STIPULATION FOR ENTRY OF
JUDGMENT IN CONDEMNATION

1 IT IS HEREBY STIPULATED by and among Plaintiff City and County of San Francisco,
2 a municipal corporation (the "City"), and Defendant Carolyn Marie Garcia, Successor Trustee
3 of the Garcia Family Trust dated October 11, 1994 ("Garcia"), as follows:

4 1. **Property To Be Condemned.** The property condemned by the City in this
5 action is a portion of a larger parcel of property, approximately 15.84 acres in size, owned by
6 Stanley A. Garcia (Deceased) and Carolyn Marie Garcia, Trustees of the Garcia Family Trust
7 dated October 11, 1994, located at 6503 Calavaras Road, Sunol, California, APN: 096-0080-
8 004 (the "Garcia Parcel"). The property to be acquired by the City is identified as follows:

- 9 (a) A permanent soil nail easement ("Permanent Easement") as more particularly
10 described and depicted in Exhibit "A" attached to the Complaint in Eminent
11 Domain in this action; and
12 (b) A temporary construction easement, for a duration of fifty-one (51) months; over
13 a portion of the Larger Parcel, approximately 2.97 acres in size (the "TCE") as
14 more particularly described and depicted in Exhibit "B" attached to the Complaint
15 in Eminent Domain in this action.

16 The Permanent Easement and the TCE are sometimes collectively referred to herein as
17 the "Subject Property."

18 2. **Use of the Subject Property.** The Subject Property is being acquired by the
19 City to use for purposes of constructing the San Francisco Public Utilities Commission Water
20 System Improvement Program-Funded Project CUW35901, New Irvington Tunnel Project,
21 which will improve the regional water supply system (the "Project"): Pursuant to an Order For
22 Prejudgment Possession entered on August 4, 2010, the term of the TCE commenced on
23 September 6, 2010 ("Commencement Date") and shall expire on December 5, 2014 (the "TCE
24 Term"). During the TCE Term the City agrees to the following terms and conditions on the use
25 of the TCE:

- 26 (a) **Soil Management.** The City shall direct its contractor(s) to remove, store and
27 replace original topsoil of any excavation within the TCE, which topsoil shall be
28 stored in staging area "A" or "C" defined on drawing C-203 in the construction

1 plans published November 2009. Prior to its removal, said topsoil shall be
2 subjected to testing for standard construction contaminants, which tests shall
3 follow standard San Francisco Public Utilities Commission ("SFPUC") procedures
4 as identified in Section 01062, Article 3.10.H, Section 01111 and Section 02111
5 of the construction specifications published December 2009. Said procedures
6 shall likewise be followed for soil testing before the topsoil is returned to the TCE.
7 If requested, the results of said tests will be provided to Garcia. The TCE will not
8 be used for stockpiling or testing of excavated materials that the City or its
9 contractor(s) has reason to believe may contain hazardous substances. Any
10 asphalt or gravel used as surfacing material within the TCE will be removed and
11 hauled offsite before the native topsoil is returned to fill in the excavation at the
12 end of the TCE Term. In addition, the City shall, at its sole cost and expense,
13 remove and remediate any hazardous substances brought onto the TCE by the
14 City or its contractor(s) and restore the property to substantially the same
15 condition it was in at the commencement of the TCE Term

16 (b) Air Quality Monitoring. During excavation of the Alameda West Portal, the City or
17 its contractor(s) shall establish an air monitoring station for naturally occurring
18 asbestos on the Property as a component of the baseline air quality monitoring
19 presently conducted in the Sunol Valley by the City.

20 (c) Waterline. Upon completion of the Project, the City agrees to relocate and
21 replace the waterline serving the Larger Parcel with a 2" steel line, at a location
22 to be mutually agreed upon by the City and Garcia. The City's obligation to
23 undertake said work is conditioned upon Garcia granting the City such additional
24 rights of entry as may be required to complete said work. While replacing and
25 relocating said waterline, City agrees to provide a backup water storage tank,
26 capable of two days water supply, to be used as an emergency supply in the
27 event of any disruption in water service to the Garcia residence located on the
28 Garcia Parcel.

- 1 (d) Power. The City and its contractor(s) shall use commercially reasonable efforts
2 to ensure that there is no disruption of electrical power to the Garcia residence
3 on the Garcia Parcel during the TCE Term.
- 4 (e) Access. The City and its contractor(s) shall use commercially reasonable efforts
5 to ensure that access to the Garcia residence from Calaveras Road shall not be
6 materially interfered with at any time during the TCE Term.
- 7 (f) Right of First Offer. The City grants to Garcia a right of first offer to lease certain
8 real property as more fully set forth in the Right of First Offer Agreement between
9 the City and Garcia, executed concurrently herewith.

10 3. Indemnification

- 11 (a) General Indemnification. City, on behalf of itself and its successors and assigns,
12 shall indemnify Garcia and any successors in interest (collectively "Indemnitees")
13 from and against any and all claims by third parties incurred as a result of or
14 arising out of any: (i) accident, injury to or death of any person(s), including,
15 without limitation, agents and invitees of City, and (ii) loss of or damage to
16 property, including, without limitation, Garcia's home and out buildings on the
17 Garcia Parcel, occurring in, on or about the Garcia Parcel, to the extent caused
18 by the willful misconduct or negligent act of City, its agents, consultants or
19 contractors during the course of the construction or other work undertaken by
20 City on or about the Garcia Parcel, whether before, during or after the completion
21 of the Project, except to the extent such accident, injury, death, loss or damage is
22 caused by the negligence or willful misconduct of an Indemnitee or an
23 Indemnitee's agents, invitees, contractors or employees. The foregoing indemnity
24 shall include, without limitation, reasonable attorneys' fees, consultants and
25 experts and related costs as well as court costs and Garcia's costs of
26 investigating any loss. City specifically acknowledges and agrees that it has an
27 immediate and independent obligation to defend Garcia from any claim which
28 actually or potentially falls within this indemnity provision even if such allegation

1 is or may prove to be groundless, fraudulent or false, which obligation arises at
2 the time such claim is tendered to City by Garcia and continues at all times
3 thereafter. City's obligations under this section shall survive the expiration or
4 sooner termination of this Agreement.

- 5 (b) Hazardous Materials Indemnity. If City or any of its agents, including, but not
6 limited to contractors, engineers, architects, or sub-contractors, introduces any
7 hazardous material in, on, under or about the Garcia Parcel, without limiting
8 City's general indemnity contained in Section 3 (a), above, City, on behalf of itself
9 and successors and assigns, shall indemnify Garcia from and against all
10 Hazardous Materials Claims arising during or after the completion of the Project
11 to the extent arising out of such introduction of hazardous material. The term
12 "Hazardous Materials Claims" shall mean all costs associated with the
13 investigation and remediation of hazardous material and with the restoration of
14 the Garcia Parcel to its prior condition including, without limitation, any fines
15 and/or penalties imposed by regulatory agencies, third parties, natural resource
16 damages and losses, and revegetation of the Garcia Parcel. This indemnity shall
17 not extend to Hazardous Materials Claims arising from the presence of any
18 Hazardous Materials on the Garcia Parcel as of the Commencement Date,
19 unless City's handling, excavation, relocation, investigation, disposal or other
20 exercise of control over the Subject Property exacerbates hazardous materials
21 already present on the Garcia Parcel as of the Commencement Date which
22 results in Garcia incurring new or additional hazardous materials Claims that
23 Garcia would not otherwise have incurred in the absence of City's activities, in
24 which case City shall pay for and defend and indemnify Garcia from and against
25 such additional Hazardous Materials Claims only to the extent of such new or
26 additional Hazardous Materials Claims. "Exacerbates" means an act that causes
27 the increased migration of a plume of hazardous materials in sediments,
28 groundwater, or surface water or causes a release of hazardous materials that

1 had been contained until that act. City shall not be responsible or indemnify
2 Indemnitees for its mere discovery or reporting of hazardous materials which are
3 present on the Garcia Parcel as of the Commencement Date. City's obligations
4 under this section shall survive the expiration or sooner termination of this
5 stipulation. Notwithstanding the foregoing, this indemnification obligation shall
6 not apply to any release or environmental damage to the extent caused by the
7 negligence or willful misconduct of Garcia and/or her agents, invitees or assigns.

- 8 (c) In any action or proceeding brought against any Indemnitee by reason of any
9 claim indemnified by City hereunder, City shall have the right to control the
10 defense and to determine the settlement or compromise of any action or
11 proceeding, provided that Garcia shall have the right to participate in the defense
12 of any such claim at her sole cost.

13 4. **Amount of Compensation.** The parties hereto agree that Garcia shall be
14 entitled to the sum of One Hundred and Ninety-One Thousand Dollars (\$191,000) as Total
15 Compensation (as that term is defined below) for the taking hereunder and for all of the
16 damages and claims for damages herein specified. The "Total Compensation" shall be the
17 total and full amount of compensation to which Garcia is entitled for any claims by reason of
18 the taking hereunder including, without limitation, those for the fair market value of the Subject
19 Property, loss of goodwill, loss of income, profits or rents, relocation benefits, precondemnation
20 damages, severance damages of all and any kind and any and all other claims for damages,
21 attorneys' fees, litigation expenses, interest, costs and recoverable costs of suit.

22 5. **Judgment and Final Order of Condemnation.** Based on the settlement and
23 compromise described above, and pursuant to this stipulation, the Court may immediately
24 make and enter a Judgment of Condemnation in the form set forth in Exhibit A. Upon receipt
25 of the Total Compensation, as hereinabove defined, counsel for Garcia shall sign, approving
26 as to form, a Final Order of Condemnation in the form set forth in Exhibit B.

1 6. **Counterparts.** This Stipulation may be executed in counterparts, each of which
2 shall be deemed an original, but which together shall be deemed one entire stipulation and
3 agreement.

4 7. **Headings.** The descriptive headings of this stipulation are for convenience only,
5 and shall not control or affect the meaning or construction of any of the provisions hereof.

6 8. **Construction.** The parties hereto acknowledge that each party and his, her or
7 its counsel have reviewed this stipulation and that the normal rule of construction to the effect
8 that any ambiguities are to be resolved against the drafting party is inapplicable and shall not
9 be employed in the interpretation of this stipulation. This stipulation shall be interpreted under
10 the laws of the State of California.

11 9. **Complete Agreement.** The parties agree that this is the full and entire
12 agreement between them, that it supersedes any prior or contemporaneous written or oral
13 agreements, promises, or representations, and that it may be amended only by a writing
14 executed by each of the parties hereto.

15 10. **Survival of Stipulation.** The provisions of this stipulation shall survive the Entry
16 of Judgment of Condemnation and the final Order of Condemnation.
