13 **Section 101.1**

14

15 WHEREAS, The General Plan 2022 Housing Element (“2022 Housing Element”) of the  
16 City and County of San Francisco (“City”) details the City’s goals, objectives, and  
17 corresponding policies and programs to meet the housing needs of all San Francisco  
18 residents, with a focus on racial and social equity; and

19 WHEREAS, This includes the objective to substantially expand the amount of  
20 affordable housing for extremely low- to moderate-income households and expand housing  
21 opportunities for middle-income households (as defined in Section 3 below) (2022 Housing  
22 Element, Objectives 4.A and 4.B), as well as the requirement for San Francisco to plan for  
23 and support the production of 46,598 affordable housing units over the next eight years as  
24 mandated by the Regional Housing Needs Allocation Plan; and

25

1           WHEREAS, The U.S Department of Housing and Urban Development (HUD) considers  
2 housing to be “affordable” when a household spends 30 percent or less of its income on  
3 housing costs, including rent and utilities; and

4           WHEREAS, In 2022, the median rent for a 2-bedroom was \$3,800, affordable to a  
5 household earning \$137,000; and

6           WHEREAS, Less than 40 percent of San Francisco households earn this income (2022  
7 Housing Element, Goal 4); and

8           WHEREAS, The need for affordable housing was severely exacerbated during the  
9 COVID-19 pandemic, when the City’s unemployment rate rose to 13 percent in April 2020  
10 from 2.2 percent in February 2020; and

11           WHEREAS, As a result, the City invested in policies and programs to support residents  
12 at risk of eviction, foreclosure, and displacement due to loss of income related to the  
13 pandemic; and

14           WHEREAS, These investments included (i) establishment of the Emergency Rental  
15 Assistance Program, (ii) expansion of the Homeowner Emergency Loan Program, and (iii)  
16 issuance of a moratorium on evictions due to nonpayment of rent; and

17           WHEREAS, While these policies and programs provided temporary support,  
18 overwhelming demand far exceeded and continues to exceed the City’s available resources;  
19 and

20           WHEREAS, The City’s economy is still recovering from the pandemic, and the impacts  
21 of the pandemic will have lasting effects, particularly for families and individuals that were  
22 disproportionately impacted by the pandemic (2022 Housing Element, Figure 33); and

23           WHEREAS, The City’s ability to produce the affordable rental housing it needs has  
24 been significantly impacted by the limited availability of state and federal resources; and  
25

1           WHEREAS, From 2018 to 2022, for every \$1 of local funding invested by the City to  
2 create affordable housing, the City’s affordable housing projects received \$2 in funding from  
3 state and federal sources; and

4           WHEREAS, As detailed in the 2024 Affordable Housing Bond Report, the economic  
5 environment for affordable housing has changed significantly in recent years, with state  
6 affordable housing funding programs becoming more competitive and severely  
7 oversubscribed, including the state’s allocation of volume cap for tax-exempt housing revenue  
8 bonds; and

9           WHEREAS, The City contributes significant resources to ensure project delivery; and

10          WHEREAS, San Francisco voters have approved measures to create local funds  
11 dedicated to the construction, preservation, and rehabilitation of affordable housing, including  
12 the 2012 Housing Trust Fund and affordable housing general obligation bonds in 2015 and  
13 2019; and

14          WHEREAS, The City’s local funds from the 2015 and 2019 bonds are projected to be  
15 exhausted by 2028 (2024 Affordable Housing Bond Report); and

16          WHEREAS, Additional sources of affordable housing funds from the City’s impact fees  
17 have been decreasing due to the economic environment, such as the Jobs-Housing Linkage  
18 Fee (Planning Code, Sec. 413), the Inclusionary Affordable Housing Program (Planning Code,  
19 Sec. 415), various development agreements, and other impact fees; and

20          WHEREAS, Funding from such sources decreased by 95 percent between Fiscal Year  
21 2019-2020 and Fiscal Year 2021-2022; and

22          WHEREAS, Moreover, the Office of the Controller’s FY 2023-2024 and 2024-2025  
23 Revenue Letter projects only modest tax revenue growth over the coming years, severely  
24 limiting the amount of resources the City will have to fund the development of affordable  
25 housing; and

1           WHEREAS, The City’s economic future and ongoing recovery will ultimately depend on  
2 its ability to produce and preserve enough affordable housing to ensure the City’s  
3 economically diverse households can equitably access housing and remain stably housed in  
4 San Francisco; and

5           WHEREAS, Failure to meet this need will result in the displacement of more  
6 households to areas with more affordable housing; and

7           WHEREAS, This displacement could result in (i) greater disparity between above  
8 moderate-income and lower-income households in the City with little change to the City’s  
9 median income levels as determined by the U.S. Census Bureau; and (ii) long commutes,  
10 road congestion, and environmental harm as people seek affordable housing at greater  
11 distances from where they work; and

12           WHEREAS, The proposed Bond will provide a portion of the critical funding necessary  
13 to construct, reconstruct, develop, acquire, improve, rehabilitate, repair, and preserve rental  
14 affordable housing projects in the City, and to expand homeownership opportunities for San  
15 Franciscans; now, therefore, be it

16           RESOLVED, The Board determines and declares that the public interest and necessity  
17 demand the construction, development, acquisition, and/or rehabilitation of rental affordable  
18 housing projects in the City for households ranging from extremely low-income to moderate-  
19 income households, and the payment of related costs necessary or convenient for the  
20 foregoing purposes; and, be it

21           FURTHER RESOLVED, Proceeds of the Bonds will be used to fund the costs of capital  
22 projects that will (i) construct, develop, acquire, and/or rehabilitate new affordable rental  
23 housing serving extremely low-income households, very low-income households, and lower-  
24 income households; (ii) acquire, construct, develop, and/or rehabilitate rental housing, so as  
25 to preserve it as affordable for lower-income households and moderate-income households;

1 and (iii) acquire, construct, develop, and/or rehabilitate housing for extremely-low income  
2 households, very low-income households, and/or lower-income households who need safe  
3 and stable housing and are experiencing (a) trauma-informed homelessness, (b) street  
4 violence, (c) domestic violence and abuse, (d) sexual abuse and assault, and/or (e) human  
5 trafficking; and, be it

6 FURTHER RESOLVED, The estimated cost of \$300,000,000 for the San Francisco  
7 Affordable Housing Bond is and will be too great to be paid out of the ordinary annual income  
8 and revenue of the City, will require an expenditure greater than the amount allowed by the  
9 annual tax levy, and will require the incurrence of bonded indebtedness in an amount not to  
10 exceed \$300,000,000 subject to independent citizen oversight and regular audits; and, be it

11 FURTHER RESOLVED, The Planning Department has determined that the actions  
12 contemplated in this Resolution comply with the California Environmental Quality Act  
13 (California Public Resources Code, Section 21000 et seq.); and, be it

14 FURTHER RESOLVED, Said determination is on file with the Clerk of the Board of  
15 Supervisors in File No. 230972 and is incorporated herein by reference; and, be it

16 FURTHER RESOLVED, The Board affirms this determination; and, be it

17 FURTHER RESOLVED, On September 22, 2023, the Planning Department issued its  
18 General Plan Referral Report finding that the actions contemplated in this resolution are  
19 consistent, on balance, with the City's General Plan, and eight priority policies of Planning  
20 Code, Section 101.1; and, be it

21 FURTHER RESOLVED, The Board adopts these findings as its own; and, be it

22 FURTHER RESOLVED, A copy of said General Plan Referral Report is on file with the  
23 Clerk of the Board of Supervisors in File No. 230972, and is incorporated herein by reference;  
24 and, be it

25

1 FURTHER RESOLVED, The time limit for approval of this Resolution specified in  
2 Administrative Code, Section 2.34 is waived; and, be it

3 FURTHER RESOLVED, Under Administrative Code, Section 2.40, the Ordinance  
4 submitting this proposal to the voters shall contain a provision authorizing landlords to pass-  
5 through 50% of the resulting property tax increases to residential tenants in accordance with  
6 Administrative Code, Chapter 37; and, be it

7 FURTHER RESOLVED, The City hereby declares its official intent to reimburse prior  
8 expenditures of the City incurred or expected to be incurred prior to the issuance and sale of  
9 any series of the Bonds in connection with the San Francisco Affordable Housing Bond; the  
10 Board hereby declares the City’s intent to reimburse the City with the proceeds of the Bonds  
11 for the expenditures with respect to the San Francisco Affordable Housing Project (the  
12 “Expenditures” and each, an “Expenditure”) made on and after that date that is no more than  
13 60 days prior to the adoption of this Resolution; and, be it

14 FURTHER RESOLVED, The City reasonably expects on the date hereof that it will  
15 reimburse the Expenditures with the proceeds of the Bonds; and, be it

16 FURTHER RESOLVED, Each Expenditure was and will be either (i) of a type properly  
17 chargeable to a capital account under general federal income tax principles (determined in  
18 each case as of the date of the Expenditure), (ii) a cost of issuance with respect to the Bonds,  
19 (iii) a nonrecurring item that is not customarily payable from current revenues, or (iv) a grant to  
20 a party that is not related to or an agent of the City so long as such grant does not impose any  
21 obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the  
22 City; the maximum aggregate principal amount of the Bonds expected to be issued for the  
23 Project is \$300,000,000; the City shall make a reimbursement allocation, which is a written  
24 allocation by the City that evidences the City’s use of proceeds of the applicable series of  
25 Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on

1 which the Expenditure is paid or the related portion of the Project is placed in service or  
2 abandoned, but in no event more than three years after the date on which the Expenditure is  
3 paid; the City recognizes that exceptions are available for certain “preliminary expenditures,”  
4 costs of issuance, certain de minimis amounts, expenditures by “small issuers” (based on the  
5 year of issuance and not the year of expenditure) and Expenditures for construction projects  
6 of at least 5 years; and, be it

7 FURTHER RESOLVED, Documents referenced in this Resolution are on file with the

--	--

**EXECUTIVE SUMMARY**

**Legislative Objectives**

**File 23-0970:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) expansion of the City’s Downpayment Assistance Program.

**File 23-0972:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) develop or rehabilitate housing for households that have survived homelessness, street violence, domestic violence and abuse, sexual abuse and assault, and/or human trafficking.

**Key Points**

- The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing. The schedule shows \$340 million in general obligation bond for affordable housing and shelters will be requested for voter approval in March 2024. The Capital Planning Committee has since voted to shift \$40 million for shelters to the November 2024 election. Prior to obtaining voter approval for bonds, the Board must find that such indebtedness is in the public interest.

**Fiscal Impact**

- According to the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 6.5 percent over approximately 20 years, with estimated total debt service payments of \$544.5 million, including approximately \$244.5 million in interest and \$300 million in principal. The Office of Public Finance estimates average annual debt service payments of \$24.8 million.

**Policy Consideration**

- The proposed resolutions are competing proposals for the single \$340 million general obligation bond request to voters scheduled in the City’s capital plan for March 2024.

**Recommendation**

- Approval of the proposed resolutions is a policy matter for the Board of Supervisors.

**MANDATE STATEMENT**

City Administrative Code Section 2.34 requires that a resolution determining the public interest and necessity for the acquisition, construction or completion of any municipal improvement funded by property taxes be adopted by the Board of Supervisors not less than 141 days before the election at which such proposal will be submitted to the voters. Approval of such resolutions requires a 2/3 vote by the Board of Supervisors.

**BACKGROUND**

The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing. The schedule shows \$340 million in general obligation bond for affordable housing and shelters will be requested for voter approval in March 2024. The Capital Planning Committee has since voted to shift \$40 million for shelters to the November 2024 election. According to the Office a Public Finance, a resolution will be introduced for the Board of Supervisors to amend the capital plan to reflect this change.

Files 23-0969 and 23-0971 are ordinances pending Board of Supervisors approval that each call for a special election on March 5, 2024 to request voter approval for \$300 million of general obligation bonded indebtedness to fund affordable housing programs. Prior to the election, the Board must find that such indebtedness is in the public interest.

**DETAILS OF PROPOSED LEGISLATION**

**File 23-0970:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) expansion of the City’s Downpayment Assistance Program.

**File 23-0972:** is a resolution would determine and declare that the public interest and necessity demand: (1) construction and rehabilitation of new affordable rental housing, (2) preservation of affordable rental housing, and (3) develop or rehabilitate housing for households that have survived homelessness, street violence, domestic violence and abuse, sexual abuse and assault, and/or human trafficking.

Both the resolutions would:

- Find that the estimated cost of \$300 million for such proposed projects will be too great to be paid out of the ordinary annual income and revenue of the City and will require expenditures greater than the amount allowed by the annual tax levy;
- Find that the bond proposal is not subject to review under the California Environmental Quality Act (CEQA);
- Find that the proposed bonds are in conformity with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b);

- Waive the time requirements specified in Administrative Code, Section 2.34;
- Authorize landlords to pass-through 50 percent of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; and,
- Declare the City’s intention to use bond proceeds to reimburse capital expenses incurred prior to the issuance of the proposed bonds

Possible uses of the bond proceeds are shown in Exhibit 1 below, based on the pending ordinances scheduling a special election.

**Exhibit 1: Possible Uses of Bond Funds**

<b>Uses</b>	<b>File 23-0970</b>	<b>File 23-0972</b>
New & Rehab	\$258,000,000	\$240,000,000
Preservation	30,000,000	30,000,000
Downpayment Assistance	12,000,000	0
Victims & Survivors	0	30,000,000
<b>Total</b>	<b>\$300,000,000</b>	<b>\$300,000,000</b>

Source: Files 23-0969 and 23-0971

All issuances of the bonds and appropriations of the bond fund proceeds would be subject to Board of Supervisors approval, at which time CEQA review and approval of the specific projects would be required, and the project costs would be identified.

**FISCAL IMPACT**

**Debt Service**

According to Vishal Trivedi, Financial Analyst in the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 6.5 percent over approximately 20 years, with estimated total debt service payments of \$544.5 million, including approximately \$244.5 million in interest and \$300 million in principal. The Office of Public Finance estimates average annual debt service payments of \$24.8 million.

**Property Taxes**

Repayment of such annual debt service would be recovered through increases to the annual property tax rate. According to the Office of Public Finance, the average property tax rate for the proposed bonds would be \$5.70 per \$100,000 of assessed valuation, half of which could be passed through to tenants.

**Debt Limit**

According to the FY 2024-2033 Capital Plan, the proposed bonds are consistent with the City’s current debt management policy to maintain the property tax rate for City general obligation bonds below the FY 2005-06 rate of \$0.12 per \$100 of assessed value.

**POLICY CONSIDERATION**

The proposed resolutions are competing proposals for the single \$340 million general obligation bond request to voters scheduled in the City's capital plan for March 2024.

**RECOMMENDATION**

Approval of the proposed resolutions is a policy matter for the Board of Supervisors.

### Project Description

The City and County of San Francisco Board of Supervisors is proposing Proposition for the March 5, 2024 ballot that would allow the City to incur bonded indebtedness of not to exceed \$300,000,000 subject to independent citizen oversight and regular audits, to finance the construction, development, acquisition, and/or rehabilitation of rental affordable housing, including workforce housing and senior housing, for households ranging from extremely low-income to moderate-income households; and related costs necessary or convenient for the foregoing purposes; and authorize landlords to pass-through 50% of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37.

Bond proceeds would be allocated to provide to extremely low-, very low-, lower-, and moderate-income households in San Francisco affordable housing rental opportunities in accordance with policies and programs set forth by the 2022 Housing Element:

- **CONSTRUCTION:** Up to \$240,000,000 of Bond proceeds will be allocated to construct, develop, acquire, and/or rehabilitate new affordable rental housing, including senior housing and workforce housing, serving extremely low-income households, very low-income households, and lower-income households.
- **PRESERVATION:** Up to \$30,000,000 of Bond proceeds will be allocated to construct, develop, acquire, and/or rehabilitate rental housing, so as to preserve it as affordable for lower-income households and moderate-income households.
- **VICTIMS AND SURVIVORS HOUSING:** Up to \$30,000,000 of Bond proceeds will be allocated to construct, develop, acquire, and/or rehabilitate housing for extremely-low income households, very low-income households, and/or lower-income households who need safe and stable housing, and are experiencing (i) trauma-informed homelessness, (ii) street violence, (iii) domestic violence and abuse, (iv) sexual abuse and assault, and/or (v) human trafficking.
- **CITIZENS' OVERSIGHT COMMITTEE.** A portion of the Bond shall be used to perform audits of the Bond.

## Environmental Review

The proposed bond is within the scope of the 2022 Housing Element Update Final EIR certified by the Planning Commission on November 17, 2022, Motion No. 21206. Any physical projects would require separate environmental analysis or General Plan Evaluation under the 2022 Housing Element EIR.

## General Plan Compliance and Basis for Recommendation

As described below, the proposed Project is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the General Plan.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

### HOUSING ELEMENT

#### OBJECTIVE 1.A

ENSURE HOUSING STABILITY AND HEALTHY HOMES

**OBJECTIVE 1.B**  
**ADVANCE EQUITABLE HOUSING ACCESS****POLICY 2**

Preserve affordability of existing subsidized housing, government-owned or cooperative-owned housing, or SRO (single-room occupancy) hotel rooms where the affordability requirements are at risk or soon to expire.

**POLICY 3**

Acquire and rehabilitate privately-owned housing as permanently affordable to better serve residents and areas vulnerable to displacement with unmet affordable housing needs.

*The proposed Bond, if approved, would provide resources to preserve affordability of existing housing that is at risk and protect renters at risk of displacement.*

**CREATE A SENSE OF BELONGING FOR ALL COMMUNITIES OF COLOR WITHIN WELL-RESOURCED NEIGHBORHOODS THROUGH EXPANDED HOUSING CHOICE****POLICY 19**

Enable low- and moderate-income households, particularly American Indian, Black, and other people of color, to live and prosper in Well-resourced Neighborhoods by increasing the number of permanently affordable housing units in those neighborhoods.

*The proposed Bond, if approved, would provide funding to help construct permanently affordable housing. Priorities for affordable housing in this bond measure include sites that can open housing opportunities in high resource neighborhoods or that stabilize equity communities.*

**OBJECTIVE 4.A**  
**SUBSTANTIALLY EXPAND THE AMOUNT OF PERMANENTLY AFFORDABLE HOUSING FOR EXTREMELY LOW- TO MODERATE-INCOME HOUSEHOLDS****POLICY 15**

Expand permanently affordable housing investments in Priority Equity Geographies to better serve American Indian, Black, and other People of color within income ranges underserved, including extremely-, very low-, and moderate-income households.

**POLICY 22**

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

*The Project would not have an adverse effect on neighborhood-serving retail uses or opportunities for employment in or ownership of such businesses.*

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

*The Project would enhance the economic diversity of our neighborhoods by increasing the production of affordable housing at a range of income levels, as well as preserving existing affordable rental housing.*

3. That the City's supply of affordable housing be preserved and enhanced;

*The Project would directly support the preservation and enhancement of the City's supply of affordable housing. The purpose of the bond is to create new affordable housing units that align with the Housing Element's goals and preserve existing housing.*

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

*The Project would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking in San Francisco. The adopted Housing Element calls for parallel planning for both new housing and transportation. The City's goal is to advance well-connected neighborhoods consistent with the City's ConnectSF vision and encourage sustainable trips in new housing.*

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

*The Project would not cause displacement of the industrial or service sectors due to office development*

*and would not have an adverse effect on future opportunities for resident employment or ownership in these sectors.*

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

*The Project would not have an adverse effect on the City's preparedness against injury and loss of life in an earthquake.*

7. That the landmarks and historic buildings be preserved;

*The Project would not have an adverse effect on the City's landmarks and historic buildings.*

*The Project would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.*

**Finding:** The project, on balance, is **in conformity** with the General Plan.
