All Shelter Per-Capita

All Emergency Shelter, Safe Havens, and Transitional Housing Units and/or Beds per 10k general population HUD 2022 Housing Inventory Counts US Census Bureau population estimates *Includes more than one CoC

Costs of widespread unsheltered homelessness

- Chronic disease
- Infectious disease
- Accidental death
- Homicide \bullet
- Suicide

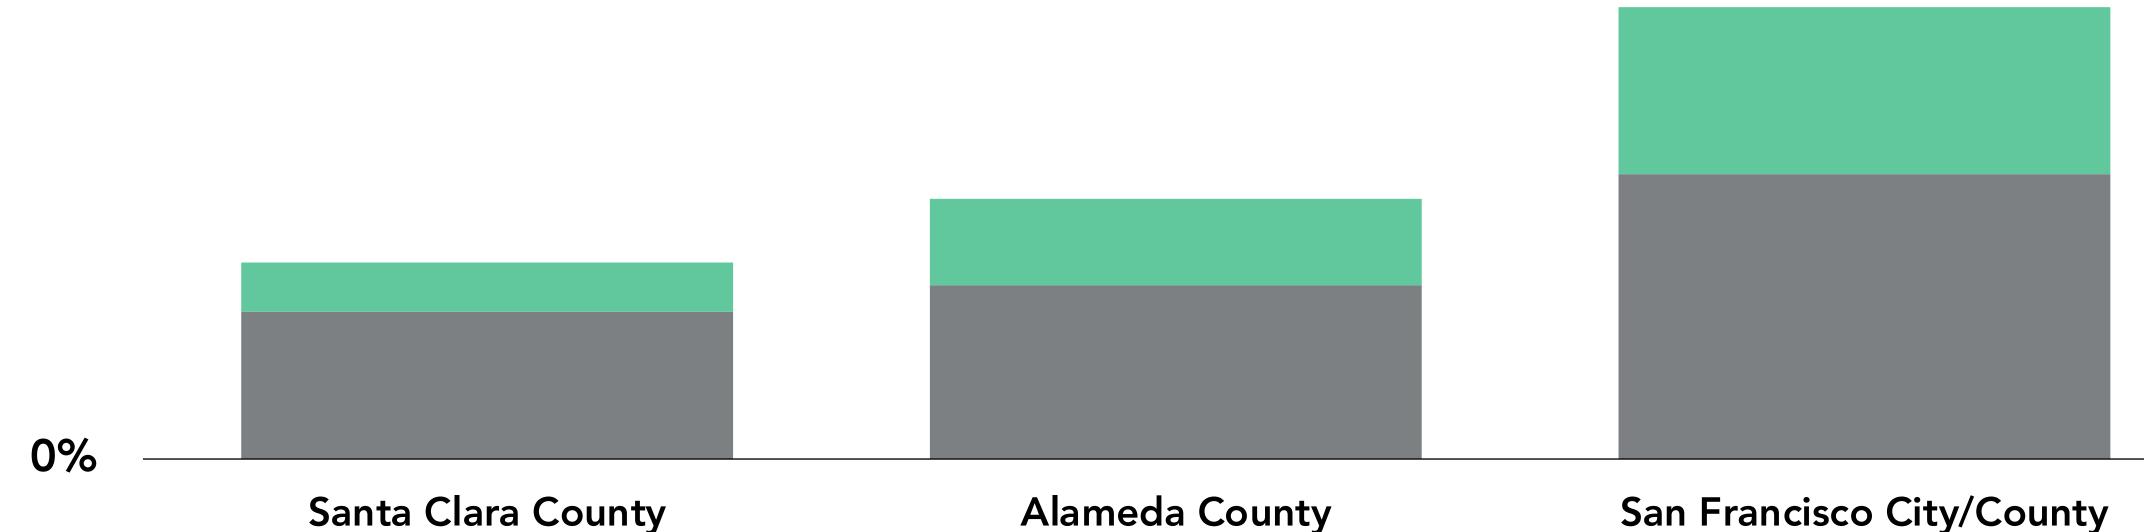

Place of residence at onset of homelessness

Lived in county <1 year prior to becoming homeless</p>

Became homeless elsewhere

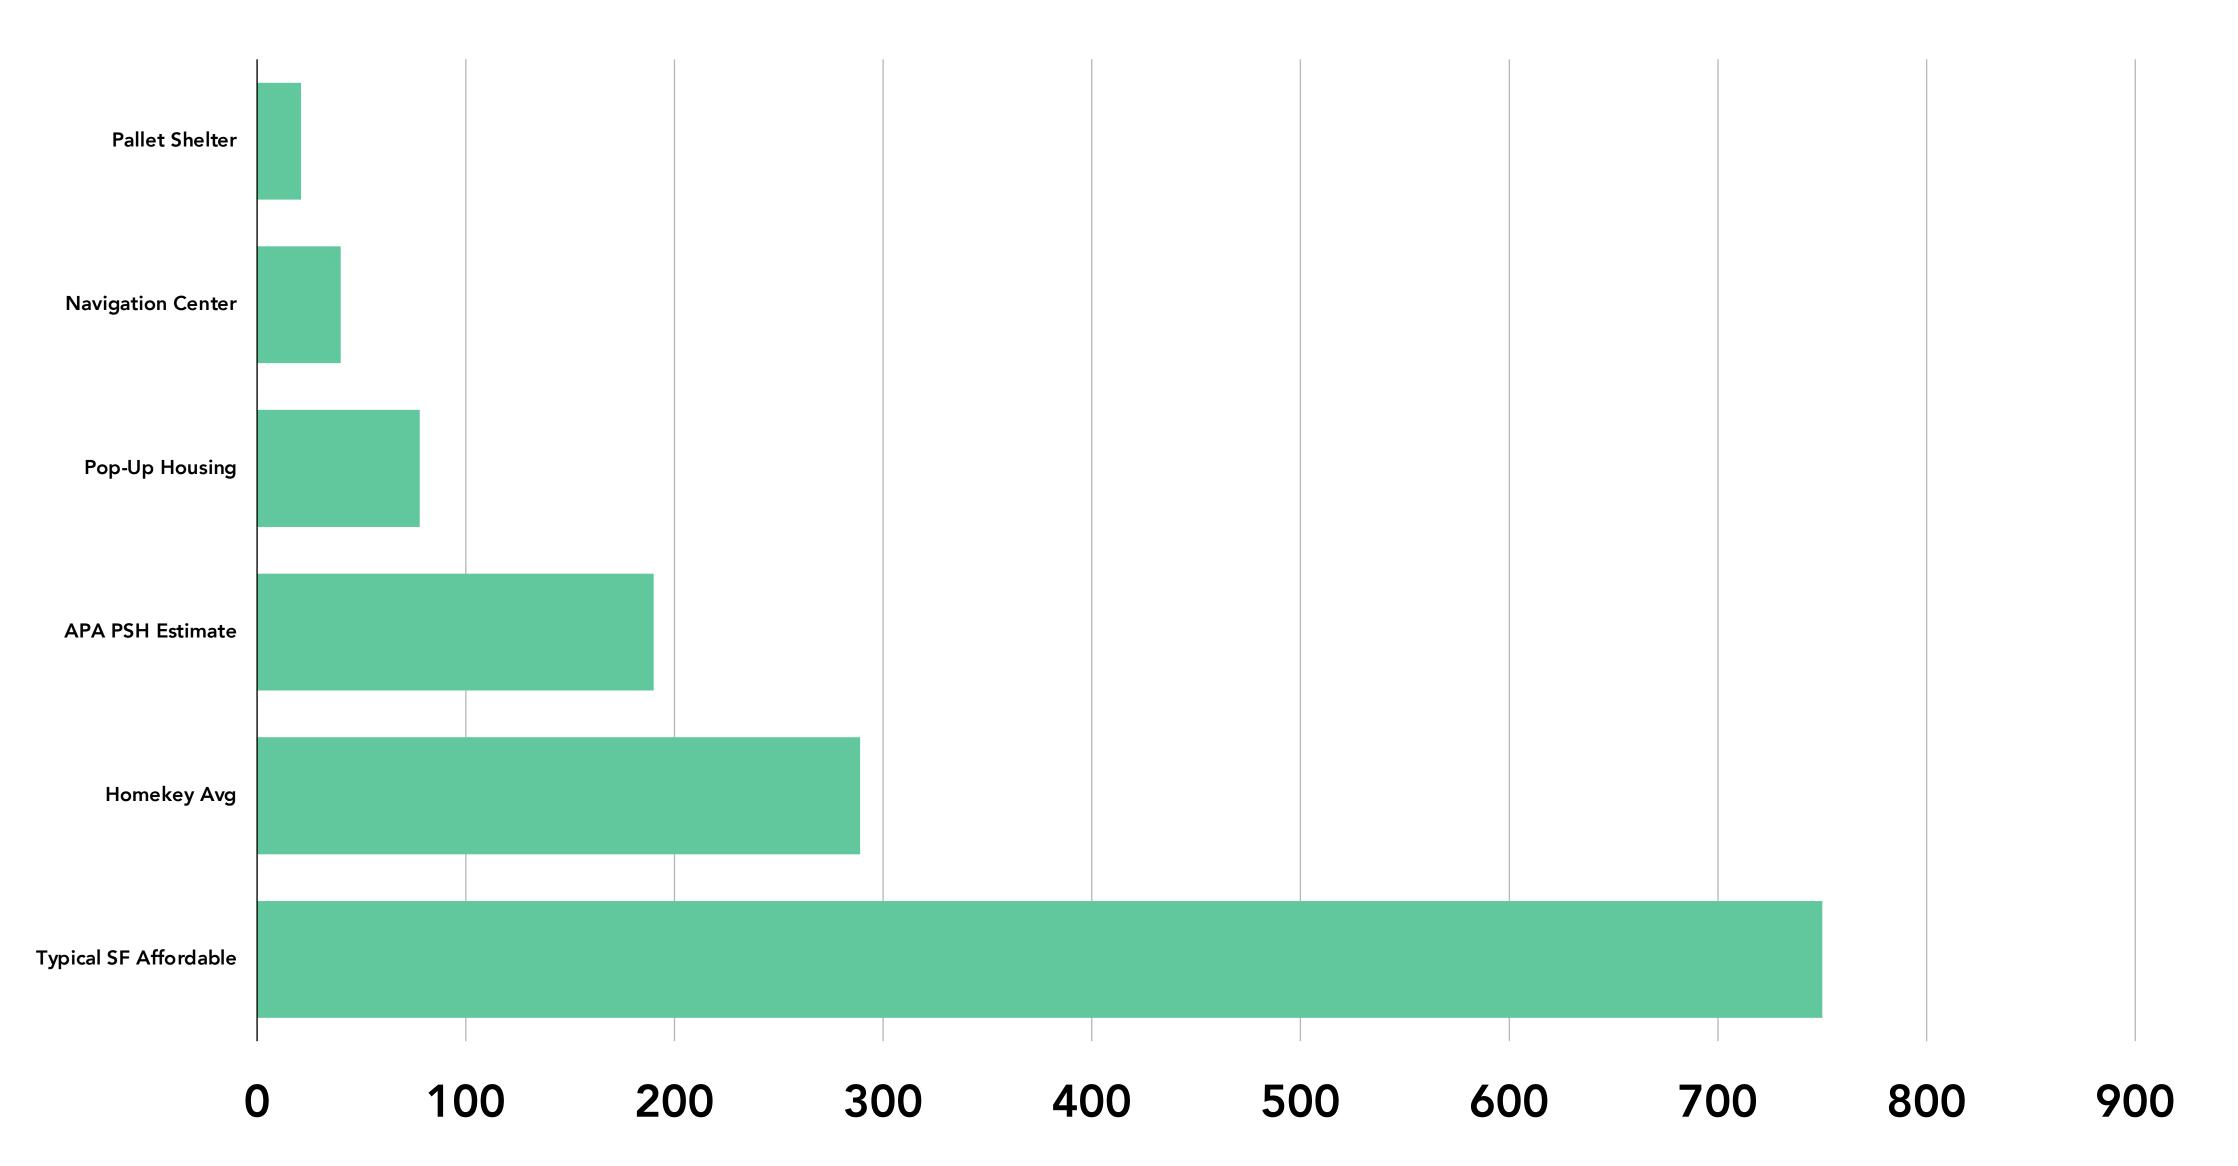

All Emergency Shelter, Safe Havens, and Transitional Housing Units and/or Beds per 10k general population HUD 2022 Housing Inventory Counts US Census Bureau population estimates *Includes more than one CoC

Alameda County

San Francisco City/County

Capital cost per unit of intervention

Conclusions

- Saving lives should be top priority
- Prioritize current deficiencies (shelter)
- Reduce costs
- Strategy for reducing intra-regional inflow
