AMENDED AND RESTATED LOAN AGREEMENT

(City and County of San Francisco Affordable Housing Bond Program, Affordable Housing Fund Inclusionary, HOME Program) (500 Turk)

THIS AMENDED AND RESTATED LOAN AGREEMENT ("Agreement") is entered into as of <u>January 17, 2020</u>, by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation (the "City"), represented by the Mayor, acting by and through the Mayor's Office of Housing and Community Development ("MOHCD"), and TURK 500 ASSOCIATES, L.P. ("Borrower").

RECITALS

A. The City is authorized under a HOME Investment Partnership Agreement with the United States Department of Housing and Urban Development ("HUD"), executed pursuant to Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990 (42 U.S.C. §§ 12701 *et seq.* and 24 CFR §§ 92) to distribute HOME Investment Partnership Program ("HOME") funds under this Agreement (the "HOME Funds") for the specific and special purpose of increasing the housing stock in the City for low- and very low-income persons.

B. On November 3, 2015, the voters of the City and County of San Francisco approved Proposition A (Ordinance 121-15), which provided for the issuance of up to \$310 million in general obligation bonds to finance the construction, acquisition, improvement, rehabilitation, preservation and repair of certain affordable housing improvements (the "2015 GO Bond"). The City is authorized to provide funds from the proceeds of the 2015 GO Bond to Borrower under this Agreement for the development of affordable housing.

C. Under the Inclusionary Affordable Housing Program set forth in Sections 415.1 *et seq.* of the San Francisco Planning Code, the Citywide Affordable Housing Fund receives in-lieu Affordable Housing Fees ("Inclusionary Fees") paid by housing developers to satisfy requirements of the Inclusionary Affordable Housing Program. Under the Jobs-Housing Linkage Program set forth in Sections 413.1 *et seq.* of the San Francisco Planning Code, the Citywide Affordable Housing Fund receives in-lieu fees ("Jobs-Housing Fees") paid by developers to satisfy requirements of the Jobs-Housing Linkage Program. The City may use the Inclusionary Fees and Jobs-Housing Fees received by the Citywide Affordable Housing Fund (the "Housing Fund," and together with the 2015 GO Bond and HOME Funds, shall be collectively referred to herein as the "Funds") to finance housing affordable to qualifying households. MOHCD administers the Housing Funds pursuant to Section 10.100-49 of the San Francisco Administrative Code and enforces agreements relating to them.

D. Borrower intends to acquire a leasehold interest in the real property located at <u>500</u> <u>Turk Street</u>, also known as 555 Larkin/500-520 Turk Street, San Francisco, California (the "Land") under a Ground Lease dated <u>January 30, 2020</u>, by and between Borrower and the City and County of San Francisco ("Ground Lessor"). Borrower desires to use the Funds to construct 108-units of affordable housing for low and very low income households, including 27 units that will have rental subsidies under a contract with the San Francisco Housing Authority (plus one manager's unit) (the "Residential Project") and a ground floor commercial warm shell with a total of approximately 2,380 square feet for one or two (1 or 2) commercial spaces (the "Commercial Space") which will be known as 500 Turk Street (the "Project"). E. The City previously loaned Three Million and No/100 Dollars (\$3,000,000.00) (the "Original Loan") to Borrower to conduct predevelopment activities and acquire 500 Turk Street (the "Site") on which the Borrower will construct a multifamily rental housing development known as 500 Turk Street (the "Project"). The Loan is evidenced by the following documents each dated as of March 10, 2017: (1) a Loan Agreement (City and County of San Francisco Affordable Housing Bond Program) (the "Original Agreement"); (2) a Secured Promissory Note made by Borrower in an amount of the Original Loan to the order of the City (the "Original Note"); (3) a Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing recorded on March 27, 2017 as Serial Number 2017-K425170 of Official Records (the "Original Deed of Trust"); and 4) a Declaration of Restrictions recorded on March 23, 2017 as Serial Number 2017-K425171 of Official Records (the "Original Declaration").

F. To complete additional predevelopment activities and refinance the Enterprise Community Loan Fund mortgage used to purchase the Land in 2016, the City provided an additional loan of Seventeen Million Four Hundred Seventy-Four Thousand Seven Hundred Thirty-One and No / 100 Dollars (\$17,474,731.00) (the "First Additional Loan") to Borrower. Substantially concurrently herewith, Borrower received a credit of \$12,250,000 ("Purchase Credit") under the First Amended Note in consideration of the City's acquisition of the Property from Borrower.

The City has reviewed Borrower's application for Funds and, in reliance on the G. accuracy of the statements in that application, has agreed to make a second additional loan of Funds to Borrower in the amount of Eleven Million Three Hundred Fifty Four Thousand Two Hundred Sixty Nine and No/100 Dollars (\$11,354,269.00) (the "Second Additional Loan") to fund completion of predevelopment activities and construction activities, including permanent financing, related to the Project, such that the Original Loan together with the First Additional Loan, less the Purchase Credit, is increased to a total loan amount equal to Nineteen Million Five Hundred Thousand Seventy Nine No/100 Dollars (\$19,579,000.00) (the "Funding Amount") under this Agreement. No listing of specific instances, items or examples in any way limits the scope or generality of any language in this Agreement. References to days, months and years mean calendar days, months and years unless otherwise specified. References to a party mean the named party and its successors and assigns.

(b) Headings are for convenience only and do not define or limit any terms. References to a specific City Document or other document or exhibit mean the document, together with all exhibits and schedules, as supplemented, modified, amended or extended from time to time in accordance with this Agreement. References to Articles, Sections and Exhibits refer to this Agreement unless otherwise stated.

(c) Accounting terms and financial covenants will be determined, and financial information must be prepared, in compliance with GAAP as in effect on the date of performance. References to any Law, specifically or generally, will mean the Law as amended, supplemented or superseded from time to time.

(d) The terms and conditions of this Agreement and the other City Documents are the result of arms'-length negotiations between and among sophisticated parties who were represented by counsel, and the rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not apply to the construction and interpretation of the City Documents. The language of this Agreement must be construed as a whole according to its fair meaning.

1.3 <u>Contracting Manual.</u> Borrower shall use the Contracting Manual as a guide to Borrower's responsibilities under Laws and regulations regarding soliciting, awarding and administering contracts associated with projects assisted by Federal Funds and some City funds. In the event of a conflict between the terms of the Contracting Manual and this Agreement, the terms of the Agreement shall prevail.

ARTICLE 2 FUNDING.

2.1 <u>Funding Amount</u>. The City agrees to lend to Borrower a maximum principal amount equal to the Funding Amount in order to finance demolition of existing improvements on the Site to construct 107 units of affordable housing for low and very low income households (plus one manager's unit), including 27 units that will have rental subsidies under the HAP and the Commercial Spaces. The Funding Amount will be disbursed according to the terms and subject to the conditions set forth in this Agreement. Borrower and Lender hereby acknowledge that, at the time of the execution of the Loan Documents, it was intended by the parties that, subject to the consent of the MOHCD, the principal amount of the Loan might be adjusted to the extent necessary to meet the Borrower's pre-construction and construction financing needs. Pursuant to that understanding, the parties agree that the principal amount of the Loan may be increased to the Funding Amount, such increased principal amount to be reflected in the Note and Deed of Trust.

2.2 <u>Use of Funds</u>. Borrower acknowledges that the City's agreement to make the Loan is based in part on Borrower's agreement to use the Funds solely for the purpose set forth in **Section 2.1** and agrees to use the Funds solely for that purpose in accordance with the approved Table of Sources and Uses. Notwithstanding anything to the contrary contained herein, City shall not approve expenditure of Funds for expenses incurred by Borrower prior to the April 18, 2016.

2.3 <u>Accounts; Interest</u>. Each Account to be maintained by Borrower under this Agreement must be held in a bank or savings and loan institution acceptable to the City as a segregated account that is insured by the Federal Deposit Insurance Corporation or other comparable federal insurance program. With the exception of tenant security deposit trust accounts, any interest earned on funds in any Account must be used for the benefit of the Project.

2.4 <u>Records</u>. Borrower must maintain and provide to the City upon request records that accurately and fully show the date, amount, purpose and payee of all expenditures from each Account authorized under this Agreement or by the City in writing and keep all estimates, invoices, receipts and other documents related to expenditures from each Account. In addition Borrower must provide to the City promptly following Borrower's receipt, complete copies of all monthly bank statements, together with a reconciliation, for each Account until all funds (including accrued interest) in each Account have been disbursed for eligible uses.

2.5 <u>Conditions to Additional Financing</u>. The City may grant or deny any application by Borrower for additional financing for the Project in its sole discretion.

2.6 <u>Other Restrictions</u>.

(a) Borrower shall submit an application for an AHP loan for permanent financing of the Project to the Federal Home Loan Bank of San Francisco in 2020. If Borrower's submitted application for the AHP loan is subsequently denied, Borrower will apply in 2021. If the Borrower submits an application in 2021, this condition shall be deemed satisfied, provided MOHCD reviews and approves application assumptions. If awarded AHP funds, and subject to any requirements of the San Francisco Federal Home Loan Bank Affordable Housing Program, Borrower will use the AHP Loan Amount to repay the AHP Bridge Loan, or any portion thereof, as set forth in Article 3. Borrower must submit to MOHCD a preliminary AHP application with a self-score prior to submission to Federal Home Loan Bank. Failure to receive an AHP award shall not be a default under the Loan Documents provided that Borrower otherwise complies with this section.

(b) Borrower shall deliver to MOHCD the following prior to commercial developer fee disbursement: (1) a commercial space plan and budget that includes a general description of the structure of the commercial space as well as assumptions to space use, rent charged, term of potential tenants, and research alternate funding sources for funding tenant improvements for the commercial spaces, (2) Letter of Interests from commercial tenants, and (3) Executed commercial leases with tenants.

(c) Before the Conversion Date, Borrower deliver to MOHCD a revised services plan and budget, in sufficient time so that MOHCD's Director of Public Initiatives has reviewed and approved the revised services plan and budget before the permanent loan closing.

3.1 <u>Maturity Date</u>. Borrower must repay all amounts owing under the City Documents on the date that is the later of (a) the <u>fifty seventh (57th)</u> anniversary of the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County or (b) the fifty fifth (<u>55th</u>) anniversary of the Conversion Date, but in all events not later than December 31, 2077 (the "Maturity Date").

3.3 <u>Interest</u>. Except as provided in **Section 3.4**, no interest will be charged on the Loan.

3.4 <u>Default Interest Rate</u>. Upon the occurrence of an Event of Default under any City Document, the principal balance of the Loan will bear interest at the default interest rate set forth in the Note, with such default interest rate commencing as of the date an Event of Default occurs and continuing until such Event of Default is fully cured. In addition, the default interest rate

will apply to any amounts to be reimbursed to the City under any City Document if not paid when due or as otherwise provided in any City Document.

3.5 <u>Repayment of Principal and Interest</u>. Except as set forth in Section 3.7 below, the outstanding principal balance of the Loan, together with all accrued and unpaid interest, if any, will be due and payable on the Maturity Date according to the terms set forth in full in the Note.

3.6 <u>Changes In Funding Streams</u>. The City's agreement to make the Loan on the terms set forth in this Agreement and the Note is based in part on Borrower's projected sources and uses of all funds for the Project, as set forth in the Table of Sources and Uses. Borrower covenants to give written notice to the City within thirty (30) days of any significant changes in budgeted funding or income set forth in documents previously provided to the City. Examples of significant changes include loss or adjustments (other than regular annual adjustments) in funding under Shelter + Care, Section 8 or similar programs.

3.7 <u>Notification and Repayment of Excess Proceeds.</u> Borrower must notify the City in writing within thirty (30) days after the later of the date on which Borrower receives its Form 8609 from the California Tax Credit Allocation Committee or the date on which Borrower receives Excess Proceeds from its limited partner or other financing sources. Borrower must repay all Excess Proceeds to the City no later than sixty (60) days after receipt of such notification, unless the City has elected to waive such payment. The City must use such Excess Proceeds to reduce the balance of the Loan.

3.8 Additional City Approvals. Borrower understands and agrees that City is entering into this Agreement in its proprietary capacity and not as a regulatory agency with certain police powers. Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement shall be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property shall require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the "No Project" alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.

ARTICLE 4 CLOSING; DISBURSEMENTS.

4.1 <u>Generally</u>. Subject to the terms of this Agreement, the City will make Disbursements in an aggregate sum not to exceed the Funding Amount to or for the account of Borrower in accordance with this Agreement and the approved line item budget contained in the Table of Sources and Uses.

4.2 <u>Closing</u>. Unless otherwise agreed by the City and Borrower in writing, Borrower will establish an escrow account with the title company issuing the Title Policy, or any other escrow agent Borrower chooses, subject to the City's approval (the "Escrow Agent"). The parties will execute and deliver to the Escrow Agent written instructions consistent with the terms of this Agreement. In the event the escrow does not close on or before the expiration date of escrow instructions signed by the City, or any other mutually agreed date, the City may declare this Agreement to be null and void.

4.3 <u>Conditions Precedent to Closing</u>. The City will authorize the close of the Loan upon satisfaction of the conditions in this Section.

(h) The Escrow Agent must have committed to provide to the City the Title Policy in form and substance satisfactory to the City.

(i) Borrower must provide final interest rate after review of true debt analysis.

4.4 <u>Disbursement of Funds</u>. Following satisfaction of the conditions in **Section 4.3**, the City will authorize the Escrow Agent to disburse Funds as provided in the City's escrow instructions.

4.5 <u>Disbursements</u>. The City's obligation to approve any expenditure of Funds after Loan closing is subject to Borrower's satisfaction of the following conditions precedent.

(a) Borrower must have delivered to the City an Expenditure Request in form and substance satisfactory to the City, together with: (i) copies of invoices, contracts or other documents covering all amounts requested; (ii) a line item breakdown of costs to be covered by the Expenditure Request; and (iii) copies of checks issued to pay expenses covered in the previous Expenditure Request. Additionally, the City must approve all requested reallocations of Funds for line items previously approved by the City.

(b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.

(c) With respect to any Expenditure Request that covers rehabilitation or construction costs, Borrower must have certified to the City that the Project complies with the labor standards set forth in **Exhibit E, Section 1**, if applicable.

4.7 <u>Retention</u>. In addition to the other conditions to Disbursements, Borrower acknowledges that the amount of hard costs or tenant improvements costs included in any Expenditure Request associated with rehabilitation or construction, when added to previously approved costs, may not exceed ninety percent (90%) of the approved budgeted costs on a line item basis. The remaining ten percent (10%) of approved budgeted hard costs or tenant improvement costs associated with rehabilitation or construction will be held by the City and/or other Project lenders (the "Retention") and may be released only upon satisfaction of all requirements listed in the Construction Manager's Checklist for Release of Retention included in the Contracting Manual and as follows:

4.8 <u>Limitations on Approved Expenditures</u>. The City may refuse to approve any expenditure: (a) during any period in which an event that, with notice or the passage of time or both, would constitute an Event of Default remains uncured, or during the pendency of an uncured Event of Default; or (b) for disapproved, unauthorized or improperly documented expenses. The City is not obligated to approve expenditure of the full Funding Amount unless approved Expenditure Requests support disbursement of the full Funding Amount, and in no event may the aggregate amount of all Funds disbursed to Borrower under this Agreement exceed the Funding Amount.

5.4 <u>Insurance, Bonds and Security</u>. Before starting any demolition, rehabilitation or construction on the Site, Borrower must deliver to the City insurance endorsements and bonds as described in **Exhibit L**. The Marketing and Tenant Selection Plan shall include as many of the following elements as are appropriate to the Project, as determined by the City:

(a) A reasonable accommodations policy that indicates how Borrower intends to market Units to disabled individuals, including an indication of the types of accessible Units in the Project, the procedure for applying, and a policy giving disabled individuals a priority in the occupancy of accessible Units.

Borrower's Marketing and Tenant Selection Plan must contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but shall limit the number of refusals without cause as approved by the City. Borrower shall at all times maintain the Waiting List. Upon the vacancy of any Unit, Borrower shall first attempt to select the new Tenant for such Unit from the Waiting List, and shall only market the Unit to the general public after determining that no applicants from the Waiting List qualify for such Unit. The Waiting List must be kept on file at the Project at all times.

ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 <u>Term of Leasing Restrictions</u>. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect: (a) for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the Deed of Trust; (b) for any Unit that has been subject to a regulatory agreement with TCAC, for a period ending three (3) years after the date of any transfer of the Project by foreclosure or deed-in-lieu of foreclosure; and (c) with respect to any Unit occupied by a Qualified Tenant at expiration of either the Compliance Term or the 3-year period referred to in **Subsection (b)** above, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause. The requirements to comply with the provisions of Internal Revenue Code Section 42, including Section 42(h)(6)(E)(ii), are hereby acknowledged.

7.2 <u>Borrower's Covenant</u>.

(a) Borrower covenants to rent all Units (except one Unit reserved for the manager of the Project) at all times to households certified as Qualified Tenants at initial occupancy, as set forth in **Exhibit A**. In addition, <u>twenty seven</u> (27) Units must be rented to holders of Section 8 certificates or vouchers or similar rental subsidy benefits subject to the terms of a HAP Contract with the San Francisco Housing Authority and applicable law, for so long as these subsidies are available to the Project. Borrower further covenants that no HOME funds will be allocated to the construction or rehabilitation of the manager's Unit. If the Project contains 5 or more units, at least 20% must be reserved for very low-income Tenants, as defined under the HOME program regulations.

(b) A Tenant who is a Qualified Tenant at initial occupancy may not be required to vacate the Unit due to subsequent rises in household income, except as provided in **Section 7.3**. After the over-income Tenant vacates the Unit, the vacant Unit must be rented only to Qualified Tenants as provided in this **Article 7**.

7.3 <u>Rent Restrictions</u>.

(a) Rent charged to each Qualified Tenant may not exceed the amounts set forth in **Exhibit A**, *provided that* Rents may be adjusted annually, subject to the limitations below.

(b) Subject to the Hold Harmless Policy, rents for all Units may be increased once annually up to the maximum monthly rent by unit type as published by MOHCD.

(c) With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under **Section 7.3(b)** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the maximum Rent

permitted under **Section 7.3(a)**. City approval for such Rent increases that are necessary to meet all approved Project Expenses shall not be unreasonably withheld.

(d) For any Qualified Tenant participating in a Rent or operating subsidy program where the Rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program. There is no limit on the increase/decrease in Rent charged under this provision, as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**. There is no limit on the number of Rent adjustments that can be made in a year under this provision.

(e) For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**, (d) and (f).

(f) Unless prohibited under any applicable Laws, including without limitation Section 42 of the Internal Revenue Code of 1986, as amended, if the household income of a Qualified Tenant exceeds the maximum permissible income during occupancy of a Unit, then, upon no less than thirty (30) days' prior written notice to the Tenant or as otherwise required under the Tenant's lease or occupancy agreement, Borrower may adjust the charges for Rent for the previously Qualified Tenant to be equal to thirty percent (30%) of the Tenant's adjusted household income. Rents charged under this provision may exceed the Maximum Rent permitted under **Section 7.3(a**).

7.4 <u>Certification</u>.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person must be required to provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.

(b) Each Qualified Tenant in the Project must recertify his/her household income to Borrower one time in the year after the first year of tenancy in accordance with tax credit requirements. Each Qualified Tenant in the Project must also recertify his/her household income to Borrower one time in every 6th year of the project's affordability period using the full recertification method required by the HOME program. Interim recertifications are also required annually but may be done using the abbreviated annual income recertification method which requires Tenants to submit income certification forms but does not require verification of income or assets.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file at Borrower's principal office, and Borrower must file or cause to be filed copies thereof with the City promptly upon request by the City. 7.5 <u>Form of Lease</u>. The form of lease for Tenants must provide for termination of the lease and consent to immediate eviction for failure to qualify as a Qualified Tenant if the Tenant has made any material misrepresentation in the initial income certification. The form of lease must also comply with 24 CFR § 92.253.

7.6 <u>Nondiscrimination</u>. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

7.7 <u>Security Deposits</u>. Security deposits may be required of Tenants only in accordance with applicable state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an Account held in trust for the benefit of the Tenants and disbursed in accordance with California law. The balance in the trust Account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to Tenants.

7.8 Commercial Space. At least sixty (60) days prior to the date that build-out of the Commercial Space begins, MOHCD must have reviewed and approved proposed leases and development plans for the Commercial Space. All leases of Commercial Space must be to bona fide third party tenants capable of performing their financial obligations under their leases, which must reflect arms'-length transactions at the then-current market rental rate for comparable space, provided that, leases for Public Benefit Purposes or Community-serving Commercial Use may be at below-market rates so long as the sum of Project Income and Commercial Income meets approved cash flow requirements for the Project. Allowed uses of Commercial Space must be consistent with all applicable redevelopment plans and local planning and building codes and be reasonably compatible with the design and purpose of the Project. Each lease of Commercial Space must restrict its use to Public Benefit Purposes or Community-serving Commercial Use, or all Surplus Cash generated as a result of a market-rate lease of the Commercial Space must be directed toward repayment of the Loan or used for a Public Benefit Purpose. All Surplus Cash shall be subject to the MOHCD Policy on the Use of Residual Receipts. Each lease of Commercial Space must comply with the MOHCD Commercial Underwriting Guidelines as set forth in Exhibit O herein. MOHCD hereby has approved the master lease to Tenderloin Neighborhood Development Corporation (TNDC).

ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

8.1 Borrower's Responsibilities.

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower must maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920.10 and the applicable provisions of 24 CFR Part 35, and all applicable federal requirements.

8.2 <u>Contracting With Management Agent.</u>

(a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided, however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract must contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved Tenderloin Neighborhood Development Corporation (TNDC) as Borrower's management agent, subject to approval of the management contract.

(b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower must exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.

8.3 <u>Borrower Management</u>. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

ARTICLE 9 GOVERNMENTAL APPROVALS AND REQUIREMENTS.

9.1 <u>Approvals</u>. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

9.2 <u>Borrower Compliance</u>. Borrower must comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E** and **Exhibit L**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

9.3 <u>Additional Federal Requirements</u>. The following provision shall apply as long as HOME Funds are used to finance the Project.

(a) <u>Compliance With Laws</u> Borrower agrees to abide by all applicable Laws, including HUD regulations, pertaining to this Agreement and to any contracts pertaining to the Project. In the event HUD formally amends, waives or repeals any HUD administrative regulation previously applicable to Borrower's performance under this Agreement, MOHCD expressly reserves the right, upon giving notice to HUD and Borrower, to require Borrower's performance as though the regulation were not amended, waived or repealed, subject only to written and binding objection by HUD. Borrower further acknowledges that the City may impose more stringent requirements with regard to affordability restrictions than those required by HUD and agrees to comply with the City's requirements as set forth in this Agreement.

(b) <u>Drug-Free Workplace</u> Borrower acknowledges that under the Federal Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 701 *et seq.*), the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited on its premises. Borrower agrees that any violation of this prohibition by Borrower, its employees, agents or assigns will be deemed an Event of Default under this Agreement.

(c) <u>Restrictions on Lobbying Activities</u>

(i) This Agreement is subject to 31 U.S.C. Section 1352, which provides in part that, with specified exceptions, no appropriated funds may be expended by the recipient of a federal contract, grant, loan or cooperative agreement to pay any person for influencing, or attempting to influence, an officer or employee of any agency, a member of Congress, an officer or employee of Congress or an employee of a member of Congress in connection with any of the following covered federal actions: the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement and the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan or cooperative agreement.

(ii) If the Funding Amount exceeds \$100,000, Borrower must file with MOHCD at the beginning of the Compliance Term and promptly after the occurrence of any change in the facts certified or disclosed:

(A) a certification substantially the same as that attached hereto as **Exhibit F**, and otherwise, in form and content satisfactory to the City and to HUD, that Borrower, its employees, officers and agents have not made, and will not make, any payment prohibited by **Subsection (i)** above; and

(B) a disclosure form, Federal Standard Form-LLL, "Disclosure of Lobbying Activities," if Borrower, its employees, officers or agents have made or agreed to make any payment using funds from a source other than the Funds that would be prohibited under **Subsection** (i) above if payment were made with Funds. The City will file the disclosure form with HUD and retain the certification for the City's records as required by Law.

(d) <u>Debarment or Suspension</u> Borrower must certify in form and content substantially the same as that attached hereto as **Exhibit F** that neither it nor any of its principals is listed by the General Services Administration as debarred, suspended, ineligible or voluntarily excluded from receiving the Funds on the Agreement Date. In addition, Borrower will review the list to ensure that any contractor or subcontractor who bids for a contract in excess of \$100,000 is not debarred, suspended, ineligible or voluntarily excluded from participating in federal programs and activities in addition to obtaining the certification of each contractor or subcontractor whose bid is accepted.

(e) <u>Single Audit</u>. If Borrower cumulatively expends \$750,000.00 or more in Federal Funds during Borrower's fiscal year, Borrower must conduct a single audit or programspecific audit by an independent auditor in accordance with OMB Uniform Guidance requirements in 2 CFR part 200 subpart F (\$200.500 *et seq.*), as it may be amended from time to time ("Single Audit"). Borrower must submit a copy of the Single Audit report to MOHCD within nine (9) months after the end of Borrower's fiscal year or thirty (30) days after receiving the Single Audit report from the auditor.

(f) <u>Other HUD Requirements.</u> The provisions of 24 CFR part 92, "HOME Investment Partnership Program," and incorporated sections of 2 CFR part 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements For Federal Awards."

ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

10.1 Generally.

(a) Borrower understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all

Laws. Borrower acknowledges that the City may also conduct periodic on-site inspections of the Project. Borrower must cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.

(b) Borrower must keep and maintain books, records and other documents relating to the receipt and use of all Funds, including all documents evidencing any Project Income and Project Expenses. Borrower must maintain records of all income, expenditures, assets, liabilities, contracts, operations, tenant eligibility and condition of the Project. All financial reports must be prepared and maintained in accordance with GAAP as in effect at the time of performance.

10.2 <u>Monthly Reporting.</u> Borrower must submit monthly reports (the "MOHCD Monthly Project Update") describing progress toward developing the Project with respect to obtaining necessary approvals from other City departments, procuring architects, consultants and contractors, changes in scope, cost or schedule and significant milestones achieved in the past month and expected to be achieved in the coming month. The MOHCD Monthly Project Update must be submitted by email in substantially the form to be found in the Contracting Manual until such time as the Project Completion Report is submitted to the City pursuant to **Section 10.5** below.

10.3 <u>Annual Reporting</u>.

(a) From and after the Completion Date, Borrower must file with the City annual report forms (the "Annual Monitoring Report") that include audited financial statements with an income and expense statement for the Project covering the applicable reporting period, a statement of balances, deposits and withdrawals from all Accounts, line item statements of Project Expenses, Project Income, Project Fees (if any), Residual Receipts and any Distributions made, evidence of required insurance, a description of marketing activities and a rent roll, no later than one hundred fifty (150) days after the end of Borrower's fiscal year. The Annual Monitoring Report must be in substantially the form attached as **Exhibit G** or as later modified during the Compliance Term.

(b) If the source of Funds is Federal Funding, Borrower must also provide an annual accounting of program income, as defined in applicable federal regulations.

10.4 <u>Capital Needs Assessment</u>. In accordance with the CNA Policy, Borrower must deliver to MOHCD an updated CNA every five (5) years after the Completion Date for approval.

10.5 <u>Project Completion Report</u>. Within the specific time periods set forth below after the completion of rehabilitation or construction, the lease-up and/or permanent financing of the Project, as applicable, Borrower must provide to the City the reports listed below certified by

Borrower to be complete and accurate. Subsequent to the required submission of the reports listed below, Borrower must provide to the City information or documents reasonably requested by the City to assist in the City's review and analysis of the submitted reports:

(e) within one hundred-eighty (180) days after the Completion Date, and if the Project has used Federal Funds, a report demonstrating compliance with all requirements regarding HUD Section 3, including documentation of total labor hours worked on the Project, total Section 3 hours worked, total wages paid, total Section 3 wages paid, and the names of all individuals employed to comply with the Section 3 and Section 3 goals, including the total hours worked for each individual and total wages paid to each individual.

10.6 <u>Response to Inquiries</u>. At the request of the City, its agents, employees or attorneys, Borrower must respond promptly and specifically to questions relating to the income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the status of any mortgage encumbering the Project and any other requested information with respect to Borrower or the Project.

10.7 <u>Delivery of Records</u>. At the request of the City, made through its agents, employees, officers or attorneys, Borrower must provide the City with copies of each of the following documents, certified in writing by Borrower to be complete and accurate:

(a) all tax returns filed with the United States Internal Revenue Service, the California Franchise Tax Board and/or the California State Board of Equalization on behalf of Borrower and any general partner or manager of Borrower;

(b) all certified financial statements of Borrower and, if applicable, its general partner or manager, the accuracy of which must be certified by an auditor satisfactory to the City; and

(c) any other records related to Borrower's ownership structure and the use and occupancy of the Site.

10.8 <u>Access to the Project and Other Project Books and Records</u>. In addition to Borrower's obligations under **Sections 2.4, 10.1, 10.2, 10.3, 10.4, 10.5, 10.6** and **10.7** and any other obligations to provide reports or maintain records in any City Document, Borrower agrees that duly authorized representatives of the City will have: (a) access to the Project throughout the Compliance Term to monitor the progress of work on the Project and compliance by Borrower with the terms of this Agreement and subject to the rights of tenants; and (b) access to and the right to inspect, copy, audit and examine all books, records and other documents Borrower is required to keep at all reasonable times, following reasonable notice, for the retention period required under **Section 10.9**.

10.9 <u>Records Retention</u>. Borrower must retain all records required for the periods required under applicable Laws, including 24 CFR Section 92.508.

ARTICLE 11 USE OF INCOME FROM OPERATIONS.

11.1 Project Operating Account.

(a) Borrower must deposit all Project Income promptly after receipt into a segregated depository account (the "Project Operating Account") established exclusively for the Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account of Project Expenses and Project Fees. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.

(b) Borrower must keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower must provide copies of the records to the City upon request.

ARTICLE 12 <u>REQUIRED RESERVES.</u>

12.1 <u>Replacement Reserve Account.</u>

(a) Commencing no later than sixty (60) days after the Completion Date, or any other date the City designates in writing, Borrower must establish or cause to be established a segregated interest-bearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15th day of each month following establishment of the Replacement Reserve Account, Borrower must make monthly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary.

(b) Monthly deposits must equal the lesser of: (i) 1/12th of 0.6% of Replacement Cost; or (ii) 1/12th of the following amount: \$54,000. After the Project's first five (5) years of operation, Borrower may request adjustments every five (5) years based on its most recently approved CNA.

(c) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Project. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval, which approval shall not be unreasonably withheld, conditioned or delayed.

12.2 Operating Reserve Account.

(a) Commencing on the Conversion Date, or any other date the City designates in writing, Borrower must establish or cause to be established a segregated interestbearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to twenty-five percent (25%) of the approved budget for Project Expenses for the first full year of operation of the Project. The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary.

(b) No less than annually after establishing the Operating Reserve Account and continuing until the Compliance Term has expired, Borrower must make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses.

(c) Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.

12.3 <u>Commercial Space Reserve Account(s)</u>. In addition to the reserve requirements set forth above, Borrower may establish the following reserve accounts:

(a) No later than the date of funding the conversion installment of capital contributions by Borrower's limited partner, Borrower shall deposit in the Operating Reserve Account a one-time amount equal to Sixty Five Thousand and No/100 dollars (\$65,000.00) (the "Commercial Operating Reserve Account Deposit"), which amount shall not be required to be replenished. The Commercial Operating Reserve Account Deposit may be used to fund any shortfall operating or maintenance costs in connection with the Commercial Space.

(b) The City may review the adequacy of deposits to the Commercial Reserve Account and/or the Commercial Replacement Reserve Account periodically and require adjustments as it deems necessary.

ARTICLE 13 DISTRIBUTIONS.

13.1 <u>Definition</u>. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management and approved deferred Developer Fees or other services performed in connection with the Project.

13.2 <u>Conditions to Distributions</u>. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

13.3 <u>Prohibited Distributions</u>. No Distribution may be made in the following circumstances:

(a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or

(b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or

(c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or

(d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or

(e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or

(f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loan is out of balance) under any City Document.

Borrower's Use of Residual Receipts for Development. To the extent that making 13.4 a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval Borrower may retain a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as **Exhibit P**. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Note. Subject to the terms of this Agreement and the conditions to distribution of Residual Receipts set forth in Exhibit P, Borrower may retain 50% of Residual Receipts until the earlier of (i) the fifteenth (15th) anniversary of the first Payment Date; or (ii) the payment in full of the deferred development fee in the approved amount of Six Million Five Hundred and Forty Eight Thousand Nine Hundred and Thirty Seven and no/100 dollars (\$6,548,937.00) payable by the Borrower to Developer pursuant to the Development Agreement by and between the Borrower and Developer dated as of January 30, 2020. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Note.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 <u>Distribution and Use</u>. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower must allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower must notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

ARTICLE 15 DEVELOPER FEES.

15.1 <u>Amount</u>. The City has approved the payment of fees in an amount not to exceed Nine Million Five Hundred Seventy Eight Thousand Nine Hundred and Thirty Seven and no/100 Dollars (<u>\$9,578,937.00</u>) to Developer for developing the Project ("Developer Fees"), subject to the Developer Fee Policy and the terms and conditions in a Developer Fee Agreement by and among the City, Borrower and Developer.

ARTICLE 16 TRANSFERS.

16.1 <u>Permitted Transfers/Consent</u>. Borrower may not cause or permit any voluntary transfer, assignment or encumbrance of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity or is the manager of a limited liability company that is the sole general partner or manager of that entity; (d) transfers of the

general partnership or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Borrower to an investor pursuant to the tax credit syndication of the Project and/or as otherwise permitted by Tenant's amended and restated partnership agreement; (f) the grant or exercise of an option agreement between Borrower and Borrower's general partner or manager or any of its affiliates in connection with the tax credit syndication of the Project where such agreement has been previously approved in writing by the City; or (g) to remove or replace the General Partner in accordance with the terms of the Partnership Agreement, a transfer of any general partnership interest to a new general partner reasonably approved in advance by the City. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

ARTICLE 17 INSURANCE AND BONDS; INDEMNITY.

17.1 <u>Borrower's Insurance</u>. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower must obtain and maintain, or cause to be obtained and maintained, insurance and bonds as set forth in **Exhibit L** from the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County until the expiration of the Compliance Term at no expense to the City.

Borrower's Indemnity Obligations. Borrower must indemnify, protect, defend 17.2 and hold harmless each of the Indemnitees from and against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in Article 18 below); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring before the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under Sections 9.1, 9.2 and 18.2; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates

to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct.

Duty to Defend. Borrower acknowledges and agrees that its obligation to defend 17.3 the Indemnitees under Section 17.2: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of Section 17.2, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Borrower by the Indemnitee and continues at all times thereafter. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower must answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The Indemnitee must give Borrower prompt notice of any Loss and Borrower has the right to defend, settle and compromise any such Loss; provided, however, that the Indemnitee has the right to retain its own counsel at the expense of Borrower if representation of such Indemnitee by the counsel retained by Borrower would be inappropriate due to conflicts of interest between such Indemnitee and Borrower. An Indemnitee's failure to notify Borrower promptly of any Loss does not relieve Borrower of any liability to such Indemnity under Section 17.2, unless such failure materially impairs Borrower's ability to defend such Loss. Borrower must seek the Indemnified Party's prior written consent to settle or compromise any Loss if Borrower contends that such Indemnitee shares in liability with respect thereto.

17.4 <u>No Limitation</u>. Borrower's obligations under **Section 17.2** are not limited by the insurance requirements under this Agreement.

17.5 <u>Survival</u>. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

ARTICLE 18 HAZARDOUS SUBSTANCES.

18.1 <u>Borrower's Representations</u>. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the Phase I dated June 14, 2016, completed by Langan Treadwell Rollo or otherwise in writing: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on,

under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

18.2 <u>Covenant</u>. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower must: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

18.3 <u>Survival</u>. Borrower and City agree that this Article 18 is intended as City's written request for information (and Borrower's response) concerning the environmental condition of the Site as security as required by California Code of Civil Procedure § 726.5; and each provision in this Article (together with any indemnity applicable to a breach of any such provision) with respect to the environmental condition of the Site as security is intended by City and Borrower to be an "environmental provision" for purposes of California Code of Civil Procedure § 736, and as such it is expressly understood that Borrower's duty to indemnify City hereunder shall survive: (a) any judicial or non-judicial foreclosure under the Deed of Trust, or transfer of the Property in lieu thereof, (b) the release and reconveyance or cancellation of the Deed of Trust; and (c) the satisfaction of all of Borrower's obligation under the City Documents.

ARTICLE 19 DEFAULT.

19.1 <u>Event of Default</u>. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:

(a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or

(b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or

(e) All or a substantial or material portion of the improvements on the Site is damaged or destroyed by fire or other casualty, and the City has determined upon restoration or repair that the security of the Deed of Trust has been impaired or that the repair, restoration or replacement of the improvements in accordance with the requirements of the Deed of Trust is not economically practicable or is not completed within two (2) years of the receipt of insurance proceeds; or all or a substantial or material portion of the improvements is condemned, seized or appropriated by any non-City Governmental Agency or subject to any action or other proceeding instituted by any non-City Governmental Agency for any purpose with the result that the improvements cannot be operated for their intended purpose; or

(f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or

(g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Section 16.1**; or

(h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or

(i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or

(j) Either the Deed of Trust or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or

(k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(1) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project, provided that, if the Borrower provides an alternate funding source to cover a loss of funding or rental subsidy that is reasonably satisfactory to the City, a material adverse impact shall not be deemed to have occurred; or

(m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

(n) Borrower is in default of its obligations with respect to the Ground Lease or any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or

(o) Borrower is in default of its obligations under any other agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

Notwithstanding the foregoing, the Limited Partner shall have the right to cure any Event of Default, and City shall accept or reject such cure on the same terms as if rendered by Borrower.

19.2 <u>Remedies</u>. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:

(a) The City at its option may declare the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.

(b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the Deed of Trust or Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the Deed of Trust or Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.

(c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.

(d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.

(e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.

(f) Upon the occurrence of an Event of Default described in **Section 19.1(k**), the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, will become due and payable automatically.

(g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Note, even if it causes the principal balance to exceed the face amount of the Note, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.

19.3 <u>Force Majeure</u>. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. The occurrence of a force majeure event will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.

19.4 <u>City's Recourse</u>. The City's recourse against Borrower following an Event of Default is limited as set forth more specifically in the Note.

ARTICLE 20 <u>REPRESENTATIONS AND WARRANTIES</u>.

20.1 <u>Borrower Representations and Warranties</u>. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

(a) The execution, delivery and performance of the City Documents will not contravene or constitute a default under or result in a lien upon assets of Borrower under any applicable Law, any Charter Document of Borrower or any instrument binding upon or affecting Borrower, or any contract, agreement, judgment, order, decree or other instrument binding upon or affecting Borrower.

(b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.

(c) No action, suit or proceeding is pending or, to the Borrower's knowledge, threatened that might affect Borrower or the Project adversely in any material respect.

(d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

(e) None of Borrower, Borrower's principals or Borrower's general contractor has been suspended or debarred by the Department of Industrial Relations or any Governmental Agency, nor has Borrower, any of its principals or its general contractor been suspended, disciplined or prohibited from contracting with any Governmental Agency.

(f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.

(g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

(h) The Borrower is duly organized and in good standing under applicable laws of the State of California and is qualified to do business in the City and County of San Francisco.

ARTICLE 21 NOTICES.

21.1 <u>Written Notice</u>. All notices required by this Agreement must be made in writing and may be communicated by personal delivery, by a nationally recognized courier that obtains receipts, facsimile (if followed within one (1) business day by first class mail) or by United States certified mail, postage prepaid, return receipt requested. Delivery will be deemed complete as of the earlier of actual receipt (or refusal to accept proper delivery) or five (5) days after mailing, *provided that* any notice that is received after 5 p.m. on any day or on any weekend or holiday will be deemed to have been received on the next succeeding business day. 21.2 <u>Required Notices</u>. Borrower agrees to provide notice to the City in accordance with **Section 21.1** of the occurrence of any change or circumstance that: (a) will have an adverse effect on the physical condition or intended use of the Project; (b) causes the Loan to be out of balance; or (c) will have a material adverse effect on Borrower's operation of the Property or ability to repay the Loan.

21.3 <u>Notice to Limited Partner</u>. The City agrees to deliver a copy of any notice of default to Borrower's limited partner at the address set forth above at the same time and in the same manner as notice is delivered to Borrower.

ARTICLE 22 GENERAL PROVISIONS.

22.1 <u>Subordination</u>. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "Senior Lien"), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval.

22.2 <u>No Third Party Beneficiaries</u>. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

22.3 <u>No Claims by Third Parties</u>. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower must include this requirement as a provision in any contracts for the development of the Project.

22.4 <u>Entire Agreement</u>. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.

22.5 <u>City Obligations</u>. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.

22.6 <u>Borrower Solely Responsible</u>. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees;

(b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

22.7 <u>No Inconsistent Agreements</u>. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.

22.8 <u>Inconsistencies in City Documents</u>. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however,* that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.

22.9 <u>Governing Law</u>. This Agreement is governed by California law without regard to its choice of law rules.

22.10 <u>Joint and Several Liability</u>. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.

22.11 <u>Successors</u>. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

22.12 <u>Attorneys' Fees</u>. If any legal action is commenced to enforce any of the terms of this Agreement or rights arising from any party's actions in connection with this Agreement, the prevailing party will have the right to recover its reasonable attorneys' fees (including allocated fees of the City Attorney's Office) and costs of suit from the other party, whether incurred in a judicial, arbitration, mediation or bankruptcy proceeding or on appeal. For the purposes of this Agreement, reasonable fees of attorneys in the City Attorney's office will be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter of law for which the City Attorney's services were rendered, who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the City Attorney's Office. An award of attorneys' fees and costs will bear interest at the default rate under the Note from the date of the award until paid.

22.13 <u>Severability</u>. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.

22.14 <u>Time</u>. Time is of the essence in this Agreement. Whenever the date on which an action must be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

22.15 <u>Further Assurances</u>. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.

22.16 <u>Binding Covenants</u>. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests (other than Tenants and approved commercial tenants), in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.

22.17 <u>Consent</u>. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

22.18 <u>Counterparts</u>. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.

22.19 <u>Borrower's Personnel</u>. The Project shall be implemented only by competent personnel under the direction and supervision of Borrower.

22.20 <u>Borrower's Board of Directors</u>. Borrower, or Borrower's manager or general partner, as applicable, shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in the bylaws and other governing documents of Borrower, Borrower's manager or Borrower's general partner, as applicable, and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

EXHIBIT A Schedules of Income and Rent Restrictions

1. <u>Income and Rent Restrictions</u>. Maximum rent is 30% of maximum income level. As used in this Agreement, the term "Qualified Tenant" includes each category of Tenant included below:

Unit Size	No. of Units	Maximum Income Level
Studio	2	80% of Median Income
1BR	2	80% of Median Income
2BR	5	80% of Median Income
3BR	2	80% of Median Income
Studio	5	60% of Median Income
1BR	4	60% of Median Income
2BR	10	60% of Median Income
3BR	2	60% of Median Income
Studio	13	50% of Median Income
1BR	5	50% of Median Income
2BR	15	50% of Median Income
3BR	4	50% of Median Income
Studio	3	40% of Median Income
1BR	3	40% of Median Income
2BR	8	40% of Median Income
3BR	2	40% of Median Income
1BR	6	30% of Median Income
2BR	12	30% of Median Income
3BR	4	30% of Median Income
2 BR	1	Manager

Twenty-seven (27) units must be rented at all times to tenants receiving vouchers or other subsidy through the HAP contract, for so long as these subsidies are available. If the HAP is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, then the rent restrictions above may be altered, but only to the extent necessary for the Project to remain financially feasible, as determined in City's reasonable discretion; provided that:

(i) Borrower diligently pursues an additional or alternative source of income or subsidy acceptable to the City to replace the rental subsidies.

(ii) One hundred percent (100%) of the Units must at all times be occupied by Qualified Households whose Adjusted Income does not exceed eighty percent (80%) of Median Income, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other emcumbrance. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

If the Project continues to demonstrate financially infeasibility after the rent (iii) alterations above, to the extent financially feasible as determined in City's reasonable discretion, the City will waive the average income restriction of sixty percent (60%) of Median Income for all Residential Units, and increase rents to the extent necessary for Project to remain financially feasible (not past TCAC maximums); provided that one hundred percent (100%) of the Units must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed eighty percent (80%) of area median income, as published by TCAC (the "TCAC Median Income"), and the monthly rent paid by the Qualified Households may not exceed (a) thirty percent (30%) of eighty percent (80%) of TCAC Median Income (b) less utility allowance. On an annual basis, Borrower will convert to the TCAC Median Income and maximum rent to the corresponding published MOHCD maximum income level and maximum rent level, respectively, and provide MOHCD with supporting documentation. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of TCAC Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other emcumbrance.

In such event, the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. The relief provided by the foregoing will not be construed as authorizing Borrower to exceed any income or rent restriction imposed on the Project by CDLAC, CTCAC, or under any other agreement. Borrower covenants and warrants that it will use obtain all necessary approvals or relief from any other applicable income or rent limitations before implementing the relief provided above.

2. The total amount for rent and utilities (with the maximum allowance for utilities determined by the San Francisco Housing Authority) charged to a Qualified Tenant may not exceed the greater of:

(i) thirty percent (30%) of the applicable maximum income level, adjusted for household size; or

(ii) the tenant paid portion of the contract rent as determined by the San Francisco Housing Authority for Qualified Tenants holding Section 8 vouchers or certificates.

Rents may be increased as permitted pursuant to Section 7.3 of the Agreement.

3. To the extent the Borrower needs to repay the full outstanding loan balance by the Maturity Date, the rent restrictions above may be altered, but only to the extent necessary for the Project to refinance and repay the full outstanding loan balance by the Maturity Date, as determined in City's reasonable discretion. One hundred percent (100%) of the Units must at all times be occupied by Qualified Households whose Adjusted Income does not exceed eighty percent (80%) of Median Income, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all

Residential Units in the Project may not exceed sixty percent (60%) of Median Income and subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. In such event, Borrower will provide the City with a written request no less than one year prior to the Maturity Date, and the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

4. Pursuant to HOME program regulations set forth in 24 CFR Part 92, no less than twenty two (22) of the total residential units in the Project must be rented to Qualified Tenants with a maximum income of 50% of median income, as determined by HUD and published annually, and restricted to a maximum rent of 30% of such maximum income level, adjusted for household size. With respect to the requirements in Section 1 above, Borrower will apply the most restrictive maximum income and maximum rent during the Compliance Term. Notwithstanding the foregoing, the Units designated as HOME units shall not be the 27 Units receiving vouchers or other subsidy through the HAP contract described above.

(c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and to post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference and set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions and the qualifications for each, the name and location of the person(s) taking applications for each of the positions and the anticipated date work will begin.

(d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135 and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

(e) The contractor will certify that any vacant employment positions, including training positions, that are filled: (i) after the contractor is selected but before the contract is executed; and (ii) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

(f) Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default and debarment or suspension from future HUD assisted contracts.

2. <u>Recommended Minimum Numerical Goals</u>. Contractors may demonstrate compliance with the "greatest extent feasible" requirement of Section 3 by meeting the numerical goals set forth below for training, employment and contracting opportunities to Section 3 residents and Section 3 business concerns, which represent minimum numerical goals.

(a) Training and Employment of Section 3 Residents (24 CFR § 135.30(b)). Contractors and subcontractors may demonstrate compliance by committing to employ Section 3 residents as thirty percent (30%) of the aggregate number of new hires (full-time employees for permanent, temporary or seasonal employment) and an overall goal of thirty percent (30%) of total work hours for the entire project.

(b) Contracts with Section 3 Business Concerns (24 CFR § 135.30). Contractors and subcontractors may demonstrate compliance with the requirements of this part by committing to award to Section 3 business concerns:

(i) At least ten percent (10%) of the total dollar amount of all Section 3 covered contracts for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(ii) At least three percent (3%) of the total dollar amount of all other Section 3 covered contracts.

EXHIBIT E Governmental Requirements

Prevailing Wages and Working Conditions. Any undefined, initially-1. capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 6.1. Every contract for the rehabilitation or construction of housing assisted with Funds must contain a provision requiring: (1) payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. §§ 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing, and (2) contracts involving their employment will be subject to the provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-332) (collectively, "Prevailing Wage Requirements"). The Prevailing Wage Requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units. Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. If applicable, Borrower must include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Chapter 6.

2. <u>Environmental Review</u>. The Project must meet the requirements of the National Environmental Policy Act of 1969 (42 U.S.C. § 4321), related authorities listed at 24 CFR Section 51.100 and parts 50 and 58 and the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. <u>Conflict of Interest</u>.

Except for approved eligible administrative or personnel costs, no (a) employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower must incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower must take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

(b) Borrower represents that it is familiar with the provisions of 24 CFR § 84.42, Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq*. of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.

(c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.

4. <u>Disability Access</u>. Borrower must comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower must provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.

5. <u>Lead-Based Paint</u>. Borrower must satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower must also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

6. <u>Relocation</u>. Borrower must meet any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code in addition to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. §§ 4601 *et seq.*) and implementing regulations at 49 CFR part 24, the requirements of 24 CFR § 92.353 (Displacement, relocation, and acquisition) and similar Laws.

7. <u>Low-Income Hiring Requirements</u>. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83), as incorporated into MOHCD's Section 3 Plan. To ensure compliance with those requirements, Borrower must include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

8. <u>Non-Discrimination in City Contracts and Benefits Ordinance</u>.

(a) <u>Borrower Shall Not Discriminate</u>. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) <u>Subcontracts</u>. Borrower shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) <u>Non-Discrimination in Benefits</u>. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) <u>Condition to Contract</u>. As a condition to this Agreement, Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.

(e) <u>Incorporation of Administrative Code Provisions by Reference</u>. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

9. <u>MacBride Principles</u>. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.

10. <u>Tropical Hardwood & Virgin Redwood Ban</u>. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

12. <u>Submitting False Claims; Monetary Penalties</u>. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:

(a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;

(b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

(c) conspires to defraud the City by getting a false claim allowed or paid by the City;

(d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or

(e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. <u>Sunshine Ordinance</u>.

(a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees to conduct any meeting of its governing board that addresses any matter relating to the Project or to Borrower's performance under this Agreement as a passive meeting. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.

(b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable. By executing this Agreement, Borrower agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the San Francisco Administrative Code. Borrower further agrees to make good faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Borrower acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. Borrower further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

(c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project

that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower must notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

14. <u>Prohibition on Use of Public Funds for Political Activities.</u> Borrower shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

15. <u>Nondisclosure of Private Information</u>. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12.M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.

16. <u>Graffiti Removal</u>. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(a) Borrower shall remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(b) Any failure of Borrower to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

17. <u>Resource-Efficient Building Ordinance</u>. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it shall comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

(a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower's obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Borrower's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

(c) Borrower shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(d) Borrower or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(e) Borrower or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(f) Borrower or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(g) Borrower and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

(h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

19. <u>Food Service Waste Reduction Requirements</u>. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation,

established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

20. <u>Bottled Drinking Water</u>. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

21. Public Power. From and after the effective date of the Ground Lease, Borrower must procure water and sewer service from the City and electricity, telephone, natural gas, and any other utility service from the City or utility companies providing such services, and must pay all connection and use charges imposed in connection with such services. From and after the effective date of the Ground Lease, as between the City and Borrower, Borrower will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. All electricity necessary for operations on the Site must be purchased from the San Francisco Public Utilities Commission ("PUC"), at PUC's standard rates charged to third parties, unless PUC determines, in its sole judgment, that it is not feasible to provide such service to the Premises. PUC is the provider of electric services to City property, and the Interconnection Services Department of SFPUC's Power Enterprise coordinates with Pacific Gas and Electric Company and others to implement this service. To arrange for electric service to the Site, Borrower must contact the Interconnection Services Department in the Power Enterprise of the SFPUC.

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

The Mayor's Office of Housing and Community Development requests that owners of projects financed by this office notify us immediately if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

Marketing of Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers must notify MOHCD of this action by completing a <u>Marketing Plan Template</u> and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the <u>Asset Management page</u> of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the wait list on this <u>page of our web site</u>. Annual Monitoring Report - Narrative - Reporting Year 2017 -Mayor's Office of Housing & Community Development

Project Street Address:

Reporting Period - Start Date: 1/0/1900 Reporting Period - End Date: 1/0/1900

MOHCD created the questions below to allow project owners to supply additional information about a small number of measurements that may indicate that a project is having difficulties. By providing this information, project owners will help provide context for the conclusions that can be made about the measurements. MOHCD will use the measurements and the information below to prioritize the projects that need closer scrutiny and support. Please supply as much information as is readily available.

1. Explanations & Comments

Use this space to record notes about any peculiarities in the data entry process. For example, if you entered a formula instead of a single number for a field, make a note here re: for which question on which worksheet that was done, and describe the formula & underlying numbers. Also use this field to describe in detail any amounts entered for "Other payments" on the worksheet "2.Fiscal," item 10.

2. Code Violations

Provide the following for any violations or citations of Health or Building or Housing Codes that were issued during the reporting period, or were issued in a prior reporting period but remained open during any time of the current reporting period:

Violation or Citation #	Date Issued	Issued By	Description	Cleared? (y/n)

(add additional rows as needed)

** ONLY FOR ALL VIOLATIONS THAT WERE NOT RESOLVED by the end of the reporting period: You must also attach a SCANNED copy of each Violation/Citation to your AMR submittal. **

Violation or Citation #	Date Cleared	Issued By	Description of Remedy

(add additional rows as needed)

** ONLY FOR ALL VIOLATIONS THAT WERE NOT RESOLVED by the end of the reporting period: You must also attach a SCANNED copy of each Violation/Citation to your AMR submittal. **

3. Major Repairs

Describe any major repair or replacement needs that have been identified as being required within the next 2 years, and any related plans to pay for whatever is needed.

4. Vacant Unit Rent-Up Time

If the project had an average VACANT UNIT RENT-UP TIME greater than 30 days for question 36 on the worksheet "1A.Prop&Residents," you must supply the following:

- a. A description of the work done to analyze the cause/s of the high turnaround time, and what the identified causes are; and
- b. A description of the work done to identify means of reducing the turnaround time, and all viable remedies that have been identified; and
- c. A description of the plan to implement any remedies, including specific timelines for the implementation work.

5. Affirmative Marketing

- a. when the marketing was conducted and how it was intended to reach populations least likely to apply for the project;
- b. any advertising, direct mailings, emailings and web postings that were done; and
- c. how many households were on the waiting list prior to the marketing and how many were on it after the marketing was completed.

6. Vacancy Rate ------

If the project had a VACANCY RATE greater than 15%, as may be shown above from the Income Expense section of the worksheet "2.Fiscal," you must supply the following:

- a. A description of the work done to analyze the cause/s of the vacancy rate, and what the identified causes are; and
- b. A description of the work done to identify means of reducing the vacancy rate, and all viable remedies that have been identified; and

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.

Application Process

- **Application Materials**. MOHCD shall provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - o outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - o outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - o be written in language that is clear and readily understandable,
- **First Interview**. In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants shall be offered the opportunity for an interview in lottery rank order.
- **Second Interview**. Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- **Confidentiality**. All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- **Delays in the Process**. If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

- **Problems with the Referring Agency**. If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- <u>Limited English Proficiency Policy.</u> Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider's rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- the applicant has a disability;
- o reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - Hold a comparable unit for the household during the entire appeal process.
 - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - give applicants denied admission a date within which to file the appeal, which shall be at least ten (10) business days from the date of the notice;
 - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - o confine the subject of the appeal to the reason for denial listed in the notice;
 - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

<u>EXHIBIT I</u>

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to "screen in" rather than "screen out" applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - o arrests that did not result in convictions, except for an open arrest warrant;
 - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - o juvenile adjudications.
- Housing providers shall consider:
 - the individual circumstances of each applicant; and
 - the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release "from all penalties and disabilities resulting from the offense."

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Developer Fee Policy [To be attached]

Mayor's Office of Housing and Community Development Policy on Development Fees For Tax Credit Projects Effective July 29, 2016

This MOHCD Developer Fee Policy for Tax Credit Projects applies to all developments seeking City funding in conjunction with new tax credit financing for the current project, including recapitalization projects with existing MOHCD loans. This does not apply to non-Tax Credit projects such as Small Site Program projects. It also does not apply to HOPE SF or RAD projects, which are subject to separate developer fee policies.

Developers may include fees in their project budgets according to the terms below.

I. MINIMUM FEES: 5% of total development costs.

II. MAXIMUM FEES: <u>Notwithstanding any other section of this Fee Policy</u>, the maximum Total Fee that may be included in basis is the lesser of \$4 million or 10% of eligible basis.

A. <u>Total Development Fee</u>

("Total Fee") for different project types are further detailed below, and reflect the sum of the Cash-Out Fee, GP Equity Contribution, and Deferred Fee, if any.

	9% Project -		
	Maximum	4% Project - Maximum	
Project Type	Cash-Out Fee	Cash-Out Fee	Notes
New Construction	TCAC Maximum	The lesser of TCAC Maximum or \$2,000,000 + \$10,000 per unit over 100 units, if additional cash-out requires no additional MOHCD gap funding.	Developers may also take deferred fee; see further explanations below.
Newly Acquired and Substantially Rehabilitated (Per unit Hard Cost >= \$50,000)	TCAC Maximum	Same as new construction fee.	
Substantial Rehabilitation (Per unit Hard Cost >=\$50,000) by Existing or Affiliate GP Includes New City Funds	50% TCAC Maximum	The lesser of TCAC maximum or \$1,000,000 + \$10,000 per unit over 100 units, if additional cash-out requires no additional MOHCD gap funding.	Sponsor may take the allowable fee for Newly Acquired and Rehabilitated projects described above if 1) in the project's original syndication, sponsor did not take the maximum allowable developer fee; or 2) sponsor adds new affordable units to the project. Sponsor cash out from acquisition proceeds is prohibited.

Substantial Rehabilitation (Per unit Hard Cost >=\$50,000) by Existing or Affiliate GP No New City Funds	TCAC Maximum	Same as new construction fee.	Repayment of existing City loans shall be made pari passu with any sponsor cash out via acquisition proceeds, up to the full value of the City loan(s) plus remaining value of any City ground lease and/or operating subsidy.
Recapitalization, acquisition, or transfer with less than \$50,000 Per unit hard cost capital improvements	No Fee	No Fee	

B. Total Fee Components

- <u>Additional Cash Out</u>: If eligible basis is less than Threshold Basis, Projects over 100 units may take up to \$10,000 per unit over 100 as cash-out fee, but only if such cash payment does not require additional gap funding from MOHCD (i.e., the cost of the additional developer fee taken as cash must be covered solely by the additional equity generated by any applicable deferred fee and by the additional cash-out fee itself).
- <u>Deferred Developer Fee</u>: If eligible basis, including the maximum fee amount available as General Partner Equity, is less than Threshold Basis, Developers may include in Total Fee an amount equal to 50% of surplus cash flow taken over a maximum of 15 years (and after payment of the general partner management fee and investor asset management fee, if applicable) as Deferred Developer Fee. Developers may use industry standard inflators of income and expenses to calculate Deferred Developer Fee.
 - a. Distributions of surplus cash as Deferred Developer Fee are in lieu of an Incentive Management Fee. Upon full payment of the Deferred Fee, which may be prior to Year 15 of operations, a surplus cash distribution as Incentive Management Fee shall commence, at 33.3% of surplus cash (and after payment of the general partner management fee and investor asset management fee, if applicable).
 - b. For projects supported by the Local Operating Subsidy Program, Deferred Developer Fee must be taken over a minimum time period of 5 years.
- 3. <u>General Partner Equity</u>: If eligible basis is less than Threshold Basis, Developers should include in Total Fee the maximum amount available for re-contribution as General Partner Equity, with a minimum target of \$500,000.

III. FEE DISTRIBUTION: The Maximum Fee shall be divided equally between an "At-Risk Fee" and "Project Management Fee" (subject to the "At-Risk Fee Adjustment" described below).

B. <u>At-Risk Fee</u>

The remaining 50% of the base Cash-Out Fee + 100% of additional cash-out fee for projects with unit counts over 100 are at-risk for cost overruns that exceed the available contingency funds in the final project budget approved by MOHCD at construction loan closing. One fifth (20%) of the At-Risk Fee may be paid at Qualified Occupancy (95% Leased up and Draft Cost Certification Audit). One half (50%) of the At-Risk fee may be paid out at Permanent Loan Closing/Conversion (Final Cost Certification Audit). The remaining At-Risk fee (30%) may be paid at Project Close-Out, as defined above, including City approval of sponsor's project completion report and documents.

C. At-Risk Fee Adjustment

When outside funding sources limit the Maximum Fee to a value less than MOHCD's standard (e.g., California's Department of Housing and Community Development), the At-Risk Fee shall be capped at \$200,000 or 20% of the Maximum Fee, whichever is less.

IV. WAIVERS OF THE DEVELOPER FEE POLICY

The Citywide Affordable Housing Loan Committee may recommend a waiver or modification of any portion of this policy for the purpose of assuring project feasibility. All recommendations related to this policy are subject to the Mayor's approval in his or her sole discretion.

V. CDBG or HOME REQUIREMENTS

If MOHCD uses CDBG or HOME funds to pay the development fee, it is considered "program income", and, should MOHCD request it, the sponsor must provide a report to MOHCD on its use of developer fees.

Recipients of CDBG administrative funding may not also receive a Project Management Fee for the same project covering the same time period.

VI. POLICY IMPLEMENTATION

This policy applies to any development that has not received its gap financing commitment from MOHCD by the effective date of the policy.

MEMORANDUM

DATE:	July 20, 2018
TO:	CITYWIDE AFFORDABLE HOUSING LOAN COMMITTEE
FROM:	Kate Hartley, Director, MOHCD
RE:	Technical Update to MOHCD Developer Fee Policy for Tax Credit Projects

1. This Request

The Mayor's Office of Housing and Community Development requests approval of a technical update to its "Policy on Development Fees for Tax Credit Projects" (Fee Policy). The Fee Policy currently allows Developers to take a developer fee for 4% low-income housing tax credit projects that is "The lesser of TCAC Maximum, or \$2,000,000, + \$10,000 per unit over 100 units if additional cash-out requires no additional MOHCD gap funding." The California Tax Credit Allocation Committee (TCAC) recently increased its base fee limit for 9% tax credit deals from \$2 million to \$2.2 million. (TCAC's base fee limit for 4% tax credit projects is \$2.5 million.) MOHCD requests that the maximum base "cash-out" fee allowed in the Fee Policy for 4% projects be increased to \$2.2 million to reflect the change. The additional \$200,000 in Developer Fee would be divided equally between Project Management Fees and At Risk Fee under this proposal. Furthermore, MOHCD requests a reference to MOHCD's commercial developer fee policy be added to the Fee Policy and proposes to correct a typo in the Fee Policy's milestones chart.

2. Reason for the Request

The Mayor's Office of Housing and Community Development and Office of Community Investment and Infrastructure underwrite projects seeking loans according to a variety of policies and procedures developed over time, with stakeholder input, and approved by Loan Committee. One of these is the Fee Policy (effective July 29, 2016.) This Fee Policy informs project sponsor requests and is the basis by which MOHCD and OCII approve developer fee budgeting. Any project seeking a MOHCD or OCII loan must be in conformance with the Fee Policy or specifically request a waiver from the policy for a compelling reason that Loan Committee must approve.

MOHCD set the Fee Policy to reflect other important regulatory requirements, specifically TCAC's regulations. So that MOHCD can continue to conform its Fee Policy with TCAC limits related to tax credit projects, the "TCAC Maximum" value in the Fee Policy should change from \$2 million to \$2.2 million.

3. Staff Recommendation

Amend the Mayor's Office of Housing and Community Development Policy on Development Fees for Tax Credit Projects as follows:

Project Type	9% Project - Maximum Cash-Out Fee	4% Project - Maximum Cash-Out Fee	Notes
New Construction		The lesser of TCAC Maximum allowed by the relevant eligible basis calculation OR \$2.2 million + \$10,000 per unit over 100 units, if additional cash-out requires no additional MOHCD gap funding. Hold Harmless Policy [To be attached]

London N. Breed Mayor

> Kate Hartley Director

Hold Harmless Policy for MOHCD's Income Limits & Maximum Rents Effective: 5/3/2019 (update to the initial policy that was effective 2/19/2016)

Background

Every year, the United States Department of Housing and Urban Development ("HUD") publishes area median income ("AMI") data for jurisdictions across the United States. The City and County of San Francisco, acting through its Mayor's Office of Housing and Community Development ("MOHCD"), is a part of the San Francisco HUD Metropolitan Fair Market Rent Area ("SF HMFA"), which contains San Francisco, San Mateo and Marin County. MOHCD uses HUD's unadjusted AMI for SF HMFA as opposed to adjusted AMI, which is inflated to reflect high cost factors, to establish the income limits, maximum rents and sales prices that apply to affordable housing projects and programs regulated by MOHCD.

In 2016, MOHCD established a Hold Harmless Policy which stated that in any year when AMI decreased, MOHCD would maintain the income limits, maximum rents and sales prices at the previous year's levels in order to protect the operational integrity of affordable and inclusionary housing developments.

Purpose

This update to the Hold Harmless Policy (this "Policy") adds a limit to annual increases to income limits, maximum rents and sales prices published by MOHCD in order to mitigate the significant financial burden on low- and moderate-income tenants and homebuyers during periods of high escalation of AMI in San Francisco.

This Policy establishes the following:

- Limit annual increases to income limits, maximum rents, and sale prices to a maximum of 4%ⁱ
- Uphold the current policy of maintaining income limits, maximum rents and sales prices at the previous year's levels in years when AMI, as published by HUD, has decreased.

This Policy is intended to limit harm by:

- 1. Protecting tenants from displacement due to annual rent increases that would cause a significant financial burden; and
- 2. Protecting the operational integrity of housing developments so that owners are able to cover operating costs that typically increase annually, even when AMI decreases; and

3. Ensuring that San Francisco's low-, moderate- and middle-income workforce retain access to homeownership opportunities.

Hold Harmless Limits

For the purpose of this Policy:

"**HUD SF AMI**" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD, derived from the median income determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as "Unadjusted Median Income".

"**MOHCD AMI**" means the maximum income by household size, maximum rent by unit type, and maximum sales prices as published annually by MOHCD under this Policy.

"Housing Provider" means any person or entity that owns a multi-family property that is restricted for the purpose of affordable housing and/or subject to MOHCD administration, regulations, or policies.

<u>Limited Increases</u>: Annual increases to MOHCD AMI shall be limited to the <u>lesser of</u>: (1) the percentage amount necessary to adjust MOHCD AMI to match the then-current year's HUD SF AMI, or (2) four percent (4%)ⁱ. This Policy limits year-over-year increases to MOHCD AMI to 4% in periods of high HUD SF AMI escalation, while allowing MOHCD AMI to "catch up" to HUD SF AMI during periods when HUD SF AMI grows slowly, is static, or decreases.

<u>Limited Decreases</u>: This update to the Policy does not eliminate the Hold Harmless Policy adopted in 2016. In years when the MOHCD AMI matches the HUD SF AMI, and the subsequent year's HUD SF AMI decreases, MOHCD will maintain the MOHCD AMI from the previous year. If, in subsequent years, HUD SF AMI decreases again, stays flat, or increases to a level that is still lower than before the initial decrease, MOHCD will maintain its published AMI until such time as the HUD SF AMI increases to a level that is greater than the MOHCD AMI.

The application of this Policy may result in the creation of a calculation of MOHCD AMI that is different than the HUD SF AMI. The below chart demonstrates how this Policy would be applied over a hypothetical 6-year period:

	Base Year	Ye	Year 2		Year 3		Year 4		Year 5		ar 6
	AMI	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change	AMI	% Change
HUD SF AMI	100.0	108.0	8.0%	107	-0.9%	111	3.9%	109.0	-2.0%	112.5	3.2%
MOHCD AMI	100.0	104.0	4.0%	107	2.9%	111	3.9%	111	0.0%	112.5	1.2%

Utility Allowances

Notwithstanding anything to the contrary in this Policy, it is important to note that a Housing Provider will be required to lower net rents (i.e. tenant-paid rent) as the result of increases in utility allowances in years when the MOHCD AMI matches the HUD SF AMI, and HUD SF AMI has decreased or remained flat. MOHCD AMI establishes the limits for maximum gross rent (aka "Tier 2 rent" under the City's Inclusionary Housing Manual)," which consists of tenant rent plus utility allowance. If HUD SF AMI decreases or remains flat, and therefore MOHCD AMI remain the same as the previous year, an increase in the utility allowance means that the tenant rent would have to be lowered.

Limited Hardship Waiver

MOHCD will consider, in its sole discretion, a waiver of this Policy from a Housing Provider with rental units restricted under contracts (i.e., loan agreement, grant agreement, or other agreement for funding from the City) with MOHCD upon demonstration that: (1) the MOHCD AMI imposes a financial hardship that puts at risk the Housing Provider's ability to cover reasonable operating costs and debt service, (2) existing tenants will not be unreasonably financially burdened by the Housing Provider's proposed rent increases, and (3) the Housing Provider is not in default under any contract with MOHCD. Any waiver from this Policy approved by MOHCD, in its sole discretion, shall apply for only one year. Housing Providers are solely responsible for providing MOHCD with any documentation requested by MOHCD to support a hardship waiver of this Policy.

ⁱ The application of the 4% increase is made on the amount for the 100% AMI level for a 4-person family. MOHCD continues to using rounding to the nearest \$50 on the calculations for all of the other income levels and household sizes. The use of rounding may create nominal differences in the percentage increases for all of the other max income levels and household sizes, as well as for all of the maximum rents.

The endorsement must provide the City with the same rights as the named insured in the event of cancellation or intended non-renewal.

(c) With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any loss covered by Borrower's insurance, except to the extent subrogation would affect the scope or validity of insurance.

(d) Approval of Borrower's insurance by the City will not relieve or decrease the liability of Borrower under this Agreement.

(e) Any and all insurance policies called for herein must contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.

(f) The City reserves the right to require an increase in insurance coverage in the event the City determines that conditions show cause for an increase, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.

(g) All liability policies must provide that the insurance is primary to any other insurance available to the additional insureds with respect to claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought and that an act of omission of one of the named insureds that would void or otherwise reduce coverage will not void or reduce coverage as to any other insured, but the inclusion of more than one insured will not operate to increase the insure's limit of liability.

(h) Any policy in a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in the general annual aggregate limit must be in amounts that are double the occurrence or claims limits specified above.

(i) All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made policy, coverage must be maintained continuously for a period ending no less than three (3) years after recordation of a notice of completion for builder's risk or the Compliance Term for general liability and property insurance.

<u>Commercial Underwriting Guidelines</u> [To be attached]

Mayor's Office of Housing and Community Development Commercial Space Underwriting Guidelines

Effective February 2, 2018

A. Applicability

The following Commercial Space Underwriting Guidelines (Guidelines) are intended to assist applicants for capital financing to prepare financing requests to the Mayor's Office of Housing and Community Development (MOHCD). They apply to new construction projects only. These Guidelines will also be used by MOHCD staff for purposes of evaluating funding requests and presenting them to the Citywide Affordable Housing Loan Committee for consideration. The Loan Committee maintains the right to set final terms and conditions for commitment of funds based on the actual circumstances of each project. MOHCD reserves the right to review and approve any requests for variations to these Guidelines. These Guidelines are subject to change.

B. Goals

- 1. To repay the City for costs related to the development of commercial spaces located within City-funded affordable housing properties.
- 2. To create vibrant neighborhoods, especially for those experiencing displacement of lowincome residents, by facilitating the development of commercial space for Public Benefit and Community Serving Commercial Uses.
- 3. To recognize the dynamism and relationship to market conditions in commercial real estate that is not found in affordable housing while also mitigating against the market risk inherent in this dynamism.

C. Definitions

- 1. Affiliated Entity: An entity that is either controlled by the Housing Owner, controls the Housing Owner, or is under common control with Housing Owner. Control, as used in the previous sentence, means the ownership, directly or indirectly, of the right to vote in or direct the ordinary operations of the entity.
- 2. Commercial Space: An entire undifferentiated commercial area for Public Benefit Use, Community Serving Commercial Use, or Commercial Use. If the Project is subdivided, then the Commercial Space would be a condominium or air rights parcel, separate from the Residential Space. It is possible to have more than one Commercial Space in a Project because the developer intends different uses (for example, a space finished to Warm Shell and where use will be Public Benefit Use, while another area is finished to Cold Shell and Commercial Use is intended). A Commercial Space may be demised into more than one Individual Tenant Space as appropriate.
- **3. Commercial Use**: A land use, typically retail or other sales and services use, with the sole or chief emphasis on making financial gain and that is not a Public Benefit Use or Community Serving Commercial Use as defined below. Commercial Uses shall not include uses that, in MOHCD's sole discretion, are inconsistent with fostering a stable environment for families and children, including, but not limited to, bars, liquor stores,

tobacco product stores, recreational cannabis shops (medical cannabis dispensaries may be permitted in MOHCD's sole discretion, but only to the extent permitted by funding sources and applicable local, state, and federal law) or other uses that cater exclusively to adults.

- 4. Commercial Entity: A legal entity, separate from the Housing Owner, who may either master lease the Commercial Space from the Housing Owner or ground lease the Commercial Space directly from the City, as provided in Permitted Legal Structures, below.
- 5. Commercial Project Costs: The total of all hard and soft costs associated with the development of the Commercial Space.
- 6. Community Serving Commercial Use: A land use, typically retail or other sales and services use, that provides a direct benefit to the community, e.g. a food market with affordable and healthy produce and other goods, community banking, or other neighborhood serving uses that have a demonstrated benefit to the residents of the Project, as determined by MOHCD in its sole discretion.
- **7. Commercial Space Master Tenant:** A Commercial Entity that is an Affiliated Entity and that leases the Commercial Space from the Housing Owner and subleases Individual Tenant Space(s) to Individual Commercial Tenant(s).
- 8. Housing Owner: The owner of the residential improvements at the Project.
- 9. Cold Shell: Commercial Space improvements as defined in detail under Item 18.
- **10. Individual Commercial Tenant:** An occupant of Commercial Space rented from the Housing Owner or Commercial Entity (depending on legal structure).
- **11. Individual Tenant Space:** Demised portion of the Commercial Space for lease to an Individual Commercial Tenant.
- 12. Net Commercial Cash Flow: Commercial Operating Income less the Commercial Operating Expenses for a Lease Year (or portion thereof). Commercial Operating Expenses means the reasonable and customary expenses of reasonable operating and routine maintenance and repair expenses incurred by the Housing Owner or Commercial Entity (depending on legal structure) in the operation of the Commercial Space, debt service, and MOHCD-approved reserves. Commercial Operating Income means all income and receipts in any form received by the Housing Owner or Commercial Entity (depending on legal structure) from the operation of the Commercial Space, including rents, fees, deposits, and reimbursements.
- **13. Project**: A mixed-use, multifamily residential and commercial project built with substantial reliance on City funding, which may include one or more subdivided residential condominium/air rights parcels and commercial condominium/air rights parcels.
- **14.** Public Benefit Use: A land use, typically programs or services, that primarily benefits low-income persons, is implemented by one or more 501(c)(3) public benefit

corporations, and has been identified by the City or community as a priority use. Examples include, but are not limited to, childcare centers, adult day health centers, nonprofit office space, public libraries, supportive services for the residents of the affordable housing development, health clinics that serve the local community at no or low cost, arts-related spaces that provide programs, and classes and/or exhibition spaces available to community members at no or low cost.

- **15. Residential Space**: The entire undifferentiated residential area for future demising and occupancy by residential tenants. If the Project is subdivided, then the Residential Space would be a condominium or air rights parcel, separate from the Commercial Space(s).
- **16. Tenant Improvement Allowance:** A budget allowance sized to accommodate the build out of Warm Shell improvements, which MOHCD may approve when the Individual Commercial Tenant/s is unknown at construction loan closing.
- **17. Warm Shell:** Commercial Space improvements as defined in detail under Item 18.
- **18.** Detailed definition of Cold Shell and Warm Shell improvements (see next page)

D. Permitted Legal Structures

a. Each of the following legal structures may be used for a Project, as permitted by MOHCD, taking into account the location of the Project, the community that the Project intends to serve, financing requirements and restrictions, and the capacity and expertise of the developer and Housing Owner. These Guidelines assume MOHCD owns the land on which the Project is located. In the rare scenario in which that is not the case, MOHCD and the Housing Owner will adjust these Guidelines accordingly to achieve the Goals articulated in Paragraph B and the same financing principles related to the use of MOHCD funds.

1. <u>No Subdivision; Single Ground Lease</u>. The real property is not subdivided and the entire property is ground leased to Housing Owner.

a. <u>Direct Leases</u>: Housing Owner leases directly to Individual Commercial Tenant(s); or

b. <u>Commercial Master Lease</u>: Housing Owner leases the Commercial Space to the Commercial Entity (which must be an Affiliated Entity) (the "Commercial Space Master Tenant"). The Commercial Space Master Tenant would then sublease the Individual Tenant Space(s) to Individual Commercial Tenant(s).

2. <u>Subdivision</u>. The real property is subdivided into a separate residential condominium or air rights parcel and a separate commercial condominium or air rights parcel (or subdivided into more than one separate parcels of either use).

a. <u>Single Ground Lease</u>. The real property is subdivided, and the City ground leases the entire property to the Housing Owner.

(i) <u>Direct Leases</u>: Housing Owner retains ownership of the leasehold for the Commercial Space and leases directly to Individual Commercial Tenant(s); or

(ii) <u>Commercial Master Lease</u>: Housing Owner retains ownership of the leasehold for the Commercial Space and leases the Commercial Space to a Commercial Space Master Tenant. The Commercial Space Master Tenant would then sublease the Individual Tenant Space(s) to Individual Commercial Tenant(s).

b. <u>Separate Ground Leases</u>.

(i) The City ground leases the Residential Space to the Housing Owner. The City separately ground leases the Commercial Space to the Commercial Entity. The Commercial Entity may or may not be an Affiliated Entity.

(ii) Where the Commercial Entity is a for-profit company, not related to the Housing Owner, and the Commercial Space will be used for Commercial Use, the City's strong preference is that the subdivision be in the form of a condominium as opposed to an air rights parcel.

E. Underwriting Guidelines for All Permitted Legal Structures

- 1. The eligible uses of MOHCD Funds for Commercial Project Costs are:
 - a. <u>Hard Costs</u>: Subject to approval by MOHCD, Borrower may request the use of MOHCD funds for the following:
 - i. <u>Commercial Uses</u>: Cold Shell only. However, MOHCD may provide funding for Warm Shell improvements required to be installed concurrent with residential construction (e.g. restaurant flue shafts with grease ducts and access panels on each floor, drain lines and anchor bolts installed in PT floor and ceiling slabs). If Housing Owner is working with the Commercial Entity or an Individual Commercial Tenant before or during construction, Housing Owner may install ducting to the exterior (roof or louvers on building exterior) as a reimbursable cost to Housing Owner by the Commercial Entity or the Individual Commercial Tenant. Costs for all Cold Shell and Warm Shell improvements must be repaid to MOHCD, in full or in part, through non-housing sources, according to the requirements set forth in Section I below.
 - ii. <u>Community Serving Commercial Uses</u>: Cold Shell and Warm Shell. Borrower is required to seek funding from other City and private sources, such as commercial loans, OEWD or the Child Care Fund, New Market Tax Credits, etc., as appropriate for the proposed use for the purpose of reducing funding required from MOHCD.
 - iii. <u>Public Benefit Uses</u>: Cold Shell and Warm Shell. Borrower is required to seek funding from other City and private sources such as commercial loans, OEWD or the Child Care Fund, New Market Tax Credits, etc. as appropriate for the proposed use, for the purpose of reducing funding required from MOHCD.
 - b. Soft Costs: Subject to MOHCD approval and evaluated based on industry standards and market conditions for comparable projects and uses, including:
 - Construction management and consulting fees for coordination of tenant improvements with shell construction
 - Commercial broker fee
 - Commercial space lease-up reserve
 - Commercial space replacement reserve
 - Commercial space developer fee (see developer fee policy below)
 - Market analysis as is required by MOHCD
 - Future tenant improvements reserve
 - Pro rata share of Project development costs associated with Commercial Space (for example, financing costs and legal fees)

- 2. Conditions of MOHCD Funds.
 - a. <u>Market Analysis:</u> Developer shall provide MOHCD a third party prepared market analysis (e.g. from a broker, appraiser, or market analyst) to determine appropriate terms for Market Rents, Rent Growth, Annual Rent Adjustments, Rent Concessions and/or Tenant Improvement Allowances, Vacancy, Expenses, Expense Growth, Management Fees, Leasing Agent Fees, and Reserves.
 - b. Operating Budget. Developer shall provide the Housing Owner's or Commercial Entity's (depending on legal structure) commercial operating budget based on proposed use and market conditions consistent with the third party prepared Market Analysis provided for the project as defined above in 2.a. Commercial rents charged must be sufficient to cover all direct, shared, and allocated costs attributable to commercial use, including, but not limited to: pro-rata share of cleaning, maintenance and utility costs for shared bathrooms and hallways; prorata share of maintenance of fire sprinkler and fire alarm systems; pro-rata share of cleaning, maintenance and repair of the trash room; pro-rata share of maintenance and repair of the sidewalk, street trees and bike racks; pro-rata share of hydro-jetting of the sewer laterals; and pro-rata share of back-flow testing of the water lines. Commercial operating expenses shall include all utilities payable by the property for the Commercial Space, commercial property management and asset management fees, commercial operating and replacement reserves, and property taxes and insurance attributable to the Commercial Space.
 - c. <u>Leases and Letters of Intent</u>. The Commercial Master Lease and business terms for Direct Leases and subleases are subject to review and approval by MOHCD, in accordance with the Market Analysis and these Guidelines.

F. Commercial Space Developer Fee

- <u>Commercial Uses</u>: The lesser of \$100,000 or 15% of the non-residential depreciable basis, so long as the sum of the Commercial Space Developer Fee and the Residential Developer Fee do not exceed the developer fee limits allowed by TCAC. A one-time additional \$50,000 incremental fee will be allowed for completion of the condominium or air rights subdivision, subject to MOHCD approval of the subdivision and legal structure. The Commercial Space Developer Fee is payable only from non-MOHCD sources, e.g. commercial loan proceeds or transfer of the leasehold estate in the Commercial Space, etc.
- 2. <u>Public Benefit Uses and Community Serving Uses</u>: The lesser of \$250,000 or 15% of the non-residential depreciable basis, so long as the sum of the Commercial Space Developer Fee and the Residential Developer Fee do not exceed the developer fee limits allowed by TCAC. A one-time additional \$50,000 in fee will be allowed for completing the condominium or air rights subdivision, subject to MOHCD approval of the subdivision and legal structure. Half of the Commercial Space Developer Fee is payable

only from non-MOHCD sources, e.g. commercial loan proceeds, grants, or transfer of the leasehold estate in the Commercial Space.

3. <u>Commercial Space Developer Fee; Net Developer Fee Maximums</u>. To the extent allowable by TCAC, the Commercial Space Developer Fee is in addition to the net developer fee maximums pursuant to MOHCD Developer Fee Guidelines.

G. Change in Use

Change in use from Public Benefit Use or Community Serving Commercial Use to Commercial Use requires approval by MOHCD and will result in required repayment of the costs of Warm Shell improvements funded by MOHCD loan(s). Repayment will be calculated by amortizing the MOHCD-funded costs over the useful life of the improvements and sized based on the number of years the improvements did not serve a Public Benefit or Community Serving Commercial Use.

H. Single Ground Lease Additional Guidelines

The following ground lease terms apply where the City ground leases the entire property to the Housing Owner, whether or not the property has been subdivided.

1. Direct Lease

a. **40% City/60% Housing Owner:** 40% of Net Commercial Cash Flow will be paid by Housing Owner to City in the form of increased ground lease payment of Residual Rent (see MOHCD Policy on Ground Leases for defined terms). Housing Owner will retain 60% of Net Commercial Cash Flow.

b. Limit on Commercial Revenue: City recommends tax counsel guidance to avoid issues of unrelated business income.

2. Commercial Master Lease

a. **40% City/60% Affiliated Entity:** 40% of Net Commercial Cash Flow will be paid by Commercial Entity to Housing Owner and subsequently paid to City in the form of increased ground lease payment of Residual Rent. 60% of Net Commercial Cash Flow is payable to the Commercial Entity (ie. the Commercial Space Master Tenant). The Commercial Entity must be an Affiliated Entity.

b. Limit on Commercial Revenue: City recommends tax counsel guidance to avoid issues of unrelated business income.

I. Separate Ground Leases Additional Guidelines

The following MOHCD commercial loan repayment and commercial ground lease terms apply where the property has been subdivided, the City ground leases the Residential Space to the Housing Owner, and the City ground leases the Commercial Space(s) to the Commercial Entity(ies).

1. Reimbursement to MOHCD of Commercial Project Costs depends on the ownership structure and the type of use, as follows:

a. Public Benefit Uses, Community Serving Commercial Uses, and Commercial Uses when the Commercial Entity is an Affiliated Entity:

Within the earlier of 90 days after 75% occupancy is achieved for Commercial Space or one year after the issuance of a Temporary Certificate or Occupancy or Certificate of Occupancy for the Commercial Space, the Commercial Entity must obtain a commercial loan commitment to repay MOHCD for all Commercial Project Costs included in MOHCD financing. The terms for any repayment source that requires a lien against the Commercial Space are subject to MOHCD approval. The commercial loan must close within 90 days following the issuance of a loan commitment. In the event that the commercial loan is not large enough to fully repay MOHCD for Commercial Project Costs, MOHCD will retain a second position Deed of Trust against the Commercial Space, securing a Note in the amount of any unpaid balance. Any outstanding balance on a MOHCD commercial loan will be payable upon refinance or transfer of the Commercial Space.

b. Commercial Uses when the Commercial Entity is an unrelated third-party:

The Commercial Entity must repay MOHCD for all Commercial Project Costs included in MOHCD financing at close of purchase of the leasehold interest in the commercial condominium/air rights parcel and/or execution of the commercial ground lease. The terms for any repayment source that requires a lien against the Commercial Space are subject to MOHCD approval.

- 2. Commercial Space Ground Lease Payment and Payment on Any Outstanding MOHCD Commercial Loan
 - a. Public Benefit Uses & Community Serving Commercial Uses: Annual ground lease payment equal to 40% of Net Commercial Cash Flow. However, if there is an outstanding MOHCD commercial loan, the 40% Net Commercial Cash Flow will first be used to pay down the MOHCD commercial loan and then to the annual ground lease payment. Commercial Entity will retain 60% of Net Commercial Cash Flow.
 - b. Commercial Uses: Annual ground lease payment equal to market rent based on current comparable leases. Sizing of Base Rent and Residual Rent to be negotiated. If there is an outstanding MOHCD commercial loan (only applicable when the Commercial Entity is an Affiliated Entity), 40% Net Commercial Cash Flow will be used to pay off the MOHCD commercial loan and then go towards payment of Residual Rent, if applicable. Commercial Entity will retain 60% of Net Commercial Cash Flow.
- 3. Any transfer or sale of the Housing Owner's or Commercial Owner's ground lease interest in the Commercial Space parcel is subject to MOHCD approval as ground lessor. If the Project was developed as air rights parcels, MOHCD may require that the air rights subdivision be converted to condominiums before the Commercial Space may be transferred to an unaffiliated for-profit entity for Commercial Use.

4. Ground Lease Term: To be negotiated based on Market Analysis (see section E.2.a. for requirements for Market Analysis.)

EXHIBIT P

Residual Receipts Policy [To be attached]

EXHIBIT P Mayor's Office of Housing and Community Development Residual Receipts Policy Effective April 1, 2016

INTRODUCTION

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under the Ground Leases and Loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment.

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met.

I. Definition of Residual	As depicted in the approved MOHCD Operating Budget Proforma for

I. Definition of Residual Receipts

- A. Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments from surplus.
- B. The project-specific Funding Agreements and/or Ground Leases define what Project Income entails and which Project Expenses are allowable. In general, the definition of allowable Project Expenses will include mandatory or "hard" debt service payments, minimum or Base Rent owed under a Ground or Land lease, and required annual payments into Reserve accounts. Each MOHCD contract will include a copy of the approved Operating Budget Proforma.
- C. When MOHCD requires repayments from Residual Receipts, the formula usually requires payment of a portion of the available Residual Receipts. The use of a proportional formula makes it is essential to clearly define which uses of surplus cash have been approved for payment prior to the calculation of the amount owed to MOHCD.
- D. The approved uses of any available surplus may also be referred to as the cash flow waterfall. The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:
 - 1. Fees payable to the project, the GP, the LP or the parent entity
 - 2. Fees payable to project funders
 - 3. "Soft" debt repayments to lenders / lessors

Please see the City's Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

E. Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

II. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be 2/3^{rds} of Residual Receipts. Larger Tax Credit projects may be eligible to use an alternative ½ - ½ split for up the first 10 years of a new tax credit period and the borrower's portion of Residual Receipts shall be considered payment of Deferred Developer Fee. See the Developer Fee Policy for more details.

Any residual receipts payments shall be applied toward the unpaid balance of MOHCD loan/s according to the terms in the Promissory Note and/or Funding Agreement, and toward the payments required under the MOHCD Ground Lease.

III. When more than one MOHCD contract requires residual payments:

Some projects supported by MOHCD may be governed by more than one MOHCD contract. The MOHCD Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. Projects governed by more than one MOHCD contract that extend or initiate a MOHCD contract after the effective date of this policy will be required to get approval of a new MOHCD Operating Budget Proforma.

IV. When a project has other Lenders in addition to MOHCD that require residual payments

- A. If any other project lenders besides MOHCD require repayment from residual receipts, the portion to be repaid to each Lender will typically be determined by the proportional amount of capital supplied under each loan. For example, if a project received a \$2 million loan from MOHCD and a \$3 million loan from another lender, MOHCD would receive 2/5^{ths} of the amount available to be repaid, and the other lender would receive 3/5^{ths} of the amount available to be repaid. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a project makes an agreement with any other lender/s after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, prior to making any payments to such other lender/s, the project must request and be approved in writing to amend the MOHCD-approved Operating Budget Proforma to include the new lender/s.
- B. During operations, MOHCD will require Residual Receipts payments using MOHCD's method of calculating surplus and any amounts owed to the MOHCD. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

V. Conditions to Distribution of Residual Receipts to Borrower

- A. Distribution of Residual Receipts to the borrower of a MOHCD loan, or lessee of a MOHCD ground lease, may be made only upon:
 - 1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
 - 2. Determination by MOHCD that the borrower is not in default under terms of the Loan; and

- 3. Approval by MOHCD of the amount to be distributed.
- B. No distribution of Residual Receipts shall be made under any of the following circumstances:
 - 1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
 - 2. When the City determines that the borrower or the borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
 - 3. If any operating expense, including debt service on non-City loans remains unpaid; or
 - 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract/s; or
 - 5. In the event of any other material failure to comply with the provisions of the MOHCD contract/s.

VI. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages borrowers to use the portion of Residual Receipts that is not applied toward repayment of MOHCD's loan or payment of residual rent under a MOHCD ground lease for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project

- A. With the exception of Residual Receipts retained by a borrower pursuant to this policy, any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
- B. The Loan Committee may approve variations of this policy on a project-specific basis, including the payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents either as a project expense or out of that portion of Residual Receipts that would otherwise be repaid to the City.
