Conditions"). (The Existing HCD General Terms and Conditions may, but need not, be set forth at Exhibit D of each Existing HCD Loan Commitment's STD 213, Standard Agreement.) Each Existing HCD Loan Commitment is identified at Paragraph 1 of Section A of Exhibit E of this Agreement.

In the event of any conflict between the Existing HCD General Terms and Conditions, this Agreement and the California Housing Accelerator Requirements, the California Housing Accelerator Requirements shall control to the furthest extent allowed by law. - 2) Sponsor has concealed any material fact from the Department related to the Application or the Project.
- E. Filing of a petition by Sponsor, or any affiliate or general partner of Sponsor, for relief under the Bankruptcy Code; the filing of any pleading or answer by Sponsor, or any affiliate or general partner of Sponsor, in any involuntary proceeding under the Bankruptcy Code; a general assignment by Sponsor, or any affiliate or general partner of Sponsor, for the benefit of creditors; or the filing of an application for the appointment of a receiver, trustee, custodian or liquidator of Sponsor or any of its property, or of any affiliate or general partner of Sponsor or any of its property.

J. Sponsor's failure to comply with the Department's General Terms and Conditions for any Department funding source for this Project.

In the event of this or any other breach, violation, or default by the Sponsor, the Department may give written notice to the Sponsor to cure the breach, violation, or default. If the breach, violation, or default is not cured to the Department's satisfaction within 30 days or such other reasonable time as determined by the Department in its sole and absolute discretion and based on the totality of the circumstances, then the Department may declare a default under this Agreement and seek any and all remedies that are available under this Agreement, at law, or in equity.

4. <u>Cancellation</u>

- A. It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.
- B. This Agreement is valid and enforceable only if sufficient funds are made available to the State of California by the United States Government for fiscal years 2021-2022 through 2025-2026 for purposes of the CSFRF and this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- C. The parties mutually agree that if the Congress does not appropriate sufficient funds for the CSFRF, this Agreement will be amended to reflect any subsequent reduction in CSFRF funds.
- D. The Department may cancel this Agreement, in whole or in part, if (i) sufficient funds are not made available by the United States Government; (ii) Congress enacts any restrictions, limitations, or conditions that impact this Agreement or the funding of this Agreement; or (iii) cancellation is otherwise permitted under state contracting law.
- E. To cancel this Agreement pursuant to this paragraph, the Department shall give thirty (30) calendar days' advance written notice to the Sponsor. The Sponsor shall return any unexpended portion of its Loan award to the Department within thirty (30) calendar days from the date on the Department's written notice of cancellation, unless (i) the parties have agreed upon an alternate arrangement in

advance and in writing; or (ii) an alternate arrangement is necessary for one or both parties to remain in compliance with ARPA or other applicable law.

5. Sponsor Liability

Sponsor shall remain liable to the Department for performance under this Agreement and compliance with all California Housing Accelerator Requirements regardless of any Department-approved transfer or assignment of interest, or of any designation of a third party for the undertaking of all or any part of the Scope of Work. Likewise, each Co-Sponsor shall remain jointly and severally liable to the Department for performance under this Agreement and compliance with all California Housing Accelerator Requirements regardless of any Department-approved transfer or assignment of interest, or of any designation of a third party for the undertaking of all or any part of the Scope of Work.

6. <u>Disputes</u>

In the event of any conflict between this Agreement and any documents internal to the Sponsor or Borrower (e.g., limited partnership agreement), this Agreement and the California Housing Accelerator Requirements will prevail, are applicable, and will be enforceable by the Department, notwithstanding, without limitation, any prior or preliminary review or approval of any such documents by the Department at the time of construction loan closing or otherwise.

7. Consent

The parties agree that wherever the consent or approval of the Department or the Sponsor is required under this Agreement, such consent or approval must not be unreasonably withheld, conditioned, or delayed, unless the same is specified as being in that party's sole and absolute discretion or other words of similar import.

8. Relocation Plan

Sponsor must comply with all applicable federal, state, and local relocation law. Pursuant to relocation law, a Sponsor must have a relocation plan prior to proceeding with any phase of a Project or other activity that will result in the displacement of persons, businesses, or farm operations. To ensure that displaced persons and entities do not suffer a disproportionate impact as a result of Projects which benefit the public, all notices to vacate and relocation services must be provided to them in accordance with applicable law.

Before this Agreement will be executed, Sponsor must have either:

- A. A Department-approved relocation plan; or
- B. A Department-issued Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, which has been duly executed by the Sponsor and approved by the Department.

Where the Sponsor's activities will or may result in displacement, the Sponsor's development budget must include enough funds to pay all costs of relocation benefits and assistance.

Any modifications to the foregoing process requirements are set forth at <u>Exhibit E</u> of this Agreement.

9. <u>Article XXXIV</u>

Article XXXIV, section 1 of the California Constitution ("Article XXXIV") is not applicable to development that consists of the acquisition, rehabilitation, reconstruction, alterations work, new construction, or any combination thereof, of lodging facilities or dwelling units using moneys appropriated and disbursed pursuant to Chapter 6.6 (commencing with Section 50672) of Part 2 of Division 31 of the Health and Safety Code. (Health & Saf. Code, § 37001, subd. (h)(4).) As such, Article XXXIV is not applicable to California Housing Accelerator-funded Projects.

10. Updated Information and Changes to the Project

Sponsor shall provide the Department updated documentation for any change in the information previously provided relating to the California Housing Accelerator Loan, including updated sources and uses and income information. All changes shall be subject to Department approval. However, if the Project is changed in any way as to make it ineligible for California Housing Accelerator funding, then the California Housing Accelerator Loan commitment will be cancelled, and all California Housing Accelerator Loan funds awarded to the Sponsor shall be disencumbered.

11. Prevailing Wages

This Project is subject to California's prevailing wage law (Lab. Code, § 1720 et seq.). The Sponsor is urged to seek professional legal advice about the law's requirements. Prior to closing the Loan, the Department will require a certification of compliance with

California's prevailing wage law, as well as all applicable federal prevailing wage law. The certification must verify that prevailing wages have been or will be paid (if such payment is required by law), and that labor records will be maintained and made available to any enforcement agency upon request. The certification must be signed by the general contractor(s) and the Sponsor.

The U.S. Treasury issued its Coronavirus State and Local Fiscal Recovery Funds [CLFRF] – Final Rule as of July 27, 2022. In California, the Davis-Bacon Act requirements (prevailing wage rates) do not generally apply to projects funded solely with award funds from the CSFRF/CLFRF program. Recipients may be otherwise subject to the Davis-Bacon Act, when CSFRF/CLFRF award funds are used on a construction project in conjunction with funds from another federal program that requires enforcement of the Davis-Bacon Act. Additionally, California prevailing-wage-in-construction laws may apply to projects.

12. <u>Insurance</u>

The Sponsor shall obtain, and maintain for the term of the Loan, hazard and liability insurance for the Project in accordance with the Department's requirements, including flood insurance, if applicable. The Department shall be named as a loss payee or an additional insured on all such policies. Such policies must also provide for notice to the Department in the event of any lapse of coverage and in the event of any claim thereunder. Prior to disbursement of the California Housing Accelerator Loan, the Sponsor shall provide evidence satisfactory to the Department of compliance with these insurance requirements.

13. California Housing Accelerator Loan Documents

The Sponsor shall enter into this Agreement with the Department, which shall govern the encumbrance of the California Housing Accelerator Loan funds.

In addition, California Housing Accelerator terms, conditions, and restrictions will be expressly incorporated into the loan documents of the Existing HCD Loan Commitment.

The Department will append and incorporate a California Housing Accelerator exhibit into the Existing HCD Loan Commitment's loan regulatory agreement to be recorded on the property. The exhibit will set forth the Project's California Housing Accelerator-specific requirements, terms, and conditions. The exhibit will impose, for a 55-year period, the same income, occupancy, and rent restrictions that were represented in the Sponsor's most recent unsuccessful application to TCAC/CDLAC, and it will require the same

service amenities that were represented in that application. If the Sponsor did not apply to TCAC/CDLAC, then the exhibit will impose, for a 55-year period, the same income, occupancy, and rent restrictions required by the most recent Existing HCD Loan Commitment(s). If the most recent Existing HCD Loan Commitment was structured with unrestricted market rate units, then the California Housing Accelerator will not restrict or regulate those units. In all cases, the Department may expressly approve alternative California Housing Accelerator restrictions and required service amenities for the purpose of maintaining consistency with the Existing HCD Loan Commitment(s). The regulations, guidelines, and other terms of the Existing HCD Loan Commitment(s) shall govern the integrated regulatory agreement.

California Housing Accelerator requirements, terms, and conditions will also be incorporated into the promissory note and deed of trust of the Existing HCD Loan Commitment, as well as any other of the Existing HCD Loan Commitment's loan documents, as necessary and appropriate. All such documents will be executed and recorded, as appropriate, at permanent financing close of escrow. For Projects secured by leasehold security, leases must meet the requirements of UMR section 8316, and both the Borrower and the fee owner of the property must execute the Department's form template lease rider without modification. The lease rider amends the lease and must be recorded on the fee estate.

14. <u>Cross-Default</u>

A default under any other Department loan(s) or grant(s) to the Project will constitute a default under the California Housing Accelerator assistance. If such default continues beyond any applicable cure period, the Department will avail itself of any and all remedies.

15. Restrictions on Transfer and Change of Ownership

The Sponsor shall not, without the prior written approval of the Department:

- A. sell, transfer, convey, encumber, hypothecate or pledge any of the Project or the Project property, or any portion or interest in either of them;
- B. discharge or replace any general or managing partner if Sponsor is a partnership, or amend, modify or add to its partnership agreement except that the Sponsor may sell or transfer limited partnership interests without the Department's approval;
- C. if Sponsor is a limited liability company: change the manager(s), amend, modify or add to its operating agreement or management structure;

- D. wind up, liquidate or dissolve its affairs or enter into any transaction of merger or consolidation; or
- E. change the organizational structure of the Sponsor.

16. Accessibility

The Project shall comply with all state and federal accessibility requirements, including, without limitation, the specific requirements set forth in the Project Solicitation.

17. Compliance with State and Federal Laws, Rules, Guidelines and Regulations

The Sponsor agrees to comply with all state and federal laws, rules and regulations that pertain to construction, health and safety, labor, fair employment practices, equal opportunity, and all other matters applicable to the Project, the Sponsor, its contractors or subcontractors, and any Loan activity.

18. Sponsor Representations

- A. Sponsor represents and warrants that, as of the date of this Agreement, the Sponsor is a duly organized and validly existing entity under California law and the person signing this Agreement on behalf of Sponsor has the authority to act on behalf of and to bind the Sponsor in accordance with the terms of this Agreement.
- B. Sponsor represents and warrants that, as of the date of the Loan closing, the Borrower may be a duly organized and validly existing limited partnership under California law, and that such limited partnership will have the authority to participate in the California Housing Accelerator subject to all California Housing Accelerator Requirements.
- C. Sponsor further represents and warrants that, as of the date of the Loan closing, the person(s) executing the Loan documents will have full authority to act on behalf of and to bind the Sponsor in accordance with the terms of those documents.

19. Survival of Obligations

The obligations of the Sponsor as set forth in this Agreement shall survive the California Housing Accelerator Loan closing, and the Sponsor shall continue to cooperate with the Department and perform acts and provide documents as provided herein. The obligations

of this Agreement continue for the 55-year income, occupancy, and rent restrictions, or until the regulatory agreement is terminated.

20. Severability and Litigation

If any provision of this Agreement, or an underlying obligation, is held invalid by a court of competent jurisdiction, such invalidity, at the sole and absolute discretion of the Department, shall not affect any other provisions of this Agreement and the remainder of this Agreement shall remain in full force and effect. Therefore, the provisions of this Agreement are, and shall be, deemed severable. The Sponsor shall notify the Department immediately of any claim or action undertaken by or against it which affects or may affect this Agreement or the Department and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of the Department.

21. Obligations of Sponsor with Respect to Certain Third-Party Relationships

The Sponsor shall remain fully obligated under the provisions of this Agreement notwithstanding its designation of any third party or parties for the undertaking of all or any part of the Project with respect to which assistance is being provided under this Agreement. The Sponsor shall comply with all lawful requirements of the Department necessary to ensure the completion, occupancy and use of the Project in accordance with this Agreement.

22. Waivers

No waiver of any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of the Department to enforce at any time the provisions of this Agreement or to require at any time performance by the Sponsor of these provisions shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of the Department to enforce these provisions.

23. Retention, Inspection, and Audit of Records

Sponsor is responsible for maintaining records which fully disclose the activities funded by the Loan. Sponsor shall retain all records for a minimum period of five (5) years after final payment under this Agreement, unless a longer retention period is stipulated. If any litigation, claim, negotiation, audit, monitoring, inspection or other action commences during this required retention period, all records must be retained until a full and final resolution of the action.

The Department, as well as its appointees, employees, agents, and delegatees, shall have the right to review, obtain, and copy all records (electronic or otherwise) pertaining to performance under this Agreement. The U.S. Department of the Treasury and any authorized oversight body or representative, including, without limitation, the Treasury's Office of Inspector General, the Government Accountability Office, and the Pandemic Relief Accountability Committee, shall have the right of access to such records in order to conduct audits or other investigations. Sponsor shall provide any relevant information requested, and shall permit access to its premises, upon reasonable notice and during normal business hours, for the purpose of interviewing employees and inspecting and copying books, records, accounts, and other relevant material.

At any time during the term of this Agreement, the Department may perform or cause to be performed a financial audit of any and all phases of the Project. At the Department's request, the Sponsor shall provide, at its own expense, a financial audit prepared by a certified public accountant. The audit shall be performed by a qualified state, local, independent, or Department auditor. Where an independent auditor is engaged, the audit services agreement shall include a clause which permits the Department to have access to the independent auditor's relevant papers, records, and work product.

If there are audit findings, the Sponsor shall submit a detailed response to the Department for each audit finding. The Department will review the response. If the Department determines, in its sole and absolute discretion, that the response is satisfactory, the Department will conclude the audit process and notify the Sponsor in writing. If the Department determines, in its sole and absolute discretion, that the response is not satisfactory, the Department will contact the Sponsor, in writing, and explain the action required to cure any audit deficiencies. Such action could include the repayment of ineligible costs or other remediation.

If so directed by the Department upon the termination or expiration of this Agreement, the Sponsor shall deliver all records, accounts, documentation, and other materials that are relevant to this Agreement to the Department as depository.

24. Sponsor Acknowledgment of the Pet Friendly Housing Act of 2017

By executing this Agreement, Sponsor acknowledges that the Pet Friendly Housing Act of 2017 (Health & Saf. Code, § 50466) requires each housing development, if it is financed on or after January 1, 2018 pursuant to Division 31 of the Health and Safety Code, to authorize a resident of the housing development to own or otherwise maintain one or more common household pets within the resident's dwelling unit, subject to applicable state laws and local government ordinances related to public health, animal control, and

Sponsor is responsible for complying, as necessary, with the Single Audit Act and its implementing regulation at 2 Code of Federal Regulations part 200, subpart F regarding audit requirements.

29. <u>Developer Fee Limits</u>

Total developer fee for a Project shall not exceed the lesser of **(a)** \$2,200,000; **(b)** the sum of 15 percent of the Project's unadjusted residential construction-related eligible basis, 5 percent of the Project's unadjusted acquisition eligible basis, and 15 percent of the eligible basis for the Project's nonresidential costs; or **(c)** the amount approved by the Department as payable from development funding sources under the terms of the Existing HCD Loan Commitment.

30. Restrictions on Continued Eligibility for Award

If the Sponsor has a pending application with CDLAC and/or TCAC relative to the Project, and that application is thereafter recommended to receive bonds and/or tax credits, the California Housing Accelerator funds must be returned to the Department. If, after receiving an award of California Housing Accelerator funds, the Sponsor withdraws the awarded Project's pending application from CDLAC and/or TCAC, the Sponsor will no longer be eligible for that California Housing Accelerator funding.

31. Future Tax Credit Applications and Syndicating Losses

The Sponsor is prohibited from applying for or receiving a tax credit allocation on the Project for a period of 20 years from the California Housing Accelerator Loan closing date for that Project.

Post-award, if the Sponsor syndicates and sells a portion of its ownership interest to a partner or equivalent party seeking tax losses associated with the Project, nine-tenths of the gross proceeds of that sale shall be remitted to the Department as recaptured California Housing Accelerator funds.

Project Description

This project will consolidate four current parcels into a single parcel of approximately 13,518 square feet and demolish the three existing structures. The project will construct an eight (8) story multi-family residential building with 110 affordable units and two mangers units, for a total of 112 units, including 80 studio units and 32 two-bedroom units. Twenty-five percent (25%) of the units reserved for households with disabilities who receive home and community based services (HCBS). The building includes residential commons, community rooms, service spaces and management areas at the ground floor, as well as a commercial space facing City Hall (to be developed under a separate permit). A garden courtyard at the ground floor will be accessible to the wider community. The project includes 56 Class 1 bicycle parking spaces for residents.

Background

California Senate Bill 35 (SB-35) was signed by Governor Jerry Brown on September 29, 2017 and became effective January 1, 2018. SB-35 applies in cities that are not meeting their Regional Housing Need Allocation (RHNA) goal for construction of above-moderate income housing and/or housing for households below 80% area median income (AMI). SB-35 amends Government Code Section 65913.4 to require local entities to streamline the approval of certain housing projects by providing a ministerial approval process, removing the requirement for CEQA analysis, and removing the requirement for Conditional Use Authorization or other similar discretionary entitlements granted by a Planning Commission.

On December 21, 2020, Fiona Ruddy submitted an SB 35 Application for the project at 240 Van Ness Avenue. Department staff determined that the SB 35 Application was complete, and that the proposed project was eligible for SB 35 on January 22, 2021.

The Planning Director did not request a Planning Commission Hearing or Historic Preservation Commission Hearing for this project.

Project approval

The Project Sponsor seeks to proceed pursuant to Planning Code Section 206.6, Individually Requested State Density Bonus Law, Government Code Section 65915 et seq (the State Law. Under the State Law, a housing development that includes affordable housing is entitled to additional density concessions and incentives, and waivers from development standards that might otherwise preclude the construction of the project. Since the Project Sponsor is providing 110 units of housing affordable to lower- and very low-income households, the project is entitled to a density bonus of 50%, unlimited waivers, and up to three concessions/incentives. The project sponsor is seeking waivers from the development standards for setbacks and streetwall height (Planning Code Section 132.1), rear yard (Planning Code Section 134), open space (Planning Code Section 135), dwelling unit exposure (Planning Code Section 140), active use and transparency (Planning Code Section 145.1), bicycle parking (Planning Code Section 155.2) Reduction of Ground-Level Wind Currents in C-3 Districts ("wind" - Planning Code Section 149) and building height (Planning Code Section 260). and. The project sponsor has requested a concession/incentive from the development standards for Height Restrictions on Structures Shadowing Property Under the Jurisdiction of the Recreation and Park Commission ("shadow" - Planning Code Section 295)

Concessions and Incentives

The Project has requested a concession/incentive from Height Restrictions on Structures Shadowing Property Under the Jurisdiction of the Recreation and Park Commission, otherwise known as "shadow" (Planning Code Section 295). Pursuant to Planning Code Section 206.6, the Department shall grant the concession or incentive requested by the applicant unless the Department makes a written finding, based upon substantial evidence, of any of the following:

A. The concession or incentive does not result in identifiable and actual cost reductions, consistent with subdivision (k), to provide for affordable housing costs, as defined in Section 50052.5 of the Health and Safety Code, or for rents for the targeted units to be set as specified in subdivision (c).

The requested incentive results in actual cost and identifiable cost reductions for the project. The project is approximately one block from Civic Center Plaza. Pursuant to Planning Code Section 295, developments exceeding 40 feet in height may not cast new shadow on the park without increasing the amount of available shadow hours per year, or "shadow budget." By seeking an incentive from this requirement, project costs are reduced in several ways: first, the project does not require an extensive analysis, prepared by a qualified consultant, to determine the potential impacts of the development on Civic Center Plaza. Should the project cast shadow on Civic Center Plaza, it would need to be reduced in size, which would result in a project that does not include enough units to be competitive for project financing.

B. The concession or incentive would have a specific, adverse impact, as defined in paragraph upon public health and safety or the physical environment or on any real property that is listed in the California Register of Historical Resources and for which there is no feasible method to satisfactorily mitigate or avoid the specific, adverse impact without rendering the development unaffordable to low-income and moderate-income households.

The requested concessions/incentives from the development standards for shadow would not result in a specific, adverse impact to public health and safety or the physical environment, or on any real property that is listed in the California Register of Historical Resources.

C. The concession or incentive would be contrary to state or federal law.

The requested concessions/incentives from the development standards for shadow would not be contrary to state or federal law.

Waivers

In no case may the Department apply any development standard that will have the effect of physically precluding the construction of a development at the densities or with the concessions or incentives permitted by the State Density Bonus Law. The Department is not required to waive or reduce development standards if the waiver or reduction would have a specific, adverse impact upon health, safety, or the physical environment, and for which there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact. The Department is not required to waive or reduce development standards that would have an adverse impact on any real property that is listed in the California Register of Historical Resources, or to grant any waiver or reduction that would be contrary to state or federal law.

The requested are required to accommodate the proposed project with the density bonus and the requested concessions or incentives permitted by the Density Bonus Law. Waivers from setbacks and streetwall height, rear yard, open space, dwelling unit exposure, and height allow the project sponsor to construct an L-shaped building with an interior courtyard, which better responds to the configuration of the lot and maximizes the number of units on the site. The proposed L-shaped massing also improves the quality of the units, as it provides better access to light and air for all of the units in the building. The requested waiver from wind allows the project to proceed with the proposed massing without the need to further sculpt the building to reduce potential ground level wind currents, which would result in the loss of units. Waivers from bicycle parking, active uses and transparency allow the project to maximize the amenities and services available to residents in the project and the community at large. The project has three street frontages, and literal enforcement of these requirements would drastically reduce the area necessary to adequately support the households in the project. Denial of any of these waivers could prelcude the development with the density bonus allowed by the State Density Bonus Law.

The project is not seeking any waivers that would have an adverse impact to real property listed on the California Register of Historical Resources, and is not seeking any waiver that is contrary to state or federal law.

The Department has determined that the project meets all the objective standards of the Planning Code and has completed design review of the project. The project has been approved in accordance with the provisions of SB 35, as recorded in Building Permit Application No. 2021.0104.2034.

MEMORANDUM FOR: HCD Pipeline Project Sponsors

FROM: Jennifer Seeger, Deputy Director

Division of State Financial Assistance

SUBJECT: California Housing Accelerator

Tier 2 Project Solicitation and Program Guidelines

The California Department of Housing and Community Development (Department or HCD) is announcing the availability of approximately \$1.05 billion in California Housing Accelerator Tier 2 funding for the purposes of supporting shovel-ready projects that, despite having an Existing HCD Loan Commitment from one or more HCD loan programs, are unable to move forward due to funding gaps that resulted from the current shortage of tax-exempt bond allocations and low-income housing tax credits. Funding for this NOFA is derived from approximately \$800 million from Coronavirus State Fiscal Recovery Fund (CSFRF) and approximately \$250 million from the State General Fund.

This Project Solicitation represents the second of two California Housing Accelerator solicitations. The first was limited to projects with prior HCD awards that had unsuccessfully applied for bonds and 4% tax credits. This current solicitation is open to a broader set of projects with HCD direct loan program awards, as detailed below in Section II.A of the Project Solicitation. Additionally, this Project Solicitation will be competitive and include specific regional allocation pools to ensure a broad geographic distribution of California Housing Accelerator funds. Please refer to Section II of the Project Solicitation for additional detail.

Background

A substantial share of the funding for HCD projects has traditionally been provided by equity raised from the sale of low-income housing tax credits, especially 4% tax credits. Due to various factors, these tax credits are now in short supply, which has delayed shovel-ready projects with HCD program awards. The purpose of the California Housing Accelerator is to enable these projects to quickly begin construction.

Funding available under this Project Solicitation is derived from the Coronavirus State Fiscal Recovery Fund (CSFRF), established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117-2) as well as the State's General Fund. Through the 2021–22 and 22-23 California state budgets, funds have been allocated to this program. No bond sale or similar financial arrangements are involved. Federal funds have been transferred from the federal treasury to the State and are on deposit in a state account.

California Housing Accelerator Tier 2 February 28, 2022 (Last Amended August 31, 2022) Page 2

Eligibility

Eligibility under this Project Solicitation is limited to projects that have an Existing HCD Loan Commitment of a direct loan from at least one of the specified HCD multifamily housing programs, and meet both of the following:

- listed tax-exempt bonds and 4% low-income housing tax credits as development sources in their HCD application(s) for the Existing HCD Loan Commitment, but have not received allocations of these resources, and
- provide evidence that, with a California Housing Accelerator award, the Project will be able to start construction within 180 days of award.

Please refer to Section II Program Requirements for complete information on eligible applicants and projects.

Application Submittal and Award Timeframes

Tier 2 applications will be accepted via the Department's online application portal beginning March 8, 2002 and ending April 8, 2022.

All application materials for Tier 2 projects **must be submitted electronically** via the application portal on the Department's <u>website</u> no later than **4:00 p.m. Pacific Standard Time on April 8 ,2022.** Specific submittal instructions will be included in the application form, which is expected to be available on the website no later than March 8, 2022. Personal deliveries will not be accepted. No facsimiles, late submittals, incomplete applications, application revisions, courier deliveries, or walk-in application packages will be accepted.

Webinar and Technical Assistance

The Department will conduct an online application workshop. The California Housing Accelerator application and online workshop details will be posted on the Department's website at accelerator.hcd.ca.gov. If you have any questions, please email accelerator@hcd.ca.gov.

I. Overview

A. Funding Available

The California Department of Housing and Community Development (Department or HCD) is announcing the availability of approximately \$1.05 billion for shovel-ready projects that, despite having received one or more program direct loan awards from HCD multifamily loan programs, are unable to move forward due to funding gaps resulting from the current shortage of tax-exempt bond allocations and low-income housing tax credits.

Funding available under this Project Solicitation is derived from the Coronavirus State Fiscal Recovery Fund (CSFRF), established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117-2) as well as the State's General Fund. Through the 2021-22 and 22-23 California state budgets, funds have been allocated to this program.

C. Authorizing Legislation and Applicable Law

Assembly Bill No. 140 (Chapter 111, Statutes of 2021), which was signed by Governor Gavin Newsom on July 19, 2021, created the statutory basis for the California Housing Accelerator by adding Chapter 6.6 (commencing with Section 50672) to Part 2 of Division 31 of the Health and Safety Code (HSC).

HSC section 50672.3 states, "In order to expedite the development of qualified rental housing developments that are ready to proceed to construction except for obtaining tax credit or bond allocations from the California Tax Credit Allocation Committee and the California Debt Limit Allocation Committee, the Department may adopt guidelines to administer this chapter. Guidelines adopted pursuant to this chapter shall not be subject to the requirements of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code)."

This Project Solicitation serves as the Department's guidelines for administration of the California Housing Accelerator, Tier 2. As such, the Project Solicitation and guidelines (collectively, Project Solicitation) establishes the terms, conditions, forms, procedures, and other mechanisms that the Department deems necessary to exercise its powers and to perform its duties pursuant to the California Housing Accelerator. The matters set forth herein are regulatory mandates and are adopted as regulations that have the dignity of statutes. (*Ramirez v. Yosemite Water Company, Inc.* (1999) 20 Cal.4th 785, 799 [85 Cal.Rptr.2d 844].)

Any California Housing Accelerator awards will tie into the Existing HCD Loan Commitment. Therefore, the regulations, guidelines, and other terms of the Existing HCD Loan Commitment shall govern the Project's recorded regulatory agreement and other loan documents. California Housing Accelerator-specific terms, conditions, and restrictions will be expressly incorporated into the Existing HCD Loan Commitment's loan documents. California Housing Accelerator-specific terms and conditions will be memorialized in either a separate Standard Agreement or in the Standard Agreement for the Existing HCD Loan Commitment.

The Department will only amend this Project Solicitation as necessary and in accordance with the Department's guideline authority pursuant to HSC section 50672.3.

1. These guidelines have been amended to incorporate the applicable provisions outlined in the May 5, 2022 omnibus guideline amendment.

II. Program Requirements

A. Eligible Project

To be eligible for a California Housing Accelerator Tier 2 award, the Project must have received an award letter from a multifamily housing loan program directly administered by the Department prior to April 8, 2022, and the award must not have expired, or been terminated, disencumbered, or otherwise held to be void.

- 1. Qualifying HCD funding programs include the following:
 - Affordable Housing and Sustainable Communities Program
 - Community Development Block Grant Program Disaster Recovery
 - HOME Investment Partnerships Program
 - Housing for a Healthy California Program
 - Infill Incentive Grant Program of 2007 (with an Existing HCD Loan Commitment to a Qualifying Infill Project)
 - Infill Infrastructure Grant Program of 2019 (with an Existing HCD Loan Commitment to a Qualifying Infill Project)
 - Joe Serna, Jr. Farmworker Housing Grant Program
 - Multifamily Housing Program
 - National Housing Trust Fund

- No Place Like Home Program competitive and non-competitive HCDadministered funds only
- Supportive Housing Multifamily Housing Program
- Transit-Oriented Development Implementation Program
- Veterans Housing and Homelessness Prevention Program

HCD assistance to a Qualifying Infill Area (QIA) under the Infill Incentive Grant Program of 2007 or the Infill Infrastructure Grant Program of 2019 does not, by itself, qualify a housing development within the QIA for California Housing Accelerator funding. Rather, a qualifying housing development within the QIA must meet the California Housing Accelerator's definition of a Qualified Rental Housing Development.

No Place Like Home projects funded directly by Alternative Process Counties do not qualify for an award under the California Housing Accelerator, unless they have a program award from another qualifying HCD program.

Homekey funded projects do not qualify for an award under the California Housing Accelerator, unless they have a program award from another qualifying HCD program.

- 2. The application that resulted in HCD issuing an award letter for the Existing HCD Loan Commitment must have shown tax-exempt bonds and 4% low-income housing tax credits as development funding sources.
- 3. If the Sponsor subsequently requested, and the Department approved, a change from a 4% project to a 9% project resulting in a resizing of the Existing HCD Loan Commitment, then the Project is ineligible for California Housing Accelerator. This does not include projects which, for the sole purpose of applying for 2020 disaster credits on or after July 1, 2021, applied as a 9% project but which, due to the Department's <u>Administrative Notice 21-005</u> issued on June 22, 2021, were allowed to maintain funding awarded as a 4% project.

B. Eligible Applicants

All California Housing Accelerator applications must be submitted by and include all Sponsors in connection with the Existing HCD Loan Commitment.

C. Eligible Uses of Funds and Project Costs

California Housing Accelerator funds shall be used only for expenses that would be categorized as project costs by the federal low-income housing tax credit program, including, but not limited to, commercial costs and reasonable reserves.

The Department reserves the right to disallow costs that do not constitute reasonable project costs, as determined by the Department in its sole and absolute discretion.

Additionally, HCD will <u>not</u> generally allow capitalized reserves in excess of those approved in connection with the Existing HCD Loan Commitment, nor local agency fees or payments that would only have been required if bonds were issued or that were not shown in the application for the Existing HCD Loan Commitment. HCD reserves the right, consistent with applicable law, to require prior written approval from HCD for all reserve withdrawals, whether the reserve was required by HCD or not.

D. Limits on financing and unit mix changes

California Housing Accelerator funds are not intended to supplant local public agency funds. Accordingly, any local agency resources shown as committed in the applications for any Existing HCD Loan Commitments must be included in the financing proposed in the California Housing Accelerator application at the same or higher level of funding as previously identified. This includes sites provided at below market-rate cost as well as funds.

Similarly, California Housing Accelerator funds are not intended to supplant Performing Debt. The amount and terms of Performing Debt shown in the California Housing Accelerator application must generally remain the same or be higher and more restrictive than the amount and terms shown in previous HCD applications unless there are extenuating circumstances that are clearly explained in writing by the Applicant and agreed to in writing by HCD. Requests for reducing Performing Debt or the term of the Performing Debt will be reviewed on a case-by-case basis and are not a guaranteed approval. Reduced principal loan amounts of Performing Debt must include a corresponding reduced amount in the development budget.

The Department expects unit mixes (number of units at various AMI levels and bedroom counts) to remain substantially the same as shown in the most recent Department application or, if the project has an application which has been submitted to CDLAC/TCAC, the application submitted to the CDLAC/TCAC which was ultimately unsuccessful in securing a bond allocation.

E. Threshold application requirements

- 1. Demonstrate readiness to commence construction within 180 days of award. Applicants shall provide a written certification in their application, in form and substance satisfactory to the Department, confirming site control, entitlements, approved site plans, environmental clearances, and complete financing. For the purposes of the California Housing Accelerator, "commencement of construction" means the first land-disturbing activity associated with a project, including land preparation such as clearing, grading, and filling or the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building.
- 2. Compliance with the requirements specified in this Project Solicitation.
- 3. Submittal of a complete California Housing Accelerator application, using unaltered application forms and including all required attachments.
- 4. Each private entity Applicant shall submit an authorizing resolution that, in the Department's reasonable determination, materially comports with the California Housing Accelerator requirements and is legally sufficient. In addition, each private entity Applicant shall submit a complete set of its organizational documents (and all amendments thereto).
 Please note that the Department will not approve a California Housing Accelerator Standard Agreement until it receives a complete set of authorizing and organizational documents from the Applicant, as specified. This set of documents shall also include, as applicable, a legally sufficient authorizing resolution from any public agency Applicant.

F. Funding Amounts and Terms

1. Funds Available

The maximum amount of California Housing Accelerator funds available under this Project Solicitation is approximately \$1.05 billion.

2. Geographic Allocations

To ensure an equitable distribution of funds, the Department has established the following geographic allocation targets for Tier 2 funds. These allocations take into consideration the funds awarded in Tier 1. Those regions that were underrepresented in the distribution of Tier 1 funds have priority in the allocations for Tier 2.

Region	Counties	% of Tier 2 funds available	Tier 2 Target
Coastal Region	Monterey, Orange, San Benito, San Diego, San Luis Obispo, Santa Barbara, Santa Cruz, Ventura	20%	\$160 million
Los Angeles City and County	Los Angeles	44%	\$352 million
Inland	Fresno, Imperial, Kern, Kings, Madera, Merced, Riverside, San Bernardino, San Joaquin, Stanislaus, Tulare	21%	\$168 million
Unallocated	All counties	15%	\$120 million

The remaining \$250 million of the \$1.05 billion available, along with any remaining unrequested funds in the regional pools outlined above will be used to fund the next highest scoring project regardless of location.

3. Application evaluation process

The application review process consists of three phases: 1) initial threshold review; 2) rating and ranking; and 3) project feasibility review. In the event of oversubscription, the Department may establish a preliminary point score and ranking, and applications ranked below a fundable range as indicated by the preliminary ranking will not be reviewed further.

Applications meeting threshold requirements will be rated in accordance with the criteria listed below and ranked in order of their point scores. Awards will be issued to the highest-ranking projects in each geographic region provided that they are determined to be feasible, and until the geographic targets specified in the previous section have been met. Any funds remaining after the geographic targets have been satisfied will be combined with the funds in the unallocated pool. Funding of the unallocated pool will then be based on the highest ranked remaining applications, without regard to location.

The Department reserves the right to adjust the amount awarded in each region to fully fund the lowest ranking fundable projects within each region to the extent possible.

4. Application rating factors

Tier 2 will be a competitive process for previously HCD-awarded 4% tax credit projects with regional allocations to ensure a broad geographic distribution of California Housing Accelerator funds. Projects will be rated based on four primary policy objectives as further defined below:

- Efficient use of California Housing Accelerator funds
- Age of Existing HCD Loan Commitment(s) award
- Targeting of special needs populations
- Climate change mitigation
- a. Efficient use of California Housing Accelerator funds (40 points): Points will be awarded to projects demonstrating ability to efficiently use California Housing Accelerator funds, as calculated in two ways:
 - i. A maximum of 25 points will be based on requested California Housing Accelerator funds per unit. The project in each region with the lowest per-unit request for funds will receive 25 points. All other projects within each region will receive points calculated using the following formula:

lowest per unit request per region x 25
Application per unit \$ request

ii. A maximum of 15 points will be based on how closely the total requested California Housing Accelerator funds matches the equity estimate provided in the project's most recent HCD application, adjusted for inflation. Projects requesting California Housing Accelerator funds equal to or less than the equity projected in the most recent HCD application (adjusted for inflation using the West Region Consumer Price Index for All Urban Consumers (CPI-U)) will receive 15 points. Other projects will receive points calculated using the following formula:

$$1 / (\frac{Accelerator Request}{Recent Equity + Inflation}) x 15$$

- **b. HCD award date (20 points)**: 20 Points will be awarded if the first HCD award to the project was issued before the process for allocating tax-exempt bonds became competitive in 2020.
- c. Homeless, Special Needs and Other Population Targeting (30 points max)
 - Homeless targeting: 0.3 points will be awarded for each percentage of total project units restricted to occupancy by households experiencing homelessness up to a maximum of 30 points for 100 percent homeless projects.

Units garnering points under this criterion must be restricted to occupancy by households experiencing homelessness by another HCD program or a local public agency. The HCD regulatory agreement recorded in connection with the California Housing Accelerator loan will also include these restrictions.

- ii. Large family, extremely low-income, and special needs targeting:
 0.2 points will be awarded for each percentage of total project units that are not restricted to occupancy by households experiencing homelessness and are either:
 - three or more bedrooms;
 - restricted to occupancy by Extremely Low-Income households, or
 - restricted to a special needs population other than persons experiencing homelessness.

Units may receive points under only one of the three categories listed in section 4.c.ii and only up to a maximum of 20 points.

Special needs populations are those recognized populations as defined under the current <u>Guidelines</u> of the Multifamily Housing Program. Units garnering points under this criterion must be restricted to the designated special needs population by an Existing HCD Loan Commitment or a local public agency. The HCD regulatory agreement recorded in connection with the Existing HCD Loan Commitment and the California Housing Accelerator loan will also include these restrictions.

- iii. Other Very Low-Income units: 0.1 points will be awarded for each percentage of total project units restricted to occupancy by Very Low-Income households that do not qualify for points under subparagraphs i or ii, above, up to a maximum of 10 points.
- **d. Climate change mitigation (20 Points):** Points will be awarded to projects as follows:
 - i. 20 points to projects that either:
 - Are located within one-quarter (¼) mile from a Transit Station/Stop served by High Quality Transit measured from the nearest boarding point of the Transit Station/Stop to the entrance of the residential structure in the Project furthest from the Transit Station/Stop along a walkable route. The walkable route, after completion of the proposed Project, must be free of features or conditions that deter pedestrian circulation such as barriers; stretches without sidewalks or walking paths; noisy vehicular tunnels; streets, arterials, or highways without regulated crossings that facilitate pedestrian movement; long stretches without shade or cover; or stretches without lighted streets.

ii. 10 points will be awarded to projects that:

- Are located within one-half (½) mile from a Transit Station/Stop served by High Quality Transit, measured from the nearest boarding point of the Transit Station/Stop to the entrance of the residential structure in the Project furthest from the Transit Station/Stop along a walkable route; or
- received grant award(s) as a Qualifying Infill Project under the Infill Infrastructure Grant program; or
- Are located within one-quarter mile of a Transit Station or Major Transit Stop, as defined by IIG Program Guidelines, measured by a Walkable Route from the nearest boundary of the Project to the outer boundary of the site of the Transit Station or Major Transit Stop.

For the purposes of this subparagraph d, Transit Station/Stop and High Quality Transit shall mean the same as those terms are defined in Appendix A of the most recent AHSC <u>Guidelines</u>. Headway times in effect any time between January 2020 and the time of application may be used to qualify transit as High Quality Transit, where service has been temporarily reduced due to COVID-19.

5. Application Fee

Per HSC section 50672.2, subdivision (d)(1), the Department has established an application fee of \$40,000 per California Housing Accelerator application. This refundable fee aims to discourage project application submissions for projects that are not shovel-ready. This fee will be fully refunded if:

- the project is awarded California Housing Accelerator funds under this Project Solicitation <u>and</u> the project meets the California Housing Accelerator's 180day deadline for commencement of construction, or
- the California Housing Accelerator application is withdrawn prior to award due to the receipt of gap funding to fully fund the project (e.g. bonds, tax credits, local funding, etc.), or
- the application successfully passed threshold, as determined by the Department in its sole and absolute discretion, but was ultimately not successful in securing a California Housing Accelerator award.

Since the California Housing Accelerator application fee is "refundable," it should not be included in the development budget.

Applicants shall provide the Department with a check made payable to "HCD" in the foregoing amount. Applications submitted without this fee will not be considered for review. All checks for application fees shall be sent to the address specified below:

Department of Housing & Community Development Attn: Accounts Receivable California Housing Accelerator Fee: [Project Name] 2020 W. El Camino Avenue, Suite 300, Sacramento, CA 95833

6. Assistance Terms

For all projects, California Housing Accelerator assistance will be in the form of forgivable loans, with terms of zero percent interest for 20 years, with no residual receipts or periodic payment requirements during the life of the California Housing Accelerator loan.

The loan will be forgiven by the Department at the end of the 20-year loan term as long as all of the following are true, as determined by the Department in its sole and absolute discretion:

- The Sponsor remains in good standing with the California Secretary of State;
- The Project is not in default under the terms of any of the Department's loan documents for that project; and
- Negative points have not been assessed against the Sponsor during the previous five (5) years in connection with any Department-assisted project.

The California Housing Accelerator loan shall be subject to repayment if, during the 20-year term, the Project is (1) converted to market-rate housing; or (2) sold or refinanced with a distribution of net equity.

California Housing Accelerator funds will be disbursed through escrow at the time of the Project's permanent financing conversion.

If a California Housing Accelerator Applicant is recommended for and receives bonds and/or tax credits by CDLAC and TCAC prior to the award of Accelerator funds, the California Housing Accelerator application will automatically be withdrawn.

7. Developer Fee Limits

Total developer fee for a Project shall not exceed the lesser of (a) \$2,200,000; (b) the sum of 15 percent of the project's unadjusted residential construction-related eligible basis, 5 percent of the project's unadjusted acquisition eligible basis and 15 percent of the eligible basis for the project's nonresidential costs or (c) the amount approved by HCD as payable from development funding sources under the terms of the Existing HCD Loan Commitment.

8. Restrictions on Future Tax Credit Applications and Syndicating Losses

All California Housing Accelerator awardees are prohibited from applying for or receiving a tax credit allocation on a California Housing Accelerator funded Project for a period of 20 years from the California Housing Accelerator loan closing date for that Project. This prohibition will be memorialized, as appropriate, in all California Housing Accelerator terms and conditions.

If, following a California Housing Accelerator application and award, a Sponsor syndicates and sells a portion of their ownership interest to a partner or equivalent party seeking tax losses associated with the project, nine-tenths of the gross proceeds of that sale shall be remitted to the Department as recaptured California Housing Accelerator funds.

9. Commencement of construction deadline

All California Housing Accelerator awarded projects must commence construction no later than 180 days from the date of award. For the purposes of the California Housing Accelerator, commencement of construction means the first land-disturbing activity associated with a project, including land preparation such as clearing, grading, and filling, or the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building. The Department may, in its sole and absolute discretion, extend this deadline due to conditions beyond the control of the Sponsor, for a period not to exceed 90 days.

Failure to meet the commencement of construction deadline, or any Department-approved extension, will result in the forfeiture of the application fee and the California Housing Accelerator award. Such failure will also cause the Department to assess negative points when scoring any future application by the Sponsor for Department funding, unless the Sponsor secures a CDLAC/TCAC allocation, and the California Housing Accelerator funds are disencumbered by the Department's deadline.

Within seven (7) months of award, the Sponsor shall submit documentary evidence to the Department that construction commenced within the statutory 180-day time period. If the Department extends the deadline for commencement of construction, as authorized, the Sponsor's deadline for submitting the foregoing documentary evidence shall be extended in the same increment as the extension for commencement of construction. Qualifying forms of documentary evidence include:

- Recordation of a notice of commencement;
- Date- and time-stamped photographs;
- Physical inspection report; or
- Other documentation subject to the approval of the Department.

Failure to submit qualifying documentary evidence within the specified timeframes may result in forfeiture of the application fee, forfeiture of the award, and/or an assessment of negative points relative to any future application for Department funding.

10. Legal documents

a. Standard Agreement

Upon the award of California Housing Accelerator funds to a project, the Department shall enter into one or more agreements with the Sponsor(s), including an STD 213, Standard Agreement, which shall encumber funds from the California Housing Accelerator program, subject to specified conditions. The agreement or agreements shall include, but not be limited to, the following provisions:

- i. A description of the approved Project and the permitted uses of funds;
- ii. The amount and terms of the California Housing Accelerator loan;
- iii. The income, occupancy, and rent restrictions to be imposed on the Project through a regulatory agreement recorded against the property of the Project;
- iv. Performance milestones, and other progress metrics, governing the completion of the Project, along with the remedies available to the Department in the event of a failure to meet such milestones or metrics;
- v. Special conditions imposed as part of the Department's approval of the Project;
- vi. Terms and conditions required by federal and state law;
- vii. Requirements for reporting to the Department;
- viii. Remedies available to the Department in the event of a violation, breach, or default of the agreement; and
- ix. Provisions regarding Sponsor liability. Specifically, the Sponsor will remain liable to the Department for compliance with and the performance of all California Housing Accelerator requirements regardless of any Department-approved transfer or assignment of interest. Likewise, each co-Sponsor will remain jointly and severally liable to the Department for compliance with and the performance of all California Housing Accelerator requirements regardless of any Department-approved transfer or assignment of interest.

The agreement will also include such other provisions as are necessary to ensure adherence to the objectives and requirements of the California Housing Accelerator.

b. Regulatory restrictions and loan documentation

- California Housing Accelerator terms, conditions, and restrictions will be expressly incorporated into the loan documents of the Existing HCD Loan Commitment.
- ii. The Department will append and incorporate a California Housing Accelerator exhibit into the Existing HCD Loan Commitment's loan regulatory agreement to be recorded on the property. The exhibit will set forth the project's California Housing Accelerator-specific requirements, terms, and conditions. The exhibit will impose, for a 55year period, the same income, occupancy, and rent restrictions that were represented in the Sponsor's most recent unsuccessful application to TCAC/CDLAC, and it will require the same service amenities that were represented in that application. If the Sponsor did not apply to TCAC/CDLAC, then the exhibit will impose, for a 55-year period, the same income, occupancy, and rent restrictions as set forth in the most recent Existing HCD Loan Commitment(s). The regulations, guidelines, and other terms of the most recent Existing HCD Loan Commitment(s) shall govern the integrated regulatory agreement, except that California Housing Accelerator will regulate and restrict all units identified as affordable housing units to the same income, occupancy, and rent restrictions as set forth in the most recent Existing HCD Loan Commitment(s). If the most recent Existing HCD Loan Commitment was structured with market rate unrestricted units, then the California Housing Accelerator Program will not restrict or regulate those units. In all cases, the Department may expressly approve alternative California Housing Accelerator restrictions and required service amenities for the purpose of maintaining consistency with all Existing HCD Loan Commitments. The regulations, Guidelines, and other terms of the Existing HCD Loan Commitment shall govern the integrated regulatory agreement.
- iii. California Housing Accelerator requirements, terms, and conditions will also be incorporated into the promissory note and deed of trust of the Existing HCD Loan Commitment, as well as any other of the Existing HCD Loan Commitment's loan documents, as necessary and appropriate. All such documents will be executed and recorded, as appropriate, at permanent financing close of escrow. For projects secured by leasehold security, leases must meet the requirements of UMR §8316, and both the borrower and the fee owner of the property must execute the Department's form template lease rider without modification. The lease rider amends the lease and must be recorded on the fee estate.

iv. Cross-Default. If, in connection with the California Housing Accelerator-funded Project, the Sponsor defaults in the performance or observance of any Department loan term, condition, or restriction during the term of any Department contract or regulatory period, and such default continues beyond any cure period provided with respect thereto, the Department will avail itself of any and all remedies available to it under any and all Department terms, conditions, restrictions, and agreements relative to the Project, to include those of the Existing HCD Loan Commitment.

11. Reporting Requirements

In addition to the reports required in connection with the Existing HCD Loan Commitment, the Sponsor shall annually submit a report that details and certifies to the Department the following:

- a. Project met all terms and conditions recorded in its regulatory agreement and any Department covenants;
- b. No change in ownership or amendments to the organizational documents of the project has occurred during the reporting period;
- c. No tax credits, tax-exempt bond funds, or federal grants or loans with interest rates below the applicable federal rate have been used in the project since it was placed-in-service;
- d. Services specified in the regulatory agreement were provided to the tenants during the reporting period; and
- e. the Project met all the terms and conditions, and is not currently in default, of any lender financing to the Project.

The Department may add additional reporting requirements to meet federal outcome and output reporting requirements associated with SFRF funds.

In addition, the Sponsor shall report data on the households occupying the Project, including information on rents charged and project income and expenses, and shall provide information sufficient to determine whether any cash flow limitation in the Department's regulatory agreement has been met.

Sponsor shall also submit such other periodic reports as deemed necessary by the Department to monitor compliance with the regulatory agreement and all California Housing Accelerator requirements. Such reports include, without limitation, a schedule of rental income, in form and substance satisfactory to the Department. Sponsor shall also duly submit all information required by the U.S. Department of the Treasury, which administers the federal funds allocated to the California Housing Accelerator.

12. Defaults and Cancellations

In the event of a breach or violation by the Sponsor, the Department may give written notice to the Sponsor to cure the breach or violation. If the breach or violation is not cured to the satisfaction of the Department within a reasonable time period, the Department, at its option, may declare a default under the relevant document and may seek legal remedies for the default including the following:

- a. The Department may seek, in a court of competent jurisdiction, an order for specific performance of the defaulted obligation, the appointment of a receiver to complete the project in accordance with California Housing Accelerator requirements, or the commencement of foreclosure proceedings under the power of the sale clause in the deed of trust; and
- b. The Department may seek such other remedies as may be available under the relevant agreement, at law, or in equity.

III. Other State and Federal Requirements

A. Article XXXIV

Article XXXIV, section 1 of the California Constitution (Article XXXIV) is not applicable to development that consists of the acquisition, rehabilitation, reconstruction, alterations work, new construction, or any combination thereof, of lodging facilities or dwelling units using moneys appropriated and disbursed pursuant to Chapter 6.6 (commencing with Section 50672) of Part 2 of Division 31 of the HSC. (HSC, § 37001, subd. (h)(4).) As such, Article XXXIV is not applicable to California Housing Accelerator-funded projects.

B. Prevailing Wages

Applicant's contemplated use of California Housing Accelerator funds is subject to California's prevailing wage law (Lab. Code, § 1720 et seq.). Applicants are urged to seek professional legal advice about the law's requirements. Prior to disbursing the California Housing Accelerator funds, the Department will require a certification of compliance with California's prevailing wage law, as well as all applicable federal prevailing wage law. The certification must verify that prevailing wages have been or will be paid (if such payment is required by law), and that labor records will be maintained and made available to any enforcement agency upon request. The certification must be signed by the general contractor(s) and all Project Sponsors.

C. Environmental Review

Guidance by the U.S. Department of the Treasury indicates that an environmental review under the National Environmental Policy Act (NEPA) is not required as a result of California Housing Accelerator funding. However, California Housing Accelerator projects may still be subject to NEPA review if they are also funded by other federal financial assistance programs.

The California Environmental Quality Act (CEQA) is still applicable to any award made under this program.

D. Relocation

Sponsor must comply with all applicable federal, state, and local relocation law. Pursuant to relocation law, a Sponsor must have a relocation plan prior to proceeding with any phase of a project or other activity that will result in the displacement of persons, businesses, or farm operations. To ensure that displaced persons or entities do not suffer a disproportionate impact as a result of projects, which benefit the public, all notices to vacate and relocation services must be provided to them in accordance with applicable law. In addition, before the California Housing Accelerator Standard Agreement will be executed, Sponsor must have either: (1) a Department-approved relocation plan; or (2) a Department-issued Certification Regarding Non-Application of Relocation Benefits and Indemnification Agreement, which has been duly executed and approved by the Department. The Department will identify its submittal requirements for these relocation documents in the California Housing Accelerator application materials. Where the Sponsor's activities will or may result in displacement, the Sponsor's development budget shall include enough funds to pay all costs of relocation benefits and assistance. Any modifications to the foregoing process requirements must be approved in advance by the Department in writing.

E. Accessibility and Non-Discrimination

All projects must adhere to the accessibility requirements set forth in California Building Code (CBC) Chapter 11A and 11B, except as follows:

- Instead of the minimum requirements established in CBC 11B 233.3.1.1 and 11B 233.3.1.3, all new construction projects must provide a minimum of fifteen percent (15%) of the restricted units with mobility features, as defined in CBC 11B 809.2 through 11B 809.4, and a minimum of ten percent (10%) of the restricted units with communications features, as defined in CBC 11B 809.5.
- 2. Rehabilitation projects shall provide a minimum of ten percent (10%) of the restricted units with mobility features, as defined in CBC 11B 809.2 through 11B 809.4, and four percent (4%) with communications features, as defined in CBC 11B 809.5. The Department may approve a waiver of this requirement, provided that the Applicant and architect demonstrate that full compliance would be impractical or create an undue financial burden. All waivers must be approved in advance by the Department in writing.
- 3. At least one of each common area facility type and amenity, as well as paths of travel between accessible units and such facilities and amenities, the building entry and public right of way, and the leasing office or area shall also be made accessible utilizing CBC Chapter 11(B) as a design standard.

Projects must also comply with the Americans with Disabilities Act of 1990 (ADA), Title II, and either the Uniform Federal Accessibility Standards (UFAS), Code of Federal Regulations (CFR) 24 CFR Part 8, or the U.S. Department of Housing and Urban Development's (HUD) modified version of the 2010 ADA Standards for Accessible Design (Alternative 2010 ADAS), HUD-2014-0042-0001, the Federal Register (FR) 79 FR 29671 (5/27/14) (commonly referred to as "the Alternative Standards" or "HUD Deeming Memo"). Accessible units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout the Project and be available in a sufficient range of sizes and amenities consistent with 24 CFR Part 8.26.

Sponsors shall adopt a written non-discrimination policy requiring that no person shall, on the grounds of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, age, medical condition, genetic information, citizenship, primary language, immigration status (except where explicitly prohibited by federal law), arbitrary characteristics, and all other classes of individuals protected from discrimination under federal or state fair housing laws, individuals perceived to be a member of any of the preceding classes, or any individual or person associated with any of the preceding classes be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with program funds made available pursuant to this Project Solicitation.

Sponsors shall comply with all applicable state and federal law, including, without limitation, the requirements of Title VI of the Civil Rights Act of 1964 (42 U.S.C. §2000d et seq.); the Americans with Disabilities Act of 1990; the Fair Housing Act; the Fair Housing Amendments Act of 1988; the California Fair Employment and Housing Act; the Unruh Civil Rights Act; Government Code section 11135; Section 504 of the Rehabilitation Act of 1973; and all regulations promulgated pursuant to those statutes (including 24 C.F.R. § 100, 24 C.F.R. § 8, and 28 C.F.R. § 35).

F. Insurance Requirements

The Sponsor shall obtain, and maintain for the term of the loan, hazard, and liability insurance for the Project in accordance with the Department's requirements, including flood insurance, if applicable. The Department must be named as a loss payee or an additional insured on all such policies. Such policies must also provide for notice to the Department in the event of any lapse of coverage and in the event of any claim thereunder. Prior to disbursement of the California Housing Accelerator loan, the Sponsor shall provide evidence satisfactory to the Department of compliance with these insurance requirements.

IV. Appeals

A. Basis of appeals

- Applicants may appeal the Department's written determination that an application is incomplete, has failed threshold review, or has otherwise been determined to provide an insufficient basis for an award.
- 2. No Applicant shall have the right to appeal a decision of the Department relating to another Applicant's application (e.g., eligibility, award).
- 3. The appeal process provided herein applies solely to decisions of the Department made pursuant to this Project Solicitation.

B. Appeal process and deadlines

- 1. **Process**. To file an appeal, Applicants must submit to the Department a written appeal, which sets forth all relevant facts, arguments, and evidence in support of the appeal. Appeals are to be submitted to the Department at accelerator@hcd.ca.gov.
- 2. **Filing Deadline**. Appeals must be received by the Department no later than five (5) business days from the date of the Department's written determination regarding the subject application.
- 3. **Decision**. The requirements of this Project Solicitation and all other applicable law will govern the Department's determination. All decisions rendered shall be final, binding, and conclusive, and shall constitute the final action of the Department.

V. Award announcements and contracts

A. Award announcements

The Department intends to announce awards no later than August/September 2022.

B. Disclosure of Application

The application is a public record and is subject to disclosure pursuant to the California Public Records Act (CPRA) (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code). After final California Housing Accelerator awards have been issued under this Project Solicitation, the Department may disclose any materials provided by the Applicant to any person making a request under the CPRA. The Department cautions Applicants to use discretion in providing information not specifically requested, including, but not limited to, bank account numbers, personal phone numbers, and home addresses. By volunteering such information to the Department, the Applicant is waiving any claim of confidentiality and consents to the disclosure of submitted material upon request.

VI. Other Terms and Conditions

A. Conflicts

In the event of any conflict between the terms of this Project Solicitation and applicable state or federal law, the terms of the applicable state or federal law shall control. By submitting a California Housing Accelerator application to the Department, Applicants acknowledge that they have read and obtained legal advice regarding this Project Solicitation and all applicable state and federal laws, and that they fully understand the requirements thereof.

The California Department of Housing and Community Development (Department) is pleased to announce that Mercy Housing California and The Kelsey have been awarded California Housing Accelerator (Accelerator) Tier 2 funds in an amount up to \$37,334,401. This award is conditional upon the awardee submitting a revised Accelerator application, within 60 days of the date of this letter, showing the public entity from the original HCD Loan commitment as a Co-Applicant. The Co-Applicant must also provide an adopted Resolution, approving the application and the Accelerator award amount funds in up to \$37,334,401. These funds are made available through the Coronavirus State Fiscal Recovery Fund (CSFRF), established by the federal American Rescue Plan Act of 2021 (ARPA) (Public Law 117-2).

If the project is unable to commence construction by this date, funds may be disencumbered and the sponsor will forfeit its application fee. Additionally, the project must complete permanent loan conversion no later than November 30, 2026.

The Department intends to issue a Standard Agreement within 90 days of receipt of any outstanding documentation required to execute this contract. A program representative will be in communication with you within a week to confirm any additional documents needed to prepare the Standard Agreement.

If a Standard Agreement is needed prior to 90 days to facilitate a planned construction closing date, please notify program staff immediately. Please note that the Department reserves the right to reduce the loan amount prior to issuance of the Standard Agreement, should the Department determine there is a supplantation of previously approved public funds or the project is over-subsidized.

Sponsor acknowledges that HCD assistance to a Qualifying Infill Area (QIA) under the Infill Incentive Grant Program of 2007 or the Infill Infrastructure Grant Program of 2019 does not, by itself, qualify a housing development within the QIA for California Housing Accelerator funding. Rather, a qualifying housing development within the QIA must meet the California Housing Accelerator's definition of a Qualified Rental Housing Development.

Sponsor acknowledges that No Place Like Home projects funded directly by Alternative Process Counties do not qualify for an award under the California Housing Accelerator, unless they have an award from another qualifying HCD program.

Yes

Sponsor acknowledges that Homekey funded projects do not qualify for an award under the California Housing Accelerator, unless they have an award from another qualifying HCD program.

Yes

Sponsor acknowledges that the application that resulted in HCD issuing an award letter must have shown tax-exempt bonds and 4% low-income housing tax credits as development funding sources.

2. Sponsor acknowledges that the application that resulted in HCD issuing an award letter for the Existing HCD Loan Commitment must have shown tax-exempt bonds and 4% low-income housing tax credits as development funding sources.

Yes

Sponsor acknowledges that if the Sponsor subsequently requested, and the Department approved, a change from a 4% project to a 9% project resulting in a resizing of the Existing HCD Loan Commitment, then the Project is ineligible for California Housing Accelerator. This does not include projects which, for the sole purpose of applying for 2020 disaster credits on or after July 1, 2021, applied as a 9% project but which, due to the

N/A

Department's Administrative Notice 21-005 issued on June 22, 2021, were allowed to maintain funding awarded as a 4% project.

If any, describe all revisions to the Project since most recent HCD award (number of units, unit characteristics, subsidies, number of buildings, parking, sites, building style.)

In the HCD AHSC application 12 studio units were listed as "unrestricted." As of TCAC application (March 16, 2022) those 12 units are now restricted at 60% TCAC AMI.

All projects must comply with the accessibility requirements specified in the 2021 TCAC regulations, as well as applicable federal requirements. Compliance will be verified at the time of permanent financing closing though a certification from either the project architect or a Certified Access Specialist (CASp).

Sponsor hereby acknowledges that they will comply with the requirements indicated with a "Yes" in the selection below:

All new construction projects shall adhere to the provisions of California Building Code (CBC) Chapter 11(B) regarding accessibility to privately owned housing made available for public use in all respects except as follows: instead of the minimum requirements established in 11B 233.3.1.1 and 11B 233.3.1.3, all new construction projects must provide a minimum of fifteen percent (15%) of the Restricted Units with mobility features, as defined in CBC 11B 809.2 through 11B 809.4, and a minimum of ten percent (10%) of the Restricted Units with communications features, as defined in CBC 11B 809.5. These units shall, to the maximum extent feasible and subject to reasonable health and safety requirements, be distributed throughout the project consistent with 24 CFR Section 8.26.

Rehabilitation projects shall provide a minimum of ten percent (10%) of the Restricted Units with mobility features, as defined in CBC 11B 809.2 through 11B 809.4, and four percent (4%) with communications features, as defined in CBC 11B 809.5. To the maximum extent feasible and subject to reasonable health and safety requirements, these units shall be distributed throughout the project consistent with 24 CFR Section 8.26. At least one of each common area facility type and amenity, as well as paths of travel between accessible units and such facilities and amenities, the building entry and public right of way, and the leasing office or area shall also be made accessible utilizing CBC Chapter 11(B) as a design standard. In all other respects, applicable building code will apply. Projects with particular federal, state, or local funding sources may be required to meet additional accessibility requirements related to these other sources.

Yes

The Department will accept waivers approved by TCAC. If TCAC has not acted on a waiver request, the Department may also approve a waiver for a rehabilitation project, provided that the applicant and architect demonstrate that full compliance would be impractical or create an undue financial burden.

Do you anticipate your project will need a waiver for the above-noted ADA requirements?

No

Applicant certifies that all new and existing Tax Credit projects with fully accessible units for occupancy by persons with mobility impairments or hearing, vision or other sensory impairments shall provide a preference for those units as follows:

Yes

- (A) First, to a current occupant of another unit of the same project having handicaps requiring the accessibility features of the vacant unit and occupying a unit not having such features, or if no such occupant exists, then
- (B) Second, to an eligible qualified applicant on the waiting list having a handicap requiring the accessibility features of the vacant unit. When offering an accessible unit to an applicant not having handicaps requiring the accessibility features of the unit, the owner or manager shall require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available. Owners and managers shall adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with handicaps, and shall take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of the particular unit.

Applicant certifies that Projects must also comply with the Americans with Disabilities Act, Title II, and either the Uniform Federal Accessibility Standards (UFAS) standards, 24 C.F.R. Part 8, or HUD's modified version of the 2010 ADA Standards for Accessible Design (Alternative 2010 ADAS), HUD-2014-0042-0001, 79 F.R. 29671 (5/27/14) (commonly referred to as "the Alternative Standards" or "HUD Deeming Memo").
