

[Street Naming - Portions of Palo Alto Avenue to La Avanzada Street and Dellbrook Avenue]

Resolution renaming a segment of Palo Alto Avenue to La Avanzada Street from its new terminus at 241 Palo Alto Avenue westward to its intersection with Dellbrook Avenue and renaming the remaining segment of Palo Alto Avenue between its intersection with Dellbrook Avenue and its westward terminus at Clarendon Avenue to Dellbrook Avenue.

WHEREAS, Palo Alto Avenue, La Avanzada Street, and Dellbrook Avenue are located in the Clarendon Heights neighborhood and the immediate vicinity of Sutro Tower; and

WHEREAS, The street name for the segment of Palo Alto Avenue from its 250 block westward to its terminus at Clarendon Avenue has caused public confusion because maps of the area use the Palo Alto Avenue nomenclature but the City street signage does not show this name; and

WHEREAS, Some residents in the neighborhood refer to this portion of the officially designated Palo Alto Avenue, i.e., the area that would be the start of the 250 block, as La Avanzada Street because that is the private street name that starts at Sutro Tower and ends where it intersects with a portion of Palo Alto Avenue with no developed parcels; and

WHEREAS, Some residents in the neighborhood refer to the portion of the officially designated Palo Alto Avenue that is further west at the intersection of Dellbrook Avenue, i.e., the area that might be designated as the 300 block of Palo Alto Avenue or the 600 block of Dellbrook Avenue, as Dellbrook Avenue; and

WHEREAS, To avoid further confusion for neighbors, emergency providers, delivery services and other address-dependent functions, the Board of Supervisors proposes to harmonize the official street names with the neighborhood's informal street references and

1 existing street signage by officially changing the name of two segments of Palo Alto Avenue to
2 La Avanzada Street and Dellbrook Avenue, respectively, and terminating Palo Alto Avenue
3 after its last remaining address of 241 Palo Alto Avenue; and

4 WHEREAS, The location of the segments of Palo Alto Avenue to be officially renamed
5 to La Avanzada Street and Dellbrook Avenue, respectively, are shown on a map on file with
6 the Clerk of the Board of Supervisors in File No. 230779 and incorporated herein by
7 reference; and

8 WHEREAS, For street name changes to existing streets, the City follows the applicable
9 practices specified in Public Works Code, Section 423, the Public Works informational bulletin
10 entitled "Street Name Establishment/Street Name Change," California Government Code,
11 Section 34091.1, and California Streets and Highways Code, Sections 970.5, and 5026; and

12 WHEREAS, In Public Works Order No. 208268 dated June 22, 2023, the Interim Public
13 Works Director certified that Public Works determined that renaming segments of Palo Alto
14 Avenue to La Avanzada Street and Dellbrook Avenue, respectively, does not conflict with the
15 names of existing streets located in the City as set forth in Public Works Code, Section 423;
16 and

17 WHEREAS, This Order also states that Public Works conducted the required notice to
18 adjacent property owners and provided a report on its findings concerning the street
19 renaming; and

20 WHEREAS, A copy of Public Works Order No. 208268, which includes the Public
21 Works report, is on file with the Clerk of the Board of Supervisors in File No. 230779 and is
22 incorporated herein by reference; now, therefore, be it

23 RESOLVED, That consistent with the law and procedures specified above, the Board
24 of Supervisors hereby officially renames Palo Alto Avenue between the start of what would be
25

1 the 250 block of Palo Alto Avenue and its westward intersection with Dellbrook Avenue to La
2 Avanzada Street; and, be it

3 FURTHER RESOLVED, The Board officially renames the remaining segment of Palo
4 Alto Avenue between its intersection with Dellbrook Avenue and its westward terminus at

6 FURTHER RESOLVED, The Board acknowledges that the official terminus of Palo Alto
7 Avenue will be at its last known address of 241 Palo Alto Avenue; and, be it

8 FURTHER RESOLVED, That the Board of Supervisors acknowledges that Public
9 Works, on behalf of the City, properly posted the affected segments of Palo Alto Avenue that
10 are the subject of the street name change for the specified time period in compliance with
11 California Streets and Highways Code, Section 970.5; and, be it

12 FURTHER RESOLVED, That the Board of Supervisors, in accordance with
13 Transportation Code, Section 2.2, directs the Municipal Transportation Agency to prepare
14 and/or maintain street signs indicating the new official name of La Avanzada Street and
15 Dellbrook Avenue, respectively, along the street segment identified above; and, be it

16 FURTHER RESOLVED, That the Board of Supervisors directs the Municipal
17 Transportation Agency to ensure that any official signage on the public portion of La
18 Avanzada as identified in this legislation is clearly differentiated from private signage that may
19 be posted on the private portion of La Avanzada Street leading to Sutro Tower; and, be it

20 FURTHER RESOLVED, That by adopting this Resolution, the Board of Supervisors
21 does not intend to effectuate any change in City department jurisdictional control over any
22 portion of the streets depicted on the map on file with the Clerk of the Board of Supervisors;
23 and, be it

24 FURTHER RESOLVED, That the Board of Supervisors directs the Clerk of the Board
25 to forward a certified copy of this Resolution to the County Surveyor in accordance with
