

Juvenile Probation Department Budget Proposal FY 2023-24 & FY 2024-25

BUDGET & APPROPRIATIONS COMMITTEE SAN FRANCISCO BOARD OF SUPERVISORS JUNE 16, 2023 KATHERINE W. MILLER CHIEF PROBATION OFFICER

Juvenile Probation Department Goals*

- 1. Reimagine how the City addresses juvenile crime and delinquency from referral through reentry in collaboration with community and government partners; emphasizing research, evidence-based practices, and innovation; and sustainably addressing pervasive racial disparities throughout the system.
- 2. Prioritize diversion and connection to appropriate services and responses at every stage of the youth's contact with JPD. Ensure youth are returned home as quickly as possible, whenever appropriate, and that families are provided comprehensive support. Maximize the utilization of community-based services that provide high quality care for all youth and their families throughout a young person's involvement in the juvenile justice system.
- 3. Advance a whole family engagement strategy that places racial equity at its center to ensure that all youth have full and equal access to opportunities, power, and resources; that advances youth and family-centered case plans and goal development to help justice-involved youth and their families thrive; and, that minimizes unnecessary or further justice system involvement.

^{*}Goals are based on recommendations of the Close Juvenile Hall Work Group, the Blue Ribbon Panel for Juvenile Justice Reform, San Francisco's DJJ Realignment Plan, the Juvenile Probation Commission's Preliminary Goals, and the Department's Racial Equity Action Plan.

Juvenile Probation Department Goals

- 4. Create a non-institutional home-like secure setting for both detained and incarcerated youth and young adults that is healing-centered, developmentally appropriate, family-centered, community-connected, culturally responsive, and developmentally appropriate. Implement daily community presence of community partners; shared leadership with community and city agencies whenever possible; and meaningful opportunities for community input into policies and programming.
- 5. Continue to organize and right-size the JPD department and budget to reflect changes in caseloads, increased emphasis on community-based services, and changes in approach and responsibilities, including DJJ realignment duties. Bolster equitable leadership development opportunities for Black, Latino and Asian/Pacific Islander staff throughout the Department, implement change that meaningfully improves the workplace experience of BIPOC staff; enact our organizational belief of redemption and helping people to succeed. Develop a collaborative approach to policymaking and service provision to work effectively with community agencies and appropriate city agencies, including health, law enforcement, and schools.
- 6. Advance the goals of the City and DJJ Realignment Subcommittee in our ongoing implementation of DJJ Realignment to effectively support the most impacted youth and young adults, both in the community and in the Secure Youth Treatment Facility located in Juvenile Hall.

Evolving Budget Framework: FY20/21 – 22/23

- FY 20/21 & FY 21/22 budget focused on comprehensive clean-up of JPD finances & budget; COVID-19 response (fiscal & operational); and right-sizing JPD:
 - Lowest budget since FY 13/14; lowest FTE in decades
 - Justice reinvestment: \$9M to the Department of Children, Youth, and their Families (DCYF) to prevent pandemic cuts to services
- FY 22/23 budget shifted focus from right-size to right-structure for absorbing new responsibilities, effecting transformation, and advancing racial equity
 - Converted vacant Probation Services positions to positions necessary to advance essential work:
 - AB12 Social Work Supervisor, DEI Manager, Training Officer, Youth Justice Transformation Coordinator
 - Expanded justice reinvestment in community-based services
 - Established capacity within DCYF to manage JPD's expanded community investment
 - With FY 22/23 adopted budget, JPD anticipated being properly staffed across all divisions.

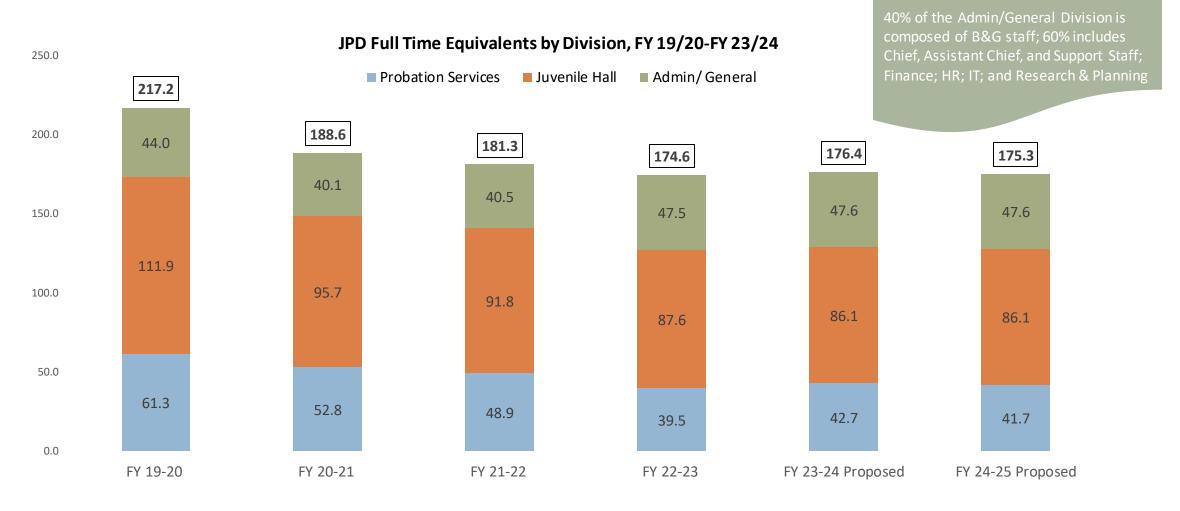

Evolving Budget Framework: FY23/24 & 24/25

- Meets budget instructions
- Continues all prior budget goals
 - Fiscal/budget accountability; COVID-19 response, justice reinvestment, rightsizing & structuring
- Focus for proposed budget: implementation
 - Staffing levels and departmental structure needed to meet operational and transformational responsibilities
