I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors

Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.

I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.

I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.

I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.

Dear Supervisors,

As your constituents, my family and I are urging you to reform our City's 'sanctuary' policies to make it clear that all criminals selling fentanyl are reported to federal immigration authorities for deportation immediately upon their arrest. Thousands of San Franciscans have been murdered by fentanyl dealers; please save us now.

Sincerely,
Herbert

Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.

I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. Message to the Board of Supervisors All,

Please end the policy of not turning over undocumented / illegal alien drug dealers to ICE for processing and deportation-- this is ridiculous. SF is overrun by drug use and every bit helps.

An even better idea is to prosecute drug users and put them in county jail for several weeks (or months, depending on their recidivism) per conviction and not treat them as helpless children, but every bit helps.

I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.

10 out of 11 Board of Supes want the nonsense sanctuary law to remain while Americans are dying on our streets? I expected more from usually moderate and common sense Stefani and Engardio.

Time to deport. We do NOT need (more) criminals in SF or anywhere in the USA.

Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.

I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists.
