Re: Liquor License "PCN" Request
Original Type #90 - 646379

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's PSNS Subcommittee calendar for Public Convenience and Necessity review for our Type 90 ABC license.

Our business, The Independent, proves to be necessary in San Francisco, as an integral part of the live music scene since 2005. We have been operating with the Dept. of ABC's Type 48 license intended for a bar. This has prohibited minors from being able to attend our performances.

With the new Type 90 Music Venue license now available, we would like to pursue this new license as it better conforms with our operations and allows us to cater to all ages without requiring us to operate as a restaurant.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of San Francisco.

Please include our ABC representative, Jemma Jorel Lester, on correspondence scheduling our hearing date. She can be reached via email at jemma@properpourco.com. Thank you for your kind consideration of this request.

Sincerely,

The Independent, LLC
