Re: Nomination of Maxine Anderson to Serve on the Sunshine Ordinance Task Force: Support

Dear Supervisors,

I write today to express my strong and enthusiastic support of the League of Women Voters of San Francisco's nomination of Maxine Anderson to the Sunshine Ordinance Task Force. She is highly qualified to serve on the Task Force by virtue of her many years of experience advocating for open and transparent government as a member of both the San Francisco and California LWV boards. I have worked alongside my League colleague, and good friend, for many years on this issue and others of importance to our civic life.

In recent years, Maxine and I and other members of Steering Committee of San Franciscans for Sunshine have been working to develop ways to update and strengthen the Ordinance. In addition to her deep understanding from this work of the issues involved in ensuring an open and transparent local government, she brings personal qualities to all that she endeavors, which will make her an invaluable member of the Task Force. Maxine is warm and personable, as well as tireless and tenacious. She shows up, having fully prepared for whatever is on the agenda. What I have come to especially appreciate though from my long association with Maxine is her ability to see through to the heart of a matter and then offer her wise take on it with suggestions about how to move forward. During my tenure on the Task Force, there were many times when such skill would have been welcomed.

I strongly urge you to support Maxine Anderson's appointment to the Sunshine Ordinance Task Force. Thank you for your consideration.

Sincerely,

Allyson Washburn, Ph.D.

Former member and chair of the Sunshine Ordinance Task Force
Past President of the League of Women Voters of San Francisco

CC: Maxine Anderson; Angela Calvillo, Clerk of the Board of Supervisors
