Dear Members of the Board of Supervisors:

I join in supporting the commendation of Nancy Wuerfel for her many years of advocacy on behalf of residents of San Francisco. In addition to her service as a Director of Sunset-Parkside Education and Action Committee, Ms. Wuerfel exposed hazards presented by the lack of adequate water supplies in the event of earthquake. Ms. Wuerfel marshalled her expertise in government fiscal analysis to detail the dangers presented and proposed extension of an auxiliary water system and construction of a pumping station to draw water from Ocean Beach. Congratulations to Ms. Wuerfel for her outstanding and invaluable service to the people of San Francisco.

Very truly yours,

Laurel Heights Improvement Association of SF, Inc.
