PUBLIC COMMENT, April 3, 2024 Rules Committee Agenda, Item 4 [Mayoral Appointment, Municipal Transportation Agency Board of Directors – Amanda Eaken] BOS File No.: 230255

This public comment OPPOSES the third appointment of Amanda Eaken to the Board of Directors of the Municipal Transportation Agency Board of Directors ("MTA Board"). Please assure that this Comment is distributed to all Rules Committee Members and to the Full Board of Supervisors and that it is placed in all relevant files.

The seven directors of MTA's Board control Operating and Capital Budgets approaching two billion dollars per year. Both that huge allocation of public money and MTA's control of transportation in San Francisco are why each of the seven directors governing MTA's Board is required to have the objectivity to represent all travelers in San Francisco.

Such public officials must also observe ethical obligations, including filing Form 700 yearly. Ms. Eaken has failed to comply with that legal obligation.

The San Francisco Charter specifies that each MTA Director "must possess significant knowledge of, or professional experience in, one or more of the fields of government, finance, or labor relations." Further, at least four of the directors "must be regular riders of the Municipal Railway, and must continue to be regular riders during their terms," and at least two directors "must possess significant knowledge of, or professional experience in, the field of public transportation." During their terms, all of the directors "shall be required to ride the Municipal Railway on the average once a week." (SF Charter § 8A.102(a).)

Although she claims that she meets the MTA Board requirement to ride Muni at least once per week, there is no evidence that Ms. Eaken has any significant knowledge of, or professional experience in, the field of public transportation.

More problematic are Ms. Eaken's violations of ethics requirements and her complete lack of objectivity and failure to represent the needs of San Francisco travelers.

1. Ms. Eaken Has Failed To File Form 700's Each Year, Thus Failing To Meet Legal Ethics Requirements Required For MTA Board

Ms. Eaken should be disqualified from the MTA Board, because she failed to report on the required FORM 700 her significant wealth of investments since her appointment in September 2018 to March 27, 2023. Form 700 is a public disclosure of investments that is *required* to be

filed *every year* while serving on MTA Board. No Form 700's were in evidence for Ms. Eaken in 2019, 2020, 2021, and 2022.

Ms. Eaken's March 27, 2023 Form 700, Attachment A, shows numerous investments in 2021 of from \$10,000 to \$100,000. Those 2021 investments should have been reported on a Form 700 in 2022. They were not. Although Ms. Eaken claims these investments were acquired *and* disposed of in 2021, her untimely statement fails to give the dates of their acquisition and disposal:

Ms. Eaken's 2021 investments, **reported more than one year late**, were at least **\$282,028 to \$2,810,000**. Ms. Eaken claims those large investments were both acquired and disposed of in 2021, with *most dates missing*. (Eaken Form 700, Schedule A-1, March 27, 2023.) Did she have any investments in 2022? None are reported.

These 2021 investments finally reported in 2023 do not include Ms. Eaken's other assets such as real estate ownership in San Francisco.

Ms. Eaken's plain violation of her ethical duties to timely report such investments clearly disqualifies her from being a Director of MTA.

Ms. Eaken also reports a salary income of "Over \$100,000" from a New York non-profit advocacy organization, NRDC. (Eaken Form 700, Schedule C, March 27, 2023.)

Ms. Eaken's spouse (or domestic partner), Brad Jacobson, is a principal of the EHDD architect corporation with an income of "OVER \$100,000." (Eaken Form 700, Schedule C, March 27,

2023.) EHDD has benefitted from contracts with the City and County of San Francisco. (see, e.g., <https://www.ehdd.com/project/lick-wilmerding-campus-expansion-and-renovation>; <https://www.ehdd.com/project/the-exploratorium-at-pier-15>)

2. Ms. Eaken Also Fails To Meet The Basic Requirement Of Objectivity

Her record shows that Ms. Eaken lacks the fundamental objectivity necessary to represent San Francisco travelers, and she clearly does not comprehend the needs of the vast majority of travelers in San Francisco who choose to drive.¹ Ms. Eaken clearly does not have the objectivity needed to efficiently and fairly represent San Francisco’s transportation needs.

Contrary to her rhetoric on behalf of recreationists/bicyclists, driving is mode choice of the vast majority of San Francisco travelers. (Fn. 1, *ante*.) Less than 3 percent of San Francisco travelers choose to ride bicycles. (*Id.*) Ms. Eaken nevertheless persistently and without exception has voted to allocate hundreds of millions to bicycle “improvements” and anti-car measures, including closing and obstructing public streets to cars, removing travel lanes, and eliminating parking for the vast majority who drive.

While Ms. Eaken claims to ride Muni, there is no evidence that she does. Her profile shows an affluent lifestyle of leisure-class bicycling and anti-car, bicycling advocacy.

While MTA claims drivers who pay for the public streets should somehow rescue MTA from the fiscal cliff it faces from its advocacy and large expenditures on bicycle “improvements,” the public is unlikely to finance more of the same. People need an MTA Board that deals with driving and transit, the two major forms of transportation in San Francisco.

Ms. Eaken consistently fails to acknowledge public comment objecting to the millions spent by MTA on bicycle projects, never varying from her rhetoric supporting the political advocacy of the San Francisco Bicycle Coalition. (See, e.g., https://www.sfexaminer.com/archives/sfmta-board-to-vote-on-better-market-street-changes/article_45ae5fad-d570-5061-9fc5-5666baf1ecbc.html).²

For example, at the December 6, 2022 MTA Board meeting, many people waited hours for their short two minutes to speak against MTA’s proposed permanent “Slow Streets” on that agenda. Ms. Eaken *completely ignored their objections*, and then spent hours on her own rhetorical digression that materially changed what was on the Agenda in violation of the Brown Act, giving *no opportunity for the public to speak to her “amended” proposal*.

² SFBC is a private lobbying corporation advocating a militant anti-car agenda, which receives millions in grants of public money. SFBC and Walk SF were under investigation for illegal use of public money during the 2022 election. WalkSF has a failing score under Charity Navigator due to IRS issues. (<https://www.charitynavigator.org/ein/472000881>)

Even though MTA's own data shows bicycling constitutes less than 3% of the transportation mode choice of San Francisco travelers,³ and MTA now asks the public it has disregarded to vote for a huge bond to rescue MTA from the "fiscal cliff" it faces due to bicycle project expenditures such as the Better Market Street billion-dollar bicycle path, anti-car street closures, and even closing Golden Gate Park to cars.

The public has been adversely affected by MTA Board members' anti-car, pro-bicycling bias for many years with MTA Board members like Ms. Eaken representing bicyclists and promoting an anti-car agenda that spends millions on making motor vehicle travel more congested, expensive and difficult, removing travel lanes, eliminating parking, and obstructing and closing public streets to people who drive.

3. Since Ms. Eaken's Appointment In 2018, Muni Ridership Has Continued To Decline

MTA cannot properly staff its buses but still has a bloated office staff of hundreds of "engineers," "planners" and public relations propagandists for bicycling. The public does not need more control of MTA for the sole benefit of three percent of recreationists and against the majority of travelers who travel by cars.

The Covid pandemic reduced transit ridership by 90%, and ridership is still in drastic decline even after return to work. All of this has occurred during Ms. Eaken's tenure on the MTA Board, while her focus has been solely on spending allegedly scarce MTA resources on bicycling and closing public streets to cars.

The MTA Board should represent the interests of all travelers, which will not be accomplished by re-appointing Ms. Eaken to the MTA Board, even if her ethical violations could be ignored.

Now more than ever MTA needs directors who will serve the majority of San Francisco travelers. Declining revenue and ridership clearly indicate that MTA must stop making travel slower and more difficult for the majority of travelers while spending millions on bicycle "improvements" for the less than 3% of travelers who ride bicycles in San Francisco.

The Rules Committee and the Board of Supervisors should recognize the public's real needs, which will not be served by re-appointing an anti-car, bicycling zealot to the MTA Board and by Ms. Eaken's lack of objectivity and inability to hear the public's voice

CONCLUSION: Failing to properly file the required Form 700 does not meet the ethical requirements for a Director of MTA Board, and disqualifies Ms. Eaken from re-appointment to the MTA Board.

The Rules Committee and the Board of Supervisors should reject the Mayor's nomination for re-appointment of Amanda Eaken to the MTA Board.

Rules Committee:

re: Rules Committee April 3, 2023 Hearing re Reappointment of Steve Heminger and Amanda Eaken to SFMTA Board

Please vote to oppose the reappointments of Steve Heminger and Amanda Taken to the SFMTA Board. This body has shown complete disrespect for the voice of the citizens of San Francisco. They have not upheld their responsibility to abide by the wishes of the community when they vote to establish center bike lanes on Valencia, against the wishes of many people including cyclists. There are reports that center bike lanes have resulted in more accidents. Who benefits from these decisions?

Please vote deny their reappointments.

Sincerely,

Mari Eliza, Concerned SF Citizen
