Be it ordained by the People of the City and County of San Francisco:

Section 1. Land Use and Environmental Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. ___ and is incorporated herein by reference. The Board affirms this determination.

(b) On _____, the Planning Commission, in Resolution No. _____, adopted findings that the actions contemplated in this ordinance are consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of Supervisors in File No. _____, and is incorporated herein by reference.

(c) Pursuant to Planning Code Section 302, the Board finds that this Planning Code amendment will serve the public necessity, convenience, and welfare for the reasons set forth in Planning Commission Resolution No. _____, and the Board incorporates such reasons herein by reference. A copy of said resolution is on file with the Clerk of the Board of Supervisors in File No. _____.

Section 2. Background and Findings.

(a) Annually, May is Small Business Month, during which the Board of Supervisors recognizes the importance of small businesses in San Francisco. As part of this recognition, each year during Small Business Month, there are waivers of various local permit fees that have acted as a bar for many small businesses to improve their building facades and store fronts. Fee waivers include fees for the replacement of awnings, signs on awnings, and installation of pedestrian level lighting. These fee waivers are contained in an uncodified Section 4 of Ordinance No. 149-16 in Board of Supervisors File No. 160632 and in Tables 1A-A and 1A-E of the Building Code. This ordinance would codify the existing awning fee waivers, expand fee waivers to include the installation of new awnings, and key the Planning Code and Building Code fee waivers to application for the permit in May rather than issuance of the permit in May.

(b) On _____, the Building Inspection Commission considered this ordinance at a duly noticed public hearing pursuant to Charter Section D3.750-5.

(c) No local findings are required under California Health and Safety Code Section 17958.7 because the amendments to the Building Code contained in this ordinance do not regulate materials or manner of construction or repair, and instead relate in their entirety to administrative procedures for implementing the code, which are expressly excluded from the definition of a "building standard" by California Health and Safety Code Section 18909(c).

Section 3. Article 3.5 of the Planning Code is hereby amended by revising Section 350, to read as follows:

SEC. 350. FEES.

* * * *

(j) **Deferred or Reduced Fee; Fee Waivers.**

(1) Any fraternal, charitable, benevolent, or any other nonprofit organization, that is exempt from taxation under the Internal Revenue laws of the United States and the Revenue and Taxation Code of the State of California as a bona fide fraternal, charitable, benevolent, or other nonprofit organization, or public entity, that submits an application for the development of residential units all of which are affordable to low and moderate income households, as defined by the United States Housing and Urban Development Department, for a time period that is consistent with the policy of the Mayor's Office of Housing and Community Development and the Successor to the San Francisco Redevelopment Agency, may defer payment of the fees except those for discretionary review and appeals to the Board of Supervisors until (A) before final Planning Department approval of the building permit, preparatory to issuance of the building permit, before the building permit is released to the applicant, or (B) within one year of the date of action on the application, whichever comes first. This ~~*exemption*~~ *deferral provision* shall apply notwithstanding the inclusion in the

development of other nonprofit ancillary or accessory uses. Should the project be withdrawn prior to final Planning approval, the applicant shall pay time and material costs pursuant to Section 350(g).

(2) An exemption from paying the full fees specified for discretionary review or appeals to the Board of Supervisors may be granted when the requestor's income is not enough to pay for the fee without affecting ~~*his or her*~~ *their abilityies* to pay for the necessities of life, provided that they ~~*person seeking the exemption*~~ demonstrate~~s~~ to the Planning Director or ~~*his/her*~~ *the Director's* designee that ~~*he or she*~~*they* would be substantially affected by the proposed project.

(3) Certain of the fees charged in accordance with subsections (b) and (c) are subject in some circumstances to waiver, as stated in Section 4 of Ordinance No. 149-16 in Board of Supervisors File No. 160632*, or as stated below. Description of the waivers below does not affect the other waiver provisions in Section 4 of Ordinance No. 149-16.*

Small Business Month Fee Waivers: No Planning Department fees shall apply to a Small Business Enterprise that applies for a permit for awning replacement, awning installation, or signs on awnings during the month of May. For purposes of this subsection (j)(3), a Small Business Enterprise shall be a business that has 100 or fewer employees. The Planning Department and the Department of Building Inspection shall establish a process by which those two departments will certify that an applicant is a Small Business Enterprise for the purpose of this subsection and Section 110A, Tables 1A-A and 1A-E of the Building Code. To the extent this provision for Small Business Month Fee Waivers differs from the description in subsection (f) on page 43 of Ordinance No. 149-16, this provision governs.

This ordinance therefore supersedes subsection (f) on page 43 of Ordinance No. 149-16.

Ordinance amending the Planning and Building Codes to codify the annual waiver of awning replacement fees and awning sign fees applied for during the month of May, to annually waive fees for new awning installations applied for during the month of May, and to indicate that the Planning Code and Building Code waivers pertaining to pedestrian street lighting as well as awning replacement, awning installation, and awning sign fees are keyed to permit application in May rather than permit issuance in May; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and making findings of public necessity, convenience, and welfare pursuant to Planning Code, Section 302.

Existing Law

May is Small Business Month in San Francisco. (See Administrative Code Section 2A.240(a)(7).)

Planning Code Section 350 authorizes the Planning Department to charge fees to compensate the Department for the cost of processing applications, developing and revising land use controls, and performing or providing other activities and services. Currently, such fees are contained in Ordinance No. 149-16.

Planning Code Section 350(j) provides for waivers or reductions of certain fees. Certain waivers are contained in Ordinance No. 149-16, which includes a waiver for permit fees for awning replacement and signs on awnings during the month of May for a Small Business Enterprise.

Building Code Section 110A contains the schedule of fees for building permits. Table 1A-A contains a fee waiver for awning replacements for a Small Business Enterprise during the month of May. Table 1A-E contains a fee waiver for pedestrian-level lighting permits for a Small Business Enterprise during the month of May.

Amendments to Current Law

This ordinance would amend Planning Code Section 350(j) to codify the existing planning fee waivers for Small Business Enterprises. It would also add a fee waiver for new installation of awnings during the month of May.

This ordinance would also amend Building Code Section 110A to add the building permit fee waiver for new installation of awnings during the month of May and make additional clarifying edits.

The ordinance also clarifies that the Planning Code and Building Code fee waivers applies to Small Business Enterprises that apply for such permits during the month of May.

The operative provisions of this ordinance shall be retroactive to May 1, 2023 should the effective date of the ordinance occur after May 1, 2023.

This ordinance also contains provisions that overlap with subsection (f) on page 43 of Ordinance No. 149-16. To the extent the provisions of this ordinance differ from those of Ordinance No. 149-16, the provisions of this ordinance govern.
