9 is incorporated herein by reference, finding that the Permit fees are appropriate, finding that
10 reliance on competitive bidding procedures for the Permit would be impractical and/or
11 impossible, and recommending that the Board of Supervisors authorize RPD to enter into the
12 Permit; now, therefore, be it

13 RESOLVED, That the Board of Supervisors finds that due to 1) the significant
14 experience of Another Planet in operating festivals in the sensitive park environs and
15 showcasing the City and Bay Area and the economic contributions, including the rent paid by
16 Another Planet under the Permit, 2) the limited duration of the Polo Fields Concerts each
17 year, and the limited availability of City properties for musical and other special events, and 3)
18 unique opportunity to reduce costs and park impacts which is only possible because the Polo
19 Fields Concerts would occur immediately after the Outside Lands Festival on the same
20 infrastructure, that competitive bidding for the Permit is impractical or impossible and therefore
21 not required; and, be it

22 FURTHER RESOLVED, That the Board of Supervisors hereby authorizes the RPD to
23 execute the Permit substantially in the form as is on file with the Clerk; and, be it

24 FURTHER RESOLVED, That the RPD General Manager is authorized to execute and

2 discretion and in consultation with the City Attorney and the City's Controller, is authorized to
3 enter into any additions, amendments, or other modifications to the Permit that the General

5 obligations or liabilities of the City or materially decrease the payments or other benefits to the
6 City, and are necessary or advisable to effectuate the purpose and intent of this Resolution;
7 and, be it

8 FURTHER RESOLVED, That the Board of Supervisors affirms the Planning
9 Department's determination that the Permit issuance is categorically exempt from
10 environmental review under the California Environmental Quality Act.
