Committee on Budget & Finance

San Francisco Board of Supervisors

City and County of San Francisco, CA 94102-4689

Re: Item 7, [230292](#): Appropriation - General Reserve - Tenderloin Emergency Safety - Office of Economic and Workforce Development and Department of Public Health - \$10,000,000 - FY2022-2023

San Francisco Community Health Center (SFCHC) **strongly supports Ordinance 230292**—which would appropriate \$10,000,000 from the General Reserve into three overarching initiatives within the Tenderloin neighborhood, i.e., support to small businesses, expanding the community ambassador workforce, and the creation of the Tenderloin Street Dealing Intervention team by the Department of Public Health.

SFCHC is an LGBTQ and BIPOC led health organization based in the Tenderloin that believes everyone deserves access to high quality healthcare. Our wide array of medical, mental health, education, and community services are designed to empower people in safe, respectful, and supportive spaces. To us, health care will always be grounded in social justice. And as a healthcare provider that interacts daily with the communities that reside in the Tenderloin, we are uniquely qualified to express the importance of this funding.

It is apparent that the crises of homelessness and substance use have affected the operations of small businesses within the Tenderloin—we see it with our own eyes. Providing additional support to help them feel safe and respected will only move us forward in our goal of showcasing the vibrancy of the Tenderloin. Moreover, this needed funding would move the needle back in the direction towards additional collaboration between small businesses and CBOs. During the height of the COVID-19 pandemic, we witnessed private businesses and CBOs working together to achieve a common goal of fighting the virus, sharing information, and building community. By helping businesses deal with pressing matters of safety, security, and revitalization, we can return to this successful, collaborative model.

Brought on prior to the COVID-19 pandemic as an additional resource to deal with sweeping & cleanliness in the Tenderloin, Community Ambassadors have transformed into a vital outreach tool to *all* communities in the Tenderloin. Whether it be linkage to immigration support, case management, mental/behavioral health, or primary health care, community ambassadors have ensured that the communities we serve are connected to these resources. Their understanding of the nuance within the Tenderloin community makes them the perfect team to be the first ones to interface with individuals who have a distrust and overall apprehension to healthcare and social support resources.

As it pertains to the creation of a street dealing intervention team, we are aware of several organizations that make up the patchwork of outreach, community engagement, alley sweep, and other actions geared at addressing homelessness and substance/opioid use. Thus, additional funding that creates

Transforming lives by advancing health, wellness and equality."

730 POLK ST, 4TH FLOOR SAN FRANCISCO, CA 94109 | (415) 292-3400 | SFCOMMUNITYHEALTH.ORG

a team to help coordinate this work or distributes additional resources across these CBOs will only be a net positive.

Nevertheless, we would be remiss to not mention additional tools that could be addressed in either this or future appropriations to the Tenderloin: 1) **Drop In-Spaces**: Not only do these spaces serve as a reprieve for community members, but they also gain access to food, necessities, and city/community resources. Furthermore, interaction with these spaces increases the likelihood of community members interfacing with CBOs and/or community ambassadors—which only furthers the likelihood of entering care or receiving vital social support resources. Funding to create additional drop-in spaces as well as to support organizations currently operating them is necessary. 2) **Public Spaces/Pit Stops**: Having additional public restrooms, pit stops, and/or shower portals (as seen at the Linkage Center) would serve a similar function to the drop-in spaces by providing more needed resources for community members to access. Finally, ensuring that they are culturally tailored must be the starting point.

The sense of urgency that our city needs to address homelessness and opioid overdose cannot be overstated. At a time when California enters a period of perpetual summer and more individuals will find themselves outside rather than in shelter facilities, compounded with the rise of migrants seen across urban centers across the country, the need to act is critical if we do not want to see circumstances become even more dire.

If we say that we care about this crisis and that the Tenderloin is representative of “ground zero,” then this appropriation is an embodiment of the first of many initiatives that need to be implemented.

Sincerely,

Vera Pittman | Manager, Community Engagement

Subject: SF Budget and Finance Meeting 24May2023
Date: Wednesday, May 24, 2023 9:42:27 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Hi Brent and SF City Officials,

My name is Anna Wagner and I live in the Tenderloin. I am writing this letter in support of the appropriation of \$10 M for Tenderloin Emergency Safety.

I live in a building at 818 Van Ness next to one of the worst (if not the worst) encampment in the city. Willow between Van Ness and Polk has had between 5-40 tents and up to a hundred people living on the street since 2020. The encampment is riddled with criminal activity:

- Homeless and drug dealers shooting pellet guns at our windows
- Homeless and drug dealers breaking in and stealing or threatening residents
- Drug dealing and use
- Tapping into and stealing power from the local grid
- Human defecation and urination which constantly makes my garage smell like human waste
- Loud noise at all hours of the day and night
- Blocking of the sidewalks on both sides and making the street unpassable at times

Myself and the other residents of my building have been calling the non-emergency police, calling the police, and putting in SF311 requests for years. Most of our pleas for help go unanswered even since the Mayor provided extra police presence in Feb 2023.

The only time we had any respite from the UNLIVABLE conditions we are subjected to every day was a brief stint at the end of 2021 when the Tenderloin Merchant's Association Ambassador program covered the block (Willow between Van Ness and Polk) for a couple months. During this time, only up to 5 tents were allowed to reside on the block and the criminal activity was significantly improved.

This is me sending another email begging - PLEASE PLEASE PLEASE HELP US!!!
PLEASE FUND THE APPROPRIATION FOR TENDERLOIN EMERGENCY SAFETY!!
We are residents of SF too, don't we deserve to not live in fear?

Thank you,
-Anna

Support Tenderloin Emergency Funding

To Mayor London Breed, Budget Chair Connie Chan, and the Board of Supervisors:

As residents, business owners, or stakeholders in the Tenderloin, I urge you to support Supervisor Dean Preston’s Tenderloin Emergency Funding supplemental for non-police public safety strategies in the Tenderloin. The additional emergency funding will allocate \$3 million to small business safety grants for Tenderloin businesses, \$3 million to fund non-police street dealing intervention, and \$4 million for ambassador coverage for one-third of the Tenderloin that currently does not have any coverage. We need these things immediately.

While there are longer-term efforts to get at the root causes of neighborhood crime, many of which can be addressed through the budget process, this emergency funding would go toward three measures that will have an immediate positive impact on neighborhood safety and security.

We need your help, and we urge you to ensure that these programs can be passed, funded, and implemented without delay.

Signed,

致市長布里德(London Breed)、預算案主席陳詩敏(Connie Chan) 和各位市參事：

As residents, business owners, or stakeholders in the Tenderloin, I urge you to support Supervisor Dean Preston’s Tenderloin Emergency Funding supplemental for non-police public safety strategies in the Tenderloin. The additional emergency funding will allocate \$3 million to small business safety grants for Tenderloin businesses, \$3 million to fund non-police street dealing intervention, and \$4 million for ambassador coverage for one-third of the Tenderloin that currently does not have any coverage. We need these things immediately.
作為田德隆的居民、企業主或利益相關者，我敦促您支持第五區市參事潘正義(Dean Preston) 的田德隆緊急資金補充，以補充田德隆的非警察公共安全戰略。額外的緊急資金將分配 \$300 萬美元用於田德隆企業的小企業安全補助，\$300 萬美元用於資助非警察街頭交易干預，以及 \$400 萬美元用於社區大使覆蓋目前沒有任何覆蓋範圍的三分之一的田德隆。我們立即需要這些補充。

While there are longer-term efforts to get at the root causes of neighborhood crime, many of which can be addressed through the budget process, this emergency funding would go toward three measures that will have an immediate positive impact on neighborhood safety and security.
雖然有長期的努力來找出社區犯罪的根本原因，其中許多問題可以通過預算程序解決，但這筆緊急資金將用於三項措施，這些措施將對社區安全和保障產生直接的積極影響。

We need your help, and we urge you to ensure that these programs can be passed, funded, and implemented without delay.
我們需要您的幫助，我們敦促您確保這些計劃能夠立即獲得通過、資助和實施。

The additional emergency funding will allocate \$3 million to small business safety grants for Tenderloin businesses, \$3 million to fund non-police street dealing intervention, and \$4 million for ambassador coverage for one-third of the Tenderloin that currently does not have any coverage. We need these things immediately.
作為田德隆的居民、企業主或利益相關者，我敦促您支持第五區市參事潘正義(Dean Preston) 的田德隆緊急資金補充，以補充田德隆的非警察公共安全戰略。額外的緊急資金將分配 \$300 萬美元用於田德隆企業的小企業安全補助，\$300 萬美元用於資助非警察街頭交易干預，以及 \$400 萬美元用於社區大使覆蓋目前沒有任何覆蓋範圍的三分之一的田德隆。我們立即需要這些補充。

While there are longer-term efforts to get at the root causes of neighborhood crime, many of which can be addressed through the budget process, this emergency funding would go toward three measures that will have an immediate positive impact on neighborhood safety and security.
雖然有長期的努力來找出社區犯罪的根本原因，其中許多問題可以通過預算程序解決，但這筆緊急資金將用於三項措施，這些措施將對社區安全和保障產生直接的積極影響。

We need your help, and we urge you to ensure that these programs can be passed, funded, and implemented without delay.

我們需要您的幫助，我們敦促您確保這些計劃能夠立即獲得通過、資助和實施。

We, the undersigned residents of 818 Van Ness Avenue, are writing in support of the \$10 million supplement to the budget for the Tenderloin and Lower Polk alleys.

On March 2, 2023, Supervisor Preston sent a letter to the Mayor outlining the residents' requests around non-police community ambassadors, specifically the Tenderloin Merchants Association ambassadors. The Mayor would not commit to providing ambassadors--or any additional public safety assistance--to the Lower Polk or Tenderloin areas. On March 14, 2023, Supervisor Preston introduced a \$10 million dollar budget supplemental to directly support the Tenderloin and Lower Polk neighborhoods. This budget supplement seeks funding for three measures that will have an immediate positive impact on neighborhood safety and security: grants to small businesses for safety and security, fill community ambassador gaps, and create a street dealing intervention team.

Our residential garage is on Willow Street between Van Ness Avenue and Polk Street. This block of Willow is a hub for constant drug sales and open drug use. All the expected behavior and results of an area plagued with rampant and unchecked drug activity is blatantly visible in the alley. Drug overdoses, burglaries, thefts, threatening behavior, and vandalism are all commonplace in and around the area. Piles of garbage, discarded items of various sizes, and human waste are commonplace along the entire length of Willow Alley. Our driveways are frequently the depository for these items and human waste.

We constantly deal with the following:

- Drug dealing and usage is open and we must navigate this along with discarded drug paraphernalia when we leave our homes, including children residing in our building
- Drug dealers block the street and become aggressive if you ask them to move
- We are often threatened and harassed when exiting the garage to drive down Willow, our cars have been attacked, we have people waving bats at us, and a neighbor had a scooter thrown at him
- Fights break out on the street / *Person has been shot*
- People pass out blocking the street and our garage entrances and they either cannot or will not move
- People have started fires in our garage alcoves on multiple occasions
- We have had multiple intruders in our building and the police usually take hours to respond, if they respond at all, leaving residents to directly confront those who have broken into our building
- There is a huge amount of trash on the street and we've had rats in our garage as a result
- People urinate and defecate on our garage doors - the smell permeates our entire garage area making it unbearable to be in the garage at times
- People play loud music late into the night making it extremely difficult to sleep
- The sidewalks are completely blocked and are impossible to use
- There is often trash, furniture, tents, and people in the street making driving down the block nearly impossible

The following quotes are from residents in our building:

Resident 1: "Ambassadors have been very effective. They are thoughtful, respectful and effective in removing the drug dealers and keeping the area clean. Our children are protected from seeing and walking on these streets with open drug dealing and tents that are blocking the alleyways"

Resident 2: "The small side streets have too many tents, drug dealers and people who stand in the middle of the street, block traffic, throw trash. Some streets are worse than those in third world countries. This is hard to accept. Please fund ambassadors because they did make a difference and we need them on our street. "

Resident 3: "Not funding ambassadors who are the only hope when everything else has stalled will lead to the Civic Center Polk area becoming even more unlivable and horrific. "

Resident 4: "It has gotten to the point where I'm afraid to leave my house when I'm by myself. The only time it has felt safe to exit our building is when there has been an ambassador presence."

Resident 5: MORE POLICE PLEASE!!!

For years now, the City has failed to take action to improve this situation and it only continues to deteriorate, despite our pleas for help. Drug dealers know they can continue to use the alley as a safe place to sell drugs. The only time this block of Willow has felt safe is when there was funding for ambassadors. They made a positive impact on this block. It is imperative that this budget supplement is passed for the safety of this area.
