(c) On September 20, 2023, the Historic Preservation Commission, in Resolution No. 1345, adopted findings that the actions contemplated in this ordinance are consistent, on balance, with the City's General Plan and with the eight priority policies of Planning Code Section 101.1. The Board adopts these findings as its own.

Section 2. General Findings.

(a) On October 5, 2016, the Historic Preservation Commission adopted Resolution No. 806, initiating landmark designation of the Sacred Heart Parish Complex as a San Francisco Landmark pursuant to Section 1004.1 of the Planning Code. Said resolution is on file with the Clerk of the Board in Board File No. 231045 and incorporated herein by reference.

(b) Pursuant to Section 4.135 of the Charter of the City and County of San Francisco, the Historic Preservation Commission has authority "to recommend approval, disapproval, or modification of landmark designations and historic district designations under the Planning Code to the Board of Supervisors."

(c) Historic preservation consultant Elaine Brown Stiles prepared a Landmark Designation Report for the Sacred Heart Parish Complex. All preparers meet the Secretary of the Interior's Professional Qualification Standards for historic preservation program staff, as set forth in Code of Federal Regulations Title 36, Part 61, Appendix A, and Planning Department staff reviewed the report for accuracy and conformance with the purposes and standards of Article 10 of the Planning Code.

(d) The Historic Preservation Commission, at its regular meeting of September 20, 2023, reviewed the analysis of the Sacred Heart Parish Complex's historical significance set forth in the Landmark Designation Fact Sheet dated September 20, 2023.

(e) On September 20, 2023, after holding a public hearing on the proposed designation, and having considered the specialized analyses prepared by consultants and Planning Department staff, and the Landmark Designation Fact Sheet dated September 20, 2023, the Historic Preservation Commission recommended designation of the Sacred Heart Parish Complex as a landmark under Article 10 of the Planning Code in Resolution No. 1345. Said resolution is on file with the Clerk of the Board in Board File No. 231045.

(f) The Board of Supervisors hereby finds that the Sacred Heart Parish Complex has a special character and special historical, architectural, and aesthetic interest and value, and that its designation as a Landmark will further the purposes of and conform to the standards set forth in Article 10 of the Planning Code. In doing so, the Board hereby incorporates by reference the findings of the Landmark Designation Fact Sheet dated September 20, 2023.
