# SFPD FY24 & FY25 BUDGET APPROPRIATION COMMITTEE

SAN FRANCISCO POLICE DEPARTMENT CITY & COUNTY OF SAN FRANCISCO

June 23, 2023

# **DEPARTMENT PRIORITIES**

Academy classes to promote diversity & culture change and mitigate attrition. Retention of existing sworn members.

#### **Overtime**

Support backfilling sworn staffing shortfalls, the investigation of violent crimes, public safety response activities, management, accountability, and time needed for reporting.

#### Civilianization

Having individuals with specialized skills to perform duties that allow for officers to return to the streets, in the communities that need them.

#### **Technology**

Allows for informed decisions and policy implementation, compliance with mandated reporting, and improved transparency.

#### **Management & Analytical Support**

Supports auditing, policy implementation, collaborative reform initiative, and community engagement feedback loop.

# **CITY SWORN STAFFING**

Vacancy budget savings are offset by the growing need of overtime to address operational staffing shortages

# RECRUITMENT, HIRING, AND RETENTION

The SFPD plans to hire 100 recruits in FY24 and 120 recruits in FY25 as part of our long-term strategy to rebuild our ranks and Department.

Year	# of Apps	Hired
2022	1,756	64
YTD 2023	1,481	47

- Upcoming Academy class has enrolled at least 30 recruits.
- Based on a data analysis of prior applications and hires, 2000 applications will yield approximately 100 hires.

## **CIVILIAN POLICING STRATEGIES**

### **Police Community Ambassadors**

The Community Ambassador program began in 2020 and is a police reform-based initiative designed to follow the 21<sup>st</sup> century policing model of fostering trust, legitimacy, and community policing. This initiative provides high visibility and enhances public safety.

- 95 retired sworn members (75 assigned citywide and 20 at the airport)
- Deployed in identified neighborhoods and businesses corridors.

Budget adds \$2.8 million in FY24 and \$2.9 million in FY25 to add an additional 25 Community Ambassadors.

# SFPD EQUIPMENT: FLEET & VEHICLES

Police vehicle replacement standards are paramount when uptime, reliability, and a robust response to emergency calls cannot be compromised

Out of service times for older vehicles are higher than newer vehicles due to repair complexity and sourcing limited parts leading to down times at least 7 times longer

#### As reflected above:

- 108 of our vehicles have 150K miles or more
- 198 of our vehicles are 10 years of age or older

# SFPD EQUIPMENT: TRUNARC (NARCOTICS ANALYZER)

**TruNarc** is a handheld narcotics analyzer that enables officers to scan more than 498 suspected controlled substances in real-time for presumptive evidence.

- Non-destructive. Preservation of evidence.
- Non-contact. Can scan through sealed glass and plastic containers to help reduce exposure and preserve evidence.

Requesting \$200,000 for 10 TruNarc devices to have one device at each district station.

# **GENERAL FUND OVERTIME VS. STAFFING**

<sup>\*</sup>A portion of overtime expenditures in FY23 is offset by a \$56.1M budget supplemental, of which, \$27.3M is from position vacancies.

### **OVERTIME**

#### SFPD Standard Overtime Expenditures

- Backfill (Station Staffing Level Maintenance)
- Arrests
- Investigations (i.e., case management, case followup, & video retrieval)
- Court Pay

#### SFPD Deployment Strategies

- Foot beats & Engagement (i.e., Tenderloin Public Safety)
- Tourism
- Safe Shopper
- Violence Reduction

#### Citywide Major Events

- Dignitary Visits (i.e., president & vice president)
- 29 Planned Major City Events (i.e., Carnaval, Chinese New Year, Pride, Halloween, Playoffs)
- Planned and Unplanned First Amendment Activities
