DEPARTMENT:
LIB - PUBLIC LIBRARY

Summary of 5-Year Historical \& Proposed Budget Year Expenditures and FTE Authority:

|  | FY 2019-20 <br> Budget | FY 2020-21 <br> Budget | FY 2021-22 <br> Budget | FY 2022-23 <br> Budget | FY 2023-24 <br> Proposed |

| FTE Count | 701.06 | 700.17 | 700.45 | 706.81 | 720.92 |

The Department's budget increased by $\$ 28,562,734$ or $16.6 \%$ from the adopted budget in FY 2019-20 to the Mayor's proposed budget in FY 2023-24. The Department's FTE count increased by 19.86 or $2.8 \%$ from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

## FY 2023-24

The Mayor's proposed FY 2023-24 budget for the Department has increased by $\$ 14,455,089$ largely due to an increase in salaries and benefits, and capital investments.

## FY 2024-25

The Mayor's proposed FY 2024-25 budget for the Department has decreased by $\$ 13,933,915$ largely due to one-time capital funding in FY 2023-24.

## Budget Reductions

The Department reports that the Mayor proposed $\$ 3,118,108$ in reductions in FY 2023-24, which are summarized in the table attached to this report.

The Department does not have major reductions to the budget in FY 2023-24 compared to FY2022-23. The reductions are primarily one-time investments in FY 2022-23, which do not result in service impacts. The other reductions are either planned end of phase or shifting from external to internal service provision.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

## Recommendations

## Year One: FY 2023-24

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 485,000$ in FY 2023-24. All of the $\$ 485,000$ in recommended reductions are ongoing savings. These reductions would still allow an increase of $\$ 13,970,089$ or $7.5 \%$ in the Department's FY 2023-24 budget.

Our policy recommendations total \$240,241 in FY 2023-24, all of which are ongoing savings.

## Year Two: FY 2024-25

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 485,000$ in FY 2024-25. All of the $\$ 485,000$ in recommended reductions are ongoing savings.

Our policy recommendations total \$244,469 in FY 2024-25, all of which are ongoing savings.

|  |  | The Department is proposing an upward substitution of 1.00 FTE 1926 Senior Materials and Supplies Supervisor to 1.00 FTE 0922 Manager I. According to Department staff, the Department's operational needs now require this position to oversee fleet, delivery, and receiving logistics for the Library, outside the scope of the 1926 Senior Materials and Supplies Supervisor classification. Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold ( $12.4 \%$ vs. $4.5 \%$ ). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services. The Department is proposing a 0922 Manager I position in FY 2023-24 at a net cost of $\$ 102,948$. Given the high cost of this position and the high growth of such positions in recent years, the Budget and Legislative Analyst's Office considers approval of this upward substitution to be a policy decision for the Board of Supervisors. |  |  |  |  |  |  | Ongoin | saving |  |  |  |  |  |

|  |  | The Department is proposing an upward substitution of 1.00 FTE 3602 Library Page to 1.00 FTE 0922 Manager I for the City Archivist position. According to Department staff, the City Archivist fulfills citywide responsibilities defined in SEC 8.7, SEC. 67.29-1, 67.29-7. According to Department staff, in assessing a pending vacancy, the Department determined that the responsibilities are most appropriately performed by a manager who will engage with other City departments and community groups to ensure preservation of the City's diverse community. Over the last three years, growth in manager and deputy director positions across the City has outpaced total position growth by nearly three-fold ( $12.4 \%$ vs. $4.5 \%$ ). Although staff in these classifications play an important role, they are more expensive per position than front line workers and generally do not provide direct services. ## Revenue Changes

The Department's revenues of \$74,510,225 in FY 2024-25 are \$1,941,966 or $2.5 \%$ less than FY 2023-24 estimated revenues of $\$ 76,452,191$.

## Recommendations of the Budget \& Legislative Analyst <br> For Amendment of Budget Items <br> FY 2023-24 AND FY 2024-25 <br> CAT - City Attorney

DEPARTMENT:
Summary of 5-Year Historical \& Proposed Budget Year Expenditures and fTE Authority:

|  | FY 2019-20 <br> Budget | FY 2020-21 <br> Budget | FY 2021-22 <br> Budget | FY 2022-23 <br> Budget | FY 2023-24 <br> Proposed |
| :---: | :---: | :---: | :---: | :---: | :---: |
| City Attorney | $91,435,217$ | $93,814,525$ | $98,679,267$ | $103,414,220$ | $108,902,751$ |
| FTE Count | 310.19 | 309.80 | 311.04 | 320.28 | 316.71 |

The Department's budget increased by $\$ 17,467,534$ or $19.1 \%$ from the adopted budget in FY 2019-20 to the Mayor's proposed budget in FY 2023-24. The Department's FTE count increased by 6.52 or $2.1 \%$ from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

## FY 2023-24

The Mayor's proposed FY 2023-24 budget for the Department has increased by \$5,488,531 largely due to new attorney positions related to the California CARE Court, a state initiative creating a pathway for family members, providers and first responders to ask a court to mandate treatment for individuals with serious, untreated behavioral health disorders. Other factors include cost increases to outside counsel expenses, court reporters and legal vendors, and a onetime workorder with the Department of Human Resources for negotiating collective bargaining agreements covering 88\% of the City's workforce.

## FY 2024-25

The Mayor's proposed FY 2024-25 budget for the Department has increased by $\$ 4,259,518$ largely due to increases in salaries and benefits and ongoing outside service costs.

## Budget Reductions

The Department reports that the Mayor proposed \$1,527,191 in reductions in FY 2023-24, which are summarized in the table attached to this report. These reductions include ongoing reductions in temporary salaries and corresponding fringe benefits for budget savings, reductions in the interdepartmental services budgets of requesting departments, and a reduction in one-time Gun Violence Restraining Order unit addbacks.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

## Recommendations

## Year One: FY 2023-24

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 363,183$ in FY 2023-24. Of the $\$ 363,183$ in recommended reductions, $\$ 163,183$ are ongoing savings and $\$ 200,000$ are one-time savings. These reductions would still allow an increase of $\$ 5,125,349$ or $5.0 \%$ in the Department's FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of $\$ 1,067$, for total General Fund savings of $\$ 364,249$.

## Year Two: FY 2024-25

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 170,377$ in FY 2024-25. All of the $\$ 170,377$ in recommended reductions are ongoing savings. These reductions would still allow an increase of $\$ 4,089,141$ or $3.8 \%$ in the Department's FY 2024-25 budget.

| FTE Count | 279.47 | 296.79 | 295.31 | 294.67 | 312.92 |

The Department's budget increased by $\$ 42,442,571$ or $44.1 \%$ from the adopted budget in FY 2019-20 to the Mayor's proposed budget in FY 2023-24. The Department's FTE count increased by 33.45 FTE or $12.0 \%$ from the adopted budget in FY 2019-20 to the proposed budget in FY 202324.

## FY 2023-24

The Mayor's proposed FY 2023-24 budget for the Department has increased by \$2,542,624 largely due to increases in salaries and benefits, technology projects, and enhanced street response coordination.

## FY 2024-25

The Mayor's proposed FY 2024-25 budget for the Department has decreased by $\$ 3,424,002$ largely due to loss of one-time funding for programs budgeted only in FY 2023-24.

## Budget Reductions

The Department reports that the Mayor proposed $\$ 6,834,945$ in reductions in FY 2023-24, which are summarized in the table attached to this report. The Department reports that those reductions included decreasing line items that would have no impact to the delivery of DEM's core services, which include reducing debt service by $\$ 1.5$ million, decreasing funding for Major IT Projects by a combined $\$ 1.8$ million, reducing contract services from the Healthy Streets Operation Center by $\$ 3.15$ million, and then decreasing training, office supplies, and other workorders by $\$ 385,000$. In order to support Mayoral initiatives and priorities, increases to the Department's programmatic projects budget directly offset these reductions, thereby resulting in a net overall increase of $\$ 2.5$ million for FY 2023-2024.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

## Recommendations

Year One: FY 2023-24
The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 359,172$ in FY 2023-24. Of the $\$ 359,172$ in recommended reductions, $\$ 156,224$ are ongoing savings and $\$ 202,948$ are one-time savings. These reductions would still allow an increase of $\$ 2,183,452$ or $1.6 \%$ in the Department's FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of $\$ 1,129,963$, for total General Fund savings of $\$ 1,489,135$.

Our policy recommendations total \$2,062,176 in FY 2023-24, \$1,277,052 of which are onetime and $\$ 785,124$ of which are ongoing.

Our reserve recommendations total \$4,020,000 in FY 2023-24, all of which are one-time.

## Year Two: FY 2024-25

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 159,690$ in FY 2024-25. All of the $\$ 159,690$ in recommended reductions are ongoing savings.

Our policy recommendations total $\$ 815,035$ in FY 2023-24, all of which are ongoing.

The initiative began in April 2023. <br> Based on the Budget and Legislative Analyst's review of information provided by the Department, we recommend reducing the Drug Market Agency Coordination Center budget by $\$ 202,948$, or $3.7 \%$. <br> Our recommendation would leave $\$ 5,297,052$ in remaining funding for the Drug Market Agency Coordination Center, of which we recommend placing \$4,020,000 on reserve (see DEM-7) and of which $\$ 1,277,052$ we consider to be a policy matter for the Board of Supervisors (see DEM-5). |  |  |  |  |  |  | One-tim | savin |  |  |  |  |  |

## FY 2023-24

The Mayor's proposed FY 2023-24 budget for the Department has decreased by $\$ 3,272,168$ largely due to reductions in programmatic projects, services of other departments, nonpersonnel services, and City grant programs. ## Budget Reductions

The Department reports that the Mayor proposed $\$ 5,060,363$ in reductions in FY 2023-24, which are summarized in the table attached to this report. These reductions are partially offset by increases in other areas, as shown above in the Department's overall budget reduction of \$3,272,168.

The Department's primary budgetary goals are to ensure staffing capacity to meet statutory functions for youth referred by law enforcement agencies, to implement reforms identified by City planning processes, and to meet legislative mandates resulting from the closure of California's Division of Juvenile Justice. Priority was given to preserving work orders with DCYF to support services provided by Community Based Organizations to youth both in custody and in the community, and to fill vacant positions, in particular sworn staff.

The Department complied with Mayor's proposed reductions in General Fund by shifting funding for 15 FTE ( $\$ 1.7 \mathrm{M}$ ) from General Fund to intergovernmental funding (i.e., State Apportionments). In addition, it reduced $\$ 500,000$ in spending on non-personnel and work orders to other departments by reducing the security contract for the Log Cabin Ranch property and eliminating

## FY 2024-25

## FY 2023-24

The Mayor's proposed FY 2023-24 budget for the Department has increased by \$214,176 largely due to a one-time $\$ 400,000$ increase in a project budget that is currently used to fund unbudgeted department spending (including one 1823 Senior Analyst position) which is offset by an increase in budgeted attrition savings.

## FY 2024-25

The Mayor's proposed FY 2024-25 budget for the Department has decreased by $\$ 169,162$ largely due to a $\$ 400,000$ decrease in the Department's project budget, which is offset by funding for positions that their FY 2023-24 FTE level.

## Budget Reductions

## Recommendations

## Year One: FY 2023-24

Proposition D, passed by voters in November of 2020, directed the City to create a new department to oversee the Sheriff's Department and a new oversight board that would make recommendations to the Sheriff and Board of Supervisors about the operations of the Sheriff's Department. Although the City's FY 2021-22 budget included a new Department of Sheriff's Accountability and the funding required by Proposition D, the Department did not include a staff member or make any expenditures until May of 2022.

## FY 2023-24

The Mayor's proposed FY 2023-24 budget for the Department has decreased by $\$ 247,724$ largely due to vacant positions. As of June 2023, the Department continues to have only one staff member. The Sheriff's Department Oversight Board anticipates hiring an Inspector General by the end of calendar year 2023, and hiring for the Department's other budgeted positions remains on hold pending the filling of this position. In the interim, Department of Police Accountability staff continue to assist with budgeting and investigate complaints of serious misconduct made against Sheriff's Department staff.

## FY 2024-25

The Mayor's proposed FY 2024-25 budget for the Department has decreased by $\$ 17,036$ due to an increase in budgeted attrition savings.

## Budget Reductions

The Department reports that the Mayor proposed \$560,969 in reductions in FY 2023-24, which are summarized in the table attached to this report. The proposed reductions will be achieved by utilizing salary savings from existing unfilled positions, which will continue to remain vacant until the Sheriff Department Oversight Board hires an Inspector General. Please note that these reductions may not be reflected in the Department's overall changes due to offsetting enhancements.

## FY 2023-24

## FY 2024-25

The Mayor's proposed FY 2024-25 budget for the Department has increased by \$2,396,408 largely due to increases in salaries and benefits.

## Budget Reductions

The Department reports that the Mayor proposed $\$ 100,000$ in reductions in FY 2023-24, which are summarized in the table attached to this report.

The Mayor reduced $\$ 100,000$ in programmatic projects budget. $\$ 35,000$ was reduced in the Victim Services project to implement budget savings. $\$ 65,000$ was reduced in the OIS Oversight programmatic project to implement budget savings.

## Recommendations

## Year One: FY 2023-24

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 253,761$ in FY 2023-24. Of the $\$ 253,761$ in recommended reductions, $\$ 13,000$ are ongoing savings and $\$ 240,761$ are one-time savings. These reductions would still allow an increase of $\$ 5,575,802$ or $6.6 \%$ in the Department's FY 2023-24 budget.

In addition, the Budget and Legislative Analyst recommends closing out prior year unexpended encumbrances of $\$ 1,000$, for total General Fund savings of $\$ 254,761$.

## Year Two: FY 2024-25

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 13,000$ in FY 2024-25. Of the $\$ 13,000$ in recommended reductions, all are ongoing savings. The Department's budget increased by $\$ 84,464,384$ or $12.2 \%$ from the adopted budget in FY 2019-20 to the Mayor's proposed budget in FY 2023-24. The Department's FTE count decreased by 258.49 or 8.1\% from the adopted budget in FY 2019-20 to the proposed budget in FY 2023-24.

## FY 2023-24

The Mayor's proposed FY 2023-24 budget for the Department has increased by $\$ 62,806,016$ largely due to the following:

In the General Fund:

- A decrease in sworn attrition from -88.59 FTE in FY 2022-23 to -44.25 FTE in FY 2023-24.
- A decrease in civilian attrition from -41.71 FTE in FY 2022-23 to -36.59 FTE in FY 2023-24.
- Escalations in labor costs resulting from new labor agreements, estimated by Police to cost $\$ 11.1$ million more than the base FY 2023-24 budget.
- Ten new Community Police Service Aides (an increase from 68.00 FTE in FY 2022-23).
- Two new Community Police Services Aides (an increase from 0.00 FTE in FY 2022-23).
- An 23 FTE increase in temporary staff costing $\$ 2.8$ million to partially fund part-time sworn staff that are currently funded by full-time sworn vacant positions
- An increase in sworn overtime from $\$ 26$ million to $\$ 42.4$ million.
- A $\$ 913,000$ increase in materials and supplies due to cost escalation in goods.

## FY 2024-25

The Mayor's proposed FY 2024-25 budget for the Department has increased by \$11,091,616 largely due to ongoing escalations in labor costs.
DEPARTMENT: POL - Police DEPARTMENT

## Budget Reductions

The Department reports that the Mayor proposed $\$ 102,500$ in reductions in FY 2023-24, which are summarized in the table attached to this report.

The reductions are to three Board add-backs for SF Safe: (1) District 1 National Night, (2) District 8 Castro Community on Patrol, and (3) Southwest Gun Violence and Safety.

Please note that these reductions may not be reflected in the overall change in the Department's budget due to offsetting enhancements.

## Recommendations

## Year One: FY 2023-24

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 2,372,470$ in FY 2023-24, all of which are ongoing savings. These reductions would still allow an increase of $\$ 60,433,546$ or $8.5 \%$ in the Department's FY 2023-24 budget.

Our policy recommendations total $\$ 200,000$ in FY 2023-24, all of which are one-time savings.

## Year Two: FY 2024-25

The Budget and Legislative Analyst's recommended reductions to the proposed budget total $\$ 2,372,470$ in FY 2024-25, all of which are ongoing savings. These reductions would still allow an increase of $\$ 8,719,146$ or $1.1 \%$ in the Department's FY 2024-25 budget.

| POL-2 |  | Increase attrition by 7.00 FTE. The Department will start FY 2023-24 with 104 existing civilian vacancies plus 12 new civilian positions. The proposed FY 2023-24 civilian attrition assumes a start date of early November 2023 for all currently vacant civilian positions. This proposed reduction would push the start date to the end of November 2023. According to analysis by the Department of Human Resources, the City's median time to hire is 255 days and recent civil service reforms were proposed with a goal of reducing that timeline to 120-150 days. The proposed budget modification increases the time to fill vacant civilian positions from 128 days to 148 days. |  |  |  |  |  |  | Ongoing savings. |  |  |  |  |  |  |
