19 together company CEOs, thought leaders and other stakeholders together with political  
20 leaders from the region for three days of robust dialogue and engagement on global  
21 challenges including climate change, equitable growth and supply chain resilience; and

22 WHEREAS, APEC members account for approximately 40 percent of the global  
23 population and nearly half of global trade; as of 2021, fellow APEC members were the  
24 destination for more than 60 percent of U.S. goods exports; in addition, seven of the top 10  
25 U.S. overall trading partners are also members; and

1           WHEREAS, San Francisco is widely recognized as a gateway to the Asia-Pacific  
2 region, with long-standing and extensive economic, cultural and academic connections to the  
3 region; and

5 population, and San Francisco has Sister City relationships with cities throughout the region,  
6 including Osaka, Seoul, Ho Chi Minh, Manila, Sydney, and Shanghai; San Francisco's  
7 Chinatown is the first in North America and one of the largest Chinese communities outside of

8 further promote San Francisco as a global capital of trade, technology, policy innovation, and

11 Development and San Francisco Chief of Protocol and War Memorial Trustee Maryam

1 the extent it restricts the Mayor, Chief of Protocol Muduroglu and officers and employees of  
2 the Office of the Mayor and the Office of Economic and Workforce Development from  
3 soliciting financial support or in-kind goods or services, from persons or entities that would be  
4 considered interested parties, for the APEC Host Committee or to otherwise support the

7 Code, the Board of Supervisors hereby waives application of the Behested Payment  
8 Ordinance as to the Mayor, Chief of Protocol Maryam Muduroglu and officers and employees  
9 of the Office of the Mayor and the Office of Economic and Workforce Development so that  
10 they may solicit donations from private organizations and philanthropists to support the APEC  
11 Summit; and, be it

12 FURTHER RESOLVED, That granting this waiver serves the public interest by  
13 promoting economic growth, innovation and tourism in San Francisco and strengthening the  
14 connection between San Francisco and the Asia Pacific region; and, be it

15 FURTHER RESOLVED, That granting this waiver does not create an appearance of  
16 impropriety.

Good morning,

After viewing the Mayor's office presentation on the ask for the Asia-Pacific Economic Cooperation - Behested Payment Waiver it is clear that this motion is a clear motion to incorporate Corporate money into San Francisco politics.

The Mayor's office says the conference is an opportunity to show off our city and change the narrative on our city, but if the conference is to raise so much money, why do we need direct donations from Corporations.

The money donated is stolen from the backs of laborers in these representative countries, and will be used for parties and catering for the leaders who are stealing from their countries.

San Francisco voters have rejected corporate donations in our Politics, and will continue to!

Sincerely,  
Zach Langley  
Resident of District 11

Hello Supervisor Safai,

I believe your comments regarding opposition to APEC are dangerous. Due to the influx of money into the Police, and the private securities brought by APEC leaders it will not be safe for San Francisco residents to express their free speech.
