Re: **Oppose Eliminating Remote Public Comment at Board of Supervisors Meetings (File #231020)**

Dear President Peskin and Members:

By unanimous agreement at its October 4, 2023 regular meeting, the Sunshine Ordinance Task Force writes today regarding the anti-Semitic and racist remarks made at the Tuesday, September 26, 2023 Board of Supervisors meeting during Item 26, General Public Comment, and the Board's proposed response to those remarks.

First, we condemn the remarks made, in the strongest possible way, and completely disassociate from the ideas or views expressed. We believe that a local government public meeting should allow for reasonable dialogue and discourse on matters under the jurisdiction of that local government agency. Comments related to legislative or administrative matters, or other actions, by City departments, whether commendatory, constructively critical, or simply observations, should be welcome, but comments that violate the law or City policy, including anti-Semitic, discriminatory, harassing and racist language or threats, should be avoided or ended as soon as possible. We should not tolerate such remarks.

However, we recognize the general importance that public comment plays in our civic process, and the specific value that remote public comment has added since the COVID emergency began in 2020. We believe that more people, reflecting diverse communities and views, have been able to engage in public meetings, and provide testimony, without having to travel to City Hall or elsewhere to attend meetings in person. Those benefits are significant and tangible. While the opportunity for inappropriate comments has always been available to in-person speakers, remote public comment has added a new way for anonymous people to disrupt and distract from necessary public business. Indeed, it was not long ago that comments were made at an in-person meeting of the Building Inspection Commission, with a speaker suggesting that a previous Director of Building Inspection might be unable to perform her job duties due to being pregnant. That comment prompted Mayor Gavin Newsom to issue the Mayor's policy on discriminatory or harassing remarks made at public meetings in 2005, which is included in the City Attorney's Good Government Guide starting on page 197.

While we agree that anti-Semitic and racist remarks should be avoided, and immediately cut off if they are made, **we reject the idea that the only way to do so is to eliminate all remote public comment** at Board of Supervisors meetings, presumably Board committees, and perhaps other City Boards and Commissions, policy bodies, advisory bodies, and administrative hearings. The harm that would cause, by restricting public comment to only in-person speakers, would return to pre-2020

practices, reduce public participation, and limit public engagement to those with the ability, means, and time to attend meetings at City Hall or elsewhere.

Instead, we suggest that a balance be sought, to continue allowing, indeed encouraging, more civic engagement in public meetings through civil discourse on matters before City policy bodies, whether in-person or remote, with regular cautions about avoiding discriminatory or threatening remarks and clear guidance about what to do to isolate and remove such comments immediately. In particular, heightened concern should be anticipated regarding controversial items, including certain land use matters, litigation and personnel decisions (usually in closed session, with public comment in advance), and occasionally other items. Other than that, it appears to us that the most common venue for odd and sometimes off-topic comments comes during General Public Comment at regular Board of Supervisors meetings on Tuesdays. We are not aware of that happening during Board of Supervisors committee meetings on specific legislation or topical hearings. Thus, we suggest that additional measures be considered for your full Board meetings, including additional staff to moderate speakers or an added time delay.

We believe that further legal, policy and technology research is needed here, with possible budget implications as well, and so we suggest that City staff be asked to fully explore this issue, with all due speed, and recommend a workable approach that is at once targeted, Citywide, and adaptable. Further, guidance and training for Board and Commission members, as well as clerks and secretaries, should be refreshed. To that end, we are sending copies of this letter to certain City officials who we think should have an interest in this matter. We take this issue very seriously and would like to be involved further in the complexities here as you wish. Please do not hesitate to contact either me or Task Force Member David Pilpel for further information or assistance. Thank you in advance for your time and attention.

Sincerely,

Matt Yankee, Chair
Sunshine Ordinance Task Force

Dear Supervisors;

I'm no Stefani but I'm gonna try. So tighten the seat belts, ok?

We know Motion 231020 is brought about with the best of intentions. To join the horde running away from the Nazi attackers.

But in 1940, Winston Churchill stood and fought - helped by American arms programs until America could get into The War. We know the rest.

In 2019, Catherine Stefani stood and fought like a mother. The NRA started to go back on their heels like the bullying, terroristic cowards they are.

In 2022, Voldomir Zelensky was offered a ride out of Ukraine and said famously, "I need ammunition, not a ride. The fight is here."

Zelensky went on to say,

"I am here. We are not putting down arms. We will be defending our country, because our weapon is truth, and our truth is that this is our land, our country, our children, and we will defend all of this."

In 2023, Catherine Stefani stood and fought like a Zelensky. Our weapons are truth, courage and some tech stuff. Simple resolve is stopping the Nazis. Washington State would be more than happy to help The State of Stefani. It's our obligation? WHY? Freedom is not free. We all wanna be Catherine Stefani and make our mark on the nation.

So I call upon you to repeal this motion of appeasement. This motion has enjoyed the sponsorship of only one Supervisor. This motion will signal clearly: You can close the skies to all over California if you spew hate. I thought THIS was also the personification of a great state in California:

This motion puts my Washington State at risk. This motion puts the entire open government community at risk.

So imagine if one city just said... NO. NO, we will *not* submit. NO, rather we will stand like a Stefani. That city is yours. The road to restoring SF's honor and luster starts on Van Ness Avenue. Not Union Street. Not California Street. Not Judah Street. Van Ness Avenue at Clerk Angela's in Supervisor Stefani's command bunker. *Thanks as you can guess WHO I stand with:*

Americans who remember WWII - and what led up to it - don't appease. Because what's next? In-person oral public comment? Worse? I must say, I must say you give a bully a victory they'll want another and another.

Remember, I've fought Alex Tsimerman and won, including a historic \$30,000 fine for campaigning without public disclosure. I know how, when and where to fight. Because somebody's gotta stand like a Stefani against the dark up here.

Literally, that's what I'm asking this Board to do:

VETO MOTION 231020 AS WELL INTENDED BUT THE WRONG DIRECTION.

STAND UP AGAINST THE NAZIS AND LEAD AS SAN FRANCISCO USED TO.

STAND LIKE A STEFANI AGAINST THE DARK AND SEND SOMEONE STEFANI-ESQUE TO SACRAMENTO TO FIX THE BROWN ACT, STOP THE

HATE AND UNLOCK THE ZELENSKY & STEFANI WITHIN.

WE CAN DO THIS;

Joe A. Kunzler
