

[Planning Code Amendment – Urban Agriculture]

**Ordinance amending the Planning Code to update controls related to urban agricultural uses by adding Section 102.3435 to define urban agriculture, including neighborhood agriculture and large-scale urban industrial agriculture, and amending Sections 204.1, 209.5, 227, 234.1, 234.2, and Articles 7 and 8 to regulate such uses in various zoning districts; and making findings including environmental findings and findings of consistency with General Plan and Section 101.1.**

NOTE: Additions are *single-underline italics Times New Roman*;  
deletions are ~~*strike-through italics Times New Roman*~~.  
Board amendment additions are double-underlined;  
Board amendment deletions are ~~strike-through normal~~.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings. The Board of Supervisors finds and declares as follows:

(a) The Planning Department has determined that the actions contemplated in this Ordinance are in compliance with the California Environmental Quality Act (California Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_ and is incorporated herein by reference.

(b) On \_\_\_\_\_, 2011, the Planning Commission, in Resolution No. \_\_\_\_\_ approved and recommended for adoption by the Board this legislation and adopted findings that it is consistent, on balance, with the City's General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_, and is incorporated by reference herein.

(c) Pursuant to Planning Code Section 302, this Board of Supervisors finds that this legislation will serve the public necessity, convenience, and welfare for the reasons set forth in Planning Commission Resolution No. \_\_\_\_\_, and incorporates such reasons by reference herein.

Section 2. The San Francisco Planning Code is hereby amended to add Section 102.3435 and amend Sections 204.1, 209.5, 227, 234.1, 234.2, 703.2, 710.1, 711.1, 712.1, 713.1, 714.1, 715.1, 716.1, 717.1, 718.1, 719.1, 720.1, 721.1, 722.1, 723.1, 724.1, 725.1, 726.1, 727.1, 728.1, 729.1, 730.1, 731.1, 732.1, 733.1, 733A.1, 734.1, 735.1, 736.1, 737.1, 790.50, 803.2, 803.3, 810.1, 811.1, 812.1, 813, 814, 815, 816, 817, 818, 827, 829, 840, 841, 842, 843 and 890.50, to read as follows:

**SEC. 102.3435. URBAN AGRICULTURE.** *Urban Agriculture shall be defined as follows:*

*(a) Neighborhood Agriculture.*

*A use that occupies less than 1 acre for the production of food or horticultural crops to be harvested, sold, or donated and comply with the controls and standards herein. The use includes, but is not limited to, home, kitchen, and roof gardens. Farms that qualify as Neighborhood Agricultural use may include, but are not limited to, community gardens, community-supported agriculture, market gardens, and private farms. Neighborhood Agricultural use may be principal or accessory use. ~~Limited sales and donation of fresh food and/or horticultural products grown on-site may occur on otherwise vacant property, but may not occur within a dwelling unit.~~ Limited sales and donation of fresh food and/or horticultural products grown on site may occur on site, whether vacant or improved, but such sales may not occur within a dwelling unit. Food and/or horticultural products grown that are used for personal consumption are not regulated. The following physical and operational standards shall apply to Neighborhood Agriculture:*

*(1) Compost areas must be setback at least 3 feet from ~~property lines~~ dwelling units and decks;*

1           (2) If the farmed area is enclosed by fencing, the fencing must be: (A) wood fencing or, (B)  
2           ornamental fencing as defined by Planning Code Section 102.32, or (C) chain-link or woven wire  
3           fencing if over half of the fence area that borders a public right-of-way will be covered by plant  
4           material or other vegetative screening within three (3) years of the fence installation;

5           (3) Use of mechanized farm equipment is generally prohibited in residential districts; provided,  
6           however, that during the initial preparation of the land heavy equipment may be used to prepare the  
7           land for agriculture use. Landscaping equipment designed for household use shall be permitted;

8           (4) Farm equipment shall be enclosed or otherwise screened from sight;

9           (5) Sale of food and/or horticultural products from the use may occur between the hours of 6  
10          a.m. and 8 p.m.;

11          (6) The sales of processed or value added goods is prohibited. In all districts, sales,  
12          pick-ups, and donations of fresh food and horticultural products grown on-site are permitted.  
13          In every district except "Residential Districts", value-added products, where the primary  
14          ingredients are grown and produced on-site, are permitted.

15          (b) Large-Scale Urban Industrial Agriculture.

16          The use of land for the production of food or horticultural crops to be harvested, sold, or  
17          donated that occur: (a)(1) on a plot of land 1 acre or larger or (b)(2) on smaller parcels that cannot  
18          meet the physical and operational standards for Neighborhood Agriculture.

19          (c) Water Conservation.

20          (1) Any plot of land that exceeds 1,000 square feet and is newly established for  
21          Neighborhood Agriculture or Large-Scale Urban Agriculture use shall comply with the  
22          applicable water use requirements of Administrative Code Chapter 63.

23          (2) Pursuant to Section 63.6.2 (b) of the Administrative Code, no permit for any site  
24          where the modified land area exceeds 1,000 square feet shall be issued until the General

1 Manager of the Public Utilities Commission has approved the applicable landscape project  
2 documentation.

3 **SEC. 204.1. ACCESSORY USES FOR DWELLINGS IN R OR NC DISTRICTS.**

4 No use shall be permitted as an accessory use to a dwelling unit in any R or NC District  
5 which involves or requires any of the following:

6 (a) Any construction features or alterations not residential in character;

7 (b) The use of more than ¼ of the total floor area of the dwelling unit, except in the  
8 case of accessory off-street parking and loading or Neighborhood Agriculture as defined by  
9 Section 102.3435;

10 (c) The employment of any person not resident in the dwelling unit, other than a  
11 domestic servant, gardener, janitor or other person concerned in the operation or  
12 maintenance of the dwelling unit;

13 (d) Residential occupancy by persons other than those specified in the definition of  
14 family in this Code;

15 (e) In RH-1(D), RH-1 and RH-1(S) Districts, the provision of any room for a roomer or  
16 boarder with access other than from within the dwelling unit;

17 (f) Addition of a building manager's unit, unless such unit meets all the normal  
18 requirements of this Code for dwelling units;

19 (g) The maintenance of a stock in trade other than garden produce related to  
20 Neighborhood Agriculture as defined by Section 102.3435, or the use of show windows or window  
21 displays or advertising to attract customers or clients; or

22 (h) The conduct of a business office open to the public other than sales related to garden  
23 produce of Neighborhood Agriculture as defined by Section 102.3435.

24 Provided, however, that Subsection (h) of this Section shall not exclude the  
25 maintenance within a dwelling unit of the office of a professional person who resides therein, if

accessible only from within the dwelling unit; and provided, further, that Subsection (g) shall not exclude the display of signs permitted by Article 6 of this Code.

1           **SEC. 234.1. PRINCIPAL USES PERMITTED, P DISTRICTS.**

2           (a) Structures and uses of governmental agencies not subject to regulation by this  
3 Code.

4           (b) Public structures and uses of the City and County of San Francisco, and of other  
5 governmental agencies that are subject to regulation by this Code, including Neighborhood  
6 Agriculture, as defined in Planning Code Section 102.3435 and accessory nonpublic uses, when in  
7 conformity with the Master Plan and the provisions of other applicable codes, laws,  
8 ordinances and regulations; provided, however, that on any lot in a P District, which lot is  
9 within ¼ mile of the nearest NC-1 or Individual Area Neighborhood Commercial District or  
10 Restricted Use Subdistrict described in Article 7 of this Code, no accessory nonpublic use  
11 shall be permitted, unless such use or feature complies with the controls which are applicable  
12 in any NC-1 or Individual Area Neighborhood Commercial District located within ¼ mile of the  
13 lot, excluding the provisions of zoning category .82, as defined in Section 790.80 of this Code.

14           **SEC. 234.2. CONDITIONAL USES, P DISTRICTS.**

15           The following uses shall be subject to approval by the City Planning Commission, as  
16 provided in Section 303 of this Code:

17           (a) Those uses listed in Sections 209.3(d), (e), (f), (g), (h), (i), (j); 209.4(a); 209.5(a);  
18 ~~(b);~~ 209.5(b); 209.5(d) if the use does not comply with the performance and operational standards as  
19 defined by Section 102.3435 (a); 209.5(e); 209.6(b); 209.6(c); 209.9(c); and 234.2(c) and (d) of  
20 this Code.

21           (b) With respect to any lot in a P District, which lot is within ¼ mile of the nearest NC-1  
22 or Individual Area Neighborhood Commercial District as described in Article 7 of this Code, no  
23 accessory nonpublic use shall be permitted, unless such use or feature complies with the  
24 controls which are applicable in any NC-1 or Individual Area Neighborhood Commercial  
25

District or Restricted Use Subdistrict located within ¼ mile of the lot, excluding the provisions of zoning category .82, as defined in Section 790.80 of Article 7.

(c) Parking lot or garage uses listed in Sections 890.7 through 890.12 of this Code when located within any P district within the Eastern Neighborhoods Mixed Use District, the South of Market Mixed Use District, the Market and Octavia Plan Area, and within the right-of-way of any State or federal highway.

(d) In any P District which is within the Eastern Neighborhoods Mixed Use District and the South of Market Mixed Use District, if the use is located within the right-of-way of any State or federal highway, the following uses:

(1) Retail and personal service uses primarily meeting the needs of commuters on nearby streets and highways or persons who work or live nearby, provided that:

(A) The space is on the ground floor of a publicly-accessible parking garage;

(B) The total gross floor area per establishment does not exceed 2,500 square feet;

(C) The space fronts on a major thoroughfare; and

(D) The building facade incorporates sufficient fenestration and lighting to create an attractive urban design and pedestrian-oriented scale.

(2) Open-air sale of new or used merchandise, except vehicles, located within a publicly-accessible parking lot, provided that:

(A) The sale of goods and the presence of any booths or other accessory appurtenances are limited to weekend and/or holiday daytime hours;

(B) Sufficient numbers of publicly-accessible toilets and trash receptacles are provided on-site and are adequately maintained; and

(C) The site and vicinity are maintained free of trash and debris.

## **SEC. 703.2 USES PERMITTED IN NEIGHBORHOOD COMMERCIAL DISTRICTS.**

A use is the specific purpose for which a property or building is used, occupied, maintained, or leased. Whether or not a use is permitted in a specific district is set forth or summarized and cross-referenced in Sections 710.1 through 730.95 of this Code for each district class.

(a) Use Categories. The uses, functions, or activities, which are permitted in each Neighborhood Commercial District class include those listed below by zoning control category and number and cross-referenced to the Code Section containing the definition.

(b) Use Limitations. The uses permitted in Neighborhood Commercial Districts are either principal, conditional, accessory, or temporary uses as stated in this Section, and include those uses set forth or summarized and cross-referenced in the zoning control categories as listed in Paragraph (a) in Sections 710.1 through 729.95 of this Code for each district class.

(1) Permitted Uses. All permitted uses shall be conducted within an enclosed

building in Neighborhood Commercial Districts, unless otherwise specifically allowed in this Code. Exceptions from this requirement are: uses which, when located outside of a building, qualify as an outdoor activity area, as defined in Section 790.70 of this Code; accessory off-street parking and loading and other uses listed below which function primarily as open-air uses, or which may be appropriate if located on an open lot, outside a building, or within a partially enclosed building, subject to other limitations of this Article 7 and other sections of this Code.

If there are two or more uses in a structure and none is classified below under Section 703.2(b)(1)(C) of this Code as accessory, then each of these uses will be considered separately as independent principal, conditional or temporary uses.

(A) Principal Uses. Principal uses are permitted as of right in a Neighborhood Commercial District, when so indicated in Sections 710.1 through 729.95 of this Code for each district class.

(B) Conditional Uses. Conditional uses are permitted in a Neighborhood

1 Commercial District when authorized by the Planning Commission; whether a use is  
2 conditional in a given district is indicated in Sections 710.10 through 729.95. Conditional uses  
3 are subject to the provisions set forth in Sections 178, 179, 303, and 316 through 316.8 of this  
4 Code.

5 (i) An establishment which sells beer or wine with motor vehicle fuel is a  
6 conditional use, and shall be governed by Section 229.

7 (ii) Notwithstanding any other provision of this Article, a change in use or  
8 demolition of a movie theater use, as set forth in Section 790.64, shall require conditional use  
9 authorization. This Subsection shall not authorize a change in use if the new use or uses are  
10 otherwise prohibited.

11 (iii) Notwithstanding any other provision of this Article, a change in use or  
12 demolition of a general grocery store use, as defined in Section 790.102(a), which use  
13 exceeds 5,000 gross square feet shall require conditional use authorization. This Subsection  
14 shall not authorize a change in use if the new use or uses are otherwise prohibited.

15 (iv) ~~Large-Scale Urban Industrial Agriculture, as defined in Section 102.3435 (b),~~  
16 shall require conditional use authorization.

17 (C) Accessory Uses. Except as prohibited in Section 728 and subject to the  
18 limitations set forth below and in Sections 204.1 (Accessory Uses for Dwelling Units in R and  
19 NC Districts), 204.4 (Dwelling Units Accessory to Other Uses), and 204.5 (Parking and  
20 Loading as Accessory Uses) of this Code, a related minor use which is either necessary to the  
21 operation or enjoyment of a lawful principal use or conditional use, or is appropriate, incidental  
22 and subordinate to any such use, shall be permitted as an accessory use when located on the  
23 same lot. Any use which does not qualify as an accessory use shall be classified as a  
24 principal or conditional use, unless it qualifies as a temporary use under Sections 205 through  
25 205.2 of this Code.

1                   No use will be considered accessory to a permitted principal or conditional use  
2 which involves or requires any of the following:

3                   (i)       The use of more than 1/3 of the total floor area occupied by such use and  
4 the principal or conditional use to which it is accessory, except in the case of accessory off-  
5 street parking and loading;

6                   (ii)      Any bar, restaurant, other entertainment, or any retail establishment  
7 which serves liquor for consumption on-site;

8                   (iii)     Any take-out food use, as defined in Section 790.122, except for a take-  
9 out food use which occupies 1/3 of the total floor area or up to 500 s/f whichever is more in a  
10 general grocery or specialty grocery store; This take-out food use includes the area devoted  
11 to food preparation and service and excludes storage and waiting areas;

12                  (iv)      Any take-out food use, as defined in Section 790.122, except for a take-  
13 out food use operating as a minor and incidental use within a full-service restaurant;

14                  premises of an establishment which does not also use or provide for primarily retail  
15 sale of such foods, goods or commodities at the same location where such wholesaling,  
16 manufacturing or processing takes place.

17                  (vi)      Any retail liquor sales, as defined in Section 790.55, except for beer,  
18 wine, and/or liquor sales for the consumption off the premises with a State of California  
19 Alcoholic Beverage Control ("ABC") Board License type (off-sale beer and wine) or type 21  
20 (off-sale general) which occupy less than 15% of the gross square footage of the  
21 establishment (including all areas devoted to the display and sale of alcoholic beverages) in a  
22 general grocery store, specialty grocery store, or self-service specialty food use.

23                  (vii)     Medical Cannabis Dispensaries as defined in 790.141.

24                  The foregoing rules shall not prohibit take-out food activity which operates in  
25 conjunction with a fast-food restaurant or a self-service restaurant. A fast-food restaurant or a

1 self-service restaurant, by definition, includes take-out food as an accessory and necessary  
2 part of its operation.

3 (D) Temporary Uses. Temporary uses are permitted uses, subject to the  
4 provisions set forth in Section 205 of this Code.

5 (2) Not Permitted Uses.

6 (A) Uses which are not specifically listed in this Article are not permitted  
7 unless they qualify as a nonconforming use pursuant to Sections 180 through 186.1 of this  
8 Code or are determined by the Zoning Administrator to be permitted uses in accordance with  
9 Section 307(a) of this Code.

10 (B) No use, even though listed as a permitted use, shall be permitted in a  
11 Neighborhood Commercial District which, by reason of its nature or manner of operation,  
12 creates conditions that are hazardous, noxious, or offensive through the emission of odor,  
13 fumes, smoke, cinders, dust, gas, vibration, glare, refuse, water-carried waste, or excessive  
14 noise.

15 (C) The establishment of a use that sells alcoholic beverages, other than  
16 beer and wine, concurrent with motor vehicle fuel is prohibited, and shall be governed by  
17 Section 229.

18 Except in the SoMa NCT, where these uses are permitted accessory uses.

19 **SEC. 710.1. NC-1 — NEIGHBORHOOD COMMERCIAL CLUSTER DISTRICT.**

20 NC-1 Districts are intended to serve as local neighborhood shopping districts, providing  
21 convenience retail goods and services for the immediately surrounding neighborhoods  
22 primarily during daytime hours.

23 These NC-1 Districts are characterized by their location in residential neighborhoods,  
24 often in outlying areas of the City. The commercial intensity of these districts varies. Many of  
25 these districts have the lowest intensity of commercial development in the City, generally

consisting of small clusters with three or more commercial establishments, commonly grouped around a corner; and in some cases short linear commercial strips with low-scale, interspersed mixed-use (residential-commercial) development.

Building controls for the NC-1 District promote low-intensity development which is compatible with the existing scale and character of these neighborhood areas. Commercial development is limited to one story. Rear yard requirements at all levels preserve existing backyard space.

NC-1 commercial use provisions encourage the full range of neighborhood-serving convenience retail sales and services at the first story provided that the use size generally is limited to 3,000 square feet. However, commercial uses and features which could impact residential livability are prohibited, such as auto uses, financial services, general advertising signs, drive-up facilities, hotels, and late-night activity; eating and drinking establishments are restricted, depending upon the intensity of such uses in nearby commercial districts.

Housing development in new buildings is encouraged above the ground story in most districts. Existing residential units are protected by prohibitions of conversions above the ground story and limitations on demolitions.

### SEC. 711.1. NC-2 — SMALL-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.

1           The NC-2 District is intended to serve as the City's Small-Scale Neighborhood  
2 Commercial District. These districts are linear shopping streets which provide convenience  
3 goods and services to the surrounding neighborhoods as well as limited comparison shopping  
4 goods for a wider market. The range of comparison goods and services offered is varied and  
5 often includes specialty retail stores, restaurants, and neighborhood-serving offices. NC-2  
6 Districts are commonly located along both collector and arterial streets which have transit  
7 routes.

8           These districts range in size from two or three blocks to many blocks, although the  
9 commercial development in longer districts may be interspersed with housing or other land  
10 uses. Buildings typically range in height from two to four stories with occasional one-story  
11 commercial buildings.

12           The small-scale district controls provide for mixed-use buildings which approximate or  
13 slightly exceed the standard development pattern. Rear yard requirements above the ground  
14 story and at residential levels preserve open space corridors of interior blocks.

15           Most new commercial development is permitted at the ground and second stories.  
16 Neighborhood-serving businesses are strongly encouraged. Eating and drinking and  
17 entertainment uses, however, are confined to the ground story. The second story may be  
18 used by some retail stores, personal services, and medical, business and professional offices.  
19 Parking and hotels are monitored at all stories. Limits on late-night activity, drive-up facilities,  
20 and other automobile uses protect the livability within and around the district, and promote  
21 continuous retail frontage.

22           Housing development in new buildings is encouraged above the ground story. Existing  
23 residential units are protected by limitations on demolition and upper-story conversions.

**SEC. 712.1. NC-3 — MODERATE-SCALE NEIGHBORHOOD COMMERCIAL DISTRICT.**

NC-3 Districts are intended in most cases to offer a wide variety of comparison and specialty goods and services to a population greater than the immediate neighborhood, additionally providing convenience goods and services to the surrounding neighborhoods. NC-3 Districts are linear districts located along heavily trafficked thoroughfares which also serve as major transit routes.

NC-3 Districts include some of the longest linear commercial streets in the City, some of which have continuous retail development for many blocks. Large-scale lots and buildings and wide streets distinguish the districts from smaller-scaled commercial streets, although the districts may include small as well as moderately scaled lots. Buildings typically range in height from two to four stories with occasional taller structures.

NC-3 building standards permit moderately large commercial uses and buildings. Rear yards are protected at residential levels.

A diversified commercial environment is encouraged for the NC-3 District, and a wide variety of uses are permitted with special emphasis on neighborhood-serving businesses. Eating and drinking, entertainment, financial service and certain auto uses generally are permitted with certain limitations at the first and second stories. Other retail businesses, personal services and offices are permitted at all stories of new buildings. Limited storage and administrative service activities are permitted with some restrictions.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and upper-story conversions.

#### SEC. 713.1. NC-S — NEIGHBORHOOD COMMERCIAL SHOPPING CENTER DISTRICT.

NC-S Districts are intended to serve as small shopping centers or supermarket sites which provide retail goods and services for primarily car-oriented shoppers. They commonly contain at least one anchor store or supermarket, and some districts also have small medical office buildings. The range of services offered at their retail outlets usually is intended to serve the immediate and nearby neighborhoods. These districts encompass some of the most recent (post-1945) retail development in San Francisco's neighborhoods and serve as an alternative to the linear shopping street.

Shopping centers and supermarket sites contain mostly one-story buildings which are removed from the street edge and set in a parking lot. Outdoor pedestrian activity consists primarily of trips between the parking lot and the stores on-site. Ground and second stories are devoted to retail sales and some personal services and offices.

The NC-S standards and use provisions allow for medium-size commercial uses in low-scale buildings. Rear yards are not required for new development. Most neighborhood-serving retail businesses are permitted at the first and second stories, but limitations apply to fast-food restaurants and take-out food uses. Some auto uses are permitted at the first story. Limited storage and administrative service activities are permitted with some restrictions.

Housing development in new buildings is permitted. Existing residential units are protected by limitations on demolitions and prohibitions of upper-story conversions.

1           **SEC. 714.1. BROADWAY NEIGHBORHOOD COMMERCIAL DISTRICT.**

2           The Broadway Neighborhood Commercial District, located in the northeast quadrant of  
3 San Francisco, extends along Broadway from west of Columbus Avenue to Osgood Place. It  
4 is part of a larger commercial area which includes North Beach to the north, Chinatown to the  
5 south and west, and Jackson Square to the southeast. Broadway's fame and popularity as a  
6 Citywide and regional entertainment district is derived from a concentration of nightclubs,  
7 music halls, adult theaters, bars, and restaurants between Grant Avenue and Montgomery  
8 Street. These places attract locals and visitors alike, mainly in the evening and late-night  
9 hours. In addition to the entertainment and some retail businesses, Broadway contains many  
10 upper-story residential hotels. Due to its proximity to downtown, there is strong pressure to  
11 develop upper-story offices.

12           The Broadway District controls are designed to encourage development that is  
13 compatible with the existing moderate building scale and mixed-use character, and maintain  
14 the district's balance of entertainment uses, restaurants, and small-scale retail stores. New  
15 buildings exceeding 40 feet in height will be carefully reviewed and rear yards at residential  
16 levels are protected. Most commercial uses in new buildings are permitted at the first two  
17 stories. Neighborhood-serving businesses are strongly encouraged. In order to protect the  
18 livability of the area, limitations apply to new fast-food restaurants and adult entertainment  
19 uses at the first and second stories, as well as late-night activity. Financial services are  
20 allowed on the ground story subject to certain limitations. Nonretail offices are prohibited in  
21 order to prevent encroachment of the adjoining downtown office uses. Due to the high traffic  
22 volume on Broadway, most automobile and drive-up uses are prohibited in order to prevent  
23 further traffic congestion. Parking garages are permitted if their ingress and egress do not  
24 disrupt the traffic flow on Broadway.

Housing development in new buildings is encouraged above the second story. Existing housing is protected by limitations on demolitions and upper-story conversions.

### SEC. 715.1. CASTRO STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Castro Street District is situated in Eureka Valley, close to the geographic center of San Francisco between the Mission District, Twin Peaks, and Upper Market Street. The physical form of the district is a crossing at Castro and 18th Streets, the arms of which contain many small, but intensely active commercial businesses. The multi-purpose commercial district provides both convenience goods to its immediate neighborhood as well as comparison shopping goods and services on a specialized basis to a wider trade area. Commercial businesses are active both in the daytime and late into the evening and include a number of gay-oriented bars and restaurants, as well as several specialty clothing and gift stores. The district also supports a number of offices in converted residential buildings.

The Castro Street District controls are designed to maintain existing small-scale development and promote a balanced mix of uses. Building standards permit small-scale buildings and uses and protect rear yards above the ground story and at residential levels. In new buildings, most commercial uses are permitted at the ground and second stories. Special controls are necessary to preserve the existing equilibrium of neighborhood-serving convenience and specialty commercial uses. In order to maintain convenience stores and protect adjacent residential livability, controls authorize some additional eating and drinking establishments with a conditional use, permit self-service specialty food establishments, and permit with certain limitations new late-night uses, adult and other entertainment, and financial

service uses. The continuous retail frontage is maintained by prohibiting most automobile and drive-up uses.

Housing development in new buildings is encouraged above the second story. Existing housing units are protected by limitations on demolitions and upper-story conversions.

#### SEC. 716.1. INNER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Inner Clement Street Commercial District is located on Clement Street between Arguello Boulevard and Funston Avenue in the eastern portion of the Richmond District of northwest San Francisco. The district provides a wide selection of convenience goods and services for the residents of the Inner Richmond neighborhood. Inner Clement Street has one of the greatest concentrations of restaurants of any commercial street in San Francisco, drawing customers from throughout the City and region. There are also a significant number

of professional, realty, and business offices as well as financial institutions. The pleasant pedestrian character of the district is derived directly from the intensely active retail frontage on Clement Street.

The Inner Clement Street District controls are designed to promote development that is consistent with its existing land use patterns and to maintain a harmony of uses that supports the district's vitality. The building standards allow small-scale buildings and uses, protecting rear yards above the ground story and at residential levels. In new development, most commercial uses are permitted at the first two stories, although certain limitations apply to uses at the second story. Special controls are necessary to preserve the equilibrium of neighborhood-serving convenience and comparison shopping businesses and protect adjacent residential livability. These controls prohibit additional financial service and limit additional eating and drinking establishments, late-night commercial uses and ground-story entertainment uses. In order to maintain the street's active retail frontage, controls also prohibit most new automobile and drive-up uses.

Housing development is encouraged in new buildings above the ground story. Existing residential units are protected by prohibitions on upper-story conversions and limitations on demolitions.

## **SEC. 717.1. OUTER CLEMENT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

The Outer Clement Street Neighborhood Commercial District is located on Clement Street between 19th Avenue and 27th Avenue in the western portion of the Richmond District. The shopping area contains small-scale convenience businesses, as well as many restaurants and a movie theater. The district's restaurants serve a neighborhood and Citywide clientele during the evening hours, while convenience shopping uses cater for the most part to

1 daytime neighborhood shoppers. Outer Clement Street contains many mixed-use buildings  
2 with some fully commercial and fully residential buildings interspersed between them.

3 The Outer Clement Street District controls are designed to promote development that is  
4 in keeping with the district's existing small-scale, mixed-use character. The building standards  
5 monitor large-scale development and protect rear yards at all levels. Future commercial  
6 growth is directed to the ground story in order to promote more continuous and active retail  
7 frontage. Additional eating and drinking establishments are prohibited, while ground-story  
8 entertainment and financial service uses are monitored in order to limit the problems of traffic,  
9 congestion, noise and late-night activity associated with such uses and to protect existing  
10 neighborhood-serving businesses. Other controls restricting late-night activity, hotels,  
11 automobile uses, and drive-up facilities are designed to preserve the low-intensity character of  
12 the district.

13 Housing development in new buildings is encouraged above the ground story. Existing  
14 residential units are protected by prohibitions of upper-story conversions and limitations on  
15 demolitions.

## **SEC. 718.1. UPPER FILLMORE STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

The Upper Fillmore Street Neighborhood Commercial District is situated in the south-central portion of Pacific Heights. It runs north-south along Fillmore Street from Jackson to Bush and extends west one block along California and Pine Streets. This medium-scaled, multi-purpose commercial district provides convenience goods to its immediate neighborhood as well as comparison shopping goods and services on a specialized basis to a wider trade area. Commercial businesses are active during both day and evening and include a number of bars, restaurants, specialty groceries, and specialty clothing stores.

The Upper Fillmore District controls are designed to protect the existing building scale and promote new mixed-use development which is in character with adjacent buildings. Building standards regulate large lot and use development and protect rear yards above the ground story and at residential levels. Most commercial uses are permitted at the first two stories of new buildings. Special controls are designed to preserve the existing equilibrium of neighborhood-serving convenience and specialty commercial uses. In order to maintain convenience stores and protect adjacent livability, additional eating and drinking establishments are prohibited and ground-story entertainment and financial service uses are limited. In order to promote continuous retail frontage, drive-up and most automobile uses are prohibited.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and upper-story conversions.

## **SEC. 719.1. HAIGHT STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

Northwest of the City's geographical center, the Haight Street Neighborhood Commercial District is located in the Haight-Ashbury neighborhood, extending along Haight Street between Stanyan and Central Avenue, including a portion of Stanyan Street between Haight and Beulah. The shopping area provides convenience goods and services to local Haight-Ashbury residents, as well as comparison shopping goods and services to a larger market area. The commercial district is also frequented by users of Golden Gate Park on weekends and by City residents for its eating, drinking, and entertainment places. Numerous housing units establish the district's mixed residential-commercial character.

The Haight Street District controls are designed to protect the existing building scale and promote new mixed-use development which is in character with adjacent buildings. The building standards regulate large-lot and use development and protect rear yards above the ground story and at residential levels. To promote the prevailing mixed-use character, most commercial uses are directed primarily to the ground story with some upper-story restrictions in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving commercial uses and regulate the more intensive commercial uses which can generate congestion and nuisance problems, special controls prohibit additional drinking uses, limit additional eating establishments, restrict expansion and intensification of existing eating and drinking establishments, and limit entertainment and tourist hotels. Prohibitions of most automobile and drive-up uses protect the district's continuous retail frontage.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibition of upper-story conversions and limitations on demolitions.

## **SEC. 720.1. HAYES-GOUGH NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

The Hayes-Gough Neighborhood Commercial Transit District is located within walking distance of the Civic Center, lying west of Franklin Street and east of Laguna Street, with its southern edge generally at Lily Street, with an extension south along both sides of Octavia Boulevard to Market Street. This mixed-use commercial district contains a limited range of retail commercial activity, which primarily caters to the immediate need of the neighborhood. The few comparison goods that it does provide attract clientele from a wider area outside its

neighborhood, mostly the Performing Arts and Civic Center workers and visitors. There are a number of restaurants and art galleries, but other types of retail activity are limited.

The Hayes-Gough District controls are designed to allow for growth and expansion that is compatible with the existing building and use scales. Building standards protect the moderate building and use size and require rear yards at residential levels. To maintain the mixed-use character of the district, most commercial uses are permitted at the first and second stories and housing is strongly encouraged at the third story and above. In order to encourage lively pedestrian-oriented commercial activity, but restrict certain sensitive and problematic uses, eating and drinking, and entertainment uses are directed to the ground story. Retail sales activity, especially neighborhood-serving businesses, is further promoted by restricting new ground-story medical, business and professional offices. To protect continuous frontage, drive-up and most automobile uses are prohibited, above-ground parking is required to be setback or below ground, and active, pedestrian-oriented ground floor uses are required on Hayes Street and portions of Octavia Boulevard.

Housing development in new buildings is encouraged above the second story, and is controlled not by lot area but by physical envelope controls. Existing residential units are protected by limitations on demolitions, mergers, subdivisions, and upper-story conversions. Given the area's central location and accessibility to the downtown and to the City's transit network, accessory parking for residential uses is not required. The code controls for this district are supported and augmented by design guidelines and policies in the Market and Octavia Area Plan of the General Plan.

#### SPECIFIC PROVISIONS FOR THE HAYES-GOUGH DISTRICT

Article 7 Code Section	Other Code Section	Zoning Controls
720.68	§ 249.35	Fringe financial services are P subject to the restrictions set forth in Section 249.35, including, but not limited to, the proximity restrictions set forth in Subsection 249.35(c)(3).

#### **SEC. 721.1. UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

The Upper Market Street Neighborhood Commercial District, on Market Street from Church to Castro, and on side streets off Market, is situated at the border of the Eureka Valley, Buena Vista, and Duboce Triangle neighborhoods. Upper Market Street is a multi-purpose commercial district that provides limited convenience goods to adjacent neighborhoods, but also serves as a shopping street for a broader trade area. A large number of offices are located on Market Street within easy transit access to downtown. The width of Market Street and its use as a major arterial diminish the perception of the Upper Market Street District as a single commercial district. The street appears as a collection of dispersed centers of commercial activity, concentrated at the intersections of Market Street with secondary streets.

The Upper Market Street district controls are designed to promote moderate-scale development which contributes to the definition of Market Street's design and character. They are also intended to preserve the existing mix of commercial uses and maintain the livability of the district and its surrounding residential areas. Large-lot and use development is reviewed

for consistency with existing development patterns. Rear yards are protected at residential levels. To promote mixed-use buildings, most commercial uses are permitted with some limitations above the second story. In order to maintain continuous retail frontage and preserve a balanced mix of commercial uses, ground-story neighborhood-serving uses are encouraged, and eating and drinking, entertainment, and financial service uses are limited. Continuous frontage is promoted by prohibitions of most automobile and drive-up uses.

Housing development in new buildings is encouraged above the second story. Existing upper-story residential units are protected by limitations on demolitions and upper-story conversions.

§ 721.31 § 721.32	§ 608.10	UPPER MARKET STREET SPECIAL SIGN DISTRICT <b>Boundaries:</b> Applicable only for the portions of the Upper Market Street NCD as mapped on Sectional Map SSD <b>Controls:</b> Special restrictions and limitations for signs
§ 721.48		<b>Boundaries:</b> Applicable for the Upper Market Street NCD. <b>Controls:</b> Existing bars in the Upper Market Street Neighborhood Commercial District will be allowed to apply for and receive a place of entertainment permit from the Entertainment Commission without obtaining conditional use authorization from the Planning Commission if they can demonstrate to the satisfaction of the Entertainment Commission that they have been in regular operation as an entertainment use prior to January 1, 2004; provided, however, that a conditional use is required (1) if an application for a conditional use for the entertainment use was filed with the Planning Department prior to the date this ordinance was introduced or (2) if a conditional use was denied within 12 months prior to the effective date of this ordinance.

### SEC. 722.1. NORTH BEACH NEIGHBORHOOD COMMERCIAL DISTRICT.

The North Beach Neighborhood Commercial District is a nonlinear district centered on Columbus Avenue, located in the valley between Telegraph Hill and Russian Hill north of Broadway. North Beach functions as a neighborhood-serving marketplace, citywide specialty shopping, and dining district, and a tourist attraction, as well as an apartment and residential hotel zone. Traditionally, the district has provided most convenience goods and services for residents of North Beach and portions of Telegraph and Russian Hills. North Beach's eating, drinking, and entertainment establishments remain open into the evening to serve a much

1 wider trade area and attract many tourists. The balance between neighborhood-serving  
2 convenience stores and Citywide specialty businesses has shifted , as convenience stores  
3 have been replaced by restaurants and bars The proliferation of financial services, limited  
4 financial services, and business and professional services has also upset the district's  
5 balance of uses. The relocation of business and professional offices from downtown to North  
6 Beach threatens the loss of upper-story residential units.

7         The North Beach District controls are designed to ensure the livability and  
8 attractiveness of North Beach. Building standards limit new development to a small to  
9 moderate scale. Rear yards are protected above the ground story and at residential levels.  
10 Most new commercial development is permitted at the first two stories. Small-scale,  
11 neighborhood-serving businesses are strongly encouraged and formula retail uses are  
12 prohibited. Use sizes are controlled to limit future consolidation of spaces and to encourage  
13 conversion back to the traditional small-scale commercial spaces. Special controls are  
14 necessary because an over-concentration of food and beverage service establishments limits  
15 neighborhood-serving retail sales and personal services in an area that needs them to thrive  
16 as a neighborhood. In order to maintain neighborhood-serving retail sales and personal  
17 services and to protect residential livability, additional eating and drinking establishments are  
18 prohibited in spaces that have been occupied by neighborhood-serving retail sales and  
19 personal services. Special controls limit additional ground-story entertainment uses and  
20 prohibit new walk-up automated bank teller machines (ATMs). Financial services, limited  
21 financial services, and ground-story business and professional office uses are prohibited from  
22 locating in the portion of the district south of Greenwich Street, while new financial services  
23 locating in the portion of the district north of Greenwich Street are limited. Restrictions on  
24 automobile and drive-up uses are intended to promote continuous retail frontage and maintain  
25 residential livability.

In keeping with the district's existing mixed-use character, housing development in new buildings is encouraged above the second story. Existing residential units are protected by prohibitions of upper-story conversions and limitations on demolitions.

## SEC. 723.1. POLK STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

Sitting in the gulch between Nob and Russian Hills and Pacific Heights, the Polk Street Neighborhood Commercial District extends for a mile as a north-south linear strip, and includes a portion of Larkin Street between Post and California Streets. Polk Street's dense mixed-use character consists of buildings with residential units above ground-story commercial use. The district has an active and continuous commercial frontage along Polk Street for almost all of its length. Larkin Street and side streets in the district have a greater proportion of residences than Polk Street itself. The district provides convenience goods and

services to the residential communities in the Polk Gulch neighborhood and to the residents on the west slopes of Nob and Russian Hills. It has many apparel and specialty stores, as well as some automobile uses, which serve a broader trade area. Commercial uses also include offices, as well as movie theaters, restaurants, and bars which keep the district active into the evening.

The Polk Street District controls are designed to encourage and promote development which is compatible with the surrounding neighborhood. The building standards monitor large-scale development and protect rear yards at residential levels. Consistent with Polk Street's existing mixed-use character, new buildings may contain most commercial uses at the first two stories. The controls encourage neighborhood-serving businesses, but limit new eating, drinking, other entertainment, and financial service uses, which can produce parking congestion, noise and other nuisances or displace other types of local-serving convenience goods and services. They also prohibit new adult entertainment uses. Restrictions on drive-up and most automobile uses protect the district's continuous retail frontage and prevent further traffic congestion.

Housing developed in new buildings is encouraged above the second story, especially in the less intensely developed portions of the district along Larkin Street. Existing housing units are protected by limitations on demolitions and upper-story conversions.

### SEC. 724.1. SACRAMENTO STREET NEIGHBORHOOD COMMERCIAL DISTRICT.

1 Located in the Presidio Heights neighborhood in north-central San Francisco, the  
2 Sacramento Street Neighborhood Commercial District functions as a small-scale linear  
3 shopping area. It extends along Sacramento Street between Lyon and Spruce. Interspersed  
4 among residential buildings and garages, the district's daytime-oriented retail stores provide a  
5 limited array of convenience goods to the immediate neighborhood. Sacramento Street also  
6 has many elegant clothing, accessory, and antique stores and services, such as hair salons,  
7 which attract customers from a wider trade area. Its numerous medical and business offices  
8 draw clients from throughout the City. Evening activity in the district is limited to one movie  
9 theater, a few restaurants, and some stores near Presidio Avenue.

10 The Sacramento Street District controls are designed to promote adequate growth  
11 opportunities for development that is compatible with the surrounding low-density residential  
12 neighborhood. The building standards monitor large-scale development and protect rear yards  
13 at the grade level and above. Most new commercial development is permitted at the first  
14 story; general retail uses are permitted at the second story only if such use would not involve  
15 conversion of any existing housing units. Special controls are designed to protect existing  
16 neighborhood-serving ground-story retail uses. New medical service offices are prohibited at  
17 all stories. Personal and business services are restricted at the ground story and prohibited on  
18 upper stories. Limits on new ground-story eating and drinking uses, as well as new  
19 entertainment and financial service uses, are intended to minimize the environmental impacts  
20 generated by the growth of such uses. The daytime orientation of the district is encouraged by  
21 prohibiting bars and restricting late-night commercial activity. New hotels and parking facilities  
22 are limited in scale and operation to minimize disruption to the neighborhood. Most new  
23 automobile and drive-up uses are prohibited to promote continuous retail frontage.

1           Housing development in new buildings is encouraged above the second story. Existing  
2   residential units are protected by limitations on demolitions and prohibitions of upper-story  
3   conversions.

		2) No legally residing residential tenant will be displaced.

## **SEC. 725.1. UNION STREET NEIGHBORHOOD COMMERCIAL DISTRICT.**

The Union Street Commercial District is located in northern San Francisco between the Marina and Pacific Heights neighborhoods. The district lies along Union Street between Van

1 Ness Avenue and Steiner, including an arm extending north on Fillmore Street to Lombard.  
2 The shopping area provides limited convenience goods for the residents of sections of the  
3 Cow Hollow, Golden Gate Valley, and Pacific Heights neighborhoods immediately  
4 surrounding the street. Important aspects of Union Street's business activity are eating and  
5 drinking establishments and specialty shops whose clientele comes from a wide trade area.  
6 There are also a significant number of professional, realty, and business offices. Many  
7 restaurants and bars as well as the district's two movie theaters are open into the evening  
8 hours, and on weekends the street's clothing, antique stores and galleries do a vigorous  
9 business.

10 The Union Street District controls are designed to provide sufficient growth  
11 opportunities for commercial development that is in keeping with the existing scale and  
12 character, promote continuous retail frontage, and protect adjacent residential livability. Small-  
13 scale buildings and neighborhood-serving uses are promoted, and rear yards above the  
14 ground story and at all residential levels are protected. Most commercial development is  
15 permitted at the first two stories of new buildings, while retail service uses are monitored at  
16 the third story and above. Controls are necessary to preserve the remaining convenience  
17 businesses and to reduce the cumulative impacts which the growth of certain uses have on  
18 neighborhood residents. Such controls prohibit additional drinking establishments and limit  
19 additional eating establishments, entertainment, and financial service uses. Most automobile  
20 and drive-up uses are prohibited in order to maintain continuous retail frontage and minimize  
21 further traffic congestion.

22 Housing development in new buildings is encouraged above the second story. Existing  
23 residential units are protected by limitations on demolitions and upper-story conversions.

## **SEC. 726.1. VALENCIA STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

The Valencia Street Commercial Transit District is located near the center of San Francisco in the Mission District. It lies along Valencia Street between 14th and Cesar Chavez (Army) Street, and includes a portion of 16th Street extending west toward Dolores Street. The commercial area provides a limited selection of convenience goods for the residents of sections of the Mission and Dolores Heights. Valencia Street also serves a wider trade area with its retail and wholesale home furnishings and appliance outlets. The commercial district also has several automobile-related businesses. Eating and drinking establishments contribute to the street's mixed-use character and activity in the evening hours. A number of upper-story professional and business offices are located in the district, some in converted residential units.

The Valencia Street District has a pattern of large lots and businesses, as well as a sizable number of upper-story residential units. Controls are designed to permit moderate-scale buildings and uses, protecting rear yards above the ground story and at residential levels. New neighborhood-serving commercial development is encouraged mainly at the ground story. While offices and general retail sales uses may locate at the second story of new buildings under certain circumstances, most commercial uses are prohibited above the second story. In order to protect the balance and variety of retail uses and the livability of adjacent uses and areas, most eating and drinking and entertainment uses at the ground story are limited. Continuous retail frontage is promoted by prohibiting drive-up facilities, some automobile uses, and new nonretail commercial uses. Parking is not required, and any new parking is required to be set back or below ground. Active, pedestrian-oriented ground floor uses are required.

Housing development in new buildings is encouraged above the ground story. Housing density is not controlled by the size of the lot but by requirements to supply a high percentage of larger units and by physical envelope controls. Existing residential units are protected by prohibitions on upper-story conversions and limitations on demolitions, mergers, and subdivisions. Given the area's central location and accessibility to the City's transit network, accessory parking for residential uses is not required.

#### **SEC. 727.1. 24TH STREET – MISSION NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

1           The 24th Street — Mission Neighborhood Commercial Transit District is situated in the  
2 Inner Mission District on 24th Street between Bartlett Street and San Bruno Avenue. This  
3 mixed-use district provides convenience goods to its immediate neighborhood as well as  
4 comparison shopping goods and services to a wider trade area. The street has a great  
5 number of Latin American restaurants, grocery stores, and bakeries as well as other gift and  
6 secondhand stores. Most commercial businesses are open during the day while the district's  
7 bars and restaurants are also active in the evening. Dwelling units are frequently located  
8 above the ground-story commercial uses.

9           The 24th Street — Mission Neighborhood Commercial Transit District controls are  
10 designed to provide potential for new development consistent with the existing scale and  
11 character. Small-scale buildings and neighborhood-serving uses are encouraged, and rear  
12 yard corridors above the ground story and at residential levels are protected. Most commercial  
13 uses are encouraged at the ground story, while service uses are permitted with some  
14 limitations at the second story. Special controls are necessary to preserve the unique mix of  
15 convenience and specialty commercial uses. In order to maintain convenience stores and  
16 protect adjacent livability, new bars and fast-food restaurants are prohibited, and limitations  
17 apply to the development and operation of ground-story full-service restaurants, take-out food  
18 and entertainment uses. Continuous retail frontage is maintained and encouraged by  
19 prohibiting most automobile and drive-up uses, banning curb cuts, and requiring active,  
20 pedestrian-oriented ground floor uses. Parking is not required, and any new parking required  
21 to be set back or below ground.

22           Housing development in new buildings is encouraged above the ground story. Housing  
23 density is not controlled by the size of the lot but by requirements to supply a high percentage  
24 of larger units and by physical envelope controls. Existing housing units are protected by  
25 prohibitions on upper-story conversions and limitations on demolitions, mergers, and

subdivisions. Given the area's central location and accessibility to the City's transit network, accessory parking for residential uses is not required.

**SEC. 728.1. 24TH STREET — NOE VALLEY NEIGHBORHOOD COMMERCIAL DISTRICT.**

The 24th Street — Noe Valley Neighborhood Commercial District is situated along 24th Street between Chattanooga and Diamond in the Noe Valley neighborhood of central San Francisco. This daytime-oriented, multi-purpose commercial district provides a mixture of convenience and comparison shopping goods and services to a predominantly local market area. It contains primarily retail sales and personal services at the street level, some office uses on the second story, and residential use almost exclusively on the third and upper stories.

The 24th Street — Noe Valley District controls are designed to allow for development that is compatible with the existing small-scale, mixed-use neighborhood commercial character and surrounding residential area. The small scale of new buildings and neighborhood-serving uses is encouraged and rear yard open space corridors at all levels are protected. Most commercial uses are directed to the ground story and limited at the second story of new buildings. In order to maintain the variety and mix of retail sales and services along the commercial strip and to control the problems of traffic, congestion, noise and late-

night activity, certain potentially troublesome commercial uses are regulated. Additional large fast food restaurants are prohibited, other eating and drinking establishments require conditional use authorization, and ground-story entertainment and financial service uses are restricted to and at the ground story. Prohibitions on drive-up and most automobile uses help prevent additional traffic and parking congestion.

Housing development in new buildings is encouraged above the ground story. Existing housing units are protected by prohibitions on upper-story conversions and limitations on demolitions.

## **SEC. 729.1. WEST PORTAL AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.**

Located in the southwestern part of the City, the West Portal Avenue Neighborhood Commercial District stretches for three long blocks along West Portal Avenue from Ulloa Street to 15th Avenue and extends one block east along Ulloa Street from the Twin Peaks Tunnel entrance to Claremont Boulevard. West Portal Avenue provides a selection of goods and services for customers coming mainly from the surrounding west of Twin Peaks and Sunset single-family residential neighborhoods. The lively, small-scale retail frontage is interrupted at several locations by large-scale financial institutions which take up a large amount of commercial ground-story frontage. More than half of the number of medical, professional and business offices are located at the ground level. Except for one three-movie theater complex, West Portal offers no entertainment uses and its restaurants are mainly family-oriented.

The West Portal Avenue District controls are designed to preserve the existing family-oriented, village character of West Portal Avenue. The building standards limit building heights to 26 feet and two stories and maintain the existing pattern of rear yards at the ground level and above. The height, bulk and design of new development, especially on large lots, should respect the small-scale character of the district and its surrounding residential neighborhoods. Lot mergers creating large lots are discouraged. Individual nonresidential uses require conditional use permits above 2,500 square feet and are restricted to 4,000 square feet as an absolute limit to conform with the existing small use sizes in the district.

Special controls on commercial uses are designed to protect the existing mix of ground-story retail uses and prevent further intensification and congestion in the district. No new financial services are permitted. Because the district and surrounding neighborhoods are well served by the existing number of eating and drinking establishments, new bars, restaurants and take-out food generally are discouraged: any proposed new establishment should be carefully reviewed to ensure that it is neighborhood-serving and family-oriented, and will not involve high-volume take-out food or generate traffic, parking, or litter problems. Large fast-food restaurants and small self-service restaurants are prohibited. Medical, business or professional services are permitted at the first two stories, but additional ground-story locations are to be closely monitored to ensure that the current balance between retail and office uses is maintained. Existing service stations are encouraged to continue operating, but changes in their size, operation, or location are subject to review. Other automotive uses are prohibited. The neighborhood-oriented, retail character of the district is further protected by prohibiting hotels and nonretail uses. The daytime orientation of the district is maintained by prohibitions of entertainment uses and late-night commercial operating hours.

Housing development is limited. Existing residential units are protected by limitations on demolition and prohibition of upper-story conversions; new construction is to be carefully reviewed to ensure appropriate scale, design and compatibility with adjacent development.

#### SPECIFIC PROVISIONS FOR THE WEST PORTAL AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT

Article 7 Code Section	Other Code Section	Zoning Controls
§ 729.40	§ 790.102	<b>Boundaries:</b> The entire West Portal Neighborhood Commercial District <b>Controls:</b> A retail coffee store or other non-alcoholic beverage store as defined by Subsection 790.102(n) may be granted a conditional use to be exempt from the prohibition described in that subsection of cooking devices and on-site food preparation not connected with beverage preparation, provided that the cooking device allowed shall be limited to one small device for warming sandwich ingredients and provided that all other provisions of Subsection 790.102(n) are met.
§ 729.53		<b>Boundaries:</b> The entire West Portal Neighborhood Commercial District <b>Controls:</b> Applicable only for the use of stock brokerage. A stock brokerage may apply for conditional use if there are no more than a total of seven financial uses and/or stock brokerages within the district. If there are more than seven financial services and/or stock brokerages in the district, stock brokerages shall not be permitted.

#### SEC. 730.1. INNER SUNSET NEIGHBORHOOD COMMERCIAL DISTRICT.

The Inner Sunset Neighborhood Commercial District is located in the Inner Sunset neighborhood, consisting of the NC-2 district bounded by Lincoln Way on the north, Fifth Avenue on the east, Kirkham Street on the south, and Nineteenth Avenue on the west. The shopping area provides convenience goods and services to local Inner Sunset residents, as well as comparison shopping goods and services to a larger market area. The commercial district is also frequented by users of Golden Gate Park on weekends and by City residents for its eating, drinking, and entertainment places. Numerous housing units establish the district's mixed residential-commercial character.

The Inner Sunset District controls are designed to protect the existing building scale and promote new mixed-use development which is in character with adjacent buildings. The building standards regulate large-lot and use development and protect rear yards above the ground story and at residential levels. To promote the prevailing mixed use character, most commercial uses are directed primarily to the ground story with some upper-story restrictions in new buildings. In order to maintain the balanced mix and variety of neighborhood-serving commercial uses and regulate the more intensive commercial uses which can generate congestion and nuisance problems, special controls prohibit additional eating and drinking uses, restrict expansion and intensification of existing eating and drinking establishments, and limit entertainment and tourist hotels. Prohibitions of most automobile and drive-up uses protect the district's continuous retail frontage.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by prohibition of upper-story conversions and limitations on demolitions.

**SEC. 731.1. NCT-3 — MODERATE-SCALE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

NCT-3 Districts are transit-oriented moderate- to high-density mixed-use neighborhoods of varying scale concentrated near transit services. The NCT-3 Districts are mixed use districts that support neighborhood-serving commercial uses on lower floors and housing above. These districts are well-served by public transit and aim to maximize residential and commercial opportunities on or near major transit services. The district's form

1 can be either linear along transit-priority corridors, concentric around transit stations, or  
2 broader areas where transit services criss-cross the neighborhood. Housing density is limited  
3 not by lot area, but by the regulations on the built envelope of buildings, including height, bulk,  
4 setbacks, and lot coverage, and standards for residential uses, including open space and  
5 exposure, and urban design guidelines. Residential parking is not required and generally  
6 limited. Commercial establishments are discouraged or prohibited from building accessory off-  
7 street parking in order to preserve the pedestrian-oriented character of the district and prevent  
8 attracting auto traffic. There are prohibitions on access (i.e. driveways, garage entries) to off-  
9 street parking and loading on critical stretches of NC and transit streets to preserve and  
10 enhance the pedestrian-oriented character and transit function.

11 NCT-3 Districts are intended in most cases to offer a wide variety of comparison and  
12 specialty goods and services to a population greater than the immediate neighborhood,  
13 additionally providing convenience goods and services to the surrounding neighborhoods.  
14 NCT-3 Districts include some of the longest linear commercial streets in the City, some of  
15 which have continuous retail development for many blocks. Large-scale lots and buildings and  
16 wide streets distinguish the districts from smaller-scaled commercial streets, although the  
17 districts may include small as well as moderately scaled lots. Buildings may range in height,  
18 with height limits varying from four to eight stories.

19 NCT-3 building standards permit moderately large commercial uses and buildings.  
20 Rear yards are protected at residential levels.

21 A diversified commercial environment is encouraged for the NCT-3 District, and a wide  
22 variety of uses are permitted with special emphasis on neighborhood-serving businesses.  
23 Eating and drinking, entertainment, and financial service uses generally are permitted with  
24 certain limitations at the first and second stories. Auto-oriented uses are somewhat restricted.  
25 Other retail businesses, personal services and offices are permitted at all stories of new

buildings. Limited storage and administrative service activities are permitted with some restrictions.

Housing development in new buildings is encouraged above the second story. Existing residential units are protected by limitations on demolitions and upper-story conversions.

### **SEC. 732.1. PACIFIC AVENUE NEIGHBORHOOD COMMERCIAL DISTRICT.**

The Pacific Avenue Neighborhood Commercial District, on Pacific Avenue from just east of Polk Street to all four corners of Pacific Avenue and Jones Street, is situated on the north slope of the Nob Hill neighborhood and south of the Broadway Tunnel. Pacific Avenue is a multi-purpose, small-scale mixed-use neighborhood shopping district on a narrow street that provides limited convenience goods to the adjacent neighborhoods.

The Pacific Avenue Neighborhood Commercial District controls are designed to promote a small, neighborhood serving mixed-use commercial street that preserves the surrounding neighborhood residential character. These controls are intended to preserve livability in a largely low-rise development residential neighborhood, enhance solar access on a narrow street right-of-way and protect residential rear yard patterns at the ground floor.

**SEC. 733.1. UPPER MARKET STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

The Upper Market Street Neighborhood Commercial Transit District is located on Market Street from Church to Noe Streets, and on side streets off Market. Upper Market Street is a multi-purpose commercial district that provides limited convenience goods to adjacent neighborhoods, but also serves as a shopping street for a broader trade area. A large number of offices are located on Market Street within easy transit access to downtown. The width of Market Street and its use as a major arterial diminish the perception of the Upper Market Street Transit District as a single commercial district. The street appears as a collection of dispersed centers of commercial activity, concentrated at the intersections of Market Street with secondary streets.

This district is well served by transit and is anchored by the Market Street subway (with stations Church Street and Castro Street) and the F-Market historic streetcar line. All light-rail lines in the City traverse the district, including the F, J, K, L, M, and N, and additional key cross-town transit service crosses Market Street at Fillmore and Castro Streets. Additionally, Market Street is a primary bicycle corridor. Housing density is limited not by lot area, but by the regulations on the built envelope of buildings, including height, bulk, setbacks, and lot coverage, and standards for residential uses, including open space and exposure, and urban design guidelines. Residential parking is not required and generally limited. Commercial establishments are discouraged or prohibited from building accessory off-street parking in order to preserve the pedestrian-oriented character of the district and prevent attracting auto

1 traffic. There are prohibitions on access (i.e. driveways, garage entries) to off-street parking  
2 and loading on Market and Church Streets to preserve and enhance the pedestrian-oriented  
3 character and transit function.

4 The Upper Market Street district controls are designed to promote moderate-scale  
5 development which contributes to the definition of Market Street's design and character. They  
6 are also intended to preserve the existing mix of commercial uses and maintain the livability of  
7 the district and its surrounding residential areas. Large-lot and use development is reviewed  
8 for consistency with existing development patterns. Rear yards are protected at all levels. To  
9 promote mixed-use buildings, most commercial uses are permitted with some limitations  
10 above the second story. In order to maintain continuous retail frontage and preserve a  
11 balanced mix of commercial uses, ground-story neighborhood-serving uses are encouraged,  
12 and eating and drinking, entertainment, and financial service uses are limited. Ground floor-  
13 commercial space is required along Market and Church Streets. Most automobile and drive-  
14 up uses are prohibited or conditional.

15 Housing development in new buildings is encouraged above the second story. Existing  
16 upper-story residential units are protected by limitations on demolitions and upper-story  
17 conversions.

#### 6 **SEC. 733A.1. NCT-1 — NEIGHBORHOOD COMMERCIAL TRANSIT CLUSTER DISTRICT.**

7 NC-1 Districts are intended to serve as local neighborhood shopping districts, providing  
8 convenience retail goods and services for the immediately surrounding neighborhoods  
9 primarily during daytime hours. NCT-1 Districts are located near major transit services. They  
10 are small mixed-use clusters, generally surrounded by residential districts, with small-scale  
11 neighborhood-serving commercial uses on lower floors and housing above. Housing density is  
12 limited not by lot area, but by the regulations on the built envelope of buildings, including  
13 height, bulk, setbacks, and lot coverage, and standards for residential uses, including open  
14 space and exposure, and urban design guidelines. There are prohibitions on access (i.e.  
15 driveways, garage entries) to off-street parking and loading on critical stretches of commercial  
16 and transit street frontages to preserve and enhance the pedestrian-oriented character and  
17 transit function. Residential parking is not required and generally limited. Commercial  
18 establishments are discouraged from building excessive accessory off-street parking in order  
19 to preserve the pedestrian-oriented character of the district and prevent attracting auto traffic.

20 NCT-1 Districts are generally characterized by their location in residential  
21 neighborhoods. The commercial intensity of these districts varies. Many of these districts have  
22 the lowest intensity of commercial development in the City, generally consisting of small  
23 clusters with three or more commercial establishments, commonly grouped around a corner;  
24 and in some cases short linear commercial strips with low-scale, interspersed mixed-use  
25

(residential-commercial) development. Building controls for the NCT-1 District promote low-intensity development which is compatible with the existing scale and character of these neighborhood areas. Commercial development is limited to one story. Rear yard requirements at all levels preserve existing backyard space.

NCT-1 commercial use provisions encourage the full range of neighborhood-serving convenience retail sales and services at the first story provided that the use size generally is limited to 3,000 square feet. However, commercial uses and features which could impact residential livability are prohibited, such as auto uses, financial services, general advertising signs, drive-up facilities, hotels, and late-night activity; eating and drinking establishments are restricted, depending upon the intensity of such uses in nearby commercial districts.

Existing residential units are protected by prohibitions of conversions above the ground story and limitations on demolitions.

#### SEC. 734.1. NCT-2 — SMALL-SCALE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

NCT-2 Districts are transit-oriented mixed-use neighborhoods with small scale commercial uses near transit services. The NCT-2 Districts are mixed use districts that support neighborhood-serving commercial uses on lower floors and housing above. These Districts are well-served by public transit and aim to maximize residential and commercial opportunities on or near major transit services. The District's form is generally linear along transit-priority corridors, though may be concentric around transit stations or in broader areas where multiple transit services criss-cross the neighborhood. Housing density is limited not by lot area, but by the regulations on the built envelope of buildings, including height, bulk,

1 setbacks, and lot coverage, and standards for residential uses, including open space and  
2 exposure, and urban design guidelines. There are prohibitions on access (e.g., driveways,  
3 garage entries) to off-street parking and loading on critical stretches of commercial and transit  
4 street frontages to preserve and enhance the pedestrian-oriented character and transit  
5 function. Residential parking is not required and generally limited. Commercial establishments  
6 are discouraged from building excessive accessory off-street parking in order to preserve the  
7 pedestrian-oriented character of the district and prevent attracting auto traffic.

8 NCT-2 Districts are intended to provide convenience goods and services to the  
9 surrounding neighborhoods as well as limited comparison shopping goods for a wider market.  
10 The range of comparison goods and services offered is varied and often includes specialty  
11 retail stores, restaurants, and neighborhood-serving offices. The small-scale district controls  
12 provide for mixed-use buildings, which approximate or slightly exceed the standard  
13 development pattern. Rear yard requirements above the ground story and at residential levels  
14 preserve open space corridors of interior blocks.

15 Most new commercial development is permitted at the ground and second stories.  
16 Neighborhood-serving businesses are strongly encouraged. Eating and drinking and  
17 entertainment uses, however, are confined to the ground story. The second story may be  
18 used by some retail stores, personal services, and medical, business and professional offices.  
19 Parking and hotels are monitored at all stories. Limits on late-night activity, drive-up facilities,  
20 and other automobile uses protect the livability within and around the district, and promote  
21 continuous retail frontage.

22 Housing development in new buildings is encouraged above the ground story. Existing  
23 residential units are protected by limitations on demolition and upper-story conversions.

### SEC. 735.1. SOMA NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.

The SoMa Neighborhood Commercial Transit District (SoMa NCT) is located along the 6th Street and Folsom Street corridors in the South of Market. The commercial area provides a limited selection of convenience goods for the residents of the South of Market. Eating and drinking establishments contribute to the street's mixed-use character and activity in the evening hours. A number of upper-story professional and business offices are located in the district, some in converted residential units.

The SoMa NCT has a pattern of ground floor commercial and upper story residential units. Controls are designed to permit moderate-scale buildings and uses, protecting rear yards above the ground story and at residential levels. Active, neighborhood-serving commercial development is required at the ground story, curb cuts are prohibited and ground floor transparency and fenestration adds to the activation of the ground story. While offices

and general retail sales uses may locate on the second story or above of new buildings, most commercial uses are prohibited above the second story. In order to protect the balance and variety of retail use, bars and liquor stores are allowed with a conditional use. Continuous retail frontage is promoted by prohibiting drive-up facilities, some automobile uses, and new non-retail commercial uses. Above-ground parking is required to be setback or below ground. Active, pedestrian-oriented ground floor uses are required.

Housing development in new buildings is encouraged above the ground story. Housing density is not controlled by the size of the lot or by density controls, but by bedroom counts. Given the area's central location and accessibility to the City's transit network, parking for residential and commercial uses is not required.

Article 7 Code Section	Other Code Section	Zoning Controls

#### **SEC. 736.1. MISSION STREET NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

The Mission Street Commercial Transit District is located near the center of San Francisco in the Mission District. It lies along Mission Street between 15th and Cesar Chavez (Army) Street, and includes adjacent portions of 17th Street, 21st Street, 22nd Street, and Cesar Chavez Street. The commercial area of this District provides a selection of goods serving the day-to-day needs of the residents of the Mission District. Additionally, this District serves a wider trade area with its specialized retail outlets. Eating and drinking establishments contribute to the street's mixed-use character and activity in the evening hours.

The District is extremely well-served by transit, including regional-serving BART stations at 16th Street and 24th Street, major buses running along Mission Street, and both cross-town and local-serving buses intersecting Mission along the length of this district. Given the area's central location and accessibility to the City's transit network, accessory parking for

residential uses is not required. Any new parking is required to be set back or be below ground.

This District has a mixed pattern of larger and smaller lots and businesses, as well as a sizable number of upper-story residential units. Controls are designed to permit moderate-scale buildings and uses, protecting rear yards above the ground story and at residential levels. New neighborhood-serving commercial development is encouraged mainly at the ground story. While offices and general retail sales uses may locate at the second story of new buildings under certain circumstances, most commercial uses are prohibited above the second story. Continuous retail frontage is promoted by requiring ground floor commercial uses in new developments and prohibiting curb cuts. Housing development in new buildings is encouraged above the ground story. Housing density is not controlled by the size of the lot but by requirements to supply a high percentage of larger units and by physical envelope controls. Existing residential units are protected by prohibitions on upper-story conversions and limitations on demolitions, mergers, and subdivisions.

#### SPECIFIC PROVISIONS FOR THE MISSION NCT DISTRICT

Article 7 Code	Other Code	Zoning Controls

Section	Section	
§736.68	§ 249.35	FRINGE FINANCIAL SERVICE RESTRICTED USE DISTRICT (FFSRUD) <b>Boundaries:</b> The FFSRUD and its ¼ mile buffer includes, but is not limited to, the Mission Street Neighborhood Commercial Transit District. <b>Controls:</b> Within the FFSRUD and its ¼ mile buffer, fringe financial services are NP pursuant to Section 249.35. Outside the FFSRUD and its ¼ mile buffer, fringe financial services are P subject to the restrictions set forth in Subsection 249.35(c)(3).
§ 736.84 § 790.141	Health Code § 3308	Medical cannabis dispensaries in the Mission NCT District may only operate between the hours of 8 am and 10 pm.

### **SEC. 737.1. OCEAN AVENUE NEIGHBORHOOD COMMERCIAL TRANSIT DISTRICT.**

The Ocean Avenue Neighborhood Commercial Transit District is located on Ocean Avenue from Phelan to Manor Avenues. Ocean Avenue is a multi-purpose transit-oriented small-scale commercial district that is modeled on the NCT-2 District. Ocean Avenue was developed as a streetcar-oriented commercial district in the 1920s and continues to serve this function, with the K-line streetcar on Ocean Avenue. Numerous other bus lines serve the area, especially the eastern end, where the Phelan Loop serves as a major bus terminus. The eastern end of the district is anchored by the main City College campus at Phelan and direct linkages to the Balboa Park BART/MUNI rail station a couple blocks to the east, which serves as the southernmost San Francisco station for BART and the terminus of the J, K, and M streetcar lines. Because of the immediate proximity of the BART/MUNI station the district has quick and easy transit access to downtown.

The Ocean Avenue NCT District is mixed use, transitioning from a predominantly one- and two-story retail district to include neighborhood-serving commercial uses on lower floors and housing above. Housing density is limited not by lot area, but by the regulations on the built envelope of buildings, including height, bulk, setbacks, and lot coverage, and standards

for residential uses, including open space and exposure, and urban design guidelines. Access (i.e. driveways, garage entries) to off-street parking and loading is generally prohibited on Ocean Avenue to preserve and enhance the pedestrian-oriented character and transit function of the street. Residential and commercial parking are not required.

The Ocean Avenue NCT District is intended to provide convenience goods and services to the surrounding neighborhoods as well as limited comparison shopping goods for a wider market. The range of comparison goods and services offered is varied and often includes specialty retail stores, restaurants, and neighborhood-serving offices. Buildings may range in height, with height limits generally allowing up to four or five stories. Lots are generally small to medium in size and lot consolidation is prohibited to preserve the fine grain character of the district, unless the consolidation creates a corner parcel that enables off-street parking to be accessed from a side street.

Rear yard requirements above the ground story and at residential levels preserve open space corridors of interior blocks.

Commercial uses are required at the ground level and permitted at the second story. Large Fast Food uses are not permitted.

Housing development in new buildings is encouraged above the ground story. Existing residential units are protected by limitations on demolition and upper-story conversions.

1 (b) **Use Limitations.** Uses in Chinatown Mixed Use Districts are either permitted,  
2 conditional, accessory, temporary, or are not permitted.

3 (1) **Permitted Uses.** All permitted uses in Chinatown Mixed Use Districts shall be  
4 conducted within an enclosed building, unless otherwise specifically allowed in this Code.  
5 Exceptions from this requirement are: accessory off-street parking and loading; uses which,  
6 when located outside of a building, qualify as an outdoor activity area, as defined in Section  
7 890.71 of this Code; *as Neighborhood Agriculture, as defined in Section 102.3435*; and uses which  
8 by their nature are to be conducted in an open lot or outside a building, as described in  
9 Sections 890 through 890.140 of this Code.

10 If there are two or more uses in a structure and none is classified under Section  
11 803.2(b)(1)(C) of this Code as accessory, then each of these uses will be considered  
12 separately as an independent permitted, conditional, temporary or not permitted use.

13 (A) **Principal Uses.** Principal uses are permitted as of right in a Chinatown  
14 Mixed Use District, when so indicated in Sections 810.1 through 812.96 of this Code for each  
15 district class.

16 (B) **Conditional Uses.** Conditional uses are permitted in a Chinatown Mixed  
17 Use District when authorized by the Planning Commission; whether a use is conditional in a  
18 given district is indicated in Sections 810 through 812. Conditional uses are subject to the  
19 provisions set forth in Section 303 of this Code.

20 (i) An establishment which sells beer and wine with motor vehicle fuel is a  
21 conditional use, and shall be governed by Section 229.

22 (ii) Any use or feature which lawfully existed and was permitted as a principal or  
23 conditional use on the effective date of these controls which is not otherwise nonconforming  
24 or noncomplying as defined in Section 180 of this Code, and which use or feature is not  
25

permitted under this Article is deemed to be a permitted conditional use subject to the provisions of this Code.

(iii) Notwithstanding any other provision of this Article, a change in use or demolition of a movie theater use, as set forth in Section 890.64, shall require conditional use authorization. This Subsection shall not authorize a change in use if the new use or uses are otherwise prohibited.

(iv) Notwithstanding any other provision of this Article, a change in use or demolition of a general grocery store use, as set forth in Section 890.102(a) and as further defined in Section 790.102(a), which use exceeds 5,000 gross square feet shall require conditional use authorization. This Subsection shall not authorize a change in use if the new use or uses are otherwise prohibited.

(v) ~~Large-Scale Urban Industrial Agriculture~~, as defined in Section 102.3435 (b), shall require conditional use authorization.

(C) **Accessory Uses.** Subject to the limitations set forth below and in Sections 204.1 (Accessory Uses for Dwelling Units in R Districts) and 204.5 (Parking and Loading as Accessory Uses) of this Code, a related minor use which is either necessary to the operation or enjoyment of a lawful principal use or conditional use or is appropriate, incidental and subordinate to any such use, shall be permitted in Chinatown Mixed Use Districts as an accessory use when located on the same lot. Any use not qualified as an accessory use shall only be allowed as a principal or conditional use, unless it qualifies as a temporary use under Sections 205 through 205.2 of this Code.

No use in a Chinatown Mixed Use District will be considered accessory to a principal use which involves or requires any of the following:

1 (i) The use of more than 1/3 of the total floor area occupied by both the  
2 accessory use and the principal use to which it is accessory, combined, except in the case of  
3 accessory off-street parking;

4 (ii) Any bar, restaurant, other entertainment, or any retail establishment which  
5 serves liquor for consumption on-site;

6 (iii) Any take-out food use, except for a take-out food use which occupies 100  
7 square feet or less (including the area devoted to food preparation and service and excluding  
8 storage and waiting areas) in a retail grocery or specialty food store;

9 (iv) The wholesaling, manufacturing or processing of foods, goods, or  
10 commodities on the premises of an establishment which does not also provide for primarily  
11 retail sale of such foods, goods or commodities at the same location where such wholesaling,  
12 manufacturing or processing takes place.

13 The above shall not prohibit take-out food activity which operates in conjunction with a fast-  
14 food restaurant. A fast-food restaurant, by definition, includes take-out food as an accessory  
15 and necessary part of its operation.

16 (D) **Temporary Uses.** Uses not otherwise permitted are permitted in Chinatown  
17 Mixed Use Districts to the extent authorized by Sections 205, 205.1 or 205.2 of this Code.

18 (2) **Not Permitted Uses.**

19 (A) Uses which are not listed in this Article are not permitted in a Chinatown  
20 Mixed Use District unless determined by the Zoning Administrator to be permitted uses in  
21 accordance with Section 307(a) of this Code.

22 (B) No use, even though listed as a permitted use or otherwise allowed, shall be  
23 permitted in a Chinatown Mixed Use District which, by reason of its nature or manner of  
24 operation, creates conditions that are hazardous, noxious, or offensive through the emission  
25

1 of odor, fumes, smoke, cinders, dust, gas, vibration, glare, refuse, water-carried waste, or  
2 excessive noise.

3 (C) The establishment of a use that sells alcoholic beverages, other than beer  
4 and wine, concurrent with motor vehicle fuel is prohibited, and shall be governed by Section  
5 229.

6 **SEC. 803.3. USES PERMITTED IN EASTERN NEIGHBORHOODS MIXED USE**  
7 **DISTRICTS AND SOUTH OF MARKET MIXED USE DISTRICTS.**

8 (a) **Use Categories.** A use is the specified purpose for which a property or building is  
9 used, occupied, maintained, or leased. Whether or not a use is permitted in a specific Eastern  
10 Neighborhood Mixed Use District and South of Market Mixed Use District is generally set  
11 forth, summarized or cross-referenced in Sections 813.3 through 818 and 840 through 843 of  
12 this Code for each district class.

13 (b) **Use Limitations.** Uses in Eastern Neighborhood Mixed Use Districts and South of  
14 Market Mixed Use Districts are either permitted, conditional, accessory, temporary or are not  
15 permitted.

16 (1) **Permitted Uses.** If there are two or more uses in a structure, any use not classified  
17 below under Section 803.3(b)(1)(C) of this Code as accessory will be considered separately  
18 as an independent permitted, conditional, temporary or not permitted use.

19 (A) **Principal Uses.** Principal uses are permitted as of right in an Eastern  
20 Neighborhood Mixed Use District and South of Market Mixed Use District, when so indicated  
21 in Sections 813 through 818 and 840 through 843 of this Code for the district. Additional  
22 requirements and conditions may be placed on particular uses as provided pursuant to  
23 Section 803.5 through 803.9 and other applicable provisions of this Code.

24 (B) **Conditional Uses.** Conditional uses are permitted in an Eastern  
25 Neighborhood Mixed Use District and South of Market Mixed Use District, when authorized by

1 the Planning Commission; whether a use is conditional in a given district is generally indicated  
2 in Sections 813 through 818 and 840 through 843 of this Code. Conditional uses are subject  
3 to the applicable provisions set forth in Sections 178, 179, 263.11, 303, 316.8, and 803.5  
4 through 803.9 of this Code.

5 (i) An establishment which sells beer or wine with motor vehicle fuel is a  
6 conditional use, and shall be governed by Section 229.

7 (ii) Notwithstanding any other provision of this Article, a change in use or  
8 demolition of a movie theater use, as set forth in Section 890.64, shall require conditional use  
9 authorization. This Section shall not authorize a change in use if the new use or uses are  
10 otherwise prohibited.

11 (iii) Notwithstanding any other provision of this Article, a change in use or  
12 demolition of a general grocery store use, as set forth in Section 890.102(a) and as further  
13 defined in Section 790.102(a), shall require conditional use authorization. This Subsection  
14 shall not authorize a change in use if the new use or uses are otherwise prohibited.

15 (iv) ~~Large-Scale Urban Industrial Agriculture~~, as defined in Section 102.3435 (b),  
16 shall require conditional use authorization.

17 (C) **Accessory Uses.** Subject to the limitations set forth below and in Sections  
18 204.1 (Accessory Uses for Dwelling Units in R and NC Districts), 204.2 (Accessory Uses for  
19 Uses Other Than Dwellings in R Districts); 204.4 (Dwelling Units Accessory to Other Uses),  
20 and 204.5 (Parking and Loading as Accessory Uses) of this Code, an accessory use is a  
21 related minor use which is either necessary to the operation or enjoyment of a lawful principal  
22 use or conditional use, or is appropriate, incidental and subordinate to any such use, and shall  
23 be permitted as an accessory use in an Eastern Neighborhoods Mixed Use District and South  
24 of Market Mixed Use District. In order to accommodate a principal use which is carried out by  
25 one business in multiple locations within the same general area, such accessory use need not

1 be located in the same structure or lot as its principal use provided that (1) the accessory use  
2 is located within 1,000 feet of the principal use; and (2) the multiple locations existed on April  
3 6, 1990 (the effective date of this amendment). Accessory uses to non-office uses (as defined  
4 in Section 890.70) may occupy space which is non-contiguous or on a different story as the  
5 principal use so long as the accessory use is located in the same building as the principal use  
6 and complies with all other restrictions applicable to such accessory uses. Any use which  
7 does not qualify as an accessory use shall be classified as a principal use.

8 No use will be considered accessory to a principal use which involves or requires any of the  
9 following:

10 (i) The use of more than one-third of the total occupied floor area which is  
11 occupied by both the accessory use and principal use to which it is accessory, combined,  
12 except in the case of accessory off-street parking or loading which shall be subject to the  
13 provisions of Sections 151, 156 and 157 of this Code;

14 (ii) A hotel, motel, inn, hostel, nighttime entertainment, adult entertainment,  
15 massage establishment, large fast food restaurant, or movie theater use in a RED, SPD,  
16 RSD, SLR, SLI, SSO, DTR, MUG, MUR, MUO, or UMU District;

17 (iii) Any take-out food use, except for a take-out food use which occupies 100  
18 square feet or less (including the area devoted to food preparation and service and excluding  
19 storage and waiting areas) in a restaurant, bar, catering establishment, bakery, retail grocery  
20 or specialty food store.

21 (iv) Any sign not conforming to the limitations of Section 607.2(f)(3).

22 (D) **Temporary Uses.** Temporary uses not otherwise permitted are permitted in  
23 Eastern Neighborhoods Mixed Use Districts and South of Market Mixed Use Districts to the  
24 extent authorized by Sections 205 through 205.3 of this Code.

25 **SEC. 810.1. CHINATOWN COMMUNITY BUSINESS DISTRICT.**

The Chinatown Community Business District, located in the northeast quadrant of San Francisco, extends along Broadway from the eastern portal of the Broadway Tunnel to Columbus Avenue and along Kearny Street from Columbus to Sacramento Street. This district also includes portions of Commercial Street between Montgomery Street and Grant Avenue and portions of Grant Avenue between Bush and California Streets. It is part of the larger core area of Chinatown.

The portions of Broadway, Kearny and Commercial Streets and Grant Avenue in this district are transitional edges or entries to Chinatown. North and east of the two blocks of Broadway contained in this district are North Beach and the Broadway Entertainment Districts. Kearny and Columbus Streets are close to intensive office development in the Downtown Financial District. Both Grant Avenue and Commercial Street provide important pedestrian entries to Chinatown. Generally, this district has more potential for added retail and commercial development than other parts of Chinatown.

This zoning district is intended to protect existing housing, encourage new housing and to accommodate modest expansion of Chinatown business activities as well as street-level retail uses. The size of individual professional or business office use is limited in order to prevent these areas from being used to accommodate larger office uses spilling over from the financial district.

Housing development in new buildings is encouraged at upper stories. Existing housing is protected by limitations on demolitions and upper-story conversions.

**SEC. 811.1. CHINATOWN VISITOR RETAIL DISTRICT.**

The Chinatown Visitor Retail Neighborhood Commercial District extends along Grant Avenue between California and Jackson Streets. This district contains a concentration of shopping bazaars, art goods stores and restaurants which attract visitors and shoppers and contribute to the City's visual and economic diversity. Grant Avenue provides an important link between Downtown retail shopping and the Broadway, North Beach and Fisherman's Wharf areas.

This district is intended to preserve the street's present character and scale and to accommodate uses primarily appealing to visitors (e.g. tourist gifts shops, jewelry stores, art goods, large restaurants. In order to promote continuous retail frontage, entertainment, financial services, medical service, automotive and drive-up uses are restricted. Most commercial uses, except financial services are permitted on the first two stories. Administrative services, (those not serving the public) are prohibited in order to prevent encroachment from downtown office uses. There are also special controls on fast-food restaurants and tourist hotels. Building standards protect and complement the existing small-scale development and the historic character of the area.

The height limit applicable to the district will accommodate two floors of housing or institutional use above two floors of retail use. Existing residential units are protected by prohibition of upper-story conversions and limitation on demolition.

§ .94	§§303, 803.2.	Installation of a garage in an existing residential building of four or more units requires a mandatory discretionary review by the Planning Commission; Section 311 notice is required for a building of less than four units. In approving installation of the garage, the Commission shall find that: (1) the proposed garage opening/addition of off-street parking will not cause

1		the "removal" or "conversion of residential unit," as those terms are
2		defined in Section 317 of this Code; (2) the proposed garage
3		opening/addition of off-street parking will not substantially decrease the
4		livability of a dwelling unit without increasing the floor area in a
5		commensurate amount; (3) the building has not had two or more "no-
6		fault" evictions, as defined in Section 37.9(a)(7)—(13) of the San
7		Francisco Administrative Code, with each eviction associated with a
8		separate unit(s) within the past ten years, and (4) the proposed
9		garage/addition of off-street parking installation is consistent with the
10		Priority Policies of Section 101.1 of this Code.
11		Prior to the Planning Commission hearing, or prior to issuance of
12		notification under Section 311(c)(2) of this Code, the Planning
13		Department shall require a signed affidavit by the project sponsor
14		attesting to (1), (2), and (3) above, which the Department shall
15		independently verify. The Department shall also have made a
16		determination that the project complies with (4) above.

## **SEC. 812.1. CHINATOWN RESIDENTIAL NEIGHBORHOOD COMMERCIAL DISTRICT.**

The Chinatown Residential Neighborhood Commercial District extends along Stockton Street between Sacramento and Broadway and along Powell Street between Washington Street and Broadway. It is generally west and uphill from Grant Avenue and is close to the relatively intensely developed residential areas of lower Nob and Russian Hills. Stockton Street is a major transit corridor which serves as "Main Street" for the Chinatown neighborhood. Both Stockton and Powell Streets contain a significant amount of housing as well as major community institutions supportive to Chinatown and the larger Chinese community. This daytime-oriented district provides local and regional specialty food shopping for fresh vegetables, poultry, fish and meat. Weekends are this area's busiest shopping days. Because Stockton Street is intended to remain principally in its present character, the Stockton Street controls are designed to preserve neighborhood-serving uses and protect the residential livability of the area. The controls promote new residential development compatible

with existing small-scale mixed-use character of the area. Consistent with the residential character of the area, commercial development is directed to the ground story. Daytime-oriented use is protected and tourist-related uses, fast-food restaurants and financial services are limited.

Housing development in new and existing buildings is encouraged above the ground floor. Institutional uses are also encouraged. Existing residential units are protected by limits on demolition and conversion.

**SEC. 813. RED – RESIDENTIAL ENCLAVE DISTRICT.**

Residential Enclave Districts (RED) encompass the clusters of low-scale, medium density, predominantly residential neighborhoods located along the narrow side streets of the SLR and MUR Districts. Within these predominantly residential enclaves lie a number of vacant parcels, parking lots and other properties in open storage use. These properties are undeveloped or underdeveloped and are viewed as opportunity sites for new, moderate-income, in-fill housing.

The zoning controls for this district are tailored to the design needs and neighborhood characteristics of these enclaves and are intended to encourage and facilitate the development of attractive, compatible and economically feasible in-fill housing while providing adequate residential amenities to the site and neighborhood.

Dwelling units are permitted as a principal use. Social services and institutional uses are permitted as conditional uses. Group housing, retail, entertainment, general commercial and services light industrial uses are not permitted. Existing commercial activities in nonresidential structures may continue as nonconforming uses subject to the termination requirements of Sections 185 and 186. Live/work units limited to arts activities are permitted within the district as a principal use. Existing live/work units with other nonresidential uses may continue as nonconforming uses.

§ 813.23 § 890.133		— Only those medical cannabis dispensaries that can demonstrate to the Planning Department they were in operation as of April 1, 2005 and have remained in continuous operation or that were not in continuous operation since April 1, 2005, but can demonstrate to the Planning Department that the reason for their lack of continuous operation was not closure due to an actual violation of federal, State or local law, may apply for a medical cannabis dispensary permit in an RED District.

## SEC. 814. SPD – SOUTH PARK DISTRICT.

South Park is an attractive affordable mixed-use neighborhood. The South Park District (SPD) is intended to preserve the scale, density and mix of commercial and residential activities within this unique neighborhood. The district is characterized by small-scale, continuous-frontage warehouse, retail and residential structures built in a ring around an oval-shaped, grassy park. Retention of the existing structures is encouraged, as is a continued mix of uses, family-sized housing units, and in-fill development which contributes positively to the neighborhood scale and use mix.

Most retail, general commercial, office, service/light industrial, arts, live/work and residential activities are permitted. Group housing, social services, and other institutional uses are conditional uses. Hotels, motels, movie theaters, adult entertainment and nighttime entertainment are not permitted.

### SEC. 815. RSD – RESIDENTIAL MIXED USE DISTRICT.

The Residential/Service Mixed Use District (RSD) runs along Harrison St. between 4th St. and 5th St. The RSD serves as a housing opportunity area within the South of Market Mixed Use Districts. The district controls are intended to facilitate the development of high-density, mid-rise housing, including residential hotels and live/work units, while also encouraging the expansion of retail, business service and commercial and cultural arts activities.

Residential hotels are subject to flexible standards for parking, rear yard/open space and density. Continuous ground floor commercial frontage with pedestrian-oriented retail activities along major thoroughfares is encouraged.

General office, hotels, nighttime entertainment, adult entertainment, massage establishment, movie theaters and heavy industrial uses are not permitted, except that massages services are authorized as a conditional use in the Residential/Service Mixed Use District when provided in conjunction with full-service spa services.

## **SEC. 816. SERVICE/LIGHT INDUSTRIAL /RESIDENTIAL MIXED USED DISTRICT.**

The Service/Light Industrial/Residential (SLR) Mixed Use District is designed to maintain and facilitate the growth and expansion of small-scale light industrial, home and business service, wholesale distribution, arts production and performance/exhibition activities, live/work use, general commercial and neighborhood-serving retail and personal service activities while protecting existing housing and encouraging the development of housing and live/work space at a scale and density compatible with the existing neighborhood.

Housing and live/work units are encouraged over ground floor commercial/service/light industrial activity. New residential or mixed use developments are encouraged to provide as much mixed-income rental housing as possible. Existing group housing and dwelling units would be protected from demolition or conversion to nonresidential use by requiring conditional use review.

General office, hotels, nighttime entertainment, movie theaters, adult entertainment and heavy industrial uses are not permitted.

#### **SEC. 818. SSO – SERVICE/SECONDARY OFFICE DISTRICT.**

The Service/Secondary Office District (SSO) is designed to accommodate small-scale light industrial, home and business services, arts activities, live/work units, and small-scale, professional office space and large-floor-plate "back office" space for sales and clerical work forces. Nighttime entertainment is permitted as a conditional use. Dwelling units and group housing are permitted as conditional uses. Demolition or conversion of existing group housing or dwelling units requires conditional use authorization.

Office, general commercial, most retail, service and light industrial uses are principal permitted uses. Large hotel, movie theater, adult entertainment and heavy industrial uses are not permitted.

Small hotels of 75 rooms or less are permitted in this District only as a conditional use. Any such conditional use authorization requires a conditional use finding that disallows project proposals that displace existing Production, Distribution and Repair (PDR) uses.

#### SEC. 827. RINCON HILL DOWNTOWN RESIDENTIAL MIXED USE DISTRICT (RH-DTR).

1           The Rincon Hill Downtown Residential Mixed Use District (RH-DTR), the boundaries of  
2       which are shown in Section Map No. 1 of the Zoning Map, is established for the purposes set  
3       forth below.

4           The RH-DTR District is adjacent to the southern edge of the downtown, generally  
5       bounded by Folsom Street, the Bay Bridge, the Embarcadero, and Essex Street. High-density  
6       residential uses and supporting commercial and institutional uses are allowed and  
7       encouraged within the limits set by height, bulk, and tower spacing controls. Folsom Street is  
8       intended to develop as the neighborhood commercial heart of the Rincon Hill and Transbay  
9       neighborhoods, and pedestrian-oriented uses are required on the ground floor. Individual  
10      townhouse dwelling units with ground floor entries directly to the street are required on streets  
11      that will become primarily residential, including First, Fremont, Beale, Main, and Spear  
12      Streets.

13          While lot coverage is limited for all levels with residential uses that do not face onto  
14      streets or alleys, traditional rear yard open spaces are not required except in the limited  
15      instances where there is an existing pattern of them, such as smaller lots on the Guy Place  
16      block. Specific height, bulk, and setback controls establish appropriate heights for both towers  
17      and mid-rise podium development and ensure adequate spacing between towers in order to  
18      establish a neighborhood scale and ensure light and air to streets and open spaces. Setbacks  
19      are required where necessary to provide transition space for ground floor residential uses and  
20      to ensure sunlight access to streets and open spaces. Off-street parking must be located  
21      below grade.

22          Given the need for services and open space resulting from new development, projects  
23      will provide or contribute funding for the creation of public open space and community facilities  
24      as described in the Rincon Hill Area Plan of the General Plan. The Rincon Hill Streetscape  
25      Plan, part of the Area Plan, proposes to enhance and redesign most streets in the district to

create substantial new open space amenities, improve pedestrian conditions, and improve the flow of local traffic and transit. Detailed standards for the provision of open spaces, mid-block pathways, and residential entries are provided to ensure that new buildings contribute to creating a public realm of the highest quality in Rincon Hill.

## **SEC. 829. SOUTH BEACH DOWNTOWN RESIDENTIAL MIXED USE DISTRICT (SB-DTR).**

The South Beach Downtown Residential Mixed Use District (SB-DTR), the boundaries of which are shown in Section Map No. 1 of the Zoning Map, is established for the purposes set forth below.

The SB-DTR District is adjacent to the southern edge of the downtown, generally bounded by the Bay Bridge, Bryant Street, the Embarcadero, and 2nd Street, and is primarily comprised of the former South Beach Redevelopment Area. High-density residential uses and supporting commercial and institutional uses are allowed and encouraged within the limits set

by height, bulk, and tower spacing controls. Individual townhouse dwelling units with ground floor entries directly to the street are generally required on streets.

While lot coverage is limited for all levels with residential uses that do not face onto streets or alleys, traditional rear yard open spaces are not required. Specific height, bulk, and setback controls establish appropriate heights for both towers and mid-rise podium development and ensure adequate spacing between towers in order to establish a neighborhood scale and ensure light and air to streets and open spaces. Setbacks are required where necessary to provide transition space for ground floor residential uses and to ensure sunlight access to streets and open spaces. Off-street parking must be located below grade.

## 2                   **SEC. 840. - MUG — MIXED USE-GENERAL DISTRICT**

3                   The Mixed Use — General (MUG) District is largely comprised of the low-scale,  
4                   production, distribution, and repair uses mixed with housing and small-scale retail. The MUG  
5                   is designed to maintain and facilitate the growth and expansion of small-scale light industrial,  
6                   wholesale distribution, arts production and performance/exhibition activities, general  
7                   commercial and neighborhood-serving retail and personal service activities while protecting  
8                   existing housing and encouraging the development of housing at a scale and density  
9                   compatible with the existing neighborhood.

10                  Housing is encouraged over ground floor commercial and production, distribution, and  
11                  repair uses. New residential or mixed use developments are encouraged to provide as much  
12                  mixed-income family housing as possible. Existing group housing and dwelling units would be  
13                  protected from demolition or conversion to nonresidential use by requiring conditional use  
14                  review.

15                  Hotels, nighttime entertainment, movie theaters, adult entertainment and heavy  
16                  industrial uses are not permitted. Office is restricted to the upper floors of multiple story  
17                  buildings.

# **SEC. 841. MUR—MIXED USE—RESIDENTIAL DISTRICT.**

The Mixed Use — Residential District (MUR) serves as a buffer between the higher-density, predominantly commercial area of Yerba Buena Center to the east and the lower-scale, mixed use service/industrial and housing area west of Sixth Street.

The MUR serves as a major housing opportunity area within the eastern portion of the South of Market. The district controls are intended to facilitate the development of high-density, mid-rise housing, including family-sized housing and residential hotels. The district is also designed to encourage the expansion of retail, business service and commercial and cultural arts activities.

Continuous ground floor commercial frontage with pedestrian-oriented retail activities along major thoroughfares is encouraged. Hotels, nighttime entertainment, movie theaters, adult entertainment and heavy industrial uses are not permitted. Office is restricted to the upper floors of multiple story buildings.

## SEC. 842. MUO — MIXED USE — OFFICE DISTRICT.

The Mixed Use — Office (MUO) runs predominantly along the 2nd Street corridor in the South of Market area. The MUO is designed to encourage office uses and housing, as well as small-scale light industrial and arts activities. Nighttime entertainment is permitted as a conditional use. Dwelling units and group housing are permitted, while demolition or

conversion of existing dwelling units or group housing requires conditional use authorization.

Family-sized housing is encouraged.

Office, general commercial, most retail, production, distribution, and repair uses are also principal permitted uses. Large hotel, adult entertainment and heavy industrial uses are not permitted.

### SEC. 843. UMU — URBAN MIXED USE DISTRICT.

The Urban Mixed Use (UMU) District is intended to promote a vibrant mix of uses while maintaining the characteristics of this formerly industrially-zoned area. It is also intended to serve as a buffer between residential districts and PDR districts in the Eastern Neighborhoods. Within the UMU, allowed uses include production, distribution, and repair uses such as light manufacturing, home and business services, arts activities, warehouse, and wholesaling. Additional permitted uses include retail, educational facilities, and nighttime entertainment. Housing is also permitted, but is subject to higher affordability requirements. Family-sized dwelling units are encouraged. Within the UMU, office uses are restricted to the upper floors of multiple story buildings. In considering any new land use not contemplated in this District, the Zoning Administrator shall take into account the intent of this District as expressed in this Section and in the General Plan.

## SEC. 890.50. INSTITUTIONS, OTHER.

A public or private, nonprofit or profit-making use, excluding hospitals and medical centers, which provides services to the community, and meets the applicable provisions of Section 304.5 of this Code concerning institutional master plans, including but not limited to the following:

(a) Assembly and Social Service. A use which provides social, fraternal, counseling or recreational gathering services to the community. It includes a private noncommercial clubhouse, lodge, meeting hall, family or district association, recreation building, or community facility not publicly owned. It also includes an unenclosed recreation area ~~or noncommercial horticulture area not publicly owned.~~

(b) Child Care. A use which provides less than 24-hour care for children by licensed personnel and which meets the requirements of the State of California and other authorities.

(c) Educational Service. A use certified by the Western Association of Schools and Colleges which provides educational services such as a school, college or university. It may include, on the same premises, employee or student dormitories and other housing operated by and affiliated with the institution.

1 (d) Religious Facility. A use which provides religious services to the community such  
2 as a church, temple or synagogue. It may include on the same lot, the housing of persons  
3 who engage in supportive activity for the institution.

4 (e) Residential Care. A medical use which provides lodging, board, and care for one  
5 day or more to persons in need of specialized aid by personnel licensed by the State of  
6 California and which provides no outpatient services; including but not limited to, a board and  
7 care home, rest home, or home for the treatment of the addictive, contagious, or other  
8 diseases or physiological disorders.

9 (f) Job Training. A use which provides job training and may also provide vocational  
10 counseling and job referrals.

11 Section 3. This Section is uncoded. In enacting this Ordinance, the Board intends to  
12 amend only those words, phrases, paragraphs, subsections, sections, articles, numbers,  
13 punctuation, charts, diagrams or any other constituent part of the Planning Code that are  
14 explicitly shown in this legislation as additions, deletions, Board amendment additions, and  
15 Board amendment deletions in accordance with the "Note" that appears under the official title  
16 of the legislation. This Ordinance shall not result in any other amendment to the Planning  
17 Code that is in effect at the time this legislation is final and effective. Any additions or  
18 deletions not explicitly shown as described above, omissions, or other technical and non-  
19 substantive differences between this Ordinance and the Planning Code that are contained in  
20 this legislation are purely accidental and shall not effectuate an amendment to the Planning  
21 Code. The Board hereby authorizes the City Attorney, in consultation with the Clerk and other  
22  
23  
24  
25

1 affected City departments, to make those necessary adjustments to the published Planning  
2 Code, including non-substantive changes such as renumbering or relettering, to ensure that  
3 the published version of the Planning Code is consistent with the laws that this Board enacts.
