16 (b) **Use Controls.**

17 * * * *

18 (16) **Option for Dedication of Land.**

19 (A) Development projects in this District may opt to fulfill the Inclusionary
20 Housing requirement of Section 415 through the Land Dedication alternative contained in
21 Section 419.6. The Land Dedication alternative is available for development projects within
22 the District under the same terms and conditions as provided for in Section 419.5(a)(2),
23 except that in lieu of the Land Dedication Alternative requirements of Table 419.5, projects
24 may satisfy the requirements of Section 415.5 by dedicating land for affordable housing if the
25 dedicated land could accommodate a total amount of units that is equal to or greater than

1 35% of the units that are being provided on the principal development project site, as
2 determined by the Planning Department. Any dedicated land shall be at least partly located
3 within ~~one~~ mile of the boundaries of either the Market and Octavia Plan Area or the Upper
4 Market NCT District.

5 (B) Notwithstanding the requirements of Section 419.5(a)(2)(H),

8 later than 180 days following of the effective date of this Special Use District or prior to Planning
9 Commission or Planning Department approval of the development project, ~~whichever occurs~~
10 first. No property may be used for this land dedication option unless the Mayor's Office of Housing and
11 Community Development issues an acceptance letter within this 180-day timeline. The Director of the
12 Mayor's Office of Housing and Community Development may waive application of Section
13 419.5(a)(2)(G).

14 (C) Development projects that elect to dedicate land pursuant to this
15 ~~section~~ subsection (b)(16) may be eligible for a waiver against all or a portion of their affordable
16 housing fees under Sections 416 and 424 if the Planning Director determines that the land
17 acquisition costs for the dedicated land exceed the development project's obligations under
18 the fee option of Section 415. The Planning Director, in consultation with the Director of the
19 Mayor's Office of Housing and Community Development and the Director of Property, shall
20 calculate the waiver amount based on actual commercially reasonable costs to acquire the
21 dedicated land. If the Director of the Mayor's Office of Housing and Community Development
22 requests that the land dedication occur before the First Construction Document for the

Existing Law

The Van Ness & Market Residential Special Use District (SUD) is generally located at the intersections of Van Ness Avenue at Market Street and South Van Ness Avenue at Mission Street, along with parcels on both sides of Market and Mission Streets between 9th and Division Streets. The SUD is intended to be a transit-oriented, high-density neighborhood with a significant residential presence and a mix of neighborhood-serving uses. New development and major expansions must be predominantly residential. Other non-residential uses that are allowed and encouraged, include arts, institutional, and retail uses.

This ordinance amends the Van Ness & Market SUD to: a) update the option for dedication of land for development projects to fulfill their inclusionary housing obligations; and b) revise the Zoning Map to increase the maximum height at Assessor's Block No. 0836, Lot Nos. 008, 009, and 013, at 98 Franklin Street, from 85-X // 120/365-R-2 to 85-X // 120/400-R-2. Both amendments are related to a project proposed at 98 Franklin Street.

Approve a request for a Downtown Project Authorization to increase the previous project's height by 35 feet and its unit count by approximately 40 units, pursuant to Planning Code Section 309, with exceptions to the following Planning Code Sections: 1) useable open space (Section 135); 2) permitted obstructions (decorative architectural features) over sidewalks (Section 136.1); 3) dwelling unit exposure (Section 140); 4) reduction of ground-level wind currents in C-3 Districts (Section 148); 5) dwelling unit mix (Sections 207.6 and 249.33); 6) height (Sections 260 and 263.19); 7) bulk (Section 270); and
4. Adopt findings with the recommendation from the General Manager of the Recreation and Parks Department, in consultation with the Recreation and Park Commission, that net new shadow cast by the Modified Project will not be adverse to the use of five (5) properties under the jurisdiction of the Recreation & Parks Department (Koshland Community Park; Patricia's Green; Page & Laguna Mini Park; future 11th/Natoma park site; or Hayes Valley Playground.

Issues and Other Considerations

• Public Comment & Outreach:

- **Support/Opposition:** The Department has received zero letters in support and zero letters in opposition to the modified Project.
- **Outreach:** The Sponsor has prefaced the modified project with the District Supervisor and surrounding District Supervisors. Previous project outreach included outreach to the Civic Center CBD, SPUR, SF Housing Action Coalition, SF Chamber of Commerce, local business owner/merchant

community and the Hayes Valley Merchant Association who expressed support. Previous outreach also included support from SFJazz, SF Ballet, Church of the Advent of Christ the King.

- **Design Review:** The project has changed in the following ways since the original submittal to the Department:
 - footprint, massing, and general articulation of the previous and modified Project are substantially similar with the most notable difference being that the modified Project's roofline is four stories taller than the previous project iteration and has a more pronounced sloping V-shaped parapet on all four sides. The modified Project provides four levels more of housing with the increased height.
- **Affordable Housing:** The proposed Development Agreement requires that the modified Project dedicate land to the City for a 100% affordable housing project, with the City paying no money for the dedicated parcel. The dedication site is currently contemplated to be 600 Van Ness Avenue, which has been entitled for a 165-unit housing project.

Environmental Review

The Hub Plan, 30 Van Ness Ave project, 98 Franklin St project and Hub Housing Sustainability District were collectively analyzed in a previously certified Environmental Impact Report (EIR). The Final EIR is available online: <https://sfplanning.org/environmental-review-documents>. Department staff issued an EIR Addendum for the modified Project on March 9, 2023.

Basis for Recommendation

The Department finds that the Project is, on balance, consistent with the Downtown Area Plan, Market and Octavia Area Plan, and the Objectives and Policies of the General Plan.

RESOLUTION ADOPTING A PROPOSED ORDINANCE THAT WOULD AMEND THE ZONING MAP OF THE PLANNING CODE TO AMEND THE BOUNDARIES OF THE VAN NESS & MARKET RESIDENTIAL SPECIAL USE DISTRICT, AND MAKE OTHER AMENDMENTS TO THE HEIGHT AND BULK DISTRICT MAPS AND ZONING USE DISTRICT MAPS CONSISTENT WITH THE AMENDMENTS TO THE MARKET AND OCTAVIA AREA PLAN; AND MAKING ENVIRONMENTAL FINDINGS, INCLUDING ADOPTING A STATEMENT OF OVERRIDING CONSIDERATION, AND FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN AND THE EIGHT PRIORITIES OF THE PLANNING CODE, SECTION 101.1, AND FINDINGS OF PUBLIC NECESSITY, CONVENIENCE, AND WELFARE UNDER PLANNING CODE SECTION 302.

WHEREAS, The Planning Commission (hereinafter "Commission"), at a duly noticed public hearing on February 13, 2020 and in accordance with Planning Code Section 340(c), initiated the Zoning Map Amendments for the Market and Octavia Area Plan by Planning Commission Resolution No. 20656.

WHEREAS, In 2008 the City adopted the Market and Octavia Area Plan, including new land use controls, height controls and proposed community improvements. The "Hub" neighborhood (hereinafter "Plan Area") was included within the boundaries of the Market and Octavia Area Plan. The Market and Octavia Area Plan included numerous policies that supported a vision for the Hub as a "vibrant new mixed-use neighborhood," and it also created the Van Ness and Market Downtown Residential Special Use District (SUD). This SUD facilitated the development of a transit-oriented, high-density, mixed-use residential neighborhood around the intersections of Market Street and Van Ness Avenue and Mission Street and South Van Ness Avenue.

WHEREAS, While the Market and Octavia Area Plan established a new framework for development, the San Francisco Planning Department (herein after "Planning Department") did not receive many major development applications in the Hub neighborhood until 2012 (four years after the plan was adopted) due to the Great Recession.

WHEREAS, In 2016, the Planning Department initiated a community planning process to take a new look at the Hub area holistically and identify opportunities to increase the amount of housing and affordable

housing near transit, to develop and coordinate updated designs for the public realm, and to update the Market and Octavia public benefits package program and prioritize projects for implementation.

WHEREAS, The Planning Department is seeking to make amendments to the existing Market and Octavia Area Plan and other elements of. Amendments to the General Plan, Planning Code, Business and Tax Regulations Code, Zoning Map, and public benefits document to provide a comprehensive updated set of policies and implementation programming to realize the vision of the Hub area as originally described in the Market and Octavia Area Plan; and

WHEREAS, The proposed zoning map amendments to land use, special use, and height and bulk districts Are contained in the proposed Ordinance, approved as to form by the City Attorney and attached hereto as Exhibit VI-2.

WHEREAS, On May 21, 2020, after a duly noticed public hearing, the Commission reviewed and considered the Final Environmental Impact Report for the Hub Plan, 30 Van Ness Avenue Project, 98 Franklin Street Project, and Hub Housing Sustainability District (HSD) (“FEIR”) and found the FEIR to be adequate, accurate, and objective, thus reflecting the independent analysis and judgment of the Department and the Commission, and that the summary of comments and responses contained no significant revisions to the Draft EIR, and by Motion No. 20707 certified the FEIR for the Hub Plan, 30 Van Ness Avenue Project, 98 Franklin Street Project, and Hub Housing Sustainability District (HSD) as accurate, complete, and in compliance with the California Environmental Quality Act (“CEQA”), the regulations implementing CEQA (“the CEQA Guidelines”), and the local law implementing CEQA, Chapter 31 of the San Francisco Administrative Code.

WHEREAS, On May 21, 2020, by Motion No. 20708, the Commission approved CEQA Findings, including a statement of overriding considerations, and adoption of a Mitigation Monitoring and Reporting Program (“MMRP”), under Case No. 2015-000940ENV, for approval of the amendments to the Market and Octavia Area Plan.

WHEREAS, The Planning Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of Department staff and other interested parties; and

WHEREAS, All pertinent documents may be found in the files of the Department, as the Custodian of Records, at 1650 Mission Street, Suite 400, San Francisco; and

WHEREAS, The Planning Commission has reviewed the proposed Ordinance; and

WHEREAS, The Planning Commission finds from the facts presented that the public necessity, convenience, and general welfare require the proposed amendment; and

MOVED, That the Planning Commission hereby **approves** the proposed ordinance.

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

 - Create new parks and improve existing recreational opportunities.
 - Provide safe and convenient transportation by funding capital projects that will improve conditions for people walking, bicycling, and taking transit.
 - Incorporates policy direction to support sustainability and climate resilience and advance racial and social equity.
2. **Planning Code Section 302 Findings.** The Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the proposed amendments to the Planning Code as set forth in Section 302.
3. **CEQA Findings.** The Planning Commission adopts and incorporates by reference as though fully set forth herein the CEQA Findings set forth in Planning Commission Motion No. 20708
4. **Mitigation Monitoring and Reporting Plan.** The Planning Commission adopts and incorporates by reference as though fully set forth herein the Mitigation Monitoring and Reporting Plan, the requirements of which are made conditions of approval.

AND BE IT FURTHER RESOLVED, that the Commission finds the Zoning Map Amendments are in general conformity with the General Plan as set forth in Planning Commission Resolution No. 20709.

AND BE IT FURTHER RESOLVED, that the Commission finds the Zoning Map Amendments are in general conformity with Planning Code Section 101.1 as set forth in Planning Commission Resolution No. 20709.

NOW THEREFORE BE IT RESOLVED that the Commission hereby APPROVES the proposed Ordinance as described in this Resolution.

I hereby certify that the foregoing Resolution was adopted by the Commission at its meeting on May 21, 2020.

Members of the San Francisco Board of Supervisors

PUBLIC COMMENT OPPOSING ITEM 6, 7/10/23 LAND USE COMMITTEE AGENDA, PROPOSED ORDINANCE AMENDING PLANNING CODE; WAIVING INCLUSIONARY AFFORDABLE HOUSING REQUIREMENTS; ZONING, HEIGHT AND OTHER CODE REQUIREMENTS; COMMENT OPPOSING PLANNING DEPARTMENT'S CEQA DETERMINATION; AND ALL OTHER PROPOSED LEGISLATION INCLUDED IN ITEM 6; AND OBJECTING TO BROWN ACT AND CEQA VIOLATIONS;

[BOSFILE NO. 221164];

AND

REQUEST FOR CONTINUANCE OF THIS HEARING;

AND

DEMANDFOR RECUSAL OF SUPERVISOR DEAN PRESTON FROM ALL

DELIBERATIONS ON THE PROJECT ENCOMPASSED IN THE 98 FRANKLIN PROJECT

This Comment opposes ITEM 6 on the LandUse Committee Agenda, proposing approval of an Ordinance amending the Planning Code and implementing waivers of requirements for a 400-plus-foot highrise structure at 98 Franklin Street. Among other departures from Code and statutory requirements, the proposed legislation waives developer fees, height requirements, and inclusionary housing requirements for that Project. Please distribute this Comment to all Board and Committee Members, and place it in all applicable files on the 98 Franklin Project.

1. PUBLIC NOTICE VIOLATIONS

After alleged notice of this “hearing,” (not received by this commenter), the Project description was materially changed from a deal brokered by Supervisor Preston to give the City property at 600 Van Ness Avenue in exchange for waiving more than \$55,000,000 in developer fees and including **no affordable housing at 98 Franklin**, to exchange that term to 600 McAllister Street in late June, 2023. NO PUBLIC NOTICE WAS GIVEN of that material change in the Project Description.

NO commitment has been required to complete construction of ANY affordable housing at the time of construction of the 98 Franklin market rate monstrosity.

Nor was public notice provided of this hearing to conform with Brown Act and CEQA requirements.

2. THERE IS NO CEQA “Determination” in the BOS File 221164, egregiously violating Brown Act and CEQA requirements. The material change in the terms of Mr. Preston’s “agreement” with the developer is a NEW and MATERIALLY changed Project Description requiring a new CEQA analysis and mitigation of the impacts of the whole Project.

3. SUPERVISOR PRESTON MUST BE RECUSED from all hearings on the 98 Franklin Project, since he has held an insider’s material and non-public role with the developer in the planning and approval of this Project.

For the above and other reasons, this Committee and the Board of Supervisors may not lawfully approve the proposed Ordinance or the 98 Franklin Project or any part of it.

Sincerely,

Mary Miles

Subject: Land Use & Transportation Committee: 98 Franklin Street Support
Date: Friday, July 7, 2023 9:41:53 AM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Supervisors Melgar, Preston, and Peskin,

On behalf of the French American International School, we write to you in strong support of the 98 Franklin Street development. This project is a unique opportunity to create a world-class academic building for the French American Internal School – a diverse and innovative international school with deep roots in San Francisco and Hayes Valley.

The project sponsor, Related, has made architectural changes to the project involving a 35-foot height increase from 365 feet to 400 feet, providing an opportunity for significant investment in affordable housing. These changes will result in the land dedication of a nearby building site - at no cost to the City - allowing for the construction of a 100% affordable housing complex.

French American International School is committed to this transformative project. While the 98 Franklin project was changing, we used this time to raise significant private money to support a new world-class campus for an academic institution that has served San Francisco for decades. Our school is closed for summer break, and we cannot attend Monday's Land Use & Transportation Committee meeting to express our strong support for this project. However, we want to share some of the letters of support linked [here](#), submitted by our community members to the Planning Commission in March 2023.

We applaud Related's commitment to the 98 Franklin development. The changes proposed for the project reflect the changing economic environment in San Francisco post-pandemic and are necessary to move the project ahead so that the City can obtain affordable housing and French American International School can build a new high school.

From the beginning, we have been excited by this project and what it will provide for our community. The proposed development at 98 Franklin is precisely the mixed-use, mixed-income, transit-oriented development that will serve Hayes Valley and San Francisco well in the future. We urge the committee's support of this critical project.

Sincerely,
Melinda Bihn, Ed.D.
