# Southern Skyline Blvd. Ridge Trail Extension Project Specific Maintenance Agreement

- SFPUC will construct trail sections, access driveways, gates, security fencing, signs and retaining walls within the Caltrans State Route 35 (Skyline Blvd.) right of way (ROW) in 18 locations.
- Maintenance Agreement Terms:
  - SFPUC maintains SSB RTE improvements in the ROW
  - Agreement Term: Indefinite (length of asset life)
  - Agreement cost: No cost (asset maintenance included in SFPUC Water Enterprise Operations budget)

Note: Caltrans is responsible for maintenance of all existing ROW improvements and landscaping

## Action Item

- Recommend that the full board approve the terms and conditions of the no cost-Project Specific Maintenance Agreement between the SFPUC and Caltrans for ongoing maintenance supporting proposed improvements within Caltrans right-of-way along a six-mile section of State Route 35; and approve the resolution to authorize the SFPUC General Manager to execute the Agreement with Caltrans.
