Good afternoon chair and members of the board of supervisors. My name is Rick Hodgkinns I am a member of the Bay Area Association of disabled sailors, and I am also a patient of the University of California San Francisco medical center. I have multiple disabilities including congenital blindness, and I am speaking in favor of, the item and honor and the legacy and memory of Judy Heumann! I am also speaking in favor of the plaque to be put up over in United Nations plaza! Please do the right thing? Thank you!
