1 [Condemning Texas State Senate Bill No. 147 (Kolkhorst) - Banning the Purchase of Real
2 Property by Immigrants]

3 **Resolution condemning Texas State Senate Bill No. 147 that prohibits immigrants from**
4 **owning Texas real estate.**

5
6 WHEREAS, Texas State Senator Lois Kolkhorst introduced State Senate Bill 147 (SB
7 147) which as currently proposed, will prohibit, among other things, citizens of China, Iran,
8 North Korea, or Russia from owning real property located in the State of Texas; and

9 WHEREAS, SB 147, perhaps disguised as necessary for national security, is a racist
10 proposal that serves no legitimate state purpose; and

11 WHEREAS, SB 147 is at its core an Alien Land Law, which was deeply rooted in our dark
12 and ugly history of targeting and banning Asian Americans from owning real estate in
13 Washington, Oregon, and California, serving only to institutionalize racism and discriminatory
14 practices; and

15 WHEREAS, We have since then learned from this racist past and overturned Alien
16 Land Laws, including in California, when in 1952 the California Supreme Court ruled that
17 California's 1920 Alien Land Law violated the equal protection clause of the 14th Amendment;
18 and

19 WHEREAS, Alien Land Laws and other exclusionary policies have a harmful and
20 dehumanizing effect on immigrants, their families, and their communities and the
21 repercussions are still felt today; and

22 WHEREAS, Two similar Texas State Senate Bills 552 and 711 have been introduced,
23 and have the same effects of prohibiting "aliens and citizens" of China, Iran, North Korea, and
24 Russia from entering into a contract for agricultural land and acquiring title to real property;
25 and

1 WHEREAS, SB 147 prevents Asian and other immigrants from establishing roots in the
2 state, making investments in their communities, and pursuing the American Dream; and

3 WHEREAS, SB 147 will create unnecessary and undue burdens and expenses on
4 financial institutions, title insurance companies, professionals, and the real estate industry;
5 and

6 WHEREAS, Alien Land Laws like SB 147 violate the Equal Protection Clause of the
7 United States Constitution and the Civil Rights Act; and

8 WHEREAS, there is broad community opposition to SB 147 including the Asian
9 American Bar Association of Houston (AABA Houston), the Austin Asian American Bar
10 Association (Austin AABA), and the Dallas Asian American Bar Association (DAABA), and the
11 National Asian Pacific American Bar Association (NAPABA); now, therefore, be it

12 RESOLVED, That the Board of Supervisors of the City and County of San Francisco
13 condemns SB 147 as a racist, unconstitutional measure and urges the Texas State
14 Legislature to withdraw SB 147; and, be it

15 FURTHER RESOLVED, That the Board of Supervisors of the City and County of San
16 Francisco hereby directs the Clerk of the Board to transmit a copy of this Resolution to the
17 Texas State Senate and the Texas State Assembly as well as the Bill's primary sponsor; and,
18 be it

19 FURTHER RESOLVED, That the Board of Supervisors of the City and County of San
20 Francisco hereby directs the Clerk of the Board to transmit a copy of this Resolution to the
21 Governor of the State of California to send to the Governor of Texas.

Re: Support for San Francisco Board of Supervisors Resolution "Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate"

Dear Supervisor Chan,

The YMCA of San Francisco strongly supports the San Francisco Board of Supervisors Resolution Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate.

This bill is based solely on xenophobia without any legislative finding or reliable evidence of any threat of immigrants owning Texas real estate. Texas has no legitimate state interest in denying immigrants the opportunity to own Texas real estate. It has been long established that alien land laws are unconstitutional and serve only to exclude and deny opportunities to immigrants and communities of color. We must stop repeating racist history and reject this Texas bill.

We join the many community organizations and bar associations in condemning these resolutions and request the San Francisco Board of Supervisors Resolution "Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate."

Dear Supervisor Chan,

The Jewish Community Relations Council of the Bay Area strongly supports San Francisco Board of Supervisors Resolution Condemning Texas State Bill No. 147 prohibiting citizens of China, Russia, North Korea and Iran from owning Texas real estate.

In the first half of the 1900s the Jewish community experienced racial covenants in communities across the United States and were unable to buy homes in certain neighborhoods. We know the negative consequences these sorts of laws can have on individuals, families and communities.

Additionally, this bill appears to be based solely on xenophobia, without any legislative finding or reliable evidence of threats due to immigrants owning Texas real estate. Texas has no legitimate state interest in denying immigrants the opportunity to own Texas real estate. It has been long established that alien land laws are unconstitutional and serve only to exclude and deny opportunities to immigrants and communities of color. Re: Resolution Condemning Texas State Senate Bill No. 147-Banning the Purchase of Real Property by Immigrants

Dear Supervisor Chan:

The Japanese Cultural and Community Center of Northern California strongly oppose Texas State Senate Bill No. 147.

This proposed measure is an ugly reoccurrence of an archaic and moribund piece of legislation that our country confirmed should be abolished as it discriminated against targeted ethnic communities.

Over 110 years later, there is an attempt to again deny certain individuals the right to acquire title to purchase land. Many of the individuals who will be affected by this legislation probably have no or very little affiliation of what is happening with diplomatic relations with the United States. Yet, the legislation punishes and blanketly assumes that any person immigrating from the identified countries named in the legislation are unworthy of holding land by their birth affiliation.

This simply makes no sense and is against any and all of the principles of this country that prides itself on the strength and contributions of individuals representing all corners of the globe.

We as descendants of parents, grandparents and great grandparents of those who were not able to own land because of their ethnic heritage clearly understand the serious repercussions of such a blatantly racist proposal and stand in solidarity with you to officially oppose any further discussion on this measure.

Thank you for bringing this to our attention.

Sincerely,

Paul Osaki

Re: Support for San Francisco Board of Supervisors Resolution “Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate”

Dear Supervisor Chan,

APA Justice Task Force strongly supports San Francisco Board of Supervisors Resolution Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate.

At least 9 discriminatory land ownership bills have been introduced in the 88th legislative session in Texas and similar bills have also been introduced in other states around the country. However, Texas State Bill No. 147 is the first one to triggered heated debate as evidenced by the hearing of two of these bills at the Texas Senate State Affairs Committee on the Texas Independence Day, March 2, 2023. During the hearing, 129 out of the 139 people testified at the hearing were against these bills. Texas State Bill No. 147 is now becoming a symbol and watched by people nationwide.

This bill is based solely on xenophobia without any legislative finding or reliable evidence of any threat of immigrants owning Texas real estate. It has been long established that alien land laws are unconstitutional and serve only to exclude and deny opportunities to immigrants and communities of color. We must stop repeating racist history and reject this Texas bill.

Resolution Against Texas' Senate Bill 147

The San Francisco Labor Council strongly condemns and opposes passage of Texas' Senate Bill 147, which if enacted would ban citizens of China, Russia, North Korea, and Iran from buying property or real estate in Texas. At least 11 other states are considering similar legislation. The ultra-conservative American Legislative Council is supporting and raising money to pass these bills as a "model policy" justified on the grounds of U.S. national security.

Whereas, support for these racist and xenophobic bills is based on the four countries being designated as enemies of the United States; and

Whereas, we are a nation of laws and SB147 would violate the equal protection and due process protections of the Constitution; and

Whereas, passing SB147 and similar legislation would offend our basic principles of morality, racial, and economic justice; and

Whereas, these racist, xenophobic, and unconstitutional bills would be a shameful revival of the darkest, ugliest, and most hateful periods of our past,

Therefore Be It Resolved, that the San Francisco Labor Council demands that members of the Texas Senate condemn and reject SB147; and

Therefore Be It Finally Resolved, that the San Francisco Labor Council forward this resolution to the California Labor Federation and to the AFL-CIO for concurrence and appropriate action.

Adopted unanimously by the San Francisco Labor Council on March 13, 2023.

Re: Support for San Francisco Board of Supervisors Resolution "Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate"

Dear Supervisor Chan,

On behalf of the Japanese Community Youth Council, we would like to express our strong support for the San Francisco Board of Supervisors Resolution Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate.

This bill is based solely on xenophobia without any legislative finding or reliable evidence of any threat of immigrants owning Texas real estate. Tragically, this parallels the same pattern of racism that led to incarceration of nearly 120,000 Japanese Americans during WWII.

Texas has no legitimate state interest in denying immigrants the opportunity to own Texas real estate. It has been long established that alien land laws are unconstitutional and serve only to exclude and deny opportunities to immigrants and communities of color. We must stop repeating the racist history of America and reject this Texas bill and other attempts to scapegoat innocent immigrants.

We join our fellow community organizations and bar associations in condemning these resolutions and urge the San Francisco Board of Supervisors to pass this resolution "Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate."

Re: Support for San Francisco Board of Supervisors Resolution "Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate"

Dear Supervisor Chan,

Chinese Culture Center of San Francisco strongly supports San Francisco Board of Supervisors Resolution Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate.

This bill is based solely on xenophobia without any legislative finding or reliable evidence of any threat of immigrants owning Texas real estate. Texas has no legitimate state interest in denying immigrants the opportunity to own Texas real estate. It has been long established that alien land laws are unconstitutional and serve only to exclude and deny opportunities to immigrants and communities of color. We must stop repeating racist history and reject this Texas bill.

We join the many community organizations and bar associations in condemning these resolutions and request the San Francisco Board of Supervisors Resolution "Condemning Texas State Bill No. 147 prohibiting immigrants from owning Texas real estate."

Very Truly Yours,

Chinese Culture Center of San Francisco
