TO: Board of Supervisors members

Sunset-Parkside Education and Action Committee (SPEAK) is CONCURRING with the actions of the Government Audit and Oversight Committee.

The actions were to recognize that the reports and studies requested by the Civil Grand Jury had been completed.

This hearing was held to close the file.

The staff of the Committee Chair has confirmed that the GAO did **not** accept the findings of those reports and studies even though this was the recommendation of the Office of Resilience and Capital Planning (ORCP).

SPEAK wishes to express its appreciation to the GAO for not accepting the findings of these reports and retaining the option to revisit them at a future GAO meeting.

Best,

Eileen Boken,
President
