Section 1. General Findings

(a) In 2017, in Ordinance Nos. 252-16 and 4-17, the City amended the San Francisco General Plan, Planning Code, and Zoning Map to create the Mission and 9th Street Special Use District, in the area generally bounded by Mission Street on the south, Laskie Street on the east, Assessor's Block 3701, Lots 22, 23 and 24 on the west, and Assessor's Block 3701,

1 Lot 66 to the north. The Mission and 9th Street Special Use District allowed for a mixed-use  
2 development project at 1270 Mission Street. The 1270 Mission Street project, located on the  
3 Mission Street transit corridor, included ground floor retail, and a mix of very-low, low,  
4 moderate, and market rate rental housing in a higher amount and in a different combination  
5 than what would otherwise have been allowed in the C-3-G zoning district and 120-X height  
6 district in which it was located.

7 (b) An uncodified portion of Ordinance No. 4-17 provided that the ordinance expired by  
8 operation of law five years after its initial effective date (which was February 19, 2017),  
9 namely, February 19, 2022, unless the 1270 Mission Street project had received a first  
10 construction document on or before February 19, 2022, or the Board of Supervisors, on or  
11 before February 19, 2022, extended or re-enacted the ordinance.

12 (c) The project sponsor made good faith efforts to obtain a first construction document  
13 for a project at 1270 Mission Street; however, for reasons out of the control of the project  
14 sponsor, including but not limited to the COVID-19 pandemic, the project sponsor was unable  
15 to receive a first construction document within the time provided by Ordinance 4-17.

16 (d) By this ordinance, the Board of Supervisors re-adopts, without any material  
17 changes, Planning Code Section 249.15 - the Mission and 9th Street Special Use District - to  
18 allow the project sponsor to continue pursuing the project at 1270 Mission Street without  
19 delay.

## 20 21 Section 2. Land Use and Environmental Findings

22 (a) On August 24, 2016, prior to adopting Ordinance Nos. 252-16 and 4-17, the  
23 Planning Department's Environmental Review Officer finalized the Mitigated Negative  
24 Declaration ("MND") for the 1270 Mission Street Project, and determined that the MND was  
25 adequate, accurate, and complete and reflected the independent judgment of the Planning

1 Department. A copy of the MND and this Determination is on file with the Clerk of the Board  
2 of Supervisors in File No. 161067. The Planning Commission adopted the MND and a  
3 Mitigation Monitoring and Reporting Program in its Motion Number 19767 on October 27,  
4 2016. In Ordinance No. 4-17, this Board reviewed the MND and the record as a whole, and  
5 adopted and incorporated by reference, as though fully set forth therein, the findings, including  
6 the Mitigation Monitoring and Reporting Program, pursuant to the California Environmental  
7 Quality Act (California Public Resources Code Section 21000 et seq.), adopted by the  
8 Planning Commission on October 27, 2016, in Resolution No. 19767. A copy of said  
9 Resolution No. 19767 is on file with the Clerk of the Board of Supervisors in File No. 161067  
10 and is incorporated herein by reference.

11 (b) The Board has reviewed the MND and Mitigation Monitoring and Reporting  
12 Program and finds, on the basis of substantial evidence and in light of the whole record, that  
13 there have been no changes to the project or its circumstances and no new information has  
14 become available since adoption of the MND that would alter the findings of the Planning  
15 Commission or this Board.

16 (c) On October 27, 2016, the Planning Commission, in Resolution No. 19767, adopted  
17 findings that the actions contemplated in Ordinance No. 4-17 were consistent, on balance,  
18 with the City's General Plan and eight priority policies of Planning Code Section 101.1, and  
19 that the amendments would serve the public necessity, convenience, and welfare pursuant to  
20 Planning Code Section 302. The Board adopted these findings as its own on January 10,  
21 2017, in Ordinance No. 4-17. A copy of said Resolution and Ordinance is on file with the  
22 Clerk of the Board of Supervisors in File No. 161067.

23 (d) On October 26, 2023, the Planning Commission, in Resolution No. 21418, adopted  
24 findings that the actions contemplated in this ordinance are consistent, on balance, with the  
25 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board

1 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the  
2 Board of Supervisors in File No. 230540, and is incorporated herein by reference.

3 (e) Pursuant to Planning Code Section 302, this Board finds that these Planning Code  
4 amendments will serve the public necessity, convenience, and welfare for the reasons set  
5 forth in Planning Commission Resolution 21418 and the Board incorporates such reasons  
6 herein by reference, as though fully set forth herein. A copy of Planning Commission  
7 Resolution No. 21418 is on file with the Clerk of the Board of Supervisors in File No. 230540.

9 Section 3. Article 2 of the Planning Code is hereby amended by adding Section 249.15  
10 to read as follows:

11 **SEC. 249.15. MISSION AND 9TH STREET SPECIAL USE DISTRICT.**

12 (a) In order to provide for a mixed use development project on the Mission Street transit  
13 corridor with ground floor retail, and an increased amount and unique combination of very-low, low,  
14 moderate, and market rate rental housing than what would otherwise be allowed in a C-3-G zoning  
15 district with a 120-X height limit, there shall be a Mission and 9th Street Special Use District (SUD) at  
16 1270 Mission Street located at Lots 20 and 21 of Assessor's Block 3701, as designated on Sectional  
17 Map SU07 of the Zoning Map. The exceptions to the applicable open space and floor area ratio  
18 requirements set forth below, the rezoning of the applicable height district set forth in the ordinance in  
19 Board File No. 230540 creating this Section 249.15, and the resulting increased number of Dwelling  
20 Units allowed by the SUD, shall be considered forms of assistance specified in Chapter 4.3 of the  
21 California Government Code.

25 to allow for the increased number of Dwelling Units and other exceptions to the Code provided by this

1 Special Use District, on-site inclusionary Dwelling Units pursuant to Planning Code Section 415.6  
2 shall be required. Notwithstanding the provisions of Section 415.6(a)(1) and (2), the number of  
3 inclusionary Dwelling Units constructed shall be 25% of all units constructed, with a minimum of  
4 13.5% affordable to households whose total household income does not exceed 55% of Area Median  
5 Income for purposes of renting an affordable unit; 4% of the units affordable to low income  
6 households, defined in this subsection (b)(1) as households whose total household income does not  
7 exceed 70% of Area Median Income for purposes of renting an affordable unit; 4% of the units  
8 affordable to households earning 90% of Area Median Income for purposes of renting an affordable

19 (B) A terrace or roof garden with landscaping;  
20 (C) Streetscape improvements with landscaping and pedestrian amenities that

22 building setbacks; or  
23 (D) Streetscape improvements with landscaping and pedestrian amenities on  
24 alleyways from building face to building face, beyond basic street tree planting or street lighting as  
25 otherwise required by the Planning Code or other parts of the Municipal Code.

(4) **Floor Area Ratio.** For projects that meet the requirements of subsection (b)(1), the floor area ratio limits set forth in Sections 123 and 124 of this Code for C-3-G Districts shall not apply to Residential Uses as defined in Section 102. For all other projects, applicable floor area ratio limits shall apply.

(c) This Section 249.15 shall expire by operation of law five years after its effective date unless the project described in subsection (a) has received a first construction document on or before that date, or the Board of Supervisors, on or before that date, extends or re-enacts this Section. Upon expiration of this Section, the City Attorney is authorized to cause the section to be removed from the Planning Code.
