

1 [Charter Amendment - Minimum Police Department Staffing and Five-Year Annual Funding
2 Requirement]

3 **Describing and setting forth a proposal to the voters at an election to be held on March 5,**
4 **2024, to amend the Charter of the City and County of San Francisco to establish minimum**
5 **staffing levels for sworn officers of the Police Department, requiring for a period of five**
6 **years that the Mayor and Board of Supervisors appropriate funds to meet staffing levels,**
7 **establishing a Police Full Staffing Fund for a period of five years for purposes of**
8 **facilitating minimum police staffing, and allowing for a temporary freeze of appropriations**
9 **to the Police Full Staffing Fund in a budget or economic emergency.**

10 Section 1. Findings.

11 (a) For nearly three decades, San Franciscans have been denied the benefits of a fully-
12 staffed police force. Although policymakers have made important progress in recent years to
13 develop a workload-based, data-driven methodology for establishing the number of full-duty
14 officers required to meet the City’s public safety needs, the Police Department has not been able
15 to hire at a pace that would allow for full staffing.

16 (b) Despite considerable efforts over the last several years to remedy the chronic
17 shortage in staffing of full-duty officers, the San Francisco Police Department faces a worsening
18 police understaffing crisis. As of September 2023, there are 1,578 full-duty sworn members (as
19 defined in this proposed amendment) in the Police Department, which is an unprecedented low
20 point in recent history. This is approximately 600 fewer officers than required to staff the
21 Department at a level that would meet the City’s public safety needs, according to the
22 Department’s assessment. Compounding this problem is that police retirements are far
23 outpacing the combined annual total of new recruits and lateral transfers that the Department has
24 been able to hire from other law enforcement agencies. As of September 2023, nearly 350 of the
25

1 City's current sworn officers are eligible for retirement, having reached 50 years of age with 20
2 years or more of service.

3 (c) San Francisco is competing for officers amid a nationwide crisis in police
4 understaffing and in the most competitive environment for law enforcement personnel in recent
5 history. The City's failure to keep up with the pace of needed hiring is resulting in mounting
6 public safety challenges, which involve myriad harms suffered by our residents and visitors, in
7 our neighborhoods and all areas of the City, and which threaten our City's economic wellbeing.
8 Additionally, chronic understaffing in the Police Department creates needlessly expensive and
9 wasteful inefficiencies, including overtime. In the most recent fiscal year, overtime accounted
10 for nearly 20% of the Department's salary budget.

11 (d) Efforts thus far to recruit the number of full-duty sworn officers required to meet the
12 City's public safety needs have failed. San Francisco has been unsuccessful in competing with
13 other law enforcement agencies for a limited pool of qualified candidates. Our competitors offer
14 hiring bonuses and other incentives for new recruits and lateral transfers that San Francisco has
15 been unable to match or exceed. For example, the City of Alameda recently began offering
16 \$75,000 new hire recruiting bonuses, which has allowed it to reduce its police staffing shortage
17 by two-thirds within five months.

18 (e) This Charter amendment aims to guarantee San Franciscans have a fully-staffed
19 police force to ensure maximum public safety and support San Francisco's economic recovery
20 following the COVID-19 pandemic. The amendment would establish a minimum staffing
21 number for full-time sworn police officers in San Francisco over the next five years, with the
22 goal of reaching full staffing within that time frame. The amendment makes it possible to meet
23 this goal by mandating sufficient funding for the Police Department to hire the needed number of
24 new recruits and lateral transfers. Additionally, the amendment would establish a Police Full
25

1 Staffing Fund to be used to enable the Police Department to adequately compete with other local
2 jurisdictions for new hires.

5 and County, at an election to be held on March 5, 2024, a proposal to amend the Charter of the

9 Year 2026-2027; (4) 2,100 in Fiscal Year 2027-2028; and (5) 2,182 in Fiscal Year 2028-2029.
10 Thereafter, the Minimum Staffing Number shall be established as follows.

11 By no earlier than October 1 and no later than November 1 in 2028 and every odd-
12 numbered fifth calendar year thereafter, the Chief of Police shall transmit to the Police
13 Commission a report describing the Ddepartment's current number of full-duty sworn officers

18 information the Chief of Police deems relevant to determining proper staffing levels of Full-Duty
19 Sworn Officers ~~full-duty sworn officers~~. The report shall evaluate and make recommendations
20 regarding staffing levels at all district stations and in all types of jobs and services performed by
21 ~~full-duty sworn officers~~ Full-Duty Sworn Officers. By no later than July 1 in 2028 and every odd-
22 numbered fifth calendar year thereafter, the Police Commission shall adopt a policy prescribing
23 the methodologies that the Chief of Police may use in evaluating staffing levels, which may
24 include consideration of factors such as workload metrics, the Department's targets for levels of
25 service, ratios between supervisory and non-supervisory positions in the Department, whether

1 particular services require a fixed number of hours, and other factors the Police Commission
2 determines are best practices or otherwise relevant. The Chief of Police may, but is not required
3 by this Section 4.127 to, submit staffing reports regarding ~~full-duty sworn officers~~ Full-Duty
4 Sworn Officers to the Police Commission more frequently than every five even-numbered years.

5 Beginning in 2028, ~~t~~The Police Commission shall hold a public hearing regarding the
6 Chief of Police’s staffing report by December 31 in every year in which the Chief of Police

9 report and adopt a Minimum Staffing Number for the Police Department. The Police
10 Commission shall not reduce the Minimum Staffing Number by more than 5% year-over-year
11 absent a two-thirds vote of the Police Commission. The Police Commission shall consider the
12 most recent report and Minimum Staffing Number in its consideration and approval of the Police
13 Department’s proposed budget every fiscal year, ~~but the Commission shall not be required to~~
14 ~~accept or adopt any of the recommendations in the report.~~ The Police Commission shall
15 approve a budget that includes funding for the salaries required to meet at least the Minimum
16 Staffing Number as set forth in this Section 4.127.

17 For the five fiscal years beginning July 1, 2024 and ending June 30, 2029, the biennial
18 budget in Section 9.101 shall appropriate funds sufficient to pay for at least the number of Full-
19 Duty Sworn Officers as of February 1 of the prior fiscal year. In any of those five fiscal years, in
20 the event that this funding level to support Full-Duty Sworn Officers is lower than the actual or
21 projected Full-Duty Staffing Levels described in this Section 4.127, the Police Department may
22 submit an amendment to the appropriations ordinance to the Board of Supervisors if the
23 department subsequently projects that it can achieve higher Full-Duty Sworn Officer staffing
24 levels than those contained in the adopted biennial budget. No amendment to the appropriations
25

1 ordinance may be adopted unless the Controller certifies availability of funds and the need for
2 the requested funds to meet expected staffing levels for that fiscal year.

3 Except that the Board of Supervisors may not reduce the Minimum Staffing Number as
4 set forth in this Section 4.127 for Fiscal Years 2024-2029, tThe Board of Supervisors is
5 empowered to adopt ordinances necessary to effectuate the purpose of this section regarding
6 staffing levels including but not limited to ordinances regulating the scheduling of police training

9 positions as possible and submit that report to the Board of Supervisors annually for review and
10 approval.

12 police officers and for cause may suspend or dismiss patrol special police officers after a hearing
13 on charges duly filed with the Commission and after a fair and impartial trial. Patrol special
14 police officers shall be regulated by the Police Commission, which may establish requirements
15 for and procedures to govern the position, including the power of the Chief of Police to suspend
16 a patrol special police officer pending a hearing on charges. Each patrol special police officer
17 shall be at the time of appointment not less than 21 years of age and must possess such physical
18 qualifications as may be required by the Commission.

19 Patrol special police officers may be designated by the Commission as the owners of a
20 certain beat or territory which may be established or rescinded by the Commission. Patrol special
21 police officers designated as the owners of a certain beat or territory or the legal heirs or
22 representatives of the owners may dispose of their interest in the beat or territory to a person of
23 good moral character, approved by the Police Commission and eligible for appointment as a
24 patrol special police officer.

25 Commission designation of beats or territories shall not affect the ability of private

1 security companies to provide on-site security services on the inside or at the entrance of any
2 property located in the City and County.
