I support Supervisor Dorsey's effort to end sanctuary for deadly drug dealers!

Message to the Board of Supervisors

Dear Supervisors,

I support Supervisor Dorsey's ordinance amending San Francisco's administrative code so our Sanctuary Ordinance will protect law-abiding residents as intended and not the criminals that prey upon innocent victims and those incapacitated by substance addiction.

The last straw for many San Franciscans was watching former SF District Attorney Chesa Boudin describe how he used our Sanctuary Ordinance to protect Honduran drug dealers. A historic recall election soon followed and Boudin was resoundingly recalled.

Misuse of our Sanctuary Ordinance must stop. Enacted in 1989 to shield undocumented immigrants from being turned over to ICE by local law enforcement after reporting crime, many exemptions have been added to the law over the years including for murderers and rapists. It's now time to add deadly drug dealers to that list of those who are exempt from sanctuary protection in San Francisco.

Thank you.
