Be it ordained by the People of the City and County of San Francisco:

Section 1. Land Use and Environmental Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of

Supervisors in File No. ___ and is incorporated herein by reference. The Board affirms this determination.

(b) On _____, the Planning Commission, in Resolution No. _____, adopted findings that the actions contemplated in this ordinance are consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of Supervisors in File No. _____, and is incorporated herein by reference.

(c) Pursuant to Planning Code Section 302, the Board finds that this Planning Code amendment will serve the public necessity, convenience, and welfare for the reasons set forth in Planning Commission Resolution No. _____, and the Board incorporates such reasons herein by reference. A copy of said resolution is on file with the Clerk of the Board of Supervisors in File No. _____.

Section 2. Background and Findings.

(a) Annually, May is Small Business Month, during which the Board of Supervisors recognizes the importance of small businesses in San Francisco. As part of this recognition, each year during Small Business Month, there are waivers of various local permit fees that have acted as a bar for many small businesses to improve their building facades and store fronts. Fee waivers include fees for the replacement of awnings, signs on awnings, and installation of pedestrian level lighting. These existing fee waivers are contained in an uncodified Section 4 of Ordinance No. 149-16 in Board of Supervisors File No. 160632 and in Tables 1A-A and 1A-E of the Building Code. This ordinance would codify the existing awning fee waivers, and, in addition, expand fee waivers to include the installation of new awnings, waive plan review and inspection fees of the aforementioned awning and lighting permits

under the Fire Code, and key the Planning, Building, and Fire Code fee waivers to application for the permit in May rather than issuance of the permit in May.

(b) On _____, at a duly noticed public hearing, the Building Inspection Commission considered this ordinance in accordance with Charter Section D3.750-5 and Building Code Section 104A.2.11.1.1. A copy of a letter from the Building Inspection Commission regarding the Commission's recommendation is on file with the Clerk of the Board of Supervisors in File No. _____.

(c) No local findings are required under California Health and Safety Code Section 17958.7 because the amendments to the Building Code contained in this ordinance do not regulate materials or manner of construction or repair, and instead relate in their entirety to administrative procedures for implementing the code, which are expressly excluded from the definition of a "building standard" by California Health and Safety Code Section 18909(c).

Section 3. Article 3.5 of the Planning Code is hereby amended by revising Section 350, to read as follows:

SEC. 350. FEES.

* * * *

(j) **Deferred or Reduced Fee; Fee Waivers.**

(1) Any fraternal, charitable, benevolent, or any other nonprofit organization, that is exempt from taxation under the Internal Revenue laws of the United States and the Revenue and Taxation Code of the State of California as a bona fide fraternal, charitable, benevolent, or other nonprofit organization, or public entity, that submits an application for the development of residential units all of which are affordable to low and moderate income households, as defined by the United States Housing and Urban Development Department,

for a time period that is consistent with the policy of the Mayor's Office of Housing and Community Development and the Successor to the San Francisco Redevelopment Agency, may defer payment of the fees except those for discretionary review and appeals to the Board of Supervisors until (A) before final Planning Department approval of the building permit, preparatory to issuance of the building permit, before the building permit is released to the applicant, or (B) within one year of the date of action on the application, whichever comes first. This ~~*exemption*~~ *deferral provision* shall apply notwithstanding the inclusion in the development of other nonprofit ancillary or accessory uses. Should the project be withdrawn prior to final Planning approval, the applicant shall pay time and material costs pursuant to Section 350(g).

(2) An exemption from paying the full fees specified for discretionary review or appeals to the Board of Supervisors may be granted when the requestor's income is not enough to pay for the fee without affecting ~~*his or her abilities*~~ *their ability* to pay for the necessities of life, provided that the*y* ~~*person seeking the exemption*~~ demonstrate~~s~~ to the Planning Director or ~~*his/her*~~ *the Director's* designee that ~~*he or she*~~*they* would be substantially affected by the proposed project.

(3) Certain of the fees charged in accordance with subsections (b) and (c) are subject in some circumstances to waiver, as stated in Section 4 of Ordinance No. 149-16 in Board of Supervisors File No. 160632*, or as stated below. Description of the waivers below does not affect the other waiver provisions in Section 4 of Ordinance No. 149-16.*

Small Business Month Fee Waivers: No Planning Department fees shall apply to a Small Business that applies for a permit for awning replacement, awning installation, or signs on awnings during the month of May. For purposes of this subsection (j)(3), a Small Business shall be a business with a total workforce of 100 or fewer fulltime employees. To the extent this provision for Small

Business Month Fee Waivers differs from the description in subsection (f) on page 43 of Ordinance No. 149-16, this provision governs.

Section 5. Chapter 107 of the San Francisco Fire Code is hereby amended by revising Section 107.17, to read as follows:

107.17. ~~***Reserved.***~~ ***[FOR SF] Small Business Month Fee Waivers.***

Notwithstanding the fees established herein, all plan review and inspection fees related to reviewing the structural integrity of awning replacements, awning installations, and installation of pedestrian level lighting for permits submitted "over the counter" at the Central Permit Bureau are hereby waived for any Small Business that applies for a permit for such activities during the month of May. For purposes of this Section, a Small Business shall be a business with a total workforce of 100 or fewer fulltime employees.

Section 6. Effective Date; Retroactivity.

(a) This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

(b) The Board of Supervisors intends that this ordinance be operative during the entirety of May 2023, which is Small Business Month. To effectuate this intent, the operative provisions of this ordinance shall be retroactive to May 1, 2023 should the effective date of the ordinance occur after May 1, 2023. If any fees that are waived by this ordinance have been collected prior to its effective date, said fees shall be promptly refunded on or after the effective date of the ordinance.

Section 7. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions, deletions, Board amendment additions, and Board amendment deletions in accordance with the "Note" that appears under the official title of the ordinance.

Section 8. Effect of Ordinance on Ordinance No. 149-16; Directions to Clerk of the Board of Supervisors.

Existing Law

May is Small Business Month in San Francisco. (See Administrative Code Section 2A.240(a)(7).)

Currently, such fees are contained in Ordinance No. 149-16.

Planning Code Section 350(j) provides for waivers or reductions of certain fees. Certain waivers are contained in Ordinance No. 149-16, which includes a waiver for permit fees for awning replacement and signs on awnings during the month of May for a Small Business Enterprise.

Building Code Section 110A contains the schedule of fees for building permits. Table 1A-A contains a fee waiver for awning replacements for a Small Business Enterprise during the month of May. Table 1A-E contains a fee waiver for pedestrian-level lighting permits for a Small Business Enterprise during the month of May.

Fire Code Section 107 contains the schedule of fees for plan review and inspection. Table 107-B contains the fee schedule for plan review. Table 107-C contains the schedule of fees for field inspections.

Amendments to Current Law

This ordinance would amend Planning Code Section 350(j) to codify the existing planning fee waivers for Small Businesses. It would also add a fee waiver for new installation of awnings during the month of May.

This ordinance would also amend Building Code Section 110A to add the building permit fee waiver for new installation of awnings for Small Businesses during the month of May and make additional clarifying edits.

This ordinance would amend Section 107 of the Fire Code to add a waiver of plan review and inspection fees for awning replacements, awning installations, and installation of pedestrian level lighting for Small Businesses during the month of May.

This ordinance also clarifies that the fee waivers are available to Small Businesses that apply for a permit during the month of May. The ordinance defines a “Small Business” as one with a total workforce of 100 or fewer fulltime employees.

The operative provisions of this ordinance shall be retroactive to May 1, 2023 should the effective date of the ordinance occur after May 1, 2023.

This ordinance also contains provisions that overlap with subsection (f) on page 43 of Ordinance No. 149-16. To the extent the provisions of this ordinance differ from those of Ordinance No. 149-16, the provisions of this ordinance govern.
