The in-kind grant will be used for the design and construction for maintenance and upgrades to the Dahlia Dell Hillside Garden at Pompei Circle in Golden Gate Park. The grant is from Dahlia Society of California, through its fiscal sponsor, the San Francisco Parks Alliance. The proposed project would replace retaining walls, add pathway upgrades to stabilize the hillside terraces, offer improved and safer access to gardening beds and irrigations systems, increase ADA accessibility, and feature a viewing area to support and enhance the experience for visitors.
