(b) With respect to a Potential Assessment, Tenant will provide to the Assessor-Recorder in accordance with Revenue and Taxation Code Section 441(d) (or any successor or otherwise applicable Law), any Assessor Information requested in writing by the Assessor-Recorder in the format reasonably required by the Assessor-Recorder (the "Requested Information") within ninety (90) days (or within such other period as required or permitted by Law) of Tenant's receipt of a written request for such Requested Information ("Initial Response Period"). Tenant is not required to provide to Port information submitted to the Assessor-Recorder pursuant to this *Section 6.4* if such information is not required to be provided under Administrative Code Sections 23.38 or 23.39, or any other applicable Law or contractual requirement, but Tenant shall copy Port on the transmittal to the Assessor-Recorder which shall only list, but not include, such Requested Information provided to the Assessor-Recorder. Tenant waives any right to confidentiality under applicable Law only to the extent necessary for the Assessor-Recorder to notify Port of Tenant's failure to provide the Requested Information on a timely basis and Port to exercise its right as set forth in *Section 6.4(d)*. Except as specifically provided in the preceding sentence, neither the provisions of this Lease, nor the submission by Tenant to the Assessor-Recorder of any information pursuant to this *Section 6.4* will be considered a waiver of or limitation on Tenant's rights under applicable Law of taxpayer confidentiality, attorney-client or other applicable privilege, the Assessor-Recorder's duty to prevent the disclosure of taxpayer information, and exemptions from the California Public Records Act and San Francisco Sunshine Ordinance applicable to information provided to the Assessor-Recorder.

(c) If Tenant does not provide all of the Requested Information to the Assessor-Recorder within the Initial Response Period and has not provided notice to Port and the Assessor-Recorder that it is contesting in good faith, the Assessor-Recorder's right to all or any portion of the Requested Information, Port or the Assessor-Recorder will deliver to Tenant notice that the Assessor-Recorder has not yet received the Requested Information ("Notice for Information"). Within thirty (30) days of Port's or the Assessor-Recorder's delivery of the Notice for Information ("Response Period"), Tenant must provide to the Assessor-Recorder the Requested Information or deliver notice to Port and the Assessor-Recorder that Tenant is contesting in good faith the Assessor-Recorder's right under applicable Law to the Requested

Information that has not been provided by Tenant ("Contest Notice"). If the Assessor-Recorder does not receive the Requested Information within the Response Period, or Port and the Assessor-Recorder do not receive the Contest Notice within the Response Period, then Port or the Assessor-Recorder may deliver to Tenant additional Notice(s) for Information until the Requested Information or Contest Notice, as applicable, is received.

(d) Tenant will have the same Response Period to provide the Requested Information or Contest Notice, as applicable, for each Notice for Information delivered to Tenant. There is no fee for Tenant's failure to timely respond to the first Notice for Information delivered to Tenant with respect to each Potential Assessment. If Tenant fails to provide either the Requested Information or a Contest Notice within the Response Period following any subsequent Notice for Information with respect to the same Potential Assessment, Tenant must pay to Port a fee equal to \$5000 for the second Notice for Information delivered to Tenant; \$10,000 for the third Notice for Information delivered to Tenant; and \$25,000 for the fourth Notice for Information delivered to Tenant (each fee an "Information Charge"), which Information Charge will increase by \$1,000 in 2023 and every five (5) years thereafter. Each Information Charge is due and payable to Port the day immediately following the expiration of the applicable Response Period. If Port has not received the Requested Information within the Response Period following delivery of the fourth (4<sup>th</sup>) Notice for Information, then Port will have the right to exercise all rights and remedies available at law or in equity to enforce Tenant's obligation to provide Requested Information on a timely basis, including specific performance; provided, however, Port will not exercise any remedy for Tenant's failure to provide such Requested Information so long as Tenant is challenging in good faith, its obligation to turn over the Requested Information.

(e) Promptly following the Assessor-Recorder's request, Port may, from time to time, update the information requirements set forth in the most current Assessor Information to reference different or additional information requirements to which the Assessor-Recorder is entitled by Law, by providing Tenant no less than five (5) business days' prior notice and a replacement copy of the updated Assessor Information.

**5.5. Survival.** The provisions of this *Article 6* will survive the expiration or earlier termination of this Lease.

## **6. CONTESTS.**

**6.1. Right of Tenant to Contest Impositions and Liens.** Subject to *Section 5.2*, Tenant has the right to contest the amount, validity or applicability, in whole or in part, of any other Imposition, mechanics' lien, or encumbrance (including any arising from work performed or materials provided to Tenant or any Subtenant to improve all or a portion of the Premises) by appropriate proceedings conducted in good faith and with due diligence, at no cost to Port, provided that, prior to commencement of such contest, Tenant notifies Port of such contest. Tenant must notify Port of the final determination of such contest within fifteen (15) days after such determination. Subject to *Section 5.2*, nothing in this Lease requires Tenant to pay any other Imposition, mechanics' lien, or encumbrance so long as Tenant contests the validity, applicability or amount of such Imposition, mechanics' lien, or encumbrance in good faith, and so long as it does not allow the portion of the Premises affected by such Imposition, mechanics' lien, or encumbrance to be forfeited to the entity levying such Imposition, mechanics' lien, or encumbrance as a result of its nonpayment. If any Law requires, as a condition to such contest, that the disputed amount be paid under protest, or that a bond or similar security be provided, Tenant must comply with such condition as a condition to its right to contest. Tenant is responsible for the payment of any interest, penalties or other charges that may accrue as a result of any contest, and Tenant must provide a statutory lien release bond or other security reasonably satisfactory to Port in any instance where Port's interest in the Premises may be subjected to such lien or claim. Tenant is not required to pay any Imposition, mechanics' lien, or encumbrance being so contested during the pendency of any such proceedings unless payment is required by

the court or agency conducting such proceedings. Port, at its own expense and at its sole option, may elect to join in any such proceeding whether or not any Law requires that such proceedings be brought by or in the name of Port or any owner of the Premises. Port will not be subjected to any liability for the payment of any fines or penalties, and except as provided in the preceding sentence, costs, expenses or fees, including Attorneys' Fees and Costs, in connection with any such proceeding. Without limiting *Article 19*, Tenant will Indemnify the Indemnified Parties for all Losses resulting from Tenant's contest of any Imposition.

**6.2. Port's Right to Contest Impositions.** At its own cost and after notice to Tenant of its intention to do so, Port may, but in no event will be obligated to, contest the validity, applicability or the amount of any Impositions, by appropriate proceedings conducted in good faith and with due diligence. Nothing in this *Section 6.2* will require Port to pay any Imposition as long as it contests the validity, applicability or amount of such Imposition in good faith, and so long as it does not allow any portion of the Premises to be forfeited to the entity levying such Imposition as a result of its nonpayment and so long as such activities do not cause a default under any Mortgage in effect at the time. Port will give notice to Tenant within a reasonable period of time of the commencement of any such contest and of the final determination of such contest. Port will reimburse Tenant within thirty (30) days after demand from Tenant for any such fines, penalties, costs, interest, expenses or fees, including Attorneys' Fees and Costs, which Tenant may be legally obligated to pay solely as a result of Port's contest of such Impositions.

## **7. COMPLIANCE WITH LAWS.**

**7.1. Tenant's Obligation to Comply.** During the Term, Tenant will comply with, at no cost to Port, (i) all applicable Laws (taking into account any variances or other deviations properly approved), (ii) the Soil Management Plan, and (iii) the Mitigation Monitoring and Reporting Program, (iv) the Vertical DDA (so long as the Vertical DDA remains in effect), [(v)] the Transportation Demand Management Plan [note: add other requirements imposed in connection with Project Approvals, if any]. The foregoing sentence will not be deemed to limit Port's ability to act in its legislative or regulatory capacity, including the exercise of its police powers. In particular, Tenant acknowledges that the Permitted Uses do not limit Tenant's responsibility to obtain Regulatory Approvals for such Permitted Uses, nor do such Permitted Uses limit Port's responsibility in the issuance of any such Regulatory Approvals to comply with applicable Laws. It is understood and agreed that Tenant's obligation to comply with Laws includes the obligation to make, at no cost to Port, all additions to, modifications of, and installations on the Premises that may be required by any Laws relating to or affecting the Premises.

**7.2. Unforeseen Requirements.** The Parties acknowledge and agree that Tenant's obligation under this *Section 7.2* to comply with all Laws and the other requirements set forth in *Section 7.1* is a material part of the bargained-for consideration under this Lease. Tenant's obligation to comply with Laws and the other requirements set forth in *Section 7.1* includes the obligation to make substantial improvements (including any barrier removal work or other work required to all or any portion of the Premises under Disabled Access Laws as a result of Tenant's specific use of the Premises, the Improvements, Deferred Infrastructure or any Subsequent Construction performed by or on behalf of Tenant, or substructural repairs to the Premises), regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term, the relative benefit of the repairs to Tenant or Port, the degree to which curative action may interfere with Tenant's use or enjoyment of the Premises, the likelihood that the Parties contemplated the particular Law involved, or the relationship between the Law or the other requirements set forth in *Section 7.1* and Tenant's particular use of the Premises. No occurrence or situation arising during the Term, nor any Law or the other requirements set forth in *Section 7.1*, however extraordinary, relieves Tenant of its obligations hereunder, nor gives Tenant any right to terminate this Lease (except for the Termination Option set forth in *Section 7.3*) in whole or in part or to otherwise seek redress

against Port. Tenant waives any rights now or hereafter conferred upon it by any Law to terminate this Lease (except for the Termination Option set forth in **Section 7.3**), to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws, on account of any such occurrence or situation.

**7.3. Right to Terminate Lease.**

(a) **Termination Option.** Notwithstanding any other provision of **Section 7.1**, in the event of any change in Laws during the last ten (10) years of the Term that would require capital repairs or improvements, including upgrades or other capital expenditures for reconstruction, replacement, expansion, Restoration, alteration or modification of the Premises (including the Improvements), Tenant will have the option, but not the obligation, to terminate this Lease (the "**Termination Option**") on the following terms and conditions:

(i) If Tenant desires to exercise the Termination Option, Tenant will deliver written notice thereof to Port of its election, at least one hundred twenty (120) days prior to the termination date specified therein ("**Termination Notice for Change in Laws**").

(ii) On or prior to the effective date of termination of this Lease in accordance with this **Section 7.3**, Tenant must:

(1) cure all Tenant monetary Events of Default and any Events of Default relating to the provisions of **Section 7.1** (other than making the capital repairs or improvements necessitated by the change in Laws leading to Tenant's exercise of the Termination Option) and **Section 10.1**;

(2) cure all Events of Default or Unmatured Events of Defaults under **Article 21**,

(3) pay in full all utility charges and Impositions due and owing up to and including the effective date of termination,

(4) maintain all the insurance required to be maintained under **Section 20** until the effective date of termination; and

(5) if requested by Port, Demolish and Remove the Improvements in accordance with this **Section 7.3**.

(b) **Demolition and Removal Requirement.** If Port desires Tenant to Demolish and Remove the Improvements, Port will notify Tenant within ninety (90) days following receipt of the Termination Notice for Change in Laws, which election may be made by Port in its sole discretion. If Tenant Demolishes and Removes the Improvements in accordance with this **Section 7.3**, Tenant will have no obligation to cure any Events of Default under **Sections 7.1 or 10.1**. If Tenant exercises its Termination Option, this Lease will terminate on the later of the date set forth in the Termination Notice for Change in Laws or the date Tenant cures all of the Events of Default required to be cured and completes the Demolition and Removal in compliance with all Laws; provided, however, if Port requests Tenant to Demolish and Remove the Improvements, and such work cannot reasonably be completed prior to termination of this Lease, then Tenant's access to the Premises to perform such work will be under Port's license, as further described in **Section 36.2**. Tenant's obligation to Demolish and Remove the Improvements in accordance with this **Section 7.3** will survive the earlier termination of this Lease.

**8. REGULATORY APPROVALS.**

**8.1. Port Acting as Owner of Property.** Tenant understands and agrees that Port is entering into this Lease in its proprietary capacity as the holder of fee title to the Premises and not as a Regulatory Agency with certain police powers. Tenant acknowledges and agrees that Port has made no representation or warranty that the necessary Regulatory Approvals to allow for the development of the Initial Improvements can be obtained. Tenant acknowledges and

agrees that although Port is an agency of the City, Port staff and executives have no authority or influence over officials or Regulatory Agencies responsible for the issuance of any Regulatory Approvals, including Port and/or City officials acting in a regulatory capacity. Accordingly, there is no guarantee, nor a presumption, that any of the Regulatory Approvals required for the approval or development of the Initial Improvements will be issued by the appropriate Regulatory Agency, and Tenant understands and agrees that neither entry by Port into this Lease nor any approvals given by Port under this Lease will be deemed to imply that Tenant will obtain any required approvals from Regulatory Agencies which have jurisdiction over the Initial Improvements and/or the Premises, including Port itself in its regulatory capacity. Port's status as an agency of the City in no way limits the obligation of Tenant, at Tenant's own cost and initiative, to obtain Regulatory Approvals from Regulatory Agencies that have jurisdiction over the Initial Improvements. By entering into this Lease, Port is in no way modifying or limiting Tenant's obligations to cause the Premises to be developed, Restored, used and occupied in accordance with all Laws. Tenant further acknowledges and agrees that any time limitations on Port review or approval within this Lease applies only to Port in its proprietary capacity, not in its regulatory capacity. Without limiting the foregoing, Tenant understands and agrees that Port staff have no obligation to advocate, promote or lobby any Regulatory Agency and/or any local, regional, state or federal official for any Regulatory Approval, for approval of the Initial Improvements or other matters related to this Lease, and any such advocacy, promotion or lobbying will be done by Tenant at Tenant's sole cost and expense. Tenant hereby waives any claims against the Indemnified Parties, and fully releases and discharges the Indemnified Parties to the fullest extent permitted by Law, from any liability relating to the failure of Port, the City or any Regulatory Agency from issuing any required Regulatory Approval or from issuing any approval of the Initial Improvements.

**8.2. Regulatory Approval; Conditions.** Tenant understands that construction of the Initial Improvements and Tenant's contemplated uses and activities on the Premises, any subsequent changes in Permitted Uses, and any Subsequent Construction, may require Regulatory Approvals from Regulatory Agencies, which may include the City, Port, RWQCB, SFPUC, and other Regulatory Agencies. Tenant is solely responsible for obtaining any such Regulatory Approvals, as further provided in this Section.

Port, at no cost to Port, will cooperate reasonably with Tenant in its efforts to obtain such Regulatory Approvals, including submitting letters of authorization for submittal of applications consistent with all applicable Laws and the further terms and conditions of this Lease, including, without limitation, being a co-permittee with respect to any such Regulatory Approvals. However, if Port is required to be a co-permittee under any such permit, then Port will not be subject to any conditions and/or restrictions under such permit that could (i) encumber, restrict or adversely change the use of any Port property other than the Premises, unless in each instance Port has previously approved, in Port's sole and absolute discretion, such conditions or restrictions and Tenant has assumed all obligations and liabilities related to such conditions and/or restrictions; or (ii) restrict or change the use of the Premises in a manner not otherwise permitted under this Lease or subject Port to unreimbursed costs or fees, unless in each instance Port has previously approved, in Port's reasonable discretion, such conditions and/or restrictions and Tenant has assumed all obligations and liabilities related to such conditions and/or restrictions (including the assumption of any unreimbursed costs or fees Port may be subject to).

Port will provide Tenant with its approval or disapproval thereof in writing to Tenant within ten (10) business days after receipt of Tenant's written request, or if Port's Executive Director reasonably determines that Port Commission or Board of Supervisors action is required under applicable Laws, at the first Port and subsequent Board of Supervisors hearings after receipt of Tenant's written request subject to notice requirements and reasonable staff preparation time, not to exceed forty-five (45) days for Port Commission action alone and seventy-five (75) days if both Port Commission and Board of Supervisors action is required, provided such period may be extended to account for any recess or cancellation of board or

commission meetings. Port will join in any application by Tenant for any required Regulatory Approval and execute such permit where required, provided that Port has no obligation to join in any such application or sign the permit if Port does not approve the conditions or restrictions imposed by the Regulatory Agency under such permit as set forth above in this section.

Tenant will bear all costs associated with (1) applying for and obtaining any necessary Regulatory Approval, and (2) complying with any and all conditions or restrictions imposed by Regulatory Agencies as part of any Regulatory Approval, including the economic costs of any development concessions, waivers, or other impositions, and whether such conditions or restrictions are on-Premises or require off-Premises improvements, removal, or other measures. Tenant in its sole discretion has the right to appeal or contest any condition in any manner permitted by Law imposed by any such Regulatory Approval; provided, however, if Port is a co-permittee, then Tenant will have first obtained Port's prior consent, not to be unreasonably withheld, prior to commencing any such appeal or contest. Tenant will provide Port with prior notice of any such appeal or contest and keep Port informed of such proceedings. Tenant will pay or discharge any fines, penalties or corrective actions imposed as a result of the failure of Tenant to comply with the terms and conditions of any Regulatory Approval. No Port Approval will limit Tenant's obligation to pay all the costs of complying with any conditions or restrictions. Tenant will take reasonable steps to cooperate with Port in connection with Port's efforts to obtain approvals from Regulatory Agencies related to development of Mission Rock that are not necessary for or related to development of the Premises.

Without limiting any other Indemnification provisions of this Lease, Tenant will Indemnify the Indemnified Parties from and against any and all Losses which may arise in connection with Tenant's failure to obtain or seek to obtain in good faith, or to comply with the terms and conditions of any Regulatory Approval which will be necessary to develop and construct the Premises in accordance with the Scope of Development, except to the extent that such Losses arise solely from the negligence or willful acts or omissions of Port acting in its proprietary capacity.

**8.3. Regulatory Permit Coverage.** Except as may otherwise be agreed upon between Tenant and Master Developer pursuant to separate agreement(s), Tenant will not be entitled to rely upon Regulatory Approvals previously obtained by Master Developer for any portion of Mission Rock, but will be required to obtain its own Regulatory Approvals in accordance with all applicable Laws. This includes, without limitation, Storm Water Pollution Prevention Plans (SWPPP), Dust Control Plans (DCP), Asbestos Dust Mitigation Plans (ADMP), and compliance with the City's Maher Ordinance (SFDPH Article 22A). Notwithstanding the foregoing, in accordance with its approved ADMP, Master Developer will provide a site wide air monitoring network positioned on ongoing horizontal and vertical construction work within Mission Rock.

## **9. TENANT'S MANAGEMENT AND OPERATING COVENANTS.**

**9.1. Operating Standards.** From and after Completion of the Initial Improvements, Tenant will maintain and operate the Premises, or cause the Premises to be maintained and operated, in a manner consistent with the prudent business practices of institutional landlords of buildings of comparable age, size, type and use located in San Francisco and in accordance with this Lease. Tenant is exclusively responsible, at no cost to Port, for the management and operation of the Premises.

**9.2. Leasing of Premises.** Tenant will use reasonable efforts to keep as much of the space in the Premises leased, taking into account marketplace conditions and applying in the exercise of such efforts, the prudent business practices of institutional landlords of buildings of comparable age, size, type and use located in San Francisco.

### **9.3. Reporting of Subleases.**

**(a) Leasing Activity Reports.** Tenant will deliver to Port within sixty (60) days following the end of each calendar year commencing in the calendar year a certificate of

occupancy is issued for the Improvements until and including the calendar year that includes the twenty-fifth (25<sup>th</sup>) anniversary of the Commencement Date, a leasing activity report for immediately prior calendar year for the Premises substantially in the form attached hereto as **Exhibit J** (the "Leasing Activity Report"). To the extent gross revenues from the Premises is made available in other public forums such as government filings, Tenant will include such information in the Leasing Activity Report. Each Leasing Activity Report will be certified by an officer of Tenant that it is a true and correct copy.

(b) **Audited Financial Statements.** Tenant will deliver to Port within ninety (90) days following the end of the calendar year that includes the twenty-sixth (26<sup>th</sup>) anniversary of the Commencement Date and within sixty (60) days following the end of each calendar year thereafter until the calendar year that includes the Expiration Date, Tenant's audited financial statement for the Premises, certified by Tenant's chief financial officer as being true, correct, and complete. The Parties agree and acknowledge that the audited financial statements need not include a line item for each Sublease and the pertinent financial terms related to such Sublease, but may instead, include a summary of the revenues generated by the Subleases.

(c) **Port Representative.** Throughout the Term, upon no less than two (2) business days' prior notice to Tenant, a representative of Port may review at the property manager's offices at the Premises during regular business hours, a complete copy of the Subleases at the Premises. Other than any Subleases Port has agreed to recognize pursuant to a Non-Disturbance Agreement, Port's representative will not be permitted to copy any of the Subleases or take any written notes of any Sublease terms during the first twenty-nine (29) years of the Term.

(d) **Appraiser.** Until Port enters into a long-term lease for the last development parcel within Mission Rock, Port's appraiser may review at the management office at the Premises or at another San Francisco location where Tenant may keep copies of Subleases, all current Subleases and rent roll, provided the Port's appraiser has entered into a customary confidentiality agreement that does not limit his or her ability to use the information in a manner necessary to inform the appraisal only (which shall not include the right to publish or otherwise disseminate any information in any manner outside of the context of the appraisal). The information gathered by the appraiser will be used solely to inform the appraiser in determining the fair market value of the development parcel to be sold or leased, as applicable.

**9.4. Restaurant/Retail Businesses Open to the General Public.** Throughout the Term, restaurants and other facilities for the exclusive use of the members of any invitation-only membership organization is prohibited on the ground floor of the Premises; provided, however, the foregoing does not prohibit amenities available only to employees of Tenant or any Subtenant (e.g. an employee cafeteria) or facilities for the exclusive use of membership organizations that are open to the general public (e.g. a membership-based gym).

**9.5. Flags.** **[Note: Applicable only for Parcels where US and CA flags are flown]** Throughout the Term, a Port flag will fly on each flagpole within the Premises ("Flagpoles"). Port will provide Port flags to Tenant. Tenant will promptly, at no charge, install, raise, lower and remove Port flags at Port's request. The dimensions of Port flags will be similar to the dimensions of Port flags flown in the Central Waterfront. Tenant also may use the Flagpoles to fly other flags on each Flagpole, provided that such other flags, other than the flags of the United States and the State of California, must be placed beneath the Port flag and Port must first reasonably approve the dimensions, color, text, design, and materials for such flag. If Port determines that Tenant's response to Port's request to raise or lower Port flags is inadequate, then at Port's election, Port may access the Flagpoles to adjust the Port flags accordingly without notice to Tenant.

Tenant will have no responsibility to maintain any Port flags. Port will provide Tenant with replacement Port flags to replace worn Port flags on the Flagpoles. If Port does not provide

a replacement flag to replace a worn flag, then Tenant will provide Port with notice requesting that a replacement flag be provided ("Replacement Notice"). If Port reasonably believes the flag in question is not worn sufficiently enough to warrant its replacement, Port will notify Tenant within five (5) days following receipt of the Replacement Notice, and such flag will remain in place and not be replaced. If Port has not timely notified Tenant that Port disputes the need to replace the flag and if Port does not provide Tenant with a replacement flag within thirty (30) days following the Replacement Notice, then Tenant will deliver to Port a second notice, which notice will include a statement in bold, all caps and underlined that if Port does not provide Tenant with a replacement flag within ten (10) days of such second notice, then Tenant will have the right to remove the worn flag. If Port does not provide Tenant with a replacement flag within ten (10) days of such second notice, then Tenant will have the right to remove the worn flag; provided, however, if Port notifies Tenant that Port cannot provide Tenant with a replacement flag due to unavailability of a replacement flag, Tenant will not remove the worn flag until Port is able to obtain a replacement flag. If Tenant removes Port's flag, then Tenant will promptly fly a replacement flag provided by Port to Tenant.

**9.6. Graffiti Removal.** Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

Tenant agrees to commence removal of graffiti from the Premises within forty-eight (48) hours of the earlier of Tenant's: (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from San Francisco Public Works. This **Section 9.6** is not intended to require Tenant to breach any lease or other agreement that it may have concerning its use of the Premises. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and that is visible from the public right-of-way, but does not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the Planning Code, or the Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (Calif. Civil Code §§ 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

**9.7. Mitigation Monitoring and Reporting Program.** In order to mitigate any potential significant environmental impacts of the Initial Improvements and operation of the Premises, Tenant agrees that the development and operation of the Improvements will be in accordance with mitigation measures set forth in the Mitigation Monitoring and Reporting Program attached as **Exhibit K**. As appropriate, Tenant will incorporate the Mitigation Monitoring and Reporting Program into any contract for the development and/or operation of the Improvements and the Premises.

**9.8. Transportation Demand Management Plan.** Tenant will comply with the Transportation Demand Management Plan, attached as **Exhibit Y** throughout the Term.

**9.9. Soil Management Plan.** Tenant will comply, and will cause its Agents to comply, with all applicable provisions of the Soil Management Plan, a copy of which has been

provided to Tenant, including requirements to notify all site users, comply with risk management measures during construction, and inspect, document and report site conditions to Port annually. Any and all Subleases will require Subtenants (including its Agents) to comply with all applicable provisions of the Soil Management Plan.

**10. REPAIR AND MAINTENANCE; FACILITIES CONDITION REPORT; RESERVE ACCOUNT.**

**10.1. Covenants to Repair and Maintain the Premises.** Except as may otherwise be provided under *Articles 14* (Damage or Destruction) and *15* (Condemnation), throughout the Term, Tenant will maintain and repair, at no cost to Port, the Premises, all Improvements within the Premises (including, without limitation, all Material Systems) and Subsequent Construction thereon in accordance with the prudent business practices of institutional landlords of buildings of comparable age, size, type and use located in San Francisco (less reasonable wear and tear), and in compliance with all applicable Laws and this *Article 10*. Tenant will with reasonable promptness make (or cause others to make) all repairs, renewals and replacements, whether structural or non-structural, interior or exterior, ordinary or extraordinary, foreseen or unforeseen, required to comply with this *Section 10.1*, except as set forth in *Article 14* or *Article 15*. For purposes of this Lease, the term "reasonable wear and tear" will not include any deterioration in the condition or diminution of the value of any portion of the Premises in any manner whatsoever related directly or indirectly to Tenant's failure to comply with the terms and conditions of this Lease.

**10.2. Facilities Condition Report.**

**(a) Additional Definitions.**

"Capital Items" mean replacements, repairs, and/or improvements to the Premises, the foundation and structural integrity of the Improvements and Material Systems serving the Premises, and other Improvements within the Premises that would be deemed capital assets under general accounting principles consistently applied.

"Capital Reserves" means funds in a bank account where all funds will be used solely to replace, repair, and improve Capital Items within the Premises.

"Capital Reserve Deposits" means the deposits into an account for Capital Reserves.

"FCR Date" means the twentieth (20<sup>th</sup>) Anniversary Date and every ten (10) years thereafter until and including the sixtieth (60<sup>th</sup>) Anniversary Date and every five (5) years thereafter until the expiration of the Term.

**(b) Facilities Condition Report.** No less than ninety (90) days before each FCR Date, Tenant will deliver to Port a facilities condition report (the "Facilities Condition Report") prepared by a qualified team of construction professionals including, without limitation, a structural and mechanical engineer, each with at least ten (10) years of experience in constructing, renovating and/or evaluating major [use for residential leases: residential] [use for commercial leases: commercial] buildings in California. The Facilities Condition Report will be substantially in the form is attached hereto as *Exhibit L*. Additionally, if a Facilities Condition Report is prepared by Tenant or another party in connection with any Transfer or Refinancing, then Tenant will provide or cause the other party to provide, a copy of such Facilities Condition Report to Port.

**(c) Failure to Revise or Submit Report.** If Port reasonably believes the Facilities Condition Report does not satisfy the requirements set forth in *Section 10.2(b)*, then Port will notify Tenant of such deficiency within forty-five (45) days following receipt of the Facilities Condition Report and Tenant will revise the Facilities Condition Report, to address Port's concerns within sixty (60) days. If Tenant fails to provide a Facilities Condition Report, or a revised Facilities Condition Report to Port within such period of time, Port after giving thirty (30) days' notice to Tenant will have the right, but not the obligation, to cause the preparation of a Facilities Condition Report by construction professionals of Port's choice,

satisfying the experience requirements set forth in *Section 10.2(b)* at Tenant's sole cost. Upon Port's delivery to Tenant of an invoice for such Facilities Condition Report, Tenant will promptly reimburse Port the amount set forth in such invoice.

(d) **Maintenance and Repair of Identified Items.** Tenant will use commercially reasonable efforts to perform the recommended repairs identified in the Facilities Condition Report in accordance with the prudent business practices of institutional landlords of buildings of comparable age, size, type and use located in San Francisco.

**10.3. Capital Reserves.**

(a) **Lender Capital Reserves Requirement.** Subject to *Section 10.3(b)*, Tenant will establish and maintain Capital Reserves to pay for replacements, repairs, and improvements of Capital Items within the Premises to the extent and on the terms and conditions required by Tenant's Lender. If Tenant's Lender does not require the establishment of such Capital Reserves, then Tenant will establish and maintain Capital Reserves pursuant to *Section 10.3(b)*.

(b) **No Lender Capital Reserves Requirement** From and after Completion of the Initial Improvements, if a Lender does not require Tenant to maintain Capital Reserves, Tenant will establish and maintain Capital Reserves consistent with the prudent business practices of institutional landlords of buildings of comparable age, size, type and use located in San Francisco with a depository institution reasonably acceptable to Port. Tenant will use the Capital Reserves only for the repair and/or replacement of Capital Items.

(c) **Capital Reserves Statements.** If a Lender does not require Tenant to maintain Capital Reserves, Tenant will provide Port on an annual basis, a statement from the depository institution where the Capital Reserves are held, showing the then current balance and any activity on such account that occurred during the immediately prior calendar year. In the event that Tenant has used Capital Reserves within the immediately prior calendar year, Tenant will include with the delivery of such statement, an explanation for such withdrawal, along with reasonably detailed statements relating to the expenditure of such funds.

**10.4. No Obligation of Port; Waiver of Rights.** From and after the Commencement Date, Tenant will be solely responsible for the condition, operation, repair, maintenance and management of the Premises, including the Initial Improvements, Subsequent Construction, and any and all other Improvements. Port will not, as a result of this Lease, have any obligation to make repairs or replacements of any kind or maintain the Premises or any portion of any of them. Tenant waives the benefit of any Law that would permit Tenant to make repairs or replacements at Port's expense, or abate or reduce any of Tenant's obligations under, or terminate, this Lease, on account of the need for any repairs or replacements. Without limiting the foregoing, Tenant hereby waives any right to make repairs at Port's expense as may be provided by California Civil Code Sections 1932(1), 1941 and 1942, as any such provisions may from time to time be amended, replaced or restated.

**10.5. Port's Right to Repair.** In the event Tenant fails to maintain and repair the foundation, the structural integrity of the Improvements, the roofs, and building systems (including plumbing, sewer, mechanical, electrical and other utility systems) (collectively, "Material Systems") within the Premises in accordance with *Section 10.1* and such failure is likely to cause imminent physical harm to any Person or constitutes a violation of applicable Law, Port may repair the same at Tenant's cost and expense and Tenant will reimburse Port therefor as provided in this *Section 10.5*. Except in the event of an emergency, Port will first provide no less than fifteen (15) days prior notice to Tenant before commencing any maintenance to or repair of a Material System ("Port's Repair Notice"). If Tenant does not commence maintenance or repair of the affected Material System or provide assurances reasonably satisfactory to Port that Tenant will commence maintenance or repair of the same within such fifteen (15) day period, then Port may proceed to take the required action. If Port

elects to proceed with such repair or maintenance, then promptly following completion of any work taken by Port pursuant to this **Section 10.5**, Port will deliver a detailed invoice of the work completed, the materials used and the costs relating thereto. Tenant also will pay to Port an administrative fee equal to ten percent (10%) of the total "hard costs" of the work. "Hard costs" include the cost of materials and installation, but excludes any costs associated with design, such as architectural fees. Tenant will pay to Port the amount set forth in the invoice within thirty (30) days after delivery of Port's invoice.

In the event Port notifies Tenant of a failure to maintain and repair the Premises ("**Maintenance Notice**"), Tenant will pay to Port, as Additional Rent, an amount equaling **[Note: amount to increase by \$50 every 5 years after DDA execution: Three Hundred Dollars (\$300)]**, which amount will be increased by One Hundred Dollars (\$100) on the tenth (10<sup>th</sup>) Anniversary Date and every ten (10) years thereafter, upon delivery of the Maintenance Notice. In the event Port determines during subsequent inspection(s) that Tenant has failed to so maintain the Premises in accordance with this **Article 10**, then Tenant will pay to Port, as Additional Rent, an amount equaling **[Note: amount to increase by \$50 every 5 years after DDA execution: Four Hundred Dollars (\$400)]**, which amount will be increased by One Hundred Dollars (\$100) on the tenth (10<sup>th</sup>) Anniversary Date and every ten (10) years thereafter, for each additional Maintenance Notice, if applicable, delivered by Port to Tenant following each inspection. The Parties agree that the charges associated with each inspection of the Premises and delivery of each Maintenance Notice represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises and issuance of each Maintenance Notice. Tenant's failure to comply with the applicable Maintenance Notice and Port's right to impose the foregoing charges is in addition to and not in lieu of any and all other rights and remedies of Port under this Lease. The amounts set forth in this **Section 10.5** are due within five (5) days following delivery of the applicable Maintenance Notice.

Initials: \_\_\_\_\_ Tenant

## **11. IMPROVEMENTS.**

**11.1. Tenant's Obligation to Construct the Initial Improvements.** Construction of the Initial Improvements will be governed by the terms and conditions of the Vertical DDA, and with respect to any other obligations relating to the Deferred Infrastructure, the Coordination Agreement, and subject to (i) this Lease and all applicable Laws, including without limitation, the SUD and the Design Controls, (ii) the Soil Management Plan, (iii) the Mitigation Monitoring and Reporting Program[, and (iv) the Transportation Demand Management Plan]. Any Subsequent Construction will be performed in accordance with **Article 12**.

**11.2. Failure to Timely Construct Initial Improvements.** If Tenant fails to Commence Construction of the Initial Improvements within the time period set forth in Section 12.1(b) of the Vertical DDA, without limiting any other remedies set forth in this Lease or the Vertical DDA, Port may terminate this Agreement in accordance with the procedures outlined in **Sections 25.4(a)** and Schedule 15.3 of the Vertical DDA.

**11.3. Title to Improvements.** During the Term, Tenant will own all of the Improvements within the Premises, including all Subsequent Construction and all appurtenant fixtures, machinery and equipment installed therein (except for Subtenant improvements to the extent owned by any Subtenant pursuant to the applicable sublease, trade fixtures and other personal property of Subtenants). At the expiration or earlier termination of this Lease, title to the Improvements, including appurtenant fixtures (but excluding trade fixtures and other personal property of Tenant and its Subtenants other than Port), will vest in Port without further action of any Party, and without compensation or payment to Tenant. Tenant and its Subtenants will have the right at any time, or from time to time, including, without limitation, at the expiration or upon the earlier termination of the Term, to remove Personal Property from the Premises; provided, however, that if the removal of Personal Property causes material damage to the Premises, Tenant will promptly cause the repair of such damage at no cost to Port.

## 12. CONSTRUCTION.

### 12.1. *Port Approval.*

(a) **Generally.** Tenant will have the right, from time to time during the Term, to construct the Initial Improvements in accordance with the Vertical DDA and perform Subsequent Construction (collectively, "Construction") in accordance with the provisions of this *Article 12*.

(b) **Construction Requiring Port's Prior Approval.** Tenant has the right during the Term to perform Subsequent Construction in accordance with the provisions of this *Article 12*, provided that Tenant cannot perform Subsequent Construction without Port's prior approval, which approval may be withheld by Port in its sole discretion [(i)] to Public Access Areas that would adversely affect public's access, or the use or appearance of such Public Access Areas (other than as reasonably necessary during Subsequent Construction and only on a temporary basis; provided however, any closure of Public Access Areas not reasonably necessary to protect the public or property or to reduce the risk of injury to person or the public during Subsequent Construction will require Port's prior consent) [or (ii) within, on, over, or under the Outfall Infrastructure Area.] **[Note: Only applicable in leases where public access area is required or if Outfall Infrastructure Area located within Premises]**

12.2. **Permits/Design Review/Tenant Improvements.** Tenant must obtain all Regulatory Approvals and all permits required by applicable Law to be obtained from governmental agencies having jurisdiction, including, where applicable, from Port itself. Without limiting the foregoing, Tenant acknowledges that the Initial Improvements and any major alterations or additions (as defined in the Design Controls) and the design review process set forth in Planning Code Section 249.80 (Mission Rock Special Use District), requires review and approval by Port for certain improvements, for consistency with the SUD and Design Controls. Without limiting anything else in this *Article 12*, Port's approval, in its proprietary capacity, will not be required for the installation or alteration of tenant improvements and finishes to prepare portions of the Premises for occupancy or use by Subtenants, provided that the foregoing does not alter Tenant's obligation to obtain any required Regulatory Approvals and permits, including, as applicable, a building permit from Port, in its regulatory capacity.

### 12.3. *Construction Schedule.*

(a) **Performance.** Once commenced, Tenant will prosecute all Construction with reasonable diligence, subject to Force Majeure, and subject to any other applicable provisions regarding timing as set forth in the Vertical DDA and the Coordination Agreement.

(b) **Reports and Information.** During periods of Construction, Tenant will submit to Port written progress reports when and as reasonably requested by Port.

### 12.4. *Construction.*

(a) **Commencement of Construction.** Tenant will not commence any Construction until all the following conditions have been satisfied or waived by Port:

(i) Tenant has obtained and paid for all required building permits (or site permits and necessary addenda) and any other required Regulatory Approvals to commence Construction; and

(ii) If any Bond, sub-guard insurance (or other insurance product), guaranty, or other security is obtained by or for the benefit of Tenant with respect to the payment of any funds or performance obligations associated with the Initial Improvements or any Subsequent Construction, Tenant will cause to have (1) Port named as a co-obligee to any performance and/or payment bond, (2) Port named as an additional insured or third-party beneficiary with respect to any sub-guard or other insurance product, and (3) Port named as an additional beneficiary to any guaranty provided by a guarantor of any Subtenant's obligations

that is granted a Non-Disturbance Agreement in accordance with **Section 18.4**; provided, however, Port's rights under such Bond, insurance product or guaranty will (x) remain subordinate to the rights of any Lender, and (y) not be exercised by Port before an Event of Default.

(b) **Construction Standards.** All Construction will be performed by duly licensed and bonded contractors or mechanics and will be accomplished expeditiously, diligently and in accordance with good construction and engineering practices and applicable Laws.

(c) **Reports and Information.** During periods of Construction, Tenant will submit to Port written progress reports or other reports for the benefit of or requested by the County Assessor when and as reasonably requested by Port or the County Assessor.

(d) **Costs of Construction.** Port will have no responsibility for costs of any Construction and Tenant will pay (or cause to be paid) all such costs.

(e) **Construction Rights of Access.** During any period of Construction, Port and its Agents will have the right to enter areas in which Construction is being performed, on reasonable prior written notice during customary construction hours, subject to the rights of Subtenants, to inspect the progress of the work; provided, however, that Port and its Agents will conduct their activities in such a way to minimize interference with Tenant and its operations to the extent feasible. Nothing in this Lease, however, will be interpreted to impose an obligation upon Port to conduct such inspections or any liability in connection therewith.

(f) **Prevailing Wages.** Any construction, alteration, demolition, installation, maintenance, repair, or laying of carpet at, or hauling of refuse from, the Premises comprise a public work if paid for in whole or part out of public funds. The terms "public work" and "paid for in whole or part out of public funds" as used in this Section are defined in California Labor Code Section 1720 et seq., as amended. Tenant agrees that any person performing labor for Tenant on any public work at the Premises will be paid not less than the highest prevailing rate of wages consistent with the requirements of Section 6.22(E) of the San Francisco Administrative Code, and will be subject to the same hours and working conditions, and will receive the same benefits as in each case are provided for similar work performed in San Francisco County. Tenant will include in any contract for such labor a requirement that all persons performing labor under such contract will be paid not less than the highest prevailing rate of wages for the labor so performed. Tenant will require any contractor to provide, and will deliver to City upon request, certified payroll reports with respect to all persons performing such labor at the Premises.

(g) **Compliance with Workforce Development Plan.** Tenant agrees that it will comply with the applicable provisions of the Workforce Development Plan, which provisions are attached hereto as *Exhibit M*.

**12.5. Safety Matters.** Tenant, while performing any Construction or maintenance or repair of the Improvements (for purposes of this Section only, "Work"), will undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or disruption or damage to adjoining portions of the Premises and Improvements and the surrounding property, or the risk of injury to members of the public, caused by or resulting from the performance of its Work. Tenant will erect appropriate construction barricades to enclose the areas of such construction and maintain them until the Construction has been substantially completed, to the extent reasonably necessary to minimize the risk of hazardous construction conditions.

**12.6. Record Drawings.**

(a) With respect to any Construction requiring a building permit, Tenant will furnish to Port one set of design/permit drawings in their finalized form and Record Drawings with respect to such Construction within ninety (90) days following completion of the applicable

Construction and Port's written notice to Tenant requesting same. Record Drawings must be in the form of full-size, hard paper copies and converted into electronic format as (1) full-size scanned TIF files, and (2) AutoCad files of the completed and updated Record Drawings, as further described below, and in such format as is reasonably required by Port's building department at the time of submittal. As used in this Section "Record Drawings" means drawings, plans and surveys showing the Construction as built on the Premises and prepared during the course of construction (including all requests for information, responses, field orders, change orders and other corrections to the documents made during the course of construction). If Tenant fails to provide such Record Drawings to Port within the time period specified herein, and such failure continues for an additional ninety (90) days following an additional written request from Port, Port will thereafter have the right to cause an architect or surveyor selected by Port to prepare Record Drawings showing such Construction, and the actual, third-party cost of preparing such Record Drawings must be reimbursed by Tenant to Port as Additional Rent. Nothing in this Section will limit Tenant's obligations, if any, to provide plans and specifications in connection with Construction under applicable regulations adopted by Port in its regulatory capacity. Tenant will be permitted to disclaim any representations or warranties with respect to the design/permit drawings, Record Drawings or other plans and specifications provided hereunder, and, at Tenant's request, Port will provide Tenant with a release from liability for future use of the applicable materials, in a form acceptable to Tenant and Port.

(b) **Record Drawing Requirements.** Record Drawings must be no less than 24" x 36", with mark-ups neatly drafted to indicate modifications from the original design drawings, scanned at 400 dpi. Each drawing will have a Port-assigned number placed onto the title block prior to scanning. An index of drawings must be prepared correlating drawing titles to the numbers. A minimum of ten (10) drawings will be scanned as a test, prior to execution of this requirement in full.

(c) **AutoCad Requirements.** The AutoCad files must be contained in Release 2006 or a later version, and drawings must be transcribed onto a compact disc(s) or DVD(s), as requested by Port. All X-REF, block and other referenced files must be coherently addressed within the environment of the compact disc or DVD, at Port's election. Discs containing files that do not open automatically without searching or reassigning X-REF addresses will be returned for reformatting. A minimum of ten (10) complete drawing files, including all referenced files, is required to be transmitted to Port as a test, prior to execution of this requirement in full.

(d) **Changes in Technology.** Port reserves the right to revise the format of the required submittals set forth in this *Section 12.6* as technology changes and new engineering/architectural software is developed.

**12.7. Certification of Total Development Costs.** *Attachment 1 to Exhibit D* includes the provisions to certify Entitlement Costs and Total Development Costs of the Initial Tenant.

### **13. UTILITY AND TELECOMMUNICATIONS SERVICES.**

**13.1. Utility Services.** Tenant acknowledges and agrees that Port, in its proprietary capacity as owner of the Premises and landlord under this Lease, will not provide any utility services to the Premises or any portion of the Premises. In accordance with the requirements under the DDA, the Premises will be served by the Horizontal Improvements constructed by Master Developer, construction of which may occur simultaneously with construction of the Initial Improvements. If Tenant desires to coordinate construction activities with Master Developer or construction of the Initial Improvements with the Horizontal Improvements, Tenant will include such provision in the Coordination Agreement. Tenant, at no cost to Port or the City, will (i) arrange for the provision and construction of all on-site and any off-site utilities necessary to construct, operate and use all of the Improvements and any other portion of the Premises for their intended use, (ii) be responsible for contracting with, and obtaining, all necessary utility and other services, as may be necessary and appropriate to the uses to which all

of the Improvements and the Premises are put (it being acknowledged that City (including its SFPUC) is the sole and exclusive provider to the Premises of certain public utility services), and (iii) maintain and repair all utilities serving the Premises to the point provided by the respective utility service provider (whether on or off the Premises). Tenant also must coordinate with the respective utility service provider with respect to the installation of utility services, including providing advance notice to appropriate parties of trenching requirements.

Tenant will pay or cause to be paid as the same become due, all deposits, charges, meter installation fees, connection fees and other costs for all public or private utility services at any time rendered to the Premises or any part of the Premises, and will do all other things required for the maintenance, repair, replacement, and continuance of all such services. Tenant agrees, with respect to any public utility services provided to the Premises by City, that no act or omission of City in its capacity as a provider of public utility services, will abrogate, diminish, or otherwise affect the respective rights, obligations and liabilities of Tenant and Port under this Lease, or entitle Tenant to terminate this Lease or to claim any abatement or diminution of Rent. Further, Tenant covenants not to raise as a defense to its obligations under this Lease, or assert as a counterclaim or cross-claim in any litigation or arbitration between Tenant and Port relating to this Lease, any Losses arising from or in connection with City's provision (or failure to provide) public utility services, except to the extent to preserve its rights hereunder that failure to raise such claim in connection with such litigation would result in a waiver of such claim. The foregoing will not constitute a waiver by Tenant of any claim it may now or in the future have (or claim to have) against any such public utility provider relating to the provision of (or failure to provide) utilities to the Premises.

Notwithstanding the foregoing, to the extent installed by Master Developer and included in the Master CC&Rs to be recorded against the Premises, Tenant will be required to participate in the districtwide utility systems serving Mission Rock, including, without limitation, procuring recycled water from the district blackwater system and electricity from the district energy system. **[TBC]**

**13.2. Energy Consumption.** **[Note: Applicable for certain leases only.]** Tenant acknowledges and agrees that City has delivered a Disclosure Summary Sheet, Statement of Energy Performance, Data Checklist, and Facility Summary (all as defined in the California Code of Regulations, Title 20, Division 2, Chapter 4, Article 9, Section 1680) for the Premises no less than 24 hours prior to Tenant's execution of this Lease. The Disclosure Summary Sheet is attached as *Schedule 13.2*.

**13.3. Rooftop and Other District-Wide Equipment.**

(a) **Telecommunications Equipment and Satellite Dish.** Tenant will have the right to install Satellite Dish(es) on the roof of the Premises and to sublease such portions to an operator, provided that Tenant (i) complies with all Laws, and (ii) obtains all required Regulatory Approvals. The Parties will cooperate in connection with the location of any Satellite Dish installed pursuant to this *Section 13.3(a)* and the location of any Satellite Dish installed by Port or City pursuant to *Section 13.3(b)(iv)* so as to minimize interference with the systems serviced by such Satellite Dish.

(b) **Other Equipment.**

(i) **Solar.** **[placeholder for any requirements to install Rooftop Solar Thermal connected to District Energy System and Rooftop Solar PV connected to District Microgrid]**

(ii) **District Blackwater System.** **[placeholder for Tenant obligations to install facilities for and participate in district blackwater system]**

(iii) **District Energy System.** **[placeholder for Tenant obligations to install facilities for and participate in district energy system]**

(iv) *Communications Facilities.* Tenant agrees that Port and City have the right to install at no charge, Satellite Dish(es) and other telecommunications facilities reasonably required for Port's or City's operations and/or District-wide programs and systems, including, without limitation, (i) facilities for City's emergency or 700-Mhz and 800-Mhz City-wide radio system communications facilities (or its successor), (ii) public Wi-Fi networks, and (iii) a master cellular network, which may require installation on the roof or exterior of any building within the Premises, provided that Port (a) complies with all Laws, (b) obtains all required Regulatory Approvals, and (c) obtains Tenant's prior reasonable approval with respect to the size, location, dimensions, color, text (if any), screening, reflectivity, and method of installation of the applicable Satellite Dish or telecommunications facility. The installation of any such Satellite Dish(es) and other telecommunications facilities will be at Port's or City's sole cost. If the installation of any such Satellite Dish or other telecommunications facility requires alterations and/or improvements of any portion of the Premises, including, without limitation, the relocation of any photo-voltaic panels or any other Satellite Dish previously installed on the roof of the Premises, such alterations and/or improvements will be at Port's sole cost and expense, and Port will promptly repair, at its sole cost, any damage to the Premises including, without limitation, to any photo-voltaic panels. All aspects and phases of Port's installation, other equipment, wiring, conduit, roof mount and base, will at all times be subject to supervision and approval by Tenant, not to be unreasonably withheld, conditioned or delayed. All approval and supervision rights of Tenant are intended solely to protect Tenant's interests. Port will be responsible for procuring, prior to any installation, and maintaining in force at all times thereafter, any and all Regulatory Approvals as may be required for the lawful installation, use and operation of Port's or City's system. Port will be permitted access to the areas on the roof where any such installation is made, as necessary for the installation, repair, maintenance, and replacement thereof. Any access, interruptions or disturbance for the foregoing purposes will be temporary only. Port's access to the roofs will not unreasonably interfere with or disturb Tenant's or Subtenants' use and enjoyment of the Premises, will be subject to the reasonable building security procedures adopted by Tenant, and will require prior written consent for access occurring during regular business hours (except in cases of emergency). Port's access may be subject to temporary interruption in cases of emergency. Port will promptly repair and restore any damage to persons or property caused as a result of Port's access to and activities on the roof. Port will be solely responsible for all maintenance, utilities and other costs of operation of any such facility installed pursuant to the terms of this *Section 13.3*.

**13.4. *Electricity from SFPUC.*** Section 5.8(f) of the Development Agreement, a copy of which is attached hereto as *Exhibit N*, will govern Tenant's obligation to procure electricity for the Premises from the San Francisco Public Utilities Commission.

**13.5. *Waiver.*** Tenant hereby waives any benefits of any applicable Law, including the provisions of California Civil Code Section 1932(1) permitting the termination of this Lease due to any interruption or failure of utility services. The foregoing does not constitute a waiver by Tenant of any Claim it may now or in the future have (or claim to have) against any public utility provider relating to the provision of (or failure to provide) utilities to the Premises.

#### **14. DAMAGE OR DESTRUCTION.**

##### **14.1. *Damage or Destruction.***

(a) **Tenant to Give Notice.** If at any time during the Term any damage or destruction occurs to all or any portion of the Premises (other than a de minimis portion) from fire or other casualty (each a "Casualty"), Tenant will promptly give telephonic and written notice ("Casualty Notice") thereof to Port generally describing the nature and extent of such Casualty.

(b) **No Effect on Lease.** Except as set forth in *Section 14.3*, this Lease will not terminate or be forfeited or be affected in any manner by reason of Casualty, and Tenant, notwithstanding any law or statute present or future (including without limitation, California

Civil Code Sections 1932(2) and 1933(4)), waives any and all rights to quit or surrender the Premises or any part thereof. Tenant acknowledging and agreeing that the provisions of this **Article 14** will govern the rights and remedies of the Parties in the event of a Casualty. Tenant expressly agrees that its obligations hereunder, including the payment of any and all Base Rent, Additional Rent and any other sums due hereunder, will continue as though said Premises and/or Improvements had not been damaged or destroyed and without abatement, suspension, diminution or reduction of any kind.

**14.2. Restoration Obligation.** In the event of a Casualty, unless Tenant terminates this Lease in accordance with **Section 14.3**, Tenant will commence and diligently Restore the Improvements to the condition they were in immediately before such Casualty in accordance with then applicable Laws (including any required code upgrades), without regard to the amount or availability of insurance proceeds, subject to Force Majeure; provided, however, subject to the rights of Lenders in accordance with **Article 40**, all all-risk coverage insurance proceeds, earthquake and flood insurance proceeds, boiler and machinery insurance proceeds, and any other insurance proceeds paid to Tenant by reason of Casualty (other than business or rental interruption insurance), must be first used by Tenant for Restoration of the Premises. All Restoration must be performed in accordance with the procedures set forth in **Article 12** relating to Construction and at Tenant's sole expense and must be completed within five (5) years following the event of Casualty, subject to Force Majeure. In connection with any Restoration, any Restoration that would otherwise require Port approval under **Section 12.1(b)** will require Port's prior approval subject to the standards set forth in such section. The Restored Improvements must be at least equivalent in quality, appearance, public safety, and durability to the Initial Improvements and provide similar public benefit as the original Initial Improvements, subject to the Permitted Uses.

**14.3. Termination Due to Major or Uninsured Casualty.**

"Major Casualty" means damage to or destruction of all or any portion of the Premises to the extent that the hard costs of Restoration will exceed thirty percent (30%) of the hard costs to replace the Improvements in their entirety. The calculation of such percentage will be based upon replacement costs and requirements of applicable Laws in effect as of the date of the event causing such Major Casualty.

"Uninsured Casualty" means any of the following: (i) a Casualty event occurring at any time during the Term for which the costs of Restoration (including the cost of any required code upgrades) are not insured or insurable under the policies of insurance that Tenant is required to carry under **Article 20** and such costs exceed One Million Dollars (\$1,000,000.00), which amount will be increased by an additional Five Hundred Thousand Dollars (\$500,000.00) on the tenth (10<sup>th</sup>) Anniversary Date and every ten (10) years thereafter, or (ii) a Casualty event occurring at any time during the Term which is covered under Tenant's policies of insurance that Tenant is required to carry under **Article 20** but where the cost of Restoration (including the cost of any required code upgrades) will exceed the sum of (A) the net proceeds of any insurance payable, (B) the amount of any applicable policy deductibles, and (c) One Million Dollars (\$1,000,000.00), which amount will be increased by an additional Five Hundred Thousand Dollars (\$500,000.00) on the tenth (10<sup>th</sup>) Anniversary Date and every ten (10) years thereafter. Any Casualty event not insured due to Tenant's failure to maintain the requisite insurance policies and coverage requirements under **Article 20** will not be considered an Uninsured Casualty.

(a) **Tenant's Election to Terminate.** If an event of Major Casualty or Uninsured Casualty occurs at any time during the Term, then within ninety (90) days following Tenant's delivery to Port of the Casualty Notice, Tenant may, by written notice to Port, terminate this Lease upon satisfaction of all the conditions set forth in **Section 14.3(b)**.

(b) **Conditions to Termination.** As a condition precedent to Tenant's right to terminate this Lease in accordance with **Section 14.3**, unless waived by Port, Tenant will do all of the following:

(i) Unless otherwise requested by Port, in its sole discretion, Tenant will, at its sole cost and expense, Demolish and Remove the Improvements prior to the effective termination date;

(ii) Unless the Improvements are to be demolished as set forth in **Section 14.3(b)(i)**, Tenant will provide Port the estimated cost of Restoration;

(iii) Cure all Tenant monetary Events of Defaults and any Events of Default or Unmatured Events of Default relating to the provisions of **Section 21**;

(iv) Pay in full all-utility charges and Impositions incurred up to and including the effective date of termination;

(v) Maintain all the insurance required to be maintained under **Section 20** until the effective date of termination;

(vi) Pay or cause to be paid the following amounts solely from the insurance proceeds as and to the extent available arising from each Casualty promptly following receipt of such proceeds, in the order required by any senior Mortgage, and if none, in the following order of priority:

(1) First, to Port (or Tenant, if such work is performed by, or on account of, Tenant at its cost) for the actual costs incurred for any work required to alleviate any conditions caused by such Casualty that could cause an immediate or imminent threat to the public safety and welfare or damage to the environment, including any demolition or hauling of rubble or debris;

(2) Second, to Port, for all accrued and unpaid amounts owed to Port under this Lease, if any, by Tenant, up to the effective date of the termination;

(3) Third, to each non-affiliate Lender demanding payment, in order of priority, a portion of the remaining casualty insurance proceeds arising out of or in connection with the Casualty in an amount not to exceed the aggregate amounts that are secured by the applicable non-affiliate Mortgage then owed to each such non-affiliate Lender;

(4) Fourth, to the appropriate governmental or quasi-governmental entity, all Impositions due up to the effective date of termination; and

(5) Fifth, the balance of the proceeds will be divided proportionately between Port, for the value of Port's reversionary interest in the Premises and Improvements (in their condition immediately prior to the Casualty event) as of the date the Term would have expired but for the Casualty event, and Tenant, for the value of the Improvements for the remaining unexpired portion of the Term (in their condition immediately prior to the event of damage or destruction) less any proceeds distributed in repayment of any Mortgages as provided in **Section 14.3(b)(vi)(3)**.

(vii) Upon termination in accordance with this **Section 14.3**, Tenant will deliver possession of the Premises to Port and quitclaim to Port all right, title and interest in the Premises and in any remaining Improvements. Upon such termination, the Parties will be released thereby without further obligation to the other Party as of the effective date of such termination; provided, however, that the Indemnification provisions hereof or any other provision that explicitly survives the expiration or earlier termination of this Lease will survive any such termination with respect to matters arising before the effective date of any such termination.

**14.4. Distribution Upon Lease Termination Due to Tenant Failure to Restore.** If Tenant is obligated to and fails to Restore the Improvements as provided herein and commits an Event of Default in failing to Restore the Improvements and this Lease is thereafter terminated due to such Event of Default, all insurance proceeds remaining after application pursuant to **Section 14.3(b)(vi)(1)—14.3(b)(vi)(4)** will be paid to and retained by Port.

**15. CONDEMNATION.**

**15.1. General; Notice; Waiver.**

(a) **General.** If, at any time during the Term, there is any Condemnation of all or any part of the Premises, including any of the Improvements, the rights and obligations of the Parties will be determined pursuant to this **Article 15**.

(b) **Notice.** In case of the commencement of any proceedings or negotiations which might result in a Condemnation of all or any portion of the Premises during the Term, the Party learning of such proceedings will promptly give written notice of such proceedings or negotiations to the other Party. Such notice will describe with as much specificity as is reasonable, the nature and extent of such Condemnation or the nature of such proceedings or negotiations and of the Condemnation which might result therefrom, as the case may be.

(c) **Waiver.** Except as otherwise provided in this **Article 15**, the Parties intend that the provisions of this Lease will govern their respective rights and obligations in the event of a Condemnation. Accordingly, but without limiting any right to terminate this Lease given Tenant in this **Article 15**, Tenant waives any right to terminate this Lease upon the occurrence of a Partial Condemnation under California Code of Civil Procedure Sections 1265.120 and 1265.130, as such section may from time to time be amended, replaced or restated.

**15.2. Total Condemnation.** If there is a Condemnation of the entire Premises or the Leasehold Estate (a "Total Condemnation"), this Lease will terminate as of the Condemnation Date. Upon such termination, except as otherwise set forth in this Lease, the Parties will be released without further obligations to the other Party as of the Condemnation Date, subject to the payment to Port of accrued and unpaid Rent, up to the Condemnation Date and the provisions that explicitly survive the expiration or earlier termination of this Lease.

**15.3. Substantial Condemnation, Partial Condemnation.** If there is a Condemnation of any portion but less than all of the Premises, the rights and obligations of the Parties will be as follows:

(a) **Substantial Condemnation.** If there is a Substantial Condemnation of a portion of the Premises, this Lease will terminate; at Tenant's option (which must be exercised, if at all, at any time within ninety (90) days after the Condemnation Date by delivering written notice of termination to Port), as of the Condemnation Date, as further provided below. For purposes of this **Article 15**, "Substantial Condemnation" means a Condemnation of (i) less than the entire Premises which renders the Project untenable, unsuitable, or economically infeasible for the Permitted Uses as reasonably determined by Tenant, or (ii) of property located outside the Premises that, in any case, substantially and materially eliminates access to the Premises where no alternative access can be constructed or made available. Notwithstanding the foregoing, Tenant will have no right to terminate this Lease under this **Section 15.3(a)** if the Substantial Condemnation, as the case may be: (x) can be cured by the performance of Restoration (unless such Substantial Condemnation occurs during the last ten (10) years of the Term or if Tenant reasonably anticipates, based upon a schedule of performance for such Restoration prepared with due diligence by Tenant in consultation with Port that at the time of completion of the Restoration, less than ten (10) years would remain in the Term), and (y) the cost of such Restoration does not exceed by at least One Million Dollars (\$1,000,000.00), which amount will be increased by an additional Five Hundred Thousand Dollars (\$500,000.00) on the tenth (10<sup>th</sup>) Anniversary Date and every ten (10) years thereafter, the portion of the Award fairly

allocable to severance damages suffered by Tenant. In such case, this Lease will not terminate, and, upon a determination that the Lease will continue based upon the availability and amount of Award, Tenant will commence and complete such Restoration as promptly as reasonably practicable by using commercially reasonable diligence and pursuant to the provisions of *Article 12* and *Section 15.4*, subject to events of Force Majeure.

(b) **Partial Condemnation.** If there is a Condemnation of any portion of the Premises or the Leasehold Estate which does not result in a termination of this Lease under *Section 15.2* or *Section 15.3(a)* (a "Partial Condemnation"), this Lease will terminate only as to the portion of the Premises taken in such Partial Condemnation, effective as of the Condemnation Date. In the case of a Partial Condemnation, this Lease will remain in full force and effect as to the portion of the Premises (or of the Leasehold Estate) remaining immediately after such Condemnation, and Tenant will promptly commence and complete, subject to events of Force Majeure, any necessary Restoration of the remaining portion of the Premises, at no cost to Port. Any such Restoration will be performed in accordance with the provisions of *Article 12*.

**15.4. Awards.** Except as provided in *Sections 15.5* and *15.6*, Awards and other payments to either Port or Tenant on account of a Condemnation, less costs, fees and expenses of either Port or Tenant (including, without limitation, reasonable Attorneys' Fees and Costs) incurred in the collection thereof ("Net Awards and Payments") will be allocated between Port and Tenant as follows:

- (i) First, to Port for the payment of all unpaid Rent.
- (ii) Second, in the event of a Partial Condemnation, to pay costs of Restoration incurred by Tenant, in which case, the portion of the Net Awards and Payments allocable to Restoration will be payable to Tenant, a Lender, or trustee in accordance with the requirements governing payment of insurance proceeds set forth in *Section 14.3(b)(vi)*;
- (iii) Third, to Port for the value of the condemned land only, subject to the particular uses of the Premises existing immediately prior to the Condemnation Date, and without reference to, or inclusion of, Port's reversionary interest in the value of the Improvements (the "Condemned Land Value");
- (iv) Fourth, to any non-affiliate Lender pursuant to a non-affiliate Mortgage as and to the extent provided therein, for payment of all sums secured by its non-affiliate Mortgage that remain outstanding, together with its reasonable out of pocket expenses and charges in collecting the Net Award and Payment, including without limitation, its reasonable attorneys' fees incurred in the Condemnation.
- (v) Fifth, to Tenant to the extent that the Net Awards and Payments are attributable to Tenant's Leasehold Estate, not including the value of the Improvements for the remaining unexpired portion of the Term to the original scheduled Expiration Date;
- (vi) Sixth, the balance of the Net Awards and Payment will be divided proportionately between Port, for the value of Port's reversionary interest in the Improvements (based on the date the Term would have expired but for the event of Condemnation), and Tenant, for the value of the Improvements for the remaining unexpired portion of the Term to the original scheduled Expiration Date.
- (vii) Notwithstanding anything to the contrary set forth above, any portion of the Net Awards and Payments which has been specifically designated by the condemning authority or in the judgment of any court to be payable to Port or Tenant on account of any interest in the Premises or the Improvements separate and apart from the value of Port's reversionary interest in the land and Improvements, the Leasehold Estate, or the value of the Improvements on the Premises for the remaining unexpired portion of the Term, will be paid to Port or Tenant, as applicable, as so designated by the condemning authority or judgment.

**15.5. Temporary Condemnation.** If there is a Condemnation of all or any portion of the Premises for a temporary period lasting less than the remaining Term, other than in connection with a Substantial Condemnation or a Partial Condemnation of a portion of the Premises for the remainder of the Term, this Lease will remain in full force and effect, there will be no abatement of Rent, and the entire Award will be payable to Tenant.

**15.6. Relocation Benefits, Personal Property.** Notwithstanding *Section 15.4*, Port will not be entitled to any portion of any Net Awards and Payments payable in connection with the Condemnation of the Personal Property of Tenant or any of its Subtenants.

**16. LIENS.**

**16.1. Liens.** Tenant will not create or permit the attachment of, and will promptly discharge at no cost to Port, any lien, security interest, or encumbrance on the Premises or the Leasehold Estate, other than (i) this Lease, permitted Subleases, and Permitted Title Exceptions, (ii) liens for non-delinquent Impositions (excluding Impositions which may be separately assessed against the interests of Subtenants or are being contested in accordance with *Article 4*), and (iii) Mortgages.

**16.2. Mechanics' Liens.** Tenant will keep the Premises and the Leasehold Estate free from any liens arising out of any work performed, materials or services furnished, or obligations incurred by Tenant or any of its Agents. Tenant will provide thirty (30) days' advance written notice to Port of any Subsequent Construction to allow Port to post a notice of non-responsibility on the Premises. If Tenant does not, within sixty (60) days following the imposition of any such lien, cause the same to be released of record or post a bond or take such other action reasonably acceptable to Port, it will constitute an Event of Default, and Port will have, in addition to all other remedies provided by this Lease or by Law, the right but not the obligation to cause the same to be released by such means as it deems proper, including payment of the claim giving rise to such lien. All sums paid by Port (including interest at the Default Rate computed from the date of payment) for such purpose and all expenses incurred by Port in connection therewith must be reimbursed to Port by Tenant within ten (10) days following demand by Port. Port will include with its demand, supporting documentation.

**17. DEPOSITS.**

**17.1. Base Rent Deposit.** **[Note: Not applicable for fully pre-paid leases]**

(a) On or before the Commencement Date, Tenant will pay to Port in addition to Base Rent, a security deposit (as adjusted from time to time, the "Base Rent Deposit") for the Premises in the amount set forth in the Basic Lease Information. The Base Rent Deposit will be increased on each Adjustment Date so that the Base Rent Deposit held by Port always equals no less than twice the monthly installment of Base Rent. Tenant will deliver to Port within five (5) days following each Adjustment Date, the difference between the Base Rent Deposit currently held by Port and increased Base Rent Deposit.

(b) Tenant agrees that Port may, but will not be required to, apply the Base Rent Deposit in whole or in part to (i) remedy any failure by Tenant to pay Rent as and when due, (ii) cure, or attempt to cure, any Event of Default by Tenant in the performance of the terms, covenants and conditions of this Lease, (iii) repair, or attempt to repair, any damage to the Premises caused by Tenant, its Subtenants, Agents or Invitees, or (iv) compensate Port for any expense incurred or damage caused by Tenant, its Subtenants, Agents, or Invitees.

**17.2. Environmental Financial Performance Deposit.** On or prior to the commencement of any Sublease with a Subtenant that will engage in activities on the Premises involving the use of Hazardous Materials (other than (a) standard building materials and equipment that do not contain asbestos or asbestos-containing materials, lead or polychlorinated biphenyl (PCBs), and (b) janitorial or office supplies or materials in such amounts as are customarily used for general office, residential, or commercial purposes so long as such

Handling is at all times in compliance with all Environmental Laws), Tenant will deliver to Port an amount determined by Port to be reasonable additional security for any increased environmental liabilities to Port arising out of the Subtenant's specific use of non-Excepted Hazardous Materials at the Premises (the "Environmental Financial Performance Deposit") as additional collateral for the full and faithful performance by Tenant of its obligations under **Article 21**. Port's determination of the amount of the Environmental Financial Performance Deposit will be consistent with the Port Commission's adoption of the Environmental Risk Policy and Financial Assurance Requirements for Real Property Agreements on [Note: update as necessary: November 13, 2007, pursuant to Resolution No. 07-81, as may be amended or updated from time to time] (the "Port Environmental Risk Policy"). In the event Port determines in its sole but reasonable discretion that any proposed change(s) to Tenant's (or its Subtenants') use and operation of Hazardous Materials (other than Excepted Hazardous Materials) on the Premises increase Port's risk of Loss, then prior to commencement of such Sublease, Port may require Tenant to increase the Environmental Financial Performance Deposit in a manner consistent with the Port Environmental Risk Policy. Port also has the right to increase every five (5) years the amount of the Environmental Financial Performance Deposit in a manner consistent with the Port Environmental Risk Policy if Port reasonably believes after review of Tenant's and Subtenants' use and operation of Hazardous Materials (other than Excepted Hazardous Materials) that the then current amount is insufficient.

### **17.3. Environmental Oversight Deposit.**

(a) If Tenant is required to provide an Environmental Financial Performance Deposit in accordance with **Section 17.2**, then prior to commencement of the Sublease necessitating such deposit, Tenant will also deliver to Port an environmental oversight deposit ("Environmental Oversight Deposit") in cash, in an amount equaling [Note: Adjust if Port Commission increases this amount for all new leases: Ten Thousand Dollars (\$10,000)], as security for Port's recovery of costs of inspection, monitoring, enforcement, and administration of Tenant's performance of its obligations under **Article 21**.

(b) Port at its option may demand reimbursement from Tenant within five (5) business days following demand, or use, apply, or retain the Environmental Oversight Deposit in whole or in part to reimburse Port, for Port's costs incurred if an Environmental Regulatory Agency delivers a notice of violation or order regarding a Hazardous Material Condition ("Environmental Notice") to Tenant and either: (i) the actions required to cure or comply with the Environmental Notice cannot be completed within fourteen (14) days after its delivery; or (ii) Tenant has not begun to cure or comply with the Environmental Notice or is not working actively to cure or comply with the Environmental Notice within fourteen (14) days after its delivery. Under these circumstances, Port's costs may include staff time corresponding with and responding to Regulatory Agencies, Attorneys' Fees and Costs, and inspection, collection, and laboratory analysis of environmental samples and monitoring the Hazardous Material Condition.

(c) If an Environmental Notice is delivered to Tenant, and Tenant has cured or complied with the Environmental Notice within fourteen (14) days after its delivery, Port at its option may demand payment from Tenant within five (5) days following demand, or apply the sum of [Note: amount to increase by \$50 every 5 years after DDA execution: Five Hundred Dollars (\$500)] (which amount will be increased by One Hundred Dollars (\$100) on the tenth (10<sup>th</sup>) anniversary of the Commencement Date and every ten years thereafter) from the Environmental Oversight Deposit, as Additional Rent for each Environmental Notice delivered to Tenant to reimburse Port for its administrative costs.

### **17.4. Generally.**

(a) The Base Rent Deposit, Environmental Financial Performance Deposit (if any) and the Environmental Oversight Deposit (if any), are collectively referred to as the "Security Deposit." Tenant will not be entitled to any interest on the Security Deposit.

(b) The amount of the Security Deposit will not be deemed to limit Tenant's liability for the performance of any of its obligations under this Lease nor be a measure of Port's damages upon an Event of Default. Port may apply the Security Deposit as provided herein without waiving any of Port's other rights and remedies hereunder or at Law or in equity.

(c) The Security Deposit will not be deemed an advance of Rent, an advance of any other payment due to Port under this Lease, or a security deposit subject to the California Civil Code.

(d) Should Port use any portion of the Security Deposit, Tenant must replenish the Security Deposit to the full extent of the required amount within five (5) business days following Port's demand.

(e) Port's obligations with respect to the Security Deposit are those of a debtor and not a trustee. Port will not be required to keep the Security Deposit separate from its general funds.

(f) Upon the expiration or earlier termination of this Lease, Port will return the unused balance of the Security Deposit to Tenant (less any amounts then due and payable from Tenant to Port under this Lease) within thirty (30) days after Tenant surrenders possession of the Premises to Port.

(g) Tenant may satisfy its obligations under *Sections 17.2 and 17.3* by providing to Port a letter of credit naming Port as a joint beneficiary (with Tenant) under a letter of credit which permits Port to draw directly on such letter of credit in the amount of any Environmental Financial Performance Deposit and Environmental Oversight Deposit which may be required in connection with a Sublease authorizing the Subtenant to engage in activities on the Premises involving the use of Hazardous Materials as specified in *Section 17.2*.

## **18. ASSIGNMENT AND SUBLETTING.**

### **18.1. Transfer.**

#### **(a) Additional Definitions.**

"Assignment" means an assignment, conveyance, hypothecation, pledge (other than a pledge in connection with any mezzanine financing which will not require prior Port approval), or otherwise transfer all or any of Tenant's interest in this Lease or Leasehold Estate.

"Control" means with respect to any Person (a) the possession, directly or indirectly, of the power to direct or cause the direction of the day to day management, policies or activities of such Person whether through ownership of voting securities, by contract or otherwise (excluding customary limited partner or non-managing member approval rights, or (b) the ownership (direct or indirect) of more than fifty percent (50%) of the profits or capital of another Person, or (c) the ownership (direct or indirect) of more than fifty percent (50%) of the ownership interest of such Person (whether shares, partnership interests, membership interest or other equity, and whether one or more classes thereof). "Controlled" and "Controlling" have correlative meanings.

"Excluded Transfer" means any of the following: (a) the exercise of customary remedies under mezzanine financing of Tenant or any constituent owner thereof; (b) the exercise of customary limited partner or non-managing member remedies under a partnership or limited liability company operating agreement, as applicable; (c) a change resulting from death or legal incapacity of a natural person; or (d) the sale, transfer or issuance of less than the Controlling interest of stock listed on a nationally or internationally recognized stock exchange in a single transaction or a related series of transactions.

"Managing Party" means, with respect to any Person, both (a) the possession, directly or indirectly, of the power to direct or cause the direction of the day-to-day management, policies or activities of Tenant (excluding customary limited partner or non-managing member approval

rights) and (b) the ownership (direct or indirect) of more than ten percent (10%) of the profits or capital of Tenant.

**"Minimum Net Worth Amount"** means Twenty-Seven Million Five Hundred Thousand Dollars (\$27,500,000.00), which amount will increase by ten percent (10%) on the tenth (10th) anniversary of the Commencement Date and every ten (10) years thereafter. **[NOTE: \$27.5 million to increase by 5% every 5 years after DDA execution]**

**"Net Worth Guarantor"** means a Person, in combination with Tenant or the proposed transferee, satisfying the Net Worth Requirement that is the guarantor under the Net Worth Guaranty.

**"Net Worth Guaranty"** means a guaranty of performance of all the obligations under this Lease, in an amount not to exceed the Net Worth Requirement (less the net worth of Tenant or the proposed transferee), and otherwise in form and substance reasonably satisfactory to Port, delivered to Port by a Person, in combination with Tenant or the proposed transferee, satisfying the Net Worth Requirement.

**"Net Worth Requirement"** means, with respect to a proposed transferee, the proposed transferee has (a) prior to issuance of a Certificate of Completion, a net worth (inclusive of its equity in the Property) equal to at least the Minimum Net Worth Amount, less any debt to be secured by (i) the proposed transferee's interest in the Premises or Leasehold Estate, or (ii) a pledge of the proposed transferee's ownership interest, or (b) following the issuance of a Certificate of Completion, a net worth (inclusive of its equity in the Property) equal to or at least the lesser of (i) Minimum Net Worth Amount and (ii) thirty percent (30%) of the fair market value of the Premises, in each case.

**"Qualified Transferee"** means any transferee that satisfies each of the following criterion: (1) has, or has engaged a property manager with at least ten (10) years' experience operating **[use for commercial leases: major commercial projects]** **[use for residential leases: residential projects]**; (2) satisfies the Net Worth Requirement; and (3) is subject to jurisdiction of the courts of the State.

**"Significant Change"** means any change in the direct or indirect ownership of Tenant that results in a change in Control of Tenant provided, however, in no event will any Excluded Transfer be deemed a Significant Change.

**"Transfer"** means an Assignment and Significant Change.

(b) **Conditions to Transfer Before Certificate of Completion.** Subject to **Sections 18.1(e), 18.1(h), 18.1(i)**, before Port's issuance of a Certificate of Completion, Tenant will not (A) suffer or permit any Significant Change to occur, or (B) consummate an Assignment without the prior written consent of Port, which consent may not be unreasonably withheld by Port if each of the following conditions is satisfied:

(i) In the case of an Assignment only, the proposed transferee executes and delivers an Assignment and Assumption Agreement in substantially the form attached to the VDDA as ***Exhibit R*** if the VDDA is still in effect, or ***Exhibit O*** attached hereto if Port has issued a Certificate of Completion (each an "Assignment and Assumption Agreement"), which Assignment and Assumption Agreement must contain:

(1) an express assumption by the proposed transferee, for itself and its successors and assigns, and expressly for the benefit of Port, of all of the obligations of Tenant arising from or after the effective date of the Transfer under this Lease, the Vertical DDA if in effect, and any other agreements or documents entered into by and between Port and Tenant pursuant to this Lease directly relating to the Project, and an express agreement by the proposed transferee to be subject to all of the conditions and restrictions to which Tenant is subject;

(2) a representation by the proposed transferee that it has conducted a thorough investigation and due diligence of the Improvements, including the condition of the real property, of all Material Systems, the roof and structural integrity of the Improvements, and if the Transfer occurs after the twentieth (20th) anniversary of the Commencement Date, has reviewed the most recent Facilities Condition Report prepared by Tenant; and

(3) a release by the proposed transferee of the Indemnified Parties and the State Lands Indemnified Parties and waiver of any and all Losses against the Indemnified Parties and the State Lands Indemnified Parties for the condition of the Improvements or the real property or any claims assignor may have against the Indemnified Parties arising prior to the effective date of the Transfer.

(ii) In the case of a Significant Change only, Tenant delivers to Port, a certificate setting forth the purchaser or purchasers of the ownership interest resulting in the Significant Change, purchase price of such interest, any Net Sales Proceeds owed to Port, and a reaffirmation from Tenant that it will continue to be obligated under all the terms and conditions of this Lease, all certified by Tenant's chief financial officer as true, accurate, and complete, the form of which is attached hereto as *Exhibit P* ("Significant Change Certificate");

(iii) All instruments and other legal documents involved in effectuating the Transfer reasonably requested by Port, including all documentation necessary for Port to confirm the amount of Port's share of Transfer Proceeds, has been submitted to Port for its review and reasonable approval, or at the request of Tenant, such documents are made available for Port's review at Tenant's office in San Francisco;

(iv) There is no Event of Default or Unmatured Event of Default on the part of Tenant under this Lease or any of the other documents or obligations to be assigned to the proposed transferee where Tenant or proposed transferee have not made provisions to cure the applicable default, which provisions are satisfactory to Port in its sole discretion;

(v) If the effective date of the Transfer is prior to Port's issuance of a Certificate of Completion, there is no Developer Event of Default or an Unmatured Developer Event of Default (as such terms are defined in the Vertical DDA) on the part of Developer under the Vertical DDA, where Tenant or the proposed transferee has not made provisions to cure the default, which provisions are satisfactory to Port;

(vi) Subject to *Section 18.1(b)(vii)*, (1) in the case of a Significant Change, Tenant must be a Qualified Transferee immediately following the consummation of such Significant Change; and (2) in the case of an Assignment, the proposed transferee is a Qualified Transferee;

(vii) If Tenant (in the case of a Significant Change) or proposed transferee (in the case of an Assignment) does not satisfy the Net Worth Requirement, Tenant or the proposed transferee, as applicable, will have the right to deliver a Net Worth Guaranty in lieu of satisfying the Net Worth Requirement. Under the Net Worth Guaranty, the Net Worth Guarantor, among other things, will:

(1) guaranty performance of all of Tenant's obligations under this Lease in an amount not to exceed the Net Worth Requirement;

(2) covenant that it will throughout the term of the Net Worth Guaranty, maintain the Net Worth Requirement; and

(3) provide Port as of the first day of each calendar year, a statement certified by its chief financial officer, or if the Net Worth Guarantor is an individual, a certified public accountant, that the Net Worth Guarantor continues to meet the Net Worth Requirement and that to his/her actual knowledge, he/she is not aware of any facts that would cause the Net Worth Guarantor to not meet the Net Worth Requirement.

The Net Worth Guaranty will otherwise be in form and substance reasonably satisfactory to Port. The Net Worth Guaranty will terminate when the Tenant benefiting from the Net Worth Guaranty meets the Net Worth Requirement. Tenant and the Net Worth Guarantor will provide Port with (or make available to) its financial statements and other information necessary to substantiate its position that it meets the Net Worth Requirement and that the Net Worth Guaranty should terminate.

(viii) Tenant provides to Port an estoppel certificate substantially in the form attached hereto as **Exhibit Q**, which estoppel certificate will be effective as of the effective date of Transfer;

(ix) Port receives on or prior to the effective date of Transfer (A) Port's share of Net Sale Proceeds, as described in **Section 3.6 of Exhibit D**, and (B) a settlement statement relating to the Transfer or other evidence, reasonably satisfactory to Port, of Port's share of Net Sales Proceeds; and

(x) Port receives on or prior to the effective date of Transfer sufficient funds to reimburse Port for its Attorneys' Fees and Costs to review the proposed Transfer provided, however, if Port has not delivered to Tenant an invoice for Attorneys' Fees and Costs prior to the effective date of Transfer, Tenant will reimburse Port for same within ten (10) business days of receipt of such invoice.

(c) **Transfer After Certificate of Completion.** From and after Port's issuance of a Certificate of Completion, Tenant may Transfer without the prior consent of Port so long as:

(i) in the case of a Significant Change, Tenant is a Qualified Transferee immediately following the consummation of such Significant Change: or

(ii) in the case of an Assignment, the proposed transferee is a Qualified Transferee; provided, however, if Tenant (in the case of a Significant Change) or proposed transferee (in the case of an Assignment) does not satisfy the Net Worth Requirement, Tenant or the proposed transferee, as applicable, will have the right to deliver a Net Worth Guaranty in lieu of satisfying the Net Worth Requirement in accordance with **Section 18.1(b)(vii)**;

(iii) Tenant provides Port prior notice before the effective date of the Transfer;

(iv) in the case of an Assignment, within thirty (30) days after such Assignment, Tenant delivers an Assignment and Assumption Agreement to Port, executed by transferor and the transferee; and

(v) in the case of a Significant Change, within thirty (30) days after such Significant Change, Tenant delivers a Significant Change Certificate to Port.

(d) **No Limitation.** It is the intent of this Lease, to the fullest extent permitted by Law and equity that no Transfer of this Lease, or any interest therein, however consummated or occurring, and whether voluntary or involuntary, may operate, legally or practically, to deprive or limit Port of the benefits under this Lease or any rights or remedies or controls provided in or resulting from this Lease with respect to the Premises that Port would have had, had there been no such Transfer

(e) **Mortgaging of Leasehold.** Notwithstanding anything herein to the contrary, at any time during the Term, Tenant has the right, without Port's consent, to sell, assign, encumber or transfer its interest in this Lease to a Lender or other purchaser in connection with the exercise of remedies under the provisions of a Mortgage, subject to the limitations, rights and conditions set forth in **Article 40** hereof.

(f) **Limitation on Liability.** From and after an Assignment of all of the transferor's interest in this Lease or Leasehold Estate, the transferor will be released from all

obligations and liability under this Lease to the extent first arising after the date of such Assignment. In no event will the transferor be liable for a new default first arising after the date of such Assignment. The effectiveness of any Assignment hereunder is not in any way to be construed to relieve the transferor tenant of any liability arising out of or with regard to the performance of any covenants or obligations to be performed by the transferor tenant hereunder before the date of such Assignment. In connection with any such Assignment, upon request from the transferor, Port will execute documentation evidencing the foregoing release of obligations and liabilities in the form as set forth in the attached *Exhibit O* provided, failure to do so will not invalidate or limit the effect of the release set forth in this Section.

(g) **Notice of Significant Changes; Reports to Port.** Tenant will promptly notify Port of any and all Significant Changes. At such time or times as Port may reasonably request, Tenant must furnish Port with a statement, certified as true and correct by an officer of Tenant, setting forth all of the constituent members of Tenant and the extent of their respective holdings, and in the event any other Persons have a beneficial interest in Tenant, their names and the extent of such interest.

(h) **Assignment to Accommodate Sale of Low-Income Housing Tax Credits.** Notwithstanding anything to the contrary set forth herein, Port's consent will not be required in the event of a Transfer to an entity solely for the purpose of taking advantage of the Low Income Housing Tax Credit, as applicable, subject to all of the following conditions: (i) at least thirty (30) days prior to such Transfer, Tenant furnishes Port with the name of the proposed assignee, together with evidence reasonably satisfactory to Port indicating that the proposed Transfer is solely for the purpose of taking advantage of the Low Income Housing Tax Credit, as applicable; and (ii) the conditions set forth in *Sections 18.1(b)(i)—18.1(b)(viii), and 18.1(b)(x)* have all been met.

(i) **Transfers Not Requiring Port Consent Before Certificate of Completion.** Notwithstanding anything to the contrary set forth herein, Port's consent will not be required in the event of a Transfer to a Tenant Affiliate or a Significant Change in which there is no change of the Managing Party of Tenant, subject to all of the following conditions: (i) at least five (5) business days prior to such Transfer, Tenant provides notice thereof to Port; and (ii) the conditions set forth in *Section 18.1(b)(i)—18.1(b)(viii) and 18.1(b)(x)* have all been met.

**18.2. Assignment of Rents.** Tenant hereby assigns to Port all rents and other payments of any kind, due or to become due from any present or future Subtenant as security for Tenant's obligations hereunder prior to actual receipt thereof by Tenant; provided, however, the foregoing assignment will be subject and subordinate to any assignment made to a Lender under *Article 40* until such time as Port has terminated this Lease (subject to the Port's agreement to enter into a New Lease with Lender and all other provisions of this Lease protecting Lender's interests in this Lease), at which time the rights of Port in all rents and other payments assigned pursuant to this *Section 18.2* will become prior and superior in right; provided, further, any rents collected by any Lender from any Subtenants pursuant to any assignment of rents or subleases made in its favor will promptly remit to Port the rents so collected (less the actual cost of collection) to the extent necessary to pay Port any Rent, including any and all Additional Rent, through the date of termination of this Lease.

**18.3. Subletting by Tenant.**

(a) **Qualifying Subleases.** Tenant has the right to sublet all or any portion of the Improvements to one or more Subtenants by written Subleases from time to time without the necessity of obtaining the prior written consent of Port for each applicable Sublease upon satisfaction of all the conditions set forth in this *Section 18.3(a)*:

(i) The Sublease (and any further sub-subleases of the Sublease Space) are all subject to the terms and conditions of this Lease and the terms and conditions of the Sublease and further sub-subleases are consistent with the provisions of this Lease, provided

that Subtenants need not be obligated for Restoration, and, provided further that the Subtenant need not be obligated to undertake any obligations with respect to the Subleased Space that is Tenant's obligation under such Sublease;

(ii) The term of the Sublease does not extend beyond the Term;

(iii) The Sublease rental rates reflect an arms-length transaction at fair market rents for subleases as reasonably determined by Tenant, taking into account, among other things, market conditions, vacancy rates, tenant mix, preferred amenities, creditworthiness of the subtenant and other factors that prudent institutional landlords of buildings of comparable age, size, type and use located in San Francisco would use to determine Sublease rental rates;

(iv) If the Sublease is for property management services at the Premises, (including to a Tenant Affiliate without regard to the provisions of *Section 18.3(b)*), then the size of the Sublease space is comparable to the size of property management offices for buildings of institutional landlords that are of comparable age, size, type and use located in San Francisco, and the Sublease rental rates reflect an arms-length transaction at fair market rents as reasonably determined by Tenant;

(v) The Sublease contains an Indemnification and waiver of claims provision benefitting Port that is substantially and materially the same as *Article 19* except that the term "Tenant" in such provision means "Subtenant" and Subtenant's obligation to Indemnify Port from any Losses arising outside the Premises will be limited to Losses arising from the acts or omissions of Subtenant or its Agents;

(vi) The Sublease requires that under all liability and other insurance policies, **"THE CITY AND COUNTY OF SAN FRANCISCO, THE SAN FRANCISCO PORT COMMISSION AND THEIR OFFICERS, AGENTS, EMPLOYEES AND REPRESENTATIVES"** are additional insureds by written endorsement and acknowledging Port's rights to demand increased coverage to normal amounts consistent with the Subtenant's business activities on the Premises;

(vii) Subject to the rights of any Lender, the Sublease requires Subtenant to pay the Sublease rent and other sums due under the Sublease directly to Port upon receiving written notice from Port that an Event of Default has occurred;

(viii) The Sublease requires the Subtenant to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease;

(ix) The Sublease contains a provision similar to *Article 39* (Right to Enter) requiring Subtenant to permit Port to enter its Subleased Space for the purposes specified in *Article 39*;

(x) The Sublease contains a provision similar to *Article 31* (Tenant Estoppel) requiring Subtenant, from time to time, to provide Port an estoppel certificate substantially similar to the form attached hereto as *Exhibit R*;

(xi) The Sublease requires Subtenant to comply with the City and Port Requirements set forth in *Article 45*;

(xii) The Sublease contains a provision that if for any reason whatsoever this Lease is terminated, unless Port has agreed otherwise in a Non-Disturbance Agreement between Port and the Subtenant, such termination will result in the automatic termination of the Sublease and any existing subleases for the Subleased Space; and

(xiii) **[Note: Applicable only where there is Required Use]** Entering into the applicable Sublease would not cause Tenant to fall below the Minimum Public Benefit Area or prevent the use of the Premises for the Required Use.

(b) **Sublease with Tenant Affiliate Requires Port Approval.** All Subleases (i) with a Tenant Affiliate; (ii) Controlled by Tenant or a Tenant Affiliate; or (iii) owned either directly or indirectly by Tenant or a Tenant Affiliate, require the prior written consent of Port, which consent may not be unreasonably withheld if the Sublease is on rental rates that reflect an arms' length transaction at fair market rents, as reasonably determined by Port.

(c) **Required Sublease Information.** Within fifteen (15) days of executing any Sublease, Tenant must provide Port with all information related to such Sublease necessary for Port to comply with Administrative Code Sections 23.38 and 23.39 (or any successor statute).

**18.4. *Non-Disturbance of Subtenants and Attornment.***

(a) **Generally.** Subject to the provisions of this *Section 18.4*, from time to time upon the request of Tenant, Port will enter into agreements with Subtenants providing generally, with regard to a given Sublease, that in the event of any termination of this Lease resulting from an Event of Default, Port will not terminate or otherwise disturb the rights of the Subtenant under such Sublease, but will instead honor such Sublease as if such agreement had been entered into directly between Port and such Subtenant ("**Non-Disturbance Agreements**").

(b) **Conditions for Issuance of Non-Disturbance Agreements.** Port will enter into a Non-Disturbance Agreement with a particular Subtenant if all of the following conditions are satisfied:

(i) The applicable Sublease is for a term of at least five (5) years (not including any renewal terms);

(ii) The applicable Sublease Space is comprised of at least 10,000 rentable square feet;

(iii) The performance by Tenant of its obligations under such Sublease will not cause an Event of Default to occur under this Lease;

(iv) The applicable Sublease term, including options, does not extend beyond the scheduled Term;

(v) The applicable Sublease complies with all the conditions of *Section 18.3(a)*;

(vi) The Subtenant agrees that in the event this Lease expires, terminates or is canceled during the term of the Sublease, the Subtenant will attorn to Port (provided Port agrees not to disturb the occupancy or other rights of the Subtenant and to be bound by the terms of the Sublease, except as otherwise set forth in the Non-Disturbance Agreement), and the Sublease will be deemed a direct lease between the Subtenant and Port, except that any subleases entered into by Subtenant (or its subtenants) for the Sublease Space will be terminated and Port will not be:

(1) liable to the Subtenant for any security deposit or prepaid rent or other charges previously paid by such Subtenant to Tenant unless such deposits, rent or charges are transferred to Port;

(2) bound by any indemnification obligations or any waivers and releases made by the sublandlord in the Sublease for the benefit of Subtenant or any other party;

(3) bound by any requirement or obligation of the sublandlord under the Sublease to pay any (A) unpaid or unreimbursed tenant improvement allowance (provided, however, if the Subtenant incurs costs after termination of this Lease that are reimbursable from any remaining and unpaid tenant allowance ("**Reimbursable Subtenant Costs**"), then so long as Subtenant is not in default under the Sublease, Subtenant may receive a rent credit of up to fifty percent (50%) of the monthly base rent then payable until the Reimbursable

Subtenant Costs are fully reimbursed, as further refined and agreed to between the parties in the Non-Disturbance Agreement), or (B) liquidated damages;

(4) bound by any Subtenant right of first offer to purchase, first negotiation to purchase or first refusal to purchase Tenant's interest in the Subleased Premises;

(5) bound by any Sublease term, including options to renew, that extend beyond the expiration date of this Lease;

(6) liable to Subtenant for any indirect, consequential, incidental, punitive or special damages;

(7) bound by any limitation on Subtenant's obligation to indemnify any sublandlord parties based on Subtenant's insurance coverage;

(8) bound by any limitation on sublandlord's ability to transfer its interest in the Sublease (including any requirement to deliver prior notice to Subtenant or obtain Subtenant's prior approval); and

(9) bound by any requirement or obligation to keep records or documents confidential that violates the Public Records Act or the City's Sunshine Ordinance.

(vii) During the continuance of any Event of Default, Port may, in its sole discretion, withhold or condition its agreement to provide a Non-Disturbance Agreement on the cure of such default as Port may specify either in a notice of default given under *Section 24.1* or in a notice withholding or conditioning its agreement to provide a Non-Disturbance Agreement;

(viii) Concurrently with its request for a Non-Disturbance Agreement from Port, Tenant will submit to Port:

(1) an electronic copy of the Sublease in the form to be executed in Microsoft Word format (or other comparable format),

(2) a summary of basic terms of the Sublease,

(3) an electronic draft of a Non-Disturbance Agreement in Microsoft Word format (or other comparable format), redlined against the form required by *Section 18.4(d)*,

(4) a statement certifying that the Sublease satisfies all the conditions and requirements set forth in *Section 18.3(a)* including that the Sublease rental rates reflect an arms-length transaction at fair market rents as reasonably determined by Tenant, and the proposed Non-Disturbance Agreement complies with all the conditions and requirements set forth in *Section 18.4(b)*, and

(5) an executed Tenant estoppel certificate substantially in the form attached hereto as *Exhibit Q*, and Tenant will certify as of the effective date of the Non-Disturbance Agreement that the certifications made by Tenant in the estoppel certificate remains unchanged; and

(6) all relevant information requested by Port including reasonable financial information establishing the ability of the proposed Subtenant to perform its contemplated obligations under such Sublease, and relevant information concerning the business character and operating history of the proposed Subtenant; provided however, in lieu of submitting the Subtenant's financial information to Port, Tenant may make such information available for review (but not duplication) at Port's office or at Tenant's office in the City of San Francisco.

(ix) Tenant deposits sufficient funds to reimburse Port for its Attorneys' Fees and Costs to review the proposed Non-Disturbance Agreement (which, for

avoidance of doubt, includes any additional administrative fees, or outside counsel or contractors engaged by Port to review such request for a Non-Disturbance Agreement);

(x) Subtenant agrees that notwithstanding any Non-Disturbance Agreement, the Sublease will terminate as of the Lease termination date (1) if the Lease terminates (A) as a result of Tenant exercising its Termination Option due to change in Laws, as further described in *Section 7.3*, or (B) in the event of Casualty or Condemnation, as further described in *Articles 14 and 15*, or (C) as a result of Tenant exercising its termination option for certain Remediation obligations during the last ten (10) years of the Term, as further described in *Section 21.4(d)*; or (2) if there is an uncured Subtenant event of default, giving effect to any notice and cure period provided therein (which agreement will be evidenced by acceptance of a Non-Disturbance Agreement reflecting the matters described in this *Section 18.4(b)(x)*);

(xi) If a guarantor guaranties any Subtenant obligation under the Sublease, Port will be named as an additional beneficiary to such guaranty; provided, however, Port's rights under such guaranty will not be effective until termination of this Lease; and

(xii) The applicable Sublease will provide that the Subtenant will deliver to Port as of the Master Lease termination date or promptly following request by Port an executed estoppel certificate, substantially in the form attached hereto as *Exhibit R*, certifying as of the Lease termination date, among other things: (A) that the Sublease, including all amendments, is attached thereto and is unmodified, except for such attached amendments, and is in full force and effect, as so amended, or if such Sublease is not in full force and effect, so stating, (B) which amendments, if any, to the Sublease have been previously approved by Port in writing, including the dates of approval, (C) the dates, if any, to which any rent and other sums payable thereunder have been paid, (D) that the Subtenant is not aware of any Tenant defaults under the Sublease which have not been cured, except as to defaults specified in said certificate, and (E) that the Subtenant is not aware of any Subtenant defaults which have not been cured.

(c) **Copy of Sublease.** To the extent a Sublease has been provided to Port in connection with a request for a Non-Disturbance Agreement, Tenant will provide Port a true and complete copy of the executed Sublease and summary of the Sublease basic terms attached to the Tenant estoppel certificate, in accordance with *Section 18.4(b)(viii)(5)* within five (5) business days after the execution thereof, which Sublease will contain substantially the same (or more favorable to the landlord) business terms as in the form of Sublease, statement, and other information previously provided to Port.

(d) **Form of Non-Disturbance Agreement.** Each Non-Disturbance Agreement will be substantially in the form of *Exhibit S* and, if not in such form, will be in form and substance agreed upon by Tenant and Port, not to be unreasonably withheld by either Party. With each request for a Non-Disturbance Agreement, Tenant will submit a copy of the form, showing any requested interlineations or deletions.

(e) **Response Period.**

(i) Port will respond to any request for a Non-Disturbance Agreement within fifteen (15) business days after receipt of all the materials described in *Section 18.4(b)(viii)*; provided, however, if Tenant requests three (3) or more Non-Disturbance Agreements whose response time overlaps at any given time, (1) Port will have an additional five (5) business days to respond for each Non-Disturbance Agreement, and (2) Tenant will pay to Port an additional administrative processing fee of One Thousand Dollars (\$1,000) for every overlapping Non-Disturbance Agreement request above two (2), which amount will be increased by Five Hundred Dollars (\$500) on the tenth (10th) Anniversary Date and every ten (10) years thereafter.

(ii) If Port fails to respond to such request within such fifteen (15) business day period (or twenty (20) business days if so extended), then Tenant will deliver to Port a second notice requesting Port's response ("Second NDA Notice"). The Second NDA Notice

must display prominently on the envelope enclosing such notice and the first page of such notice, substantially the following: **"APPROVAL REQUEST FOR [INSERT ADDRESS OF LEASED PREMISES]/MISSION ROCK SUBLEASE MATTERS. IMMEDIATE ATTENTION REQUIRED; FAILURE TO RESPOND WITHIN FIVE (5) BUSINESS DAYS WILL RESULT IN THE REQUEST BEING DEEMED APPROVED."** If Port fails to respond within five (5) business days after Port's receipt of the Second NDA Notice, then such non-response will be deemed to be approval of such Non-Disturbance Agreement and the applicable Subtenant will be entitled to rely on the terms of the applicable Non-Disturbance Agreement, provided, however, if there are any conflicts between the provisions in the Sublease and the deemed approved Non-Disturbance Agreement, on the one hand, and *Sections 18.3* and *18.4(b)* on the other hand, *Sections 18.3* and *18.4(b)* will control.

**18.5. No Further Amendment or Consent Implied.** Port's consent to any amendment of a Sublease subject to an effective Non-Disturbance Agreement will not be required if the amendment conforms all of the requirements of *Section 18.3* and *Section 18.4(b)*. Tenant will provide Port a true and complete copy of any amendment of a Sublease subject to an effective Non-Disturbance Agreement, accompanied by a summary of any revisions to the Sublease basic terms within five (5) business days after the execution thereof. Consent to one Sublease or amendment, as applicable, will not be construed as consent to a subsequent Sublease or amendment, as applicable.

**18.6. No Release of Tenant.** The acceptance by Port of Rent or other payment from any other person will not be deemed to be a waiver by Port of any provision of this Lease or to be a release of Tenant from any obligation under this Lease. Except as set forth in *Section 18.2*, no Transfer or Sublease will in any way diminish, impair or release any of the liabilities and obligations of Tenant, any guarantor or any other person liable for all or any portion of Tenant's obligations under this Lease.

**18.7. Acknowledgement.** Tenant acknowledges and agrees that each of the rights of Port set forth in this *Article 18* is a reasonable limitation on Tenant's right to assign or sublet for purposes of California Civil Code Section 1951.4.

## **19. INDEMNIFICATION.**

**19.1. General Indemnification of the Indemnified Parties.** Subject to *Section 19.4*, Tenant agrees to and will Indemnify the Indemnified Parties from and against any and all Losses imposed upon or incurred by or asserted against any such Indemnified Parties in connection with the occurrence or existence of any of the following:

(a) any accident, injury to or death of Persons or loss or destruction of or damage to property occurring in, on, or under, the Premises or any part thereof and which may be directly or indirectly caused by any acts done in, on, or under, the Premises, or any acts or omissions of Tenant, its Agents, Subtenants, or Invitees, or their respective Agents and Invitees in, on, or under the Premises;

(b) any use, non-use, possession, occupation, operation, maintenance, management, or condition of the Premises or any part thereof by Tenant, its Agents, Subtenants, or Invitees, or their respective Agents and Invitees;

(c) any latent, design, construction or structural defect relating to the Improvements, any other Subsequent Construction, or any other matters relating to the condition of the Premises caused directly or indirectly by Tenant or any of its Agents, Invitees, or Subtenants;

(d) any failure on the part of Tenant or its Agents, Invitees, or Subtenants, as applicable, to perform or comply with any of the terms, covenants, or conditions of this Lease or with applicable Laws;

(e) performance of any labor or services or the furnishing of any materials or other property in respect of the Premises or any part thereof by Tenant or any of its Agents or Subtenants;

(f) any acts, omissions, or negligence of Tenant, its Agents, Invitees, or Subtenants; and

(g) any civil rights actions or other legal actions or suits initiated by any user or occupant of the Premises to the extent it relates to such use or occupancy.

**19.2. Hazardous Materials Indemnification.**

(a) In addition to its obligations under *Section 19.1* (General Indemnity) and subject to *Section 19.4*, Tenant agrees to Indemnify the Indemnified Parties and the State Lands Indemnified Parties from any and all Losses and Hazardous Materials Claims that arise as a result of any of the following:

(i) any Hazardous Material Condition existing or occurring during the Term;

(ii) any Handling, Release or Exacerbation of Hazardous Materials in, on, or under the Premises during the Term;

(iii) **Add if Tenant responsible for Deferred Infrastructure:** without limiting Tenant's Indemnification obligations in this *Section 19.2(a)*, any Handling, Release, or Exacerbation of Hazardous Materials in, on, or under any area outside the Premises boundary used by Tenant or its Agents to perform the Deferred Infrastructure, ("Deferred Infrastructure Area") at any time prior to Acceptance of such Deferred Infrastructure; or

(iv) without limiting Tenant's Indemnification obligations in *Sections 19.2(a)(ii) or 19.2(a)(iii)*, any Handling, Release, or Exacerbation of Hazardous Materials outside of the Premises, but in, on, or under Mission Rock, by Tenant or any Related Third Party during the Term. "Related Third Party" means Tenant's Agents, Subtenants, or their respective Agents; or

(v) failure by Tenant or any Related Third Party to comply with the Soil Management Plan; or

(vi) claims by Tenant or any Related Third Party for exposure occurring during the Term to Pre-Existing Hazardous Materials or New Hazardous Materials in, on, or under Mission Rock.

(b) Tenant's obligations under *Section 19.2(a)* includes: (i) actual costs incurred in connection with any Investigation or Remediation requested by Port or required by any Environmental Regulatory Agency and to restore the affected area to its condition before the Release; (ii) actual damages for diminution in the value of the Premises; (iii) actual damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises; (iv) actual damages arising from any adverse impact on marketing the space; (v) sums actually paid in settlement of Claims, Hazardous Materials Claims, Environmental Regulatory Actions, including fines and penalties; (vi) actual natural resource damages; and (vii) Attorneys' Fees and Costs, consultant fees, expert fees, court costs, and all other actual litigation, administrative or other judicial or quasi-judicial proceeding expenses. If Port actually incurs any damage and/or pays any costs within the scope of this *Section 19.2*, Tenant must reimburse Port for Port's costs, plus interest at the Default Rate from the date Port incurs each cost until paid, within five (5) business days after receipt of Port's payment demand and reasonable supporting evidence of the cost or damage actually incurred.

(c) Tenant understands and agrees that its liability to the Indemnified Parties and the State Lands Indemnified Parties under this *Section 19.2* subject to *Section 19.4*, arises upon the earlier to occur of:

(i) discovery of any such Hazardous Materials (other than Pre-Existing Hazardous Materials) in, on, or under the Premises, **[Add if Tenant responsible for Deferred Infrastructure]** and the Deferred Infrastructure Area;]

(ii) the Handling, Release, or Exacerbation of Hazardous Materials in, on, or under the Premises **[Add if Tenant responsible for Deferred Infrastructure]** or the Deferred Infrastructure Area;]

(iii) the Handling, Release, or Exacerbation of Hazardous Materials in, on, or under outside the Premises but within Mission Rock caused by Tenant or a Related Third Party;

(iv) any occurrence of a Hazardous Materials Condition during the Term; or

(v) the institution of any Hazardous Materials Claim with respect to such Hazardous Materials, and not upon the realization of loss or damage.

**19.3. Scope of Indemnities; Obligation to Defend.** Except as otherwise provided in **Section 19.4**, Tenant's Indemnification obligations under this Lease are enforceable regardless of the active or passive negligence of the Indemnified Parties, and regardless of whether liability without fault is imposed or sought to be imposed on the Indemnified Parties. Tenant specifically acknowledges that it has an immediate and independent obligation to defend the Indemnified Parties from any Loss that actually or potentially falls within the Indemnification obligations of Tenant, even if such allegations are or may be groundless, false, or fraudulent, which arises at the time such claim is tendered to Tenant and continues at all times thereafter until finally resolved. Tenant's Indemnification obligations under this Lease are in addition to, and in no way will be construed to limit or replace, any other obligations or liabilities which Tenant may have to Port in this Lease, at common law or otherwise. All Losses incurred by the Indemnified Parties subject to Indemnification by Tenant constitute Additional Rent owing from Tenant to Port hereunder and are due and payable from time to time immediately upon Port's request, as incurred.

**19.4. Exclusions from Indemnifications, Waivers and Releases.**

(a) Nothing in this **Article 19** (Indemnities) relieves the Indemnified Parties or the State Lands Indemnified Parties from liability, nor will the Indemnities set forth in **Section 19.1**, (General Indemnification of Indemnified Parties), **19.2** (Hazardous Materials Indemnification), or the defense obligations set forth in **Sections 19.3** (Scope of Indemnities) and **Section 19.6**, (Defense), extend to Losses:

(i) to the extent caused by the gross negligence or willful misconduct of the Indemnified Parties; or

(ii) from third parties' claims for exposure to Hazardous Materials prior to the Commencement Date.

(b) If it is reasonable for an Indemnified Party or a State Lands Indemnified Party to assert that a claim for Indemnification under this **Section 19.4** is covered by a pollution liability insurance policy, pursuant to which such Indemnified Party or State Lands Indemnified Party is an insured party or a potential claimant, then Port will reasonably cooperate with Tenant in asserting a claim or claims under such insurance policy but without waiving any of its rights under this **Section 19.4**. Notwithstanding the foregoing, if an Indemnified Party or State Lands Indemnified Party is a named insured on a pollution liability insurance policy obtained by Tenant, the Indemnification from Tenant under this **Section 19.4** will not be effective unless such Indemnified Party or State Lands Indemnified Party has asserted and diligently pursued a claim for insurance under such policy and until any limits from the policy are exhausted, on condition that (i) Tenant pays any self-insured retention amount required under the policy, and (ii) nothing

in this sentence requires any Indemnified Party or State Lands Indemnified Party to pursue a claim for insurance through litigation prior to seeking indemnification from Tenant.

**19.5. Survival.** Tenant's Indemnification obligations under this Lease and the provisions of this *Article 19* survive the expiration or earlier termination of this Lease.

**19.6. Defense.** Tenant will, at its option but subject to Approval by Port, be entitled to control the defense, compromise or settlement of any such matter through counsel of Tenant's choice; provided, that in all cases Port will be entitled to participate in such defense, compromise or settlement at its own expense. If Tenant fails, however, in Port's reasonable judgment, within a reasonable time following notice from the Port alleging such failure, to take reasonable and appropriate action to defend, compromise or settle such suit or claim, Port has the right promptly to use the City Attorney or hire outside counsel, at Tenant's sole expense, to carry out such defense, compromise or settlement, which expense is due and payable to Port within fifteen (15) days after receipt by Tenant of a detailed invoice for such expense.

**19.7. Waiver.** As a material part of the consideration of this Lease, Tenant hereby assumes the risk of, and waives, discharges, and releases and will include in any contract with Related Third Parties an assumption of the risk of, and waiver, discharge and release of, any and all claims against the Indemnified Parties and the State Lands Indemnified Parties from any Losses arising out of this Lease or relating to the Premises, including: (a) damages by death of or injury to any Person, or to property of any kind whatsoever and to whomever belonging; (b) goodwill; (c) business opportunities; (d) any act or omission of persons occupying adjoining premises; (e) theft; (f) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination; (g) building defects (including stopped, leaking or defective Material Systems); (h) inability to use all or any portion of the Premises due to sea level rise or flooding or seismic events; and (i) any other acts, omissions or causes arising at any time and from any cause, in, on, or under the Premises Add if Tenant responsible for Deferred Infrastructure; and the Deferred Infrastructure Area.], including all claims arising from the joint, concurrent, active or passive negligence of any of Indemnified Parties. The foregoing waiver, discharge and release does not include Losses arising from the Indemnified Parties' willful misconduct or gross negligence.

Tenant expressly acknowledges and agrees that the amount payable by Tenant hereunder does not take into account any potential liability of the Indemnified Parties or the State Lands Indemnified Parties for any consequential, incidental or punitive damages. Port would not be willing to enter into this Lease in the absence of a complete waiver of liability for consequential, incidental or punitive damages due to the acts or omissions of the Indemnified Parties or the State Lands Indemnified Parties, and Tenant expressly assumes the risk with respect thereto. Accordingly, without limiting any Indemnification obligations of Tenant or other waivers or releases contained in this Lease and as a material part of the consideration of this Lease, Tenant fully RELEASES, WAIVES AND DISCHARGES forever any and all claims, demands, rights, and causes of action against the Indemnified Parties or the State Lands Indemnified Parties for consequential, incidental and punitive damages (including, without limitation, lost profits) and covenants not to sue or to pay the Attorneys' Fees and Costs of any party to sue for such damages, the Indemnified Parties or the State Lands Indemnified Parties arising out of this Lease or the uses authorized hereunder, including, any interference with uses conducted by Tenant pursuant to this Lease regardless of the cause, and whether or not due to the negligence of the Indemnified Parties.

Tenant understands and expressly accepts and assumes the risk that any facts concerning the claims released in this Lease might be found later to be other than or different from the facts now believed to be true, and agrees that the waivers and releases in this Lease will remain effective. Therefore, with respect to the claims released in this Lease, Tenant waives any rights or benefits provided by California Civil Code, Section 1542, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER

FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

By placing its initials below, Tenant specifically acknowledges and confirms the validity of the waivers and releases made above and the fact that Tenant was represented by counsel who explained the consequences of the waivers and releases at the time this Lease was made, or that Tenant had the opportunity to consult with counsel, but declined to do so.

Tenant's Initials: \_\_\_\_\_

Tenant acknowledges that the waivers and releases contained herein include all known and unknown, disclosed and undisclosed, and anticipated and unanticipated claims for consequential, incidental or punitive damages. Tenant realizes and acknowledges that it has agreed upon this Lease in light of this realization and, being fully aware of this situation, it nevertheless intends to waive the benefit of Civil Code Section 1542, or any statute or other similar law now or later in effect.

**20. INSURANCE.**

Tenant will comply with the insurance requirements set forth in *Exhibit T* attached hereto throughout the Term.

**21. HAZARDOUS MATERIALS.**

**21.1. Compliance with Environmental Laws.** Tenant will comply and cause its Subtenants, their respective Agents and Invitees, while in, on, or under the Premises, to comply with all Environmental Laws, Operations Plans (if any), the Soil Management Plan, and prudent business practices, including, without limitation, any deed restrictions, regulatory agreements, deed notices, any additional soils management plans or certification reports required in connection with the approvals of any regulatory agencies in connection with the Project. Without limiting the generality of the foregoing, Tenant covenants and agrees that it will not, without the prior written consent of Port, which consent will not be unreasonably delayed or withheld, Handle, nor permit the Handling of, Hazardous Materials in, on, or under the Premises, except for (a) standard building materials and equipment that do not contain asbestos or asbestos-containing materials, lead or polychlorinated biphenyl (PCBs), (b) any Hazardous Materials which do not require a permit or license from, or that need not be reported to, a governmental agency and are used in compliance with all applicable laws and any reasonable conditions or limitations required by Port, (c) janitorial or office supplies or materials in such amounts as are customarily used for general office, residential, or commercial purposes so long as such Handling is at all times in compliance with all Environmental Laws, and (d) Pre-Existing Hazardous Materials that are Handled for Remediation purposes under the jurisdiction of an Environmental Regulatory Agency (collectively, "Excepted Hazardous Material.")

**21.2. Tenant Responsibility.** Tenant agrees to protect its Agents and Invitees in its operations on the Premises from hazards associated with Hazardous Materials by complying with all Environmental Laws and occupational health and safety Laws and also agrees, for itself and on behalf of its Agents and Invitees, that during the Term:

(a) Other than the Pre-Existing Hazardous Materials, will not permit any Hazardous Materials to be present in, on, or under the Premises except as permitted under *Section 21.1*;

(b) Will not cause or permit any Hazardous Material Condition; and

(c) Will comply with all Environmental Laws relating to the Premises and any Hazardous Material Condition and any investigation, construction, operations, use or any other activities conducted in, on, or under the Premises, and will not engage in or permit any activity at

the Premises, or in the operation of any vehicles used in connection with the Premises in violation of any Environmental Laws;

(d) Tenant will be the "Generator" of any waste, including hazardous waste, resulting from investigation, construction, operations, use or any other activities conducted in, on, or under the Premises;

(e) Will comply with all provisions of the Soil Management Plan with respect to the Premises, at its sole cost and expense, including requirements to notify site users, comply with risk management measures during construction, and inspect, document and report site conditions to Port annually; and

(f) Will comply, and will cause all of its Subtenants that are subject to an Operations Plan, to comply with the Operations Plan applicable to Tenant or such Subtenant.

**21.3. Tenant's Environmental Condition Notification Requirements.** The following requirements are in addition to the notification requirements specified in the (i) Operations Plan(s), if any, (ii) the Soil Management Plan, and (iii) Environmental Laws:

(a) Tenant must notify Port as soon as practicable, orally or by other means that will transmit the earliest possible notice to Port staff, of and when Tenant learns or has reason to believe Hazardous Materials were Released or, except as allowed under *Section 21.1*, Handled, in, on, over or under the Premises or emanating from the Premises, or from off-site conditions or events affecting receptors or the environment condition in, on, over, or under, the Premises, or from any vehicles Tenant, or its Agents and Invitees use during the Term, whether or not the Release or Handling is in quantities that would be required under Environmental Laws to be reported to an Environmental Regulatory Agency. In addition to Tenant's notice to Port by oral or other means, Tenant must provide Port written notice of any such Release or Handling within twenty-four (24) hours following such Release or Handling.

(b) Tenant must notify Port as soon as practicable, orally or by other means that will transmit the earliest possible notice to Port staff of Tenant's receipt or knowledge of any of the following, and contemporaneously provide Port with an electronic copy within twenty-four (24) hours following Tenant's receipt of any of the following, of:

(i) Any notice of the Release or Handling of Hazardous Materials, in, on, over, or under the Premises or emanating from the Premises, or from off-site conditions or events affecting receptors or the environmental condition in, on, over, or under, the Premises during the Term, or from any vehicles Tenant, or its Agents and Invitees use during the Term that Tenant or its Agents or Invitees provide to an Environmental Regulatory Agency;

(ii) Any notice of a violation, or a potential or alleged violation, of any Environmental Law that Tenant or its Agents or Invitees receive from any Environmental Regulatory Agency;

(iii) Any other Environmental Regulatory Action that is instituted or threatened by any Environmental Regulatory Agency against Tenant or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, over or under the Premises during the Term or emanating from the Premises, or from off-site conditions or events affecting receptors or the environmental condition in, on, over, or under, the Premises, or from any vehicles Tenant, or its Agents and Invitees use during the Term;

(iv) Any Hazardous Materials Claim that is instituted or threatened by any third party against Tenant or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, over, or under the Premises or emanating from the Premises, or from off-site conditions or events affecting receptors or the environmental condition in, on, over, or under, the Premises or from any vehicles Tenant or its Agents and Invitees use in, on, or under the Premises during the Term; and

(v) Other than any Environmental Regulatory Approvals issued by the Department of Public Health and the Hazardous Materials Unified Program Agency, any notice of the termination, expiration, or substantial amendment of any Environmental Regulatory Approval needed by Tenant or its Agents or Invitees for their operations at the Premises.

(c) Tenant must notify Port of any meeting, whether conducted face-to-face or telephonically, between Tenant and any Environmental Regulatory Agency regarding an Environmental Regulatory Action concerning the Premises or Tenant's or its Agents' or Invitees' operations at the Premises. Port will be entitled to participate in any such meetings at its sole election.

(d) Tenant must notify Port of any Environmental Regulatory Agency's issuance of an Environmental Regulatory Approval concerning the Premises or Tenant's or its Agents' or Invitees' operations at the Premises. Tenant's notice to Port must state the name of the issuing entity, the Environmental Regulatory Approval identification number, and the dates of issuance and expiration of the Environmental Regulatory Approval. In addition, Tenant must provide Port with a list of any plan or procedure required to be prepared and/or filed with any Environmental Regulatory Agency for operations on the Premises. Tenant must provide Port with copies of any of the documents within the scope of this *Section 21.3* upon Port's request.

(e) Tenant must provide Port with copies of all non-privileged communications with Environmental Regulatory Agencies, copies of investigation reports conducted by Environmental Regulatory Agencies, and all non-privileged communications with other persons regarding actual Hazardous Materials Claims arising from Tenant's or its Agents' or Invitees' operations at the Premises.

(f) Port may from time to time request, and Tenant will be obligated to provide, available information reasonably adequate for Port to determine whether any and all Hazardous Materials are being Handled in a manner that complies with all Environmental Laws.

#### **21.4. Remediation Requirement.**

(a) After notifying Port in accordance with *Section 21.3* and subject to *Section 21.4(f)*, Tenant must Remediate, at its sole cost and in compliance with all Environmental Laws and this Lease, any Hazardous Material Condition occurring during the Term; provided Tenant must take all necessary immediate actions to the extent practicable to address an emergent Hazardous Material Condition to confine or limit the extent or impact of such Hazardous Material Condition, and will then provide such notice to Port in accordance with *Section 21.3*. Except as provided in the previous sentence, Tenant must obtain Port's approval, which approval will not be unreasonably withheld, conditioned or delayed, of a Remediation work plan whether or not such plan is required under Environmental Laws, then begin Remediation actions immediately following Port's approval of the work plan and continue diligently until Remediation is complete.

(b) In addition to its obligations under *Section 21.4(a)*, before this Lease terminates for any reason, Tenant must Remediate, at its sole cost and in compliance with all Environmental Laws and this Lease any Hazardous Material Condition caused by Tenant's or its Agents' or Invitees' Handling, Release or Exacerbation of Hazardous Materials during the Term.

(c) In addition to its obligations under *Section 21.4(a)*, but subject to *Section 21.4(d)* before this Lease terminates for any reason, Tenant must Remediate, at its sole cost and in compliance with all Environmental Laws and this Lease any Hazardous Material Condition discovered during the Term that is required to be Remediated by any Regulatory Agency if Remediation would not have been required but for Tenant's use of the Premises, or due to Subsequent Construction or construction of the Initial Improvements.

(d) If the Hazardous Material Condition requiring Remediation described in *Section 21.4(c)* was not caused by Tenant, its Agents, Subtenants or Invitees and such discovery

of such Hazardous Material Condition first occurring during the last ten (10) years of the Term, Tenant will have the option, but not the obligation, to terminate this Lease upon satisfaction of all of the following conditions: (i) provide Port not less than one hundred twenty (120) days prior notice of its intent to terminate; and (ii) pay Port before the effective date of termination of this Lease, a termination fee equal to the annual Base Rent and Mello-Roos Taxes payable during the twenty-four (24) month period immediately following the effective termination date (the "Early Termination Fee"). If Tenant elects to terminate this Lease in accordance with this Section 21.4(d) and pays Port the Early Termination Fee, Tenant will have no Remediation obligation or any Indemnity obligations relating to such Hazardous Material Condition first occurring during the last ten (10) years of the Term.

(e) In all situations relating to Handling or Remediating Hazardous Materials, Tenant must take actions that are reasonably necessary in Port's reasonable judgment to protect the value of the Premises, such as obtaining Environmental Regulatory Approvals related to Hazardous Materials and taking measures to remedy any deterioration in the condition or diminution of the value of any portion of the Premises.

(f) Unless Tenant or its Subtenants or Agents or Invitees Exacerbate the Hazardous Material Condition or Handle or Release Pre-Existing Hazardous Materials in, on, under, around or about the Premises, Tenant will not be obligated to Remediate any Hazardous Material Condition existing before the Commencement Date.

**21.5. Pesticide Prohibition.** Tenant will comply with the provisions of Chapter 3 of the San Francisco Environment Code (the "Pesticide Ordinance") which (i) prohibit the use of certain pesticides on City property and (ii) require the posting of certain notices and the maintenance of certain records regarding pesticide usage, as further described in *Item 10* (Integrated Pest Management Program) of *Exhibit W*.

**21.6. Additional Definitions.**

"Environmental Covenants" means any recorded deed restrictions, as may be in effect from time to time, which impose conditions under which certain land uses will be permitted at designated portions of the Project Site.

"Environmental Laws" means all present and future federal, State and local Laws, statutes, rules, regulations, ordinances, standards, directives, and conditions of approval, all administrative or judicial orders or decrees and all permits, licenses, approvals or other entitlements, or rules of common law pertaining to Hazardous Materials (including the Handling, Release, or Remediation thereof), industrial hygiene or environmental conditions in the environment, including structures, soil, air, air quality, water, water quality and groundwater conditions, any environmental mitigation measure adopted under Environmental Laws affecting any portion of the Premises, the protection of the environment, natural resources, wildlife, human health or safety, or employee safety or community right-to-know requirements related to the work being performed under this Lease. "Environmental Laws" include the City's Pesticide Ordinance (Chapter 3 of the San Francisco Environment Code), the FOG Ordinance, the Soil Management Plan, Environmental Covenants, and [insert any additional applicable references].

"Environmental Regulatory Action" when used with respect to Hazardous Materials means any inquiry, Investigation, enforcement, Remediation, agreement, order, consent decree, compromise, or other action that is threatened, instituted, filed, or completed by an Environmental Regulatory Agency in relation to a Release of Hazardous Materials, including both administrative and judicial proceedings.

"Environmental Regulatory Agency" means the United States Environmental Protection Agency, OSHA, any California Environmental Protection Agency board, department, or office, including the Department of Toxic Substances Control and the RWQCB, Cal-OSHA, the Bay Area Air Quality Management District, the San Francisco Department of Public Health, the San

Francisco Fire Department, the SFPUC, Port, or any other Regulatory Agency now or later authorized to regulate Hazardous Materials.

**"Environmental Regulatory Approval"** means any approval, license, registration, permit, or other authorization required or issued by any Environmental Regulatory Agency, including any hazardous waste generator identification numbers relating to operations on the Premises and any closure permit.

**"Exacerbate" or "Exacerbating"** when used with respect to Hazardous Materials means any act or omission that increases the quantity or concentration or potential for human exposure of Hazardous Materials in the affected area, causes the increased migration of a plume of Hazardous Materials in soil, groundwater, or bay water, causes a Release of Hazardous Materials that had been contained until the act or omission, or otherwise requires Investigation or Remediation that would not have been required but for the act or omission, it being understood that the mere discovery of Hazardous Materials does not cause "Exacerbation". "Exacerbate" also includes the disturbance, removal or generation of Hazardous Materials in the course of Tenant's operations, Investigations, maintenance, repair, construction of Improvements and Alterations under this Lease. "Exacerbate" also means failure to comply with the Soil Management Plan. "Exacerbation" has a correlative meaning.

**"Handle"** when used with reference to Hazardous Materials means to use, generate, move, handle, manufacture, process, produce, package, treat, transport, store, emit, discharge or dispose of any Hazardous Material. "Handling" has a correlative meaning.

**"Hazardous Material"** means any material, waste, chemical, compound, substance, mixture, or byproduct that is identified, defined, designated, listed, restricted or otherwise regulated under Environmental Laws as a "hazardous constituent", "hazardous substance", "hazardous waste constituent", "infectious waste", "medical waste", "biohazardous waste", "extremely hazardous waste", "pollutant", "toxic pollutant", or "contaminant", or any other designation intended to classify substances by reason of properties that are deleterious to the environment, natural resources, wildlife, or human health or safety, including, without limitation, ignitability, infectiousness, corrosiveness, radioactivity, carcinogenicity, toxicity, and reproductive toxicity. Hazardous Material includes, without limitation, any form of natural gas, petroleum products or any fraction thereof, asbestos, asbestos-containing materials, polychlorinated biphenyls ("PCBs"), PCB-containing materials, and any substance that, due to its characteristics or interaction with one or more other materials, wastes, chemicals, compounds, substances, mixtures or byproducts, damages or threatens to damage the environment, natural resources, wildlife or human health or safety. "Hazardous Materials" also includes any chemical identified in the Soil Management Plan.

**"Hazardous Material Claim"** means any Environmental Regulatory Action or any claim made or threatened by any third party against the Indemnified Parties or the Premises relating to damage, contribution, cost recovery compensation, loss or injury resulting from the Release or Exacerbation of any Hazardous Materials, including Losses based in common law. Hazardous Materials Claims include Investigation and Remediation costs, fines, natural resource damages, damages for decrease in value of the Premises or other Port property, the loss or restriction of the use or any amenity of the Premises or other Port property, Attorneys' Fees and Costs and fees and costs of consultants and experts.

**"Hazardous Material Condition"** means the Release or Exacerbation, or threatened Release or Exacerbation of Hazardous Materials in, on, over or under the Premises emanating from the Premises, or from off-site conditions or events affecting receptors or the environmental condition in, on, over, or under, the Premises or from any vehicles Tenant or its Agents and Invitees use in, on, or under the Premises during the Term.

**"Investigate" or "Investigation"** when used with reference to Hazardous Material means any activity undertaken to determine the nature and extent of Hazardous Material that may be

located in, on, or under the Premises, any Improvements or any portion of the site or the Improvements or which have been, are being, or threaten to be Released into the environment from the Premises or from off-site conditions or events affecting receptors or the environmental condition in, on, over, or under, the Premises. Investigation will include preparation of site history reports and sampling and analysis of environmental conditions in, on, or under the Premises or any Improvements.

**"New Hazardous Material"** means a Hazardous Material that is not a Pre-Existing Hazardous Material.

**"Pre-Existing Hazardous Materials"** means any Hazardous Material existing in, on, or under the Premises as of the Effective Date and identified in the list of Pre-Existing Hazardous Materials attached hereto as *Exhibit U*, [insert reference to relevant environmental documents], or the Soil Management Plan.

**"Release"** means when used with respect to Hazardous Materials, any accidental, actual, imminent, or intentional spilling, introduction, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the air, soil, gas, land, surface water, groundwater or environment (including the abandonment or discarding of barrels, containers, and other closed receptacles containing any Hazardous Material).

**"Remediate" or "Remediation"** when used with reference to Hazardous Materials means any activities undertaken to clean up, abate, remove, transport, dispose, contain, treat, stabilize, monitor, remediate, or otherwise control Hazardous Materials located in, on, over, or under the Premises or which have been, are being, or threaten to be Released into the environment from the Premises or from off-site conditions or events affecting receptors or the environmental condition in, on, over, or under, the Premises or to restore the affected area to the standard required by the applicable Environmental Regulatory Agency in accordance with applicable Environmental Laws and any additional Port requirements. Remediation includes, without limitation, those actions included within the definition of **"remedy"** or **"remedial action"** in California Health and Safety Code Section 25322 and **"remove"** or **"removal"** in California Health and Safety Code Section 25323.

**"Soil Management Plan"** means that certain Soil Management Plan dated as of XXXX and prepared by XXXX for the Project Site, approved by Port, DPH, and DTSC.

**"State Lands Indemnified Parties"** means the State of California, the California State Lands Commission, and all of their respective heirs, legal representatives, successors and assigns, and all other Persons acting on their behalf.

## **22. DELAY DUE TO FORCE MAJEURE.**

For all purposes of this Lease, a Party whose performance of its obligations hereunder is hindered or affected by events of Force Majeure will not be considered in breach of or in default in its obligations hereunder to the extent of any delay resulting from Force Majeure, provided, however, that the provisions of this *Article 22* will not apply to Tenant's obligation to pay Rent. A Party seeking an extension of time pursuant to the provisions of this section will give notice to the other Party describing with reasonable particularity (to the extent known) the facts and circumstances constituting Force Majeure within (a) a reasonable time (but not more than fifteen (15) days) after knowledge of the beginning of such enforced delay or (b) promptly after the other Party's demand for performance.

## **23. PORT'S RIGHT TO PAY SUMS OWED BY TENANT.**

**23.1. Port May Pay Sums Owed by Tenant Following Tenant's Failure to Pay.** Without limiting any other provision of this Lease, and in addition to any other rights or remedies available to Port for any Event of Default, if at any time Tenant fails to pay any sum required to be paid by Tenant pursuant to this Lease to any Person other than Port (other than any Imposition, mechanics' lien or encumbrance with respect to which the provisions of *Article 6*

apply), or any other sum required to be paid by Tenant which Tenant is contesting in good faith and with due diligence, and which would not become a lien on the Property). Port may, at its sole option, but will not be obligated to, upon ten (10) days prior notice to Tenant, pay such sum for and on behalf of Tenant.

**23.2. Tenant's Obligation to Reimburse Port.** If pursuant to *Section 23.1*, Port pays any sum required to be paid by Tenant hereunder, Tenant will reimburse Port as Additional Rent, the sum so paid. All such sums paid by Port are due from Tenant to Port at the time the sum is paid, and if paid by Tenant at a later date, will bear interest at the lesser of the Default Rate or the maximum non-usurious rate Port is permitted by Law to charge from the date such sum is paid by Port until Port is reimbursed in full by Tenant. Port's rights under this *Article 23* are in addition to its rights under any other provision of this Lease or under applicable Laws. The provisions of this *Section 23.2* will survive the expiration or earlier termination of this Lease.

#### **24. EVENTS OF DEFAULT.**

**24.1. Events of Default.** Subject to the provisions of *Section 24.2*, the occurrence of any one or more of the following events which remain uncured after the passage of time set forth pursuant to this *Article 24* will constitute an "Event of Default" under the terms of this Lease:

(a) Tenant fails to pay any Rent or Imposition when due; provided, however, with respect to any non-recurring Rent only (i.e. not Base Rent nor Percentage Rent), Tenant fails to pay non-recurring Rent which failure continues for five (5) business days following written notice from Port; provided, further, Port will not be required to give such notice on more than two (2) occasions during any calendar year, and failure to pay any non-recurring Rent thereafter when due will be deemed an Event of Default without need for further notice;

(b) Tenant fails to maintain any insurance required to be maintained by Tenant under this Lease, which failure continues without cure for five (5) business days after written notice from Port;

(c) [Intentionally blank];

(d) Prior to the issuance of a Certificate of Completion, a Developer Event of Default (as such term is defined in the Vertical DDA) occurs under the Vertical DDA and remains uncured but such Event of Default under this Lease will be deemed cured if the Developer Event of Default is cured pursuant thereto;

(e) Tenant abandons the Premises, within the meaning of California Civil Code Section 1951.3, which abandonment is not cured within thirty (30) days after notice from Port of Port's belief of abandonment;

(f) The Premises are used for Prohibited Uses, as determined by Port in its reasonable discretion, and such Prohibited Use(s) continues for a period of twenty-four (24) hours following written notice from Port; provided, however, if such default cannot reasonably be cured within such twenty-four (24) hours, Tenant will not be in default of this Lease if Tenant commences to cure the default within such twenty-four (24) hours and diligently and in good faith continues to cure the default;

(g) **[Note: Applicable for certain leases]** Tenant fails to use the Minimum Public Benefit Area for the Required Uses, except as otherwise set forth in *Section 3.7* ~~[or~~ Tenant fails to provide the Public Benefits].

(h) Tenant fails to comply with the provisions of *Section 10.1* within five (5) days following written notice from Port; provided, however, if such default cannot reasonably be cured within such five (5) day period, Tenant will not be in default of this Lease if Tenant commences to cure the default within such five (5) day period and diligently and in good faith continues to cure the default provided, however, without limitation of the foregoing, the Parties

agree that Tenant's internal meetings to determine the path to cure such default will be deemed to be a commencement of cure;

(i) Tenant fails to restore the Improvements after an event of Casualty in accordance with and within the time frame set forth in **Section 14.2** and such failure continues for a period of fifteen (15) days following written notice from Port; provided, however, if such default cannot reasonably be cured within such fifteen (15) days period, Tenant will not be in default of this Lease if Tenant commences to cure the default within such fifteen (15) day period and diligently and in good faith continues to cure the default;

(j) Tenant fails to comply with the provisions of **Sections 21.1—21.5** and such failure continues for a period of one (1) business day following written notice from Port; provided, however, if such default cannot reasonably be cured within such one (1) business day period, Tenant will not be in default of this Lease if Tenant commences to cure the default within such one (1) business day period and diligently and in good faith continues to cure the default; provided, further that the Parties agree that Tenant's internal meetings to determine the path to cure such default will be deemed to be a commencement of cure;

(k) Tenant files a petition for relief, or an order for relief is entered against Tenant, in any case under applicable bankruptcy or insolvency Law, or any comparable Law that is now or hereafter may be in effect, whether for liquidation or reorganization, which proceedings if filed against Tenant are not dismissed or stayed within one hundred eighty (180) days;

(l) A writ of execution is levied on the Leasehold Estate which is not released within one hundred eighty (180) days, or a receiver, trustee or custodian is appointed to take custody of all or any material part of the property of Tenant, which appointment is not dismissed within one hundred eighty (180) days; provided, however, that the exercise by a Lender of any of its remedies under its Mortgage will not, in and of itself, constitute a default under this **Section 24.1(l)**;

(m) Tenant makes a general assignment for the benefit of its creditors; or

(n) Tenant violates any other covenant, or fails to perform any other obligation to be performed by Tenant under this Lease (including, but not limited to, any Mitigation and Improvement Measures that Tenant is required to comply with) at the time such performance is due, and such violation or failure continues without cure for more than thirty (30) days after written notice from Port specifying the nature of such violation or failure, or, if such cure cannot reasonably be completed within such thirty (30) day period, if Tenant does not within such thirty (30) day period commence such cure, or having so commenced, does not prosecute such cure with diligence and dispatch to completion within a reasonable time thereafter.

**24.2. Courtesy Notice of Default to Mezzanine Lender and Mezzanine Lender Rights to Cure.**

(a) Port will (i) provide a copy of a notice of an Event of Default to Lender in accordance with **Section 40**; (ii) provide a courtesy copy of an Event of Default to any then current Mezzanine Lender that has requested a copy of an Event of Default notice in accordance with **Section 24.2(b)**, provided Port will not be in default for any failure or delay in providing any courtesy copy of such notice to any then current Mezzanine Lender. Mezzanine Lender will have the right (but not the obligation), at its option, to commence to cure or cause to be cured any Event of Default, within the same period afforded to Tenant. Port will also accept a cure of an Event of Default by any Tenant investor or Mezzanine Lender with the same force and effect as if performed by Tenant.

(b) Each Mezzanine Lender that has delivered a notice to Port in substantially the following form is entitled to receive a courtesy notice of an Event of Default in accordance with **Section 24.2(a)**:

"The undersigned does hereby certify that it is a Mezzanine Lender, as such term is defined in that certain lease entered into by and between the City and County of San Francisco, operating by and through the San Francisco Port Commission, as landlord, and [insert name of Tenant], as tenant (the "Lease"). Mezzanine Lender has a security interest in the partnership/membership interest of Tenant. The undersigned hereby requests that a courtesy copy of an Event of Default notice given under the Lease to tenant by Port be sent to the undersigned at the following address: \_\_\_\_\_. The undersigned acknowledges that it has no claims against Port nor will Port be liable to the undersigned, for any Port failure to deliver a courtesy copy of any Event of Default notice to the undersigned."

## **25. REMEDIES.**

**25.1. Port's Remedies Generally.** Upon the occurrence and during the continuance of an Event of Default under this Lease, Port has all rights and remedies provided in this Lease or available at Law or in equity (including the right to seek injunctive relief or an order for specific performance, where appropriate), including the right to self-help to the extent provided for herein; provided, however, notwithstanding anything to the contrary in this Lease, any right to cure and any remedy available to Port regarding any Event of Default under the Workforce Development Plan, is limited to those rights and remedies provided in the applicable Law for such applicable Special City and Port Provisions; provided, further, Port's right to terminate this Lease for an Event of Default will be limited to Events of Default described in **Sections 24.1(a) and 24.1(d)—24.1(m)**.

All of Port's rights and remedies are cumulative, and except as may be otherwise provided by applicable Law, the exercise of any one or more rights will not preclude the exercise of any other.

### **25.2. Right to Keep Lease in Effect.**

(a) **Continuation of Lease.** Port has the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations) under which Port may continue this Lease in full force and effect following the occurrence of an Event of Default. In the event Port elects this remedy, Port has the right to enforce by suit or otherwise, all covenants and conditions hereof to be performed or complied with by Tenant and exercise all of Port's rights, including the right to collect Rent when due. Upon the occurrence of an Event of Default, Port may, following written notice to Tenant, enter the Premises without terminating this Lease and relet them, or any part of them, to third parties for Tenant's account. Tenant will be liable immediately to Port for all reasonable costs Port incurs in reletting the Premises, including Attorneys' Fees and Costs, brokers' fees or commissions, expenses of remodeling the Premises required by the reletting and similar costs. Reletting can be for a period shorter or longer than the remaining Term (but in no event to extend beyond December 31, 2105), at such rents and on such other terms and conditions as Port determines in its sole discretion.

(b) **No Termination Without Notice.** No act by Port allowed by this **Section 25.2**, nor any appointment of a receiver upon Port's initiative to protect its interest under this Lease, will terminate this Lease, unless and until Port notifies Tenant in writing that Port elects to terminate this Lease.

(c) **Application of Proceeds of Reletting.** If Port elects to relet the Premises as provided in **Section 25.2(a)**, the rent that Port receives from reletting will be applied to the payment of:

(i) First, all costs incurred by Port in enforcing this Lease, whether or not any action or proceeding is commenced, including Attorneys' Fees and Costs, brokers' fees or commissions, the costs of removing and storing Personal Property, costs in connection with reletting the Premises, or any portion thereof, altering, installing, modifying and constructing tenant improvements required for a new tenant, and costs of repairing, securing and maintaining the Premises to the standards set forth in this Lease or any portion thereof;

(ii) Second, the payments of any Imposition or any other indebtedness other than Rent due and unpaid hereunder from Tenant to Port;

(iii) Third, Rent due and unpaid under this Lease;

(iv) After deducting the payments referred to in this *Section 25.2(c)*, any sum remaining from the rent Port receives from reletting will be held by Port and applied to monthly installments of future Rent as such amounts become due under this Lease. In no event will Tenant be entitled to any excess rent received by Port. If on a date Rent or other amount is due under the Lease, the rent received by Port as of such date from any reletting is less than the Rent or other amount due on that date, or if any costs incurred by Port in reletting, remain after applying the rent received from such reletting, Tenant will pay to Port such deficiency. Such deficiency will be calculated and paid monthly.

(d) **Payment of Rent.** Tenant will pay to Port Rent on the dates the Rent is due, less the rent Port has received from any reletting which exceeds all costs and expenses described in *Section 25.2(c)*.

**25.3. Port's Right to Cure Tenant's Default:** Port, at any time after Tenant commits an Event of Default, may, at Port's sole option, cure the default at Tenant's cost. If Port at any time following an Event of Default, by reason of Tenant's default, undertakes any act to cure or attempt to cure such default that requires the payment of any sums, or otherwise incurs any costs, damages, or liabilities (including without limitation, Attorneys' Fees and Costs), all such sums, costs, damages or liabilities paid by Port will be due immediately from Tenant to Port at the time the sum is paid, and if paid by Tenant at a later date will bear interest at the lesser of the Default Rate or the maximum non-usurious rate Port is permitted by Law to charge from the date such sum is paid by Port until Port is reimbursed by Tenant.

**25.4. Termination of Tenant's Right to Possession.**

(a) Before exercising any right to terminate this Lease as a result of Tenant's failure to timely commence Construction of the Initial Improvements as described in *Section 11.2*, which failure also results in a Developer Event of Default under the DDA, Tenant will have thirty (30) days following Port's delivery of a notice of such default to cure.

(b) Before exercising any right to terminate this Lease and Tenant's right to possession of the Premises for the following Events of Default, Port will provide Tenant with a second written notice ("Second Default Notice") and the additional cure period set forth below:

(i) For an Event of Default under *Section 24.1(a)*, Tenant will have five (5) business days following delivery of the Second Default Notice to cure;

(ii) For an Event of Default under *Sections 24.1(d), 24.1(e), 24.1(h), or 24.1(i)*, Tenant will have ten (10) days following delivery of the Second Default Notice to cure; provided, however, if such default cannot reasonably be cured within such ten (10) day period, then Port will not exercise its termination right if Tenant diligently and in good faith continues to cure the default to completion;

(iii) For an Event of Default under *Sections 24.1(f), 24.1(g), or 24.1(j)*, Tenant will have one (1) business day following delivery of the Second Default Notice to cure; provided, however, if such default cannot reasonably be cured within such one (1) business day

period, then Port will not exercise its termination right if Tenant diligently and in good faith continues to cure the default to completion;

(iv) For an Event of Default under *Sections 24.1(k), 24.1(l), or 24.1(m)*, Tenant will have thirty (30) days following delivery of the Second Default Notice to cure, which may include a dismissal or stay, as applicable.

(c) Port may terminate this Lease and Tenant's right to possession of the Premises for the Events of Default described in *Sections 25.4(a) or 25.4(b)* at any time following expiration of the applicable cure periods set forth in *Sections 25.4(a) and 25.4(b)* for the applicable Event of Default by providing Tenant with a written notice of termination.

(d) Acts of maintenance, efforts to relet the Premises, or the appointment of a receiver on Port's initiative to protect Port's interest under this Lease will not constitute a termination of Tenant's right to possession.

(e) If Port elects to terminate this Lease, Port has the rights and remedies provided by California Civil Code Section 1951.2, including the right to recover from Tenant the following:

(i) The worth at the time of award of the unpaid Rent which had been earned at the time of termination; plus

(ii) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

(iii) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the loss of Rent that Tenant proves could be reasonably avoided; plus

(iv) Any other amounts necessary to compensate Port for the detriment proximately caused by Tenant's default, or which, in the ordinary course of events, would likely result therefrom. Efforts by Port to mitigate the damages caused by Tenant's breach of this Lease do not waive Port's rights to recover damages upon termination.

The "worth at the time of award" of the amounts referred to in *Sections 25.4(e)(i) and 25.4(e)(ii) above* will be computed by allowing interest at an annual rate equal to the lesser of the Default Rate or the maximum non-usurious rate Port is permitted by Law to charge. The "worth at the time of award" of the amount referred to in *Section 25.4(e)(iii)* will be computed by discounting the amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award, plus one percent (1%).

**25.5. Continuation of Subleases and Other Agreements.** Port has the right, at its sole option, to assume any and all Subleases and agreements by Tenant for the maintenance or operation of the Premises (to the extent assignable) following an Event of Default and termination of Tenant's interest in this Lease. Tenant hereby further covenants that, upon request of Port following an Event of Default and termination of Tenant's interest in this Lease, Tenant will execute, acknowledge and deliver to Port such further instruments as may be necessary or desirable to vest or confirm or ratify vesting in Port the then existing Subleases and other agreements then in force, as above specified.

**25.6. Appointment of Receiver.** During the continuance of an Event of Default, Port has the right to have a receiver appointed to collect Rent and conduct Tenant's business. Neither the filing of a petition for the appointment of a receiver nor the appointment itself will constitute an election by Port to terminate this Lease.

**25.7. Waiver of Redemption.** Tenant hereby waives, for itself and all Persons claiming by and under Tenant, redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 and 1179, or under any other pertinent present or future Law, in the

event Tenant is evicted or Port takes possession of the Premises by reason of any Event of Default.

**25.8. *Liquidated Damages for Repeat Prohibited Uses.*** In addition to the other remedies available to Port under this Lease for an Event of Default under *Section 24.1(f)*, if Tenant uses the Premises for the same type of Prohibited Use more than two (2) times within a six (6) month period, then Tenant will pay Port the Prohibited Use Charge as further described in *Section 3.3*.

**25.9. *Remedies Not Exclusive.*** The remedies set forth in this *Article 25* are not exclusive; they are cumulative and in addition to any and all other rights or remedies of Port now or later allowed by other terms and provisions of this Lease, Law or in equity. Tenant's obligations hereunder will survive any termination of this Lease.

**26. EQUITABLE RELIEF.**

In addition to the other remedies provided in this Lease, either Party is entitled at any time after a default or threatened default by the other Party to seek injunctive relief or an order for specific performance, where appropriate to the circumstances of such default. In addition, after the occurrence of an event of default by the other Party, the non-defaulting Party is entitled to any other equitable relief which may be appropriate to the circumstances of such event of default.

**27. NO WAIVER.**

**27.1. *No Waiver by Port or Tenant.*** No failure by Port or Tenant to insist upon the strict performance of any term of this Lease or to exercise any right, power or remedy consequent upon a breach of any such term, will be deemed to imply any waiver of any such breach or of any such term unless clearly expressed in writing by the Party against which waiver is being asserted. No waiver of any breach will affect or alter this Lease, which will continue in full force and effect, or the respective rights of Port or Tenant with respect to any other then existing or subsequent breach.

**27.2. *No Accord or Satisfaction.*** No submission by Tenant or acceptance by Port of full or partial Rent or other sums during the continuance of any failure by Tenant to perform its obligations hereunder will waive any of Port's rights or remedies hereunder or constitute an accord or satisfaction, whether or not Port had knowledge of any such failure except with respect to the Rent so paid. No endorsement or statement on any check or remittance by or for Tenant or in any communication accompanying or relating to such payment will operate as a compromise or accord or satisfaction unless the same is approved as such in writing by Port. Port may accept such check, remittance or payment and retain the proceeds thereof, without prejudice to its rights to recover the balance of any Rent, including any and all Additional Rent, due from Tenant and to pursue any right or remedy provided for or permitted under this Lease or in law or at equity. No payment by Tenant of any amount claimed by Port to be due as Rent hereunder (including any amount claimed to be due as Additional Rent) will be deemed to waive any claim which Tenant may be entitled to assert with regard to the making of such payment or the amount thereof, and all such payments will be without prejudice to any rights Tenant may have with respect thereto, whether or not such payment is identified as having been made "under protest" (or words of similar import).

**28. DEFAULT BY PORT; TENANT'S REMEDIES.**

**28.1. *Default by Port.*** Port will be deemed to be in default hereunder only if Port fails to perform or comply with any obligation on its part hereunder, and (a) such failure continues for more than the time of any cure period provided herein, or, (b) if no cure period is provided herein, for more than sixty (60) days after written notice thereof from Tenant (provided that, Port will use reasonable efforts to cure such default within a thirty (30) day period) after receipt of such written notice from Tenant, or, (c) if such default cannot reasonably be cured within such

sixty (60) day period, Port does not within such period commence with due diligence and dispatch the curing of such default, or, having so commenced, thereafter fails or neglects to prosecute or complete with diligence and dispatch the curing of such default.

**28.2. *Tenant's Exclusive Remedies.*** Upon the occurrence of default by Port described above, which default substantially and materially interferes with the ability of Tenant to conduct the use on the Premises provided for hereunder or materially obstructs the realization of the Project, Tenant has the exclusive right (a) to offset or deduct only from the Rent becoming due hereunder, or if no Rent is due hereunder, then the amount of the damage award will be amortized over a ten (10) year period and payable by Port on a monthly basis, but in either event only after obtaining a final, unappealable judgment in a court of competent jurisdiction for such damages in accordance with applicable Law and the provisions of this Lease, or (b) to seek equitable relief in accordance with applicable Laws and the provisions of this Lease where appropriate and where such relief does not impose personal liability on Port or its Agents; provided, however, (x) in no event will Tenant be entitled to offset from all or any portion of the Rent becoming due hereunder or to otherwise recover or obtain from Port or its Agents any damages (including, without limitation, any indirect or consequential, incidental, punitive or special damages proximately arising out of a default by Port hereunder) or Losses other than Tenant's actual damages as described in the foregoing clause (a), (y) Tenant agrees that, notwithstanding anything to the contrary herein or pursuant to any applicable Laws, Tenant's remedies hereunder constitutes Tenant's sole and absolute right and remedy for a default by Port hereunder, and (z) Tenant has no remedy of self-help.

**29. TENANT'S RECOURSE AGAINST PORT.**

**29.1. *No Recourse Beyond Value of Property Except as Specified.*** Tenant agrees that notwithstanding any other term or provision of this Lease, (a) Tenant will have no recourse with respect to, and Port will not be liable for, any obligation of Port under this Lease, or for any claim based upon this Lease, except to the extent of the fair market value of Port's fee interest in the Premises (as encumbered by this Lease) and (b) neither Port nor the Indemnified Parties will be liable under any circumstances for injury or damage to, or interference with Tenant's business, including loss or profits, loss of rents or other revenues, loss of business opportunity, loss of goodwill or loss of use, in each case, however occurring. By Tenant's execution and delivery hereof and as part of the consideration for Port's obligations hereunder Tenant expressly waives all such liability.

**29.2. *No Recourse Against Specified Persons.*** No commissioner, officer or employee of Port or City will be personally liable to Tenant, or any successor in interest, for any Event of Default by Port, and Tenant agrees that it will have no recourse with respect to any obligation of Port under this Lease, or for any amount which may become due Tenant or any successor or for any obligation or claim based upon this Lease, against any such Person.

**29.3. *Nonliability of Tenant's Members, Partners, Shareholders, Directors, Officers and Employees.*** No member, officer, partner, shareholder, director, board member, agent, or employee of Tenant will be personally liable to Port, and Port will have no recourse against any of the foregoing, in an Event of Default by Tenant or for any amount which may become due to Port or on any obligations under the terms of this Lease or any claim based upon this Lease.

**30. LIMITATIONS ON LIABILITY.**

**30.1. *Waiver of Indirect or Consequential, Incidental, Punitive or Special Damages.*** As a material part of the consideration for this Lease, neither Party (including the Indemnified Parties) will be liable for, and each Party hereby waives any claims against the other Party for any indirect or consequential, incidental, punitive, special damages.

**30.2. *Limitation on Port's Liability Upon Transfer.*** In the event of any transfer of Port's interest in and to the Premises, Port (and in case of any subsequent transfers, the then transferor) will automatically be relieved from and after the date of such transfer of all liability

with regard to the performance of any covenants or obligations contained in this Lease thereafter to be performed on the part of Port (or such transferor, as the case may be), but not from liability incurred by Port (or such transferor, as the case may be) on account of covenants or obligations to be performed by Port (or such transferor, as the case may be) hereunder before the date of such transfer; provided, however, that Port (or such subsequent transferor) has transferred to the transferee any funds in Port's possession (or in the possession of such subsequent transferor) in which Port (or such subsequent transferor) has an interest, in trust, for application pursuant to the provisions hereof, and such transferee has assumed all liability for all such funds so received by such transferee from Port (or such subsequent transferor).

**31. ESTOPPEL CERTIFICATES BY TENANT AND SUBTENANT.**

(a) Tenant will execute, acknowledge and deliver to Port (or at Port's request, to a prospective purchaser or mortgagee of Port's interest in the Premises, within fifteen (15) business days after a request, a certificate substantially in the form attached hereto as **Exhibit Q** stating to the best of Tenant's actual knowledge after diligent inquiry (i) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect, as modified, and stating the modifications or, if this Lease is not in full force and effect, so stating), (ii) the dates, if any, to which any Rent and other sums payable hereunder have been paid, (iii) that no notice has been received by Tenant of any default hereunder which has not been cured, except as to defaults specified in such certificate, and (iv) any other matter actually known to Tenant, directly related to this Lease and reasonably requested by Port.

(b) Unless otherwise requested, Tenant will attach to such certificate a copy of this Lease, and any amendments thereto, and include in such certificate a statement by Tenant that, to the best of Tenant's knowledge, such attachment is a true, correct and complete copy of this Lease, as applicable, including all modifications thereto.

(c) Any such certificate may be relied upon by any Port, any successor agency, and any prospective purchaser or mortgagee of the Premises or any part of Port's interest therein.

(d) Tenant will insert a provision similar to this **Article 31** into each Sublease, requiring Subtenants under Subleases to execute, acknowledge and deliver to Port, within twenty (20) business days after request, an estoppel certificate substantially in the form attached hereto as **Exhibit R**, covering, among other things, the matters described in this **Article 31** with respect to such Sublease, along with a true and correct copy of the applicable Sublease and all amendments thereto.

**32. ESTOPPEL CERTIFICATES BY PORT.**

Port will execute, acknowledge and deliver to Tenant (or at Tenant's request, to any prospective Subtenant that is entitled to obtain a Non-Disturbance Agreement from Port in accordance with **Section 18.4(b)**, prospective Lender meeting the requirements of **Article 40**, any Mezzanine Lender that has requested a copy of an Event of Default in accordance with **Section 24.2(b)** or a prospective Mezzanine Lender, prospective purchaser, or other prospective transferee of Tenant's interest under this Lease), within fifteen (15) business days after a request, a certificate substantially in the form attached hereto as **Exhibit V** stating to Port's actual knowledge after diligent inquiry (or with respect to any estoppel certificates being provided to Mezzanine Lenders, to the actual knowledge of Port's project manager for this Lease without diligent inquiry) (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that this Lease is in full force and effect as modified, and stating the modifications or if this Lease is not in full force and effect, so stating), (b) the dates, if any, to which Rent and other sums payable hereunder have been paid, (c) whether or not, to the knowledge of Port, there are then existing any defaults under this Lease (and if so, specifying the same) and (d) any other matter actually known to Port, directly related to this Lease and

reasonably requested by the requesting Party. In addition, if requested, Port will attach to such certificate a copy of this Lease and any amendments thereto, and include in such certificate a statement by Port that, to the best of its knowledge, such attachment is a true, correct and complete copy of this Lease, including all modifications thereto. Any such certificate may be relied upon by Tenant or any prospective Subtenant, Lender, prospective Lender, prospective purchaser, or other prospective transferee of Tenant's interest under this Lease.

**33. APPROVALS BY PORT; STANDARD OF REVIEW; FEES FOR REVIEW.**

**33.1. *Approvals by Port.*** The Port's Executive Director or his or her designee, is authorized to execute on behalf of Port any closing or similar documents and any contracts, agreements, memoranda or similar documents with State, regional or local authorities or other Persons that are necessary or proper to achieve the purposes and objectives of this Lease and do not materially increase the obligations of Port hereunder, if the Executive Director reasonably determines, after consultation with, and approval as to form by, the City Attorney, that the document is necessary or proper and in Port's best interests. The Port Executive Director's signature of any such documents will conclusively evidence such a determination by him or her. Wherever this Lease requires or permits the giving by Port of its consent or approval, or whenever an amendment, waiver, notice, or other instrument or document is to be executed by or on behalf of Port, the Executive Director, or his or her designee, is authorized to execute such instrument on behalf of Port, except as otherwise provided by applicable Law, including the City's Charter to the extent applicable; or if the Executive Director determines, in his or her sole discretion, that Port Commission action approving execution of such instrument is necessary.

**33.2. *Standard of Review.*** Except as expressly provided otherwise or when Port is acting in its regulatory capacity, the following standards will apply to the Parties' conduct under this Lease.

(a) **Advance Writings Required.** Whenever a Party's approval or waiver is required: (i) the approval or waiver must be obtained in advance and in writing; and (ii) the Party whose approval or waiver is sought may not unreasonably withhold, condition, or delay its approval or waiver, as applicable.

(b) **Commercial Reasonableness.** Whenever a Party is permitted to make a judgment, form an opinion, judge the sufficiency of the other Party's performance, exercise discretion in taking (or refraining from taking) any action or making any determination, or grant or withhold its approval or consent, unless otherwise stated in this Lease, that Party must employ commercially reasonable standards in doing so. In general, the Parties' conduct in implementing this Lease, including construction of Improvements, disapprovals, demands for performance, requests for additional information, and any exercise of an election or option, must be commercially reasonable.

**33.3. *Fees for Review.*** Unless a different time period is required in this Lease, within thirty (30) days after Port's written request, Tenant will pay Port, as Additional Rent, Port's reasonable costs, including, without limitation, Attorneys' Fees and Costs and costs for Port staff time incurred in connection with the review, investigation, processing, documentation and/or approval of any proposed Transfer, Sale, Mortgage, estoppel certificate, Non-Disturbance Agreement, Refinancing, other certificate, or Subsequent Construction (excluding any such costs incurred by Port's regulatory capacity, which costs will be paid separately by Tenant to the extent required in connection with the review or processing of such regulatory request). Tenant will pay such costs regardless of whether or not Port consents to such proposal.

**34. NO MERGER OF TITLE.**

There will be no merger of the Leasehold Estate with the fee estate in the Premises by reason of the fact that the same Person may own or hold (a) the Leasehold Estate or any interest in such Leasehold Estate, and (b) any interest in such fee estate. No such merger will occur.

unless and until all Persons having any interest in the Leasehold Estate and the fee estate in the Premises join in and record a written instrument effecting such merger.

**35. QUIET ENJOYMENT.**

Subject to the Permitted Title Exceptions, the terms and conditions of this Lease, the Vertical DDA (while in effect), and applicable Laws, Port agrees that Tenant, upon paying the Rent and observing and keeping all of the covenants under this Lease on its part to be kept, will lawfully and quietly hold, occupy and enjoy the Premises during the Term without hindrance or molestation by Port. Notwithstanding the foregoing, Port has no liability to Tenant in the event any defect exists in the title of Port as of the Commencement Date, whether or not such defect affects Tenant's rights of quiet enjoyment (unless such defect is due to City's willful misconduct). Tenant's sole remedy with respect to any such existing title defect is to obtain compensation by pursuing its rights against any title insurance company or companies issuing title insurance policies to Tenant.

**36. SURRENDER OF PREMISES.**

**36.1. Condition of Premises.** Except as set forth in *Section 36.2*, upon the expiration or earlier termination of this Lease, Tenant will quit and surrender to Port the Premises (i) in good order and condition consistent with the requirements of *Section 10.1*, reasonable wear and tear excepted to the extent the same is consistent with maintenance of the Premises in the condition required hereunder; (ii) clean, free of debris, waste, and Hazardous Materials (other than any Pre-Existing Hazardous Materials that have not been Handled, Released, or Exacerbated), and (iii) free and clear of all liens and encumbrances other than the Permitted Title Exceptions and other licenses, easements or access rights approved or consented to by Port in accordance with *Section 3.5*. If it is determined by Port that the condition of all or any portion of the Premises is not in compliance with the provisions of this Lease with respect to Hazardous Materials at the expiration or earlier termination of this Lease, then at Port's sole option, Port may require Tenant to hold over possession of the Premises until Tenant can surrender the Premises to Port in the condition required herein. Except as set forth in *Section 36.2*, the Premises will be surrendered with all Improvements, repairs, alterations, additions, substitutions and replacements thereto. Tenant hereby agrees to execute all documents as Port may deem necessary to evidence or confirm any such other termination.

**36.2. Demolition of Improvements.**

(a) **Notice.** At the expiration or earlier termination of this Lease, at Port's sole election ("Demolition Option"), Port may require Tenant, at Tenant's sole cost, to Demolish and Remove the Improvements and surrender the Premises as a vacant parcel of unimproved real property. Port will notify Tenant of Port's election to exercise the Demolition Option (i) no later than twenty-four (24) months prior to the expiration of this Lease, (ii) within ninety (90) days following Tenant's election to terminate this Lease in accordance with *Section 7.3* (Termination for Cost Associated with Change in Laws), *Section 14.3(a)* (Termination for Major Casualty), or *Article 15* (Condemnation), or (iii) upon termination of this Lease due to an Event of Default described in *Section 25.4*.

(b) **Access After Termination.** If Port exercises the Demolition Option in accordance with *Section 36.2(a)*, then if Port agrees that Tenant will complete the Demolition and Removal after the expiration or earlier termination of this Lease (or promptly thereafter if the Lease is terminated due to an Event of Default described in *Section 25.4*), Port and Tenant will enter into Port's standard license granting Tenant non-possessory access to the Premises in order for Tenant to perform the Demolition and Removal following the expiration or earlier termination of this Lease; provided, however, Tenant will perform the Demolition and Removal in compliance with *Article 12* (Construction) and Port may require insurance, bond, guaranty, Indemnification, and other requirements that exceed the coverage amounts or licensee obligations set forth in Port's standard license, that Port determines are reasonably appropriate to

protect its interest in light of the risks and liabilities associated with the Demolition and Removal.

(c) **Period to Complete.** Tenant must commence and complete the Demolition and Removal in a timely manner, with due diligence and care, and complete the same within the time period agreed to between the Parties, but in no event shall Tenant commence such Demolition and Removal later than six (6) months following the expiration or earlier termination of this Lease. The provisions of this **Section 36.2** will survive the expiration or earlier termination of this Lease.

**36.3. Personal Property.** On or before expiration or earlier termination of this Lease, Tenant will remove, and will cause all Subtenants to remove (other than any Subtenants that are permitted to remain on the Premises beyond the termination of this Lease in accordance with a Non-Disturbance Agreement previously entered into between the applicable Subtenant and Port), all of their respective Personal Property and Signs within the Premises. If the removal of such Personal Property causes damage to the Premises, Tenant must promptly repair such damage, at no cost to Port. Any items not removed by Tenant as required herein will be deemed abandoned and may be stored, removed, and disposed of by Port at Tenant's sole cost and expense, and Tenant waives all claims against Port for any Losses resulting from Port's retention, removal or disposition of such Personal Property; provided, however, that Tenant will be liable to Port for all costs incurred in storing, removing and disposing of such abandoned property or repairing any damage to the Premises resulting from such removal.

**36.4. Quitclaim.** Upon the expiration or earlier termination of this Lease, the Premises will automatically, and without further act or conveyance on the part of Tenant or Port, become the property of Port, free and clear of all liens and without payment therefore by Port and will be surrendered to Port upon such date. Upon or at any time after the expiration or earlier termination of this Lease, if requested by Port, Tenant will promptly deliver to Port, without charge, a quitclaim deed to the Premises and any other instrument reasonably requested by Port to evidence or otherwise effectuate the termination of the Leasehold Estate and to effectuate such transfer or vesting of title to the Premises, the Improvements and Personal Property that Port agrees are to remain within the Premises.

### **37. HOLD OVER.**

Any holding over by Tenant after the expiration or termination of this Lease will not constitute a renewal hereof but will be deemed a month-to-month tenancy and will be upon each and every one of the other terms, conditions and covenants of this Lease, except that Base Rent payable for the applicable month will be equal to the higher of: (i) twenty percent (20%) of the average Adjusted Gross Income for the three (3) Lease Years immediately prior to the Expiration Date, or (ii) eight hundred percent (800%) of the monthly Base Rent payable for the month immediately preceding the Expiration Date. Either Party may cancel said month-to-month tenancy upon thirty (30) days written notice to the other Party.

### **38. NOTICES.**

**38.1. Notices.** All notices, demands, consents, and requests which may or are to be given by any Party to the other must be in writing, except as otherwise provided herein. All notices, demands, consents and requests to be provided hereunder will be deemed to have been properly given on the date of receipt if served personally on a day that is a business day (or on the next business day if served personally on a day that is not a business day), or, if mailed, on the date that is two (2) days after the date when deposited with the U.S. Postal Service for delivery by United States registered or certified mail, postage prepaid, in either case, addressed as follows:

|                 |                       |
|-----------------|-----------------------|
| <b>To Port:</b> | Port of San Francisco |

or at such other place or places in the United States as each such Party may from time to time designate by written notice to the other in accordance with the provisions hereof. For convenience of the Parties, copies of notices may also be given by electronic-mail to the electronic-mail address set forth above (or such other number or address as may be provided from time to time by notice given in the manner required hereunder); however, neither Party may give official or binding notice by electronic-mail.

**38.2. Form and Effect of Notice.** Every notice given to a Party or other Person under this *Article 38* must state (or be accompanied by a cover letter that states):

- (a) the Section of this Lease pursuant to which the notice is given and the action or response required, if any; and
- (b) if applicable, the period of time within which the recipient of the notice must respond thereto.

In no event will a recipient's approval of or consent to the subject matter of a notice be deemed to have been given by its failure to object thereto if such notice (or the accompanying cover letter) does not comply with the requirements of this *Section 38.2*.

### **39. ACCESS TO THE PREMISES BY PORT.**

**39.1. Entry by Port.** Port and its authorized Agents have the right to enter the Premises without notice at any time during normal business hours of generally recognized business days, provided that Tenant or Tenant's Agents are present on the Premises (except in the event of an emergency), for the purpose of inspecting the Premises to determine whether the Premises is in good condition and whether Tenant is complying with its obligations under this Lease.

**39.2. General Entry.** In addition to its rights pursuant to *Section 39.3*, subject to the rights of any Subtenants, Port and its authorized Agents will have the right to enter the Premises at all reasonable times and upon reasonable notice as stated below for any of the following purposes:

(a) To perform any necessary maintenance, repairs or restoration to the Premises or to perform any services which Port has the right or obligation to perform in accordance with *Section 10.1* or *25.2*;

(b) To serve, post, or keep posted any notices required or allowed under the provisions of this Lease;

(c) To post "For Sale" signs at any time during the Term; to post "For Lease" signs during the last six (6) months of the Term or during any period in which an Event of Default is continuing;

(d) On an occasional basis, at all reasonable times after giving Tenant reasonable advance written or oral notice, to show the Premises to prospective tenants or other interested parties during the last eighteen (18) months of the Term; and

(e) To obtain environmental samples and perform equipment and facility testing.

Port agrees to give Tenant reasonable prior notice of Port's entering on the Premises except in an emergency for the purposes set forth above. Such notice will be not less than three (3) business days' prior notice. Tenant will have the right to have a representative of Tenant accompany Port or its Agents on any entry into the Premises. Notwithstanding the foregoing, no notice will be required for Port's entry onto public areas of the Premises during regular business hours unless such entry is for the purposes set forth in *Section 39.2*.

**39.3. Emergency Entry.** Port may enter the Premises at any time, without notice, in the event of an emergency. Port will have the right to use any and all means which Port may deem proper in such an emergency in order to obtain entry to the Premises. Entry to the Premises by any of these means, or otherwise, will not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion of the Premises.

**39.4. No Liability.** Port will not be liable in any manner, and Tenant hereby waives any claim for damages, for any inconvenience, disturbance, loss of business, nuisance, or other damage, including without limitation any abatement or reduction in Rent, arising out of Port's entry onto the Premises as provided in this *Article 39* or performance of any necessary or required work on the Premises, or on account of bringing necessary materials, supplies and equipment into or through the Premises during the course thereof, except damage resulting solely from the willful misconduct or gross negligence of Port or its authorized representatives.

**39.5. Non-Disturbance.** Port will use its commercially reasonable efforts to conduct its activities on the Premises as allowed in this *Article 39* in a manner which, to the extent reasonably practicable, will minimize annoyance or disturbance to Tenant.

**39.6. Subtenant Agreement.** Tenant will require each Subtenant to permit Port to enter its premises for the purposes specified in *Section 39.1* through *Section 39.3*.

#### **40. MORTGAGES.**

##### **40.1. Mortgages.**

(a) **Right to Grant Mortgages.** Tenant has the right during the Term, to grant a mortgage, deed of trust or other security instrument (each a "Mortgage") encumbering (i) all or a portion of the Leasehold Estate in all or a portion of the Premises, (ii) Tenant's interest in any permitted Subleases thereon, (iii) any Personal Property of Tenant, (iv) products and proceeds of the foregoing, and (v) any other rights and interests of Tenant arising under this Lease for the benefit of a Bona Fide Institutional Lender (together with its successors in interest, a "Lender") as security for one or more loans related solely to the Project or the Property, the proceeds from which are used to pay or reimburse costs incurred in connection with the Project and/or the Property, subject to the terms and conditions contained in this *Article 40*.

"**Bona Fide Institutional Lender**" means any one or more of the following, whether acting in its own interest and capacity or in an agency or a fiduciary capacity for one or more Persons none of which need be Bona Fide Institutional Lenders: (i) a savings bank, a savings and loan association, a commercial bank or trust company or branch thereof, an insurance company, a licensed California finance lender, any agency or instrumentality of the United States government or any state or City governmental authority, a pension fund, an investment banking or merchant banking firm, or any entity directly or indirectly sponsored or managed by any of the foregoing, or other lender, all of which, at the time a Mortgage is recorded in favor of such entity, owns or manages assets of at least Five Hundred Million Dollars (\$500,000,000) in the aggregate (or the equivalent in foreign currency), or (ii) a Low Income Housing Credit investor or Affiliate thereof that has given a loan to Tenant to optimize or utilize effectively the Low Income Housing Tax Credits.

(b) **Restrictions on Financing.** No Mortgage will be granted to secure obligations unrelated to the Project and/or the Property or to provide compensation or rights to a Lender in return for matters unrelated to the Project and/or the Property.

(c) **Leasehold Mortgages Subject to this Lease.** With the exception of the rights expressly granted to Lenders in this *Article 40*, the execution and delivery of a Mortgage will not give or be deemed to give a Lender any greater rights than those granted to Tenant hereunder.

(d) **Transfer by Lenders.** A Lender may transfer or assign all or any part of or interest in any Mortgage to a Bona Fide Institutional Lender without the consent of or notice to any Party; provided, however, that Port will have no obligations under this Agreement to a Lender unless Port is notified of such Lender. Furthermore, Port's receipt of notice of a Lender following Port's delivery of a notice or demand to Tenant or to one or more Lenders under *Section 40.4* will not result in an extension of any of the time periods in this *Article 40*, including the cure periods specified in *Section 40.5*.

(e) **No Subordination of Fee Interest or Rent.** Under no circumstance whatsoever will a Lender place or suffer to be placed any lien or encumbrance on Port's fee interest in the Land in connection with any financing permitted hereunder, or otherwise. Port will not subordinate its interest in the Premises, nor its right to receive Rent, to any Lender.

(f) **Violation of Covenant.** Any Mortgage not permitted by this *Article 40* will be deemed to be a violation of this covenant on the date of its execution or filing of record regardless of whether or when it is foreclosed or otherwise enforced.

#### **40.2. Copy of Notice of Default to Lender.**

(a) **Copy to Lender.** Whenever Port delivers any notice or demand to Tenant for any breach or default by Tenant in its obligations or covenants under this Lease, Port will at the same time forward a copy of such notice or demand to each Lender that has previously made a written request to Port for a copy of any such notices in accordance with *Section 40.2(b)*. A delay or failure by Port to provide such notice or demand to any Lender that has previously made a written request therefor will extend, by the number of days until notice is given, the time allowed to such Lender to cure.

(b) **Notice from Lender to Port.** Each Lender is entitled to receive notices in accordance with *Section 40.2(a)* provided such Lender has delivered a notice to Port in substantially the following form:

"The undersigned does hereby certify that it is a Lender, as such term is defined in that certain lease entered into by and between the City and County of San Francisco, operating by and through the San Francisco Port Commission, as landlord, and [insert name of Tenant], as tenant (the "**Lease**"), of tenant's interest in the Lease demising the property, a legal description of which is attached hereto as *Exhibit A* and made a part hereof by this reference. The undersigned

hereby requests that copies of any and all notices from time to time given under the Lease to tenant by Port be sent to the undersigned at the following address:

\_\_\_\_\_”  
If Lender desires to have Port acknowledge receipt of Lender’s name and address delivered to Port pursuant to this **Section 40.2(b)**, then such request must be made in bold, underlined and in capitalized letters.

**40.3. Lender’s Option to Cure Defaults.**

(a) Before or after receiving any notice of failure to cure referred to in **Section 40.2**, Lender will have the right (but not the obligation), at its option, to commence to cure or cause to be cured any Event of Default, within the same period afforded to Tenant hereunder plus an additional period of (a) fifteen (15) days with respect to a monetary Event of Default and (b) forty-five (45) days with respect to a non-monetary Event of Default that is susceptible of cure by such Lender without obtaining title to the applicable property subject to the applicable Mortgage or acquiring the ownership interests in Tenant, as applicable.

(b) If a non-monetary Event of Default cannot be cured by Lender without obtaining title to the Leasehold Estate, or applicable portion thereof, Port will refrain from exercising its right to terminate this Lease and will permit the cure by a Lender of such Event of Default if, within the cure period set forth in **Section 40.3(a)**: (i) such Lender notifies Port in writing that such Lender intends to proceed with due diligence to foreclose the Mortgage or otherwise obtain title to the subject property or ownership interests, as applicable; (ii) such Lender commences foreclosure proceedings whether by non-judicial foreclosure, judicial foreclosure, by appointment of a receiver, or deed (or assignment) in lieu of foreclosure, within sixty (60) days after giving such notice, and diligently pursues such proceedings to completion; and (iii) after obtaining title, such Lender, subject to **Section 40.4**, diligently proceeds to cure those Events of Default that are susceptible of cure by such Lender. The period from the date Lender so notifies Port until a Lender acquires and succeeds to the interest of Tenant under this Lease or some other party acquires such interest through Foreclosure is herein called the “Foreclosure Period.”

(c) Nothing in this **Article 40** will preclude Port from exercising any rights or remedies under this Lease against Tenant (other than a termination of this Lease) with respect to any other Events of Default during the Foreclosure Period.

(d) Notwithstanding the foregoing, no Lender will be required to cure any non-monetary Event of Default that is specific or personal to Tenant which cannot be cured by Lender (by way of example and not limitation, Tenant bankruptcy, or the failure to submit required information in the possession of Tenant). Lender’s acquisition of title to the Leasehold Estate, or the completion of a foreclosure (or assignment in lieu thereof), as applicable, will be deemed to be a cure of such Events of Default specific or personal to Tenant. The foregoing will not excuse a Lender’s failure to cure any continuing default that is curable by Lender.

**40.4. Lender’s Obligations with Respect to the Property.**

(a) **Rights and Obligations upon Lender Acquisition.** Except as set forth in this **Article 40**, no Lender will have any obligations or other liabilities under this Lease unless and until it acquires title by any method to the Leasehold Estate (referred to as “**Foreclosed Property**”). Except as otherwise provided herein (including, without limitation, **Sections 40.4(b)-(d)**), a Lender (or its designee, successor or assign) or other winning bidder at a foreclosure sale (collectively, a “**Successor Owner**”) that acquires title to any Foreclosed Property (a “**Lender Acquisition**”) will take title subject to all of the terms and conditions of this Lease to the extent applicable to the Foreclosed Property, including any claims for payment or performance of obligations that are due as a condition to enjoying the benefits under this Lease from and after the Lender Acquisition. Upon completion of a Lender Acquisition, Port will recognize the Successor Owner as Tenant under this Agreement. Such recognition will be effective and self-

operative without the execution of any further instruments; provided, upon request, at no cost to Port, Port will execute a written agreement recognizing Successor Owner. A Successor Owner, upon a Lender Acquisition, will be required promptly to cure all monetary defaults and all other defaults then reasonably susceptible of being cured by such Lender to the extent not cured prior to completion of the Lender Acquisition. The foregoing obligation includes any obligation to Restore, except as set forth in **Section 40.4(c)**.

(b) **Obligations by Lender Prior to Lender Acquisition.** Prior to a Lender Acquisition, Port will have no right to enforce any obligation under this Lease against any Lender unless such Lender expressly assumes and agrees to be bound by this Lease in a form reasonably approved in writing by Lender and Port, which form will be consistent with the terms of this Lease (for the avoidance of doubt, the foregoing will not limit Port's rights and remedies against Tenant notwithstanding any interest Lender may have in Tenant or any right against any successor owner of the Property for a continuing default, as set forth in and subject to the limitations of this **Article 40**). However, Lender agrees to comply during a Foreclosure Period with the terms, conditions and covenants of this Lease that are reasonably susceptible of being complied with by Lender, including the payment of all Impositions and any other sums due and owing hereunder.

(c) **No Obligation to Restore.** Subject to **Sections 40.4(d)** and **(e)**, Lender, including any Lender who obtains title to Foreclosed Property through a Lender Acquisition will not be obligated by the provisions of this Lease to Restore any damage or destruction to the Improvements beyond the extent necessary to preserve or protect the Improvements already made, to remove any debris and to perform other reasonable measures to protect the public; provided, however, any other Person who thereafter obtains title to the Leasehold Estate, or any interest therein from or through such Lender (or its designee), or any other Successor Owner (other than such Lender) will be obligated to Restore any damage or destruction to the Improvements in accordance with this Lease, except that any time period for such Restoration shall be reset as if the applicable casualty or condemnation occurred as of the date of the Lender Acquisition.

(d) **Obligation to Sell If Not Restore.** In the event that Lender acquires the Foreclosed Property through a Lender Acquisition and chooses not to complete or Restore the Improvements, it will notify Port in writing of its election within one hundred twenty (120) days following the Lender Acquisition and will sell its interest with reasonable diligence to a purchaser that will be obligated to Restore the Improvements, but in any event Lender will use good faith efforts to cause such sale to occur within nine (9) months following Lender's written notice to Port of its election not to Restore (the "Sale Period").

(e) **Lender Agreement to Complete or Restore.** If Lender fails to sell its interest in the Leasehold Estate within the Sale Period, such failure will not constitute a default hereunder but Lender will be obligated to Restore the Improvements to the extent this Lease obligates Tenant to so Restore. In the event Lender agrees, or is deemed to have agreed, to Restore the Improvements, all such work will be performed in accordance with all the requirements set forth in this Lease, and Lender must submit evidence reasonably satisfactory to Port that it has the qualifications and financial responsibility necessary to perform such obligations.

**40.5. Provisions of Any Mortgage.** Each Mortgage must provide that Lender will during the Term, (i) promptly provide Port by registered or certified mail a copy of any notice delivered by Lender to Tenant of a borrower default under the Mortgage, and (ii) give Port prior notice before Lender initiates any Mortgage foreclosure action with respect to the Property or the Project. The exercise by a Lender of any of its remedies under its Mortgage will not, in and of itself, constitute a default under this Lease.

**40.6. No Impairment of Mortgage.** No default by Tenant under this Lease will invalidate or defeat the lien of any Lender. Neither a breach of any obligation in a Mortgage, nor

a foreclosure under any Mortgage will defeat, diminish, render invalid or unenforceable or otherwise impair Tenant's rights or obligations under this Lease or constitute, by itself, a default under this Lease.

**40.7. Multiple Mortgages.**

(a) If at any time there is more than one Mortgage constituting a lien on a single portion of the Property or any interest therein, the lien of Lender prior in time to all others (the "Senior Lender") will be vested with the rights under *Sections 40.3, 40.10, 40.13, and 40.14* to the exclusion of the holder of any other Mortgage except if the Senior Lender fails to exercise the rights set forth in *Sections 40.3 and 40.10*, as applicable, then the holder of a junior Mortgage that has provided notice to Port in accordance with *Section 40.2* will succeed to the rights set forth in *Sections 40.3 and 40.10*, as applicable, only if the holders of all Mortgages senior to it have failed to exercise the rights set forth in *Sections 40.3 and 40.10*, as applicable.

(b) A Senior Lender's failure to exercise its rights under *Sections 40.3, 40.10, 40.13, or 40.14*, as applicable, or any delay in the response of any Lender to any notice by Port will not extend (i) any cure period, (ii) period to enter into a New Lease, or (iii) Tenant's or any Lender's rights under this *Article 40*. For purposes of this *Section 40.7*, in the absence of an order of a court of competent jurisdiction that is served on Port, a title report prepared by a reputable title company licensed to do business in the State of California and having an office in the City, setting forth the order of priorities of the liens of Mortgages on real property, may be relied upon by Port as conclusive evidence of priority.

**40.8. Cured Defaults.** Port will accept performance by a Lender with the same force and effect as if performed by Tenant. No such performance on behalf of Tenant in and of itself will cause Lender to become a "mortgagee in possession" or otherwise cause it to be bound by or liable under this Lease.

**40.9. Limitation on Liability of Lender.** No Lender will become liable under the provisions of this Lease unless and until such time as it becomes the owner of the Leasehold Estate and then only for so long as it remains the owner of the Leasehold Estate and only with respect to the obligations arising during such period of ownership.

If a Lender becomes the owner of the Leasehold Estate under this Lease or under a New Lease, (i) except as set forth in *Sections 40.4(c) and 40.4(d)*, such Lender will be liable to Port for the obligations of Tenant hereunder only to the extent such obligations arise during the period that such Lender remains the owner of the Leasehold Estate, and (ii) in no event will Lender have personal liability under this Lease or New Lease, as applicable, greater than Lender's interest in this Lease or such New Lease, and Port will have no recourse against Lender's assets other than its interest herein or therein.

**40.10. New Lease.** In the event of the termination of this Lease before the expiration of the Term, including, without limitation, the rejection of this Lease by a trustee of Tenant in bankruptcy or by Tenant as a debtor-in-possession, except (i) by Total Condemnation, (ii) as the result of damage or destruction as provided in *Article 14*, or (iii) as a result of Tenant exercising its option to terminate this Lease due to change in Laws as provided in *Section 7.3*, Port will serve upon Lender written notice that this Lease has been terminated, together with a statement of any and all sums which would at that time be due under this Lease but for such termination, and of all other defaults, if any, under this Lease then known to Port. The Senior Lender will thereupon have the option to obtain a new lease in accordance with and upon the following terms and conditions ("New Lease"):

(i) Upon the written request of Lender, within thirty (30) days after service of such notice that this Lease has been terminated ("New Lease Execution Period"), Port will enter into a New Lease of the Premises with the most senior Lender giving notice within such period or its designee, provided that Lender assumes Tenant's obligations as sublandlord under any Subleases then in effect; and

(ii) Such New Lease will be entered into at the Lender's cost, will be effective as of the date of termination of this Lease, and will be for the remainder of the Term and at the Rent and upon all the agreements, terms, covenants and conditions hereof, including any applicable rights of renewal and in substantially the same form as this Lease (except for any requirements or conditions which Tenant has satisfied prior to the termination). The New Lease will have the same priority as this Lease, including priority over any mortgage or other lien, charge or encumbrance on the title to the Premises. The New Lease will require Lender to perform any unfulfilled monetary obligation of Tenant under this Lease that would, at the time of the execution of the New Lease, be due under this Lease if this Lease had not been terminated and to perform as soon as reasonably practicable any unfulfilled non-monetary obligation which is continuing and is reasonably susceptible of being performed by such Lender, including any obligation to Restore. If Lender elects not to Restore, then it will follow the procedures set forth in **Sections 40.4(d) and (e)**. Upon the execution of the New Lease, Lender will pay any and all sums which would at the time of the execution thereof be due under this Lease but for such termination, and will pay all expenses, including reasonable Attorneys' Fees and Costs incurred by Port in connection with such defaults and termination, the recovery of possession of the Premises, and the preparation, execution and delivery of such New Lease. The provisions of this **Section 40.10(ii)** will survive any termination of this Lease (except as otherwise expressly set out in the first sentence of **40.10**), and will constitute a separate agreement by Port for the benefit of and enforceable by Lender.

**40.11. Nominee.** Any rights of a Lender under this **Article 40**, as amended hereby, may be exercised by or through its nominee or designee (other than Tenant) which is an Affiliate of Lender; provided, however, no Lender will acquire title to the Lease through a nominee or designee which is not a Person otherwise permitted to become Tenant hereunder; provided, further that a Lender may acquire title to the Lease through a wholly owned (directly or indirectly) subsidiary of Lender.

**40.12. Subleases and Other Property Agreements.** Effective upon the commencement of the term of any New Lease executed pursuant to **Subsection 40.10**, any Sublease then in effect will be assigned and transferred without recourse by Port to Lender. Between the date of termination of this Lease and expiration of the New Lease Execution Period, Port will not (1) enter into any new management agreements or agreements for the maintenance of the Premises or the supplies therefor (collectively, "**Other Property Agreements**") or Subleases which would be binding upon Lender if Lender enters into a New Lease, (2) cancel or materially modify any of the existing Subleases, management agreements or agreements for the maintenance of the Premises or the supplies therefor or any other agreements affecting the Premises, or (3) accept any cancellation, termination or surrender of any Subleases which were not automatically terminated upon termination of the Lease as a result of the absence of a Non-Disturbance Agreement with the Subtenant of such Sublease (unless all the conditions to Port's recognition of the Sublease under the Non-Disturbance Agreement have not been met) or Other Property Agreement without the written consent of Lender, which consent will not be unreasonably withheld or delayed; provided, however Lender's prior approval will not be required for any Other Property Agreement entered into, cancelled, or modified by Port due to an emergency. Effective upon the commencement of the term of the New Lease, Port will also quitclaim to Lender, its designee or nominee (other than Tenant), without recourse, all of Tenant's Personal Property remaining on the Premises.

**40.13. Consent of Lender.** Port will not (i) modify this Lease in a manner that increases base rent or percentage rent owed to Port, decreases the Term or otherwise amends the terms of this Lease in a manner that creates a material adverse effect upon Senior Lender, or (ii) terminate or cancel this Lease without Senior Lender's prior written consent, which consent will not be unreasonably withheld, conditioned or delayed. Any such modification, termination or cancellation of this Lease without Senior Lender's consent will be effective against Senior Lender.

No merger of this Lease and the fee estate in the Premises will occur on account of the acquisition by the same or related parties of the leasehold estate created by this Lease and the fee estate in the Premises without the prior written consent of Lender.

**40.14. Cooperation.** Port, through its Executive Director, and Tenant will cooperate in including in this Lease by suitable written amendment or agreement from time to time any provision which may be reasonably requested by the Senior Lender and customarily included in such amendment or agreement to implement the provisions and intent of this **Article 40**, provided, however, that any such amendment or agreement will not adversely affect in any material respect any of Port's rights and remedies under this Lease. Port's execution of any such amendment or agreement is conditioned on Port's receipt of its share of Net Refinancing Proceeds (if any), and Attorneys' Fees and Costs incurred in connection with the review and negotiation of such document.

**41. NO JOINT VENTURE.**

Nothing contained in this Lease will be deemed or construed as creating a partnership or joint venture between Port and Tenant or between Port and any other Person, or cause Port to be responsible in any way for the debts or obligations of Tenant. The subject of this Lease is a lease with neither Party acting as the Agent of the other Party in any respect.

**42. ECONOMIC ACCESS.**

Tenant will comply with the Workforce Development Plan, including the Local Business Enterprise (LBE) Utilization Plan, attached hereto as **Exhibit M** (collectively, the "**Workforce Development Plan**"). The Workforce Development Plan is designed to afford opportunities for San Francisco residents to participate in the construction and operation of the Initial Improvements. Tenant will comply with the Workforce Development Plan with respect to the operation and leasing of the Premises, and will include in its Subleases, applicable provisions of the Workforce Development Plan in accordance with the same.

**43. REPRESENTATIONS AND WARRANTIES.**

Tenant represents, warrants and covenants to Port as follows, as of the date hereof and as of the Commencement Date:

(a) **Valid Existence; Good Standing.** Tenant is a [REDACTED] duly organized and validly existing under the laws of the State of [REDACTED]. Tenant has the requisite power and authority to own its property and conduct its business as presently conducted. Tenant is in good standing in the State of California.

(b) **Authority.** Tenant has the requisite power and authority to execute and deliver this Lease and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of this Lease and the agreements contemplated hereby to be performed by Tenant.

(c) **No Limitation on Ability to Perform.** Neither Tenant's articles of organization or operating agreement, nor any applicable Law, prohibits Tenant's entry into this Lease or its performance hereunder. No consent, authorization or approval of, and no notice to or filing with, any governmental authority, regulatory body or other Person is required for the due execution and delivery of this Lease by Tenant and Tenant's performance hereunder, except for consents, authorizations and approvals which have already been obtained, notices which have already been given and filings which have already been made. Except as may otherwise have been disclosed to Port in writing, there are no undischarged judgments pending against Tenant, and Tenant has not received notice of the filing of any pending suit or proceedings against Tenant before any court, governmental agency, or arbitrator, which might materially adversely affect the enforceability of this Lease or the business, operations, assets or condition of Tenant.

(d) **Valid Execution.** The execution and delivery of this Lease and the performance by Tenant hereunder have been duly and validly authorized. When executed and delivered by Port and Tenant, this Lease will be a legal, valid and binding obligation of Tenant.

(e) **Defaults.** The execution, delivery and performance of this Lease (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default by Tenant under (A) any agreement, document or instrument to which Tenant is a party or by which Tenant is bound, (B) any law, statute, ordinance, or regulation applicable to Tenant or its business, or (C) the articles of organization or the operating agreement of Tenant, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Tenant, except as contemplated hereby.

(f) **Financial Matters.** Except to the extent disclosed to Port in writing, (i) Tenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money, (ii) Tenant has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) there has been no event that has materially adversely affected Tenant's ability to meet its Lease obligations hereunder, and (iv) to Tenant's knowledge, no involuntary petition naming Tenant as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

The representations and warranties herein will survive any termination of this Lease to the extent specified in this Lease.

#### 44. **MITIGATION MONITORING REPORTING PROGRAM.**

In order to mitigate the significant environmental impacts of this Lease and operation of the Premises, Tenant agrees that the operation of the Project will be in accordance with the applicable Mitigation Monitoring Reporting Program attached to this Lease as *Exhibit K.* As appropriate, Tenant will incorporate such Mitigation Monitoring Reporting Program into any contract for the operation of the Improvements.

#### 45. **OTHER CITY REQUIREMENTS.**

Tenant will comply with the Other City Requirements attached hereto as *Exhibit W.*

#### 46. **GENERAL.**

##### 46.1. **Time of Performance.**

(a) **Expiration.** All performance dates (including cure dates) expire at 5:00 p.m., San Francisco, California time, on the performance or cure date.

(b) **Weekend or Holiday.** A performance date which falls on a Saturday, Sunday or City holiday is deemed extended to 5:00 p.m. the next working day.

(c) **Days for Performance.** All periods for performance or notices specified herein in terms of days will be calendar days, and not business days, unless otherwise provided herein.

(d) **Time of the Essence.** Time is of the essence with respect to each provision of this Lease, including, but not limited, the provisions for the exercise of any option on the part of Tenant hereunder and the provisions for the payment of Rent and any other sums due hereunder, subject to the provisions of *Article 21* relating to Force Majeure.

##### 46.2. **Interpretation of Agreement.**

(a) **Exhibits and Schedule.** Whenever an "Exhibit" or "Schedule" is referenced, it means an attachment to this Lease unless otherwise specifically identified. All such exhibits and schedules are incorporated herein by reference.

(b) **Captions.** Whenever a section, article or paragraph is referenced, it refers to this Lease unless otherwise specifically identified. The captions preceding the articles and

sections of this Lease and in the table of contents have been inserted for convenience of reference only. Such captions will not define or limit the scope or intent of any provision of this Lease.

(c) **Words of Inclusion.** The use of the term "include", "including", "such as", or words of similar import, when following any general term, statement or matter will not be construed to limit such term, statement or matter to the specific items or matters, whether or not language of non-limitation is used with reference thereto. Rather, such terms will be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such statement, term or matter.

(d) **No Presumption Against Drafter.** This Lease has been negotiated at arm's length and between Persons sophisticated and knowledgeable in the matters dealt with herein. In addition, experienced and knowledgeable legal counsel has represented each Party. Accordingly, this Lease will be interpreted to achieve the intents and purposes of the Parties, without any presumption against the Party responsible for drafting any part of this Lease (including California Civil Code Section 1654).

(e) **Fees and Costs.** The Party on which any obligation is imposed in this Lease will be solely responsible for paying all costs and expenses incurred in the performance thereof, unless the provision imposing such obligation specifically provides to the contrary.

(f) **Lease References.** Wherever reference is made to any provision, term or matter "in this Lease," "herein" or "hereof," or words of similar import, the reference will be deemed to refer to any and all provisions of this Lease reasonably related thereto in the context of such reference, unless such reference refers solely to a specific numbered or lettered article, section or paragraph of this Lease or any specific subdivision thereof.

(g) **Approvals.** Unless otherwise specifically stated in this Lease, wherever a Party hereto has a right of approval or consent, such approval or consent will not be unreasonably withheld, conditioned or delayed and such approval or consent will be given in writing.

(h) **Legal References.** Wherever reference is made to a specific code or section of a specific Law, the reference will be deemed to include any amendment, restatement or replacement.

**46.3. Successors and Assigns.** This Lease is binding upon and will inure to the benefit of the successors and assigns of Port, Tenant, and any Lender. Where the term "Tenant," "Port," "Lender" is used in this Lease, it means and includes their respective successors and assigns, including, as to any Lender, any transferee and any successor or assign of such transferee. Whenever this Lease specifies or implies Port as a Party or the holder of the right or obligation to give approvals or consents, if Port or an entity which has succeeded to Port's rights and obligations no longer exists, then the City will be deemed to be the successor and assign of Port for purposes of this Lease.

**46.4. No Third-Party Beneficiaries.** This Lease is for the exclusive benefit of the Parties hereto and not for the benefit of any other Person and will not be deemed to have conferred any rights, express or implied, upon any other Person, except as provided in **Article 40** with regard to Lenders.

**46.5. Real Estate Commissions.** Port is not liable for any real estate commissions, brokerage fees or finder's fees which may arise from this Lease or any Sublease. Tenant and Port each represents that neither has engaged any broker, agent or finder in connection with this transaction and this Lease.

**46.6. Counterparts.** This Lease may be executed in counterparts, each of which is deemed to be an original, and all such counterparts constitute one and the same instrument.

**46.7. Entire Agreement.** This Lease (including the Exhibits) constitute the entire agreement between the Parties with respect to the subject matter set forth therein, and supersede all negotiations or previous agreements between the Parties with respect to all or any part of the terms and conditions mentioned herein or incidental hereto. No parol evidence of any prior or other agreement will be permitted to contradict or vary the terms of this Lease.

**46.8. Amendment.** Neither this Lease nor any of the terms hereof may be terminated, amended or modified except by a written instrument executed by the Parties.

**46.9. Governing Law; Selection of Forum.** This Lease will be governed by, and interpreted in accordance with, the laws of the State of California. As part of the consideration for Port's entering into this Lease, Tenant agrees that all actions or proceedings arising directly or indirectly under this Lease may, at the sole option of Port, be litigated in courts having situs within the State of California, and Tenant consents to the jurisdiction of any such local, state or federal court, and consents that any service of process in such action or proceeding may be made by personal service upon Tenant wherever Tenant may then be located, or by certified or registered mail directed to Tenant at the address set forth herein for the delivery of notices.

**46.10. Recordation.** This Lease will not be recorded by either Party. The Parties agree to execute and record in the Official Records a Memorandum of Lease in the form attached hereto as *Exhibit X*. Promptly upon Port's request following the expiration of the Term or any other termination of this Lease, Tenant will deliver to Port a duly executed and acknowledged quitclaim deed suitable for recordation in the Official Records and in form and content satisfactory to Port and the City Attorney, for the purpose of evidencing in the public records the termination of Tenant's interest under this Lease. Port may record such quitclaim deed at any time on or after the termination of this Lease, without the need for any approval or further act of Tenant.

**46.11. Attorneys' Fees.** The Prevailing Party in any action or proceeding (including any cross-complaint, counterclaim, or bankruptcy proceeding) against the other party by reason of a claimed default, or otherwise arising out of a party's performance or alleged non-performance under this Lease, will be entitled to recover from the other party its costs and expenses of suit, including but not limited to Attorneys' Fees and Costs, which will be payable whether or not such action is prosecuted to judgment. "Prevailing party" within the meaning of this Section includes, without limitation, a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense. Attorneys' Fees and Costs under this Section includes attorneys' fees and all other reasonable costs and expenses incurred in connection with any appeal.

For purposes of this Lease, reasonable fees of attorneys of the City's Office of the City Attorney will be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience (calculated by reference to earliest year of admission to the Bar of any State) who practice in San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

**46.12. Effective Date.** This Lease will become effective on the date (the "Effective Date") the Parties duly execute and deliver this Lease. The Effective Date will be inserted by Port on the cover page and on page 1 hereof, provided, however, that either Party's failure to insert the Effective Date will not invalidate this Lease. Where used in this Lease or in any of its exhibits, references to "the date of this Lease," the "reference date of this Lease," "Lease Date" or "Effective Date" will mean the Effective Date determined as set forth above and shown on the first page hereof.

**46.13. Severability.** If any provision of this Lease, or its application to any Person or circumstance, is held invalid by any court, the invalidity or inapplicability of such provision will not affect any other provision of this Lease or the application of such provision to any other

Person or circumstance, and the remaining portions of this Lease will continue in full force and effect, unless enforcement of this Lease as so modified by and in response to such invalidation would be grossly inequitable under all of the circumstances, or would frustrate the fundamental purposes of this Lease.

**47. DEFINITIONS OF CERTAIN TERMS.**

For purposes of this Lease, initially capitalized terms will have the meanings ascribed to them in this *Article 47*:

**"Additional Rent"** means any and all sums (other than Base Rent and Percentage Rent) that may become due or be payable by Tenant under this Lease.

**"Affiliate"** means any Person directly or indirectly Controlling, Controlled by or under Common Control with the other Person in question.

**"Agents"** means, when used with reference to either Party to this Lease, the members, officers, directors, commissioners, employees, agents and contractors of such Party, and their respective heirs, legal representatives, successors and assigns.

**"Allocated Tax Increment"** means the portion of Gross Tax Increment from Project Area I that the City has agreed to allocate to the IFD for use in Project Area I by approving Appendix I.

**"Anniversary Date"** means each anniversary date of the Commencement Date; provided, however, that if the Commencement Date is other than the first day of a month, then the first Anniversary Date will be the first day of the thirteenth (13th) month thereafter.

**"As Is With All Faults"** is defined in *Section 1.1(g)*.

**"Assessment Shortfall"** is defined in the DDA.

**"Assessor Information"** is defined in *Section 5.4(a)*.

**"Assessor-Recorder" or "County Recorder"** means the Office of the Assessor-Recorder in the City and County of San Francisco, or any successor agency responsible for assessing real property in the City and County of San Francisco.

**"Assignment"** is defined in *Section 18.1(a)*.

**"Assignment and Assumption Agreement"** is defined in *Section 18.1(b)(i)*.

**"Attorneys' Fees and Costs"** means reasonable attorneys' fees, costs, expenses and disbursements, including, but not limited to, expert witness fees and costs, travel time and associated costs, transcript preparation fees and costs, document copying, exhibit preparation, courier, postage, facsimile, long-distance and communications expenses, court costs and other reasonable costs and fees associated with any other legal, administrative or alternative dispute resolution proceeding, including such fees and costs associated with execution upon any judgment or order, and costs on appeal.

**"Award"** means all compensation, sums or value paid, awarded or received for a Condemnation, whether pursuant to judgment, agreement, settlement or otherwise.

**"Baseline Assessed Value"** is defined in the DDA.

**"Bona Fide Institutional Lender"** is defined in *Section 40.1(a)*.

**"Bond"** is defined in the DDA.

**"Books and Records"** is defined in *Section 3.8 of Exhibit D*.

**"Capital Items"** is defined in *Section 10.2(a)*.

**"Capital Reserves"** is defined in *Section 10.2(a)*.

**"Capital Reserve Deposits"** is defined in *Section 10.2(a)*.

"CASp" is defined in *Section 1.1(c)*.

"Casualty" is defined in *Section 14.1*.

"Casualty Notice" is defined in *Section 14.1(a)*.

"Certificate of Completion" is defined in the Vertical DDA"

"City" means the City and County of San Francisco, a municipal corporation.

"City Agency" means any public body or an individual authorized to act on behalf of the City in its municipal capacity, including the Board of Supervisors or any City commission, department, bureau, division, office, or other subdivision, and officials and staff to whom authority is delegated, on matters within the City Agency's jurisdiction.

"City Fiscal Year" means the period beginning on July 1 of any year and ending on the following June 30.

"Commencement Date" is defined in the Basic Lease Information.

"Common Control" means that two Persons are both Controlled by the same other Person.

"Completion" means completion of construction of all or any applicable portion of the Initial Improvements, in accordance with the terms hereof, as conclusively evidenced by the issuance of a temporary certificate of occupancy. "Complete" has a correlative meaning.

"Condemnation" means the taking or damaging, including severance damage, of all or any part of any property, or the right of possession thereof, by eminent domain, inverse condemnation, or for any public or quasi-public use under the law. Condemnation may occur pursuant to the recording of a final order of condemnation, or by a voluntary sale of all or any part of any property to any Person having the power of eminent domain (or to a designee of any such Person), provided that the property or such part thereof is then under the threat of condemnation or such sale occurs by way of settlement of a condemnation action.

"Condemnation Date" means the earlier of: (a) the date when the right of possession of the condemned property is taken by the condemning authority; or (b) the date when title to the condemned property (or any part thereof) vests in the condemning authority.

"Condemned Land Value" is defined in *Section 15.4(iii)*.

"Construction" is defined in *Section 12.1(a)*.

"Construction Impacts" is defined in *Section 4.1*.

"Contest Notice" is defined in *Section 5.4(c)*.

"Control" is defined in *Section 18.1(a)*. "Controlled" and "Controlling" have correlative meanings.

"Coordination Agreement" means the Coordination Agreement dated [ ] between Tenant and Master Developer.

"DDA" is defined in *Recital C*.

"Default Rate" is defined in *Section 3.11 of Exhibit D*.

"Deferred Infrastructure" [Note: add if needed]

"Demolish and Remove" means the demolition of the Improvements and the removal and disposal of all debris in accordance with all Laws. "Demolition and Removal" has a correlative meaning.

"Demolition Option" is defined in *Section 36.2(a)*.

**“Design Controls”** means the Design for Development for Mission Rock that the Port Commission and the Planning Commission approved.

**“Development Agreement”** means that certain Development Agreement between City and Scawall Lot 337 Associates, LLC, a Delaware limited liability company, dated as of August \_\_\_\_\_, 2018, as may be amended from time to time.

**“Development Documents”** means (i) the SUD; (ii) the Design for Development (including the Green Building Specifications); (iii) the Port Plans and Policies; and (iv) the Development Agreement. **[FBC]**

**“Development Projects”** is defined in *Section 4.1*.

**“Disabled Access Laws”** means all Laws related to access for persons with disabilities including, without limitation, the Americans with Disabilities Act, 42 U.S.C. Section 12101 et seq. and disabled access laws under the Port’s building code.

**“DPH”** means the City and County of San Francisco Department of Public Health Environmental Health Branch.

**“DTSC”** means the California Department of Toxic Substances Control.

**“Effective Date”** is defined in *Section 46.12*.

**“Encroachment Area”** is defined in *Section 1.1(e)(i)*.

**“Encroachment Area Charge”** is defined in *Section 1.1(e)(i)*.

**“Environmental Financial Performance Deposit”** is defined in *Section 17.2*.

**“Environmental Laws”** is defined in *Section 21.6*.

**“Environmental Notice”** is defined in *Section 17.3(b)*.

**“Environmental Oversight Deposit”** is defined in *Section 17.3(a)*.

**“Environmental Regulatory Action”** is defined in *Section 21.6*.

**“Environmental Regulatory Agency”** is defined in *Section 21.6*.

**“Event of Default”** is defined in *Section 24.1*.

**“Exacerbate”** or **“Exacerbating”** is defined in *Section 21.6*.

**“Exempt Parcel”** means, depending on the context: (i) any assessor’s parcel of a real property interest that is exempt from property taxation under California law; and (ii) any assessor’s parcel of a real property interest that is exempt from Mello-Roos Taxes under an RMA. “Exempt Parcel” excludes any parcel that: (1) the Port or any other Regulatory Agency acquires by gift, devise, negotiated transaction, or foreclosure; (2) the Port acquires under the DDA; or (3) is in private use for taxable purposes.

**“Excepted Hazardous Materials”** is defined in *Section 21.1*.

**“Excluded Transfer”** is defined in *Section 18.1(a)*.

**“Executive Director”** means the Executive Director of the Port or his or her designee.

**“Facilities Condition Report”** is defined in *Section 10.2(b)*.

**“FCR Date”** is defined in *Section 10.2(a)*.

**“Final Certificate of Occupancy”** means a certificate of occupancy and completion that the Chief Harbor Engineer issues in the form of DDA Exh D13 after accepting an Architect’s Certificate verifying that a Vertical Developer has finally completed a Vertical Improvement.

**"Final Map"** means a final Subdivision Map meeting the requirements of the Subdivision Code and the Map Act, subject to amendments made by the DA Ordinance.

**"Flagpoles"** is defined in *Section 9.5*.

**"FOG Ordinance"** means Sections 140-140.7 of Article 4.1 of the San Francisco Public Works Code, or any subsequent amendment or replacement of the same that sets forth prohibitions, limitations and requirements for the discharge of fats, oils and grease into the City's sewer system by food service establishments.

**"Force Majeure"** means events which result in delays in a Party's performance of its obligations hereunder due to causes beyond such Party's control and not caused by the acts or omissions of such Party, including, but not restricted to, acts of nature or of the public enemy, fires, floods, earthquakes, tidal waves, strikes, freight embargoes, and unusually severe weather. Force Majeure does not include (i) failure to obtain financing or failure to have adequate funds, (ii) sea level rise, (iii) flooding as a result of curbless streets and/or sidewalks, or (iv) any event that does not cause an actual delay. The delay caused by Force Majeure includes not only the period of time during which performance of an act is hindered, but also such additional time thereafter as may reasonably be required to make additional repairs or obtain additional Regulatory Approvals that would not have otherwise been required but for the Force Majeure Event.

**"Foreclosed Property"** is defined in *Section 40.4(a)*.

**"Foreclosure"** means a foreclosure of a Mortgage or other proceedings in the nature of foreclosure (whether conducted pursuant to court order or pursuant to a power of sale contained in the Mortgage), deed or voluntary assignment or other conveyance in lieu thereof.

**"Foreclosure Period"** is defined in *Section 40.3(b)*.

**"Generator"** is described in *Section 21.2(d)*.

**"graffiti"** is defined in *Section 9.6*.

**"Gross Income"** is defined in *Section 3.5(a)(iii)* in *Exhibit D*.

**"Gross Tax Increment"** means 100% of the property and possessory interest taxes that the City actually receives in a City Fiscal Year by application of the 1% ad valorem tax against the increase in assessed value of Taxable Parcels in Project Area I above their values in the base year of Project Area I.

**"Handle"** is defined in *Section 21.6*.

**"Hard costs"** is defined in *Section 10.5*.

**"Hazardous Material"** is defined in *Section 21.6*.

**"Hazardous Material Claim"** is defined in *Section 21.6*.

**"Hazardous Material Condition"** is defined in *Section 21.6*.

**"Horizontal Improvements"** means public capital facilities and infrastructure built or installed at or near the Mission Rock site, including site preparation, shoreline improvements, public space, public right of ways, utility infrastructure, deferred infrastructure to the extent permitted, and work in Third Street to comply with Master Developer Mitigation Measure M-TR-6 in the Mitigation and Monitoring Program.

**"IFD"** is an acronym for Infrastructure Financing District No. 2 (Port of San Francisco), formed by Ordinance No. 27-16.

**"IFD Termination Date"** means the date on which all allocations to the IFD of Tax Increment from the Sub-Project Area in which the Premises is located, and the IFD's authority to repay indebtedness with Tax Increment from that Sub-Project Area end under Appendix I in

accordance with IFD Law, which is no later than 45 years after the IFD actually receives \$100,000 in Tax Increment from that Sub-Project Area.

“**Impositions**” is defined in *Section 5.1(b)*.

“**Improvements**” means all buildings, structures, fixtures and other improvements erected, built, placed, installed, constructed, renovated, or Restored, located upon or within the Premises on or after the Commencement Date, including, but not limited to, the Initial Improvements and any Subsequent Construction.

“**Indemnified Parties**” means City, including, but not limited to, all of its boards, commissions, departments, agencies and other subdivisions, including, without limitation, the Port; all of the Agents of the City, including its Port, and all of their respective heirs, legal representatives, successors and assigns, all other Person acting on their behalf, and each of them.

“**Indemnify**” means indemnify, protect and hold harmless.

“**Information Charge**” is defined in *Section 5.4(d)*.

“**Infrastructure CFD**” means the City and County of San Francisco Community Facilities District No. [ ] (Mission Rock Public Improvements).

“**Initial Improvements**” means all Improvements to be built on the Premises or portion(s) thereof [Note: add if included in Coordination Agreement] [including the Deferred Infrastructure] in accordance with the Vertical DDA, Scope of Development, and SUD.

“**Initial Response Period**” is defined in *Section 5.4(b)*.

“**Investigate**” or “**Investigation**” is defined in *Section 21.6*.

“**Invitees**” when used with respect to Tenant means the customers, patrons, invitees, guests, members, licensees, assignees and Subtenants of Tenant and the customers, patrons, invitees, guests, members, licensees, assignees and sub-tenants of Subtenants.

“**Land**” is defined in Basic Lease Information.

“**Late Charge**” is defined in *Section 3.12 of Exhibit D*.

“**Law**” or “**Laws**” means any one or more present and future laws, (including Environmental Laws) ordinances, rules, regulations, permits, authorizations, orders and requirements, to the extent applicable to the Parties or to the Premises or any portion thereof, whether or not in the present contemplation of the Parties, including, without limitation, all consents or approvals (including Regulatory Approvals) required to be obtained from, and all rules and regulations of, and all building and zoning laws of, all federal, state, county and municipal governments, the departments, bureaus, agencies or commissions thereof, authorities, boards of officers, any national or local board of fire underwriters, or any other body or bodies exercising similar functions, having or acquiring jurisdiction of, or which may affect or be applicable to, the Premises or any part thereof, including, without limitation, any subsurface area, the use thereof and of the buildings and Improvements thereon.

“**Lease**” means this lease, as it may be amended from time to time.

“**Leasehold**” or “**Leasehold Estate**” means Tenant’s leasehold estate created by this Lease.

“**Leasing Activity Report**” is defined in *Section 9.3*.

“**Lease Year**” is defined in *Exhibit D*.

“**Lender Acquisition**” is defined in *Section 40.4(a)*.

“**Lender**” means the holder or holders of a Mortgage in compliance with *Article 40* and, if the Mortgage is held by or for the benefit of a trustee, agent or representative of one or more financial institutions, the financial institutions on whose behalf the Mortgage is being held.

Multiple financial institutions participating in a single financing secured by a single Mortgage will be deemed a single Lender for purposes of this Lease.

**"Loss" or "Losses"** when used with reference to any Indemnity means any and all claims, demands, losses, liabilities (including direct or vicarious liabilities), damages (including foreseeable and unforeseeable, incidental and consequential damages), liens, obligations, interest, injuries, penalties, fines, lawsuits and other proceedings, judgments and awards and costs and expenses, (including, without limitation, reasonable Attorneys' Fees and Costs and consultants' fees and costs) of whatever kind or nature, known or unknown, contingent or otherwise.

**"Low Income Housing Tax Credit"** means a tax credit obtained in accordance with 26 U.S. Code §42 (as amended from time to time), or an equivalent federal or state tax credit program for affordable housing.

**"Maintenance Notice"** is defined in *Section 10.5*.

**"Major Casualty"** means damage to or destruction of all or any portion of the Premises to the extent that the hard costs of Restoration will exceed thirty percent (30%) of the hard costs to replace the Premises in their entirety. The calculation of such percentage will be based upon replacement costs and requirements of applicable Laws in effect as of the date of the event causing such Major Casualty.

**"Managing Party"** is defined in *Section 18.1(a)*.

**"Master Developer"** is defined in *Recital C*.

**"Master Developer Agreements"** means the DDA, the Master Lease, the DA, and related agreements].

**"Master Lease"** is defined in *Recital C*.

**"Material Systems"** is defined in *Section 10.5*.

**"Mello-Roos Taxes"** means special taxes that the City levies in a City Fiscal Year on Taxable Parcels in the Mission Rock CFD in accordance with the RMA, including delinquent special taxes collected at any time by payment or through foreclosure.

**"Memorandum of Lease"** means the Memorandum of this Lease, between Port and Tenant, recorded in the Official Records, in the form of *Exhibit X* attached hereto.

**"Mezzanine Lender"** means a lender which has a security interest in the partnership/membership interest of Tenant.

**"Minimum Net Worth Amount"** is defined in *Section 18.1(a)*.

**"Minimum Public Benefit Area"** is defined in the Basic Lease Information.

**"Mission Rock"** means the master-planned portion of the Mission Rock project that will encompass SWL 337, portions of Terry Francois Boulevard, and the expansion of China Basin Park.

**"Mission Rock CFD"** is a term used to refer to CFD No. XXXX, if and when formed.

**"Mitigation Monitoring and Reporting Program"** means the Mitigation Monitoring and Reporting Program described in *Exhibit K*.

**"Mortgage"** means a mortgage, deed of trust, assignment of rents, fixture filing, security agreement or similar security instrument or assignment of the Leasehold Estate recorded in the Official Records.

**"Net Awards and Payments"** is defined in *Section 15.4*.

**"Net Worth Guarantor"** is defined in *Section 18.1(a)*.

“Net Worth Guaranty” is defined in *Section 18.1(a)*.

“Net Worth Requirement” is defined in *Section 18.1(a)*.

“New Hazardous Material” is defined in *Section 21.6*.

“New Lease” is defined in *Section 40.10*.

“New Lease Execution Period” is defined in *Section 40.10(i)*.

“Non-Disturbance Agreements” is defined in *Section 18.4(a)*.

“Notice for Information” is defined in *Section 5.4(c)*.

“Notice of Special Tax” is defined in *Section 5.2(a)*.

“Notice to Vacate” is defined in *Section 1.1(e)(i)*.

“Official Records” means, with respect to the recordation of Mortgages and other documents and instruments, the Official Records of the City and County of San Francisco.

“Operations Plan” means an operations plan reasonably approved by Port regarding the Handling of Hazardous Materials within, on, or near the Premises and the management of Hazardous Materials risks associated with such operations. Any Operations Plan previously approved by Port may be amended from time to time with the prior consent of Port.

“Other Property Agreements” is defined in *Section 40.12*.

“Outfall Infrastructure Area” means the area in which 30-inch and 12-inch outfalls and related Improvements for stormwater drainage exist on the Premises on the Commencement Date.

“Partial Condemnation” is defined in *Section 15.3(b)*.

“Party” means Port or Tenant, as a party to this Lease; “Parties” means both Port and Tenant, as Parties to this Lease.

“PCBs” is defined in *Section 21.6*.

“Percentage Rent” is defined in *Exhibit D*.

“Permitted Title Exceptions” is defined in *Section 1.1(b)*.

“Permitted Uses” is defined in *Section 3.1*.

“Person” means any individual, partnership, corporation (including, but not limited to, any business trust), limited liability company, joint stock company, trust, unincorporated association, joint venture or any other entity or association, the United States, or a federal, state or political subdivision thereof.

“Personal Property” means all fixtures, furniture, furnishings, equipment, machinery, supplies, software and other tangible personal property that is incident to the ownership, development or operation of the Improvements and/or the Premises, whether now or hereafter located in, upon or about the Premises, belonging to Tenant and/or in which Tenant has or may hereafter acquire an ownership interest, together with all present and future attachments, accessions, replacements, substitutions and additions thereto or therefor.

“Pesticide Ordinance” is described in *Section 21.5*.

“Phase” means one of the integrated stages of horizontal and vertical development for the Project Site as shown in the Phasing Plan.

“Phase Area” means the Development Parcels and other land in the Project Site that are to be developed in a Phase.

**"Phasing Plan"** means DDA Exh A4, which shows the order of development of the Phases and the Development Parcels in each Phase Area, subject to revision under DDA Art. 3 (Phase Approval).

**"Port"** means the San Francisco Port Commission.

**"Port Environmental Risk Policy"** is defined in *Section 17.2*.

**"Port's Repair Notice"** is defined in *Section 10.5*.

**"Potential Assessment"** is defined in *Section 5.4(a)*.

**"Pre-Existing Hazardous Materials"** is defined in *Section 21.6*.

**"Premises"** is defined in the Basic Lease Information.

**"Prevailing party"** is defined in *Section 46.11*.

**"Prime Rate"** means the base rate on corporate loans posted by at least 75% of the nation's 30 largest banks, as published by the Wall Street Journal, or if the Wall Street Journal has ceased to publish the Prime Rate, then such other equivalent recognized source.

**"Prohibited Use"** is defined in *Section 3.2*.

**"Prohibited Use Charge"** is defined in *Section 3.3*.

**"Project"** means the project described in the Scope of Development attached hereto as *Exhibit C-1*, including all Improvements.

**"Project Approvals"** is defined in the Basic Lease Information.

**"Project Area I"** means the area within the IFD covering Mission Rock formed by Ordinance No. 34-18.

**"Property"** is defined in Basic Lease Information.

**"Public Access Area"** means any Horizontal Improvement for public enjoyment, such as a public park, public recreational facility, public access, open space, and other similar public amenities, which may be a rooftop facility, or any area marked as a Public Access Area on *Exhibit B*.

**"public work"** is defined in *Section 12.4(f)*.

**"Qualified Transferee"** is defined in *Section 18.1(a)*.

**"reasonable wear and tear"** is defined in *Section 10.1*.

**"Reassessment"** means a proceeding that a taxpayer initiates under the California Revenue and Taxation Code that results in a reduction in ad valorem taxes assessed against the Premises.

**"Record Drawings"** is defined in *Section 12.6(a)*.

**"Refinancing Proceeds"** is defined in *Section 3.7(e)* of *Exhibit D*.

**"Refinancing"** is defined in *Section 3.7(e)* of *Exhibit D*.

**"Regulatory Agency"** means a City Agency or federal, state, or regional body administrative agency, commission, court, or other governmental or quasi-governmental organization with jurisdiction over any aspect of the Improvements or the Premises or the Project Site.

**"Regulatory Approval"** means any motion, resolution, ordinance, permit, approval, license, registration, permit, utility services agreement, Final Map, or other action, agreement, or entitlement required or issued by any Regulatory Agency with jurisdiction over any portion of the Project Site, as finally approved.

**"Reimbursable Subtenant Costs"** is defined in *Section 18.4(b)(vi)(3)*.

**"Release"** is defined in *Section 21.6*.

**"Remediate" or "Remediation"** is defined in *Section 21.6*.

**"Rent"** means the sum of Base Rent (including all adjustments), Percentage Rent, Sale Proceeds, Refinancing Proceeds, Additional Rent and all other sums payable by Tenant to Port hereunder, including any Late Charges and interest assessed at the Default Rate.

**"Replacement Notice"** is defined in *Section 9.5*.

**"Requested Information"** is defined in *Section 5.4(b)*.

**"Required Uses"** is defined in the Basic Lease Information.

**"Response Period"** is defined in *Section 5.4(c)*.

**"Restoration"** means the restoration, replacement, or rebuilding of the Improvements (or the relevant portion thereof) in accordance with all Laws then applicable. All Restoration will be conducted in accordance with the provisions of *Section 12*. **"Restore"** and **"Restored"** have correlative meanings.

**"RMA"** is an acronym for the Rate and Method of Apportionment.

**"RWQCB"** will mean the San Francisco Bay Regional Water Quality Control Board of Cal/EPA, a state agency.

**"Sale"** is defined in *Section 3.6(e)* of *Exhibit D*.

**"Sale period"** is defined in *Section 40.4(d)*.

**"Sales Proceeds"** is defined in *Section 3.6(e)* of *Exhibit D*.

**"Second NDA Notice"** is defined in *Section 18.4(e)(ii)*.

**"Security Deposit"** is defined in *Section 17.4(a)*.

**"Senior Lender"** is defined in *Section 40.7(a)*.

**"SFPUC"** means the San Francisco Public Utilities Commission.

**"SFPW"** means San Francisco Public Works.

**"Shoreline Protection Facilities"** means future Improvements to protect the San Francisco Bay shoreline from perils associated with seismic events and climate change, including sea level rise and floods, and other public improvements approved by the Port Commission and the Board of Supervisors.

**"Shoreline Protection Project"** means planning, design, and construction of Shoreline Protection Facilities.

**"Sign"** is defined in *Section 3.4*.

**"Significant Change"** is defined in *Section 18.1(a)*.

**"Significant Change Certificate"** is defined in *Section 18.1(b)(ii)*.

**"Soil Management Plan"** is defined in *Section 21.6*.

**"State"** means the State of California.

**"State Lands Indemnified Parties"** means the State of California, the California State Lands Commission, all of its heirs, legal representatives, successors and assigns, and all other Persons acting on its behalf.

**"Sublease"** means any lease, sublease, license, concession or other agreement (including, without limitation, a Sublease to Port) by which Tenant leases, subleases, demises, licenses or otherwise grants to any Person in conformity with the provisions of this Lease, the right to occupy or use any portion of the Premises (whether in common with or to the exclusion of other Persons), and any amendment, modification or supplement thereto.

**"Subleased Space"** means the portion of the Premises subject to a Sublease.

**"Sub-Project Area"** means a sub-project area that the Board of Supervisors established in Project Area I.

**"Subsequent Assessed Value"** means the assessed value of the Premises in any City Fiscal Year after the most recent Baseline Assessed Value was established.

**"Subsequent Construction"** means all repairs to and reconstruction, replacement, addition, expansion, Restoration, alteration or modification of any Improvements, or any construction of additional Improvements, following completion of the Initial Improvements.

**"Substantial Condemnation"** is defined in *Section 15.3(a)*.

**"Subtenant"** means any Person leasing, using, occupying or having the right to occupy any portion of the Premises under and by virtue of a Sublease.

**"SUD"** means Planning Code Section 249.80 establishing the Mission Rock Special Use District, as it may be amended from time to time.

**"Tax Increment"** refers to Allocated Tax Increment or Gross Tax Increment, as appropriate in the context.

**"Taxable Parcel"** means an assessor's parcel of real property or other real estate interest created by each Phase Final Map that is not an Exempt Parcel, which may include leased space occupied for private use in an Exempt Parcel.

**"Tenant"** is defined in the Basic Lease Information, and its permitted successors and assigns.

**"Term"** is defined in *Section 1.2*.

**"Termination Notice for Change in Laws"** is defined in *Section 7.3*.

**"Termination Option"** is defined in *Section 7.3*.

**"Total Condemnation"** is defined in *Section 15.2*.

**"Transportation Demand Management Plan"** means the Transportation Demand Management Plan attached hereto as *Exhibit Y*.

**"Transfer"** is defined in *Section 18.1(a)*.

**"Uninsured Casualty"** is defined in *Section 14.3*.

**"Unmatured Event of Default"** means any default that, with the giving of notice or the passage of time, or both, would constitute an Event of Default.

**"Vertical DDA"** means the Vertical Disposition and Development Agreement between Port and [Tenant, as developer,] dated as of [\_\_\_\_\_].

**"Work"** is defined in *Section 12.5*.

**"Workforce Development Plan"** is defined in *Article 42*.

**"worth at the time of award"** is defined in *Section 25.4*.

**EXHIBIT D**

**RENT**

## EXHIBIT D

### ARTICLE 3

#### RENT

#### 3. Rent.

##### 3.1 Prepaid Rent.

The Parties acknowledge that this Lease is a [Fully Pre-paid] [Hybrid Lease], as that term is defined in the Financing Plan attached as Exhibit C1 to the DDA. On or before the Commencement Date, Tenant will pay to Port the [Pre-Paid Amount] or [Hybrid Amount], as set forth in the Basic Lease Information.

##### 3.2 Tenant's Covenant to Pay Rent.

During the Term, Tenant will pay Rent for the Premises to Port at the times and in the manner provided in this Article 3.

##### 3.3 [Note: include this section for Hybrid Leases only] Base Rent.

From and after the Commencement Date and continuing thereafter throughout the Term, Tenant will pay to Port, in advance on the first day of each calendar month during the Term, without further notice or demand and, except as expressly set forth in **Section 28.2** without abatement, offset, rebate, credit or deduction for any reason whatsoever, monthly installments of rent equal to \_\_\_\_\_ Dollars (\$\_\_\_\_\_.00) (the "Base Rent"). Base Rent will be further adjusted after the Commencement Date in accordance with Section 3.4.

##### 3.4 [Note: include this section for all leases other than fully pre-paid leases] Adjustments to Base Rent.

###### (a) Definitions

"Adjustment Date" means the first day of the eleventh (11<sup>th</sup>) Lease Year and every ten (10) years thereafter.

"Lease Year" means each calendar year starting on January 1 and ending December 31.

(b) Adjustment to Base Rent. On each Adjustment Date, the annual Base Rent payable under this Lease will be adjusted to equal eighty-five percent (85%) of the annual average of the sum of Base Rent and Percentage Rent for the thirty-six (36) month period immediately prior to the applicable Adjustment Date.

### 3.5 Percentage Rent.

#### (a) Definitions.

(i) **"Adjusted Gross Income"** means Gross Income less Adjustments.

(ii) **"Adjustments"** means the following items (without duplication):

(1) all Impositions paid by Tenant and allocated on a straight-line basis during the Lease Year in which the applicable Imposition was paid;

(2) all charges and bills for utilities, including, without limitation, charges for water, gas, oil, sanitary and storm sewer, and electricity paid by Tenant; and

(3) insurance premiums for insuring the Improvements in compliance with **Section 20** and allocated on a straight-line basis during the Lease Year in which the applicable insurance premium was paid.

(iii) **"Gross Income"** means for each Lease Year or portion thereof, the following: all payments, revenues, fees or amounts received by Tenant or by any other party for the account of Tenant from any Person for any Person's use or occupancy of any portion of the Premises (excluding security or other deposits to be returned to such Person upon the termination of such use or occupancy), or from any other sales, advertising, concessions, licensing or programming generated from the Premises, including, without limitation, all base rent, percentage rent, payments made to Tenant from any Subtenant to reimburse Tenant for operating expenses, common area maintenance expenses, insurance expenses, Impositions, or, in the case of tenant improvements and finishes to prepare portions of the Premises for occupancy or use by such Subtenant (other than as set forth below with respect to tenant improvements), license fees, parking charges, advertising revenues, event or promotional fees, charges and permit fees. Without limiting the foregoing, **"Gross Income"** also includes any and all payments made to Tenant from the Business Interruption or delayed opening insurance proceeds. **"Gross Income"** does not include any of the following: (i) proceeds from any sale, transfer, hypothecation or condemnation of all or any part of Tenant's interest in the Lease, (ii) any Refinancing Proceeds or any other capital proceeds, (iii) insurance proceeds arising from a Casualty at the Premises (provided that if such insurance proceeds exceed the actual cost incurred by Tenant to repair and restore the Premises, then the difference will be included in the calculation of Gross Income); (iv) payments from any Subtenant to Tenant to reimburse Tenant for actual costs paid by Tenant to an operator of a parking garage or surface parking lot within Mission Rock for the number of parking spaces paid by such Subtenant; or (v) payments from any Subtenant to reimburse Tenant for Tenant's actual out-of-pocket costs related to materials, labor, and non-affiliated general contractor fees for tenant improvement work performed by Tenant on behalf of Subtenant.

#### (b) Payment of Percentage Rent.

(i) Tenant will pay to Port percentage rent (**"Percentage Rent"**) in accordance with this **Section 3.5**. Tenant will pay to Port Percentage Rent on a quarterly basis equal to [(i)] XX percent (XXX%) of Adjusted Gross Income generated at or from the Premises for the applicable quarter, **[Note: following applicable only for parcels that are publicly offered]**:

(ii) XXX percent (XX%) of Gross Income payable to Tenant from any Subleases for retail use or space [Note: percentage may vary by use]; and (iii) XX percent (XX%) of [housing/commercial rent/revenues]]

(ii) Tenant will determine the actual Percentage Rent payable for each calendar quarter during the Term by the twentieth (20th) day of the immediately following calendar quarter. In the event this Lease expires or terminates on a day other than the last day of a calendar quarter, Percentage Rent for such fractional part of the calendar quarter preceding such expiration or termination date will be prorated to account for the partial calendar quarter and paid within twenty (20) days after such expiration or termination date, but if this Lease terminates as a result of an Event of Default, any amounts due hereunder will be payable immediately upon termination.

(c) Reporting of Percentage Rent.

(i) Tenant will deliver to Port a complete statement setting forth in reasonable detail its Adjusted Gross Income for each calendar quarter, including an itemized list of all Adjustments from Gross Income that Tenant claims and which are expressly permitted under this Lease, and a computation of the Percentage Rent for each calendar quarter (the "**Quarterly Percentage Rent Statement**") substantially in the form of *Exhibit Z*, by the twentieth (20th) day of the immediately following calendar quarter. In addition, Tenant will furnish to Port, within sixty (60) days after the expiration of each Lease Year, a complete statement, showing the computation of Gross Income, Adjusted Gross Income, including an itemized list of all Adjustments from Gross Income that Tenant claims and which are expressly permitted under this Lease, and the Percentage Rent for each calendar quarter in the immediately preceding Lease Year ("**Annual Percentage Rent Statement**," together with the Quarterly Percentage Rent Statement, "**Percentage Rent Statement**") substantially in the form of *Exhibit AA*.

(ii) Tenant will substantiate actual Adjustments with proof of expenditure, which may include: (i) copies of canceled checks, (ii) bills, contracts and invoices marked "Paid", and (iii) and such other proofs of expenditure as may be reasonably approved by Port. All actual Adjustments will be documented no later than in the applicable Annual Percentage Rent Statement.

(iii) A financial officer or other accountant employed by Tenant who is authorized and competent to prepare such Quarterly Percentage Rent Statement must certify each Quarterly Percentage Rent Statement as accurate, complete and current. Each Quarterly Percentage Rent Statement will be certified as accurate, complete and current by a financial officer or other accountant employed by Tenant who is authorized and competent to make such Quarterly Percentage Rent Statement. Each Annual Percentage Rent Statement will be certified as accurate, complete and current by an independent certified public accounting firm, the following of which are pre-approved by Port: Deloitte, EY, KPMG and PwC. Tenant must obtain Port's prior approval, not to be unreasonably withheld, for all other certified public accounting firms certifying each Annual Percentage Rent Statement.

(iv) If Port receives the Percentage Rent payment but does not receive the applicable Percentage Rent Statement by the twentieth (20th) day of the immediately following

calendar quarter for Quarterly Rent Statements and the sixtieth (60<sup>th</sup>) day of the immediately following Lease Year, such failure, until cured, will be treated as a late payment of Percentage Rent, subject to a Late Charge.

(v) If Tenant fails to deliver any Percentage Rent Statement within the time period set forth in this Section 3.5(c) (irrespective of whether any Percentage Rent is actually paid or payable by Tenant to Port) and such failure continues for thirty (30) days after the date Port delivers to Tenant written notice of such failure, Port will have the right, among its other remedies under this Lease, to have a Port Representative examine Tenant's Books and Records (and, to the extent permitted by the applicable Sublease, the Books and Records of any other occupant of the Premises) as may be necessary to determine the amount of Percentage Rent due to Port for the period in question. The determination made by Port Representative will be binding upon Tenant, absent manifest error, and Tenant will promptly pay to Port the total cost of the examination, together with the full amount of Percentage Rent due and payable for the period in question, including any Late Charge and interest at the Default Rate.

(vi) If the Annual Percentage Rent Statement reflects that the Percentage Rent paid by Tenant during the applicable Lease Year is greater than the Percentage Rent actually due for such period, Tenant must submit payment of the balance owing together with such Annual Percentage Rent Statement showing that Tenant has underpaid Percentage Rent. At Port's option, overpayments may be refunded to Tenant, applied to any other amount then due under this Lease and unpaid, or applied to Rent due at the first opportunity following Tenant's delivery of the Annual Percentage Rent Statement showing an overpayment.

### **3.6 Port Participation in Sale Proceeds.**

(a) **[Note: Applicable only for Horizontal Developer Affiliates]** Distribution of, and Port's Participation in, Net Sale Proceeds before Early Transfer Date.

(i) One Hundred Percent (100%) of Net Sale Proceeds from a Sale occurring at any time prior to the Early Transfer Date, less the following deductions in this Section 3.6(a), will be deposited into the DRP Fund.

(1) Tenant's Purchase Price;

(2) Port's Attorneys' Fees and Costs associated with Port's review of the Qualifying Early Sale;

(3) Costs of Sale; and

(4) If the work product that is the subject of the Certified Entitlement Cost is purchased by the Transferee and useful in the construction or entitlement of the Vertical Project, Certified Entitlement Costs related to such purchased work product, if any.

(ii) In addition to payment of Port's share of Net Sale Proceeds in accordance with [Section 3.6(a)], Tenant will pay Port a sum equal to Seventy-Five Thousand Dollars (\$75,000) for each 12-month period following the Commencement Date until the effective date of the Sale. By way of example only, if the Sale occurs on the last day of the twenty-fourth (24<sup>th</sup>) month after the Commencement Date, then Tenant will pay Port One Hundred Fifty Thousand Dollars (\$150,000). If Sale occurs at any time after the first twelve-month period, then the Seventy-Five Thousand Dollar amount will be pro-rated for such shorter period.

(b) Distribution of, and Port's Participation in, Net Sale Proceeds and Reassessment Events after Early Transfer Date.

(i) Sale. Tenant will pay Port one and one-half percent (1.5%) of the Net Sale Proceeds from each Sale occurring on or after the Early Transfer Date.

(ii) Reassessment Event. For purposes of calculating Net Sale Proceeds on a Reappraisal Event, Tenant's Sale Proceeds from such Reappraisal Event will be deemed to be an amount equal to (1) the total ownership interests in Tenant after the Reappraisal Event held by the Person causing the Reappraisal Event (expressed as a percentage of total ownership interests in Tenant), multiplied by (2) the value assigned to the Leasehold Estate, as evidenced by (A) the estimated fair market value of the Leasehold Estate provided to the Assessor-Recorder's in connection with the Reappraisal Event, or (B) if no such estimate is provided to the Assessor-Recorder's, the appraised value of the Leasehold Estate established in an Appraisal Report reasonably approved by Port and Tenant.

(c) Manner of Payment. The estimated closing statement will be updated as of the date of closing of the Sale to show the actual (i) Sale Proceeds from such Sale, and (ii) line item description of the deductions and exclusions from Sale Proceeds to arrive at Port's share of Net Sale Proceeds. If escrow is opened for a Sale, then Port's share of the proceeds from such Sale must be distributed through escrow. If no escrow is opened for a Sale, Port's share of proceeds from such Sale must be paid upon the closing of any such Sale.

This provision constitutes notice to Tenant that Port is to be paid in full its share of Net Sale Proceeds through the close of escrow or the closing of the applicable Sale. If Port is not paid full by such closing date, the amount due Port will be subject to a Late Charge and will accrue interest at the Default Rate from and after the closing until paid in full to Port. Port may reference in any estoppel certificate or other representation requested from Port that payment to Port of Port's share of proceeds from a Sale is a material obligation under the Lease, due and owing upon the closing of any Triggering Event, provided, however, failure to reference such obligation will in no way negate Tenant's obligation to pay, and Port's right to receive. Port's share of Net Sale Proceeds.

Within forty-five (45) days after any Sale, transferor Tenant will submit to Port a statement prepared in accordance with sound accounting principles consistently applied, and certified by transferor Tenant's chief executive officer or chief financial officer (or equivalent position), as current, complete and correct, confirming the actual amount of proceeds received; line item description of the deductions and exclusions from proceeds to arrive at Port's share of Net Sale Proceeds. At Port's option, any overpayments may be either refunded to transferor Tenant or applied to any other amount then due and unpaid under the Lease. Tenant will accompany the statement of Net Sale Proceeds with the amount of any underpayments. The statements delivered to Port under this Section are subject to the audit provisions of Section 3.9 for determination of the accuracy of Tenant's reporting of Port's share of Net Sale Proceeds.

(d) Survival. The provisions of this Section 3.6 will survive the earlier termination or expiration of this Lease for Sales occurring prior to such termination or expiration. Additionally,

any release by Port of Tenant's obligations under this Lease in connection with any Sale is conditioned on Port's receipt of Port's share of Sale Proceeds.

(e) Additional Definitions. The following definitions apply for purposes of this Section 3.6:

"Cash Consideration" means (i) cash, or (ii) cash equivalents.

"Certified Entitlement Costs" means Entitlement Costs, as certified in accordance with *Attachment 1* to this *Exhibit D*.

"Certified Total Development Costs" means the Total Development Costs, as certified in accordance with *Attachment 1 to this Exhibit D*.

"CofO Issuance Date" means the date Port, in its regulatory capacity, issues a certificate of occupancy for the Initial Improvements.

"Costs of Sale" means only the following costs incurred by Tenant in connection with a Transfer: (i) brokerage commissions paid to licensed real estate brokers (provided, however, that in the case of brokerage commissions paid to Affiliate brokers, such commissions must be commercially reasonable), (ii) finder's fees (provided that in the case of finder's fees to Affiliates, such finder's fees must be commercially reasonable), (iii) reasonable and customary closing fees and costs including recording fees and transfer taxes, title insurance premiums and survey fees, (iv) reasonable advertising and marketing costs, and (v) reasonable Attorneys' Fees and Costs. "Costs of Sale" excludes adjustments to reflect prorations of rents, taxes or other items of income or expense customarily prorated in connection with sales of real property.

"Early Transfer Date" means the date that Port issues a site permit and first building permit addendum to allow commencement of construction of the Initial Improvements.

"Entitlement Costs" means Tenant's reasonable out-of-pocket costs actually incurred from and after the effective date of the Vertical DDA until the effective date of the Sale and attributable to the following only: designing the Initial Improvements; costs related to all land use approvals and entitlements, including preparation and processing of design review applications under the SUD and the Design Control, subdivision maps specific to the Premises that do not impact the subdivision map recorded on XXXX, in XXXXX, and costs of compliance with all conditions of approval and CEQA mitigation measures legally required by the City, Port or any other Regulatory Authority as a condition to obtaining the entitlements; architectural, engineering, consultants, community outreach, attorney and other professional fees reasonably necessary to obtain the entitlements; financing costs for loans obtained to finance the Entitlement Costs; Base Rent and Impositions paid (and not reimbursed by the transferee or adjusted at the closing of the Sale) prior to the effective date of the Sale.

"Hard Costs" means reasonable out-of-pocket costs actually incurred by Tenant attributable solely to the cost of labor, materials and construction of the Initial Improvements.

"Hard Costs" do not include the cost of any improvements for any specific or speculative Subtenant or any costs incurred after the issuance of a Certificate of Completion in accordance with Article 13 of the Vertical DDA.

"Initial Tenant" means [insert name of initial tenant entity].

**"Net Sales Proceeds"** means Sale Proceeds less:

- (i) Costs of Sale; and
- (ii) Port's Attorneys' Fees and Costs associated with Port's review of the Sale or Reassessment Event; and
- (iii) if the transferor Tenant (x) constructed the Initial Improvements, Tenant's Purchase Price (but only if such amount is not included in Certified Total Development Costs) plus the Certified Total Development Costs, or (y) if transferor Tenant did not construct the Initial Improvements, Tenant's Purchase Price; and
- (iii) the total amount of any Net Refinancing Proceeds from any Qualifying Refinancing by the transferor Tenant where Port received its share in such proceeds in accordance with Section 3.7(a) below or any Net Sale Proceeds actually received by Port from any Reassessment Event prior to the last Sale in accordance with Section 3.6(b)(ii).

**"Non-Cash Consideration"** means consideration received by Tenant in connection with a Sale that is not Cash Consideration.

**"Reassessment Event"** means a change in ownership of real property as described in [Cal. Revenue and Taxation Code, [Chapter 2 (Change in Ownership and Purchase), Section 64], as that law is in effect as of [\_\_\_\_\_, 2018] and attached hereto as *Exhibit BB*.

**"Recapitalization"** means a transfer, in a single transaction or a related series of transactions that results in a change in the Person that had more than fifty percent (50%) of the ownership interest in Tenant (whether shares, partnership interests, membership interest or other equity, and whether one or more classes thereof, and whether direct or indirect).

**"Sale"** means either a Transfer (other than an Excluded Transfer) or Reassessment Event

**"Sale Proceeds"** means all consideration received by or for the account of Tenant in connection with a Sale, including Cash Consideration, the principal amount of any loan made by Tenant to a purchaser as part of the purchase price, or any other Non-Cash Consideration representing a portion of the purchase price. **"Sale Proceeds"** do not include a commitment by an owner (whether direct or indirect) of Tenant to fund its share of future capital calls to construct the Initial Improvements or Capital Items, in and of itself, will not be considered or deemed to be Recapitalization Proceeds.

**"Soft Costs"** means reasonable out-of-pocket costs actually incurred by the Tenant that actually constructs the Initial Improvements and attributable solely to architectural, engineering, consultant, attorney, and other professional fees, regulatory fees, CEQA mitigation measures, community benefits, Impact Fees (as defined in the Horizontal DDA), Port Costs and Other City Costs (as defined in the Vertical DDA), builder's risk insurance, performance and payment bonds, safety and security measures, and thirty party costs to prepare Certified Total Development Costs, in each case in connection with the Initial Improvements described in the Scope of Development. **"Soft Costs"** do not include costs associated with the design or construction any specific or speculative Subtenant improvements or any costs incurred after the issuance of a Certificate of Completion in accordance with Article 13 of the Vertical DDA.

**"Tenant's Purchase Price"** means (i) in the case of the Initial Tenant, the **"Acquisition Price"** under the Vertical DDA and (ii) in the case of each subsequent tenant following the Initial Tenant, the Sale Proceeds paid by such Tenant to the immediately prior tenant for the Leasehold Estate.

**"Total Development Costs"** means Soft Costs and Hard Costs.

### **3.7 Port Participation in Refinancing Proceeds.**

(a) Port's Participation. In connection with any Qualifying Refinancing, Tenant will pay to Port an amount equal to one and ½ percent (1.5%) of Net Refinancing Proceeds.

(b) Reporting of Refinancing Proceeds. No less than fifteen (15) days prior to the close of escrow for each Refinancing, Tenant will deliver to Port, an estimated closing statement that includes the best estimate of the following items:

(i) Gross proceeds from Refinancing;

(ii) The estimated Net Refinancing Proceeds including a separate line item for each of the costs permitted to be deducted from the gross proceeds from the Refinancing, as applicable to arrive at Net Refinancing Proceeds; and

(iii) The estimated Net Refinancing Proceeds allocated to Port and Tenant.

(c) Manner of Payment. The estimated closing statement will be updated as of the date for close of escrow under the Refinancing to show the actual (i) gross Refinancing Proceeds, (ii) Net Refinancing Proceeds and Port's share thereof, as applicable, and (iii) with respect to any Refinancing, line item description of the deductions and exclusions from Refinancing Proceeds to arrive at Net Refinancing Proceeds. Tenant must pay Port from the close of escrow of any Refinancing, Port's share of the Net Refinancing Proceeds. Port may reference in any estoppel certificate or other representation requested from Port by a Mortgage lender, that payment to Port of Port's share of Net Refinancing Proceeds is a material obligation under the Lease, due and owing at close of escrow of any Refinancing hereunder, provided, however, failure to reference such obligation will in no way negate Tenant's obligation to pay, and Port's right to receive, Port's share of Net Refinancing Proceeds. This provision constitutes notice to Tenant that Port is to be paid in full its share of Refinancing Proceeds through the close of escrow. If Port is not paid full by such closing date, the amount due Port will be subject to a Late Charge and will accrue interest at the Default Rate from and after the closing until paid in full to Port. Within forty-five days (45) after any Refinancing, Tenant will submit to Port a statement, prepared in accordance with sound accounting principles consistently applied, and certified by Tenant's chief executive officer or chief financial officer (or equivalent position) as current, complete and correct, confirming the actual amount of Refinancing Proceeds, disbursed, permitted deductions made from such proceeds, and the amount of Net Refinancing Proceeds due to Port and actually paid to Port. At Port's option, any overpayments will be either refunded to Tenant, applied to any other amount then due and unpaid, or credited against Rent due. Tenant will accompany the statement of Net Refinancing Proceeds with the amount of any underpayments. The statements delivered to Port under this Section 3.7(d) will be subject to the audit provisions of Section 3.9 for determination of the accuracy of Tenant's reporting of Net Refinancing Proceeds.

(d) Survival. The provisions of this Section 3.7 will survive the earlier termination or expiration of this Lease for any Qualifying Refinancing occurring prior to such termination or expiration.

(e) Additional Definitions. The following additional definitions will apply for purposes of this Section.

A     **"Capital Items"** means replacements, repairs, and/or improvements to the Premises, the foundation and structural integrity of the Buildings, and all Material Systems serving the Improvements within the Premises that would be deemed capital assets under general accounting principles consistently applied.

B     **"Net Refinancing Proceeds"** means all gross principal amounts of any Refinancing occurring after the Effective Date hereof (plus, in the event of secondary financing, the original principal balance of any existing financing that is not repaid as a part of such secondary financing), after subtracting the following:

(1)     amounts needed to pay the lenders' actual costs of such Refinancing paid by Tenant including application fees, closing costs, points and other customary lenders' fees such as lenders' Attorneys' Fees and Costs and title insurance costs paid at close of escrow for such Refinancing;

(2)     amounts needed to pay Port's Attorneys' Fees and Costs associated with Port's review of the Refinancing; and

(3)     amounts needed to pay Tenant's Attorneys' Fees and Costs associated with the Refinancing; and

(4)     any portion of the Refinancing Proceeds that will be used for Capital Items approved in accordance with *Sections 10.2(d) and 12.1*;

(5)     brokerage commissions paid to licensed real estate brokers to arrange the Refinancing (provided, however, if commissions are paid to Affiliate brokers, such commissions must be commercially reasonable).

C     **"Qualifying Refinancing"** means any Refinancing that results in positive Net Refinancing Proceeds that is not in connection with (1) a Sale; or (2) the first permanent financing following Completion of the Initial Improvements that is secured by Tenant's leasehold interest in this Lease.

D     **"Refinancing"** means any secured debt financing or refinancing incurred by Tenant and secured by any Mortgage, which may include secured financing from an Affiliate of Tenant and any refinancing or replacement of existing debt secured by a Mortgage (including any permanent take-out financing for financing the construction of the Initial Improvements).

E     **"Refinancing Proceeds"** means all sums actually disbursed by a lender in connection with a Refinancing.

**3.8 Books and Records.** Tenant will keep books and records according to generally accepted accounting principles consistently applied or such other method as is reasonably acceptable to Port. **"Books and Records"** means all of Tenant's books, records, and accounting reports or statements relating to this Lease and the operation and maintenance of the Premises, including, without limitation, cash journals, rent rolls, general ledgers, income statements, bank statements, income tax schedules relating to the Property, and any other bookkeeping documents

Tenant utilizes in its business operations for the Premises or in connection with any Sale or Refinancing. Tenant will maintain a separate set of accounts, including bank accounts, to allow a determination of expenses incurred and revenues generated directly from the Premises, including proceeds and costs incurred from any Sale and Refinancing. If Tenant operates all or any portion of the Premises through a Subtenant or Agent (other than Port), Tenant will cause such Subtenant or Agent to adhere to the foregoing requirements regarding books, records, accounting principles and the like.

**3.9 Audit.** Tenant agrees to make its Books and Records (and, to the extent within Tenant's control, the Books and Records of any other person relating to the matters identified in Section 3.6(b)) available in the City and County of San Francisco to Port, or to any accountant employed or retained by Port or the City who is competent to examine and audit the Books and Records (hereinafter collectively referred to as "**Port Representative**"), for the purpose of examining said Books and Records to determine the accuracy of Tenant's reporting of Gross Income, Adjusted Gross Income, Sale Proceeds, Refinancing Proceeds and Port's share of the foregoing, for a period of five (5) years after the applicable Percentage Rent Statement (or closing statement with respect to a Sale or Refinancing) was delivered to Port. Tenant will reasonably cooperate with Port Representative during the course of any audit; provided however, once commenced, such audit will be diligently pursued to completion by Port within a reasonable time after its commencement. If an audit has commenced and Port claims that errors or omissions have occurred, Tenant will retain the Books and Records and make them available until those matters are resolved.

If an audit reveals that Tenant has understated its Gross Income, Adjusted Gross Income, Sale Proceeds, Net Sale Proceeds, Refinancing Proceeds, or Net Refinancing Proceeds for said audit period, Tenant will pay Port, within fifteen (15) days after receipt of such audit results, the difference between the amount Tenant has paid and the amount it should have paid to Port, plus interest at the Default Rate. If Tenant understates its Gross Income, Sale Proceeds, Refinancing Proceeds, or Port's share of the foregoing proceeds for any audit period by five percent (5%) or more of Tenant's understated amount, Tenant will pay Port's cost of the audit. Any overpayments revealed by an audit will be credited towards Rent payments due subsequent to the audit until credited in full.

**3.10 Manner of Payment.** Tenant will pay all Rent to Port in lawful money of the United States of America at the address for notices to Port specified in this Lease, or to such other Person or at such other place as Port may from time to time designate by notice to Tenant. Base Rent, Percentage Rent, and Port's share of Sale Proceeds and Refinancing Proceeds are payable without prior notice or demand. Rent is due and payable at the times provided in this Lease, provided that if no date for payment is otherwise specified, or if payment is stated to be due "upon demand," "promptly following notice," "upon receipt of invoice," or the like, then such Additional Rent is due thirty (30) days following the giving by Port and the receipt by Tenant of such demand, notice, invoice or the like to Tenant specifying that such sum is presently due and payable.

**3.11 Interest on Delinquent Rent.** Rent not paid when due will bear interest from the date due until paid at an annual interest rate equal to the greater of (i) ten percent (10%) or (ii) five percent (5%) in excess of the Prime Rate that is in effect as of the date payment is due (the "**Default Rate**"). However, interest will not be payable on Late Charges incurred by Tenant or

to the extent such payment would violate any applicable usury or similar law. Payment of interest will not excuse or cure any default by Tenant.

**3.12 Late Charge.** Tenant acknowledges and agrees that late payment by Tenant to Port of Rent, or Tenant's failure to provide the Percentage Rent Statement to Port, will cause Port increased costs not contemplated by this Lease. The exact amount of such costs is extremely difficult to ascertain. Such costs include processing and accounting charges. Accordingly, without limiting any of Port's rights or remedies hereunder and regardless of whether such late payment results in an Event of Default, Tenant will pay a late charge (the "**Late Charge**") equal to the higher of (a) five percent (5%) of all Rent or any portion thereof which remains unpaid more than five (5) days following the date it is due (or with respect to a failure by Tenant to deliver the Percentage Rent Statement to Port within five (5) days following the date it is due, five percent (5%) of Percentage Rent due for the subject period of the Percentage Rent Statement), or (b) [Note: Increase following amount by \$500 every 5 years after execution of the DDA]. One Thousand Dollars (\$1,000)], which amount will be increased by an additional One Thousand Dollars (\$1,000) on the tenth (10th) anniversary of the Commencement Date and every ten (10) years thereafter; provided, however, Tenant will not be subject to a Late Charge more than once every calendar year if Tenant pays the unpaid Rent or delivers the Monthly Statement to Port, as applicable, within five (5) days of written notice from Port of such failure. The Parties agree that the Late Charge represents a fair and reasonable estimate of the cost that Port will incur by reason of a late payment by Tenant.

**3.13 No Abatement or Setoff.** Tenant will pay all Rent at the times and in the manner provided in this Lease without any abatement, setoff, credit, deduction, or counterclaim, except as expressly set forth in *Section 28.2*.

**3.14 Net Lease.** It is the purpose of this Lease and intent of Port and Tenant that all Rent is absolutely net to Port, so that this Lease yields to Port the full amount of Rent at all times during the Term, without deduction, abatement or offset. Under no circumstances, whether now existing or hereafter arising, and whether or not beyond the present contemplation of the Parties is Port expected or required to incur any expense or make any payment of any kind with respect to this Lease or Tenant's use or occupancy of the Premises. Without limiting the foregoing, Tenant is solely responsible for paying each item of cost or expense of every kind and nature whatsoever, the payment of which Port would otherwise be or become liable by reason of Port's estate or interests in the Premises, any rights or interests of Port in or under this Lease, or the ownership, leasing, operation, management, maintenance, repair, rebuilding, remodeling, use or occupancy of the Premises, or any portion thereof. No occurrence or situation arising during the Term, or any Law, whether foreseen or unforeseen, and however extraordinary, relieves Tenant from its liability to pay all of the sums required by any of the provisions of this Lease, or otherwise relieves Tenant from any of its obligations under this Lease, or except as set forth in this Lease, gives Tenant any right to terminate this Lease in whole or in part. Tenant waives any rights now or hereafter conferred upon it by any Law to terminate this Lease or to receive any abatement, diminution, reduction or suspension of payment of such sums, on account of any such occurrence or situation, provided that such waiver will not affect or impair any right or remedy expressly provided Tenant under this Lease.

## ATTACHMENT 1 TO EXHIBIT D

### PROCEDURES TO CERTIFY ENTITLEMENT COSTS AND TOTAL DEVELOPMENT COSTS

#### 1. PORT REPRESENTATIVE.

If Tenant fails to deliver either the Certified Entitlement Cost Statement or the Certified Total Development Cost Statement, as applicable, within the time periods set forth herein, and such failure continues for thirty (30) days after the date Port delivers to Tenant written notice of such failure, Port has the right, among its other remedies under this Lease, to have a Port Representative examine Tenant's books and records as may be necessary to determine all the information required in the Certified Entitlement Cost Statement or Certified Total Development Cost Statement, as applicable. The determination made by Port Representative will be binding upon Tenant, absent manifest error, and Tenant must promptly pay to Port the total cost of the examination.

#### 2. CERTIFIED COST STATEMENT.

(a) *Certified Entitlement Cost Statement.* Within thirty (30) days prior to a Sale occurring before the Early Transfer Date or sixty (60) days following the Early Transfer Date for the Tenant that constructs the Initial Improvements, as applicable, Tenant will furnish Port with an itemized statement setting forth in detail the Entitlement Cost incurred by Tenant to the Building Permit Date or thirty (30) days prior to a Qualifying Early Sale, as applicable, certified as true, accurate and complete by an independent certified public accountant (the "Certified Entitlement Cost Statement").

(b) *Certified Total Development Cost Statement.* Within the earlier of one hundred twenty (120) days following the issuance of a Certificate of Completion or thirty (30) days prior to a Sale after the Early Transfer Date, the Tenant that constructed the Initial Improvements will furnish Port with an itemized statement setting forth in detail the Total Development Cost incurred by such Tenant to the CofO Issuance Date, certified as true, accurate and complete by an independent certified public accountant (the "Certified Total Development Cost Statement").

(b) *Port Review.* Port will notify the Tenant within sixty (60) days following Port's receipt of the Certified Entitlement Cost Statement or the Certified Total Development Cost Statement, as applicable, of Port's agreement or disagreement with such statement. If Port disagrees with any such statement, the Parties will meet to resolve the disagreement. If the Parties are unable to resolve their disagreement, either may Party exercise its rights under Section 3 (Audit Rights) of this Attachment 1 to Exhibit D.

#### 3. AUDIT RIGHTS.

If Port disagrees with either the Certified Entitlement Cost Statement or the Certified Total Development Cost Statement, Port may request that such records be audited by an independent certified public accounting firm mutually acceptable to Port and Tenant, or if the Parties are unable to agree, either Party may apply to the Superior Court of the State of California in and for the County of San Francisco for appointment of an auditor meeting the foregoing qualifications. If the court denies or otherwise refuses to act upon such application, either Party may apply to the American Arbitration Association, or any similar provider of professional commercial arbitration services, for appointment in accordance with the rules and procedures of such organization of an independent auditor. Such audit will be binding on the Parties, except in the case of fraud, corruption or undue influence. Port will pay the entire cost of the audit unless the audit discovers that Tenant has overstated the Entitlement Cost or the Total Development Cost, as applicable, by more than three percent (3%) of the lower amount, in which case Tenant will pay the entire cost of the audit.

**4. BOOKS AND RECORDS RELATED TO TOTAL DEVELOPMENT COSTS.**

Tenant must keep accurate books and records of the Entitlement Costs and Total Development Costs incurred to date, funds expended by Tenant, outstanding Tenant capital, Tenant capital return accrued, and debt or other third-party proceeds received by or on behalf of Initial Tenant in connection with the development of the Initial Improvements, all in accordance with accounting principles generally accepted in the construction industry. Port, including its Agents, has the right to inspect Tenant's books and records regarding the development of the Initial Improvements, the costs incurred in connection therewith, and all other Entitlement Costs and Total Development Costs, including funds expended by Tenant, return accrued on such funds, and debt or other third party proceeds received by or on behalf of Tenant in connection with the development of the Initial Improvements in a location within San Francisco during regular business hours and upon reasonable advance notice.

**EXHIBIT D**  
**ALTERNATE PARKING GARAGE RENT**

**EXHIBIT D**  
**[Alternate for use in Garage Leases]**

**RENT**

**3. RENT.**

**3.1 *Payment of Base Rent and Participation Rent.*** Tenant will pay to Port from and after the Commencement Date and throughout the Term, Base Rent and Participation Rent as set forth in Sections 3.1.1 and 3.1.2.

**3.1.1 *Base Rent.*** **[NTD: No Base Rent payable for Mission Rock Garage, include only in Parcel D Garage Exhibit D, and revise Mission Rock Garage exhibit accordingly]**

(a) Tenant will pay to Port annual Base Rent equal to [\$ \_\_\_\_\_] **[to be completed at execution: 0.25% of the estimated assessed value of the Garage as of completion]**, which shall be paid in monthly installments.

(b) On each tenth (10th) anniversary of the Commencement Date, the Base Rent payable in accordance with Section 3.1.1(a) shall be increased by ten percent (10%).

**3.1.2 *Participation Rent.*** In addition to the Base Rent payable in accordance with Section 3.1.1, Tenant will pay Participation Rent to Port on a annual basis equal to fifty percent (50%) of the amount, if any, by which Net Operating Income for the Lease Year exceeds the quotient of eight and one-half percent (8.5%) and Total Development Costs.

**3.2 *Additional Definitions.***

**"Adjusted Gross Income"** for each Lease Year or portion thereof during the Term shall mean Gross Income less Adjustments.

**"Adjustments"** means the following items (without duplication):

(1) all Impositions paid by Tenant and allocated on a straight-line basis during the Lease Year in which the applicable Imposition was paid;

(2) all taxes (including Parking Taxes), assessments, charges, and bills for utilities, including, without limitation, charges for water, gas, oil, sanitary and storm sewer, and electricity paid by Tenant during the Lease Year;

(3) insurance premiums for insuring the Improvements in compliance with **Section 20** and allocated on a straight-line basis during the Lease Year in which the applicable insurance premium was paid; and

(4) all costs (not including cost of capital, debt service or other financing costs) paid by Tenant for Capital Items and allocated on a straight-line basis; provided however, in any year, the amount of cost for Capital Items will be limited to the portion of the amortized costs of the Capital Items attributable to such Lease Year. For purposes hereof, the amortized costs of the Capital Items will be determined by dividing the cost of such Capital Items by the number of years of useful life of the applicable Capital Items, based on general

accounting principles consistently applied, irrespective of Tenant's actual method of accounting. The minimum amortization period will be five (5) years.

**"Building Permit Date"** means the date Tenant obtains the building permit to commence construction of the Initial Improvements.

**"Capital Items"** means replacements, repairs, and/or improvements to the Premises, the foundation and structural integrity of the Buildings, and all Material Systems serving the Improvements within the Premises that would be deemed capital assets under general accounting principles consistently applied.

**"Certified Entitlement Costs"** means Entitlement Costs, as certified in accordance with *Attachment 1 to this Exhibit D*.

**"Certified Total Development Costs"** means the Total Development Costs, as certified in accordance with *Attachment 1 to this Exhibit D*.

**"Entitlement Costs"** means Tenant's reasonable out-of-pocket costs actually incurred from and after the effective date of the Vertical DDA until the Building Permit Date and attributable to the following only: designing the Initial Improvements; costs related to all land use approvals and entitlements, including preparation and processing of design review applications under the SUD and the Design for Development, subdivision maps, and costs of compliance with all conditions of approval and CEQA mitigation measures legally required by the City, Port or any other Regulatory Authority as a condition to obtaining the entitlements; architectural, engineering, consultants, community outreach, attorney and other professional fees reasonably necessary to obtain the entitlements.

**"Gross Income"** means for any Lease Year or portion thereof during the Term, the following: all payments, revenues, fees or amounts received by Tenant or by any other party for the account of Tenant from any Person for any Person's use of the Parking Garage, including, without limitation, all base rent, percentage rent, payments made to Tenant from any Subtenant to reimburse Tenant for operating expenses, common area maintenance expenses, insurance expenses, Impositions, or, in the case of tenant improvements and finishes to prepare portions of the Premises for occupancy or use by such Subtenant, license fees, parking charges, advertising revenues, event or promotional fees, charges and permit fees, and payments made to Tenant pursuant to the Garage REA to reimburse Tenant for any Operating Expenses. Without limiting the foregoing, "Gross Income" also includes any and all payments made to Tenant from the Business Interruption or delayed opening insurance proceeds.

**"Hard Costs"** means reasonable out-of-pocket costs actually incurred by Tenant attributable solely to the cost of labor, materials and construction of the Initial Improvements described in the Scope of Development.

**"Initial Tenant"** means [NTD: insert name of initial tenant entity].

**"Net Operating Income"** for any Lease Year or portion thereof during the Term shall mean the amount by which Adjusted Gross Income for such Lease Year or portion thereof exceeds the Operating Expenses attributable to such Lease Year or portion thereof, using a cash accounting method unless otherwise specifically provided in the Lease.

**"Operating Expenses"** shall mean all expenses, fees and costs, without duplication, incurred in connection with the operation, management, ownership, insurance, maintenance or

repair of the Premises, including any subsurface area and the Buildings and Improvements located thereon, and any other amounts paid by Tenant (including management fees, brokerage commissions and fees, common area maintenance expenses, license or permit fees or charges, deposits or security paid to service providers or utility companies servicing the Premises, and costs of marketing, advertising, legal, accounting, reletting, lease/license inducements, lease/license buy outs, rent subsidies, moving expenses, tenant improvements and hazardous materials remediation, clean-up or restoration, and payments made by Tenant pursuant to the Garage REA). Operating Expenses shall be reasonable and shall not exceed prevailing and competitive rates for the particular item (taking into account the scope of the services, the financial strength, reputation and quality of the selected contractor, the urgency of the situation and the requirement that harmonious labor relations be maintained within the Project).

**"Parking Taxes"** means all sums collected by Tenant to pay any parking tax required by Article 9 of the Business and Tax Regulations Code, to the extent such amounts are in fact paid to the appropriate governmental entities for which they are collected.

**"Soft Costs"** means reasonable out-of-pocket costs actually incurred by the Tenant that actually constructs the Initial Improvements and attributable solely to architectural, engineering, consultant, attorney, and other professional fees, regulatory fees, CEQA mitigation measures, community benefits, Impact Fees (as defined in the Horizontal DDA), Port Costs and Other City Costs (as defined in the Vertical DDA), builder's risk insurance, performance and payment bonds, safety and security measures, and thirty party costs to prepare Certified Total Development Costs, in each case in connection with the Initial Improvements described in the Scope of Development.

**"Tenant's Purchase Price"** means the **"Acquisition Price"** under the Vertical DDA by the Initial Tenant.

**"Total Development Costs"** means Tenant's Purchase Price, Certified Entitlement Costs, Soft Costs, and Hard Costs.

### 3.3 ***Reporting of Participation Rent.***

3.3.1 Tenant will deliver to Port a complete statement setting forth in reasonable detail the computation of Participation Rent for each Lease Year, including an itemized list of all adjustments and deductions relating to the calculation of Participation Rent (the **"Participation Rent Statement"**) by the twentieth (20th) day of the immediately following the end of such Lease Year. A financial officer or other accountant employed by Tenant who is authorized and competent to prepare such Participation Rent Statement must certify each Participation Rent Statement as accurate, complete and current.

3.3.2 If Port receives the Participation Rent payment but does not receive the applicable Participation Rent Statement by the twentieth (20th) day of the immediately following the end of such Lease Year, such failure, until cured, will be treated as a late payment of Participation Rent, subject to a Late Charge.

3.3.3 If Tenant fails to deliver any Participation Rent Statement within the time period set forth in this Section 3.3 (irrespective of whether any Participation Rent is actually paid or payable by Tenant to Port) and such failure continues for thirty (30) days after the date Port delivers to Tenant written notice of such failure, Port will have the right, among its other remedies under this Lease, to have a Port Representative examine Tenant's Books and Records

(and, to the extent permitted by the applicable Sublease, the Books and Records of any other occupant or user of the Premises) as may be necessary to determine the amount of Participation Rent due to Port for the period in question. The determination made by Port Representative will be binding upon Tenant, absent manifest error, and Tenant will promptly pay to Port the total cost of the examination, together with the full amount of Participation Rent due and payable for the period in question, including any Late Charge and interest at the Default Rate.

3.3.4 In the event this Lease expires or terminates on a day other than the last day of a Lease Year, Participation Rent for such fractional part of the Lease Year preceding such expiration or termination date will be prorated to account for the partial Lease Year and paid within twenty (20) days after such expiration or termination date, but if this Lease terminates as a result of a Tenant Event of Default, any amounts due hereunder will be payable immediately upon termination.

3.4 **Books and Records.** Tenant will keep books and records according to generally accepted accounting principles consistently applied or such other method as is reasonably acceptable to Port. "**Books and Records**" means all of Tenant's books, records, and accounting reports or statements relating to this Lease and the operation and maintenance of the Premises, including, without limitation, cash journals, rent rolls, general ledgers, income statements, bank statements, income tax schedules relating to the Property, and any other bookkeeping documents Tenant utilizes in its business operations for the Premises. Tenant will maintain a separate set of accounts, including bank accounts, to allow a determination of expenses incurred and revenues generated directly from the Premises. If Tenant operates all or any portion of the Premises through a Subtenant or Agent (other than Port), Tenant will cause such Subtenant or Agent to adhere to the foregoing requirements regarding books, records, accounting principles and the like.

3.5 **Audit.** Tenant agrees to make its Books and Records (and, to the extent within Tenant's control, the Books and Records of any other person relating to the calculation of Participation Rent) available in the City and County of San Francisco to Port, or to any accountant employed or retained by Port or the City who is competent to examine and audit the Books and Records (hereinafter collectively referred to as "**Port Representative**"), for the purpose of examining said Books and Records to determine the accuracy of Tenant's reporting of Gross Income or Net Income, for a period of five (5) years after the applicable Participation Rent Statement was delivered to Port. Tenant will reasonably cooperate with Port Representative during the course of any audit; provided however, once commenced, such audit will be diligently pursued to completion by Port within a reasonable time after its commencement. If an audit has commenced and Port claims that errors or omissions have occurred, Tenant will retain the Books and Records and make them available until those matters are resolved.

If an audit reveals that Tenant has understated Participation Rent for said audit period, Tenant will pay Port, within fifteen (15) days after receipt of such audit results, the difference between the amount Tenant has paid and the amount it should have paid to Port, plus interest at the Default Rate. If Tenant understates Participation Rent for any audit period by five percent (5%) or more of Tenant's understated amount, Tenant will pay Port's cost of the audit. Any overpayments revealed by an audit will be credited towards Rent payments due subsequent to the audit until credited in full.

3.6 **Manner of Payment.** Tenant will pay all Rent to Port in lawful money of the United States of America at the address for notices to Port specified in this Lease, or to such other Person or at such other place as Port may from time to time designate by notice to Tenant. Participation Rent is payable without prior notice or demand. Rent is due and payable at the times provided in this Lease, provided that if no date for payment is otherwise specified, or if payment is stated to be due "upon demand," "promptly following notice," "upon receipt of invoice," or the like, then such Additional Rent is due thirty (30) days following the giving by Port and the receipt by Tenant of such demand, notice, invoice or the like to Tenant specifying that such sum is presently due and payable.

3.7 **Interest on Delinquent Rent.** Rent not paid when due (or in the case of Participation Rent, if not reported when due or applied when due) will bear interest from the date due until paid (or, for Participation Rent, when reported or when applied) at an annual interest rate equal to the greater of (i) ten percent (10%) or (ii) five percent (5%) in excess of the Prime Rate that is in effect as of the date payment is due (the "**Default Rate**"). However, interest will not be payable on Late Charges incurred by Tenant or to the extent such payment would violate any applicable usury or similar law. Payment of interest will not excuse or cure any default by Tenant.

3.8 **Late Charge.** Tenant acknowledges and agrees that late payment by Tenant to Port of Rent, or Tenant's failure to provide the Participation Rent Statement to Port, will cause Port increased costs not contemplated by this Lease. The exact amount of such costs is extremely difficult to ascertain. Such costs include processing and accounting charges. Accordingly, without limiting any of Port's rights or remedies hereunder and regardless of whether such late payment results in a Tenant Event of Default, Tenant will pay a late charge (the "**Late Charge**") equal to the higher of (a) five percent (5%) of all Rent or any portion thereof which remains unpaid more than five (5) days following the date it is due (or with respect to a failure by Tenant to deliver the Participation Rent Statement to Port within five (5) days following the date it is due, five percent (5%) of Participation Rent due for the subject period of the Participation Rent Statement), or (b) One Thousand Dollars (\$1,000), which amount will be increased by an additional One Thousand Dollars (\$1,000) on the tenth (10th) anniversary of the Commencement Date and every ten (10) years thereafter; provided, however, Tenant will not be subject to a Late Charge more than once every calendar year if Tenant pays the unpaid Rent or delivers the Participation Rent Statement to Port, as applicable, within five (5) days of written notice from Port of such failure. The Parties agree that the Late Charge represents a fair and reasonable estimate of the cost that Port will incur by reason of a late payment by Tenant.

3.9 **No Abatement or Setoff.** Tenant will pay all Rent at the times and in the manner provided in this Lease without any abatement, setoff, credit (other than the Maintenance Rent Credits), deduction, or counterclaim.

3.10 **Net Lease.** It is the purpose of this Lease and intent of Port and Tenant that all Rent is absolutely net to Port, so that this Lease yields to Port the full amount of Rent at all times during the Term, without deduction, abatement or offset. Under no circumstances, whether now existing or hereafter arising, and whether or not beyond the present contemplation of the Parties is Port expected or required to incur any expense or make any payment of any kind with respect to this Lease or Tenant's use or occupancy of the Premises. Without limiting the foregoing and except as expressly stated in this Lease, Tenant is solely responsible for paying each item of cost or expense of every kind and nature whatsoever, the payment of which Port would otherwise be

or become liable by reason of Port's estate or interests in the Premises, any rights or interests of Port in or under this Lease, or the ownership, leasing, operation, management, maintenance, repair, rebuilding, remodeling, use or occupancy of the Premises, or any portion thereof. No occurrence or situation arising during the Term, or any Law, whether foreseen or unforeseen, and however extraordinary, relieves Tenant from its liability to pay all of the sums required by any of the provisions of this Lease, or otherwise relieves Tenant from any of its obligations under this Lease, or except as set forth in this Lease, gives Tenant any right to terminate this Lease in whole or in part. Tenant waives any rights now or hereafter conferred upon it by any Law to terminate this Lease or to receive any abatement, diminution, reduction or suspension of payment of such sums, on account of any such occurrence or situation, provided that such waiver will not affect or impair any right or remedy expressly provided Tenant under this Lease.

3.11 ***Survival.*** Tenant's obligation to pay any unpaid Rent due and payable will survive the expiration or earlier termination of this Lease.

## PARCEL LEASE EXHIBIT I - ASSESSORS INFORMATION

### Overview of major events

- Pre-event information
- Assessable/actionable events for ASR
  - Initial land sale/transfer of title
  - Mapping
  - Tax certificates
  - Lien date new construction
  - Completed new construction
  - Final ownership changes/sales to users

### Pre-event information

- Project timeline of major events
- Points of contact for the project (City PM, developer, etc.)
- Physical boundaries and clear legal descriptions of what is being conveyed, built, sold, etc. in each phase of the project and at the time of map recordation
- Anticipated final land use for each phase of the project
- Current federal/state maps if available

*Advance notice and communication of updates at each step in the process*

### Event information

1. Initial land sale / transfer of title
  - a. Assessable: any recorded change in ownership or ground lease/changes to existing ground lease
  - b. Information needed:
    - i. Deeds (transfer maps do not convey title for ASR purposes)
    - ii. Subdivision maps and how they correspond to recorded deeds
    - iii. Appraisal for transfers from government entities or non-arm's length transactions
  - c. Timing: at the time of recording for a basis of calculating transfer tax
2. Mapping
  - a. Justification/Purpose: ASR needs this information to reserve new block and lot numbers for the project.
  - b. Information needed:
    - i. Tentative maps that overlay future parcel changes and project phases (with current APNs and future reserved APNs)
    - ii. Federal/state maps if applicable
    - iii. Timeline of subdivision activity and how the current parcels will be divided/combined/adjusted in each phase of the subdivision
    - iv. Initial subdivision maps and what deeds they correspond to
  - c. Timing:
    - i. Upon request to reserve APNs for new project

3. Tax certificates (Treasurer & Tax Collector's Office provides to ASR)

- a. Justification: ASR needs this information to (1) ensure that any outstanding changes in ownership have been recorded and any completed or anticipated new construction has been valued and (2) to generate a new assessed value for TTX to use for tax pre-payment purposes.
- b. Information needed:
  - i. Pre-final map
  - ii. TTX Form A and B (depending on how complicated the development is)
- c. Timing: whenever requested by the taxpayer, ASR has four weeks to review and determine new value

4. Lien date new construction

- a. Justification/Purpose: ASR needs this information to accurately assess the value of new construction in progress as of January 1<sup>st</sup> as required by the Revenue & Taxation Code.
- b. Information needed:
  - i. The date construction started and the estimated completion date. If construction was in progress on January 1<sup>st</sup>, the percentage of construction completed.
  - ii. A complete list of all the construction and/or demolition cost incurred as of this date, including direct and indirect costs and entrepreneurial profit. *(sample provided for reference)*
  - iii. Copies of any leases signed.
  - iv. A detailed description of all work to be completed or any changes to the work description.
  - v. A copy of the pro forma, feasibility study or appraisal used to support the building of this project.
  - vi. Copies of all application for building permits.
  - vii. Certified copy of the lender's disbursement of funds.
  - viii. Cost not funded by construction loan.
  - ix. Details on any current or anticipated efforts to sell the property, if applicable.
  - x. Any additional information, if not referenced above, that would influence the market value of the property.
  - xi. Name, mailing address, phone number and e-mail of person(s) to contact regarding additional questions and inspection of property.
- c. Timing:
  - i. By January 31<sup>st</sup> of each year the construction is in progress

5. Completed new construction

- a. Justification: ASR needs this information to accurately assess the value of completed new construction as of the date of completion as required by the Revenue & Taxation Code.
- b. Information needed:
  - i. All property types
    - 1. The date construction started and completion date.
    - 2. A detailed description of all work completed (attach referenced floor plans, etc.)
    - 3. Copies of all applications for building permits.
    - 4. A complete list of all construction costs (see form) including direct, indirect costs and anticipated or actual entrepreneurial profit.
    - 5. Detailed information on costs not funded by construction loans.
    - 6. A copy of the pro forma, feasibility study or appraisal used to support the building of this project.
    - 7. Details on any current or anticipated efforts to sell the property, if applicable.
    - 8. Copies of any leases signed or currently in negotiation. Please include asking rents for spaces not leased.
    - 9. A copy of the land lease or other document that indicates the value of the land, if applicable.
    - 10. Projected or actual income and expense statement and a schedule of asking rent, if applicable. For actual statements, please provide the source document.

11. Certified copy of the lender's disbursement of funds.
  12. Details on parking stall rents and any miscellaneous income.
  13. Any appraisal completed.
  14. Any additional information, if not referenced above, that would influence the market value of the property.
  15. Name, address, phone number and email of person to contact for questions/arrange for a site inspection.
- ii. Office
1. Rent roll showing net rentable areas by floor and area leased by each tenant; the type of lease (FSG, NNN or IG); the date and terms of each lease; the move in date; options to renew; escalation clauses; tax clauses; free rent or any lease concessions, landlord tenant improvement allowances.
  2. The gross and net rentable areas of the building.
  3. Projected or actual sales volume of the property.
  4. A copy of any existing operating agreements, if applicable.
  5. A copy of the feasibility study.
  6. A copy of the stacking plan, if applicable.
  7. XFactor or BOMA recalculation of square footage, if applicable.
  8. If the construction project includes a parking garage:
    - a. How will it be operated (i.e. leased to a second party for contract rent or net income to the owner)?
    - b. What is the anticipated number of spaces and vehicle capacity (with valet services if applicable)?
    - c. What will be the monthly fee for parking?
- iii. Retail
1. Rent roll showing net rentable areas by floor and area leased by each tenant; the type of lease (FSG, NNN or IG); the date and terms of each lease; the move in date; options to renew; escalation clauses; tax clauses; free rent or any lease concessions, landlord tenant improvement allowances.
  2. The gross and net rentable areas of the building.
  3. Details on parking stall rents and any miscellaneous income.
  4. Projected or actual sales volume of the property.
  5. A copy of the operating agreement signed with the mall owner, if applicable.
- iv. Apartments
1. Tenant Rent Roll for residential and commercial units that includes the unit number, unit type (number of beds/baths), number of rooms, market rate or BMR unit, occupancy, square footage, contract rental rate, date lease signed, market rental rate, other fees collected – parking, storage, pet. Overall parking spaces, any upgrades, floor and view premiums (if applicable). Please provide a rent roll as of the certificate of occupancy and/or when stabilized occupancy is achieved.
  2. A finish schedule.
  3. Total square footage of improvements allocated by use (residential, retail, common area, parking, etc.). Area (sq. ft.) of each floor including basement, mezzanine, penthouse, etc.
- v. Condos
1. The Parcel Split/Condo Conversion Questionnaire (*attached, Excel is strongly preferred.*)
  2. For any units retained by the developer (i.e. parking, storage, retail, etc.), please provide copies of any signed leases, details on any leases in negotiation or proposed, or a summary of asking rents. Include a tenant rent roll, projected or actual income and expense statements, and net rentable area of each retained unit.
  3. Condo map/plan (if applicable) – required for us to split a new condo project or condo conversion

vi. Hotel

1. A list of the number of hotel rooms, the average daily rates, and projected occupancy levels.
  2. Percentage of guest segmentation.
  3. A copy of the Management Agreement.
  4. A copy of the Franchise Fee Agreement, specifically identifying the franchise fees and how they are determined.
  5. Breakdown of real property and personal property.
  6. Current or projected rent roll showing any net rentable areas of the building by floor and area leased by each retail tenant (if any); the type of lease (FSG, NNN, or IG); the date and terms of each lease, the move in date; options to renew, escalation clauses, tax clauses, free rent or any lease concessions, or landlord/tenant improvement allowances. If there are no leasable office or retail areas on the property, so state.
- c. Timing: within 60 days upon completion of construction for each project phase

6. Final ownership changes/sales to users

- a. Event: any recorded change in ownership or new lease/changes to existing lease
- b. Information needed:
  - i. All property types
    1. Information about the sale:
      - a. The purchase agreement and closing statement
      - b. Identify the broker or agent on the sale
      - c. Original list price
      - d. Days on market
    2. Details and terms of financing the property.
    3. Details on any anticipated deferred maintenance costs or capital expenditures anticipated by buyer at the time of the sale (i.e. renovations, major repairs, seismic retrofitting, and asbestos abatement) and a detailed schedule of when the work is to be completed.
    4. If the purchase price was not considered market value for the property, an explanation of why.
    5. Detailed anticipated income and expense operating statements of the new owner at time of purchase and/or acquisition and the prior two (2) years.
    6. Copies of any leases or lease abstracts, amendments or renewals, including free rent and tenant improvement allowances agreed to.
    7. Marketing materials and/or asking rents to lease vacant space as of the transfer date.
    8. Any anticipated changes in use.
  - ii. Office
    1. A copy of the Offering Memorandum distributed by selling agent.
    2. Copies of any appraisal prepared for purchase financing.
    3. The investor's pro-forma and market rent assumptions generated by Argus investment analysis or other format (Excel preferred).
    4. A rent roll as of the change in ownership date showing; all tenants with corresponding suite numbers, suite sizes (sf), monthly or annual rent, date and terms of leases, scheduled rent escalations and any vacant rentable space (Excel format preferred).
    5. Indicate if any lease expense agreements are other than full-service gross with a base year (FSG).
    6. If vacancy is above 10%, provide historical vacancy or occupancy ratios (on an annual or bi-annual basis) over the previous three (3) years.
    7. A detailed annual income and expense summary for the year of sale and the prior two (2) years. If historical income and operating statements were not provided by the seller, please substitute your operating budget as of the purchase date (Excel format preferred).

iii. Retail

1. Any cash flow analysis, pro forma worksheets or investment analysis in the acquisition of the property.
2. Any appraisal prepared for the acquisition or financing of the subject property.
3. Details on the financing involved for the purchase and/or acquisition of the subject property.
4. Current rent roll showing net rentable areas by floor and area leased by each tenant; the type of lease (FSG, NNN or IG); the date and terms of each lease; the move in date; options to renew; escalation clauses; tax clauses; free rent or any lease concessions, landlord tenant improvement allowances.
5. The gross and net rentable areas of the building.
6. At the time of transfer, indicate the amount of net rentable vacant space, identify its location within the building and indicate the asking rental rates.
7. The anticipated sales volume of the property.

iv. Apartments

1. Rent roll as of the change in ownership date, showing the list of all tenants with monthly rent and move-in date. For retail tenants, please provide copies of the lease(s), including any amendments or renewals (Excel format preferred).
2. The anticipated rental rates for any vacant units.
3. The anticipated operating income and expenses at the time of purchase/change in ownership. If available, provide the operating income and expenses statements for the two (2) years preceding change in ownership (Excel format preferred).
4. Details on any miscellaneous income (parking, laundry, storage, etc.)
5. A copy of any appraisal prepared for any purpose (financing, insurance, investment) within two (2) years of the event date.
6. A description of each unit; number of rooms, bedrooms, bathrooms, furnished or unfurnished.

v. Hotel

1. Any appraisal, pro forma or feasibility study made to assist in the acquisition of the subject property, or for any other purpose (i.e. insurance, investment, financing) prepared within two (2) years of the event date.
2. List of the number of hotel rooms, the average daily rates and occupancy levels as of the change in ownership date and for the previous two (2) years.
3. The guest segmentation, by percentage.
4. Detailed, historic income and expense statement for the two (2) years prior to the event date, and the budgeted or anticipated income and expense statement for the first year following the change in ownership date.
5. Copy of the Management Agreement.
6. Copy of the Franchise Agreement, specifically identifying the franchise fees and how they are determined.
7. Copy of the Smith Travel Report for the property, as of the same year as the change in ownership.
8. The current rent roll showing net rentable areas by floor and area leased by each retail tenant (if any); the type of lease (FSG, NNN or IG); the date and terms of each lease; the move in date; options to renew; escalation clauses; tax clauses; free rent or any lease concessions, landlord tenant improvement allowances. If there are no leasable areas of the property, so state.
9. Copy of the sale agreement with detailed itemizations of all real property and business personal property components included in the sale.

vi. Single Family Homes/Condos

1. No additional information needed, recorded deed is sufficient

c. Timing: within 60 days of a change to the fee owner of the property

**EXHIBIT J**

**LEASING ACTIVITY REPORT**

Parcel Lease Exhibit J

Form of Leasing Activity Report

**LEASING ACTIVITY REPORT**

Parcel: [ ]

Date: [ ]

This Leasing Activity Report is being delivered to Port pursuant to Section 9.3(a) of that certain Lease dated \_\_\_\_\_ by and between \_\_\_\_\_ ("Tenant") and the Port. Initially capitalized terms used herein are defined in the Lease.

| Item  | As of the Above-Listed Date |
|---|-----------------------------|
| Total square footage available for Sublease at the Premises   |                             |
| Total square footage of Subleased Space   |                             |
| Number of Subtenants  |                             |
| Average rental rate for Subleased Space (expressed as monthly rate of dollars per square foot of Subleased Space)   |                             |
| Gross revenues from the Premises<br>[Note: If gross revenues haven't been made available in other public forums, such as government filings, then Tenant is not required to disclose the same in this Leasing Activity Report and may write "N/A" in the column at right] |                             |

The contents of this Leasing Activity Report were prepared by the undersigned, who, as an officer of the Tenant, certified that to the best of his/her knowledge this Leasing Activity Report is a true and correct copy. The undersigned has executed this Leasing Activity Report in his/her capacity as an officer of Tenant, and shall incur no personal liability in connection herewith.

### **Mitigation Monitoring and Reporting Program**

# Parcel Lease Exhibit K

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT  |   |   |   |   |
|---|---|---|---|---|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.  |   |   |   |   |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL  | Implementation Responsibility   | Mitigation Schedule                       | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule   |
| MITIGATION MEASURES FOR THE SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |   |   |   |   |
| <i>Cultural Resources (Archaeological Resources) Mitigation Measures</i>  |   |   |   |   |
| <p><b>M-CP-2: Archeological Testing.</b></p> <p>Based on a reasonable presumption that archeological resources may be present within the project site, the following measures shall be undertaken to avoid any potentially significant adverse effect from the proposed project on buried or submerged historical resources. The project sponsor shall retain the services of an archeological consultant from the rotational Qualified Archeological Consultants List (QACL) maintained by the Planning Department archeologist. The project sponsor shall contact the Planning Department archeologist to obtain the names and contact information for the next three archeological consultants on the QACL. The archeological consultant shall undertake an archeological testing program as specified herein. In addition, the consultant shall be available to conduct an archeological monitoring and/or data recovery program if required pursuant to this measure. The archeological consultant's work shall be conducted in accordance with this measure at the direction of the Environmental Review Officer (ERO). All plans and reports prepared by the consultant, as specified herein, shall be submitted first and directly to the ERO for review and comment and shall be considered draft reports subject to revision until final approval by the ERO. Archeological monitoring and/or data recovery programs required by this measure could suspend construction of the project for up to a maximum of 4 weeks. At the direction of the ERO, the suspension of construction can be extended beyond 4 weeks only if such a suspension is the only feasible means to reduce to a less-than-significant level of potential effects on a significant archeological resource, as defined in CEQA Guidelines, Sections 15064.5 (a) and (c).</p> | <p>Permittee for horizontal improvements, such as infrastructure, in public right-of-ways, and public spaces (hereinafter "infrastructure developer") or vertical developer(s) for work on vertical development parcels and related improvements (hereinafter "vertical developer(s)");<sup>1</sup> as applicable, to retain qualified professional archaeologist from the rotational pool of archaeological consultants maintained by the Planning</p> | <p>Prior to issuance of site permits.</p> | <p>Infrastructure developer or vertical developer, as applicable, to retain the qualified archeological consultant for the project who shall report to the ERO. Qualified archeological consultant will scope archeological testing program with ERO.</p> | <p>Considered complete when infrastructure developer or vertical developer(s), as applicable, retains a qualified professional archaeological consultant and archaeological consultant has approved scope by the ERO and submits any required reports to ERO for the archeological testing program.</p> |

<sup>1</sup> Where applicable, "vertical developer" includes the Pier 48 developer.

| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.  |  |  |   |   |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL  | Implementation Responsibility  | Mitigation Schedule  | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule   |
| <p><i>Consultation with Descendant Communities:</i> On discovery of an archeological site<sup>2</sup> associated with descendant Native Americans, the overseas Chinese, or other potentially interested descendant group, an appropriate representative<sup>3</sup> of the descendant group and the ERO shall be contacted. The representative of the descendant group shall be given the opportunity to monitor archeological field investigations of the site and offer recommendations to the ERO regarding appropriate archeological treatment of the site, recovered data from the site, and, if applicable, interpretative treatment of the associated archeological site. A copy of the final archeological resources report shall be provided to the representative of the descendant group.</p> | Department.<br><br>Infrastructure developer or vertical developer(s) (as applicable) and archeological consultant. | For the duration of soil-disturbing activities and data recovery of potentially significant archeological sites. | Infrastructure developer or vertical developer(s) (as applicable) and/or archeological consultant shall contact the ERO and descendant group representative upon discovery of an archeological site associated with descendant Native Americans, Overseas Chinese, or interested descendant group. The representative of the descendant group shall be given the opportunity to monitor archeological field investigations on the site and consult with the ERO regarding appropriate archeological treatment of the site, of recovered data from the site, and, if applicable, any interpretative treatment of the associated archeological site. Archeological Consultant shall prepare a Final Archeological Resources | Considered complete upon submittal of Final Archeological Resources Report. |

<sup>2</sup> The term "archeological site" is intended here to include any archeological deposit, feature, burial, or evidence of burial.

<sup>3</sup> An "appropriate representative" of the descendant group is here defined to mean, in the case of Native Americans, any individual listed in the current Native American contact list for the City and County of San Francisco maintained by the NAHC or, in the case of overseas Chinese, the Chinese Historical Society of America. An appropriate representative of other descendant groups should be determined in consultation with the department archeologist.

|--|--|--|---|--|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |  |  |   |  |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation Responsibility  | Mitigation Schedule  | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule  |
|  |  |  | Report in consultation with the ERO (per below). A copy of this report shall be provided to the ERO and the representative of the descendant group.   |  |
| <i>Archeological Testing Program.</i> The archeological consultant shall prepare and submit to the ERO for review and approval an archeological testing plan (ATP). The archeological testing program shall be conducted in accordance with the approved ATP. The ATP shall identify the property types of the expected archeological resource(s) that could be adversely affected by the proposed project, the testing method to be used, and the locations recommended for testing. The purpose of the archeological testing program will be to determine, to the extent possible, the presence or absence of archeological resources and identify and evaluate whether any archeological resource encountered on the site constitutes a historical resource under CEQA.   | Infrastructure developer or vertical developer(s) (as applicable) and archaeological consultant in consultation with the ERO. Development of ATP for a defined geographic area and/or specified construction activities. | Prior to any excavation, site preparation or construction, and prior to testing, submit an ATP for a defined geographic area and/or specified construction activities to and obtain approval by the ERO. A single ATP or multiple ATPs may be produced to address project phasing. | Archaeological consultant to undertake ATP in consultation with ERO.  | Prior to any soil disturbing activities. Considered complete upon approval of the ATP by the ERO and finding by the ERO that the ATP is implemented. |
| At the completion of the archeological testing program, the archeological consultant shall submit a written report of the findings to the ERO. If, based on the archeological testing program, the archeological consultant finds that significant archeological resources may be present, the ERO, in consultation with the archeological consultant, shall determine if additional measures are warranted. Additional measures that may be undertaken include additional archeological testing, archeological monitoring, and/or an archeological data recovery program. No archeological data recovery shall be undertaken without the prior approval of the ERO or the Planning Department archeologist. If the ERO determines that a significant archeological resource is present and that the resource could be adversely affected by the proposed project, at the discretion of the project sponsor: | Infrastructure developer or vertical developer(s) (as applicable) and archaeological consultant in consultation with the ERO.  | Upon completion of the archeological testing program.  | Archaeological consultant to submit results of testing, and, in consultation with ERO, determine whether additional measures are warranted. If significant archaeological resources are present and may be adversely affected, the infrastructure developer or vertical developer(s) (as applicable), at its discretion, may elect to redesign a project, or implement data | Considered complete after ERO review and approval of report(s) on ATP findings.  |

| H.. If the SFMTA Director, or his or her designee, receives information that a recurring queue that could affect the operation of the T Third line is imminent or present, SFMTA shall notify the property owner in writing. Upon request, the owner/operator shall hire a qualified transportation consultant to evaluate the conditions at the site for no less than 7 days. The consultant shall prepare a monitoring report to be submitted to SFMTA for review. If SFMTA determines that a recurring queue does exist, the facility owner/operator shall have 45 days from the date of the written determination to abate the excessive recurring queue. Approaches to queue abatement could include but are not limited to: changing parking access and revenue collection system (PARCS) technology to process vehicles more rapidly; adjusting the layout of the garage's ground floor to accommodate more queuing vehicles within the garage; implementing peak-period surge pricing to encourage garage access and egress outside of times with recurrent excessive queues; installing additional variable message signage further upstream from the site to direct drivers to garage access routes away from affected intersections; and/or closing, limiting or controlling Mission Rock Street access from Third Street during times with excessive recurrent queuing and redirecting garage-bound traffic to Terry A. Francois Boulevard. | Infrastructure developer and/or garage operator vertical. SFMTA, Planning Department, Transportation Coordinator, onsite transportation staff, parking garage management staff, event staff. | non-holiday week.<br><br>As may be requested during operations, per written notification by SFMTA<br>With commencement of operation of the Block D2 garage and on-going through the life of the project. If analysis is requested, the analysis shall be conducted during a period that is representative of standard traffic patterns, e.g. on week that does not contain a holiday, is not during winter break, or off-season, etc. The analysis period chosen by the infrastructure developer/garage operator and consultants must be approved by the SFMTA. | SFMTA.  | Ongoing during project operations after opening of Block D2 garage. |

| <p><b>M-TR-11.1: Commercial Loading Supply – Monitor Loading Activity and Implement Additional Loading Management Strategies as Needed.</b></p> <p>After completion of the first phase of the proposed project and prior to approval of each subsequent phase, the project sponsor shall conduct a study of utilization of commercial loading spaces. The methodology for the study shall be reviewed and approved by the Planning Department prior to completion. If the result of the study indicates that fewer than 15 percent of the commercial loading spaces are available during the peak loading period, the project sponsor shall implement additional loading management strategies and/or provide additional or expanded off-street loading supply sufficient to meet the loading demand in subsequent phases of the project in either the garages or in off-street parking in individual buildings, consistent with the proposed project's design intent. Additional loading strategies could include (but are not limited to): expanding efforts to coordinate with parcel delivery companies to schedule deliveries to the site during hours outside the peak hour of loading, installing parcel lock boxes that allow parcel delivery personnel unsupervised access to enable off-hour deliveries, coordinating delivery services across buildings to enable the delivery of several buildings' packages to a single location, and/or encouraging deliveries to the retail and restaurant components of the projects to happen during early morning or late evening hours. The project sponsor may also address a shortfall by reserving parking spaces for smaller delivery vehicles such as autos or vans, which comprise approximately two-thirds of the vehicle types for freight delivery service, on the ground floor of the Block D2 garage during peak or appropriate business hours for small-vehicle deliveries and, in connection therewith, providing hand trucks, bicycles, or electric wheeled carts for distribution of packages to buildings throughout the site.</p> <p>If plans for individual buildings include a driveway to off-street loading or parking (maximum 10 off-street spaces) along a frontage that has a designated on-street loading zone, an equivalent amount or level of off-street loading space shall be provided to effectively replace the lost on-street loading area.</p> | Infrastructure developer, vertical developer(s) or garage operators (as applicable). | Study completion: after completion of the first phase of the proposed project and prior to approval of each subsequent phase. If additional loading management strategies ongoing in subsequent phases are needed: after completion of each phase for which additional strategies are applicable. | Planning Department, in consultation with the SFMTA, will review and approve methodology of utilization study. Infrastructure developer, vertical developer(s), and garage operators (as applicable) will provide report to Planning Department on implementation of additional loading management strategies, if required. | Considered complete for each phase after Planning Department staff reviews and approves the study, in consultation with the SFMTA, and, if deemed necessary, the infrastructure developer, vertical developer(s), and garage operators (as applicable) incorporate provides a report of how it incorporated any additional management strategies for loading into each applicable phase. |

| MEASURES ADOPTED AS CONDITIONS OF APPROVAL  | Implementation Responsibility   | Mitigation Schedule   | Monitoring/Reporting Responsibility (Public Agency)  | Monitoring Schedule   |
| <b>M-TR-11.2: Coordinate Deliveries and Tenant Moving Activities.</b><br>The project's transportation coordinator and in-building concierges shall coordinate with building tenants and delivery services to minimize deliveries and moving activities during peak periods, and endeavor to spread deliveries across the full day and moving activities to time periods after regular working hours, thereby reducing activity during the peak hour for loading. Although many deliveries cannot be limited to specific hours, the transportation coordinator and in-building concierges shall work with tenants to find opportunities to consolidate deliveries and reduce the need for peak-period deliveries, wherever possible.   | Project Transportation Coordinator and vertical developer(s).                                 | Ongoing.  | Planning Department will monitor.  | On-going during project operations.   |
| <b>M-C-TR-4: Provide Fair-Share Contribution to Improve 10 Townsend Line Capacity Proposed Project.</b><br>Upon completion and occupancy of Phase 1 and upon completion and occupancy of each subsequent phase of the proposed project as defined in the Disposition and Development Agreement, the project sponsor shall fund a transit capacity study to be reviewed and approved by the SFMTA. The project sponsor shall obtain from SFMTA the current ridership on the 10 Townsend and conduct an assessment of the capacity utilization at the screenline's Maximum Load Point (MLP) for weekday AM and PM peak hour conditions.<br>If the capacity utilization exceeds 85 percent, a fair share payment shall be made to SFMTA by the project sponsor, calculated as further provided in a Transit Mitigation Agreement. Such payment shall be calculated in light of the project's progress towards one or the other of the development scenario (i.e. High Commercial or High Residential) as reflected by all phases of the project that have been completed up to such date. The fair share contributions by phase differ by scenario because the number of transit riders varies due to different mixes of land use.<br>If the capacity utilization based on SFMTA's ridership data is less than 85 percent, then the project sponsor's fair share payment for that phase shall be \$0 and the process will repeat at the next subsequent phase. Each subsequent fair share calculation shall take account of amounts paid for prior phases, to ensure that payments are not duplicative for the same transit rider impacts. | Infrastructure developer and/or vertical developer(s), Transportation Coordinator, and SFMTA. | Prior to issuance of certificate of occupancy of Phase 1 of the proposed project, enter into Transit Mitigation Agreement. Upon issuance of a certificate of occupancy for each phase of development as defined in the Development Agreement, SFMTA to provide ridership data and assess capacity utilization and, if capacity utilization exceeds 85 percent, the infrastructure developer/vertical developer(s) would pay fair share contribution fees as | Infrastructure developer and/or vertical developer(s) and Transportation Coordinator to obtain current ridership on the 10 Townsend from SFMTA and conduct an assessment of the capacity utilization associated with the project as described in the measure. If the capacity utilization of the 10 Townsend line at its maximum load point exceeds 85 percent as measured at the completion of any individual project phase, and the SFMTA has committed to implement M-C-TR-4, the infrastructure developers shall provide the fair share contribution subject to the limits stated in M-C-TR-3 to capital costs for SFMTA to implement one of the designated capacity enhancement measures. | Considered complete upon execution of Transit Mitigation Agreement for each phase of development, for which this measure is determined to be necessary. |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |                                  |   |   |                        |
|--|----------------------------------|---|---|------------------------|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |                                  |   |   |                        |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation<br>Responsibility | Mitigation<br>Schedule  | Monitoring/Reporting<br>Responsibility (Public<br>Agency) | Monitoring<br>Schedule |
| <p>The project sponsor shall enter into a Transit Mitigation Agreement with the SFMTA under which the agreement shall provide for the project sponsor to make a fair share contribution to the cost of providing additional bus service or improving service on the 10 Townsend by paying a fee. The fair share contribution as documented in the Transportation Impact Study from the proposed project shall not exceed the following amounts, in total across all phases:</p> <ul style="list-style-type: none"> <li>a. \$391,179 for High Commercial</li> <li>b. \$324,595 for High Residential</li> </ul> <p>SFMTA may determine that other measures to increase capacity along the route would be more desirable than adding buses and may use the funds provided by the project sponsor to implement these other measures, which include but are not limited to the following measures:</p> <ol style="list-style-type: none"> <li>1. Convert to using higher-capacity vehicles on the 10 Townsend route. In this case, the project sponsor's fair share contribution may be utilized to convert the route to articulated buses. Some bus stops along the route may not currently be configured to accommodate the longer articulated buses. Some bus zones could be extended by removing one or more parking spaces at locations where appropriate space is available.</li> <li>2. Instead of adding more buses to a congested route, it would be more desirable to increase travel speeds along the route which would allow for buses to move faster thus increasing efficiency and reliability. In this case, the project sponsor's fair share contribution may be used to fund a study to identify appropriate and feasible improvements and/or implement a portion of the improvements that would increase travel speeds enough to increase capacity along the bus route. Such improvements could include transit only lanes, transit signal priority, and transit boarding improvements.</li> <li>3. Another option to increase capacity along the corridor is to add a new Muni service route in this area. If this option is selected, the project sponsor's fair share contribution may fund the purchase of the new vehicles.</li> </ol> |                                  | specified in this measure, which would be used by SFMTA to increase capacity. |   |                        |

| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation Responsibility   | Mitigation Schedule  | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule  |
| <p><b>M-NOI-3.1: Pile-Driving Control Measures – Annoyance.</b></p> <p>To reduce impacts associated with pile driving, a set of site-specific vibration attenuation measures shall be implemented under the supervision of a qualified acoustical consultant during the project construction period. These attenuation measures shall include as feasible, in consideration of technical and structural requirements and conditions, the following control strategy, as well as any other effective strategies to the extent necessary to achieve a PPV vibration level at neighboring properties of less than the strongly perceptible level of 0.10 in/sec.</p> <p>The project sponsor shall require the construction contractor to limit pile-driving activity so that the PPV vibration level at neighboring uses is less than 0.10 in/sec to the extent it is practical and necessary. and, to the extent it is practical, implement “quiet” pile-driving technology, such as predrilling piles, using sonic pile drivers, or using more than one pile driver to shorten the total duration of pile driving.</p>  | Infrastructure developer and/or vertical developer(s) (as applicable), qualified acoustical consultant. | Prior to issuance of building permit for each proposed building. | Infrastructure developer or vertical developer(s) (as applicable) to submit the Construction Noise Control Plan (detailed in M-NOI-1) to the Port’s Building Permit Group documenting site-specific vibration attenuation measures. A single Noise Control Plan or multiple Noise Control Plans may be produced to address project phasing.   | Considered complete upon submittal and approval of the Construction Noise Control Plan (including vibration attenuation measures) to the Port’s Building Permit Group. |
| <p><b>M-NOI-3.2: Pile-Driving Vibration Control Measures – Damage.</b></p> <p>To reduce the potential for damage to Pier 48, the following measures shall be implemented:</p> <ul style="list-style-type: none"> <li>The Port of San Francisco shall be notified in writing prior to construction activity that construction may occur within 100 feet of the Pier 48 buildings.</li> <li>The project sponsor shall retain a structural engineer, an architectural historian, and a licensed historical architect (hereafter referred to as the building evaluation team) to evaluate potentially affected buildings and determine their susceptibility to damage. The structural engineer shall evaluate the building structure. The architectural historian and licensed historical architect shall evaluate architectural elements. This building evaluation team shall then establish building-specific vibration thresholds that will (a) identify the level of vibration affected historic buildings will tolerate so as to preclude structural damage to the building of a nature that would result in material damage to any historic features of the buildings, and (b) identify the level of vibration at which cosmetic damage may begin to occur to buildings.</li> <li>The building evaluation team shall inventory and document existing cracks in paint, plaster, concrete, and other building elements.</li> </ul> | Infrastructure developer and/or vertical developer(s) (as applicable), building evaluation team.        | Prior to construction activities adjacent to Pier 48.            | Infrastructure developer or vertical developer(s) (as applicable) to submit proposed building-specific vibration thresholds with input from structural engineer, architectural historian, and historic architect: an inventory of the condition of Pier 48; a vibration monitoring plan; and results of the inspection following construction activities to the Port’s Building Permit Group for review and approval. | Considered complete upon submittal and approval of documentation incorporating identified measures by the Port’s Building Permit Group.                                |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |                                  |                        |   |                        |

| <ul style="list-style-type: none"> <li>The building evaluation team shall develop a ground-borne vibration monitoring plan that will include monitoring vibration at the buildings of concern to determine if the established thresholds are exceeded.</li> <li>The project sponsor shall retain a qualified acoustical consultant or engineering firm to implement the vibration monitoring plan at Pier 48. As part of the monitoring plan, the consultant shall conduct regular periodic inspections for cosmetic damage to each building within 160 feet of planned ground-disturbing activity on the project site.</li> <li>Should vibration levels be observed in excess of the cosmetic damage threshold or cosmetic damage be observed below that level, the driving of piles within 100 feet of the Pier 48 structure (or within the impact distance determined by the study of building-specific vibration thresholds, per second bullet above, whichever distance is shorter) shall be halted until measures are implemented to prevent cosmetic damage to the extent feasible. These measures include use of alternative construction techniques, including, but not limited to, use of pre-drilled piles if soil conditions allow, use of smaller, lighter equipment, using vibratory hammers in place of impact hammers, and using pile cushioning or equipping the impact hammer with wooden cushion blocks to increase the period of time over which the energy from the driver is imparted to the pile. Should cosmetic damage to a building occur as a result of ground-disturbing activity on the site notwithstanding the use of alternative construction techniques, the building(s) shall be remediated to its pre-construction condition at the conclusion of ground-disturbing activity on the site.</li> <li>Should vibration levels be observed that reach the threshold designed to protect historic buildings from material damage to historic features, pile-driving within impact distances of the Pier 48 building, as determined by the building evaluation team, shall be halted and a structural bracing program or other appropriate protective measures for the potentially affected buildings shall be designed by the building evaluation team and implemented by the project sponsor. The structural bracing program or other protective measures shall be designed to prevent damage to the potentially affected buildings that could materially impair their historic resource status consistent with CEQA Guidelines Section 15064.5(b)(2).</li> </ul> |                                  |                        |   |                        |

| <p>In addition, the structural bracing program shall be consistent with the proposed rehabilitation of the Pier 48 buildings and meet the Secretary of the Interior's Standards for Rehabilitation.</p> <p>Following completion of construction, the project sponsor shall conduct a second inspection to inventory changes in existing cracks and new cracks or damage, if any, that occurred as a result of pile driving. If new damage is found, then the project sponsor shall promptly arrange to have the damage repaired in accordance with recommendations made by the building evaluation team.</p>  |  |   |   |  |
| <b>Air Quality Mitigation Measures</b>  |  |   |   |  |
| <p><b>Mitigation Measure M-AQ-1.1: Off-Road Construction Equipment Emissions Minimization.</b></p> <p>The project sponsor shall require all construction contractors to implement the following measures to reduce construction emissions.</p> <p>A. Engine Requirements</p> <ol style="list-style-type: none"> <li>1. All off-road equipment greater than 25 horsepower and operating for more than 20 total hours over the entire duration of construction activities shall have engines that meet or exceed either USEPA or ARB Tier 4 Interim off-road emissions standards. Tier 4 final equipment, which may be largely available in the Bay Area, may be used to comply with this requirement (since Tier 4 final engines must comply with a stricter standard than Tier 4 interim engines, Tier 4 final engines meet Tier 4 interim standards and thus comply with this requirement).</li> <li>2. Where access to alternative sources of power are available, portable diesel engines shall be prohibited.</li> <li>3. Diesel engines, whether for off-road or on-road equipment, shall not be left idling for more than 2 minutes at any location, except as provided in exceptions to the applicable state regulations regarding idling for off-road and on-road equipment (e.g., traffic conditions, safe operating conditions). The contractor shall post legible and visible signs in English, Spanish, and Chinese in designated queuing areas and at the construction site to remind operators of the 2-minute idling limit.</li> </ol> | Infrastructure developer and/or vertical developer(s) (as applicable). | <p>Prepare and Implement Construction Emissions Minimization Plan: Prior to issuance of grading, excavation, or demolition permits and ongoing during demolition and construction activities.</p> <p>Quarterly Monitoring Reports: Quarterly after start of construction activities.</p> <p>Final Construction Report: After completion of construction activities but prior to receiving a final certificate of occupancy.</p> | Infrastructure developer and/or vertical developer(s) (as applicable) or contractor to submit a Construction Emissions Minimization Plan to Port staff for review and approval. | <p>Considered complete upon Port review and approval of Construction Emissions Minimization Plan, ongoing review and approval of quarterly reports, and review and approval of final construction report.</p> <p>Quarterly reports to be submitted to Port staff documenting compliance with the plan for review and approval.</p> <p>Final Construction Report to be submitted to Port staff for review and approval.</p> |

| <p>4. The contractor shall instruct construction workers and equipment operators regarding the maintenance and tuning of construction equipment and require that such workers and operators properly maintain and tune equipment in accordance with manufacturers' specifications.</p> <p>B. Waivers</p> <p>1. The Planning Department's Environmental Review Officer (ERO) or designee may waive the requirement for an alternative source of power from Subsection (A)(2) if an alternative source of power is limited or infeasible at the project site. If the ERO grants the waiver, the contractor must submit documentation that the equipment used for onsite power generation meets the requirements of Subsection (A)(1).</p> <p>2. The ERO may waive the equipment requirements of Subsection (A)(1) if use of a particular piece of off-road equipment with a Tier 4 interim-compliant engine is not feasible or reasonable, the equipment would not produce the desired emissions reductions because of the expected operating modes, installation of the equipment would create a safety hazard or impair visibility for the operator, or there is a compelling emergency that requires use of off-road equipment that is not Tier 4 interim-compliant. If seeking an exception, the project sponsor shall demonstrate to the ERO's satisfaction that the resulting construction emissions would not exceed the health risk thresholds of significance for cancer risk and PM2.5 concentrations with respect to sensitive receptors, as identified within the EIR under Impact AQ-4. If the ERO grants the waiver, the contractor must use the next-cleanest piece of available off-road equipment, according to the table below.</p> <p>3. Off-road Equipment Compliance Step-down Schedule</p> <table><tr><th>Compliance Alternative</th><th>Engine Emissions Standard</th><th>Emissions Control</th></tr><tr><td>1</td><td>Tier 3</td><td>ARB Level 2 VDECS</td></tr><tr><td>2</td><td>Tier 2</td><td>Alternative Fuel*</td></tr></table> <p>VDECS = Verified Diesel Emissions Control Strategies<br/>* Alternative fuels are not a VDECS.</p> | Compliance Alternative           | Engine Emissions Standard | Emissions Control   | 1                      | Tier 3 | ARB Level 2 VDECS | 2 | Tier 2 | Alternative Fuel* |  |  |  |  |

| <p>Planning Department's approval of the proposed offset project by providing documentation of the estimated amount of emissions of ROG and NOx to be reduced (tons per year) within the SFBAAB from the emissions reduction project(s). The project sponsor shall notify the Planning Department within 6 months of completion of the offset project for Planning Department verification.</p> <p>2. Pay a mitigation offset fee to the BAAQMD Bay Area Clean Air Foundation (Foundation) in installments, as further described below, with each installment amount to be determined prior to the estimated first year of exceedance. This fee is intended to fund emissions reduction projects to achieve reductions totaling up to 10.5 tons of ozone precursors per year, the estimated maximum tonnage of operational and construction-related emissions offsets required to reduce emissions below significance levels after implementation of other identified mitigation measures. This total emissions offset amount was calculated by summing the maximum daily construction and operational emissions of ROG and NOx (pounds/day), multiplying by 260 work days per year for construction and 365 days per year for operation, and converting to tons. The amount represents the total estimated operational and construction-related ROG and NOx emissions offsets required.</p> <p>The fee shall be paid in up to 12 installments, each installment payable at the time of application for a site permit for each development block, representing the portion of the 10.5 tons of ozone precursors per year attributable to each building, as follows: (a) Blocks A, G, and K: 6.6% or 0.70 tons per each development block; (b) Pier 48: 18.6% or 1.95 tons; (c) Blocks B, C, and D: 9% or 0.95 tons per each development block; (d) Blocks E and F: 10.3% or 1.08 tons per each development block; and (e) Blocks H, I, and J: 4.6% or 0.49 tons per each development block. The mitigation offset fee, currently estimated at approximately \$18,262 per weighted ton, shall not exceed \$35,000 per weighted ton of ozone precursors plus an administrative fee of no more than 5 percent of the total offset to fund one or more emissions reduction projects within the SFBAAB. The not to exceed amount of \$35,000 will be adjusted to reflect annual California Consumer Price Index adjustments between 2017 and the estimated first year of exceedance. Documentation of payment shall be provided to the Planning Department.</p> |                                  | <p>with site permit application for each block, if no specific project or program is identified. Enter into MOU with BAAQMD Foundation and pay offset fee in installments for each development block.</p> |   | <p>installment outlined in the MOU.</p> |

| <b>MITIGATION MONITORING AND REPORTING PROGRAM FOR<br/>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT</b>  |  |  |  |   |
|---|--|--|--|---|
| <b>NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.</b>   |  |  |  |   |
| <b>MEASURES ADOPTED AS CONDITIONS OF APPROVAL</b>   | <b>Implementation<br/>Responsibility</b> | <b>Mitigation<br/>Schedule</b>   | <b>Monitoring/Reporting<br/>Responsibility (Public<br/>Agency)</b>   | <b>Monitoring<br/>Schedule</b>  |
| <p>Unless directly implementing a specific offset project (or program) as described above, the project sponsor would enter into a Memorandum of Understanding (MOU) with the BAAQMD Foundation in connection with each installment payment described above. The MOU will include details regarding the funds to be paid, the administrative fee, and the timing of the emissions reductions project. Acceptance of this fee by the BAAQMD shall serve as acknowledgment and a commitment to (1) implement an emissions reduction project(s) within a time frame to be determined, based on the type of project(s) selected, after receipt of the mitigation fee to achieve the emissions reduction objectives specified above and (2) provide documentation to the Planning Department and the project sponsor describing the project(s) funded by the mitigation fee, including the amount of emissions of ROG and NOx reduced (tons per year) within the SFBAAB from the emissions reduction project(s). To qualify under this mitigation measure, the specific emissions reduction project must result in emission reductions within the SFBAAB that are real, surplus, quantifiable, and enforceable and would not otherwise be achieved through compliance with existing regulatory requirements or any other legal requirement.</p> |  |  |  |   |
| <p><b>Mitigation Measure M-AQ-2.1: Best Available Control Technology for Operational Diesel Generators.</b></p> <p>The project sponsor shall ensure that the operational backup diesel generators comply with the following: (1) ARB Airborne Toxic Control Measure (ATCM) emissions standards for model year 2008 or newer engines; and (2) meet or exceed one of the following emission standards for particulate matter: (A) Tier 4 interim certified engine or (B) Tier 2 or Tier 3 certified engine that is equipped with an ARB Level 3 VDECS. A nonverified diesel emissions control strategy may be used if the filter has the same particulate matter reduction as the identical ARB-verified model and BAAQMD approves of its use. The project sponsor shall submit documentation of compliance with the BAAQMD NSR permitting process (Regulation 2, Rule 2, and Regulation 2, Rule 5) and the emissions standard requirement of this measure to the Planning Department for review and approval prior to issuance of a permit for a backup diesel generator from any City agency.</p>   | <p>Vertical developer(s).</p>            | <p>Prior to issuance of permit for each backup diesel generator from BAAQMD.</p> | <p>Vertical developer(s) shall submit documentation of compliance to the Port for review and approval.</p> | <p>Considered complete upon review and approval of documentation by Port staff.</p> |

| <p><b>Mitigation Measure M-AQ-2.2: Reactive Organic Gases Emissions Reduction Measures.</b></p> <p>To reduce ROG emissions associated with the project, the project sponsor shall provide education for residential and commercial tenants to help reduce area source (e.g., architectural coatings, consumer products, and landscaping) emissions associated with residential and building operations. Prior to receipt of any building permit and every 5 years thereafter, the project sponsor shall work with the San Francisco Department of Environment to develop electronic correspondence, which will be distributed by email annually to tenants of the project that encourages the purchase of consumer products that are better for the environment and generate fewer VOC emissions. The correspondence shall encourage environmentally preferable purchasing and include contact information and links to SF APPROVED. While microbreweries do not typically implement emission control devices, to further reduce ROG (primarily ethanol) emissions associated with Pier 48 industrial operations, the project sponsor shall implement technologies to reduce ethanol emissions if available and practicable. Such measures could include wet scrubbers, ethanol recovery and capture (e.g., carbon absorption) or incineration. At the time when specific designs for the Pier 48 use are submitted to the City for approval, the project sponsor shall provide an analysis that quantifies the emissions, based on the specific design proposal, and evaluates ROG emission control technologies.</p> | Vertical developer(s).  | Prior to issuance of any building permit and every 5 years thereafter.   | Vertical developer(s) to work with the San Francisco Department of Environment to develop materials. San Francisco Department of the Environment to review and approve materials.  | Considered complete after documentation provided to the Department of Environment of distribution of educational materials to residential and commercial tenants.                        |
| <p><b>Mitigation Measure M-AQ-2.3: Transportation Demand Management.</b></p> <p>The project sponsors shall prepare and implement a Transportation Demand Management (TDM) Plan. The TDM Plan shall have a goal of reducing estimated aggregate daily one-way vehicle trips by 20 percent compared to the aggregate daily one-way vehicle trips identified in the project's travel demand memo, prepared by Adavant Consulting, dated June 30, 2015 ("Travel Demand Memo"), and attached as Appendix 4-4 to the Draft EIR. The project sponsors shall be responsible for monitoring implementation of the TDM Plan and proposing adjustments to the TDM Plan if its goal is not being achieved, in accordance with the following provisions.</p> <p>The TDM Plan may include, but is not limited to, the types of measures summarized below by way of example. TDM Plan measures shall generally be consistent with the City's adopted TDM Program Standards and the draft</p>  | Transportation Coordinator and/or infrastructure developer to prepare the TDM Plan, which will be implemented by the Transportation Coordinator and will be binding on all development parcels. | Transportation Coordinator and/or Infrastructure developer to prepare TDM Plan and submit to Planning Department staff prior to approval of the project. | Transportation Coordinator to submit the TDM Plan to Planning Department staff for review and approval. Transportation Coordinator to submit monitoring report annually to Planning Department staff and implement TDM Plan Adjustments (if required). | The TDM Plan is considered complete upon approval by the Planning Department staff, in consultation with the SFMTA. Annual monitoring reports would be on-going during project buildout. |

| <p>to be taken to reduce pile-driving sound in the marine environment to below NMFS thresholds for injury to fish. The plan shall incorporate, but not be limited to, the following BMPs:</p> <ul style="list-style-type: none"> <li>All steel pilings shall be installed with a vibratory pile driver to the deepest depth practicable. An impact pile driver may be used only where necessary, as determined by the contractor and/or project engineer, to complete installation of the steel pilings, in accordance with seismic safety or other engineering criteria.</li> <li>The smallest pile driver and minimum force shall be used to complete the work necessary to meet NMFS requirements, as determined by the contractor and/or project engineer.</li> <li>The hammer shall be cushioned using a 12-inch-thick wood block during all impact hammer pile-driving operations.</li> <li>To reduce impacts to levels below injury thresholds, based on hydroacoustic monitoring and the amount of impact pile driving occurring on a particular day, a bubble curtain, wood block cushion, air barrier, or similar technology shall be employed during impact pile-driving activities.</li> <li>A "soft start"<sup>10</sup> technique shall be employed upon initial pile-driving activities every day to allow fish an opportunity to vacate the area.</li> <li>During impact pile driving, the contractor shall limit the number of strikes per day to the minimum necessary to complete the work, as determined by the contractor and/or project engineer.</li> <li>No pile driving shall occur at night.</li> <li>During impact pile driving, a qualified fish biologist shall monitor the project site for fish that exhibit signs of distress. If fish are observed exhibiting signs of injury or distress, work shall be halted by the biologist, and the cumulative SEL up to that point shall be examined. If the cumulative SEL is close to the threshold or exceeds the threshold, then pile-driving activities will cease until the next day.</li> </ul> |                                  |                        | measure.  | Port staff.            |

<sup>10</sup> Soft starts require an initial set of three strikes from the impact hammer at 40 percent energy, followed by a 1-minute waiting period between subsequent three-strike sets. Soft starts for vibratory hammers will initiate noise at 15 seconds at reduced energy, followed by a 1-minute waiting period between subsequent starts. This process should continue for a period of no less than 20 minutes.

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT  |                               |  |   |  |
|---|-------------------------------|--|---|--|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.  |                               |  |   |  |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL  | Implementation Responsibility | Mitigation Schedule                            | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule  |
| <ul style="list-style-type: none"> <li>All pile-driving and pile-removal activity shall be monitored by a NMFS-approved biological monitor before and during all pile driving. The biological monitor shall maintain a monitoring log of daily pile-driving activities, any field sound measurements, fish sightings, and implementation of soft-start and shut-down requirements. A monitoring report shall be prepared for submission to NMFS and the City (submitted monthly and at the completion of all pile-driving/pile-removal activities).</li> </ul>  |                               |  |   |  |
| <p><b>M-BI-3.3: Pile-Driving Noise Reduction for Protection of Marine Mammals.</b> Prior to the start of pile driving in the Bay, as part of the underwater noise monitoring and attenuation plan required by Mitigation Measure M-BI-3.2, the project sponsor shall provide details regarding the estimated underwater sound levels expected, not just from impact hammer pile driving that may affect fish but also from vibratory pile driving and removal because these sound levels may affect marine mammals. The plan shall also address sound attenuation methods, methods used to monitor and verify sound levels during pile-driving activities, and management practices to be taken to reduce pile-driving sound in the marine environment to below NMFS thresholds for injury to marine mammals. As part of implementation of the sound attenuation monitoring plan, the project sponsor shall take actions to reduce the effect of underwater noise transmission on marine mammals. These actions shall include, at a minimum:</p> <ul style="list-style-type: none"> <li>The establishment of initial safety zones, based on the estimated NMFS injury threshold contours for the different marine mammals (as shown in Table 4.L-8 and Table 4.L-9). The initial size of the safety zones may be modified, based on subsequent analysis of the anticipated noise levels and the actually proposed piles, equipment, and activity prior to construction but only with the approval of NMFS.</li> <li>Hydroacoustic monitoring, according to the NMFS-approved sound attenuation and monitoring plan, shall be completed during initial pile driving to verify projected isopleths for pile driving and removal. The plan shall require real-time hydroacoustic monitoring for a sufficient number of piles to determine and verify modeled noise isopleths. The safety zones established prior to construction may be modified, based on field measurements of noise levels from different pile-driving activities, if the field measurements indicate that different noise threshold contours than those estimated prior to construction are appropriate but only with approval of NMFS.</li> </ul> | Pier 48 developer.            | Prior to the start of pile driving in the Bay. | Pier 48 developer to prepare an underwater noise monitoring and attenuation plan (including estimated underwater sound levels expected) and obtain approval from NMFS. The NMFS-approved plan or any modifications to be provided to Port staff for determination of consistency with the requirements in this measure. | Considered complete upon review and approval of the sound attenuation and monitoring plan by NMFS and consistency determination by Port staff. |

| <p>If it is not feasible to avoid the nesting season and suitable nesting areas remain on the project site, the project sponsor shall hire a qualified wildlife biologist with demonstrated nest-searching experience to conduct surveys for nesting birds, including raptors. The following list details the nesting bird survey requirements for this project.</p> <ul style="list-style-type: none"> <li>One nesting bird assessment is required at the beginning of each year, at the start of the nesting bird season (February), to determine if suitable nesting habitat remains or has been reinstated (e.g., the project site is revegetated).</li> <li>If suitable nesting habitat is present, one nesting survey shall be conducted between February and April, and one nesting survey shall be conducted between April and June.</li> <li>Additional nesting surveys are required when construction work stops at a portion of the site where suitable nesting habitat remains for more than 15 days or if construction is phased in such a way that no disturbance has occurred in a portion of the project site.</li> <li>If active nests are observed during construction when the wildlife biologist is not present, all work within 250 feet of the nest shall stop, and wildlife biologist shall be contacted immediately. All personnel shall move at least 250 feet away from the nest. To the extent feasible, after consulting with the wildlife biologist, construction equipment shall be shut down or moved 250 feet away from the nest.</li> </ul> <p>Nesting bird surveys shall be performed no earlier than 7 days prior to the commencement of ground-disturbing activities and vegetation removal (including clearing, grubbing, and staging). The area surveyed shall include all construction areas as well as areas within 250 feet outside the boundaries of the areas to be cleared or as otherwise determined by the biologist.</p> <p>If the wildlife biologist finds any active nests (e.g., a nest with eggs, chicks, or young) during the survey, the biologist shall establish no-disturbance species-specific buffer zones for each nest, marked with high-visibility fencing, flagging, or pin flags. No construction activities shall be allowed within the buffer zones. The size of the buffer shall be based on the species' sensitivity to disturbance and planned work activities in the vicinity: typical buffer sizes are 250 feet for raptors and 50 feet for other birds. The buffer shall remain in effect until the chicks have fledged from the nest or the nest is no longer active, which will be verified by the biologist.</p> |                               | <p>during the nesting season (February 1 through August 31), conduct pre-construction surveys (February through June), or remove vegetation and/or structures outside breeding season.</p> | <p>detailed the survey effort and results and submit the memorandum to the infrastructure developer or vertical developer (s) (as applicable) and Port staff within 7 days of survey completion. Port staff to review and approve report.</p> | <p>approval of nesting surveys by Port staff.</p> |

| <p>If inactive nests are identified, the project sponsor or its contractor shall remove those nests from the structure/vegetation and install nest exclusion measures on structures (i.e., fine mesh netting, panels, or metal projectors) outside of the nesting season, if deemed necessary and suitable by the qualified wildlife biologist. All exclusionary devices shall be monitored and maintained throughout the breeding season to ensure that they are successful in preventing the birds from accessing the cavities or nest sites.</p> <p>After each survey and/or after nest-deterrence activities are completed, the wildlife biologist shall complete a memorandum detailing the survey effort and results and submit the memorandum to the project sponsor within 7 days of survey completion.</p>  |  |  |   |  |
| <b>Geology and Soils Mitigation Measures</b>   |  |  |   |  |
| <p><b>M-GE-5: Accidental discovery of paleontological resource.</b></p> <p>Given the potential for paleontological resources to be present at the project site at excavation depths within the Colma Formation, the following measures shall be undertaken to avoid any significant adverse effect from the proposed project on paleontological resources. Before the start of any drilling or pile-driving activities, the project sponsor shall retain a qualified paleontologist, as defined by the SVP, who is experienced in teaching nonspecialists. The qualified paleontologist shall train all construction personnel who are involved with earthmoving activities, including the site superintendent, regarding the possibility of encountering fossils, the appearance and types of fossils that are likely to be seen during construction, and proper notification procedures should fossils be encountered. Procedures to be conveyed to workers include halting construction within 50 feet of any potential fossil find and notifying a qualified paleontologist, who shall evaluate the significance.</p> <p>If paleontological resources are discovered during earthmoving activities, the construction crew shall immediately cease work near the find and notify the project sponsor and the San Francisco Planning Department. Construction work in the affected areas shall remain stopped or be diverted to allow recovery of fossil remains in a timely manner. The project sponsor shall retain a qualified paleontologist to evaluate the resource and prepare a recovery plan in accordance with SVP guidelines. The recovery plan may include a field survey, construction monitoring, sampling and data recovery</p> | Infrastructure developer and/or vertical developer(s) (as applicable), and qualified paleontologist. | Before the start of any drilling or pile-driving activities. | Infrastructure developer or vertical developer(s) (as applicable) to retain qualified paleontologist and notify Port staff. Port staff to approve selection of paleontologist. If necessary, paleontologist to prepare and submit a recovery plan for Port review and approval. | Considered complete once training is complete, once construction is complete, or once the Planning Department approves the recovery plan and the infrastructure developer or vertical developer(s) and qualified paleontologist implements the plan. |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |   |  |   |                                      |
|--|---|--|---|--------------------------------------|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |   |  |   |                                      |

| procedures, museum storage coordination for any specimen recovered, and a report of findings. Recommendations in the recovery plan that are determined by the San Francisco Planning Department to be necessary and feasible shall be implemented before construction activities can resume at the site where the paleontological resources were discovered. The San Francisco Planning Department shall be responsible for ensuring that the monitor's recommendations regarding treatment and reporting are implemented.   |   |  |   |                                      |
| IMPROVEMENT MEASURES FOR THE SEAWALL LOT 337 AND PIER 48 MIXED-USED PROJECT  |   |  |   |                                      |
| <p><b>I-TR-1: Construction Management Plan.</b></p> <p><b>Traffic Control Plan for Construction</b> – To reduce potential conflicts between construction activities and pedestrians, bicyclists, transit and autos during construction activities, the project sponsor should require construction contractor(s) to prepare a traffic control plan for major phases of construction (e.g. demolition and grading, construction, or renovation of individual buildings). The project sponsor and their construction contractor(s) should meet with relevant City agencies to coordinate feasible measures to reduce traffic congestion, including temporary transit stop relocations and other measures to reduce potential traffic and transit disruption and pedestrian circulation effects during major phases of construction. This includes coordinating project construction activities with nearby City construction projects, such as the Third Street Rehabilitation Project. For any work within the public right-of-way, the contractor would be required to comply with the San Francisco's Regulations for Working in San Francisco Streets, which establishes rules and permit requirements so that construction activities can be conducted safely and with the least possible interference with pedestrians, bicyclists, transit, and vehicular traffic. Additionally, restrict truck movements and deliveries to the maximum feasible extent during peak hours (generally 7:00 to 9:00 a.m. and 4:00 to 6:00 p.m., or other times, as determined by SFMTA and the TASC).</p> <p>In the event that the construction timeframes of the major phases and other development projects adjacent to the project site overlap, the project sponsor should coordinate with City agencies through the TASC and the adjacent developers to minimize the severity of any disruption to adjacent land uses and transportation facilities from overlapping construction transportation</p> | Infrastructure developer and/or developer(s) (as applicable) (s): | Construction Management Plan for Construction: Prior to the issuance of a grading, excavation, or building permit. Project Construction Updates: ongoing throughout construction activities. | Infrastructure developer and/or vertical developer(s) (as applicable) and construction contractor(s) to submit Traffic Control Plan for Construction to the Port and SFMTA for review and approval. Project construction update materials would be provided in the annual mitigation and monitoring plan. | Ongoing during project construction. |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT  |                               |  |   |  |
|---|-------------------------------|--|---|--|

**FORM OF FACILITIES CONDITION REPORT**

**Parcel Lease Exhibit L  
Form of Facilities Condition Report**

**FACILITIES CONDITION REPORT**

**Parcel [ ]**

**Date: [ ]**

This Facilities Condition Report is being delivered to Port pursuant to Section 10.2 of that certain Lease dated \_\_\_\_\_ by and between \_\_\_\_\_ ("Tenant") and the Port with respect to the property commonly known as \_\_\_\_\_ (the "Property"). The purpose of this Facilities Condition Report is to document the condition of the Property and to assist Tenant in developing cost estimates needed for capital planning, deferred maintenance and life-cycle replacement costs.

This Facilities Condition Report was prepared by \_\_\_\_\_ following a visual inspection of the Property and review of written notices of Building Code violations, if any, received by the Property owner (a "Code Violation Notice").

| <b><u>Building System or Component</u></b>   | <b><u>Narrative Summary of Condition</u></b> | <b><u>Immediate Repair Recommended to Address any Code Violation Notice</u></b><br>(If none, write "None") | <b><u>Short Term Repair and Renewal Recommendations<sup>1</sup></u></b><br>(If none, write "None") | <b><u>Long Term Repair and Renewal Recommendations<sup>2</sup></u></b><br>(If none, write "None") | <b><u>Estimated Cost of Recommended Repair</u></b> | <b><u>Estimated Remaining Useful Life</u></b> |
|--|--|--|--|---|--|---|

## **EXHIBIT M**

### **WORKFORCE DEVELOPMENT PLAN**

For purposes of this ***Exhibit M***, references to Exhibit B6-A in the attached Workforce Development Plan and to Exhibit B6-B in the Local Business Enterprise (LBE) Utilization Program will mean this ***Exhibit M*** to this Lease.

## **Parcel Lease Exhibit M**

### **Workforce Development Plan**

The development plan for Mission Rock under the Transaction Documents provides for the development of a new mixed-use neighborhood composed of commercial/office, retail, garage, market rate and affordable residential uses and major new and expanded parks. This Workforce Development Plan sets forth the activities Port, Developer and Vertical Developer shall undertake, and require their Contractors, Consultants, Subcontractors, Subconsultants, Commercial Tenants, Lessees, Service Providers and Professional Service Providers, as applicable, to undertake, to support workforce development in the pre-construction, construction and end use phases of the Project, as set forth in this Exhibit B6-A.<sup>1</sup>

The Port and Developer shall enter into the DDA which will provide for the development of the Project in a series of Phases. In connection with the DDA, the Port and the Developer will enter into a Master Lease providing Developer the right to construct Horizontal Improvements within the Project. Developer will enter into contracts with Contractors and Consultants to construct all Horizontal Improvements allowed under the Master Lease.

Developer will submit Phase Submittals to the Port pursuant to the Transaction Documents. Following each Phase Approval, the Port will authorize the Chief Harbor Engineer to issue Port permits necessary for Developer to begin to construct Horizontal Improvements in accordance with the DDA and the Master Lease. Upon exercise of an Option in accordance with the DDA, the Port will convey each Development Parcel through Parcel Leases to a Vertical Developer. A Vertical Developer will enter into contracts with Contractors and Consultants to construct the Vertical Improvements, including residential and commercial improvements, in accordance with the Parcel Lease and Vertical DDA. Upon completion of the Vertical Improvements, the applicable Parcel Lease, between the Port and the Vertical Developer, shall govern the operation and use of the Vertical Improvements.

The foregoing summary is provided for convenience and for informational purposes only. In case of any conflict, the provisions of the DDA and each Vertical DDA shall control.

#### **A. First Source Operations and Pre-Construction Hiring Agreement.**

1. Developer shall, with respect to Horizontal Improvements, and the Port shall require that each Vertical Developer shall, with respect to each Vertical Improvement, comply with the operational requirements of the First Source Hiring Program pursuant to San Francisco Administrative Code Chapter 83 ("**Chapter 83**") and upon entering into: (a) leases or any other occupancy contracts for commercial space at Vertical Improvements that are subject to Chapter 83 with a tenant ("**Lessee**"), provided, however, that no Lessee occupying less than 5,000 square

---

<sup>1</sup> Any capitalized term used in this Exhibit B6-A, including its Attachments, that is not defined herein, or in such Attachments, or in the referenced Administrative Code Sections, shall have the meaning given to such term in the DDA.

feet in floor area within the Project Site shall have an obligation to enter into a First Source Hiring Agreement or comply with the requirements of Chapter 83; or (b) janitorial, security, landscape, operations and maintenance contracts, will include in each such lease or contract a requirement that such third party enter into a First Source Hiring Agreement in the form attached hereto as Attachment A, and provide a signed copy thereof to the Office of Economic and Workforce Development within 10 business days of execution. The Port shall cause (i) Developer to comply with the above requirements by including such requirements as a material term in the Master Lease applicable to such Contract and (ii) each Vertical Developer to comply with the above requirements by including such requirements as a material term in the Vertical DDA applicable to such Contract.

2. Further, Developer shall, with respect to Horizontal Improvements, and the Port shall require that each Vertical Developer shall, with respect to each Vertical Improvement, voluntarily include within its good faith efforts to comply with Chapter 83 a requirement to include pre-construction work within the Project's First Source Hiring Program and upon entering into professional services contracts for architectural and engineering services, provided, however, that no professional services firm performing work through a contract valued at less than \$500,000 or a contract for services relating to the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area shall have an obligation to enter into a First Source Hiring Agreement, include in each such contract a requirement that such third party enter into a First Source Hiring Agreement in the form attached hereto as Attachment A, and provide a signed copy thereof to the Office of Economic and Workforce Development within 10 business days of execution. The Port shall cause (i) Developer to comply with the above requirements by including such requirements as a material term in the Master Lease applicable to such Contract and (ii) each Vertical Developer to comply with the above requirements by including such requirements as a material term in the Vertical DDA applicable to such Contract.

3. Residential units within the Project shall not be subject to any obligations under this Section A and the tenants of such residential units shall have no obligation to enter into a First Source Hiring Agreement.

4. The Office of Economic and Workforce Development ("OEWD") is the sole administrator of the First Source Hiring Program per San Francisco Administrative Code Chapter 83. OEWD's Business Services team will manage the First Source Hiring Agreement and will be the point of contact for Lessees and Service Providers. OEWD's Business Team will provide Referrals for the permanent Entry Level Positions located within the Project where required under Chapter 83.

5. Incorporation into contract provisions.

i. Developer or Vertical Developer shall include in its Contracts provisions that require Lessees and Service Providers to enter into a First Source Hiring Agreement and follow the good faith efforts within such agreements towards the hiring goals of Chapter 83. Developer or Vertical Developer shall also include in such Contracts provisions that require Lessees and Service Providers to identify a single point of contact and contact OEWD's Business Services team to discuss its obligations under the First Source Hiring Agreement.

ii. Developer or Vertical Developer shall include in its Professional Service Contracts provisions that require Professional Service Providers to enter into a First Source Hiring Agreement and follow the good faith efforts within such agreement towards the hiring goals of Chapter 83. Developer or Vertical Developer shall also include in such Professional Service Contracts provisions that require Professional Service Providers to identify a single point of contact and contact OEWD's Business Services team to discuss its obligations under the First Source Hiring Agreement.

6. Pre-start conference and access.

i. Developer or Vertical Developer shall meet with OEWD prior to initial occupancy of Vertical Improvements at the Project Site for a pre-start conference to assess the operation goals of the First Source Hiring Program, including commercial tenant operations, janitorial, security, landscape, operations and maintenance services and provide projections for Entry Level Position employment opportunities within such fields with respect to the Horizontal Improvements or Vertical Improvements. Developer or Vertical Developer shall also provide OEWD access to meet Lessees and Service Providers at the Project Site and encourage the same to meet with OEWD regarding their respective First Source Hiring Obligations.

ii. With respect to each Horizontal Improvement, Developer shall meet with OEWD upon submission of a Phase Submittal, and, with respect to each Vertical Improvement, Vertical Developer shall meet with OEWD upon entering into a Vertical DDA at the Project Site for a pre-start conference to assess the pre-construction goals of the First Source Hiring Program, including architectural and engineering services and provide projections for Entry Level Position employment opportunities within such fields with respect to such Horizontal Improvement or Vertical Improvement. Developer or Vertical Developer shall also provide OEWD access to meet Professional Service Providers at the Project Site and encourage the same to meet with OEWD regarding their respective First Source Hiring Obligations.

7. Compliance with the operational goals of Chapter 83 shall be determined on an individual Contract or Professional Service Contract basis. Lessees and Service Providers shall demonstrate good faith efforts towards the hiring goals of Chapter 83. Professional Service Providers shall demonstrate good faith efforts towards the hiring goals of their First Source Hiring Agreement.

8. For the purposes of a First Source Hiring Agreement, (i) Contract shall mean: (a) any commercial lease or other commercial occupancy agreement with respect to a Vertical Improvements; and (b) any contract for janitorial, security, landscape, or operations and maintenance services performed at a Horizontal Improvement or Vertical Improvement; (ii) Professional Service Contract shall mean any contract for architectural or engineering services performed with respect to a Horizontal Improvement or Vertical Improvement, (iii) Service Provider shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to perform janitorial, security, landscape, and operations and maintenance services with respect a Horizontal Improvement or Vertical Improvement, and (iv) Professional Service Provider shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to

perform architectural or engineering services with respect a Horizontal Improvement or Vertical Improvement.

9. OEWD shall notify any Lessees, Service Providers or Professional Service Providers in writing, with a copy to Developer or Vertical Developer, as applicable, and to the Port, of any alleged breach on the part of that entity of its obligations under the First Source Hiring Agreement, as applicable, and provide such entity a reasonable opportunity to cure its alleged breach before seeking an assessment of liquidated damages pursuant to Section 83.12 of the Administrative Code. OEWD sole remedy against a Lessees, Service Providers and Professional Service Providers shall be as set forth in Chapter 83, including the enforcement process. Upon OEWD's request, Port, Developer or Vertical Developer, as applicable, shall reasonably cooperate with OEWD in any such enforcement action against any Lessees, Service Providers or Professional Service Providers, provided in no event shall Port, Developer or Vertical Developer, as applicable, be liable for any breach by a Lessees, Service Providers or Professional Service Providers.

10. If Port, Developer or Vertical Developer, as applicable, fulfills its obligations as set forth in this Section A, it shall not be held responsible for the failure of Lessee, Service Provider or Professional Service Provider or any other person or party to comply with the requirements of Chapter 83, their applicable First Source Hiring Agreement or this Section A. If Developer or Vertical Developer, as applicable, fails to fulfill its obligations under this Section A, the applicable provisions of Chapter 83 shall apply as to Developer or Vertical Developer, as applicable, though the Port and Developer shall have the right to invoke the dispute resolution process set forth in Article 10 of the DDA.

11. This Section A is an approved "First Source Hiring Agreement" as referenced in Sections 83.9 and 83.11 of the Administrative Code.

**B. Local Hiring Agreement.**

1. Developer, with respect to each Horizontal Improvement, shall, and the Port shall require that each Vertical Developer, with respect to each Vertical Improvement, shall (i) include in each Contract for construction work a provision requiring each Contractor to enter into a Local Hiring Agreement in the form attached hereto as Attachment B before beginning any construction work, and (ii) provide a signed copy thereof to the Office of Economic and Workforce Development ("OEWD") and CityBuild within 10 business days of execution, provided, however, that no person or entity entering into leases or other occupancy contracts for commercial space at a Vertical Improvement within the Project site ("**Commercial Tenant**") which occupies less than 15,000 square feet in floor area within such Vertical Improvement shall have an obligation to enter into a Local Hiring Agreement or be subject to the Local Hiring Program pursuant to Chapter 82, as defined below.<sup>2</sup> All future tenant improvements performed subsequent to any initial tenant improvements within such Vertical Improvement shall be subject to the local hiring requirement within Attachment B on a good faith basis only. The Port shall cause (i) Developer to comply with the above requirements by including such requirements as a

---

<sup>2</sup> Any capitalized term used in this Section B that is defined in Attachment B will have the definition given to such term in such Attachment.

material term in the Master Lease applicable to such Contract and (ii) each Vertical Developer to comply with the above requirements by including such requirements as a material term in the Vertical DDA applicable to such Contract.

2. CityBuild shall represent OEWD and will provide referrals of Targeted Workers for positions on the construction work for Improvements subject to a Local Hiring Agreement in accordance with San Francisco Administrative Code Chapter 82 ("**Chapter 82**").

3. Incorporation into contract provisions. Developer and Vertical Developer, as applicable, shall include in their respective contracts provisions that require prospective Contractors and Subcontractors to comply with the requirements set forth in the Local Hiring Agreement Attachment B.

4. Tenant improvements performed within any residential units within the Project shall not be subject to any obligations under this Section B and the tenants of such residential units shall have no obligation to enter into a Local Hiring Agreement.

5. Compliance with the construction requirements of Chapter 82 for Horizontal Improvements shall be determined on a Phase by Phase basis. Compliance will be measured by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, by the total number of Construction Work Hours performed on Horizontal Improvements within a Phase. If Developer exceeds its obligations set forth in its applicable Local Hiring Agreement with respect to an individual Horizontal Improvement, Developer may, at its option, allocate such excess towards the compliance of another Horizontal Improvement within the Project Site, subject to the requirements of Attachment B. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Project-wide basis by giving notice to OEWD and the Port of such election during the submission of the penultimate Phase Submittal.

6. Compliance with the construction requirements of Chapter 82 for Vertical Improvements shall be determined on an individual Vertical Improvement basis. Compliance will be measured by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, by the total number of Construction Work Hours performed on the Vertical Improvement. If a Vertical Developer exceeds its obligations set forth in its applicable Local Hiring Agreement with respect to an individual Vertical Improvement, the Vertical Developer of such Vertical Improvement may, at its option, allocate such excess towards the compliance of another Vertical Improvement within the Project Site, subject to the requirements of Attachment B. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Phase-wide basis by giving notice to OEWD and the Port of such election during the submission of a Phase Submittal.

7. OEWD shall notify Contractor, Subcontractor and Commercial Tenant, as applicable, in writing, with a copy to the Port and Developer or Vertical Developer, as applicable, of any alleged breach on the part of that entity of its obligations under Chapter 82 or its Local Hiring Agreement, as applicable, and provide such entity an opportunity to cure its obligations before seeking an assessment of liquidated damages pursuant to Section 82.8 of the Administrative Code. OEWD's sole remedies against a Contractor, Subcontractor or Commercial

Tenant shall be as set forth in Chapter 82, including the enforcement process. Upon OEWD's request, Port, Developer or Vertical Developer, as applicable, shall reasonably cooperate with OEWD in any such enforcement action against any Contractor, Subcontractor or Commercial Tenant, provided that in no event shall Port, Developer or Vertical Developer, as applicable, be liable for any breach by a Contractor, Subcontractor or Commercial Tenant.

8. If Port, Developer or Vertical Developer, as applicable, fulfills its obligations as set forth in this Section B, it shall not be held responsible for the failure of a Contractor, Subcontractor, Commercial Tenant or any other person or party to comply with the requirements of Chapter 82 or this Section B. If Developer or Vertical Developer, as applicable, fails to fulfill its obligations under this Section B, the applicable provisions of Chapter 82 shall apply, though the Port and Developer, as applicable, shall have the right to invoke the process set forth in Article 10 of the DDA.

9. This Section B complies with the requirements of Chapter 82, including Sections 82.5 and 82.7 and the requirements of Chapter 83 related to construction work.

**C. Workforce Job Readiness and Training Funds.**

Vertical Developers, on behalf of the Project, shall contribute to OEWD \$1,000,000 (One Million Dollars) to support workforce job readiness and training ("Workforce Job Readiness and Training Funds") for allocation to OEWD's CityBuild and First Source Hiring programs and qualified local community based organizations. Such funds shall be paid to OEWD, and used as provided below, over the course of the Project on a Development Parcel by Development Parcel basis in eleven equal installments. Each equal installment shall be paid by a Vertical Developer at issuance of site permit for the development of Vertical Improvements upon a Development Parcel, except for the development of the parking garage parcel, pursuant to a Vertical DDA.

Priority for OEWD's use and allocation of Workforce Job Readiness and Training Funds shall be to organizations that have backgrounds in workforce readiness and training, an established program with a demonstrated history of performing workforce readiness and training and an existing track record of working in economically disadvantaged communities within San Francisco, including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods.

1. **Community Based Organizations:** \$500,000 (Five Hundred Thousand Dollars) of the Workforce Job Readiness and Training Funds shall be dedicated to funding community-based organizations that provide services which seek to: reduce barriers to employment for individuals within at-risk populations (the "**Barrier Removal Funds**"); and/or provide job readiness and training ("**Job Readiness Training Funds**") (together, the "**CBO Funds**"). OEWD shall allocate the CBO Funds to qualified local community based organizations based on a competitive process, and distribute the CBO Funds during the construction and operation of the Project until exhausted. The funds will be primarily targeted to support Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhood residents and residents of surrounding areas. OEWD shall prioritize allocating funds to organizations that have a background in workforce readiness and training, an established program with a demonstrated history of performing workforce readiness and training and an

existing track record of working in economically disadvantaged communities. OEWD shall use good faith efforts to promptly initiate and complete the competitive process and begin distribution of the Barrier Removal Funds within one hundred and eighty (180) days after OEWD's initial receipt of such funds, but in a manner that ensures the resulting programs and services will correspond directly to preparing participants for the jobs created by the project.

i. **CBO Funds.** OEWD shall allocate a portion of the CBO Funds to support the delivery of services to assist individuals within at-risk populations, including low-income youth and adults with histories of incarceration, homelessness, substance abuse or other factors that may create barriers to employment, with reducing barriers to employment and/or providing job readiness and training. The CBO Funds shall fund programs that provide case management, supportive services (i.e. union dues, tools, uniform/boots), life skills training, basic education, barrier removal (including assistance with attaining a GED or driver's license, if applicable), wrap-around social services, job training, job placement or retention services with a goal of allowing participants to become CityBuild or First Source Hire-ready.

2. **OEWD: \$500,000 (Five Hundred Thousand Dollars)** of the Workforce Job Readiness and Training Funds shall be dedicated to OEWD's programs that train economically disadvantaged adults, workers and local residents in the fields of construction, end use operations and hospitality (the "**OEWD Funds**"). OEWD shall identify and partner with local community-based organizations to promote the programs and identify and recruit program participants. OEWD shall allocate the funds throughout the construction and operation of the Project until exhausted. The resources shall be primarily targeted to support and prepare individuals in the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition and surrounding areas for construction and operation jobs at the Project. OEWD shall partner with organizations that have a background in workforce readiness and training, an established program with a demonstrated history of performing workforce readiness and training and an existing track record of working in economically disadvantaged communities. OEWD shall use good faith efforts to promptly begin distribution of the OEWD Funds within one hundred eighty (180) days after OEWD's initial receipt of such funds, but in a manner that ensures the resulting programs and services will correspond directly to preparing participants for the jobs created by the project.

i. **Operations Training Resources.** OEWD, in its discretion, shall dedicate a portion of the OEWD Funds to support programs that provide end use operations job training programs for economically disadvantaged adults, including individuals designated as a targeted population by the San Francisco Workforce Development Board, as an individual who is, or is at risk of, relying upon, or returning to, public assistance, including unemployment benefits, formerly incarcerated, homeless, veterans, out-of-school youth, pregnant or parenting teens, youth in the juvenile justice or foster care systems, people with disabilities, limited English populations, dislocated workers, or residents of public housing (the "**Operations Training Resources Funds**"). OEWD shall allocate Operations Training Resources Funds to programs performing vocational training in the retail, food service, janitorial, landscaping, facilities/open space operations and maintenance employment sectors. The intended use of the Operations Training Resources Funds is to provide additional training tailored towards future employment opportunities at the Project. The programs may also include working with potential

employers regarding any necessary accommodations or additional training, and ongoing support following job placement.

ii. Construction Training Resources. OEWD, in its discretion, shall dedicate a portion of the OEWD Funds to support programs that train disadvantaged workers and local residents in the field of construction work (the “**Construction Training Resources**”). OEWD shall allocate the Construction Training Resources Funds to programs such as the CityBuild Academy, an 18-week pre-apprenticeship training program that prepares citywide residents for entry into the trades, the Construction Administration & Professional Service Academy, an 18-week program offered at City College of San Francisco that prepares San Francisco residents for entry-level careers as professional construction office administrators, or the CityBuild Women’s Mentorship Program, a volunteer program that connects women construction leaders with experienced professional and mentors.

iii. Pile Driving Training Program. OEWD, in its discretion, shall dedicate a portion of the OEWD Funds to support the development and implementation of a pile driving training program for disadvantaged workers and local residents, including individuals that have formerly been incarcerated or are experiencing homelessness (the “**Pile Driver Training Funds**”). The Pile Driving Training Funds shall be managed and implemented by OEWD in conjunction with local unions and community-based organizations. The programs may also include working with potential employers regarding any necessary accommodations or training, and ongoing support following job placement. The Pile Driving Training Program will address the shortage of skilled pile drivers in San Francisco and will augment the pipeline of skilled workers by providing specific training in a high-demand trade. By providing training in a high-demand trade, the program will help to ensure that more local residents are equipped with the education and skills necessary to be successful in the construction industry, thereby supporting local economic empowerment and upward mobility.

3. Accounting. Developer shall have no right to challenge the appropriateness of or the amount of any expenditure, so long as it is used in accordance with the provisions of this Exhibit b<sup>6</sup>-A. The Workforce Job Readiness and Training Funds may be commingled with other funds of the City for purposes of investment and safekeeping, but the City shall maintain records as part of the City's accounting system to account for all the expenditures for a period of four (4) years following the date of the expenditure, and make such records available upon Developer's request.

4. In the event individuals trained by the programs supported by the Workforce Job Readiness and Training Funds are hired to perform work at the Project, Developer may receive credit toward First Source and Local Hire obligations under San Francisco Administrative Code Chapters 82 and 83, as mutually determined with OEWD.

5. Board Authorization. Any interest earned on the Workforce Job Readiness and Training Funds shall remain in designated accounts for use by OEWD for workforce readiness and training consistent with this Exhibit B6-A and shall not be transferred to the City's general fund.

## Attachment A: First Source Hiring Agreement

### For Operations and Preconstruction Services

This First Source Hiring Agreement (this "FSHA Agreement"), is made as of \_\_\_\_\_, by and between [(the "Lessee"/ "Service Provider"/ "Professional Service Provider")], and the Office of Economic and Workforce Development, ("OEWD"), collectively the "Parties":

#### RECITALS

[Use for Lessee - WHEREAS, [Lessee has plans to occupy a portion of the Vertical Improvement at [Address] (the "Premises") which requires a First Source Hiring Agreement with OEWD because the Premises is subject to a property contract between [Developer/Vertical Developer] and the City acting through the San Francisco Port Commission;

WHEREAS, the [Developer/Vertical Developer] was required to provide notice in leases, subleases and other, occupancy contracts for use of the Premises; and

WHEREAS, as a material part of the consideration given by Lessee under such contract, Lessee has agreed to execute this FSHA Agreement and participate in the First Source Hiring Program managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83"), as modified herein;]

[Use for Service Providers contracts - WHEREAS, [Service Provider has plans to provide [ ] services to the [Horizontal Improvement/ Vertical Improvement] at [Address] (the "Premises") which requires a First Source Hiring Agreement with OEWD because the Premises is subject to a property contract between [Developer/Vertical Developer] and the City acting through the San Francisco Port Commission;

WHEREAS, the [Developer/Vertical Developer] was required to provide notice in janitorial, security, landscape, or operations and maintenance contracts that provide services to the Premises; and

WHEREAS, as a material part of the consideration given by Service Provider under such contract, Service Provider has agreed to execute this FSHA Agreement and participate in the First Source Hiring Program managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83");]

**[Use for Professional Service Providers contracts -** WHEREAS, [Professional Service Provider has plans to provide [ ] services to the [Horizontal Improvement/ Vertical Improvement] at [Address] (the "Premises") which requires a First Source Hiring Agreement with OEWD because the Premises is subject to a property contract between [Developer/Vertical Developer] and the City acting through the San Francisco Port Commission;

WHEREAS, the [Developer/Vertical Developer] was required to provide notice in architectural or engineering contracts that provide services to the Premises; and

WHEREAS, as a material part of the consideration given by Professional Service Providers under such contract, Professional Service Providers has agreed to execute this FSHA Agreement and participate in the First Source Hiring Program managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83");]

**[Use for [Developer/Vertical Developer] operations of Vertical Improvement -** WHEREAS, Lessee has plans to operate the building at [Address] (the "Premises") which required a First Source Hiring Agreement between Lessee and FSHA because the Premises is subject to a property contract between Lessee and the City acting through the San Francisco Port Commission; and

WHEREAS, as a material part of the consideration given by Lessee under the property contract, Lessee has agreed to execute this FSHA Agreement and participate in the Workforce System managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83");]

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Parties covenant and agree as follows:

1. DEFINITIONS

For purposes of this FSHA Agreement, initially capitalized terms shall be defined as follows:

- a. "Entry Level Position" shall mean any non-managerial position that requires no education above a high school diploma or certified equivalency, and less than two (2) years training or specific preparation, and shall include temporary, permanent, trainee and intern positions
- b. "Contract" shall mean: (a) any commercial lease or other commercial occupancy agreement with respect to the Vertical Improvement; and (b) any contract for janitorial, security, landscape, or operations and maintenance services performed at the Horizontal Improvement or Vertical Improvement.
- c. "DA" means that certain Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission with respect to the Project Site.

- d. "DDA" means that certain Disposition and Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission with respect to the Project Site.
- e. "Developer" has the meaning set forth in the DDA, including any successor during the term of this FSHA Agreement.
- f. "Horizontal Improvement" has the meaning set forth in the DDA.
- g. "Lessee" includes every commercial tenant, subtenant, or any other entity occupying a Vertical Improvement for the intent of doing business in the City and County of San Francisco and possessing a Business Registration Certificate with the Office of Treasurer required to enter into a First Source Hiring Agreement as defined in Chapter 83, provided, however, that in no event shall the meaning of Lessee include a commercial tenant, subtenant, or any other entity occupying less than 5,000 square feet in floor area within the Vertical Improvement.
- h. "OEWD Resume Database" shall mean the web portal administered by OEWD that connects Lessees, Service Providers and Professional Service Providers with qualified job seekers. The web portal is a free recruiting service to all Lessees, Service Providers and Professional Service Providers and is to be used by the Lessees, Service Providers and Professional Service Providers as part of their FSHA Agreement.
- i. "Professional Service Contract" shall mean any contract for architectural or engineering services performed with respect to a Horizontal Improvement or Vertical Improvement, except for contracts for architectural or engineering services related to the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area within a Vertical Improvement.
- j. "Professional Service Provider" shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to perform architectural or engineering services with respect the Horizontal Improvement or Vertical Improvement, provided, however, that no professional services firm performing work through a contract valued at less than \$500,000 shall have an obligation to enter into this First Source Hiring Agreement.
- k. "Project Site" shall mean the area consisting of an approximately 16-acre parcel located south of Mission Creek/China Basin Channel, bordered by Third Street on the west, Mission Rock Street on the south, and Terry Francois Boulevard on the east, as reconfigured in accordance with AB 2797.
- l. "Service Provider" shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to perform janitorial, security,

landscape, or operations and maintenance with respect the Horizontal Improvement or Vertical Improvement.

- m. "Referral" shall mean a qualified job seeker identified by OEWD as having the appropriate training, background and skill sets for a [Lessee/ Service Provider] specified Entry Level Position.
- n. "Vertical Developer" shall mean [*insert name of applicable Vertical Developer*], including any successor during the term of a FSHA Operations Agreement.
- o. "Vertical Improvement" has the meaning set forth in the DDA.

## 2. LESSEE AND SERVICE PROVIDER OEWD WORKFORCE PARTICIPATION

- a. Lessee or Service Provider, as applicable, shall contact OEWD's Business Services team to provide headcount projections for Entry Level Positions and register with the OEWD Resume Database upon execution of its Contract.
- b. Lessee or Service Provider, as applicable, shall notify OEWD's Business Team of every available Entry Level Position by posting job openings for Entry Level Positions on the OEWD Resume Database. Lessee or Service Provider, as applicable, shall provide OEWD a period of time to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. OEWD shall develop a pipeline of potential candidates and shall develop a staffing and implementation plan that is generally designed to allow OEWD to provide Lessee or Service Provider, as applicable, with its list of Referrals within 3 business days after such Lessee or Service Provider has posted a job opening. In the event the OEWD Resume Database is inaccessible, Lessee or Service Provider, as applicable, shall contact OEWD directly regarding their FSHA obligations by emailing Business.Services@sfgov.org, or other email address as may be mutually agreed upon by Professional Service Provider's single point of contact and OEWD, and submitting Attachment A-1.
- c. Lessee or Service Provider, as applicable, shall consider and screen all Referrals that meet the minimum qualifications of a Lessee's or Service Provider's, as applicable, job opening and shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired. Hiring decisions shall be entirely at the discretion of Lessee or Service Provider, as applicable.

**3. LESSEE AND SERVICE PROVIDER GOOD FAITH EFFORT TO COMPLY WITH ITS OBLIGATIONS HEREUNDER**

Lessee or Service Provider, as applicable, will make good faith efforts to comply with its obligations under this FSHA Agreement. Determination of good faith efforts shall be based on all of the following:

- a. Lessee or Service Provider, as applicable, shall execute this FSHA Agreement and Attachment A-1 upon entering into Contracts. Lessee or Service Provider will also accurately complete and submit Attachment A-1 annually to reflect employment conditions.
- b. Lessee or Service Provider, as applicable, shall register with the OEWD Resume Database. Lessee or Service Provider, as applicable, using a resume database not associated with OEWD will not be considered towards the requirements of the FSHA Agreement.
- c. Lessee or Service Provider, as applicable, shall provide OEWD a period of time to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. Lessee or Service Provider, as applicable, must identify a single point of contact responsible for communicating Entry Level Positions and take active steps to ensure continuous communication with OEWD's Business Services Team. Lessee or Service Provider, as applicable, shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired.

**4. PROFESSIONAL SERVICES - ARCHITECTURAL AND ENGINEERING SERVICE PROVIDERS**

- a. This section incorporates additional requirements for Professional Service Providers performing architectural or engineering services. Professional Service Providers obligations relate only to preconstruction work and shall terminate upon the completion of the Professional Service Provider's Professional Service Contract.
- b. Participation.
  - i. Professional Service Provider shall contact OEWD's Business Services team to provide headcount projections for Entry Level Positions and register with the OEWD Resume Database upon execution of its Professional Services Contract.
  - ii. Professional Service Provider shall notify OEWD's Business Team of every available Entry Level Position by posting job openings for Entry Level Positions on the OEWD Resume Database. Professional Service Provider shall provide OEWD a period of time

to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. In the event the OEWD Resume Database is inaccessible, Professional Service Provider shall contact OEWD directly regarding their FSHA obligations and submit Attachment A-1.

iii. Professional Service Provider shall consider and screen all Referrals that meet the minimum qualifications of a Professional Service Provider's, as applicable, job opening and shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired. Hiring decisions shall be entirely at the discretion of Professional Service Provider.

iv. Within 30 days of executing a Professional Services Contract, Professional Service Provider will email OEWD and schedule to meet with staff from the First Source Hiring Program. At the meeting, the Professional Service Provider will provide information on new and available Entry Level Positions, anticipated job opening projections, start dates and rate of pay.

c. Good Faith Compliance.

Compliance with the requirements of subsections i through iv below shall demonstrate Professional Service Provider's good faith compliance with its obligations under this FSHA Agreement.

i. Over the life of the Contract, Professional Service Provider shall make good faith efforts to hire Referrals from the First Source Hiring Program to fulfill new and available Entry Level Positions. Professional Service Provider may decline to hire a Referral if the Contractor considers the Referral in good faith and deems the Referral is not qualified. The final decision to hire a Referral shall be made by the Professional Service Provider.

ii. Professional Service Provider, as applicable, shall execute this FSHA Agreement and Attachment A-1 upon entering into Professional Service Contracts. Professional Service Provider will also accurately complete and submit Attachment A-1 annually to reflect employment conditions.

iii. Professional Service Provider shall register with the OEWD Resume Database. Professional Service Provider using a resume database not associated with OEWD will not be considered towards the requirements of the FSHA Agreement.

iv. Professional Service Provider shall notify OEWD's Business Services Team of all available Entry Level Positions by posting job openings for Entry Level Positions on the OEWD Resume Database. Professional Service Provider shall provide OEWD a period of time to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and

has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. OEWD shall develop a pipeline of potential candidates and shall develop a staffing and implementation plan that is generally designed to allow OEWD to provide Lessee or Service Provider, as applicable, with its list of Referrals within 3 business days after such Lessee or Service Provider has posted a job opening. Professional Service Provider must identify a single point of contact responsible for communicating Entry Level Positions and take active steps to ensure continuous communication with OEWD's Business Services Team. Professional Service Provider shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired. In the event the OEWD Resume Database is inaccessible, Professional Service Provider shall contact OEWD directly regarding their FSHA obligations by emailing Business.Services@sfgov.org, or other email address as may be mutually agreed upon by Professional Service Provider's single point of contact and OEWD, and submitting Attachment A-1.

- d. OEWD Requirements. OEWD's Referrals to such Professional Service Provider s shall be economically disadvantaged workers identified by OEWD that either: (a) graduated from OEWD's Entry Level Professional Services Training Program; or (b) have the appropriate training, employment background and skill set for any new and available Entry Level Position specified by the Professional Service Provider.

## 5. COMPLIANCE AND ENFORCEMENT

- a. Compliance with the operational goals of Chapter 83 shall be determined on an individual Contract basis and compliance with the voluntary professional service goals within this FSHA Agreement shall be determined on an individual Professional Service Contract basis.
- b. Lessee's, Service Provider's or Professional Service Provider's failure to meet the criteria set forth in Section 3 or 4 above, as applicable, does not impute "bad faith", but shall trigger a review of the Referral process and compliance with this FSHA Agreement. Failure and noncompliance with this FSHA Agreement may result in penalties as defined in Chapter 83, provided, however, that Lessee, Service Provider or Professional Service Provider shall be provided notice and a reasonable opportunity to cure such noncompliance prior to the assessment of any penalties. Lessee or Service Provider, as applicable, agrees to review SF Chapter 83, and execution of the FSHA Agreement denotes that Lessee or Service Provider agrees to its terms and conditions. OEWD agrees and acknowledges that Professional Service Provider's obligations hereunder are opted into voluntarily and such obligations are not based on the requirements of Chapter 83.
- c. Notwithstanding anything to the contrary herein, nothing in this FSHA Agreement precludes Lessees, Service Providers or Professional Service Providers from immediately advertising and filling an Entry Level Position that performs essential functions of its operation prior to notifying OEWD provided, however, the obligations of this FSHA Agreement to make good faith efforts to fill such vacancies permanently with Referrals remains in effect. For these

purposes, "essential functions" means those functions necessary to remain open for business. If Lessee, Service Provider or Professional Service Provider has an immediate need to fill an Entry Level Position that perform essential functions, Lessee, Service Provider or Professional Service Provider shall provide OEWD notice of such position, and the fact that there is an immediate need to fill such position, on or before the date such position is advertised to the general public.

- d. Nothing in this FSHA Agreement shall be interpreted to prohibit the continuation of existing collective bargaining agreements or existing employment policies, including, but not limited to, advertising job openings to existing employees. In the event of a conflict between this FSHA Agreement and an existing collective bargaining agreement, the terms of the existing agreement shall supersede this FSHA Agreement.

#### 6. FSHA AGREEMENT DURATION

- a. Lessees and Service Providers: This FSHA Agreement shall be in full force and effect up to 10 years from the date of the temporary certificate of occupancy of the Vertical Improvement or the earlier termination of Lessee's Contract with regard to Lessee and 10 years from the date of substantial completion of the Horizontal Improvement or the earlier termination of Service Provider's Contract with regard to Services Provider. Upon termination of this FSHA Agreement, the Project will be subject to Existing City Laws, as defined in the DA, including the applicable requirements of Chapter 83.
- b. Professional Service Providers: This FSHA Agreement shall be in full force and effect up to the completion of a Professional Service Contract or the earlier termination of such Professional Service Contract.

#### 7. NOTICE

All notices to be given under this FSHA Agreement shall be in writing and sent via mail or email as follows:

If to OEWD:

ATTN:

If to Lessee:

ATTN:

If to Service Provider:

ATTN:

If to Professional Service Provider:

ATTN:

If to Port

## **8. ENTIRE AGREEMENT**

This FSHA Agreement and the Transaction Documents contain the entire agreement between the parties and shall not be modified in any manner except by an instrument in writing executed by the parties or their respective successors. If any term or provision of this FSHA Agreement shall be held invalid or unenforceable, the remainder of this FSHA Agreement shall not be affected. If this FSHA Agreement is executed in one or more counterparts, each shall be deemed an original and all, taken together, shall constitute one and the same instrument. This FSHA Agreement shall inure to the benefit of and be binding on the parties and their respective successors and assigns. If there is more than one party comprising Lessee, their obligations shall be joint and several.

Section titles and captions contained in this FSHA Agreement are inserted as a matter of convenience and for reference and in no way define, limit, extend or describe the scope of this Agreement or the intent of any of its provisions. This FSHA Operations Agreement shall be governed and construed by laws of the State of California.

## **Attachment B: Local Hiring Agreement**

This Local Hiring Agreement ("Local Hiring Agreement") is made as of , by and between , the San Francisco Office of Economic and Workforce Development, (the "OEWD"), and the undersigned contractor ("Contractor"):

### **RECITALS**

WHEREAS, Contractor has executed or will execute an agreement (the "Contract") to construct or oversee a portion of the Project to construct **[Horizontal Improvements, including [specify improvements]] OR [Vertical Improvements, including [specify improvements]]** ("Construction Work") at , Lots in Assessor's Block , San Francisco California ("Site"), and a copy of this Local Hiring Agreement is attached as an exhibit to, and incorporated in, the Contract; and

WHEREAS, as a material part of the consideration given by Contractor under the Contract, Contractor has agreed to execute this Local Hiring Agreement and comply with the local hiring requirements established by the City and County of San Francisco, pursuant to Chapter 82 of the San Francisco Administrative Code ("Chapter 82"), as further modified herein;

WHEREAS, the provisions of the San Francisco Local Hiring Policy for Construction (the "Policy") as set forth in Chapter 82, as modified herein, are hereby incorporated as a material term of the Contract. Where used in this Attachment B, "Policy" shall include the modifications herein.

WHEREAS, Contractor agrees that (i) Contractor shall comply with all applicable requirements of the Policy; (ii) the provisions of this Local Hiring Agreement are reasonable and achievable by Contractor and its Subcontractors; and (iii) they have had a full and fair opportunity to review and understand the terms of the Policy.

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties covenant and agree as follows:

#### **1.1 SUMMARY**

- A. This Local Hiring Agreement incorporates applicable requirements consistent with the Policy as set forth in Chapter 82. The provisions of the Policy are hereby incorporated as a material term of the DDA. Contractor agrees that (i) Contractor shall comply with all applicable requirements of the Policy; (ii) the provisions of the Policy are reasonable and achievable by Contractor and its Subcontractors; and (iii) they have had a full and fair opportunity to review and understand the terms of the Policy.
- B. OEWD is responsible for administering the Policy and will be administering the applicable requirements for the Contract. For more information on the Policy and its implementation, please visit the OEWD website at:  
[www.workforcedevelopmentsf.org](http://www.workforcedevelopmentsf.org).

- C. Capitalized terms not defined herein shall have the meanings ascribed to them in the DDA.

## 1.2 DEFINITIONS

- A. "Apprentice" means any worker who is indentured in a construction apprenticeship program that maintains current registration with the State of California's Division of Apprenticeship Standards.
- B. "Area Median Income (AMI)" means unadjusted median income levels derived from the Department of Housing and Urban Development ("HUD") on an annual basis for the San Francisco area, adjusted solely for household size, but not high housing cost area.
- C. "Construction Work" means: (i) in the case of Horizontal Improvements, the construction of all Horizontal Improvements required or permitted to be made to the Project Site during a Phase and to be carried out by Developer under the DDA; or (ii) in the case of Vertical Improvements, the construction of a Vertical Improvement to be carried out by a Vertical Developer on a Development Parcel pursuant to an applicable Vertical DDA and Parcel Lease and all tenant improvements therein, except for the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area.
- D. "Construction Work Hours" means the total onsite work hours worked on a construction contract for a Construction Work by all apprentices and journey-level workers, whether those workers are employed by the Contractor or any Subcontractor.
- E. "Contractor" means a prime contractor, general contractor, or construction manager contracted by Developer or a Vertical Developer who performs Construction Work on the Project.
- F. "DDA" means that certain Disposition and Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission.
- G. "Disadvantaged Worker" means a local resident, who (i) resides in a census tract within the City with a rate of unemployment in excess of 150% of the City unemployment rate; or (ii) at the time of commencing work on a covered project has a household income of less than 80% of the AMI, or (iii) faces or has overcome at least one of the following barriers to employment: being homeless; being a custodial single parent; receiving public assistance; lacking a GED or high school diploma; participating in a vocational English as a second language program; or having a criminal record or other involvement with the criminal justice system.
- H. "Developer" has the meaning set forth in the DDA, including any successor during the term of this Local Hiring Agreement.

- I. "Development Parcel" has the meaning set forth in the DDA.
- J. "Excess Credit Hours" shall mean the number of Construction Work Hours performed within a trade by Local Residents or Apprentices, as applicable, on a Construction Work that exceed the obligations set forth in Section 1.3.
- K. "Horizontal Improvement" has the meaning set forth in the DDA.
- L. "Job Notification" means the written notice of any Hiring Opportunities from Contractor to CityBuild. Contractor shall provide Job Notifications to CityBuild with a minimum of 3 business days' notice.
- M. "Local Resident" means an individual who is domiciled, as defined by Section 349(b) of the California Election Code, within the City at least seven (7) days prior to commencing work on a portion of the Project.
- N. "Non-Covered Construction Work" means any construction work not covered by the San Francisco Local Hiring Policy and the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area.
- O. "Parcel Lease" has the meaning set forth in the DDA.
- P. "Phase" has the meaning set forth in the DDA.
- Q. "Project Site" has the meaning set forth in the DDA.
- R. "Specialized Trades" means a list of trades designated as "Specialized Trades" published by OEWD for which the local hiring requirements of the Policy will not apply.
- S. "Targeted Worker" means any Local Resident or Disadvantaged Worker.
- T. "Vertical DDA" has the meaning set forth in the DDA.
- U. "Vertical Developer" has the meaning set forth in the DDA.
- V. "Vertical Improvement" has the meaning set forth in the DDA.

### 1.3 LOCAL HIRING PARTICIPATION

- A. The Contractor will work with OEWD's CityBuild Program to achieve the following employment participation levels for all Construction Work:
  - 1. Total Construction Work Hours By Trade. For all contracts for Construction Work, the mandatory participation level in terms of Construction Work Hours within each trade to be performed by Local Residents is 30%, with a goal, which is not mandatory under this

agreement, of no less than 15% of Construction Work Hours within each trade to be performed by Disadvantaged Workers.

2. Apprentices. For all Construction Work, at least 30% of the Construction Work Hours performed by apprentices within each trade is required to be performed by local residents. OEWD has a goal of 50%, which is not mandatory under this agreement, and OEWD will work with contractors to look for feasible opportunities by trade to achieve the 50% goal. Where the candidate pool at a given time includes both apprentices referred by CityBuild and other apprentices, Contractors, shall undertake reasonable efforts to interview the apprentices referred by CityBuild first. This Local Hiring Agreement also establishes a goal, which is not mandatory under this agreement, of no less than 15% of Construction Work Hours performed by apprentices within each trade to be performed by Disadvantaged Workers.
  3. Out-of-State Workers. For all Construction Works, Construction Work Hours performed by residents of states other than California will not be considered in calculation of the number of Construction Work Hours to which the local hiring requirements apply. Contractors and Subcontractors shall report to OEWD the number of Construction Work Hours performed by residents of states other than California.
- B. Pre-construction or other Local Hire Meeting. Prior to commencement of construction on Construction Works, Contractor and its Subcontractors whom have been engaged by contract and, identified in the forms required under Section 1.6 below as contributing toward the mandatory local hiring requirement, shall attend a preconstruction or other Local Hire meeting convened by OEWD staff. Representatives from Contractor and the Subcontractor(s) who attend such pre-construction or other Local Hire meeting will have hiring authority. OEWD shall approve applicable Construction Work-specific Specialized Trade exemptions, in addition to the list of trades designated by OEWD as Specialized Trades in accordance with the Section 82.5 of the Policy, during such meeting. Contractor and its Subcontractors who are engaged after the commencement of construction shall attend a future preconstruction meeting or meetings as mutually agreed by Contractor and OEWD staff.
- C. The Policy does not limit Contractor's or its Subcontractors' ability to assess qualifications of prospective workers, and to make final hiring and retention decisions. In no event shall hiring preferences required hereunder prevent Contractor's or its Subcontractors' ability to comply with applicable labor agreements or union dispatch procedures. No provision of the Policy shall be interpreted so as to require a Contractor or Subcontractor to employ a worker not qualified for the position in question, or to employ any particular worker.
- D. Tenant Improvements. All future tenant improvements performed within a Construction Work subsequent to any initial tenant improvements within such

Construction Work ("Subsequent Tenant Improvements") shall not be subject to the mandatory participation levels set forth in subsection A above. With respect to Subsequent Tenant Improvements, Contractor or Subcontractor, as applicable, are required only to make good faith efforts to hire Local Residents and Disadvantaged Workers to perform construction work for Subsequent Tenant Improvements. Good faith efforts shall include Contractor's or Subcontractor's, as applicable, attendance at a pre-construction or other Local Hire meeting, requesting to connect with potential workers through Citybuild; considering Targeted Workers provided by CityBuild and submitting Local Hiring Forms 1 and 2.

**1.4 COMPLIANCE WITH PARTICIPATION OBLIGATIONS CITYBUILD  
WORKFORCE DEVELOPMENT PROGRAM: EMPLOYMENT NETWORKING  
SERVICES**

- A. OEWD administers the CityBuild Program. CityBuild shall be the primary resource for Contractor and Subcontractors to use to meet Contractor's local hiring requirements under the Policy. CityBuild has two main goals:
  - 1. Assist with local hiring requirements under the Policy by connecting Contractor and Subcontractors with qualified journey-level, apprentice, and pre-apprentice local residents.
  - 2. Promote training and employment opportunities for disadvantaged workers of all ethnic backgrounds and genders in the construction work force.
- B. Where Contractor's or its Subcontractors' preferred or preexisting hiring or staffing procedures or labor agreements for a Construction Work do not enable Contractor to satisfy the local hiring requirements of the Policy, the Contractor or Subcontractor shall use other procedures to identify and retain Targeted Workers, including the following:
  - 1. Requesting to connect with workers through CityBuild, with qualifications described in the request limited to skills directly related to performance of job duties.
  - 2. Considering Targeted Workers networked through CityBuild within three business days of the request and who meet the qualifications described in the request. Such consideration may include in-person interviews. All workers networked through CityBuild will qualify as Disadvantaged Workers under the Policy. Neither Contractor nor its Subcontractors are required to make an independent determination of whether any worker is "disadvantaged" as defined in the Policy.
- C. **Basis of Compliance:**

1. With regard to Horizontal Improvements, OEWD shall determine compliance with this Agreement for each trade on a Phase by Phase basis. OEWD shall measure compliance by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, within a trade by the total number of Construction Work Hours performed within the same trade on the Horizontal Improvements within a Phase. In lieu of a Phase by Phase basis, Developer may determine that it can best achieve compliance with this Local Hire Agreement on a Project-wide basis, and may elect to comply on a Project-wide basis by delivering notice to OEWD and the Port of such election during the submission of the penultimate Phase Submittal. After such election, compliance shall be established upon the completion of the Project. In each case, once compliance is established, any Excess Credit Hours shall be confirmed by OEWD and shall be available for Developer, provided developer remains a Giants Affiliate, as defined in the DDA, to use to offset shortfalls in the same trade elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Horizontal Improvements that complied with the procedures set forth in Sections 1.3B, 1.4B and 1.6 and at completion are still short of attaining the participation levels set forth in Section 1.3A.
2. With regard to Vertical Improvements, OEWD shall determine compliance with this Agreement for each trade on an individual Vertical Improvement basis. OEWD shall measure compliance by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, within a trade by the total number of Construction Work Hours performed within the same on the Vertical Improvement. In lieu of an individual Vertical Improvement basis, Developer may determine that it can best achieve compliance with this Local Hire Agreement on a Phase by Phase basis, and may elect to comply on a Phase by Phase basis by delivering notice to OEWD and the Port of such election during the submission of a Phase Submittal. After such election, compliance shall be established upon the completion of the Phase, as applicable. In each case, once compliance is established, any Excess Credit Hours shall be confirmed by OEWD and shall be available to the Vertical Developer of the Vertical Improvement that generated such Excess Credit Hours, to transfer to another Vertical Developer, provided that such Vertical Developer is a Giants Affiliate, as defined in the DDA, to offset shortfalls in the same trade on a Vertical Improvements elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Vertical Improvements that complied with the procedures set forth in Sections 1.3B, 1.4B and 1.6 and at completion are still short of attaining the participation levels set forth in Section 1.3A.

#### 1.5 WAIVER FROM LOCAL HIRING REQUIREMENTS

- A. Contractor or the Subcontractor may request waivers as follows: (1) Requests for waivers based on Specialized Trades or other non-availability of workers (subsection 1); and (2) other requests for waivers, which may be considered as conditional waivers by OEWD in its discretion, or based on credit for Non-Covered Construction Work or other construction work specified in subsection 3, and/or participation in the programs described in subsections 4 and 5 below or alternative programs identified by OEWD (subsection 2).

1. Specialized Trades and Other Non-Availability Waivers. Specialized Trades are exempt from local hiring requirements and established in accordance with Section 1.3(B). OEWD shall grant waivers based on a Specialized Trades exemption, provided that (a) the Specialized Trade appears on OEWD's approved list or has been approved as a Construction Work-specific Specialized Trade exemption, and (b) notwithstanding the exemption, Contractor and its Subcontractors have reported to OEWD for its records any Construction Work Hours utilized in each designated Specialized Trade and in each OEWD-approved Construction Work-specific Specialized Trade. As of the date of this Agreement, Specialized Trades include any marine diving, underwater, or marine-related pile-driving work, helicopter pilot, crane operators and oilers, boat, barge, dredge, and/or floating equipment operators, deck engineers, oilers, tunnel/underground work performed by operating engineers and laborers, lineman/cable splicer, stainless steel welders, ironworker connectors and millwrights.

In addition to Specialized Trades, Contractor or Subcontractor may from time to time seek a waiver based on non-availability of workers in one or more other trades ("Non-availability Waiver"). OEWD may apply any Excess Credit Hours (on a 1:1 basis of Excess Credit Hours to shortfall hours) to address any shortfalls identified with respect to a completed Construction Work that would otherwise be entitled to request a Non-availability Waiver under this subsection. At OEWD's discretion, Excess Credit Hours may be allocated anywhere within the Project Site, and to either the same or a different trade. Once Excess Credit Hours are allocated by OEWD such Excess Credit Hours shall no longer be available to Developer elsewhere on the Project Site. OEWD shall grant a Non-Availability Waiver pursuant to this subsection regardless of whether Excess Credit Hours are available to address any shortfall in a trade's Construction Work Hours with respect to a Construction Work, provided that Contractor or Subcontractor has submitted evidence of compliance with the procedures set forth in Sections 1.3B, 1.4B and 1.6.

2. Other Non-Compliance and Corrective Action Plan. In the event Contractor or Subcontractor fails to meet the requirements of Section 1.3 on a basis other than as set forth in subsection 1, OEWD may, in its discretion, negotiate a Corrective Action Plan with the Contractor or Subcontractor. The Corrective Action Plan may include a conditional

waiver that allows the Contractor or Subcontractor to avoid financial penalties. In determining whether to approve the waiver, OEWD may establish alternative means to achieve the participation levels set forth in Section 1.3, including, but not limited to, credit accumulated pursuant to subsection 3 or participation in the programs specified in subsections 4 and 5.

3. Credit for Hiring on Non-Covered Construction Work. Contractor and its Subcontractors may accumulate credit hours for hiring Targeted Workers on Non-Covered Construction Work or on other construction work for which for which the Contractor has exceeded project goals in the nine-county San Francisco Bay Area and apply those credit hours to contracts for Construction Work to meet the mandatory local hiring requirement. For hours performed by Targeted Workers on Non-Covered Construction Work, the hours shall be credited toward the local hiring requirement for the Contract provided that:
  - a. the Targeted Workers are paid the prevailing wages or union scale for work on the Non-Covered Construction Work; and
  - b. such credit hours shall be committed to by the Contractor on future projects to satisfy any short fall the Contractor may have on a Construction Work. Such commitment shall be in writing by the Contractor, shall extend for a period of time negotiated between the contractor and OEWD, and shall commit to satisfying any assessed penalties should Contractor fail to achieve the required credit hours.
4. Sponsoring Apprentices. Contractor or a Subcontractor may agree to sponsor new apprentices in trades in which noncompliance is likely and retain those apprentices for the period of Contractor's or a Subcontractor's work on the Construction Work, provided that OEWD verifies with the California Department of Industrial Relations that the new apprentices are registered and active apprentices. Contractor will be required to write a sponsorship letter on behalf of the identified candidate to the appropriate Local Union and will make the necessary arrangements with the Union to hire the candidate as soon as s/he is indentured.
5. Direct Entry Agreements. OEWD is authorized to negotiate and enter into direct entry agreements with apprenticeship programs that are registered with the California Department of Industrial Relations' Division of Apprenticeship Standards. Contractor may avoid assessment of penalties for non-compliance with the Policy by Contractor or Subcontractor hiring and retaining apprentices who are enrolled through such direct entry agreements. Contractor may also utilize OEWD-approved organizations with direct entry agreements with Local Unions, such as Helmets to

Hardhats, to hire and retain Targeted Workers. Such exception from assessments of penalties is subject to review and approval by OEWD.

## 1.6 LOCAL HIRING FORMS

- A. The Contractor shall provide CityBuild with information about the Contractor's employment needs under the Contract for each Construction Work by utilizing the City's online Project Reporting System ("PRS"). Contractor shall submit the following forms, as applicable, to OEWD:
1. Form 1: Local Hiring Workforce Projection. This Form 1 shall be initially submitted prior to the start of construction and updated quarterly by the Contractor until all subcontracting is completed.
  2. Form 2: Local Hiring Plan. For Construction Works estimated to cost more than \$1,000,000, Contractor shall prepare and submit to Contracting City Agency and OEWD for approval a Local Hiring Plan for the Construction Work using OEWD Form 2. Form 2 shall be initially submitted prior to the start of construction and updated quarterly by the Contractor until all subcontracting is completed. Upon commencement of work, Contractor and its Subcontractors may submit Job Notifications to CityBuild to connect with local trades workers.
  3. Form 3: Intentionally Omitted.
  4. Form 4: Waivers. To be completed by Contractor in the event that Contractor or a Subcontractor believes the local hiring requirements cannot be met. Refer to Articles 1.4 and 1.5 for more information regarding such waivers.

## 1.7 ENFORCEMENT, RECORD KEEPING, NONCOMPLIANCE AND PENALTIES

- A. Subcontractor Compliance. Each Contractor and Subcontractor shall ensure that all Subcontractors agree to comply with applicable requirements of this Local Hiring Agreement. All Subcontractors performing construction work on the Construction Work shall be responsible for complying with the recordkeeping and reporting requirements set forth in this Local Hiring Agreement.
- B. Recordkeeping. Contractor and each Subcontractor shall keep, or cause to be kept, for a period of four years from the date of Substantial Completion of the Construction Work, certified payroll and basic records, including time cards, tax forms, and superintendent and foreman daily logs, for all workers within each trade performing work on the Construction Work.
1. Such records shall include the name, address and social security number of each worker who worked on the Construction Work, his or her

- classification, a general description of the work each worker performed each day, the apprentice or journey-level status of each worker, daily and weekly number of hours worked, the self-identified race, gender, and ethnicity of each worker, whether or not the worker was a local resident, and the referral source or method through which the contractor or subcontractor hired or retained that worker for work on the Construction Work (e.g., core workforce, name call, union hiring hall, CityBuild referral source, or recruitment or hiring method).
2. Contractor and Subcontractors may verify that a worker is a Local Resident by following OEWD's domicile policy.
  3. All records described in this subsection shall at all times be open to inspection and examination by the duly authorized officers and agents of the City, including representatives of the OEWD.
- C. **Reporting.** Contractor shall submit certified payrolls to the City electronically using the Project Reporting System. OEWD will monitor compliance with the Policy electronically.
- D. **Monitoring.** From time to time and in its sole discretion, OEWD may monitor and investigate compliance of Contractor and Subcontractors working on a Construction Work with requirements of this Local Hiring Agreement and the Policy. Contractor shall allow representatives of OEWD, in the performance of its duties, to engage in random inspections of a Construction Work. Contractor and all Subcontractors shall also allow representatives of OEWD to have access to employees of Contractor and Subcontractors and the records required to be maintained under this Local Hiring Agreement.
- E. **Noncompliance and Penalties.** Failure of Contractor and/or its Subcontractors to comply with the requirements of this Local Hiring Agreement and the obligations set forth in the Local Hiring Plan may subject Contractor to the consequences of noncompliance, including but not limited to the assessment of penalties if a waiver is not granted. The assessment of penalties for noncompliance shall not preclude the City from exercising any other rights or remedies to which it is entitled.
- a. **Penalties Amount.** Any Contractor or Subcontractor who fails to satisfy Local Hiring Requirements of this agreement applicable to Construction Work Hours performed by Local Residents and who does not receive a waiver shall forfeit to the City, and, in the case of any Subcontractor so failing, the Contractor and Subcontractor shall jointly and severally forfeit to the City, an amount equal to the journeyman or Apprentice prevailing wage rate, as applicable, with such wage as established by the Board of Supervisors or the California Department of Industrial Relations under subsection 6.22(e)(3) of the Administrative Code, for the primary trade

used by the Contractor or Subcontractor on the Construction Work for each hour by which the Contractor or Subcontractor fell short of the Local Hiring Requirement. The assessment of penalties under this subsection shall not preclude the City from exercising any other rights or remedies to which it is entitled under this agreement.

- b. **Assessment of Penalties.** OEWD shall determine whether a Contractor and/or any Subcontractor has failed to comply with the Local Hire Requirement. If after conducting an investigation, OEWD determines that a violation has occurred, OEWD shall provide Contractor or Subcontractor, as applicable, notice of such failure and provide such entity a reasonable opportunity to cure its failure. If such entity does not cure such failure, OEWD shall issue and serve an assessment of penalties to the Contractor and/or any Subcontractor that sets forth the basis of the assessment and orders payment of penalties in the amounts equal to the journeyman or apprentice prevailing wage rates, as applicable, for the primary trade used by the Contractor or Subcontractor on the Construction Work for each hour by which the Contractor or Subcontractor fell short of the Local Hiring Requirement. Assessment of penalties under this subsection shall be made only upon an investigation by OEWD and upon written notice to the Contractor or Subcontractor identifying the grounds for the penalty and providing the Contractor or Subcontractor with the opportunity to respond pursuant to the recourse procedures prescribed in this agreement.
- c. **Recourse Procedure.** If the Contractor or Subcontractor disagrees with the assessment of penalties, then the following procedure applies:
  - i. The Contractor or Subcontractor may request a hearing in writing within 15 days of the date of the final notification of assessment. The request shall be directed to the City Controller. Failure by the Contractor or Subcontractor to submit a timely, written request for a hearing shall constitute concession to the assessment and the forfeiture shall be deemed final upon expiration of the 15-day period. The Contractor or Subcontractor must exhaust this administrative remedy prior to commencing further legal action.
  - ii. Within 15 days of receiving a proper request, the Controller shall appoint a hearing officer with knowledge and not less than five years' experience in labor law, and shall so advise the enforcing official and the Contractor or Subcontractor, and/or their respective counsel or authorized representative.
  - iii. The hearing officer shall promptly set a date for a hearing. The hearing must commence within 45 days of the notification of the appointment of the hearing officer and conclude within 75 days of such notification unless all parties agree to an extended period.

- iv. Within 30 days of the conclusion of the hearing, the hearing officer shall issue a written decision affirming, modifying, or dismissing the assessment. The decision of the hearing officer shall consist of findings and a determination. The hearing officer's findings and determination shall be final.
- v. The Contractor or Subcontractor may appeal a final determination under this by filing in the San Francisco Superior Court a petition for a writ of mandate under California Code of Civil Procedure Section 1084 *et seq.*, as applicable and as may be amended from time to time.

#### 1.8 COLLECTIVE BARGAINING AGREEMENT

Nothing in this Local Hiring Agreement shall be interpreted to prohibit the continuation of existing workforce training agreements or to interfere with consent decrees, collective bargaining agreements, project labor agreements or existing employment contracts (Collective Bargaining Agreements"). In the event of a conflict between this Local Hiring Agreement and a Collective Bargaining Agreement, the terms of the Collective Bargaining Agreement shall supersede this Local Hiring Agreement.

#### 1.9 DURATION OF THIS AGREEMENT

This Local Hiring Agreement shall be in full force and effect throughout the term of the Contract. Upon expiration of the Contract, or its earlier termination, this Local Hiring Agreement shall terminate and it shall be of no further force and effect on the parties hereto.

#### 1.10 NOTICE

All notices to be given under this Local Hiring Agreement shall be in writing and sent by: certified mail, return receipt requested, in which case notice shall be deemed delivered three (3) business days after deposit, postage prepaid in the United States Mail, a nationally recognized overnight courier, in which case notice shall be deemed delivered one (1) business day after deposit with that courier, or hand delivery, in which case notice shall be deemed delivered on the date received, all as follows:

Any party may change its address for notice purposes by giving the other parties notice of its new address as provided herein. A "business day" is any day other than a Saturday, Sunday or a day in which banks in San Francisco, California are authorized to close.

Notwithstanding the forgoing, any Job Notification or any other reports required of Contractor under this Agreement (collectively, "Contractor Reports") shall be delivered to the address of OEWD pursuant to this Section via first class mail, postage paid, and such Contractor Reports shall be deemed delivered two (2) business days after deposit in the mail in accordance with this Subsection.

#### **1.11 ENTIRE AGREEMENT**

This Local Hiring Agreement and the Transaction Documents contain the entire agreement between the parties to this Local Hiring Agreement and shall not be modified in any manner except by an instrument in writing executed by the parties or their respective successors in interest. This Local Hiring Agreement shall inure to the benefit of and be binding on the parties and their respective successors and assigns. If there is more than one party comprising Contractor, their obligations shall be joint and several.

#### **1.12 SEVERABILITY**

If any term or provision of this Local Hiring Agreement shall, to any extent, be held invalid or unenforceable, the remainder of this Local Hiring Agreement shall not be affected.

#### **1.13 COUNTERPARTS**

This Local Hiring Agreement may be executed in one or more counterparts. Each shall be deemed an original and all, taken together, shall constitute one and the same instrument.

#### **1.14 HEADINGS**

Section titles and captions contained in this Local Hiring Agreement are inserted as a matter of convenience and for reference and in no way define, limit, extend or describe the scope of this Local Hiring Agreement or the intent of any of its provisions

**1.15 GOVERNING LAW**

This Local Hiring Agreement shall be governed and construed by the laws of the State of California, and interpreted consistent with the requirements of Chapter 82.

**FORM 1: LOCAL HIRING WORKFORCE PROJECTION**

**Contractor:** \_\_\_\_\_ **Project Name:** \_\_\_\_\_

The Contractor must complete and submit this *Local Hiring Workforce Projection* (Form 1) prior to the start of construction and quarterly until all subcontracting is complete. The Contractor must include information regarding all of its Subcontractors who will perform construction work on the project regardless of Tier and Value Amount.

**Will you be able to meet the mandatory Local Hiring Requirements?**

- ☐ **YES** (Please provide information for all contractors performing construction work in Table 1 below.)
- ☐ **NO** (Please complete Table 1 below and Form 4: Conditional Waivers.)

**INSTRUCTIONS FOR COMPLETING TABLE 1:**

1. Please organize the contractors' information based on their Trade Craft work.
2. For contractors performing work in various Trade Craft, please list contractor name in each Trade Craft (i.e. if Contractor X will perform two trades, list Contractor X under two Trade categories.)
3. If you anticipate utilizing apprentices on this project, please note the requirement that 30% of apprentice hours must be performed by San Francisco residents.
4. Additional blank form is available at our Website: [www.workforcedevelopsf.org](http://www.workforcedevelopsf.org). For assistance or questions in completing this form, contact (415) 701-4894 or Email @ [Local.hire.ordinance@sfgov.org](mailto:Local.hire.ordinance@sfgov.org).

| <i>Example:</i>         | <b>TOTAL LABORER</b>                                 | Journey    | 1300                        | 350                                  | 27%                                    |
|                         |  | Apprentice | 200                         | 100                                  | 50%                                    |
| <i>Example:</i>         | <b>TOTAL</b>   |            | 1500                        | 450                                  | 30%                                    |
|                         |  | Journey    |                             |                                      |  |
|                         |  | Apprentice |                             |                                      |  |
|                         |  | Journey    |                             |                                      |  |
|                         |  | Apprentice |                             |                                      |  |
|                         |  | Journey    |                             |                                      |  |
|                         |  | Apprentice |                             |                                      |  |

**DISCLAIMER:** If the Total Work Hours for a Trade Craft are less than 5% of the Total Construction Work Hours, the Trade Craft is exempt from the Mandatory Requirement. Subsequently, if the Trade Craft exceeds 5% of the Total Construction Work Hours at any time during the project, the Trade Craft is subject to the Mandatory Requirement.

CITY AND COUNTY OF SAN FRANCISCO  
OFFICE OF ECONOMIC AND WORKFORCE DEVELOPMENT  
CITYBUILD PROGRAM

LOCAL HIRING PROGRAM  
OEWD FORM 2  
CONSTRUCTION CONTRACTS

**FORM 2: LOCAL HIRING PLAN**

**Contractor:** \_\_\_\_\_ **Project Name:** \_\_\_\_\_

If the Estimate for this Project exceeds \$1 million, then Contractor must submit a Local Hiring Plan using this Form 2 through the City's Project Reporting System. Form 2 shall be initially submitted prior to the start of construction and include all known subcontractors. Contractor shall update this Form 2 quarterly as subcontractors are identified and shall continue with updates until all subcontracting is complete. The OEWD-approved Local Hiring Plan will be a Contract Document and will be the basis for determining Contractor's and its Subcontractors' compliance with the local hiring requirements. Any OEWD-approved Conditional Waivers (Form 4) will be incorporated into the OEWD-approved Local Hiring Plan.

**COMPLETE AND SUBMIT A SEPARATE FORM 2 FOR EACH TRADE THAT WILL BE UTILIZED ON THIS PROJECT.**

**INSTRUCTIONS:**

1. Please complete tables below for Contractor and all Subcontractors that will be contributing Construction Work Hours to meet the Local Hiring Requirement.
2. Please note that a Form 2 will need to be developed and approved separately for each trade craft that will be utilized on this project.
3. If you anticipate utilizing apprentices on this project, please note the requirement that 30% of apprentice hours must be performed by San Francisco residents.
4. The Contractor and each Subcontractor identified in the Local Hiring Plan must sign this form before it will be considered for approval by OEWD.
5. If applicable, please attach all OEWD-approved Form 4 Conditional Waivers.
6. Additional blank form is available at our Website: [www.workforcedevelopsf.org](http://www.workforcedevelopsf.org). For assistance or questions in completing this form, contact (415) 701-4894 or Email @ [Local.hire.ordinance@sfgov.org](mailto:Local.hire.ordinance@sfgov.org).

*List Trade Craft. Add numerical values from Form 1: Local Hiring Workforce Projection and input in the table below.*

| Trade Craft             | Total Work Hours | Total Local Work Hours | Local Work Hours% | Total Apprentice Work Hours | Total Local Apprentice Work Hours | Local Apprentice Work Hours % |
|-------------------------|------------------|------------------------|-------------------|-----------------------------|-----------------------------------|-------------------------------|
| <i>Example: Laborer</i> | 1500             | 450                    | 30%               | 200                         | 100                               | 50%                           |

*List all contractors contributing to the Construction Work Hours to meet the Local Hiring Requirements for the above Trade Craft*

| Contractor and Authorized Representative | Local Journey Hours | Local Apprentice Hours | Total Local Work Hours | Start Date | Number of Working Days | *Contractor Signature |
|--|---------------------|------------------------|------------------------|------------|------------------------|-----------------------|
| Contractor X<br>Joe Smith                | 250                 | 100                    | 350                    | 3/25/13    | 60                     | Joe Smith             |

## **FORM 4: WAIVERS**

**Contractor:** \_\_\_\_\_ **Project Name:** \_\_\_\_\_

Upon approval from OEWD, Contractors and Subcontractors may use one or more of the following pipeline and retention compliance mechanisms to receive a Conditional Waiver from the Local Hiring Requirements on a project-specific basis. Conditional Waivers must be approved by OEWD. If applicable, each subcontractor must submit their individual Waiver request to OEWD and copy their Prime Contractor.

| TRADE WAIVER INFORMATION: Please provide information on the Trades you are requesting Waivers for: |                       |                                      |                     |                       |                                      |
|--|-----------------------|--------------------------------------|---------------------|-----------------------|--------------------------------------|

## **DDA Exhibit B6 - B**

### **Local Business Enterprise (LBE) Utilization Program.**

The development plan for Mission Rock under the Transaction Documents provides for the development of a new mixed-use neighborhood composed of commercial/office, retail, garage, market rate and affordable residential uses and major new and expanded parks. This Workforce Development Plan sets forth the activities Developer and Vertical Developer shall undertake, and require their Contractors, Consultants, Subcontractors, Subconsultants, and Commercial Tenants, as applicable, to undertake, to support local business enterprises in both the construction and operations phases of the Project, as set forth in this Exhibit B6-B.<sup>1</sup>

The Port and Developer shall enter into the DDA which will provide for the development of the Project in a series of Phases. In connection with the DDA, the Port and the Developer will enter into a Master Lease providing Developer the right to construct Horizontal Improvements within the Project. Developer will enter into contracts with Contractors and Consultants to construct all Horizontal Improvements allowed under the Master Lease.

Developer will submit Phase Submittals to the Port pursuant to the Transaction Documents. Following each Phase Approval, the Port will authorize the Chief Harbor Engineer to issue Port permits necessary for Developer to begin to construct Horizontal Improvements in accordance with the DDA and the Master Lease. Upon exercise of an Option in accordance with the DDA, the Port will convey each Development Parcel through Parcel Leases to a Vertical Developer. A Vertical Developer will enter into contracts with Contractors and Consultants to construct the Vertical Improvements, including residential and commercial improvements, in accordance with the Parcel Lease and Vertical DDA. Upon completion of the Vertical Improvements, the applicable Parcel Lease, between the Port and the Vertical Developer, shall govern the operation and use of the Vertical Improvements.

The foregoing summary is provided for convenience and for informational purposes only. In case of any conflict, the provisions of the DDA and each Vertical DDA shall control.

---

<sup>1</sup> Any capitalized term used in this Exhibit B6-B, including its Attachments, that is not defined herein, or in such Attachments, or in the referenced Administrative Code Sections, shall have the meaning given to such term in the DDA.

### **LBE Utilization Plan.**

Developer, with respect to Horizontal Improvements, shall, and the Vertical Developer, with respect to each Vertical Improvement, shall comply and require their respective Contractors and Consultants to comply with the Local Business Enterprise Utilization Plan (the "LBE Utilization Plan") set forth in Attachment A hereto. The Port shall cause (i) Developer, pursuant to the DDA and Master Lease, to comply with the Plan by including such requirements as a material term in the DDA and Master Lease applicable to all phases of Horizontal Improvements and (ii) each Vertical Developer to comply with the Plan by including such requirements as a material term in the VDDA and Parcel Lease applicable to each Vertical Improvement. The Port and Developer will seek to, whenever practicable, engage contracting teams to reflect the diversity of the City and include participation of both businesses and residents from the City's most disadvantaged communities including, but not limited to the Bayview/Hunters Point, Chinatown, Mission South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods.

Compliance with the construction requirements of the LBE Utilization Plan for Horizontal Improvements shall be determined on a Phase by Phase basis. Compliance will be measured by dividing the cost of all Contracts for a Phase of Horizontal Improvement awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Phase of Horizontal Improvement. If Developer exceeds the goals set forth in the LBE Utilization Plan with respect to an individual Horizontal Improvement, Developer may, at its option, allocate such excess, subject to terms outlined below, towards the compliance of another Horizontal Improvement within the Project Site, subject to the requirements of Attachment A. Notwithstanding ~~anything to the contrary, Developer may, at its election, require that compliance be~~ determined on a Project-wide basis by giving notice to CMD and the Port of such election during the submission of the penultimate Phase Submittal.

Compliance with the construction requirements of the LBE Utilization Plan for Vertical Improvements shall be determined on an individual Vertical Improvement basis. Compliance will be measured by dividing the cost of all Contracts for a Vertical Improvement awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Vertical Improvement. If a Vertical Improvement exceeds goals set forth in the LBE Utilization Plan, the Vertical Developer of such Construction Work may, at its option, allocate such excess towards the compliance of another Vertical Improvement within the Project Site or transfer such excess to another Vertical Developer within the Project Site, subject to the requirements of Attachment A. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Phase-wide basis by giving notice to CMD and the Port of such election, pursuant to Attachment A, during the submission of a Phase Submittal.

The Developer, Vertical Developer(s) and CMD seek to reduce barriers to LBE participation, cost, and time. As such, the Developer and Vertical Developer(s) shall work in

good faith with CMD to design and implement for each Horizontal and Vertical Improvement insurance programs which provides to LBE participating subcontractors access to the required coverage through either the owner, Owner-Controlled Insurance Policy (OCIP), general contractor, Contractor-Controlled Insurance Policy (CCIP), or such other insurance program as may become reasonably commercially available.

CMD shall notify Contractors, Consultants, Subcontractors and Subconsultants, as applicable, in writing, with a copy to the Port and Developer or Vertical Developer, as applicable, of any alleged breach on the part of that entity of its obligations under San Francisco Administrative Code Chapter 14B ("Chapter 14B") or its LBE Utilization Plan, as applicable, and provide such entity an opportunity to cure its failure before seeking an assessment of liquidated damages. CMD's sole remedies against a Contractor, Consultant, Subcontractor and Subconsultant shall be as set forth in the applicable LBE Utilization Plan, including the enforcement process. Upon CMD's request, Port, Developer or Vertical Developer, as applicable, shall reasonably cooperate with CMD in any such enforcement action against any Contractors, Consultants, Subcontractors and Subconsultants, provided that in no event shall Port, Developer or Vertical Developer, as applicable, be liable for any breach by a Contractor, Consultant, Subcontractor or Subconsultant.

If the Port, Developer or Vertical Developer, as applicable, fulfills its obligations as set forth in this Exhibit B2, it shall not be held responsible for the failure of a Contractor, Consultant, Subcontractor and Subconsultant or any other person or party to comply with the requirements of San Francisco Administrative Code Chapter 14B ("Chapter 14B") or this Exhibit B2. If Developer or Vertical Developer, as applicable, fails to fulfill its obligations under this Exhibit B6-B, the applicable provisions of Chapter 82 shall apply, though the Port and Developer, as applicable, shall have the right to invoke the process set forth in Article 10 of the DDA.

This Exhibit B6-B complies with the requirements of Chapter 14B, including Sections 14B.20.

## Attachment A

### **Local Business Enterprise Utilization Plan**

1. Purpose and Scope. This Local Business Enterprise Utilization Plan (this "LBE Utilization Plan") governs the Local Business Enterprise obligations of the Workforce Improvement or the Construction Work pursuant to San Francisco Administrative Code Section 14B.20 and satisfies the obligations of Developer, Vertical Developer and their Contractors and Consultants for a LBE Utilization Plan as set forth herein. In the event of any conflict between San Francisco Administrative Code Chapter 14B ("Chapter 14B") and this attachment, this LBE Utilization Plan shall govern.
2. Roles of Parties. In connection with the design and construction phases of each Construction Work (as defined below) and the operations of each Workforce Improvement, the Project will provide community benefits designed to foster employment opportunities for disadvantaged individuals by offering contracting and consulting opportunities to local business enterprises ("LBEs"). Developer and Vertical shall participate in a local business enterprise program, and the City's Contract Monitoring Division ("CMD") will serve the roles as set forth below.
3. Definitions. For purposes of this Attachment, the definitions shall be as follows:
  - a. "CMD" shall mean the Contract Monitoring Division of the City Administrator's Office.
  - b. "Commercially Useful Function" shall mean that the business is directly responsible for providing the materials, equipment, supplies or services to Developer, Vertical Developer, Contractor or professional services firm retained to work on a Construction Work or Workforce Improvement, as the case may be (each, a "Contracting Party") as required by the solicitation or request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage, referral or temporary employment services shall not be deemed to perform a "commercially useful function" unless the brokerage, referral or temporary employment services are those required and sought by Developer or Vertical Developer or a Contractor or professional services firm. When Developer or Vertical Developer or a Contractor or professional services firm requires and seeks products from an LBE supplier or distributor, no more than sixty percent of the cost of the product shall be credited towards LBE participation goals. If the listed supplier or distributor does not regularly stock or is a specially manufactured item(s), the required product, no more than five percent of the cost of the product shall be credited towards LBE participation goals.
  - c. "Consultant" shall mean a person or company that has entered into a professional services contract for monetary consideration with Developer or Vertical Developer to provide advice or services to Developer directly related to the architectural or landscape design, physical planning, and/or civil, structural or

environmental engineering of a Construction Work or Workforce Improvement.

- d. "Construction Work" shall mean: (i) in the case of Horizontal Improvements, construction of all Horizontal Improvements required or permitted to be made to the Project Site during a Phase and to be carried out by Developer under the DDA subject to Chapter 14B; or (ii) in the case of Vertical Improvements, a Vertical Improvement and all tenant improvements therein, except for the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area, to be constructed by a Vertical Developer on a Development Parcel pursuant to an applicable Vertical DDA and Parcel Lease.
- e. "Contract(s)" shall mean an agreement, whether a direct contract or subcontract, for Consultant or Contractor services for all or a portion of a Construction Work or Workforce Improvement.
- f. "Contractor" shall mean a person or entity that enters into a direct Contract with Developer or Vertical Developer to build or construct all or a portion of a Construction Work or operate a Workforce Improvement.
- g. "DDA" means the Disposition and Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission.
- h. "Developer" has the meaning set forth in the DDA, including any successor during the term of this LBE Utilization Plan.
- i. "Development Parcel" has the meaning set forth in the DDA.
- j. "Excess Credit" shall mean the total cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants that are Small and Micro-LBEs that exceeds the goals set forth in Section 4.
- k. "Horizontal Improvement" has the meaning set forth in the DDA.
- l. "Good Faith Efforts" shall mean procedural steps taken by Developer, Vertical Developer, Contractor or Consultant with respect to the attainment of the LBE participation goals, as set forth in Section 6 below.
- m. "Local Business Enterprise" or "LBE" means a business that is certified as an LBE under Chapter 14B.3.
- n. "LBE Liaison" shall mean Developer's and Vertical Developer's primary point of contact with CMD regarding the obligations of this LBE Utilization Plan. Each prime Contractor(s) shall likewise have a LBE Liaison.

- o. "Parcel Lease" has the meaning set forth in the DDA.
  - p. "Phase" has the meaning set forth in the DDA.
  - q. "Port" has the meaning set forth in the DDA.
- 
- r. "Project" has the meaning set forth in the DDA.
  - s. "Project Site" has the meaning set forth in the DDA.
  - t. "Subconsultant" shall mean a person or entity that has a direct Contract with a Consultant to perform a portion of the work under a Contract for a Construction Work or Workforce Improvement.
  - u. "Subcontractor" shall mean a person or entity that has a direct Contract with a Contractor to perform a portion of the work under a Contract for a Construction Work or Workforce Improvement.
  - v. "Vertical DDA" has the meaning set forth in the DDA.
  - w. "Vertical Developer" has the meaning set forth in the DDA.
  - x. "Workforce Improvement" shall mean all completed Vertical Improvements, but excluding within: (a) any commercial premises occupying less than 15,000 square feet in floor area, and (b) any residential units therein, subject to Chapter

14B

4. LBE Participation Goal. Developer and Vertical Developer agree to participate in this LBE Utilization Plan and CMD agrees to work with Developer and Vertical Developer in this effort, as set forth in this LBE Utilization Plan. As long as this LBE Utilization Plan remains in full force and effect, Developer, with respect to the construction of Horizontal Improvements, and Vertical Developer, with respect to the construction of Vertical Improvements, shall make good faith efforts as defined below to achieve an overall LBE participation goal of 20% of the total cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants that are Small and Micro-LBEs, as set forth in Administrative Code Section 14B.8(A) and a participation goal of 10% during the pre-construction phase of the Project.

5. Developer/Vertical Developer Obligations. Developer, with respect to the construction of Horizontal Improvements, and Vertical Developer, with respect to the construction of Vertical Improvements, shall comply with the requirements of this Attachment A as follows: Upon entering into a Contract with a Contractor or Consultant, Developer or Vertical Developer, as applicable, will include each such Contract a provision requiring the Contractor or Consultant to comply with the terms of this Attachment A; and setting forth the applicable percentage goal for such Contract, and provide a signed copy thereof to CMD and the Port within 10 business days of execution. Such Contract shall specify the notice information for the

Contractor or Consultant to receive notice pursuant to Section 16. Developer and each Vertical Developer shall identify a "LBE Liaison" as its main point of contact for outreach/compliance concerns and shall be available to meet with CMD staff on a regular basis or as necessary regarding the implementation of this Attachment A. If Developer, with respect to Horizontal Improvements, or a Vertical Developer, with respect to construction of the Vertical Improvements, fulfills its obligations as set forth in this Section 5 and otherwise cooperates in good faith at CMD's request with respect to any meet and confer process or enforcement action against a non-compliant Contractor, Consultant, Subcontractor or Subconsultant, then Developer or Vertical Developer, as applicable, shall not be held responsible for the failure of a Contractor, Consultant, Subcontractor or Subconsultant or any other person or party to comply with the requirements of this Attachment A.

6. Good Faith Efforts. City acknowledges and agrees that Developer, Vertical Developer, Contractor, Subcontractor, Consultant and Subconsultant shall have the sole discretion to qualify, hire or not hire LBEs. If a Contractor or Consultant does not meet the LBE hiring goal set forth above in Section 5, it will nonetheless be deemed to satisfy the good faith effort obligation of this Section 6 and thereby satisfy the requirements and obligations of this Attachment A if the Contractor, Consultants and their Subcontractors and Subconsultants, as applicable, perform the good faith efforts set forth in this Section 6 as follows:

- a. Advance Notice. Notify CMD and the Port in writing of all upcoming solicitations of proposals for work under a Contract at 15 business days before issuing such solicitations to allow opportunity for CMD to identify and outreach to any LBEs that it reasonably deems may be qualified for the Contract scope of work.
- b. Contract Size. Where practicable, Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant will divide the work in order to encourage maximum LBE participation or, encourage joint venturing. The Contracting Party will identify specific items of each Contract that may be performed by Subcontractors.
- c. Advertise. Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant will advertise for at least 30 days prior to the opening of bids or proposals, for professional services and contracting opportunities in media focused on small businesses including the Bid and Contract Opportunities website through the City's Office of Contract Administration (<http://mission.sfgov.org/OCABidPublication>) and other local and trade publications, and allowing subcontractors to attend outreach events, pre-bid meetings, and inviting LBEs to submit bids to Developer or Vertical Developer or their respective Prime Contractor or Consultant, as applicable. As practicable, convene pre-bid or pre-solicitation meetings no less than 15 days prior to the opening of bids and proposals to all for LBEs to ask questions about the selection process and technical specifications/requirements. Developer or Vertical Developer may request CMD's permission to award a contract without advertising if the work consists of specialty services or otherwise does not provide

opportunities for LBE participation.

- d. CMD Invitation. If a pre-bid meeting or other similar meeting is held with proposed Contractors, Subcontractors, Consultants or Subconsultants, invite CMD to the meeting to allow CMD to explain proper LBE utilization.
- e. ~~Public Solicitation. Developer or Vertical Developer or their respective Prime Contractor(s) and/or Consultants, as applicable, will work with CMD to follow up on initial solicitations of interest by contacting LBEs to determine with certainty whether they are interested in performing specific items in a project.~~
- f. Outreach and Other Assistance. Developer or Vertical Developer or their respective Prime Contractor (s) and/or Consultants, as applicable, will a) provide LBEs with plans, specifications and requirements for all or part of the project; b) notify LBE trade associations that disseminate bid and contract information and provide technical assistance to LBEs. The designated LBE Liaison(s) shall be or work with a LBE Consultant with experience in and responsibility for making recommendations on how to maximize engagement of local small businesses from disadvantaged communities including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods, and will work with CMD to conduct outreach to LBEs for all consulting/contracting opportunities in the applicable trades and services in order to encourage them to participate on the project.
- g. ~~Contacts. Make contacts with LBEs, associations or development centers, or any agencies, which disseminate bid and contract information to LBEs and document any other efforts undertaken to encourage participation by LBEs.~~
- h. Good Faith/Nondiscrimination. Make good faith efforts to enter into Contracts with LBEs and give good faith consideration to bids and proposals submitted by LBEs. Use nondiscriminatory selection criteria (for the purpose of clarity, exercise of subjective aesthetic taste in selection decisions for architect and other design professionals shall not be deemed discriminatory and the exercise of its commercially reasonable judgment in all hiring decisions shall not be deemed discriminatory).
- i. Incorporation into contract provisions. Developer or Vertical Developer shall include in its Contracts provisions that require prospective Contractors and Consultants that will be utilizing Subcontractors or Subconsultants to follow the above good faith efforts to subcontract to LBEs, including overall LBE participation goal and any LBE percentage that may be required under such Contract.
- j. Monitoring. Allow CMD Contract Compliance unit to monitor Consultant/Contractor selection processes and, when necessary give suggestions as to how best to maximize LBEs ability to complete and win

procurement opportunities.

- k. **Insurance and Bonding.** Recognizing that lines of credit, insurance and bonding are problems common to local businesses, staff will be available to explain the applicable insurance and bonding requirements, answer questions about them, and, if possible, suggest governmental or third party avenues of assistance. Contractor, Subcontractor, Consultant and Subconsultant will work with the Developer, Vertical Developer and CMD in good faith to design and implement for each Horizontal and Vertical Improvement insurance programs which provides to LBE participating subcontractors access to the required coverage through either the owner, Owner-Controlled Insurance Policy (OCIP), general contractor, Contractor-Controlled Insurance Policy (CCIP), or such other insurance program as may become reasonably commercially available.
- l. **Maintain Records and Cooperation.** Maintain records of LBEs that are awarded Contracts, not discriminate against any LBEs, and, if requested, meet and confer with CMD as reasonably required in addition to the meet and confer sessions described in Section 9 below to identify a strategy to meet the LBE goal;
- m. **Quarterly Reports.** During design and construction, the LBE Liaison(s) shall prepare a quarterly report of LBE participation goal attainment and submit to CMD as required by Section 9 herein; and
- n. **Meet and Confer.** Attend the meet and confer process described in Section 9.

7. **Good Faith Outreach.** Good faith efforts shall be deemed satisfied solely by compliance with Section 6. Contractors and Consultants, and Subcontractors and Subconsultants as applicable shall also work with CMD to identify from CMD's database of LBEs those LBEs who are most likely to be qualified for each identified opportunity under Section 6.b, and following CMD's notice under Section 8.a, shall undertake reasonable efforts at CMD's request to support CMD's outreach identified LBEs as mutually agreed upon by CMD and each Contractor or Consultant and its Subcontractors and Subconsultants, as applicable.

8. **CMD Obligations.** The following are obligations of CMD to implement this LBE Utilization Plan:

- a. During the fifteen (15) business day notification period for upcoming Contracts required by Section 6.b, CMD will work with Developer or its prime Contractor and/or Consultant as applicable to send such notification to qualified LBEs to alert them to upcoming Contracts.
- b. Provide assistance to Contractors, Subcontractors, Consultants and Subconsultants on good faith outreach to LBEs.
- c. Review quarterly reports of LBE participation goals; when necessary give

suggestions as to how best to maximize LBEs ability to compete and win procurement opportunities.

- d. Perform other tasks as reasonably required to assist Developer or Vertical Developer or their Contractors, Subcontractors, Consultants and Subconsultants in meeting LBE participation goals and/or satisfying good faith efforts requirements.

9. Meet and Confer Process. Commencing with the first Contract that is executed for a Construction Work, and every six (6) months thereafter, or more frequently if requested by either CMD, Developer or a Contractor or Consultant each Contractor and Consultant and the CMD shall engage in an informal meet and confer to assess compliance of such Contractor and Consultants and its Subcontractors and Subconsultants as applicable with this Attachment A. When deficiencies are noted, meet and confer with CMD to ascertain and execute plans to increase LBE participation.

10. Prohibition on Discrimination. Developer and Vertical Developer shall not discriminate in its selection of Contractors and Consultants, and such Contractors and Consultants shall not discriminate in their selection of Subcontractors and Subconsultants against any person on the basis of race, gender, or any other basis prohibited by law. As part of its efforts to avoid unlawful discrimination in the selection of Subconsultants and Subcontractors, Contractors and Consultants will undertake the Good Faith Efforts and participate in the meet and confer processes as set forth in Sections 6 and 9 above.

11. Collective Bargaining Agreements. Nothing in this Attachment A shall be interpreted to prohibit the continuation of existing workforce training agreements or to interfere with consent decrees, collective bargaining agreements, project labor agreement, project stabilization agreement, existing employment contract or other labor agreement or labor contract ("Collective Bargaining Agreements"). In the event of a conflict between this Attachment A and a Collective Bargaining Agreement, the terms of the Collective Bargaining Agreement shall supersede this Attachment A.

12. Reporting and Monitoring. Each Contractor, Consultant, and its Subcontractors and Subconsultants as applicable shall maintain accurate records demonstrating compliance with the LBE participation goals, including keeping track of the date that each response, proposal or bid that was received from LBEs, including the amount bid by and the amount to be paid (if different) to the non-LBE contractor that was selected, documentation of any efforts regarding good faith efforts as set forth in Section 6. Developer and Vertical Developer shall create a reporting method for tracking LBE participation. Data tracked shall include the following (at a minimum):

- a. Name/Type of Contract(s) let (e.g. Civil Engineering contract, Environmental Consulting, etc.)
- b. Name of prime Contractors (including identifying which are LBEs and non-LBEs)
- c. Name of Subcontractors (including identifying which are LBEs and non-LBEs)
- d. Scope of work performed by LBEs (e.g. under an Architect, an LBE could be procured to provide renderings)

- e. Dollar amounts associated with both LBE and non-LBE Contractors at both prime and Subcontractor levels.
- f. Total LBE participation is defined as a percentage of total Contract dollars.

13. Basis of Compliance:

- a. With regard to Horizontal Improvements, CMD shall determine compliance with this Agreement on a Phase-wide basis and measure compliance by dividing the cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Construction Work. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Project-wide basis by giving notice to CMD and the Port of such election not later than the submission of the penultimate Phase Submittal. After such election, compliance shall be measured upon the completion of the Project. In each case, once compliance is established, any Excess Credit shall be confirmed by CMD and shall be available for Developer, provided Developer remains a Giants Affiliate, as defined in the DDA, to offset shortfalls elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Horizontal Improvements that complied with the procedures set forth in Section 6 and at completion are short of attaining the participation levels set forth in Section 4.
- b. With regard to Vertical Improvements, CMD shall determine compliance with this Agreement on an individual Vertical Improvement basis and measure compliance by dividing the cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Vertical Improvement. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Phase-wide basis, as Developer plans to develop each Vertical Improvement in such Phase, by giving notice to CMD and the Port of such election during the submission of a Phase Submittal. After such election, compliance shall be measured upon the completion of the Phase, as applicable. In each case, once compliance is established, any Excess Credits shall be confirmed by CMD and shall be available to the Vertical Developer of the Vertical Improvement that generated such Excess Credits to transfer to another Vertical Developer, provided that such Vertical Developer is a Giants Affiliate, as defined in the DDA, to offset shortfalls in the same trade on Vertical Improvements elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Vertical Improvements that complied with the procedures set forth in Section 6 and at completion are still short of attaining the participation levels set forth in Section 4.

14. Workforce Improvement Operations. Each Vertical Developer will use good faith efforts to hire LBEs for ongoing service contracts within Workforce Improvements and advertise such contracting opportunities with CMD except to the extent impractical or infeasible. If a master association is responsible for the operation and maintenance of publicly owned improvements within the Project Site, CMD shall refer LBEs to such association for consideration with regard to contracting opportunities for such improvements. Such association will consider in good faith such LBE referrals, but hiring decisions shall be entirely at the discretion of such association.

---

15. Monitoring and Enforcement. CMD shall both monitor and enforce the standards and requirements, including the good faith efforts, of this Program. CMD Compliance Officers shall schedule meetings with the LBE Liaison(s) through the term of this Program to promote consistent communication and practice.

16. Written Notice of Deficiencies. If based on complaint, failure to report, or other cause, the CMD has reason to question the good faith efforts of a Developer, Vertical Developer, Contractor, Subcontractor, Consultant or Subconsultant, then CMD shall provide written notice to Developer or Vertical Developer, as applicable, each affected prime Contractor or Consultant and, if applicable, also to its Subcontractor or Subconsultant. The prime Contractor or Consultant and, if applicable, the Subcontractor or Subconsultant, shall have a reasonable period, based on the facts and circumstances of each case, to demonstrate to the reasonable satisfaction of the CMD that it has exercised good faith to satisfy its obligations under this Attachment A. When deficiencies are noted CMD staff will work with the appropriate LBE Liaison(s) to remedy such deficiencies.

17. Remedies. Notwithstanding anything to the contrary in the DDA, the following process and remedies shall apply with respect to any alleged violation of this Attachment A:

---

Mediation and conciliation shall be the administrative procedure of first resort for any and all compliance disputes arising under this Attachment A. The Director of CMD shall have power to oversee and to conduct the mediation and conciliation.

Non-binding arbitration shall be the administrative procedure of second resort utilized by CMD for resolving the issue of whether a Developer, Contractor, Consultant, Subcontractor or Subconsultant discriminated in the award of one or more LBE Contracts to the extent that such issue is not resolved through the mediation and conciliation procedure described above. Obtaining a final judgment through arbitration on LBE contract related disputes shall be a condition precedent to the ability of the City or Developer, Contractor, Consultant, Subcontractor or Subconsultant to file a request for judicial relief.

If a Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant is found to be in willful breach of the obligations set forth in this Attachment A, assess against the noncompliant Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant liquidated damages not to exceed \$25,000 or 5% of the Contract, whichever is less, for each such willful breach. In determining the amount of any liquidated damages to be assessed within the limits described above, the arbitrator or court of competent jurisdiction shall consider the

financial capacity of Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant. For purposes of this paragraph, "willful breach" means a knowing and intentional breach. For all other violations of this Attachment A, the sole remedy for violation shall be specific performance.

18. Duration of this Agreement. This Attachment A shall terminate (i) at the expiration of the Development Agreement, as defined in the DDA, and; (ii) for any Construction Work that has commenced before the termination of the Development Agreement, but is not yet complete upon the termination of the Development Agreement, upon the completion of such Construction Work. Upon such termination, this Attachment A shall be of no further force and effect.

19. Notice. All notices to be given under this Attachment A shall be in writing and sent by: certified mail, return receipt requested, in which case notice shall be deemed delivered three (3) business days after deposit, postage prepaid in the United States Mail, a nationally recognized overnight courier, in which case notice shall be deemed delivered one (1) business day after deposit with that courier, or hand delivery, in which case notice shall be deemed delivered on the date received, all as follows:

If to CMD:

**EXHIBIT N**

**DEVELOPMENT AGREEMENT SECTION §5.8(F) (ELECTRICITY)**

## **PARCEL LEASE EXHIBIT N**

### **Development Agreement Section §5.8(f) (Electricity)**

#### **5.8 Future City Approvals**

##### **(f) SFPUC Power.**

(i) In accordance with Administrative Code chapter 99, the SFPUC has performed a feasibility study and has determined that it will be able to provide electric power to the Project. SFPUC agrees that applicable SFPUC service will be reasonably available to meet the Project's needs and Developer's schedule, and that the projected price for applicable SFPUC service and related Utility Infrastructure cost allocations are comparable to rates in San Francisco for comparable service. SFPUC will work with Developer to provide applicable SFPUC service for temporary construction and permanent use pursuant to SFPUC *Rules and Regulations for Electric Service*.

(ii) Developer understands and agrees that all applicable SFPUC service for the Project Site will be provided by SFPUC Power under the terms of an ESA to be completed between SFPUC Power and Developer. Among other things, the ESA, in addition to the ESA's standard terms and conditions, will address some or all of the following:

- (1) development schedules and milestones for applicable SFPUC service;
- (2) termination rights and costs;
- (3) offsite Utility Infrastructure requirements, development, costs, and any cost allocation;
- (4) onsite Utility Infrastructure requirements, development, costs, and cost allocations; and
- (5) Developer-provided space for SFPUC electric facilities.

(iii) The Parties agree to act in good faith to finalize the ESA within 180 days after the Reference Date. If the Parties' good faith efforts do not result in a final ESA within 180 days, the Parties will agree to a reasonable extension of time to complete the ESA. If the Parties' diligent good faith negotiations to enter into an ESA as set forth above are unsuccessful, Developer may elect to pursue alternative service arrangements.

1. The Commission has been informed that the Government of the United States of America has been requested by the Government of the United Kingdom to provide information regarding the activities of the United States of America in the United Kingdom.

1. The first step in the process of identifying a problem is to recognize that a problem exists. This is often done by comparing current performance with a desired state or goal. If there is a discrepancy, a problem is identified.

**FORM OF ASSIGNMENT AND ASSUMPTION AGREEMENT**

RECORDING REQUESTED BY:  
AND WHEN RECORDED MAIL TO:

FOR RECORDER'S USE ONLY

APN: Lot [ ], Block [ ]

**PARCEL LEASE EXHIBIT O**  
**ASSIGNMENT AND ASSUMPTION AGREEMENT AND RELEASE**  
(Parcel Lease [and DA])

This ASSIGNMENT AND ASSUMPTION AGREEMENT (this "**Agreement**"), effective as of [ ], (the "**Effective Date**"), is entered into by and between [ ], a [ ] ("**Transferor**"), and [ ], a [ ] ("**Transferee**").

**RECITALS**

A. Seawall Lot 337 Associates, LLC, a Delaware limited liability company ("**Horizontal Developer**") and the City entered into that certain Development Agreement (the "**Development Agreement**") dated as of [ ], 2018 for reference purposes, with respect to certain real property owned by Assignor, as such property is more particularly described in the Development Agreement ("**Mission Rock**"). The Development Agreement was recorded in the Official Records on [ ], 2018 as Instrument No. [ ].

B. The Development Agreement was assigned by Horizontal Developer to Transferor by that certain Development Agreement Assignment and Assumption Agreement dated as of [ ], 20[xx] and recorded in the Official Records on [ ], 20[xx] as Instrument No. [ ]. [Note: add if applicable any intervening amendment and/or assignments]

C. Port and Transferor entered into that certain Lease No. L-XXXX dated as of [ ], 20XX (the "**Lease**"), a memorandum of which was recorded in the Official Records on [ ], 20XX as Instrument No. [ ].

D. The Property is located within the mixed-use development commonly known as Mission Rock. The Lease, and [Note: add other agreements if applicable] any other agreements or documents entered into by and between Port and Transferor pursuant to the Lease are referred to herein collectively, as the "**Property Agreements**."

E. Transferor and Transferee have entered into an agreement (the "**Purchase Agreement**") pursuant to which Transferor has agreed to assign all of its right, title and interest in and to the Property Agreements [and certain right title and interest in the Development Agreement] to Transferee, and Transferee has agreed to assume all of Transferor's right title and interest in and to the Property Agreements [and certain right title and interest in the Development Agreement] from Transferor. The Purchase Agreement, the Property Agreements, this Agreement [and the Development Agreement] are collectively referred to as the "**Transaction Documents**."

F. In order to consummate the transactions contemplated by the Purchase Agreement, Transferor desires to assign and Transferee desires to assume the Property Agreements [and the Development Agreement] on the terms and conditions set forth in this Agreement.

#### AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Transferor and Transferee agree as follows:

1. **Assignment by Transferor.** Transferor hereby assigns to Transferee as of the Effective Date each and all of the right, title, interest and obligations of Transferor under the Property Agreements [and certain right title and interest in the Development Agreement and any other agreements or documents entered into by and between City and Transferor pursuant to the Development Agreement] to the extent first arising after the Effective Date.
2. **Assumption by Transferee.**
  - 2.1. **Assumption by Transferee.** Transferee hereby assumes from Transferor as of the Effective Date each and all of the right, title, interest and obligations of Transferor under the Property Agreements [and certain right title and interest in the Development Agreement and any other agreements or documents entered into by and between City and Transferor pursuant to the Development Agreement] to the extent first arising after the Effective Date. Transferee hereby acknowledges that Transferee has reviewed the Property Agreements [and the Development Agreement and any other agreements or documents entered into by and between City and Transferor pursuant to the Development Agreement] and agrees to be bound by all such agreements and all conditions and restrictions to which Transferor is subject under such agreements [and to which Horizontal Developer (or the Transferor, as applicable) is subject under the Development Agreement to the extent applicable to the Property].
  - 2.2. **[Note: add if applicable to residential rental projects] [To be confirmed-subject to further modification]** Costa-Hawkins Waiver. Without limiting the foregoing assumption of rights and obligations by Transferee, Transferee specifically acknowledges that the Development Agreement and the DDA, which includes the Affordable Housing Plan attached thereto as Exhibit [XX], [provide regulatory concessions and significant public investment to Mission Rock that directly reduce development costs at Mission Rock]. The regulatory concessions and public investment include a direct financial contribution of net tax increment and other forms of public assistance specified in California Government Code section 65915. These public contributions result in identifiable, financially sufficient, and actual cost reductions for the benefit of Horizontal Developer and Transferors under California Government Code section 65915. In consideration of the City's direct financial contribution and other forms of public assistance, the parties understand and agree that the Costa-Hawkins Act does not apply to any BMR Unit or Inclusionary Units developed under the AHP for Mission Rock.
3. **Representations and Warranties of Transferor.** Transferor hereby makes the following representations and warranties to Transferee, Port, and the City as of the Effective Date:
  - 3.1. Transferor is a [ ] duly organized and validly existing under the laws of the State of [ ]. Transferor has the requisite power and authority to own its property and conduct its business as presently conducted. Transferor is in good standing in the State of California, and is authorized to do business in the State of California and is in good standing therein.
  - 3.2. Transferor has the requisite power and authority to execute and deliver the Transaction Documents and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of the Transaction Documents and the agreements contemplated hereby to be performed by Transferor.
  - 3.3. Neither Transferor's [articles of organization or operating agreement], nor any applicable Law, prohibits Transferor's entry into the Transaction Documents or its performance thereunder. No consent, authorization or approval of, and no notice to or filing with, any

governmental authority, regulatory body or other Person is required for the due execution and delivery of the Transaction Documents by Transferor and Transferor's performance thereunder, except for consents, authorizations and approvals which have already been obtained, notices which have already been given and filings which have already been made. Except as may otherwise have been disclosed to Port in writing, there are no undischarged judgments pending against Transferor, and Transferor has not received notice of the filing of any pending suit or proceedings against Transferor before any court, governmental agency, or arbitrator, which might materially adversely affect the enforceability of the Transaction Documents or the business, operations, assets or condition of Transferor.

**3.4.** The execution and delivery of the Transaction Documents and the performance by Transferor thereunder have been duly and validly authorized. When executed and delivered, the Transaction Documents will be legal, valid and binding obligations of Transferor.

**3.5.** The execution, delivery and performance of the Transaction Documents (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default by Transferor under (A) any agreement, document or instrument to which Transferor is a party or by which Transferor is bound, (B) any law, statute, ordinance, or regulation applicable to Transferor or its business, or (C) the articles of organization or the operating agreement of Transferor, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Transferor (other than the lien of a Mortgage in accordance with the Parcel Lease).

**3.6.** Except to the extent disclosed to Port in writing, (i) Transferor is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money, (ii) Transferor has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) there has been no event that has materially adversely affected Transferor's ability to meet its obligations under the Transaction Documents, and (iv) to Transferor's knowledge, no involuntary petition naming Transferor as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

**4. Representations and Warranties of Transferee.** Transferee hereby makes the following representations and warranties to Transferor, Port, and the City as of the Effective Date:

**4.1.** Transferee is a [ ] duly organized and validly existing under the laws of the State of [ ]. Transferee has the requisite power and authority to own its property and conduct its business as presently conducted. Transferee is in good standing in the State of California and is authorized to do business in the State of California and is in good standing therein.

**4.2.** Transferee has the requisite power and authority to execute and deliver the Transaction Documents and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of the Transaction Documents and the agreements contemplated hereby to be performed by Transferee.

**4.3.** Neither Transferee's [articles of organization or operating agreement], nor any applicable Law, prohibits Transferee's entry into the Transaction Documents or its performance thereunder. No consent, authorization or approval of, and no notice to or filing with, any governmental authority, regulatory body or other Person is required for the due execution and delivery of the Transaction Documents by Transferee and Transferee's performance thereunder, except for consents, authorizations and approvals which have already been obtained, notices which have already been given and filings which have already been made. Except as may otherwise have been disclosed to Port in writing, there are no undischarged judgments pending against Transferee, and Transferee has not received notice of the filing of any pending suit or proceedings against Transferee before any court, governmental agency, or arbitrator, which might materially adversely affect the enforceability of the Transaction Documents or the business, operations, assets or condition of Transferee.

4.4. The execution and delivery of the Transaction Documents and the performance by Transferee thereunder have been duly and validly authorized. When executed and delivered, the Transaction Documents will be legal, valid and binding obligations of Transferee.

4.5. The execution, delivery and performance of the Transaction Documents (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default by Transferee under (A) any agreement, document or instrument to which Transferee is a party or by which Transferee is bound, (B) any law, statute, ordinance, or regulation applicable to Transferee or its business, or (C) the articles of organization or the operating agreement of Transferee, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Transferee (other than the lien of a Mortgage in accordance with the Parcel Lease).

4.6. Except to the extent disclosed to Port in writing, (i) Transferee is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money, (ii) Transferee has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) there has been no event that has materially adversely affected Transferee's ability to meet its obligations under the Transaction Documents, and (iv) to Transferee's knowledge, no involuntary petition naming Transferee as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

5. **Qualified Transferee.** Transferee is a Qualified Transferee. "Qualified Transferee" means any transferee that satisfies each of the following criterion: (1) has, or has engaged a property manager with at least ten (10) years' experience operating use for commercial development parcels: major commercial projects] use for residential development parcels: residential projects]; (2) satisfies the Net Worth Requirement; and (3) is subject to jurisdiction of the courts of California.

6. **Investigation of Property; No Port or City Representations.** Transferee has conducted a thorough investigation and due diligence of the Property, including all Material Systems, the roof and the structural integrity of the Improvements [Add only if transfer occurs after 20th Anniversary of the Commencement Date]; and has received and reviewed the Facilities Condition Report dated \_\_\_\_\_ prepared by or on behalf of Transferor]. Transferee has reviewed and is familiar with the terms and conditions of the Property Agreements [and the Facilities Condition Report]. Transferee recognizes and acknowledges that Port makes no representation or warranty hereby, express or implied, regarding the Property, the Improvements, [the Facilities Condition Report] or the amount, nature, or extent of any representations or warranties with respect to the obligation, liability, or duty under any of the Property Agreements.

7. **Release of Indemnified Parties and the State Lands Indemnified Parties.** Transferee, on behalf of itself and its successors and assigns, waives or will be deemed to waive, any right to recover from, and forever releases, acquits, and discharges Indemnified Parties and the State Lands Indemnified Parties under the Property Agreements of all Losses against the Indemnified Parties and the State Lands Indemnified Parties for the condition of the Improvements or the real property or any claims assignor may have against the Indemnified Parties arising prior to the Effective Date provided, however, the foregoing waiver will not apply to Losses arising from or relating to the sole negligence or willful misconduct of the Indemnified Parties.

Transferee understands and expressly accepts and assumes the risk that any facts concerning the Losses released, waived, and discharged in this Agreement includes known and unknown claims, disclosed and undisclosed, and anticipated and unanticipated claims pertaining to the subject matter of the releases, waivers, and discharges, and might be found later to be other than or different from the facts now believed to be true, and agrees that the releases, waivers, and discharges in this Agreement will remain effective. Accordingly, with respect to the claims released, waived, and discharged in this Agreement, Transferee expressly waives the benefits of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

By placing its initials below, Transferee specifically acknowledges and confirms the validity of the releases, waivers, and discharges made above and the fact that Transferee was represented by counsel who explained, at the time this agreement was made, the consequences of the above releases, waivers and discharges.

TRANSFEEEE INITIALS: \_\_\_\_\_

**8. Release of Transferor.**

From and after the Effective Date, Transferor will be released from all obligations and liability under Parcel Lease to the extent first arising after the Effective Date as long as Transferee has assumed all such obligations and liabilities. In no event will Transferor be liable for a new default under Parcel Lease first arising after the Effective Date so long as Transferee has assumed all obligations and liabilities under Parcel Lease arising as of the Effective Date. The effectiveness of any Transfer hereunder is not in any way to be construed to relieve Transferor of any liability arising out of or with regard to the performance of any covenants or obligations to be performed by Transferor under Parcel Lease before the Effective Date.

**9. General Provisions.**

**9.1. Attorneys' Fees.** If either Party hereto fails to perform any of its respective obligations under this Agreement or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the defaulting Party or the Party not prevailing in such dispute, as the case may be, will pay any and all costs and expenses incurred by the other party on account of such default or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements.

**9.2. Notices.** The provisions of Section 38 of the Parcel Lease and Section 14.1 of the Development Agreement are incorporated by reference with the same effect as if set forth herein; provided, however, the address for Transferee is as follows:

**9.3. Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective executors, administrators, successors, and assigns.

**9.4. Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one instrument.

**9.5. Captions.** Any captions to, or headings of, the Articles, Paragraphs, or subparagraphs of this Agreement are solely for the convenience of the parties hereto, are not a part of this Agreement, and shall not be used for the interpretation or determination of the validity of this Agreement or any provision hereof.

**9.6. Amendment to Agreement.** The terms of this Agreement may not be modified or amended except by an instrument in writing executed by each of the parties hereto.

**9.7. Exhibits.** The Exhibits attached hereto are hereby incorporated herein by this reference for all purposes.

**9.8. Waiver.** The waiver or failure to enforce any provision of this Agreement shall not operate as a waiver of any future breach of any such provision or any other provision hereof.

**9.9. Applicable Law.** This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of California.

**9.10. Fees and Other Expenses.** Except as otherwise provided herein, each of the parties shall pay its own fees and expenses in connection with this Agreement.

**9.11. Partial Invalidity.** If any portion of this Agreement as applied to any party or to any circumstances shall be adjudged by a court to be void or unenforceable, such portion shall be deemed severed from this Agreement and shall in no way affect the validity or enforceability of the remaining portions of this Agreement.

**9.12. Independent Counsel.** Each party hereto acknowledges that: (a) it has been represented by independent counsel in connection with this Agreement; (b) it has executed this Agreement with the advice of such counsel; and (c) this Agreement is the result of negotiations between the parties hereto and the advice and assistance of their respective counsel.

**9.13. Defined Terms.** All capitalized terms not defined herein are set forth in the Parcel Lease.

***[The remainder of this page has been intentionally left blank]***

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed as of the Effective Date.

FORM OF SIGNIFICANT CHANGE CERTIFICATE

Port of San Francisco  
Pier 1  
San Francisco, CA 94111  
Attn: Executive Director  
Re: Mission Rock -- Lease No. L-[\_\_\_\_\_]

Re: Significant Change Certificate for Parcel [XX]

This Significant Change Certificate (this "Certificate") is delivered to Port, pursuant to [Use before Certificate of Completion is issued: Section 18.1(b)(ii)] [Use after Certificate of Completion is issued: Section 18.1(g)] of that certain Lease No. L-[\_\_\_\_\_] between the CITY AND COUNTY OF SAN FRANCISCO, operating by and through the SAN FRANCISCO PORT COMMISSION ("Port") and \_\_\_\_\_ ("Tenant"), and dated \_\_\_\_\_, \_\_\_\_\_ (as may be amended, the "Parcel Lease").

[Use before Certificate of Completion issued: Section 18.1(b)(ii)] Tenant has requested Port's consent to a Significant Change (as that term is defined in the Parcel Lease), which consent is governed by Section 18.1 of the Parcel Lease. Pursuant to Section 18.1(b)(ii) [Use after Certificate of Completion issued: Section 18.1(g)] of the Parcel Lease, an officer of Tenant hereby certifies to Port the following information regarding the proposed Significant Change

List (each) Purchaser: \_\_\_\_\_

List Ownership Interest of (each) Purchaser: \_\_\_\_\_% \_\_\_\_\_%

Purchase price for (each) Purchaser: \_\_\_\_\_

Net Sale Proceeds  
(as defined in the Parcel Lease)  
owed to Port (if applicable): \_\_\_\_\_

[Use after Certificate of Completion issued: Section 18.1(g)] All other members/partners of Tenant and their respective ownership interest: \_\_\_\_\_% \_\_\_\_\_%

Furthermore, Tenant hereby reaffirms that it will continue to be obligated under all the terms and conditions of the Parcel Lease and Tenant will be, if not already, a Qualified Transferee immediately following the Significant Change. As the [insert title of person signing] of Tenant, the undersigned certifies that this Certificate is true, accurate and complete. All capitalized terms not defined in this Certificate are defined in the Parcel Lease.

**PARCEL LEASE EXHIBIT R**  
**FORM OF SUBTENANT ESTOPPEL CERTIFICATE**

[ ], a [ ] ("Subtenant"), is the subtenant of the real property having an address at [ ] within the mixed-use development commonly known as "Mission Rock" in San Francisco, California (the "Property"), and hereby certifies to the **City and County of San Francisco**, a municipal corporation, operating by and through the **San Francisco Port Commission ("Port")** [and to [ ] the following as of [ ], 20XX:

1. That there is presently in full force and effect that certain Sublease [ ] dated as of [ ], 20[XXX], (as modified, assigned, supplemented and/or amended as set forth in **paragraph 3 below**, the "Sublease"), between Subtenant, as tenant, and [ ], as landlord ("Landlord"), covering the Property and other improvements, as further described in the Sublease (the "Subleased Premises").
2. The Sublease is subject to that certain Lease No. L-[XXX] dated as of [ ], 20[XXX], as amended from time to time, between Landlord, as tenant, and Port, as landlord.
3. **[Note: Use only if Subtenant has an NDA:]** That to the best of Subtenant's knowledge, the Sublease, attached hereto as **Exhibit A** is true, correct and complete and has not been modified, assigned, supplemented or amended except as follows: **[Note: add if Sublease has been amended:** The dates of Port approval for such amendments are as follows: [ ].]
4. That Subtenant has not sub-subleased any portion of the Subleased Premises other than to [ ] pursuant to that certain [insert description of the sub-subleases].
5. That the Sublease [and the following documents: [ ]] represents the entire agreement between Landlord and Subtenant with respect to the Subleased Premises.
6. That the commencement date under the Sublease was [ ], 20[XXX], and the expiration date of the Sublease is [ ], 20[XXX].
7. That the present minimum monthly base rent which Subtenant is paying under the Sublease is \$\_\_\_\_\_.
8. That the percentage rent paid by Subtenant for the most recent full calendar month prior to the date set forth above was \$\_\_\_\_\_. **[Insert "Not Applicable" if no percentage rent due under the Sublease.]**
9. That the security deposits held by Landlord under the terms of the Sublease are as follows: \$\_\_\_\_\_.
10. That Subtenant has accepted possession of the Subleased Premises and that, to the best of Subtenant's actual knowledge after diligent inquiry, all conditions of the Sublease to be satisfied by Landlord have been completed or satisfied to the satisfaction of Subtenant.
11. That, to the best of Subtenant's actual knowledge after diligent inquiry, Subtenant, as of the date set forth above, has no right or claim of deduction, charge, lien or offset against Landlord under the Sublease or otherwise against the rents or other charges due or to become due pursuant to the terms of the Sublease other than \_\_\_\_\_.

12. That, to Subtenant's actual knowledge after diligent inquiry, Landlord is not in default or breach of the Sublease, nor has Landlord committed an act or failed to act in such a manner, which, with the passage of time or notice or both, would result in a default or breach of the Sublease by Landlord.

13. That, to the best of Subtenant's actual knowledge after diligent inquiry, Subtenant is not in default or in breach of the Sublease, nor has Subtenant committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Sublease by Subtenant.

14. Except for the following: \_\_\_\_\_, (i) Subtenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money, (ii) Subtenant has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) there has been no event that has materially adversely affected Subtenant's ability to meet its Sublease obligations hereunder, and (iv) to Subtenant's knowledge, no involuntary petition naming Subtenant as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

This Certificate is binding upon Subtenant and will inure to the benefit of Port, [ ] and their respective successors and assigns.

**EXHIBIT S**

**FORM ON NON-DISTURBANCE AGREEMENT**

## PARCEL LEASE EXHIBIT S

### FORM OF NON-DISTURBANCE AND ATTORNMENT AGREEMENT

This NON-DISTURBANCE AND ATTORNMENT AGREEMENT (this "Agreement") is made as of [\_\_\_\_\_, 20XXX] (the "Effective Date"), by and among the CITY AND COUNTY OF SAN FRANCISCO ("City"), operating by and through the SAN FRANCISCO PORT COMMISSION ("Port"), [\_\_\_\_\_] a [\_\_\_\_\_] ("Tenant" or "Sublandlord"), and [\_\_\_\_\_] a [\_\_\_\_\_] ("Subtenant"). The exhibits and the recitals and this Agreement are construed as a single instrument and are referred herein as this "Agreement."

### RECITALS

A. Port and Sublandlord entered into that certain Lease No. L-XXXX as may be amended from time to time dated [\_\_\_\_\_, 20XX], ("Parcel Lease") pursuant to which Port leased to Sublandlord that certain premises having an address at [\_\_\_\_\_] (the "Premises"), located in the City and County of San Francisco, California.

B. Subtenant desires to sublease from Sublandlord [insert description of premises, i.e. suite or floor numbers] within the Premises (the "Subleased Premises") pursuant to the terms of the Sublease Agreement between Sublandlord and Subtenant, dated as of [\_\_\_\_\_] (the "Sublease"). A summary of the basic terms of the Sublease certified by an authorized representative of Sublandlord as true, correct, and complete, is attached hereto as *Exhibit A* ("Sublease Summary"). A true, correct, and complete copy of the Sublease is attached hereto as *Exhibit B*.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein. Port, Sublandlord and Subtenant agree as follows:

#### 1. SUBLEASE SUBJECT TO PARCEL LEASE.

The Sublease is subordinate at all times to the Parcel Lease and subject to all of its applicable provisions, covenants and conditions thereof.

#### 2. PRE-CONDITIONS TO RECOGNITION.

Port has no obligation to recognize Subtenant's rights under the Sublease or otherwise comply with *Section 4*: (a) if the Parcel Lease is terminated as a result of Sublandlord exercising its termination option due to (i) change in Laws in accordance with [Section 7.3 of the Parcel Lease], (ii) casualty or condemnation in accordance with [Articles 14 and 15 of the Parcel Lease], or (iii) certain Remediation obligations during the last ten (10) years of the Parcel Lease term, as further described in [Section 21.4(d) of the Parcel Lease], or (b) unless all of the following conditions are satisfied as of the effective date the Parcel Lease terminates ("Parcel Lease Termination Date"):

(i) there is no uncured Subtenant event of default, giving effect to any notice and cure period provided therein;

(ii) Subtenant delivers to Port, promptly following Port's notice to Subtenant that the Parcel Lease has terminated, an executed estoppel certificate, substantially in the form attached hereto as *Exhibit C* certifying as of the Parcel Lease Termination Date, among other things:

(1) that the attached Sublease and Sublease Summary are true, correct, and complete copies, and that the Sublease is in full force and effect, or if such Sublease is not in full force and effect, so stating,

(2) which amendments, if any, to the Sublease have been previously approved by Port in writing, including the dates of approval;

(3) the dates, if any, to which any rent and other sums payable thereunder have been paid,

(4) that Sublandlord is not in default, nor is it aware of any events which, with the passage of time or notice or both, would result in a default, except as to those specified in said certificate, and

(5) that Subtenant is not in default, nor is it aware of any events which, with the passage of time or notice or both, would result in a default, except as to those specified in said certificate.

(iii) Without limiting *Section 1*, from and after the Parcel Lease Termination Date, Subtenant hereby agrees that the provisions of Article 45 (Other City Requirements) of the Parcel Lease (collectively, the "Special Provisions") are deemed to be incorporated by reference and made a part of the Sublease as if set forth in full in the Sublease, except that the term "Tenant" in such sections will mean the Subtenant; and

(iv) [Note: Insert if Parcel Lease includes section related to Port's reservation of rights.] As described in [Section 1.1(l) of the Parcel Lease], Subtenant hereby agrees that Port will have the continuing rights described in such section (without being in default under the Sublease) and in the event of any conflict with the Sublease, the terms of such section of the Parcel Lease will control.

### **3. NO OBLIGATION TO RECOGNIZE CERTAIN SUBLEASE PROVISIONS.**

Notwithstanding *Section 4*, Subtenant agrees and acknowledges that Port's recognition of the Sublease from and after the Parcel Lease Termination Date, does not include, and in no event will Port be subject to, liable for, or bound by, any term or condition in the Sublease for any of the following:

(a) Any security deposit, prepaid rent or other charges previously paid by Subtenant to Sublandlord, unless such deposits, prepaid rents, or other charges are transferred to Port;

(b) Any sublandlord indemnity obligation or sublandlord waiver or release of claims under the Sublease for the benefit of Subtenant or any other party;

(c) Any requirement or obligation of the Sublandlord to pay (i) any liquidated damages, or (ii) any unpaid or unreimbursed tenant improvement allowance (provided, however, if Subtenant incurs costs after the Parcel Lease Termination Date that are reimbursable from any remaining and unpaid tenant allowance ("Reimbursable Subtenant Costs"), then so long as Subtenant is not in default under the Sublease and Subtenant provides Port with all the information required in the Sublease for Sublandlord to confirm or validate the amount of the tenant improvement allowance payable to Subtenant, and Port has validated such costs, then Subtenant may receive a rent credit of up to fifty percent (50%) of the monthly base rent then payable until the Reimbursable Subtenant Costs are fully reimbursed or the Sublease terminates, whichever is earlier.

(d) Any requirement or obligation of the Sublandlord to perform tenant improvement work; provided, however, if any such tenant improvement work has not been completed by the Parcel Lease Termination Date (the "Incomplete TI Work"), then so long as Subtenant is not in default under the Sublease, Subtenant will have the right to perform the Incomplete TI Work and will receive a rent credit of up to fifty percent (50%) of the monthly base rent then payable until Subtenant has received a rent credit equal to the Remaining TI Cost. "Remaining TI Cost" means the lesser of (i) the original estimated cost of the tenant improvement work which was to be performed by Sublandlord, as set forth in the attached Sublease Summary, or (ii) the actual cost of completing the Incomplete TI Work. [Note: If Sublease requires the sublandlord to perform tenant improvement work, then the summary of basic terms must include the original estimated cost of the TI work.]

(e) Without limiting *Sections 3(c) and 3(d)*, any offsets, defenses or claims that Subtenant may be able to assert against Tenant as its sublandlord; provided however, the foregoing (other than any matters relating to *Sections 3(c) and 3(d)*) will not limit Port's obligations to correct any conditions that existed as of the date of attornment that violate Port's obligations as the sub landlord under the Sublease;

(f) Any Subtenant right of first offer to purchase, first negotiation to purchase or first refusal to purchase Sublandlord's interest in the Subleased Premises;

(g) Any Sublease term, including options to renew, that extend beyond the scheduled expiration date of the Parcel Lease;

(h) Any sublandlord obligation to pay or be liable for any indirect, consequential, incidental, punitive or special damages;

(i) Any limitation on Subtenant's obligation to indemnify any sublandlord parties based on Subtenant's insurance coverage;

(j) Any limitation on sublandlord's ability to transfer its interest in the Sublease (including any requirement to deliver prior notice to Subtenant or obtain Subtenant's prior approval);

(k) Any confidentiality obligations set forth in the Sublease, whether as the landlord under the Parcel Lease or the Sublease, to the extent that such obligations conflict with Port's obligations under the Public Records Act or the City's Sunshine Ordinance;

(l) Subject to the provisions of *Section 18.5* of the Parcel Lease, Any modification or amendment of the Sublease made without Port's written consent that increase Sublandlord's obligations under the Sublease or decrease the Subtenant's obligations under the Sublease unless such amendment or modification has previously been approved by Port in writing; and

(m) Any sublease provision that conflicts with *Section 18.3(a)* (Qualifying Subleases) of the Parcel Lease.

#### **4. RECOGNITION OF SUBTENANT RIGHTS.**

Provided all the conditions set forth in *Section 2* are fully satisfied, and further subject to the limitations set forth in *Sections 3 and 5*, if the Parcel Lease terminates for any reason other than Sublandlord terminating the Parcel Lease due to change in laws, casualty or condemnation, or certain Remediation obligations, all as further described in *Section 2*, Port agrees that from and after the Parcel Lease Termination Date: Port will (i) not disturb Subtenant's tenancy under the Sublease, (ii) perform the obligations of sublandlord under the Sublease arising after the Parcel Lease Termination Date until such obligations are assumed by another sublandlord or other transferee of Port's interest in the Sublease, and (iii) recognize Subtenant's rights under the Sublease with respect to the Subleased Premises.

#### **5. ATTORNMENT.**

Following the Parcel Lease Termination Date, Subtenant will attorn to Port and continue to perform all of Subtenant's obligations under the Sublease for the benefit of Port or any future sublandlord or other assignee of Port's rights under the Sublease. For such purposes, as between Port and Subtenant, notwithstanding the termination of the Parcel Lease as between Port and Sublandlord, the provisions of the Parcel Lease will be deemed to continue to apply to, and will continue to be incorporated by reference into, the Sublease, and Subtenant will continue to comply with such provisions, to the same extent that such provisions were incorporated into and Subtenant was required to comply with such provisions pursuant to the terms of the Sublease prior to the Parcel Lease Termination Date; provided, however, if there is any conflict between Subtenant's obligation to comply with such provisions in the Sublease and the Special Provisions, the Special Provisions will control.

**6. SELF-OPERATIVE PROVISIONS.**

The provisions contained in *Sections 2(iii)*, [Note: insert as applicable: *2(iv)*], 3, 4, 5 are to be effective and self-operative without the necessity of the execution or delivery of any other documents on the part of either Port or Subtenant.

**7. NOTICE AND OPPORTUNITY TO CURE UNDER SUBLEASE.**

Port will be entitled to notice and the opportunity to cure any default by Sublandlord under the Sublease as follows:

(a) Subtenant will give Port a copy of any and all notices of an event of default (i.e., following the expiration of any notice and cure period) from time to time given to Sublandlord as sublandlord under the Sublease, by Subtenant at the same time as and whenever any such notice will thereafter be given by Subtenant to Sublandlord. Such notice will be addressed to Port in the manner for delivery of notices provided in the Parcel Lease.

(b) In the case of any notice of default given by Subtenant to Sublandlord and Port in accordance with *Section 7(a)*, Port will have the same right (and time period) to cure Sublandlord's default as given to any mortgagee under the Sublease, and Subtenant will accept such performance by or at the instance of Port as if the same had been made by Sublandlord.

**8. BROKERAGE FEES.**

Sublandlord and Subtenant each acknowledge that Port's execution hereof does not operate to impose on Port any liability or obligation whatsoever in connection with the payment of any brokerage or finder's fees or commissions in connection with or relating to the Sublease. In the event any broker, agent or finder makes a claim against Port for payment of any such fees or commission, Sublandlord will indemnify, defend, and hold harmless Port from any losses arising out of such claim.

**9. NO ASSUMPTION OF SUBLEASE.**

Except to the extent specifically provided under *Section 4*, Port will have no liability or obligation to Subtenant relating to Subtenant's occupation of the Subleased Premises under the Sublease, and Port does not assume any of the obligations of Sublandlord set forth therein.

**10. REPRESENTATIONS AND WARRANTIES.**

**10.1. Summary of Basic Terms.** Sublandlord and Subtenant each represent and warrant to Port that the Sublease Summary is true and correct in all material respects, and includes all of the basic terms of the Sublease..

**10.2. Copy of Sublease.** Sublandlord and Subtenant each represent and warrant to Port that attached as *Exhibit B* is a true, correct, and complete copy of the Sublease and that the Sublease complies with *Sections 18.3* (Subletting by Tenant) and *18.4(b)* (Conditions for Issuance of Non-Disturbance Agreements) of the Parcel Lease.

**10.3. Sublandlord Representations and Warranties.** Sublandlord represents and warrants to Port that as of the Effective Date:

(a) Sublandlord has accepted possession of the Premises and that, to the best of Sublandlord's actual knowledge after diligent inquiry, all conditions of the Parcel Lease to be satisfied by Port have been completed or satisfied to the satisfaction of Sublandlord;

(b) To the best of Sublandlord's actual knowledge after diligent inquiry, Sublandlord, as of the date set forth above, has no right or claim of deduction, charge, lien or offset against Port under the Parcel Lease or otherwise against the rents or other charges due or to become due pursuant to the terms of the Parcel Lease other than \_\_\_\_\_;

(c) To Sublandlord's actual knowledge, Port is not in default or breach of the Parcel Lease, nor has Port committed an act or failed to act in such a manner, which, with the passage of time or notice or both, would result in a default or breach of the Parcel Lease by Port;

(d) To the best of Sublandlord's actual knowledge after diligent inquiry, Sublandlord is not in default or in breach of the Parcel Lease, nor has Sublandlord committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Parcel Lease by Sublandlord;

(e) Except for the following: \_\_\_\_\_  
(i) Sublandlord is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money, (ii) Sublandlord has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) there has been no event that has materially adversely affected Sublandlord's ability to meet its Parcel Lease obligations thereunder, and (iv) to Sublandlord's knowledge, no involuntary petition naming Sublandlord as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

**11. EXCULPATION.**

Sublandlord and Subtenant each covenant and agree that Port and City will not be responsible for or liable for, and, to the fullest extent allowed by law, each waives all rights against City, Port and their agents and release City, Port and their agents from any and all losses or liabilities relating to any disputes that may exist between Sublandlord and Subtenant relating to the Sublease or the Subleased Premises.

**12. GENERAL.**

**12.1. Successors and Assigns.** This Agreement will be binding upon, and inure to the benefit of, the parties hereto and their respective successors, heirs, administrators and assigns.

**12.2. Counterparts.** This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.

**12.3. Amendment.** Neither this Agreement nor any of its terms may be terminated, amended, or modified except by a written instrument executed by the parties.

**12.4. Governing Law; Selection of Forum; Notices.** This Agreement will be governed by, and interpreted in accordance with, the laws of the State of California and the City Charter. As part of the consideration for Port's entering into this Agreement, Sublandlord and Subtenant agree that all actions or proceedings arising directly or indirectly under this Agreement may, at the sole option of Port, be litigated in courts within the State of California, and Sublandlord and Subtenant consents to the jurisdiction of any such state or federal court, and consents that any service of process in such action or proceeding may be made by personal service upon Sublandlord or Subtenant wherever Sublandlord or Subtenant, as applicable, may then be located, or by certified or registered mail directed to Sublandlord at the address set forth in the Parcel Lease for the delivery of notices and Subtenant at the address set forth below (or at such other address as may from time to time be specified by written notice to all parties to this Agreement):

|                 |  |
|-----------------|--|
| To Subtenant:   |  |
| With a copy to: |  |

|  |  |
|--|--|
|  |  |
|--|--|

**12.5. Attorneys' Fees.** If any party brings an action or proceeding (including any cross-complaint or counterclaim) against any other party by reason of a default, or otherwise arising out of this Agreement, the prevailing party in such action or proceeding will be entitled to recover from the other party its costs and expenses of suit, including but not limited to reasonable attorneys' fees, which will be payable whether or not such action is prosecuted to judgment. "Prevailing party" will include a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense. Attorneys' fees under this **Section 12.5** will include reasonable attorneys' fees and all other reasonable costs and expenses incurred in connection with any appeal. For purposes of this Agreement, reasonable fees of attorneys of the Office of the City Attorney will be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience (calculated by reference to earliest year of admission to the Bar of any State) who practice in San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

*[Remainder of this page left intentionally blank.]*

**SUBTENANT ESTOPPEL CERTIFICATE**

EXHIBIT C  
FORM OF SUBTENANT ESTOPPEL CERTIFICATE

[ ], a [ ] ("Subtenant"), is the subtenant of the real property having an address at [ ] within the mixed-use development commonly known as "Mission Rock" in San Francisco, California (the "Property"), and hereby certifies to the City and County of San Francisco, a municipal corporation, operating by and through the San Francisco Port Commission ("Port") [and to [ ] the following as of [ ], 20XX:

1. That there is presently in full force and effect that certain Sublease [ ] dated as of [ ], 20[XXX], (as modified, assigned, supplemented and/or amended as set forth in *paragraph 3 below*, the "Sublease"), between Subtenant, as tenant, and [ ], as landlord ("Landlord"), covering the Property and other improvements, as further described in the Sublease (the "Subleased Premises").
2. The Sublease is subject to that certain Lease No. L-[XXX] dated as of [ ], 20[XXX], as amended from time to time, between Landlord, as tenant, and Port, as landlord.
3. **[Note: Use only if Subtenant has an NDA:]** That to the best of Subtenant's knowledge, the Sublease, attached hereto as *Exhibit A* is true, correct and complete and has not been modified, assigned, supplemented or amended except as follows:  
**[Note: add if Sublease has been amended:]** The dates of Port approval for such amendments are as follows: [ ].
4. That Subtenant has not sub-subleased any portion of the Subleased Premises other than to [ ] pursuant to that certain [insert description of the sub-subleases].
5. That the Sublease [and the following documents: [ ]] represents the entire agreement between Landlord and Subtenant with respect to the Subleased Premises.
6. That the commencement date under the Sublease was [ ], 20[XXX], and the expiration date of the Sublease is [ ], 20[XXX].
7. That the present minimum monthly base rent which Subtenant is paying under the Sublease is \$ [ ].
8. That the percentage rent paid by Subtenant for the most recent full calendar month prior to the date set forth above was \$ [ ]. **[Insert "Not Applicable" if no percentage rent due under the Sublease.]**
9. That the security deposits held by Landlord under the terms of the Sublease are as follows: \$ [ ].
10. That Subtenant has accepted possession of the Subleased Premises and that, to the best of Subtenant's actual knowledge after diligent inquiry, all conditions of the Sublease to be satisfied by Landlord have been completed or satisfied to the satisfaction of Subtenant.
11. That, to the best of Subtenant's actual knowledge after diligent inquiry, Subtenant, as of the date set forth above, has no right or claim of deduction, charge, lien or offset against Landlord under the Sublease or otherwise against the rents or other charges due or to become due pursuant to the terms of the Sublease other than [ ].

12. That, to Subtenant's actual knowledge after diligent inquiry, Landlord is not in default or breach of the Sublease, nor has Landlord committed an act or failed to act in such a manner, which, with the passage of time or notice or both, would result in a default or breach of the Sublease by Landlord.

13. That, to the best of Subtenant's actual knowledge after diligent inquiry, Subtenant is not in default or in breach of the Sublease, nor has Subtenant committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Sublease by Subtenant.

14. Except for the following: \_\_\_\_\_, (i) Subtenant is not in default under, and has not received notice asserting that it is in default under, any agreement for borrowed money, (ii) Subtenant has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) there has been no event that has materially adversely affected Subtenant's ability to meet its Sublease obligations hereunder, and (iv) to Subtenant's knowledge, no involuntary petition naming Subtenant as debtor has been filed under any chapter of the U.S. Bankruptcy Code.

This Certificate is binding upon Subtenant and will inure to the benefit of Port, [ ] and their respective successors and assigns.

**EXHIBIT T**  
**INSURANCE REQUIREMENTS**

## EXHIBIT T

### INSURANCE REQUIREMENTS

**[Note: Insurance requirements for the Form of Parcel Lease will be reviewed by City's Risk Manager for adequacy every 5 years from approval of DDA. Increases to insurance limits, if applicable, for all or any of its general liability policies will be made in the reasonable judgment of the City's Risk Manager, consistent with general commercial practice in San Francisco for facilities of comparable size and use to the Premises, with respect to risks comparable to those associated with the uses of the Premises.]**

**20. Insurance.** Tenant will maintain or caused to be maintained throughout the Term, and cause Subtenants, contractors, subcontractors or others in connection with their use or occupancy of, or their activities in, on, under, around, or about the Premises, to maintain throughout the Term, the insurance described in this *Article 20*.

**20.1 Required Insurance Coverage.** Tenant, at no cost to Port, shall maintain, or cause to be maintained, the types and amounts of insurance detailed below; provided, however, that Tenant reserves the right, at its sole discretion, to utilize an owner controlled insurance program (OCIP) or contractor controlled insurance program (CCIP) to satisfy these insurance requirements. Such insurance shall remain in place from the Commencement Date to the later of (i) the last day of the Term, or (ii) the last day Tenant (A) is in possession of the Premises or (B) has the right of possession of the Premises (except as otherwise specified in this *Article 20*).

**(a) General Liability Insurance.** Commercial general liability insurance, with limits not less than Fifteen Million Dollars (\$15,000,000.00) each occurrence and annual aggregate for bodily injury and property damage, including coverages for contractual liability, independent contractors, broad form property damage, personal injury and products and completed operations, as well as damage to premises rented to you with limits not less than Two Hundred Fifty Thousand Dollars (\$250,000.00). Tenant's CGL policy shall contain no exclusion for explosion, collapse and underground liability during any period in which Tenant is conducting any such activity on or Subsequent Construction or Improvement to the Premises with risk of explosion, collapse or underground hazards. This policy or the Automobile Liability Policy described below must also cover non-owned and for-hire vehicles and all mobile equipment or unlicensed vehicles, such as forklifts. A policy written on an Insurance Services Office (ISO) form GC 00 01 as in effect on the Effective Date, or a form at least as broad as such form, meets the requirement of this paragraph.

**(b) Automobile Liability Insurance.** Automobile liability insurance with limits not less than Five Million Dollars (\$5,000,000.00) combined single limit each accident for bodily injury and property damage, including coverages for owned and hired vehicles and for employer's non-ownership liability, which insurance shall be required if any automobiles or any other motor vehicles are operated in connection with Tenant's activity on the Premises or the Permitted Use.

**(c) Worker's Compensation; Employer's Liability; Jones Act; U.S. Longshore and Harborworker's Act Insurance.** If applicable, Worker's Compensation in statutory amounts, with Employer's Liability limit not less than One Million Dollars (\$1,000,000.00) for each accident, injury, or illness. In the event Tenant is self-insured for the insurance required pursuant to this *Section 20.1(c)*, it shall furnish to Port a current Certificate of Permission to Self-Insure signed by the Department of Industrial Relations, Administration of Self-Insurance, Sacramento, California. In addition, if applicable, Tenant will be required to maintain insurance for claims under the Jones Act or U.S. Longshore and Harborworker's Act, respectively as applicable with Employer's Liability limit not less than Five Million Dollars (\$5,000,000.00) for each accident, injury or illness, on employees eligible for each.

**(d) Business Personal Property Insurance.** If Tenant uses business personal property in, on, or about the Premises, Tenant, at its sole cost and expense, shall procure or cause

to be maintained on all of its business personal property, in, on, or about the Premises, property insurance on an all risk form, excluding earthquake and flood, to the extent of full replacement value.

(e) **Construction Activities.** Insurance required in connection with construction of Initial Improvements and Subsequent Construction, as applicable, is as set forth below:

(i) **Contractor Requirements.** Tenant must require its general contractor(s) and its(their) subcontractors to maintain the following coverages, if applicable:

(1) An Insurance Services Office (or equivalent) Commercial general liability insurance with limits of not less than Five Million (\$5,000,000) each occurrence and annual aggregate for general contractors, and One Million (\$1,000,000) each occurrence and annual aggregate for subcontractors;

(2) An Insurance Services Office (or equivalent) Automobile liability insurance with a policy combined single limit of not less than \$5 million each occurrence for general contractors.

(3) Worker's compensation insurance with statutory limits and employer's liability insurance with limits of not less than One Million (\$1,000,000) each accident, injury, or illness;

(4) Marine liability insurance (only if the scope of work of the particular contractor involves operating watercraft) including protection and indemnity insurance with limits not less than \$6 million each occurrence, or with Port approval, lesser limits and deductible as are readily available in the insurance market at a commercially reasonable cost, including wreck removal, and damages "In Rem" (the vessel); provided on a P&I, Marine General Liability, Marine Bumbershoot and/or other form reasonably acceptable to Port;

(5) Vessel pollution liability insurance (only if the scope of the work of the particular contractor involves operating watercraft with engines or fuel usage) with limits not less than Five Million Dollars (\$5,000,000) per occurrence and Five Million Dollars (\$5,000,000) in the aggregate with a deductible not to exceed \$50,000 without Port approval, which approval shall not be unreasonably withheld if such deductibles as are readily available in the insurance market at a commercially reasonable cost;

(6) Contractor's pollution liability insurance with limits of not less than Five Million Dollars (\$5,000,000) per claim and in the annual aggregate for general contractors; and.

(7) Property insurance on an all risk form, excluding earthquake and flood, on all of its business personal property whether owned; leased or rented, including any of their respective tools and equipment, in, on, or about the Premises.

(ii) **Builder's Risk Requirements.** In addition, if any of the following exposures are not covered by the insurance already required elsewhere Tenant or General Contractor must carry Builder's Risk Insurance: Contractor shall provide "Special Form" (All Risk) including Earthquake, Builder's Risk Insurance on a replacement cost basis as follows:

(1) **Amount of Coverage:** The amount of coverage shall be equal to the full replacement cost on a completed value basis, including periodic increases or decreases in values through change orders. The policy shall provide for no deduction for depreciation. The Builder's Risk Insurance shall also include the full replacement cost of all City-furnished equipment, if any.

(2) **Parties Covered:** The Builder's Risk policy shall identify the City and County of San Francisco as loss payee as its interest may appear. The policy shall include as additional named insureds the City and County of San Francisco, Tenant, the

Contractor and its subcontractors of every tier. Each insured shall waive all rights of subrogation against each of the other insureds to the extent that the loss is covered by the Builder's Risk Insurance.

(3) Included Coverage: The Builder's Risk Insurance shall include, but shall not be limited to, the following coverages:

a. All damages of loss to the Work and to appurtenances, to materials and equipment to be incorporated into the Project while the same are in transit, stored on or off the Project site, to construction plant and temporary structures.

b. The perils of fire, lightning, windstorm, hail, explosion, riot, riot attending a strike, civil commotion, smoke damage, damage by aircraft or vehicles, vandalism and malicious mischief, theft, collapse, and water damage.

c. The costs of debris removal, including demolition as may be made reasonably necessary by such covered perils, resulting damage, and any applicable law, ordinance, or regulation with a sub-limit of not less than the lesser of (i) Fifty Million Dollars, or (ii) 25% of the value of the construction contract.

d. Start up and testing and machinery breakdown including electrical arcing.

e. Soft costs and loss of business income for any delayed completion period as caused by any of the perils or hazards set forth in and required to be insured pursuant to *Section 20.1(a)(i)*, for a delay period of not less than two (2) years with a limit of not less than One Million Dollars (\$1,000,000); provided however that Tenant may request approval from the Port, which shall not be unreasonably withheld, of a lesser delay period or limit.

f. If available at commercially reasonable rates, such builders risk insurance will also extend to cover the peril of terrorism.

g. Damages due to earthquake and tidal wave as described below.

(4) Deductibles: The Builder's Risk Insurance may have a deductible clause not to exceed the amounts below. Contractor shall be responsible for paying any and all deductible costs. The deductible for coverage of All Perils shall not exceed \$100,000. Deductibles for earthquake and tidal wave coverage will be subject to the reasonable approval of the Port.

(iii) **Professional Services Requirements.** Tenant will maintain or require to be maintained, project-specific professional liability (errors and omissions) insurance, with limits not less than Five Million Dollars (\$5,000,000) each claim and annual aggregate, with respect to architectural, engineering, geotechnical, and environmental professional services, reasonably necessary or incidental to the construction of the Initial Improvements, with any deductible/self-insured retention not to exceed One Hundred Thousand Dollars (\$100,000). Notwithstanding the foregoing, Tenant may elect, instead of obtaining the foregoing coverages in this paragraph, to require that any architects, contractors and sub-contractors performing professional services in connection with the Initial Improvements carry professional liability insurance (errors and omissions) in an amount not less than Two Million Dollars (\$2,000,000) each claim and annual aggregate with a deductible/self-insured retention not to exceed One Hundred Thousand Dollars (\$100,000). Coverage provided architects, contractors and sub-contractors performing professional services may be provided with a lower limit if either (i) the Tenant maintains an owners' protective professional indemnity (OPPI) policy for the difference or (ii) upon the prior written approval of Port, if requested by Tenant to accommodate the needs and limitations of LBE contractors used by Tenant. Such insurance will provide coverage during the period when such professional services are performed and for a period of three (3) years after

Completion of the Initial Improvements. With respect to Subsequent Construction, Tenant will require that any architect, contractor or subcontractor performing professional services in connection with such Subsequent Construction, carry professional liability insurance (errors and omissions) in an amount not less than One Million Dollars (\$1,000,000) each claim and annual aggregate with a deductible/self-insured retention not to exceed One Hundred Thousand Dollars (\$100,000).

(iv) **Contractor's Pollution Legal Liability Insurance.** Tenant will cause to be maintained during the period of construction of the Initial Improvements and during any periods of Subsequent Construction that could reasonably be anticipated to involve a Release of Hazardous Materials on or about the Premises, Contractor's Pollution Legal Liability Insurance for Losses caused by pollution conditions, that are sudden, accidental or gradual, resulting from the Contractor's operations, or for which Contractor is legally liable, in connection with the construction of the Initial Improvements or Subsequent Construction, if applicable, whether such operations be by the Contractor or subcontractors, consultants or suppliers of the Contractor. The foregoing policy will contain minimum liability limits of Five Million Dollars (\$5,000,000) per occurrence and Five Million Dollars (\$5,000,000) in the aggregate with a deductible not to exceed One Hundred Thousand Dollars (\$100,000). The foregoing policy will at a minimum contain coverage for or be specifically endorsed to include coverage for pollution conditions resulting in, arising from or in connection with: (i) bodily injury (including death), property damage and environmental cleanup costs (on-site and off-site) resulting from construction of the Initial Improvements or Subsequent Construction, if applicable; (ii) the use or operation of motor vehicles (whether owned, non-owned or leased) in connection with construction of the Initial Improvements [and Deferred Infrastructure], or Subsequent Construction, if applicable, including transportation of any Hazardous Materials to or from the project site, including any interim or temporary storage or transfer sites (such transportation coverage will also include loading/unloading of materials); (iii) claims by third parties (other than a disposal site owner) for bodily injury or property damage arising from any disposal location or facility, both final and temporary, to which any waste that is generated in connection with the construction of the Improvements under the VDDA (if in effect) or any Subsequent Construction for which such coverage is required or in connection with any remediation obligation of Tenant pursuant to **Section 21** is delivered; all such disposal locations/facilities, both final and (where commercially available) temporary, will be scheduled to the foregoing policy as Non-Owned Disposal Sites for coverage under such policy. The foregoing policy will be written on an occurrence form and be in effect during the construction periods described above, or, if not available on an occurrence form, then on a claims-made form. If the foregoing policy is written on a claims made form, then the foregoing policy will be maintained for, or contain an extended reporting period of, at least five (5) years. The foregoing policy definition of "Covered Operations" or any other such designation of services or operations performed by the Contractor must include all work or services performed by such Contractor and its subcontractors, consultants, or suppliers as part of the construction of the Initial Improvements or Subsequent Construction, if applicable.

(f) **Property Insurance; Earthquake and Flood Insurance.**

(i) **Property Insurance.** Upon Substantial Completion of the Initial Improvements, and upon completion of Subsequent Construction of any additional Improvements, Tenant will maintain, or require to be maintained, property insurance policies with coverage at least as broad as Insurance Services Office form CP 10 30 06 95 ("Causes of Loss Special Form" (or its replacement)), in an amount not less than 100% of the then-current full replacement cost of the Improvements including any foundations, pilings, excavations and footings, including increased cost of construction and demolition of damaged and undamaged structures due to the enforcement of Laws, (with a deductible not to exceed One Hundred Thousand Dollars, except as to earthquake and flood insurance). If available at commercially reasonable rates, such insurance will extend to cover the peril of terrorism. In addition to the

foregoing, Tenant may insure its Personal Property in such amounts as Tenant deems appropriate; and Port will have no interest in the proceeds of such Personal Property insurance:

**(ii) Earthquake Insurance.**

(1) During Construction, and prior to Substantial Completion, of the Initial Improvements, earthquake insurance will be in an amount equal to at least the lesser of (i) the Probable Maximum Loss to the Initial Improvements or, (ii) the maximum amount that is available at commercially reasonable rates from recognized insurance carriers (with a deductible of up to but not to exceed ten percent (10%) of the then-current, full replacement cost of the Initial Improvements without sub-limits for excavations and footings; provided that earthquake coverage is available at commercially reasonable rates), except that a greater deductible will be permitted to the extent that such coverage is not available from recognized insurance carriers or at commercially reasonable rates). "Probable Maximum Loss" means the scenario upper loss (SUL) estimate of damage that may occur to the structures with a ninety percent (90%) confidence of non-exceedance as a result of an earthquake with a return period of 224 years as determined prior to Completion of the Initial Improvements and thereafter not less frequently than every ten (10) years by a consultant chosen and paid for by Tenant who is reasonably satisfactory to Port;

(2) From and after Substantial Completion of the Initial Improvements, earthquake insurance will be in an amount equal to at least the lesser of (i) the Probable Maximum Loss to the Improvements, or (ii) the amount that is available at commercially reasonable rates from recognized insurance carriers, in each case, with a deductible of up to but not to exceed ten percent (10%) of the then-current, full replacement cost of the Initial Improvements, except that a greater deductible will be permitted to the extent that such coverage is not available from recognized insurance carriers or at commercially reasonable rates; and

(3) If Tenant determines that earthquake insurance should not be carried on the Improvements because it is not (or no longer) available at commercially reasonable rates or, in Tenant's reasonable business judgment, is imprudent, then Tenant will request in writing Port's consent to the absence or deletion thereof.

**(iii) Flood Insurance.**

(1) If the Premises is in a designated flood zone as depicted on current Flood Insurance Rate Maps ("FIRMs") issued by the U.S. Department of Homeland Security's Federal Emergency Management Agency ("FEMA") or its successor, then Tenant will, during construction, and prior to Substantial Completion of the Initial Improvements, obtain flood insurance from recognized insurance carriers (or through the National Flood Insurance Program ("NFIP")) equal to at least the lesser of (i) the maximum amount that is available at commercially reasonable rates from recognized insurance carriers or NFIP, or (ii) the then-current, full replacement cost of the Initial Improvements, as applicable, (including building code upgrade coverage and without any deduction being made for depreciation), with a deductible of up to but not to exceed ten percent (10%) of the then-current, full replacement cost of the Improvements, except that a greater deductible will be permitted to the extent that such coverage is not available from recognized insurance carriers or at commercially reasonable rates.

(2) If the Premises is not in a designated flood zone as depicted on current FIRMs issued by the FEMA or its successor, Tenant will, during construction of the Initial Improvements, obtain flood insurance, to the extent available at commercially reasonable rates from recognized insurance carriers (or through the NFIP), in an amount equal to the maximum amount of the then-current, full replacement cost of the Initial Improvements (including building code upgrade coverage and without any deduction being made for depreciation), with a deductible of up to but not to exceed ten percent (10%), except that a

greater deductible will be permitted to the extent that flood coverage is not available from recognized insurance carriers (or through the NFIP) at commercially reasonable rates;

(3) From and after Substantial Completion of the Initial Improvements, flood insurance will be in an amount equal to at least the amount available at commercially reasonable rates from recognized insurance carriers or through the NFIP, with a deductible of up to but not to exceed ten percent (10%) of the then-current, full replacement cost of the Improvements, except that a greater deductible will be permitted to the extent that such coverage is not available from recognized insurance carriers or at commercially reasonable rates; and

(4) If Tenant determines that flood insurance should not be carried on the Improvements because it is not (or no longer) available at commercially reasonable rates (or through the NFIP) or, in Tenant's reasonable business judgment, is imprudent, then Tenant will request in writing Port's consent to the absence or deletion thereof.

(g) **Boiler and Machinery Insurance.** If any of the following exposures are not covered by the insurance required by *Section 20.1(a)(ii)(1)*, Tenant will maintain, or require to be maintained, boiler and machinery insurance covering damage to or loss or destruction of machinery and equipment located in, on, under, around, or about the Premises that is used by Tenant for heating, ventilating, air-conditioning, power generation and similar purposes, in an amount not less than one hundred percent (100%) of the actual replacement value of such machinery and equipment.

(h) **Business Income Insurance.** If any of the following exposures are not covered by the insurance required by *Section 20.1(a)(ii)(1)*, from and after Completion of the Initial Improvements, Tenant will maintain business income insurance, including loss of rents and extra expense caused by any of the perils or hazards set forth in and required to be insured pursuant to *Section 20.1(a)(ii)* covering an interruption period of not less than two (2) years, with a limit of not less than twenty-four (24) months' of Gross Income.

(i) **Other Coverage.** Such other insurance or different coverage amounts may change from time to time as required by the City's Risk Manager, if in the reasonable judgement of the City's Risk Manager it is the general commercial practice in San Francisco to carry such insurance and/or in the requested insurance limits for the subject activities taking into consideration the risks associated with such uses of the Premises, so long as any insurance required is available from recognized carriers at commercially reasonable rates. If Tenant determines that such other insurance or coverage amount should not be required because it is not available from recognized carries at commercially reasonable rates, then Tenant will provide to Port evidence supporting Tenant's determination of commercial unreasonableness as to the applicable coverage. Such evidence may include quotes, declinations, and notices of cancellation or non-renewal from leading insurance companies for the required coverage, percentage of overall operating expenses attributable thereto, and then current industry practice for comparable mixed-use/retail/office projects in San Francisco.

(j) **Substitution.** Notwithstanding the foregoing, Tenant shall have the right, upon the prior approval of Port, not to be unreasonably withheld, to substitute any of the insurance coverage required in this *Article 20* with insurance coverage maintained by one or more of Tenant's Agents, Invitees or transferees as long as the insurance policies, certificates and endorsements for such insurance coverage comply in all respects with the requirements of this *Section 20.1(c)*, as determined by Port.

## **20.2 General Requirements.**

(a) Insurance provided pursuant to this Section

(i) As to all insurance required hereunder, such insurance shall be carried under a valid and enforceable policy or policies issued by insurers of recognized

responsibility that are rated Best A—VIII or better by the latest edition of Best's Key Rating Guide (or a comparable successor rating) and legally authorized to sell such insurance within the State of California;

(ii) As to property insurance required hereunder, such insurance will name the Tenant as the first named insured, and will name the Port as a loss payee as its interest may appear. As to general liability, automobile liability, and umbrella or excess liability insurance (including blanket policies), such insurance will name as additional insureds by written endorsement: "THE CITY AND COUNTY OF SAN FRANCISCO AND THE SAN FRANCISCO PORT COMMISSION AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS" and if applicable, Tenant as additional insureds for claims arising in connection with the Insured's operations.

(iii) As to all insurance required hereunder, such insurance will be evaluated by Port and Tenant for adequacy every five (5) years from the Commencement Date. Following consultation with Tenant, Port may require, upon not less than ninety (90) days prior written notice, that Tenant increase the insurance limits for all or any of its general liability policies if in the reasonable judgment of the City's Risk Manager it is the general commercial practice in San Francisco to carry insurance for facilities or development projects of comparable size and use to the Premises in amounts substantially greater than the amounts being carried by Tenant with respect to risks comparable to those associated with the uses of the Premises. As part of such evaluation, Tenant may request that insurance limits for all or any of its general liability policies be decreased and, if the City's Risk Manager reasonably determines that the insurance limits required under *Section 20.1* may be decreased in light of such commercial practice and the risks associated with the uses of the Premises, Port will notify Tenant of such determination, and Tenant will have the right to decrease the insurance coverage required under this Lease accordingly. In such event, Tenant will promptly deliver to Port a certificate evidencing such new insurance amounts and additional insured endorsements in form reasonably satisfactory to Port, as applicable. If Tenant determines that such other insurance or coverage amount should not be required because it is not available from recognized carriers at commercially reasonable rates, then Tenant will provide to Port evidence supporting Tenant's determination of commercial unreasonableness as to the applicable coverage and any cost to maintain such additional insurance, if required by Port, shall be borne by Port and not by Tenant. Such evidence may include quotes, declinations, and notices of cancellation or non-renewal from leading insurance companies for the required coverage, percentage of overall operating expenses attributable thereto, and then current industry practice for comparable mixed-use/retail/office projects in San Francisco.

(iv) Thirty (30) days' advance written notice shall be provided to the Port of cancellation, intended non-renewal, or material reduction in coverages, except for non-payment for which no less than ten (10) days' notice shall be provided to Port. Notices shall be sent to the Port address set forth in *Section 38.1* entitled "Notices".

(v) As to commercial general liability and automobile liability insurance, such insurance will provide that it constitutes primary insurance with respect to claims arising in connection with Tenant's completed and ongoing operations, and shall provide cross liability coverage (separation of insureds or severability of interests provision);

(vi) As to liability, automobile, worker's compensation and property insurance required hereunder, such insurance will provide for waivers of any right of subrogation that the insurer of such party may acquire against each Party hereto with respect to any losses of the type covered under the policies required by *Section 20.1(a)*; and

(vii) All insurance will be subject to the approval of Port, which approval will be limited to whether or not such insurance meets the terms of this Lease, such approval not to be unreasonably withheld. As to any minimum deductible specified hereunder,

Tenant may request approval from the Port, which shall not be unreasonably withheld, of a higher deductible.

**(b) Certificates of Insurance; Right of Port to Maintain Insurance.**

Tenant will furnish Port certificates and additional insured endorsements in form reasonably satisfactory to Port with respect to the policies required under this Section within thirty (30) days, (i) on or prior to the Commencement Date (to the extent such policy is required to be carried as of the Commencement Date), (ii) for such policies required to be carried after the Commencement Date, on or prior to the date such policies are required, and (iii) with respect to renewal policies, the policy renewal date of each such policy. Within thirty (30) days after Port's request, Tenant also will provide Port with copies of each such policy, or will otherwise make such policy available to Port for its review. If Tenant has determined that obtaining earthquake or flood insurance prior to commencement of construction of the Initial Improvements pursuant to *Section 20.1(a)(ii)(4)* is not commercially reasonable, then Tenant will provide Port with such documents evidencing such determination. If at any time Tenant fails to maintain the insurance required pursuant to this *Section 20.1*, or fails to deliver certificates and/or endorsements as required pursuant to this *Section 20.1(c)* then, upon thirty (30) business days' written notice to Tenant, Port may obtain and cause to be maintained in effect such insurance by taking out policies with companies satisfactory to Port. Within thirty (30) business days following demand, Tenant will reimburse Port for all amounts so paid by Port, together with all costs and expenses in connection therewith and interest thereon at the Default Rate.

**(c) Insurance of Others.** To the extent Tenant requires liability insurance policies (other than employers' liability and professional liability) to be maintained by Subtenants, contractors, subcontractors or others in connection with their use or occupancy of, or their activities in, on, under, around, or about the Premises, Tenant will require that such policies be endorsed to include the CITY AND COUNTY OF SAN FRANCISCO AND THE SAN FRANCISCO PORT COMMISSION AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS as well as Tenant as additional insureds for claims arising in connection with the named insured's operations. Notwithstanding the foregoing, Tenant will require all contractors and sub-contractors performing work in, on, under, around, or about the Premises and all operators and Subtenants of any portion of the Premises to carry the following coverages, if applicable: (i) commercial general liability with limits of no less than One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) annual general aggregate, (ii) workers' compensation in amounts required by law, (iii) employer's liability coverage in an amount not less than One Million Dollars (\$1,000,000) per accident, per employee and policy limit for injury by disease, covering all employees employed at the Premises, (iv) automobile insurance in an amount not less than \$1,000,000 combined single limit covering use of owned, non-owned or hired vehicles utilized in the performance of work in, on, under, around, or about the Premises.

**(d) Primary/Excess Limits.** All total limit requirements may be satisfied by any combination of primary, umbrella and excess liability policies (including blanket policies).

**20.3 Release and Waiver.** Each Party hereby waives all rights of recovery and causes of action, and releases each other Party from any liability, losses and damages occasioned to the property of each such Party, which losses and damages are of the type covered under the property policies required by *Sections 20.1(d)* to the extent that such loss is reimbursed by an insurer.

**20.4 No Limitation.** The Indemnification requirements under this Lease will not be limited by the insurance requirements of this Lease.

**EXHIBIT V**

**FORM OF PORT ESTOPPEL CERTIFICATE**

PARCEL LEASE EXHIBIT V

FORM OF PORT ESTOPPEL CERTIFICATE

The undersigned, the City and County of San Francisco, a municipal corporation, operating by and through the San Francisco Port Commission ("Port"), is the owner of the fee simple estate in the real property [bound by \_\_\_\_\_] [having an address at \_\_\_\_\_], within the mixed-use development commonly known as "Mission Rock" in San Francisco, California (the "Property"). Port hereby certifies to \_\_\_\_\_, a \_\_\_\_\_ ("Tenant") [and to \_\_\_\_\_] the following as of \_\_\_\_\_, 20XX:

1. That there is presently in full force and effect Lease No. L-[\_\_\_\_\_] dated as of [\_\_\_\_\_] 20[XXX] (as modified, assigned, supplemented and/or amended as set forth in **paragraph 2** below, the "Lease"), between Port, as landlord, and Tenant, as tenant, for the Property and other improvements, as further described in the Lease (the "Premises").
2. That the Lease has not been modified, assigned, supplemented or amended except as follows \_\_\_\_\_.
3. That the commencement date under the Lease was \_\_\_\_\_, 20\_\_, and the expiration date of the Lease is \_\_\_\_\_, 20\_\_.
4. That the present monthly minimum rent under the Lease is \$ \_\_\_\_\_ and has been paid through \_\_\_\_\_, 20\_\_.
5. That the Percentage Rent (as defined in the Lease) paid by Tenant for the most recent full calendar month prior to the date set forth above was \$ \_\_\_\_\_ (mark N/A if not applicable).
6. That the security deposits held by Port under the terms of the Lease are as follows: \$ \_\_\_\_\_.
7. That, to the actual knowledge of Port **[Note: Delete if estoppel is to Mezzanine Lender or prospective Mezzanine Lender]** [after diligent inquiry], Port is not in default or in breach of the Lease, nor has Port committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Lease by Port except as follows: [\_\_\_\_\_].
8. That, to the actual knowledge of Port **[Note: Delete if estoppel is to Mezzanine Lender or prospective Mezzanine Lender]** [after diligent inquiry], Tenant is not in default or in breach of the Lease, nor has Tenant committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Lease by Tenant except as follows: [\_\_\_\_\_].
9. That, to the actual knowledge of Port **[Note: Delete if estoppel is to Mezzanine Lender or prospective Mezzanine Lender]** [after diligent inquiry], Tenant, as of the date set forth above, has no right or claim of deduction, charge, lien or offset against Port under the Lease or otherwise against the rents or other charges due or to become due pursuant to the terms of the Lease other than \_\_\_\_\_.
10. That Port has not assigned, conveyed, transferred, or mortgaged its interest in the Lease or the Premises except as follows: [\_\_\_\_\_].
11. That Port has not received written notice of any threatened eminent domain proceedings from a governmental entity having eminent domain powers against Port's interest in the Premises.
12. The undersigned hereby certifies that he or she is duly authorized to sign and deliver this Certificate on behalf of Port.

**[Note: Use for Mezzanine Lender or prospective Mezzanine Lender]** For purposes of this Estoppel Certificate, the term "actual knowledge" shall mean the actual knowledge of [\_\_\_\_], Port's property manager for the Premises without diligent inquiry.

This Certificate shall be binding upon Port and inure to the benefit of Tenant, [\_\_\_\_] and their respective successors and assigns.

Dated: \_\_\_\_\_, 20\_\_\_\_.

**CITY AND COUNTY OF SAN FRANCISCO,**  
A MUNICIPAL CORPORATION, OPERATING BY AND THROUGH THE  
**SAN FRANCISCO PORT COMMISSION**

**EXHIBIT W**

**OTHER CITY REQUIREMENTS**

For purposes of this *Exhibit X* only, the term "Developer" will mean [\_\_\_\_],  
as "Tenant" under this Lease.

**PARCEL LEASE EXHIBIT W**  
**Other City Requirements**

The Municipal Code (available at [www.sfgov.org](http://www.sfgov.org)) and City and Port policies described in this Exhibit are incorporated by reference as though fully set forth in the DDA (collectively, the **"Other City Requirements"**). Developer is charged with full knowledge of and compliance with each applicable ordinance and policy and any related implementing regulations as amended, subject to **DA § 5.3 (New City Laws)**.

In Ordinance No. 33-18, a copy of which is attached as **Exhibit A**, the Board of Supervisors waived the application to the Mission Rock Project of the following provisions of the Administrative Code (collectively, the **"DA Waivers"**):

1. Chapter 6 (Public Works Contracting Policies and Procedures) other than the payment of prevailing wages as required in Chapter 6;
2. to the extent inconsistent with Developer's approved LBE Utilization Program, Chapter 14B (Local Business Enterprise Utilization and Non-Discrimination in Contracting);
3. Competitive Bidding Procedures and Additional Appraisal Review as defined in Section 23.3 (Chapter Definitions) and required by Section 23.3 (Conveyance and Acquisition of Real Property);
4. Section 23.31 (Year-to-Year and Shorter Leases);
5. Section 23.30 (Lease of Real Property);
6. Section 23.33 (Competitive Bidding Procedures);
7. Section 23A. 7 (Transfer of Jurisdiction Over Surplus Properties to the Mayor's Office of Housing and Community Development);
8. Subsection (c)(2) of Section 61.5 (Listing of Unacceptable Non-Maritime Land Uses); and
9. contract termination, liquidated damages, and debarment remedies under Section 4.9-1(c) (Nutritional Standards and Guidelines), Section 12Q.5(f) (Health Care Accountability), and Section 2T (Criminal History in Hiring and Employment).

The descriptions below are not comprehensive but are provided for notice purposes only. Developer understands that its failure to comply with any applicable provision of the Other City Requirements will give rise to the specific remedies described in the applicable Other City Requirements (which may include penalties) and in certain cases give rise to a default under the DDA, which could result in a default under the DA as well. References to Developer in the Other City Requirements will apply to Developer, its successors under the DDA, and DA Successors under the DA.

All statutory references in this Exhibit are to the Municipal Code as in effect on the DA Ordinance Effective Date unless specified otherwise. Initially capitalized or highlighted terms used in this Exhibit and not defined in the Appendix have the meanings ascribed to them in the cited ordinance.

## **Contracting, Hiring, and Construction**

### **1. Nondiscrimination in Contracts and Property Contracts.**

(Admin. Code ch. 12B, ch. 12C)

(a) **Covered Contracts.** All provisions in this Section regarding the Nondiscrimination in Contracts and Property Contracts ordinance apply to "subcontracts to contracts" and "property contracts" as defined in Administrative Code sections 12B.2 and 12C.2.

(b) **Covenant Not to Discriminate.** In its development of the Project Site, Developer covenants and agrees not to discriminate against or segregate any person or group of persons on any basis listed in section 12955 of the California Fair Employment and Housing Act (Cal. Gov. Code §§ 12900-12996), or on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, AIDS/HIV status, weight, height, association with members of protected classes, or in retaliation for opposition to any forbidden practices against any employee of, any City employee working with, or applicant for employment with Developer, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in the business, social, or other establishment or organization operated by Developer.

(c) **Requirement to Include.** Developer must: (i) include a nondiscrimination clause in substantially the form of **Subsection (a)** (Covenant Not to Discriminate); and (ii) incorporate by reference Administrative Code sections 12B.2(a), 12B.2(c)-(k), and 12C.3(a) in all contracts, subcontracts, and subleases and require all contractors, subcontractors, and subtenants to comply with those provisions.

(d) **Nondiscrimination in Benefits.** Developer agrees not to discriminate between employees with domestic partners and employees with spouses, or between the domestic partners and spouses of employees, where the domestic partnership has been registered with any governmental entity under state or local law authorizing registration, subject to the conditions set forth in Administrative Code section 12B.2. Developer's agreement relates to bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, and travel benefits (collectively "**Core Benefits**"), as well as other employee benefits described in section 12B.1(b), during the term of each covered contract.

(e) **Form.** On or before the Reference Date, Developer must complete, execute, deliver to, and obtain approval of its completed *Nondiscrimination in Contracts and Benefits* form CMD-12B-101 from CMD. The form is available on CMD's website.

(f) **Penalties.** Developer understands that under Administrative Code section 12B.2(h), the City may assess against Developer or deduct from any payments due Developer a penalty for each person for each calendar day during which Developer or its subcontractor, property contractor, or other contractor discriminated against a protected person in violation of this Section.

**2. Health Care Accountability Ordinance.**

(Admin. Code ch. 12Q)

- (a) Developer agrees to comply fully with and be bound by the Health Care Accountability Ordinance ("HCAO"), as set forth in Administrative Code chapter 12Q, unless exempt.
- (b) Covered Employees. For each Covered Employee, Developer must provide the appropriate health benefit set forth in HCAO section 12Q.3, unless it is exempt as a small business under HCAO section 12Q.3(e).
- (c) Notice and Opportunity to Cure. If Developer fails to cure a violation of the HCAO after receiving notice of a violation and an opportunity to cure the violation, the City will have the remedies set forth in HCAO section 12Q.5(f), subject to the DA Waivers, which the City may exercise individually or in combination with any of its other rights and remedies.
- (d) Covered Contracts. Any Contract, Subcontract, or Sublease, as defined in Chapter 12Q, that Developer enters into for public works, public improvements, or for services that the City will pay directly or reimburse Developer for must require the Contractor, Subtenant, or Subcontractor, as applicable, to comply with the applicable provisions of the HCAO and must contain contractual obligations substantially the same as those set forth in the HCAO. Developer agrees to notify the Contracting Department promptly of any Subcontractors performing services covered by Chapter 12Q and certify to the Contracting Department that Developer has notified the Subcontractors of their HCAO obligations under this Chapter.
- (e) Noncompliance. Developer will be responsible for monitoring compliance with the HCAO by each Subcontractor, Subtenant, and Contractor performing services on the Project Site. But the City agrees that Developer will not be liable for the noncompliance of its Subcontractors, Subtenants, or Contractors. The City's remedies for Developer's noncompliance with the HCAO are subject to the DA Waivers.
- (f) Retaliation Prohibited. Developer must not discharge, reduce in compensation, or otherwise discriminate against any Employee for notifying the City of any issue regarding noncompliance or anticipated noncompliance with the HCAO, for opposing any practice proscribed by the HCAO, for participating in any proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.
- (g) Representation and Warranty. Developer represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- (h) Reporting. Upon request, Developer must provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO.
- (i) Records. After receiving a written request from the City to inspect pertinent payroll records and after at least 10 days to respond have elapsed, Developer agrees to provide the City with access to pertinent payroll records relating to the number of employees employed and terms of medical coverage. In addition, the City and its Agents, in consultation with the Department of Public Health, may conduct audits of Contracting Parties, although such audits shall be conducted through an examination of records at a mutually agreed upon time and location within 10 days after written notice. Developer agrees to cooperate with the City in connection with these audits.

(j) **Threshold.** If a Subcontractor, Subtenant, or Contractor is exempt from the HCAO because the amount payable to the Subcontractor, Subtenant, or Contractor under all of its contracts with the City or relating to City-owned property is less than \$25,000 (or \$50,000 for nonprofits) in that City Fiscal Year, but the Subcontractor, Subtenant, or Contractor later enters into one or more agreements with the City or relating to City-owned property that cause the payments to the Subcontractor, Subtenant, or Contractor to equal or exceed \$75,000 in that City Fiscal Year, then all of the Contractor's, Subtenant's, or Subcontractor's contracts with the City and relating to City-owned property will become subject to the HCAO from the date on which the later agreement is executed.

**3. Prevailing Wages and Working Conditions in Construction Contracts.**

(Calif. Labor Code §§ 1720 *et seq.*; Admin. Code § 6.22(e))

(a) **Labor Code Provisions.** Certain contracts for work at the Project Site may be public works contracts if paid for in whole or part out of public funds, as the terms "**public work**" and "**paid for in whole or part out of public funds**" are defined in and subject to exclusions and further conditions under California Labor Code sections 1720-1720.6.

(b) **Requirement.** Developer must comply with the prevailing wage requirements in *ML §13.3(f) (Prevailing Wages)*.

(c) **Penalties.** The Port has designated OLSE as the agency responsible for ensuring that prevailing wages are paid and other payroll requirements are met, subject to the DA Waivers.

**4. Other Prevailing Wage Rate Requirements.**

(Admin. Code §§ 21C.3, 21C.4)

(a) Under Administrative Code section 21C.4, individuals engaged in theatrical or technical services related to the presentation of a Show at the Project Site, including rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services, are entitled to be paid not less than the Prevailing Rate of Wages (including fringe benefits or matching equivalents) fixed by the Board of Supervisors, unless the Show is free and open to the public or meets any of the other exemptions in Administrative Code section 21C.4(b)(1).

(b) Individuals employed in the following activities at the Project Site are also entitled to the Prevailing Rate of Wages: (i) a Public Off-Street Parking Lot, Garage or Automobile Storage Facility under Administrative Code section 21C.3; (ii) a Special Event under Administrative Code section 21C.8; and (iii) Broadcast Services under Administrative Code section 21C.9.

(c) **Agreement.** Developer agrees to comply with the obligations in Administrative Code chapter 21C and to require its tenants, contractors, and any subcontractors to comply with the obligations in chapter 21C. In addition, if Developer or its tenant, contractor, or any subcontractor fails to comply with these obligations, the City will have all available remedies against Developer to secure compliance and seek redress for workers who provided the services as described in section 21C.7, together with the remedies set forth in the DDA.

(d) Payroll Records. Developer will: (i) comply with Administrative Code section 21C.7(c)(4) as to any Covered Contract on the Project Site as defined in Administrative Code section 21C.7(b); and (ii) provide to the City for inspection, after receipt of a Violation Notice (as defined in section 21C.7(c)(4)), payroll records and other documentary evidence necessary to establish that the noticed violation has been cured.

(e) OLSE. For current Prevailing Wage rates, see the OLSE website or call the OLSE at 415-554-6235.

**5. First Source Hiring Program.**  
(Admin. Code §§ 83.1 et seq.)

Developer's obligations to comply with the First Source Hiring Program are set forth in **DDA Exh B6-A (Workforce Development Program)**.

**6. Criminal History In Hiring And Employment Decisions.**  
(Admin. Code ch. 12T)

(a) Agreement to Comply. Administrative Code Chapter 12T ("**Chapter 12T**") will only apply to a Contractor's, Subcontractor's, or subtenant's operations to the extent those operations are in furtherance of performing a Contract or Property Contract with the City subject to Chapter 12T. If applicable, Developer will comply with and be bound by Chapter 12T, including the remedies and implementing regulations, with respect to applicants to and employees of Developer who would be or are performing work at the Project Site under the DDA.

(b) Breach. Developer must incorporate Chapter 12T by reference in all contracts related to be performed in furtherance of a Contract or Property Contract with the City, as defined in Administrative Code section 12T.1. Developer will be responsible for monitoring compliance by its Subcontractors, Contractors, and subtenants, but the City agrees that Developer will not be liable for their noncompliance.

(c) Prohibited Activities. Developer and its Subcontractors, Contractors, and subtenants must not inquire about, require disclosure of, or if the information is received, base an Adverse Action on an applicant's or potential applicant's or employee's: (i) Arrest not leading to a Conviction, except under circumstances identified in Chapter 12T as an Unresolved Arrest; (ii) participation in or completion of a diversion or a deferral of judgment program; (iii) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (iv) a Conviction or any other adjudication in the juvenile justice system, or information regarding a matter considered in or processed through the juvenile justice system; (v) a Conviction that is more than seven years old, based on the date of sentencing; or (vi) information pertaining to an offense other than a felony or misdemeanor, such as an infraction, except that a Contractor, Subcontractor, or subtenant may inquire about, require disclosure of, base an Adverse Action on, or otherwise consider an infraction or infractions contained in an applicant or employee's driving record if driving is more than a de minimis element of the employment in question.

(d) Employment Applications. Developer and its Subcontractors, Contractors, and subtenants must not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any Conviction

History or unresolved arrest until either after the first live interview with the person, or after a conditional offer of employment in accordance with section 12T.4(c).

(e) Disclosure. Developer and its Subcontractors, Contractors, and subtenants must state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Developer or its Subcontractors, Contractors, and subtenants at the Project Site that the DDA and all Contracts and Property Contracts will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) Posting. Developer and its Subcontractors, Contractors, and subtenants must post the notice prepared by the OLSE, available on OLSE's website, in a conspicuous place at the Project Site and at other workplaces, job sites, or other locations under the Subcontractor's, Contractor's, or subtenant's control at which work is being done or will be done in furtherance of performing a Contract or Property Contract under the DDA with the City. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Project Site or other workplace at which it is posted.

(g) Penalties. Developer and its Subcontractors, Contractors, and subtenants understand and agree that upon any failure to comply with Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T, subject to Subsection (b) (Breach) and the DA Waivers, including a penalty of \$50 for each employee, applicant or other person as to whom the violation occurred or continued, and thereafter, for subsequent violations, the penalty may increase to no more than \$100, for each employee or applicant whose rights were, or continue to be, violated.

(h) Inquiries. If Developer has any questions about the applicability of Chapter 12T, it may contact the Port for additional information. The Port will consult with the Director of the City's Office of Contract Administration, who has authority to grant a waiver under the circumstances set forth in section 12T.8 of Chapter 12T.

**7. Employee Signature Authorization Ordinance.**  
(Admin Code §§ 23.50-23.56)

The City has adopted an Employee Signature Authorization Ordinance, which requires employers of employees in hotel or restaurant projects on public property with 50 or more full-time or part-time employees to enter into a "card check" agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative. Developer agrees to comply with the requirements of the ordinance, if applicable, including any requirements applicable to its successors, as specified in Administrative Code section 23.54.

**Use Of City Property**

**8. Local Business Enterprises.**  
(Admin. Code ch. 14B)

Developer agrees to comply with the LBE Utilization Program, DDA Exh B6-B.

**9. Tobacco Products and Alcoholic Beverages.**

(Admin. Code § 4.20; Health Code art. 19K)

(a) Definitions. For purposes of this Section: (i) “**alcoholic beverage**” is defined in California Business and Professions Code section 23004 and excludes cleaning solutions, medical supplies, and other products and substances not intended for drinking; and (ii) “**tobacco product**” is defined in Health Code section 1010(b).

(b) Advertising Ban. New general advertising signs that are visible to the public are prohibited on the exterior of any City-owned building under Administrative Code section 4.20-1.

(c) Tobacco Sales Ban. No person may sell tobacco products on property owned by or under the control of the City under Health Code article 19K.

(d) Alcoholic Beverage Advertising. Port property used for operation of a restaurant, concert or sports venue, or other facility or event where the sale, production, or consumption of alcoholic beverages is permitted, will be exempt from the alcoholic beverage advertising prohibition in Administrative Code section 4.20(a)-(c).

**10. Integrated Pest Management Program.**

(Env. Code ch. 3)

(a) IPM Plan. Chapter 3 of the Environment Code (the “**IPM Ordinance**”) describes an integrated pest management policy (“**IPM Policy**”) to be implemented by all City departments. Except for the permitted uses of pesticides provided in IPM Ordinance section 303, Developer must not use or apply during the DDA term, and must not contract with any party to provide pest abatement or control services to the Project Site, except in compliance with the Port’s integrated pest management plan (“**IPM Plan**”).

(b) Application. Although not a City Department, Developer agrees to comply, and must require all of Developer’s contractors to comply, with the Port’s approved IPM Plan and IPM Ordinance sections 300(d), 302, 304, 305(f), 305(g), and 306, as if Developer were a City department. Among other matters, the IPM Ordinance: (i) provides for the use of pesticides only as a last resort; (ii) prohibits the use or application of pesticides on City-owned property except for pesticides granted exemptions under IPM Ordinance section 303 (including pesticides included on the most current Reduced Risk Pesticide List compiled by the Department of the Environment); (iii) imposes certain notice requirements; and (iv) requires Developer to keep certain records and to report to the City all pesticide use by Developer’s staff or contractors.

(c) Prior Review. Before Developer or Developer’s contractor applies pesticides to outdoor areas, Developer must obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation and any such pesticide application must be made only by or under the supervision of a person holding a valid Qualified Applicator certificate or Qualified Applicator license under California law. The City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the Department of the Environment website, <http://sfenvironment.org/ipm>.

**11. Resource-Efficient Facilities and Green Building Requirements.**

(Env. Code ch. 7)

Developer agrees to comply with all applicable provisions of the Environment Code relating to resource-efficiency and green building design requirements.

**12. Tropical Hardwood and Virgin Redwood Ban.**

(Env. Code ch. 8)

The City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product, except as expressly permitted by the application of Environment Code sections 802(b) and 803(b). Developer agrees that, except as permitted by the application of Environment Code sections 802(b) and 803(b), Developer will not use or incorporate any tropical hardwood or virgin redwood in the construction of the Improvements or provide any items to the construction of the Project, or otherwise in the performance of the DDA that are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. If Developer fails to comply in good faith with any of Environment Code chapter 8, Developer will be liable for liquidated damages for each violation in any amount equal to the contractor's net profit on the contract, or 5% of the total amount of the contract dollars, whichever is greater.

**13. Diesel Fuel Measures.**

(Env. Code ch. 9)

Consistent with the City's Greenhouse Gas Emissions Reduction Plan (Env. Code § 903) to reduce greenhouse gas emissions in the City, Developer must minimize exhaust emissions from operating equipment and trucks during construction. Developer's compliance with MMRP Mitigation Measure M-AQ-1a will satisfy this requirement.

**14. Arsenic-Treated Wood.**

(Env. Code ch. 13)

Developer must not purchase preservative-treated wood products containing arsenic on behalf of the City in the performance of the DDA without obtaining an exemption under Environment Code section 1304 from the Department of Environment. Developer may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Developer from purchasing preservative-treated wood containing arsenic for saltwater immersion. In this Section: (a) "**preservative-treated wood containing arsenic**" means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative; and (b) "**saltwater immersion**" means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

**15. Food Service and Packaging Waste Reduction Ordinance.**

(Env. Code ch. 16)

Developer agrees to comply fully with and be bound by section 1604(d) of the Food Service and Packaging Waste Reduction Ordinance (Env. Code ch. 16), including the remedies

provided in section 1607 and implementing guidelines and rules. By entering into the DDA and the Development Agreement, Developer agrees that if it breaches this provision, and fails to cure within the cure periods provided herein, the City will suffer actual damages that will be impractical or extremely difficult to determine and that the following amounts of liquidated damage are reasonable estimates of the damage that the City will incur based on any violation, established in light of the circumstances existing on the Reference Date: (a) \$100 for the first breach; (b) \$200 for the second breach in the same year; and (c) \$500 for subsequent breaches in the same year. These liquidated damages will not be considered penalties, but agreed monetary damages sustained by the City because of Developer's noncompliance.

**16. Bottled Drinking Water.**

(Env. Code ch. 24; Port Reso. No. 12-11)

Developer is subject to all applicable provisions of Environment Code chapter 24 prohibiting the sale or distribution of drinking water in plastic bottles with a capacity of 21 fluid ounces or less at Events held on City Property with attendance of more than 100 people during the DDA Term. Also, Developer must comply with the Port's *Zero Waste Policy for Events and Activities* (Port Reso. No. 12-11) for applicable Events at the Project Site during the DDA Term.

**17. Graffiti Removal and Abatement.**

(Pub. Works Code Sec. 23)

(a) Requirement. Developer agrees to remove all graffiti from the Project Site, including from the exterior of any structures within the Project Site, consistent with the notice and cure provisions of Public Works Code section 23. If the Director of Public Works determines that any property contains graffiti in violation of section 2303, the Director may issue a notice of violation to Developer and any Offending Party. At the time the notice of violation is issued, the Director will take one or more photographs of the alleged graffiti and make copies of the photographs available to Developer and any Offending Party upon request. The photographs will be dated and retained as a part of the file for the violation. The notice will give Developer and any Offending Party 30 days after the date of the notice to either remove the graffiti or request a hearing on the notice of violation and set forth the procedure for requesting the hearing. This Section is not intended to require a tenant to breach any lease or other agreement that it may have concerning its use of the real property.

(b) Application. In this Section, "graffiti" means any inscription, word, figure, marking, or design that is affixed, marked, etched, scratched, drawn, or painted on any building, structure, fixture, or other improvement, whether permanent or temporary, including signs, banners, billboards, and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and that is visible from the public right-of-way, but does not include: (i) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the DDA or the Port Building Code; (ii) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (Calif. Civil Code §§ 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 *et seq.*); (iii) any painting or marking that a City department makes in the course of its official duties or as part of a public education campaign; or (iv) any painting or marking required for compliance with any local, state, or federal law.

**18. Drug-Free Workplace.**

(41 U.S.C. ch. 81; Police Code art. 40)

To the extent applied by a federal grant or contract for the Project, the Drug-Free Workplace Act of 1988 (41 U.S.C. ch. 81) will apply to Developer. Developer agrees to adopt a Drug-Free Workplace Policy and comply with all other applicable requirements of the drug-free workplace laws under Police Code article 40.

**19. Nutritional Standards and Guidelines.**

(Admin. Code § 4.9-1)

(a) Definitions. For the purpose of this Section: (i) **"meal"** means **"prepared food"** as defined in Environment Code section 1602(l), which means food or beverages prepared within San Francisco for individual customers or consumers in a form commonly understood to be a breakfast, lunch, or dinner; (ii) **"Nutritional Standards Requirements"** means the food and beverage nutritional standards and calorie labeling requirements set forth in Administrative Code section 4.9-1(c); (iii) **"restaurant"** is defined in Health Code section 451(s) and includes any coffee shop, cocktail lounge, sandwich stand, public school cafeteria, in-plant or employee eating establishment, and any other eating establishment that gives or offers for sale food that requires no further preparation to the public, guests, patrons, or employees for consumption on or off the premises; (iv) **"vending machine"** is defined in Administrative Code section 4.2(a) and means an automated machine dispensing products or services, including food, beverages, tobacco products, newspapers, and periodicals.

(b) Vending Machines. Any permitted vending machine must comply with the Nutritional Standards Requirements in section 4.9-1(c). Developer must incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Project Site or for the supply of food and beverages to that vending machine.

(c) Restaurants. Any restaurant on City property is encouraged to ensure that at least 25% of meals offered on the menu meet the Nutritional Standards Requirements set forth in Administrative Code section 4.9-1(e).

(d) Penalties. Developer's failure to comply with the Nutritional Standards Requirements in section 4.9-1(c) will be considered an Event of Default under the DDA and in addition to its other remedies, which will be subject to the DA Waivers, the City may require the removal of any vending machine on the Project Site that is not permitted or that violates the Nutritional Standards Requirements. Developer will be responsible for monitoring compliance with the Nutritional Standards Requirements by each subcontractor, subtenant, and contractor performing services or occupying premises on the Project Site. But the City agrees that Developer will not be liable for the noncompliance of its subcontractors, subtenants, or contractors.

**20. All-Gender Toilet Facilities.**

(Admin. Code § 4.1-3)

Developer must include at least one all-gender toilet facility on each floor of any new building on City-owned land or that is constructed by or for the City where toilet facilities are required or provided. Unless not allowed by an existing lease, whenever extensive renovations are made on one or more floors in any building on land that the City owns or in a building that is leased to or by the City, Developer will provide at least one all-gender toilet facility on each

floor where the renovations take place and toilet facilities are required or provided. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures. "Extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the required toilet facilities.

**21. Indoor Air Quality.**  
(Env. Code § 711(g))

Developer agrees to comply with section 711(g) of the Environment Code and regulations adopted under Environment Code section 703(b) relating to construction and maintenance protocols to address indoor air quality.

**Other Public Policies**

**22. Conflicts of Interest.**  
(Calif. Gov. Code §§ 87100 *et seq.* & §§ 1090 *et seq.*; Charter § 15.103; Campaign and Gov't Conduct Code art. III, ch. 2)

Through its execution of the DDA, Developer acknowledges that it is familiar with Charter section 15.103, Campaign and Governmental Conduct Code article III, chapter 2, and California Government Code sections 87100 *et seq.* and sections 1090 *et seq.*, certifies that it does not know of any facts that would violate these provisions and agrees to notify the Port if Developer becomes aware of any such fact during the DDA Term.

**23. Sunshine.**  
(Calif. Gov. Code §§ 6250 *et seq.*; Admin. Code ch. 67)

Developer understands and agrees that under the California Public Records Act (Calif. Gov. Code §§ 6250 *et seq.*) and the City's Sunshine Ordinance (Admin. Code ch. 67), the Transaction Documents and all records, information, and materials that Developer submits to the City may be public records subject to public disclosure upon request. Developer may mark materials it submits to the City that Developer in good faith believes are or contain trade secrets or confidential proprietary information protected from disclosure under public disclosure laws, and the City will attempt to maintain the confidentiality of these materials to the extent provided by law. Developer acknowledges that this provision does not require the City to incur legal costs in any action by a person seeking disclosure of materials that the City received from Developer.

**24. Contribution Limits-Contractors Doing Business with the City.**  
(Campaign and Gov't Conduct Code § 1.126)

(a) Application. Campaign and Governmental Conduct Code section 1.126 ("Section 1.126") applies only to agreements subject to approval by the Board of Supervisors, the Mayor, any other elected officer, or any board on which an elected officer serves. Section 1.126 prohibits a person who contracts with the City for the sale or lease of any land or building to or from the City from making any campaign contribution to: (i) any City elective officer if the officer or the board on which that individual serves or a state agency on whose board an appointee of that individual serves must approve the contract; (ii) a candidate for the office held by the individual; or (iii) a committee controlled by the individual or candidate, at

any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for the contract or six months after the date the contract is approved.

(b) Acknowledgment. Through its execution of the DDA, Developer acknowledges the following.

(i) Developer is familiar with Section 1.126.

(ii) Section 1.126 applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more.

(iii) If applicable, the prohibition on contributions applies to: (1) Developer; (2) each member of Developer's board of directors; (3) Developer's chairperson, chief executive officer, chief financial officer, and chief operating officer; (4) any person with an ownership interest of more than 20% in Developer; (5) any subcontractor listed in the contract; and (6) any committee, as defined in Campaign and Governmental Conduct Code section 1.104, that is sponsored or controlled by Developer.

**25. Implementing the MacBride Principles – Northern Ireland.**

(Admin: Code ch. 12F)

The Port and the City urge companies doing business in Northern Ireland to move towards resolving employment inequities and encourage them to abide by the MacBride Principles. The Port and the City urge San Francisco companies to do business with corporations that abide by the MacBride Principles.

[Development Agreement - Seawall Lot 337 Associates, LLC - Seawall Lot 337 - Mission Rock Project]

Ordinance approving a Development Agreement between the City and County of San Francisco and Seawall Lot 337 Associates, LLC, for 28 acres of real property known as Seawall Lot 337, located east of Third Street between China Basin Channel and Mission Rock Street, China Basin Park and the portion of Terry A. Francois Boulevard abutting the park, Pier 48, the marginal wharf between Pier 48 and Pier 50, and Parcel P20; for the proposed Mission Rock Mixed-Use Project; waiving certain provisions of the Administrative Code, Planning Code, and Subdivision Code; and adopting findings under the California Environmental Quality Act, public trust findings, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b).

NOTE: Unchanged Code text and uncodified text are in plain Arial font. Additions to Codes are in single-underline italics Times New Roman font. Deletions to Codes are in ~~striketrough italics Times New Roman font~~. Board amendment additions are in double-underlined Arial font. Board amendment deletions are in ~~striketrough Arial font~~. Asterisks (\* \* \* \*) indicate the omission of unchanged Code subsections or parts of tables.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Findings.

(a) California Government Code Sections 65864 et seq. ("Development Agreement Law") authorize any city, county, or city and county to enter into an agreement for the development of real property within its jurisdiction.

(b) Chapter 56 of the Administrative Code sets forth certain procedures for processing and approving development agreements in the City and County of San Francisco (the "City").

1 (c) In May 2010, the Port Commission (the "Port") selected SWL 337 Associates,  
2 LLC, a Delaware limited liability company ("Developer"), through a competitive process to  
3 negotiate exclusively for the mixed-use development (the "Project") of Seawall Lot 337,  
4 bounded by Third Street on the west, Parcel P20 and Mission Rock Street on the south,  
5 Pier 48 to the east, and China Basin Park on the north, and Pier 48. The Port Commission  
6 later added China Basin Park, the marginal wharf between Pier 48 and Pier 50, and  
7 Parcel P20 to the development site (collectively, the "Site"), subject to approvals necessary to  
8 remove Parcel P20 from the Mission Bay South Redevelopment Project Area. Developer, an  
9 affiliate of the San Francisco Giants, will act as the master developer for the Project.

10 (d) In conjunction with this ordinance, this Board has taken or intends to take a  
11 number of other actions in furtherance of the Project, including approval of: (1) a disposition  
12 and development agreement ("DDA") between Developer and the Port; (2) amendments to  
13 the Planning Code that create the Mission Rock Special Use District (the "SUD amendments")  
14 and incorporate the more detailed Mission Rock Design Controls; (3) amendments to the  
15 Zoning Maps; (4) a memorandum of understanding for interagency cooperation between the  
16 Port and other City agencies (the "ICA") with respect to the subdivision of the Site and  
17 construction of public infrastructure and other public facilities; (5) formation proceedings for  
18 financing districts covering the Site and a memorandum of understanding between the Port  
19 and the Treasurer and Tax Collector and the Controller regarding the assessment, collection,  
20 and allocation of ad valorem and special taxes to the financing districts; and (6) a number of  
21 related documents and entitlements to govern the Project.

22 (e) At full build-out, the Project will include: (1) 1.1 million to 1.6 million gross square  
23 feet ("gsf") of new residential uses (an estimated 1,000 to 1,950 new residential units), at least  
24 40% of which will be on-site housing affordable to a range of low- to moderate-income  
25 households as described in the Housing Plan in the DDA; (2) 972,000 to 1.4 million gsf of new

1 commercial and office space; (3) 241,000 to 244,800 gsf of active retail and production uses  
2 on 11 proposed development blocks on SWL 337 in buildings that would range in height from  
3 90 to 240 feet, consistent with Section 5 of the Mission Rock Affordable Housing, Parks, Jobs  
4 and Historic Preservation Initiative (Proposition D, November 2015); (4) rehabilitation and  
5 reuse of Pier 48, a significant contributing resource to the Port of San Francisco Embarcadero  
6 Historic District; (5) approximately 1.1 million gsf of above- and below-grade parking in one or  
7 two garages; (6) transportation demand management on-site and payment of impact fees that  
8 the Municipal Transportation Agency will use to improve transportation service in the area;  
9 (7) approximately 5.4 acres of net new open space for a total of approximately 8 acres of new  
10 and expanded open space, including an expansion of China Basin Park, a new central  
11 Mission Rock Square, and waterfront access along the shoreline; (8) public access areas,  
12 assembly areas, and an internal grid of public streets, shared streets, and utilities  
13 infrastructure; and (9) on-site strategies to protect against sea level rise.

14 (f) While the DDA binds the Port and Developer, other City agencies retain a role in  
15 reviewing and issuing certain later approvals for the Project. Later approvals include approval  
16 of subdivision maps and plans for public infrastructure and public facilities, design review and  
17 approval of new buildings under the SUD amendments, and acceptance of Developer's  
18 dedications of public infrastructure and public facilities for maintenance and liability under the  
19 Subdivision Code. Accordingly, the City and Developer negotiated a development agreement  
20 for the Project (the "Development Agreement"), a copy of which is in Board File No. 171313  
21 and incorporated in this ordinance by reference. The DDA, the Development Agreement, the  
22 ICA, the Tax MOU, and all vertical disposition and development agreements and leases that  
23 the Port enters into in accordance with the DDA are referred to collectively as the "Transaction  
24 Documents."  
25

1 (g) Development of the Site in accordance with the DDA and the Development  
2 Agreement will help realize and further the City's goals to restore and revitalize Seawall  
3 Lot 337 and Pier 48, increase public access to the waterfront, increase public open space and  
4 community facilities within the neighborhood, add to the City's affordable and market-rate  
5 housing stock, and create a significant number of construction and permanent jobs in and  
6 near the Site. In addition, the Project will provide additional benefits to the public that could  
7 not be obtained through application of existing City ordinances, regulations, and policies.

8 Section 2. Environmental Findings.

9 (a) The Planning Commission has determined that the actions contemplated in this  
10 ordinance comply with the California Environmental Quality Act (Cal. Pub. Res. Code  
11 §§ 21000 et seq.) ("CEQA"). A copy of this determination is in Board File No. 171313 and  
12 incorporated in this ordinance by reference.

13 (b) The Board of Supervisors has adopted Resolution No. 36-18, a copy of which is  
14 in Board File No. 171286, making CEQA findings for the Project. The Board of Supervisors  
15 adopts and incorporates in this ordinance by reference the Planning Commission's findings  
16 under CEQA.

17 Section 3. Consistency Findings.

18 The Planning Commission recommended that the Board of Supervisors approve the  
19 Development Agreement and amendments to the Planning Code and the Zoning Maps at a  
20 public hearing on October 5, 2017, by Motion No. 20019 and Resolution No. 20020, copies of  
21 which are in Board File No. 171313. This Board adopts and incorporates by reference in this  
22 ordinance the Planning Commission's findings of consistency with the General Plan and the  
23 eight priority policies of Planning Code Section 101.1(b).

24 Section 4. Public Trust Findings.  
25

1 At a public hearing on January 30, 2018, the Port Commission consented to the  
2 Development Agreement and approved the DDA, subject to the Board of Supervisors'  
3 approval, finding that the Project would be consistent with and further the purposes of the  
4 common law public trust and statutory trust under the Burton Act (Stats. 1968, ch. 1333), as  
5 amended by Senate Bill 815 (Stats. 2007, ch. 660) and Assembly Bill 2797 (Stats. 2016,  
6 ch. 529), by Resolution Nos. 18-03 and 18-06, copies of which are in Board File No. 171313.  
7 The Board of Supervisors adopts and incorporates in this ordinance by reference the Port  
8 Commission's public trust findings.

9 Section 5. Approval of Development Agreement.

10 The Board of Supervisors:

11 (a) approves all of the terms and conditions of the Development Agreement in  
12 substantially the form in Board File No. 171313;

13 (b) finds that the Development Agreement substantially complies with the  
14 requirements of Administrative Code Chapter 56 (Development Agreements);

15 (c) finds that the Project is a large multi-phase and/or mixed-use development as  
16 defined in Administrative Code Section 56.3(g); and

17 (d) approves the Workforce Development Plan attached to the DDA in lieu of  
18 requirements under Administrative Code Chapter 14B (Local Business Enterprise Utilization  
19 and Non-Discrimination in Contracting Ordinance), Article VII of Chapter 23 (Prevailing Wage,  
20 Apprenticeship, and Local Hire Requirements in City Real Property Sales Contracts and  
21 Leases), Section 56.7(c) (Nondiscrimination/Affirmative Action Requirements), and  
22 Chapter 83 (First Source Hiring Program) to the extent that they apply to construction work  
23 that is subject to the Local Hiring Requirements of the Workforce Development Plan.  
24  
25

1           Section 6. Administrative Code Chapter 56 Waivers.

2           The Board of Supervisors waives the application to the Project of the following  
3 provisions of Administrative Code Chapter 56 to the extent inconsistent with the Development  
4 Agreement, the DDA, or the ICA, specifically:

5           (a)    Section 56.4 (Application, Forms, Initial Notice, Hearing); Section 56.7(c)  
6 (Nondiscrimination/Affirmative Action Requirements); Section 56.8 (Notice); Section 56.10  
7 (Negotiation Report and Documents); Section 56.15 (Amendment and Termination);  
8 Section 56.17(a) (Annual Review); Section 56.18 (Modification or Termination); and  
9 Section 56.20 (Fee); and

10          (b)    any other procedural or other requirements if and to the extent that they are not  
11 strictly followed.

12           Section 7. Other Administrative Code Waivers.

13           The Board of Supervisors waives the application to the Project of the following  
14 additional provisions of the Administrative Code:

15           (a)    Chapter 6 (Public Works Contracting Policies and Procedures) other than the  
16 payment of prevailing wages when required;

17           (b)    remedies and penalties for noncompliance with Chapter 12Q (Health Care  
18 Accountability), Chapter 12T (City Contractor/Subcontractor Consideration of Criminal History  
19 in Hiring and Employment Decisions), or Section 4.9-1 (Nutritional Standards for Vending  
20 Machines; Nutritional Guidelines for Food Served at City Meetings and Events;  
21 Recommended Nutritional Guidelines for Restaurants on City Property) that could result in the  
22 termination of any Transaction Document, loss or impairment of Developer's rights under the  
23 Transaction Documents or a vertical developer's rights under a property contract for any part  
24 of the Site, or debarment of Developer or any vertical developer from future contract  
25 opportunities with the City;

1 (c) Chapter 14B (Local Business Enterprise Utilization and Non-Discrimination in  
2 Contracting Ordinance);

3 (d) Competitive Bidding Procedures and Appraisal Review as defined in  
4 Section 23.2 (Chapter Definitions) and required by Section 23.3 (Conveyance and Acquisition  
5 of Real Property) or Section 23.33 (Competitive Bidding Procedures);

6 (e) Section 23.31 (Year-to-Year or Shorter Leases), which limits the Director of  
7 Property's authority to enter into leases on behalf of the City as landlord for periods longer  
8 than one year;

9 (f) Chapter 23A.7 (Surplus Public Lands Ordinance);

10 (g) Paragraph (2) of Section 61.5(c) (Listing of Unacceptable Non-Maritime Land  
11 Uses); and

12 (h) solely to the extent inconsistent with Developer's approved Workforce  
13 Development Program, Chapter 82 (Local Hiring Policy for Construction) and Chapter 83  
14 (First Source Hiring Program).

15 Section 8. Subdivision Code Waivers.

16 (a) The Board of Supervisors waives the application to the Project of time limits  
17 under Subdivision Code Section 1346(e) (Improvement Plans) and Section 1355 (Time Limit  
18 for Submittal) to the extent that they conflict with the ICA or the Development Agreement.

19 (b) The Board of Supervisors also waives the application to the Project of  
20 Subdivision Code Section 1348 (Failure To Complete Improvements Within Agreed Time),  
21 and the following terms shall apply in lieu thereof: The Public Improvement Agreement, as  
22 defined in the ICA, shall include provisions consistent with the Transaction Documents and  
23 the applicable requirements of the Municipal Code and the Subdivision Regulations regarding  
24 extensions of time and remedies that apply when improvements are not completed within the  
25 agreed time.

1           Section 9. Authorization.

2           (a)    The Board of Supervisors affirms that the waivers in this ordinance do not waive  
3 requirements under the Development Agreement Law and authorizes the City to execute,  
4 deliver, and perform the Development Agreement as follows:

5                   (1)    the Director of Planning, the City Administrator, and the Director of Public  
6 Works are authorized to execute and deliver the Development Agreement with signed  
7 consents of the Port Commission, the Municipal Transportation Agency, and the San  
8 Francisco Public Utilities Commission; and

9                   (2)    the Director of Planning and other appropriate City officials are authorized  
10 to take all actions reasonably necessary or prudent to perform the City's obligations under the  
11 Development Agreement in accordance with its terms.

12           (b)    The Director of Planning is authorized to exercise discretion, in consultation with  
13 the City Attorney, to enter into any additions, amendments, or other modifications to the  
14 Development Agreement that the Director of Planning determines are in the best interests of  
15 the City and that do not materially increase the obligations or liabilities of the City or materially  
16 decrease the benefits to the City as provided in the Development Agreement. Final versions  
17 of any additions, amendments, or other modifications to the Development Agreement shall be  
18 provided to the Clerk of the Board of Supervisors for inclusion in Board File No. 171313  
19 within 30 days after execution by all parties.

20           Section 10. Ratification of Past Actions; Authorization of Future Actions.

21           All actions taken by City officials in preparing and submitting the Development  
22 Agreement to the Board of Supervisors for review and consideration are hereby ratified and  
23 confirmed, and the Board of Supervisors hereby authorizes all subsequent action to be taken  
24 by City officials consistent with this ordinance.

Section 11. Effective and Operative Dates.

(a) This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned, or the Mayor does not sign the ordinance within ten days after receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

(b) This ordinance shall become operative only on the effective date of the DDA. No rights or duties are created under the Development Agreement until the operative date of this ordinance.

[ ] City of San Francisco

**MEMORANDUM OF LEASE  
(PARCEL LEASE)**

This Memorandum of Lease ("Memorandum"), dated for reference purposes only as of \_\_\_\_\_, 20XX, is by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation ("City"), operating by and through the **SAN FRANCISCO PORT COMMISSION** ("Landlord" or "Port") and: [TENANT], a [ ] ("Tenant").

**RECITALS**

A. Concurrently herewith, Landlord and Tenant have entered into that certain Lease No. L-[ ] (the "Lease"), dated as of \_\_\_\_\_, \_\_\_\_\_, pursuant to which Landlord leased to Tenant and Tenant leased from Landlord certain real property (the "Premises") more particularly described in the attached **EXHIBIT A**, which is incorporated by this reference.

B. Port and Tenant have also entered into that certain Vertical Disposition and Development Agreement, dated \_\_\_\_\_, \_\_\_\_\_ (the "VDDA"), with respect to the development of the Premises.

C. Landlord and Tenant desire to execute this Memorandum to provide constructive notice of Tenant's rights under the Lease to all third parties.

For good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

1. Term. Landlord leases (i) the Premises to Tenant for a term commencing on [\_\_\_\_\_, \_\_\_\_] (the "**Commencement Date**"). The Term of the Lease will expire on the date that is [\_\_\_\_\_] years] after the Commencement Date, unless earlier terminated in accordance with the terms of the Lease.

2. Lease Terms. The lease of the Premises to Tenant is pursuant to the Lease, which is incorporated in this Memorandum by reference. In the event of any conflict or inconsistency between this Memorandum and the Lease, the terms and conditions of the Lease will be controlling in all respects. Except as otherwise defined in this Memorandum, capitalized terms will have the meanings given them in the Lease.

3. Successors and Assigns. This Memorandum and the Lease will bind and inure to the benefit of the parties and their respective heirs, successors, and assigns, subject, however, to the provisions of the Lease on assignment.

4. Counterparts. This Memorandum may be executed in two or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.

*[The remainder of this page intentionally left blank]*

IN WITNESS WHEREOF, Landlord and Tenant have executed this Memorandum as of the day and year first above written.

**CAL. REVENUE AND TAXATION CODE, CHAPTER 2, SECTION 64**

## **EXHIBIT BB**

### **Cal. Revenue and Taxation Code, Chapter 2, Section 64**

#### **REVENUE AND TAXATION CODE**

##### **Property Taxation**

#### **PART 0.5. IMPLEMENTATION OF ARTICLE XIII A OF THE CALIFORNIA CONSTITUTION**

#### **CHAPTER 2. CHANGE IN OWNERSHIP AND PURCHASE**

#### **SECTION 64**

64. Corporation and partnership interests. (a) Except as provided in subdivision (i) of Section 61 and subdivisions (c) and (d) of this section, the purchase or transfer of ownership interests in legal entities, such as corporate stock or partnership or limited liability company interests, shall not be deemed to constitute a transfer of the real property of the legal entity. This subdivision is applicable to the purchase or transfer of ownership interests in a partnership without regard to whether it is a continuing or a dissolved partnership.

(b) Any corporate reorganization, where all of the corporations involved are members of an affiliated group, and that qualifies as a reorganization under Section 368 of the United States Internal Revenue Code and that is accepted as a nontaxable event by similar California statutes, or any transfer of real property among members of an affiliated group, or any reorganization of farm credit institutions pursuant to the federal Farm Credit Act of 1971 (Public Law 92-181), as amended, shall not be a change of ownership. The taxpayer shall furnish proof, under penalty of perjury, to the assessor that the transfer meets the requirements of this subdivision.

For purposes of this subdivision "affiliated group" means one or more chains of corporations connected through stock ownership with a common parent corporation if both of the following conditions are met:

(1) One hundred percent of the voting stock, exclusive of any share owned by directors, of each of the corporations, except the parent corporation, is owned by one or more of the other corporations.

(2) The common parent corporation owns, directly, 100 percent of the voting stock, exclusive of any shares owned by directors, of at least one of the other corporations.

(c) (1) When a corporation, partnership, limited liability company, other legal entity, or any other person obtains control through direct or indirect ownership or control of more than 50 percent of the voting stock of any corporation, or obtains a majority ownership interest in any partnership, limited liability company, or other legal entity through the purchase or transfer of corporate stock, partnership, or limited liability company interest, or ownership interests in other legal entities, including any purchase or transfer of 50 percent or less of the ownership interest through which control or a majority ownership interest is obtained, the purchase or transfer of that stock

or other interest shall be a change of ownership of the real property owned by the corporation, partnership, limited liability company, or other legal entity in which the controlling interest is obtained.

(2) On or after January 1, 1996, when an owner of a majority ownership interest in any partnership obtains all of the remaining ownership interests in that partnership or otherwise becomes the sole partner, the purchase or transfer of the minority interests, subject to the appropriate application of the step-transaction doctrine, shall not be a change in ownership of the real property owned by the partnership.

(d) If property is transferred on or after March 1, 1975, to a legal entity in a transaction excluded from change in ownership by paragraph (2) of subdivision (a) of Section 62, then the persons holding ownership interests in that legal entity immediately after the transfer shall be considered the "original coowners." Whenever shares or other ownership interests representing cumulatively more than 50 percent of the total interests in the entity are transferred by any of the original coowners in one or more transactions, a change in ownership of that real property owned by the legal entity shall have occurred, and the property that was previously excluded from change in ownership under the provisions of paragraph (2) of subdivision (a) of Section 62 shall be reappraised.

The date of reappraisal shall be the date of the transfer of the ownership interest representing individually or cumulatively more than 50 percent of the interests in the entity.

A transfer of shares or other ownership interests that results in a change in control of a corporation, partnership, limited liability company, or any other legal entity is subject to reappraisal as provided in subdivision (c) rather than this subdivision.

(e) To assist in the determination of whether a change of ownership has occurred under subdivisions (c) and (d), the Franchise Tax Board shall include a question in substantially the following form on returns for partnerships, banks, and corporations (except tax-exempt organizations):

If the corporation (or partnership or limited liability company) owns real property in California, has cumulatively more than 50 percent of the voting stock (or more than 50 percent of total interest in both partnership or limited liability company capital and partnership or limited liability company profits) (1) been transferred by the corporation (or partnership or limited liability company) since March 1, 1975, or (2) been acquired by another legal entity or person during the year—? (See instructions.)

If the entity answers "yes" to (1) or (2) in the above question, then the Franchise Tax Board shall furnish the names and addresses of that entity and of the stock or partnership or limited liability company ownership interest transferees to the State Board of Equalization.

History.—Stats. 1979, Ch. 1161, in effect September 29, 1979, substituted "A corporation, partnership, other legal entity or any other person" for "one corporation", and substituted "any" for "another" after "in" in the first sentence of

subdivision (c). Stats. 1980, Ch. 1349, in effect January 1, 1981, added "and (d)" after "subdivision (c)" in subdivision (a); added "or obtains a majority ownership interest in any partnership or other legal entity" before "through the purchase", substituted "partnership interest, or ownership interests in other legal entities" for "exclusive of any shares owned by directors" after "corporate stock", added "or other interest" before "shall be" and "partnership, or other legal entity" before "in which" in subdivision (c); and added subdivisions (d) and (e). Stats. 1982, Ch. 1465, in effect January 1, 1983, deleted "by merger or consolidation," after "reorganization," in the first sentence of subdivision (b); substituted "If" for "Whenever" before "property," added "on or after March 1, 1975," after "transferred", "paragraph (2) of" before "subdivision (a)", and "then" after "Section 62," in the first sentence, and substituted "that" for "the " before "real property", added "which . . . Section 62" before "shall be", and deleted "by the assessor pursuant to Section 65" after "reappraised" in the second sentence of the first paragraph of subdivision (d), and added the fourth paragraph thereof; and substituted "subdivision (c) and (d)" for "subdivision (c)" after "under" in the first paragraph of subdivision (e), substituted "has cumulatively . . . person" for "was control of the corporation (partnership) transferred or sold" after "California," in the second paragraph thereof, and substituted "the" for "an" after "If", added "(1) or (2) in "after 'eyes' to", substituted "shall" for "will" after "Board", substituted "names and addresses of that" for "name and address of such" after "furnish the", and added "and of . . . transferees" after "entity" in the third paragraph thereof. Stats. 1984, Ch. 678, in effect January 1, 1985, deleted the former third paragraph of subdivision (d) which stated that "The persons holding ownership interests in the legal entity immediately following the reappraisal shall be considered the new original co-owners." Stats. 1988, Ch. 560, in effect January 1, 1989, added ", or any reorganization of farm credit institutions pursuant to the Federal Farm Credit Act of 1971 (Public Law 92-181), as amended," before "shall" in the first sentence of subdivision (b). Stats. 1994, Chs. 1200 and 1243, in effect September 30, 1994, added references to limited liability company throughout text; added "(as enacted . . . 1955)" after "25105" and substituted "the" for "such" and substituted "that" for "such" in subdivision (c). Stats. 1995, Ch. 497, in effect January 1, 1996, added the second sentence in subdivision (a); substituted "that" for "which" twice in the first paragraph in subdivision (b); added "both of . . . are met" after "corporation if" in the second paragraph of subdivision (b); substituted a period for "; and" after "corporations" in paragraph (1) of subdivision (b); added paragraph number designation (1) before first paragraph of subdivision (c), substituted "through direct . . . stock of" for ", as defined in Section 25105 (as enacted by Chapter 938 of the Statutes of 1955), in", after "obtains control", added "including any . . . is obtained," after "legal entities,", and added "the real" after "ownership of" therein; added paragraph (2) to subdivision (c); and substituted "that" for "which" twice in the first paragraph and in the third paragraph of subdivision (d). Stats. 1998, Ch. 591 (SB 2237), in effect January 1, 1999, substituted "subdivision (i)" for "subdivision (h)" after "as provided in" in the first sentence of subdivision (a). Stats. 1999, Ch. 83 (SB 966), in effect January 1, 2000, added a comma after "this subdivision" in the first sentence of

the second paragraph of subdivision (b), and deleted "In order" before "To assist" in the first sentence of the first paragraph of subdivision (e).

Note.—Section 40 of Stats. 1995, Ch. 497, providing the following:

The Legislature finds and declared that the amendments of subdivision (a) and paragraph (1) of subdivision (c) of Section 64 of the Revenue and Taxation Code made by this act do not constitute a change in, but are declaratory of, existing law.

The Legislature further finds and declares that the amendment adding paragraph (2) to subdivision (c) of Section 64 of the Revenue and Taxation Code that is made by this act is necessary to correctly state the change in ownership results intended by the Legislature when a majority partner acquires the minority partners' ownership interests. It is the Legislature's intent that, absent the appropriate application of the step-transaction doctrine or one of the express exceptions listed in subdivision (a) of Section 64 of the Revenue and Taxation Code, the transfer of minority interests in a partnership to the majority owner shall not constitute a change in ownership of the partnership real property, on or after January 1, 1996.

Note.—Section 5 of Stats. 1980, Ch. 1349, provided the amendments made to Section 64 shall be effective for the 1981–82 assessment year and years thereafter. It is the intent of the Legislature that the provisions of this act shall apply to the determination of base year values for the 1981–82 fiscal year, and shall apply to any change in ownership occurring on or after March 1, 1975. No escape assessments shall be levied and no refund shall be made for any years prior to 1981–82 for any increases or decreases in value made for the 1981–82 fiscal year or fiscal years thereafter as the result of the enactment of this act. Section 6 thereof provided the provisions of subdivision (d) of Section 64 as added by this act shall be operative with respect to returns for years beginning in 1981 and thereafter.

Note.—Section 11 of Stats. 1988, Ch. 560, provided that the amendment made to Section 64 shall be applicable to the 1985–86 fiscal year and fiscal years thereafter. The Legislature finds and declares that farm credit banks are instrumentalities of the federal government, and that the recent reorganization of these farm credit institutions was effected pursuant to federal law and regulations. The Legislature further finds and declares that the reorganization of these institutions was of a type which would have avoided a change in ownership reappraisal under Section 64 of the Revenue and Taxation Code if the institutions had been members of a privately owned "affiliated group" connected through stock ownership with a common parent, rather than a federal instrumentality.

Construction.—This section applies to true changes in ownership, rather than "paper" ones. Where a corporation is involved, the term exempts a mere change in the form of ownership or corporate organization, but it encompasses outright sale of either land or the company to a stranger, whether for cash or for shares of stock. Thus, reassessment may not be avoided by selling all or a majority of the stock in real estate holding companies, and all realty held by a holding company and its former parent corporation was subject to reassessment upon a surviving corporation's acquisition of control of the holding company by merger with the former parent corporation. The change of ownership of the realty occurred within the meaning of section 64(c) when the shareholders of the former parent corporation became proportionate, but minority, shareholders in the surviving corporation, thereby losing control, and conversely, the surviving corporation obtained control of the holding company by acquiring a majority of its voting shares. Section 64(b) was not applicable since the merger was not between members of an affiliated group where none of the corporations owned 100 percent of the voting stock of the other at the time the merger tender offer was accepted. *Sav-on Drugs, Inc. v. Orange County*, 190 Cal.App.3d 1611.

A corporation, which obtained direct control of an intermediary corporation by conversion of its wholly owned subsidiary's common stock into the common stock of the intermediary, obtained indirect control of a separate subsidiary corporation that was wholly owned by the intermediary. Thus, notwithstanding the fact that the acquiring corporation did not directly purchase the stock of the intermediary's subsidiary, a change in ownership of that subsidiary's real property holdings occurred within the meaning of Section 64(c). The determinative factor as to whether a change in ownership of corporate property has occurred is control of the corporation that owns the property, not the right to occupy the property or to take possession of it. *Title Ins. & Trust Co. v. Riverside County*, 48 Cal.3d 84.

A corporate reorganization effecting a change in the majority controlling ownership of the corporate entities results in a change of ownership of the real property under Section 64(c), even though the reorganization itself was exempt from state and federal income taxation. The reorganization involved affiliated entities that were not affiliated after the transaction, and for Section 64(b) to be applicable, "members of an affiliated group" must have been affiliated from beginning to end, under the same ownership and control before a transfer and after. *Pueblos Del Rio South v. City of San Diego*, 209 Cal.App.3d 893.

A change in ownership of corporate real property triggering reassessment of the property occurred within the meaning of Section 64(c) where the taxpayer and another corporation formed a new corporation which set up two wholly owned subsidiary corporations which were then merged into the taxpayer and the other corporation, but which left the taxpayer's shareholders with a majority interest in the stock of the new corporation. *Kraft, Inc. v. Orange County*, 219 Cal.App.3d 1104. The acquisition of a film corporation by another corporation, specially created for that purpose, constituted a change in ownership within the meaning of Section 64(c) so as to allow reassessment of real property owned by the film corporation, even though none of the investors in the acquiring corporation owned more than 50 percent of its stock. The ultimate control theory, reflected in that section and which looks through the titleholder to the entity ultimately responsible, did not require that the acquiring corporation be ignored in order to focus instead on the individual investors. *Twentieth Century Fox Film Corp. v. Los Angeles County*, 223 Cal.App.3d 1158. The statutory definition of "control", in a partnership, a majority ownership interest, prevails over the concept that a choice in action represents indirect, constructive or effective control. *Shuwa Investments Corporation v. Los Angeles County*, 1 Cal.App.4th 1635. While acquisition of a minority partnership interest does not constitute a change of ownership under this section, this exemption applies only to transfers involving continuing entities. Thus, where the majority partner purchased the minority partners' partnership interests, in this case the partnership dissolved, this was a change in ownership, and the partnership's subsequent transfer of title to its real property to the sole partner was a mere formality. *Zapara v. Orange County*, 26 Cal.App.4th 464.

Section 64(e) is designed to assist the appropriate authorities in determining whether a change of ownership has occurred by alerting them to stock purchases that might lead to reassessment of real property, not to state the circumstances under which a property value tax reassessment should occur. *Title Ins. & Trust Co. v. Riverside County*, 48 Cal.3d 84.

Legislative intent.—The intent of the Legislature is the end and aim of all statutory construction. The Legislature's failure to adopt a proposed amendment to Section 64(c) which would have expressly extended application of the subdivision to corporate subsidiaries is not conclusive evidence of its intent that the subdivision not apply to subsidiaries. The Legislature may have objected to other portions of the bill, which contained numerous other provisions, or it may have determined that further clarification of the status of subsidiaries was unnecessary. *Title Ins. & Trust Co. v. Riverside County*, 48 Cal.3d 84.

## VDDA EXHIBIT G

### LICENSE AGREEMENT

This ACCESS AGREEMENT (this "Agreement") is made as of \_\_\_\_\_, 20[XX], by and between SEAWALL LOT 337 ASSOCIATES, LLC, a Delaware limited liability company ("Master Tenant"), and \_\_\_\_\_, a \_\_\_\_\_ ("Prospective Vertical Developer").

### RECITALS:

This Agreement is made with reference to the following facts:

A. Reference is made to that certain Master Lease No. L-[\_\_\_\_\_] dated as of [\_\_\_\_], 2018 (as modified, assigned, supplemented and/or amended, the "Master Lease"), between Master Tenant, as tenant, and CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation ("City"), operating by and through the SAN FRANCISCO PORT COMMISSION ("Port"), as landlord, covering the Mission Rock development, as further described in the Master Lease (the "Master Premises").

B. Prospective Vertical Developer desires to obtain access to a portion of the Master Premises, described on the attached Exhibit A (the "Property"), for the limited purpose of conducting due diligence with respect thereto, prior to a possible lease of the Property by Port to Prospective Vertical Developer if all conditions to closing under that certain Vertical Development and Disposition Agreement dated as of [\_\_\_\_], [20XX] (the "VDDA") by and between Prospective Vertical Developer and Port are either satisfied or waived by Port and the Prospective Vertical Developer, as applicable.

C. Master Tenant is agreeable to allowing Prospective Vertical Developer to have access to the Property in accordance with the terms and conditions of this Agreement.

NOW THEREFORE, in consideration of the promises and undertakings herein made, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

I. Prospective Vertical Developer and its agents, employees, consultants, appraisers, engineers and contractors (collectively, the "Prospective Vertical Developer Parties") shall be provided access to the Property for the sole purpose of conducting such non-invasive investigations, inspections, audits, analyses, surveys, tests, examinations, and studies of the Property as Prospective Vertical Developer has deemed necessary or desirable to determine whether the Property is suitable for Prospective Vertical Developer's purposes. Prospective Vertical Developer's access to the Property shall be governed by the terms of this Agreement. Prospective Vertical Developer shall not unreasonably interfere with Master Tenant's operations at the Property or the rights of any subtenants or other occupants of the Property. Prospective Vertical Developer shall not permit any mechanic's liens to be filed against all or any part of the Property arising from Prospective Vertical Developer's activities pursuant to this Agreement.

2. In exercising its right of access to, or inspection of, the Property, Prospective Vertical Developer shall notify Master Tenant's representative, [ ], at least two (2) business days prior to any proposed access to the Property (each of which must be expressly approved in advance by Master Tenant by electronic mail) to perform inspections and tests of the Property, including surveys, environmental studies and examinations. All such inspections and tests undertaken by or on behalf of Prospective Vertical Developer shall be conducted in strict accordance with all applicable laws and regulations and in a manner reasonably acceptable to Master Tenant.

3. Master Tenant's written reasonable approval of the location and scope of any physically intrusive testing, Phase II environmental survey or any testing or sampling of surface or subsurface soils, surface water, groundwater or any materials in or about the Property in connection with Prospective Vertical Developer's environmental due diligence will be required before Prospective Vertical Developer performs any such work in or about the Property. If Prospective Vertical Developer desires to perform invasive testing or other due diligence on the Property, then Master Tenant may, as a condition to such consent, increase the insurance coverage amounts or additional insurance coverage and modify the indemnity and release provisions set forth in Section 6, below. Prospective Vertical Developer agrees to cooperate with any request by Master Tenant in connection with the timing of any such inspection or test. Prospective Vertical Developer agrees to provide Master Tenant, upon Master Tenant's request, and to Port, with copies of the final versions of any written environmental inspection or test report or environmental summary prepared by any unrelated third party (excluding attorneys), and copies of all test results. Prospective Vertical Developer agrees that any inspection, test or other study or analysis of the Property by Prospective Vertical Developer shall be performed at Prospective Vertical Developer's expense and in accordance with applicable law. Prospective Vertical Developer agrees at its own expense to promptly restore the Property or, at Master Tenant's option, to reimburse Master Tenant for any repair or restoration costs incurred by Master Tenant as a result thereof, if any inspection or test requires or results in any damage to or alteration of its condition.

4. Master Tenant shall not be obligated to incur or be subject to any liability, cost or expense in connection with Prospective Vertical Developer's activities pursuant to this Agreement. Prospective Vertical Developer agrees that all inspections or other work undertaken by or on behalf of Prospective Vertical Developer at the Property shall be for Prospective Vertical Developer's account and not as an agent, servant, or contractor for Master Tenant.

5. This Agreement and Prospective Vertical Developer's rights of access hereunder shall terminate on the date that is the earliest to occur of (a) the expiration of the Contingency Period (as defined in the VDDA) or (b) the termination of the VDDA. Notwithstanding the foregoing, Prospective Vertical Developer's obligations set forth in Section 1 and Section 3 above, and Sections 6, 7, 8 and 9 below, shall survive any termination of this Agreement.

6. Prospective Vertical Developer hereby agrees to indemnify, defend, and hold harmless Master Tenant, its partners, members, affiliates, property manager, and their respective officers, directors, agents, employees, and representatives, as well as the Port, City and the

members, officers, directors, commissioners, employees, agents and contractors of Port and City (collectively, the "Indemnified Parties") from and against any and all liens, claims, or damages of any kind or nature, including any demands, actions or causes of action, assessments, losses, costs, expenses, liabilities, interest and penalties, and reasonable attorneys' fees suffered, incurred, or sustained by any of the Indemnified Parties caused by Prospective Vertical Developer, its agents or representatives with respect to any due diligence activities at the Property or entry onto the Master Premises pursuant to this Agreement. Prospective Vertical Developer shall promptly restore the Master Premises to its condition before any damages that may have been caused by Prospective Vertical Developer or its agents or representatives in the conduct of the review. **[NTD: All insurance coverage to be revisited prior to finalization of license to incorporate then current commercially reasonable insurance provisions, which provisions will be reviewed by Port.]** Prior to any entry onto the Property, Prospective Vertical Developer shall obtain, and during the period of such inspection or testing shall maintain, at their expense: (i) commercial general liability ("CGL") insurance, issued on a form at least as broad as Insurance Services Office ("ISO") Commercial General Liability Coverage "occurrence" form CG 00 01 10 01 or another "occurrence" form providing equivalent coverage, including contractual liability and personal injury liability coverage, with limits of not less than Two Million Dollars (\$2,000,000) for any one occurrence and Five Million Dollars (\$5,000,000) in the aggregate; (ii) comprehensive automobile liability insurance (covering any automobiles owned or operated by Prospective Vertical Developer) issued on a form at least as broad as ISO Business Auto Coverage form CA 00 01 07.97 or other form providing equivalent coverage; (iii) worker's compensation insurance, and (iv) employer's liability insurance. Such automobile liability insurance shall be in an amount not less than One Million Dollars (\$1,000,000) for each accident. Such worker's compensation insurance shall carry minimum limits as defined by the law of the jurisdiction in which the Property is located (as the same may be amended from time to time). Such employer's liability insurance shall be in an amount not less than One Million Dollars (\$1,000,000) for each accident, One Million Dollars (\$1,000,000) disease-policy limit, and One Million Dollars (\$1,000,000) disease-each employee. Master Tenant, Port and City shall be covered as additional insureds by written endorsement on the CGL and automobile liability insurance policies with respect to liability arising out of the named insured's acts or omissions relating to the Master Premises. As to all insurance required hereunder, such insurance shall be carried under a valid and enforceable policy or policies issued by insurers of recognized responsibility that are rated Best A—:VIII or better by the latest edition of Best's Key Rating Guide (or a comparable successor rating) and legally authorized to sell such insurance within the State of California. As to worker's compensation insurance required hereunder, such insurance will provide for waivers of any right of subrogation that the insurer of such party may acquire against each party hereto with respect to any losses of the type covered under such policies. Prior to making any entry upon the Property, Prospective Vertical Developer shall furnish to Master Tenant a certificate of insurance evidencing the foregoing coverages, which certificate of insurance shall be in form and substance reasonably satisfactory to Master Tenant.

7. Notwithstanding anything appearing to the contrary in this Agreement, no direct or indirect partner, member or shareholder of Master Tenant (or any officer, director, agent, member, manager, personal representative, trustee or employee of any such direct or indirect partner, member or shareholder) shall be personally liable for the performance of the obligations

of, or in respect of any claims against, Master Tenant arising under this Agreement. No personal judgment shall be sought or obtained against any of the foregoing in connection with this Agreement. Prospective Vertical Developer agrees to look solely to Master Tenant's interest in the Property for the satisfaction of any liability or obligation of Master Tenant arising under this Agreement.

8. If either party hereto fails to perform any of its obligations under this Agreement or if any dispute arises between the parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the defaulting party or the party not substantially prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party on account of such default or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements. Any such attorneys' fees and other expenses incurred by either party in enforcing a judgment in its favor under this Agreement shall be recoverable separately from and in addition to any other amount included in such judgment, and such attorneys' fees obligation is intended to be severable from the other provisions of this Agreement and to survive and not be merged into any such judgment.

9. Nothing in this Agreement, whether express or implied, is intended to confer any rights or remedies upon or by reason of this Agreement on any persons other than the parties to this Agreement and their respective permitted successors and assigns. This Agreement constitutes the entire agreement between the parties pertaining to the subject matter contained herein and supersedes all prior or contemporaneous oral or written agreements, representations, statement, documents, or understanding of the parties. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by the parties hereto. Any notice or other communication required or permitted to be given under this Agreement shall be in writing and transmitted by overnight delivery or electronic mail to Prospective Vertical Developer or Master Tenant, as the case may be, to the addresses specified beneath each party's signature. This Agreement shall be construed in accordance with and governed by the laws of the State of California. This Agreement may be executed simultaneously in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, and signatures may be transmitted by portable document format (.pdf) or email. Prospective Vertical Developer may assign this Agreement in connection with any transfer of its interest in the VDDA, upon written notice to, but without Master Tenant's consent, provided that Prospective Vertical Developer's assignee assumes all of Prospective Vertical Developer's obligations hereunder. With respect to any other assignment of this Agreement, Prospective Vertical Developer shall not assign this Agreement to any other party without first obtaining Master Tenant's written consent, which consent may be withheld in Master Tenant's sole and absolute discretion

[signature page follows]

IN WITNESS WHEREOF, the parties have executed this Access Agreement as of the date first written above.

**FORM OF VERTICAL DEVELOPER REAFFIRMATION OF REPRESENTATIONS  
AND WARRANTIES**

## **VERTICAL DDA EXHIBIT H**

### **REAFFIRMATION OF REPRESENTATIONS AND WARRANTIES**

Pursuant to Section 6.4(a)(i) of the Vertical Disposition and Development Agreement between the CITY AND COUNTY OF SAN FRANCISCO, operating by and through the SAN FRANCISCO PORT COMMISSION ("Port") and [\_\_\_\_\_] a [\_\_\_\_\_] ("Vertical Developer"), dated [\_\_\_\_\_] ("Vertical DDA"), Vertical Developer reaffirms to Port that the representations and warranties made by Vertical Developer and set forth in Section 21.3 of the Vertical DDA were true and accurate as of the effective date of the Vertical DDA and further represents and warrants to Port as of the date below, all of the following:

(a) That Vertical Developer is a duly organized [\_\_\_\_\_] , validly existing, and in good standing under the laws of the State of \_\_\_\_\_. Vertical Developer has all requisite power and authority to conduct its business as presently conducted.

(b) That Vertical Developer has not been suspended, disciplined or disbarred by, or prohibited from contracting with, any federal, state or local governmental agency. In the event Vertical Developer has been so suspended, disbarred, disciplined or prohibited from contracting with any governmental agency, it will immediately notify Port of same and the reasons therefore together with any relevant facts or information requested by Port. Any such suspension, debarment, discipline or prohibition may result in the termination or suspension of the Vertical DDA.

(c) That the Vertical DDA and all documents executed by Vertical Developer: (i) are, and at the time of Closing will be, duly authorized, executed and delivered by Vertical Developer; (ii) are, and at the time of Closing will be, legal, valid and binding obligations of Vertical Developer enforceable against Vertical Developer in accordance with their terms; and (iii) do not, and at the time of Closing will not, violate any provision of any agreement or judicial order to which Vertical Developer is a party or to which Vertical Developer is subject.

(d) That Vertical Developer has all requisite power and authority to execute and deliver the Transaction Documents and to carry out and perform all of the terms and covenants of the Transaction Documents.

(e) None of Vertical Developer's formation documents, nor any other agreement or Law in any way prohibits, limits or otherwise affects the right or power of Vertical Developer to enter into and perform all of the terms and covenants of the Transaction Documents. Vertical Developer is not party to or bound by any contract, agreement, indenture, trust agreement, note, obligation or other instrument that could prohibit, limit or otherwise affect the same. No consent, authorization or approval of, or other action by, and no notice to or filing with, any governmental authority, regulatory body or any other Person is required for the due execution, delivery and performance by Vertical Developer of the Transaction Documents or any of the terms and covenants contained therein. There are no pending or threatened lawsuits or

proceedings or undischarged judgments affecting Vertical Developer before any court, governmental agency, or arbitrator that is reasonably expected to materially and adversely affect the enforceability of the Transaction Documents or the business, operations, assets or condition of Vertical Developer.

(f) The execution, delivery and performance of the Transaction Documents (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default under (A) any agreement, document or instrument to which Vertical Developer or by which Vertical Developer's assets may be bound or affected, (B) any Law, or (C) the articles of incorporation, the bylaws, partnership agreement or operating agreement of Vertical Developer, and (ii) do not and will not result in the creation or imposition of any lien or other encumbrance upon the assets of Vertical Developer (other than the lien of a Mortgage in accordance with the Vertical DDA or the Parcel Lease).

(g) There is no material adverse change in Vertical Developer's financial condition and Vertical Developer is meeting its current liabilities as they mature; no federal or state tax liens have been filed against it; and Vertical Developer is not in default or claimed default under any agreement for borrowed money.

(h) Notwithstanding anything to the contrary in the Vertical DDA, the foregoing representations and warranties will survive the Closing Date.

All capitalized items not defined herein have the meanings give to them in the Vertical DDA.

IN WITNESS WHEREOF, the undersigned has executed this Reaffirmation of Representations and Warranties as of the [insert closing date: \_\_\_\_\_], 20XXX].

## **EXHIBIT I**

### **WORKFORCE DEVELOPMENT PLAN**

For purposes of this *Exhibit I*, references to Exhibit B6-A in the attached Workforce Development Plan and to Exhibit B6-B in the Local Business Enterprise (LBE) Utilization Program will mean this *Exhibit I* to this Agreement.

## **VDDA Exhibit I**

### **Workforce Development Plan**

The development plan for Mission Rock under the Transaction Documents provides for the development of a new mixed-use neighborhood composed of commercial/office, retail, garage, market rate and affordable residential uses and major new and expanded parks. This Workforce Development Plan sets forth the activities Port, Developer and Vertical Developer shall undertake, and require their Contractors, Consultants, Subcontractors, Subconsultants, Commercial Tenants, Lessees, Service Providers and Professional Service Providers, as applicable, to undertake, to support workforce development in the pre-construction, construction and end use phases of the Project, as set forth in this Exhibit B6-A.<sup>1</sup>

The Port and Developer shall enter into the DDA which will provide for the development of the Project in a series of Phases. In connection with the DDA, the Port and the Developer will enter into a Master Lease providing Developer the right to construct Horizontal Improvements within the Project. Developer will enter into contracts with Contractors and Consultants to construct all Horizontal Improvements allowed under the Master Lease.

Developer will submit Phase Submittals to the Port pursuant to the Transaction Documents. Following each Phase Approval, the Port will authorize the Chief Harbor Engineer to issue Port permits necessary for Developer to begin to construct Horizontal Improvements in accordance with the DDA and the Master Lease. Upon exercise of an Option in accordance with the DDA, the Port will convey each Development Parcel through Parcel Leases to a Vertical Developer. A Vertical Developer will enter into contracts with Contractors and Consultants to construct the Vertical Improvements, including residential and commercial improvements, in accordance with the Parcel Lease and Vertical DDA. Upon completion of the Vertical Improvements, the applicable Parcel Lease, between the Port and the Vertical Developer, shall govern the operation and use of the Vertical Improvements.

The foregoing summary is provided for convenience and for informational purposes only. In case of any conflict, the provisions of the DDA and each Vertical DDA shall control.

#### **A. First Source Operations and Pre-Construction Hiring Agreement.**

1. Developer shall, with respect to Horizontal Improvements, and the Port shall require that each Vertical Developer shall, with respect to each Vertical Improvement, comply with the operational requirements of the First Source Hiring Program pursuant to San Francisco Administrative Code Chapter 83 ("**Chapter 83**") and upon entering into: (a) leases or any other occupancy contracts for commercial space at Vertical Improvements that are subject to Chapter 83 with a tenant ("**Lessee**"), provided, however, that no Lessee occupying less than 5,000 square

---

<sup>1</sup> Any capitalized term used in this Exhibit B6-A, including its Attachments, that is not defined herein, or in such Attachments, or in the referenced Administrative Code Sections, shall have the meaning given to such term in the DDA.

feet in floor area within the Project Site shall have an obligation to enter into a First Source Hiring Agreement or comply with the requirements of Chapter 83; or (b) janitorial, security, landscape, operations and maintenance contracts, will include in each such lease or contract a requirement that such third party enter into a First Source Hiring Agreement in the form attached hereto as Attachment A, and provide a signed copy thereof to the Office of Economic and Workforce Development within 10 business days of execution. The Port shall cause (i) Developer to comply with the above requirements by including such requirements as a material term in the Master Lease applicable to such Contract and (ii) each Vertical Developer to comply with the above requirements by including such requirements as a material term in the Vertical DDA applicable to such Contract.

2. Further, Developer shall, with respect to Horizontal Improvements, and the Port shall require that each Vertical Developer shall, with respect to each Vertical Improvement, voluntarily include within its good faith efforts to comply with Chapter 83 a requirement to include pre-construction work within the Project's First Source Hiring Program and upon entering into professional services contracts for architectural and engineering services, provided, however, that no professional services firm performing work through a contract valued at less than \$500,000 or a contract for services relating to the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area shall have an obligation to enter into a First Source Hiring Agreement, include in each such contract a requirement that such third party enter into a First Source Hiring Agreement in the form attached hereto as Attachment A, and provide a signed copy thereof to the Office of Economic and Workforce Development within 10 business days of execution. The Port shall cause (i) Developer to comply with the above requirements by including such requirements as a material term in the Master Lease applicable to such Contract and (ii) each Vertical Developer to comply with the above requirements by including such requirements as a material term in the Vertical DDA applicable to such Contract.

3. Residential units within the Project shall not be subject to any obligations under this Section A and the tenants of such residential units shall have no obligation to enter into a First Source Hiring Agreement.

4. The Office of Economic and Workforce Development ("OEWD") is the sole administrator of the First Source Hiring Program per San Francisco Administrative Code Chapter 83. OEWD's Business Services team will manage the First Source Hiring Agreement and will be the point of contact for Lessees and Service Providers. OEWD's Business Team will provide Referrals for the permanent Entry Level Positions located within the Project where required under Chapter 83.

5. Incorporation into contract provisions.

i. Developer or Vertical Developer shall include in its Contracts provisions that require Lessees and Service Providers to enter into a First Source Hiring Agreement and follow the good faith efforts within such agreements towards the hiring goals of Chapter 83. Developer or Vertical Developer shall also include in such Contracts provisions that require Lessees and Service Providers to identify a single point of contact and contact OEWD's Business Services team to discuss its obligations under the First Source Hiring Agreement.

ii. Developer or Vertical Developer shall include in its Professional Service Contracts provisions that require Professional Service Providers to enter into a First Source Hiring Agreement and follow the good faith efforts within such agreement towards the hiring goals of Chapter 83. Developer or Vertical Developer shall also include in such Professional Service Contracts provisions that require Professional Service Providers to identify a single point of contact and contact OEWD's Business Services team to discuss its obligations under the First Source Hiring Agreement.

6. Pre-start conference and access.

i. Developer or Vertical Developer shall meet with OEWD prior to initial occupancy of Vertical Improvements at the Project Site for a pre-start conference to assess the operation goals of the First Source Hiring Program, including commercial tenant operations, janitorial, security, landscape, operations and maintenance services and provide projections for Entry Level Position employment opportunities within such fields with respect to the Horizontal Improvements or Vertical Improvements. Developer or Vertical Developer shall also provide OEWD access to meet Lessees and Service Providers at the Project Site and encourage the same to meet with OEWD regarding their respective First Source Hiring Obligations.

ii. With respect to each Horizontal Improvement, Developer shall meet with OEWD upon submission of a Phase Submittal, and, with respect to each Vertical Improvement, Vertical Developer shall meet with OEWD upon entering into a Vertical DDA at the Project Site for a pre-start conference to assess the pre-construction goals of the First Source Hiring Program, including architectural and engineering services and provide projections for Entry Level Position employment opportunities within such fields with respect to such Horizontal Improvement or Vertical Improvement. Developer or Vertical Developer shall also provide OEWD access to meet Professional Service Providers at the Project Site and encourage the same to meet with OEWD regarding their respective First Source Hiring Obligations.

7. Compliance with the operational goals of Chapter 83 shall be determined on an individual Contract or Professional Service Contract basis. Lessees and Service Providers shall demonstrate good faith efforts towards the hiring goals of Chapter 83. Professional Service Providers shall demonstrate good faith efforts towards the hiring goals of their First Source Hiring Agreement.

8. For the purposes of a First Source Hiring Agreement, (i) Contract shall mean: (a) any commercial lease or other commercial occupancy agreement with respect to a Vertical Improvements; and (b) any contract for janitorial, security, landscape, or operations and maintenance services performed at a Horizontal Improvement or Vertical Improvement; (ii) Professional Service Contract shall mean any contract for architectural or engineering services performed with respect to a Horizontal Improvement or Vertical Improvement, (iii) Service Provider shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to perform janitorial, security, landscape, and operations and maintenance services with respect to a Horizontal Improvement or Vertical Improvement, and (iv) Professional Service Provider shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to

perform architectural or engineering services with respect a Horizontal Improvement or Vertical Improvement.

9. OEWD shall notify any Lessees, Service Providers or Professional Service Providers in writing, with a copy to Developer or Vertical Developer, as applicable, and to the Port, of any alleged breach on the part of that entity of its obligations under the First Source Hiring Agreement, as applicable, and provide such entity a reasonable opportunity to cure its alleged breach before seeking an assessment of liquidated damages pursuant to Section 83.12 of the Administrative Code. OEWD sole remedy against a Lessees, Service Providers and Professional Service Providers shall be as set forth in Chapter 83, including the enforcement process. Upon OEWD's request, Port, Developer or Vertical Developer, as applicable, shall reasonably cooperate with OEWD in any such enforcement action against any Lessees, Service Providers or Professional Service Providers, provided in no event shall Port, Developer or Vertical Developer, as applicable, be liable for any breach by a Lessees, Service Providers or Professional Service Providers.

10. If Port, Developer or Vertical Developer, as applicable, fulfills its obligations as set forth in this Section A, it shall not be held responsible for the failure of Lessee, Service Provider or Professional Service Provider or any other person or party to comply with the requirements of Chapter 83, their applicable First Source Hiring Agreement or this Section A. If Developer or Vertical Developer, as applicable, fails to fulfill its obligations under this Section A, the applicable provisions of Chapter 83 shall apply as to Developer or Vertical Developer, as applicable, though the Port and Developer shall have the right to invoke the dispute resolution process set forth in Article 10 of the DDA.

11. This Section A is an approved "First Source Hiring Agreement" as referenced in Sections 83.9 and 83.11 of the Administrative Code.

**B. Local Hiring Agreement.**

1. Developer, with respect to each Horizontal Improvement, shall, and the Port shall require that each Vertical Developer, with respect to each Vertical Improvement, shall (i) include in each Contract for construction work a provision requiring each Contractor to enter into a Local Hiring Agreement in the form attached hereto as Attachment B before beginning any construction work, and (ii) provide a signed copy thereof to the Office of Economic and Workforce Development ("OEWD") and CityBuild within 10 business days of execution, provided, however, that no person or entity entering into leases or other occupancy contracts for commercial space at a Vertical Improvement within the Project site ("**Commercial Tenant**") which occupies less than 15,000 square feet in floor area within such Vertical Improvement shall have an obligation to enter into a Local Hiring Agreement or be subject to the Local Hiring Program pursuant to Chapter 82, as defined below.<sup>2</sup> All future tenant improvements performed subsequent to any initial tenant improvements within such Vertical Improvement shall be subject to the local hiring requirement within Attachment B on a good faith basis only. The Port shall cause (i) Developer to comply with the above requirements by including such requirements as a

<sup>2</sup> Any capitalized term used in this Section B that is defined in Attachment B will have the definition given to such term in such Attachment.

material term in the Master Lease applicable to such Contract and (ii) each Vertical Developer to comply with the above requirements by including such requirements as a material term in the Vertical DDA applicable to such Contract.

2. CityBuild shall represent OEWD and will provide referrals of Targeted Workers for positions on the construction work for Improvements subject to a Local Hiring Agreement in accordance with San Francisco Administrative Code Chapter 82 ("**Chapter 82**").

3. Incorporation into contract provisions. Developer and Vertical Developer, as applicable, shall include in their respective contracts provisions that require prospective Contractors and Subcontractors to comply with the requirements set forth in the Local Hiring Agreement Attachment B.

4. Tenant improvements performed within any residential units within the Project shall not be subject to any obligations under this Section B and the tenants of such residential units shall have no obligation to enter into a Local Hiring Agreement.

5. Compliance with the construction requirements of Chapter 82 for Horizontal Improvements shall be determined on a Phase by Phase basis. Compliance will be measured by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, by the total number of Construction Work Hours performed on Horizontal Improvements within a Phase. If Developer exceeds its obligations set forth in its applicable Local Hiring Agreement with respect to an individual Horizontal Improvement, Developer may, at its option, allocate such excess towards the compliance of another Horizontal Improvement within the Project Site, subject to the requirements of Attachment B. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Project-wide basis by giving notice to OEWD and the Port of such election during the submission of the penultimate Phase Submittal.

6. Compliance with the construction requirements of Chapter 82 for Vertical Improvements shall be determined on an individual Vertical Improvement basis. Compliance will be measured by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, by the total number of Construction Work Hours performed on the Vertical Improvement. If a Vertical Developer exceeds its obligations set forth in its applicable Local Hiring Agreement with respect to an individual Vertical Improvement, the Vertical Developer of such Vertical Improvement may, at its option, allocate such excess towards the compliance of another Vertical Improvement within the Project Site, subject to the requirements of Attachment B. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Phase-wide basis by giving notice to OEWD and the Port of such election during the submission of a Phase Submittal.

7. OEWD shall notify Contractor, Subcontractor and Commercial Tenant, as applicable, in writing, with a copy to the Port and Developer or Vertical Developer, as applicable, of any alleged breach on the part of that entity of its obligations under Chapter 82 or its Local Hiring Agreement, as applicable, and provide such entity an opportunity to cure its obligations before seeking an assessment of liquidated damages pursuant to Section 82.8 of the Administrative Code. OEWD's sole remedies against a Contractor, Subcontractor or Commercial

Tenant shall be as set forth in Chapter 82, including the enforcement process. Upon OEWD's request, Port, Developer or Vertical Developer, as applicable, shall reasonably cooperate with OEWD in any such enforcement action against any Contractor, Subcontractor or Commercial Tenant, provided that in no event shall Port, Developer or Vertical Developer, as applicable, be liable for any breach by a Contractor, Subcontractor or Commercial Tenant.

8. If Port, Developer or Vertical Developer, as applicable, fulfills its obligations as set forth in this Section B, it shall not be held responsible for the failure of a Contractor, Subcontractor, Commercial Tenant or any other person or party to comply with the requirements of Chapter 82 or this Section B. If Developer or Vertical Developer, as applicable, fails to fulfill its obligations under this Section B, the applicable provisions of Chapter 82 shall apply, though the Port and Developer, as applicable, shall have the right to invoke the process set forth in Article 10 of the DDA.

9. This Section B complies with the requirements of Chapter 82, including Sections 82.5 and 82.7 and the requirements of Chapter 83 related to construction work.

**C. Workforce Job Readiness and Training Funds.**

Vertical Developers, on behalf of the Project, shall contribute to OEWD \$1,000,000 (One Million Dollars) to support workforce job readiness and training ("Workforce Job Readiness and Training Funds") for allocation to OEWD's CityBuild and First Source Hiring programs and qualified local community based organizations. Such funds shall be paid to OEWD, and used as provided below, over the course of the Project on a Development Parcel by Development Parcel basis in eleven equal installments. Each equal installment shall be paid by a Vertical Developer at issuance of site permit for the development of Vertical Improvements upon a Development Parcel, except for the development of the parking garage parcel, pursuant to a Vertical DDA.

Priority for OEWD's use and allocation of Workforce Job Readiness and Training Funds shall be to organizations that have backgrounds in workforce readiness and training, an established program with a demonstrated history of performing workforce readiness and training and an existing track record of working in economically disadvantaged communities within San Francisco, including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods.

1. **Community Based Organizations:** \$500,000 (Five Hundred Thousand Dollars) of the Workforce Job Readiness and Training Funds shall be dedicated to funding community-based organizations that provide services which seek to: reduce barriers to employment for individuals within at-risk populations (the "**Barrier Removal Funds**"); and/or provide job readiness and training ("**Job Readiness Training Funds**") (together, the "**CBO Funds**"). OEWD shall allocate the CBO Funds to qualified local community based organizations based on a competitive process, and distribute the CBO Funds during the construction and operation of the Project until exhausted. The funds will be primarily targeted to support Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhood residents and residents of surrounding areas. OEWD shall prioritize allocating funds to organizations that have a background in workforce readiness and training, an established program with a demonstrated history of performing workforce readiness and training and an

existing track record of working in economically disadvantaged communities. OEWD shall use good faith efforts to promptly initiate and complete the competitive process and begin distribution of the Barrier Removal Funds within one hundred and eighty (180) days after OEWD's initial receipt of such funds, but in a manner that ensures the resulting programs and services will correspond directly to preparing participants for the jobs created by the project.

i. CBO Funds. OEWD shall allocate a portion of the CBO Funds to support the delivery of services to assist individuals within at-risk populations, including low-income youth and adults with histories of incarceration, homelessness, substance abuse or other factors that may create barriers to employment, with reducing barriers to employment and/or providing job readiness and training. The CBO Funds shall fund programs that provide case management, supportive services (i.e. union dues, tools, uniform/boots), life skills training, basic education, barrier removal (including assistance with attaining a GED or driver's license, if applicable), wrap-around social services, job training, job placement or retention services with a goal of allowing participants to become CityBuild or First Source Hire-ready.

2. **OEWD: \$500,000 (Five Hundred Thousand Dollars) of the Workforce Job Readiness and Training Funds** shall be dedicated to OEWD's programs that train economically disadvantaged adults, workers and local residents in the fields of construction, end use operations and hospitality (the "**OEWD Funds**"). OEWD shall identify and partner with local community-based organizations to promote the programs and identify and recruit program participants. OEWD shall allocate the funds throughout the construction and operation of the Project until exhausted. The resources shall be primarily targeted to support and prepare individuals in the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition and surrounding areas for construction and operation jobs at the Project. OEWD shall partner with organizations that have a background in workforce readiness and training, an established program with a demonstrated history of performing workforce readiness and training and an existing track record of working in economically disadvantaged communities. OEWD shall use good faith efforts to promptly begin distribution of the OEWD Funds within one hundred eighty (180) days after OEWD's initial receipt of such funds, but in a manner that ensures the resulting programs and services will correspond directly to preparing participants for the jobs created by the project.

i. Operations Training Resources. OEWD, in its discretion, shall dedicate a portion of the OEWD Funds to support programs that provide end use operations job training programs for economically disadvantaged adults, including individuals designated as a targeted population by the San Francisco Workforce Development Board, as an individual who is, or is at risk of, relying upon, or returning to, public assistance, including unemployment benefits, formerly incarcerated, homeless, veterans, out-of-school youth, pregnant or parenting teens, youth in the juvenile justice or foster care systems, people with disabilities, limited English populations, dislocated workers, or residents of public housing (the "**Operations Training Resources Funds**"). OEWD shall allocate Operations Training Resources Funds to programs performing vocational training in the retail, food service, janitorial, landscaping, facilities/open space operations and maintenance employment sectors. The intended use of the Operations Training Resources Funds is to provide additional training tailored towards future employment opportunities at the Project. The programs may also include working with potential

employers regarding any necessary accommodations or additional training, and ongoing support following job placement.

ii. Construction Training Resources. OEWD, in its discretion, shall dedicate a portion of the OEWD Funds to support programs that train disadvantaged workers and local residents in the field of construction work (the "**Construction Training Resources**"). OEWD shall allocate the Construction Training Resources Funds to programs such as the CityBuild Academy, an 18-week pre-apprenticeship training program that prepares citywide residents for entry into the trades, the Construction Administration & Professional Service Academy, an 18-week program offered at City College of San Francisco that prepares San Francisco residents for entry-level careers as professional construction office administrators, or the CityBuild Women's Mentorship Program, a volunteer program that connects women construction leaders with experienced professional and mentors.

iii. Pile Driving Training Program. OEWD, in its discretion, shall dedicate a portion of the OEWD Funds to support the development and implementation of a pile driving training program for disadvantaged workers and local residents, including individuals that have formerly been incarcerated or are experiencing homelessness (the "**Pile Driver Training Funds**"). The Pile Driving Training Funds shall be managed and implemented by OEWD in conjunction with local unions and community-based organizations. The programs may also include working with potential employers regarding any necessary accommodations or training, and ongoing support following job placement. The Pile Driving Training Program will address the shortage of skilled pile drivers in San Francisco and will augment the pipeline of skilled workers by providing specific training in a high-demand trade. By providing training in a high-demand trade, the program will help to ensure that more local residents are equipped with the education and skills necessary to be successful in the construction industry, thereby supporting local economic empowerment and upward mobility.

3. Accounting. Developer shall have no right to challenge the appropriateness of or the amount of any expenditure, so long as it is used in accordance with the provisions of this Exhibit b<sup>^</sup>-A. The Workforce Job Readiness and Training Funds may be commingled with other funds of the City for purposes of investment and safekeeping, but the City shall maintain records as part of the City's accounting system to account for all the expenditures for a period of four (4) years following the date of the expenditure, and make such records available upon Developer's request.

4. In the event individuals trained by the programs supported by the Workforce Job Readiness and Training Funds are hired to perform work at the Project, Developer may receive credit toward First Source and Local Hire obligations under San Francisco Administrative Code Chapters 82 and 83, as mutually determined with OEWD.

5. Board Authorization. Any interest earned on the Workforce Job Readiness and Training Funds shall remain in designated accounts for use by OEWD for workforce readiness and training consistent with this Exhibit B6-A and shall not be transferred to the City's general fund.

## Attachment A: First Source Hiring Agreement

### For Operations and Preconstruction Services

This First Source Hiring Agreement (this "FSHA Agreement"), is made as of \_\_\_\_\_, by and between [(the "Lessee"/ "Service Provider"/ "Professional Service Provider")], and the Office of Economic and Workforce Development, ("OEWD"), collectively the "Parties":

### RECITALS

[Use for Lessee - WHEREAS, [Lessee has plans to occupy a portion of the Vertical Improvement at [Address] (the "Premises") which requires a First Source Hiring Agreement with OEWD because the Premises is subject to a property contract between [Developer/Vertical Developer] and the City acting through the San Francisco Port Commission;

WHEREAS, the [Developer/Vertical Developer] was required to provide notice in leases, subleases and other, occupancy contracts for use of the Premises; and

WHEREAS, as a material part of the consideration given by Lessee under such contract, Lessee has agreed to execute this FSHA Agreement and participate in the First Source Hiring Program managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83"), as modified herein;]

[Use for Service Providers contracts - WHEREAS, [Service Provider has plans to provide [ ] services to the [Horizontal Improvement/ Vertical Improvement] at [Address] (the "Premises") which requires a First Source Hiring Agreement with OEWD because the Premises is subject to a property contract between [Developer/Vertical Developer] and the City acting through the San Francisco Port Commission;

WHEREAS, the [Developer/Vertical Developer] was required to provide notice in janitorial, security, landscape, or operations and maintenance contracts that provide services to the Premises; and

WHEREAS, as a material part of the consideration given by Service Provider under such contract, Service Provider has agreed to execute this FSHA Agreement and participate in the First Source Hiring Program managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83");]

**[Use for Professional Service Providers contracts - WHEREAS, [Professional Service Provider has plans to provide [ ] services to the [Horizontal Improvement/ Vertical Improvement] at [Address] (the "Premises") which requires a First Source Hiring Agreement with OEWD because the Premises is subject to a property contract between [Developer/Vertical Developer] and the City acting through the San Francisco Port Commission;**

**WHEREAS, the [Developer/Vertical Developer] was required to provide notice in architectural or engineering contracts that provide services to the Premises; and**

**WHEREAS, as a material part of the consideration given by Professional Service Providers under such contract, Professional Service Providers has agreed to execute this FSHA Agreement and participate in the First Source Hiring Program managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83");]**

**[Use for [Developer/Vertical Developer] operations of Vertical Improvement - WHEREAS, Lessee has plans to operate the building at [Address] (the "Premises") which required a First Source Hiring Agreement between Lessee and FSHA because the Premises is subject to a property contract between Lessee and the City acting through the San Francisco Port Commission; and**

**WHEREAS, as a material part of the consideration given by Lessee under the property contract, Lessee has agreed to execute this FSHA Agreement and participate in the Workforce System managed by OEWD as established by the City and County of San Francisco pursuant to Chapter 83 of the San Francisco Administrative Code ("Chapter 83");]**

**NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Parties covenant and agree as follows:**

**1. DEFINITIONS**

**For purposes of this FSHA Agreement, initially capitalized terms shall be defined as follows:**

- a. "Entry Level Position" shall mean any non-managerial position that requires no education above a high school diploma or certified equivalency, and less than two (2) years training or specific preparation, and shall include temporary, permanent, trainee and intern positions**
- b. "Contract" shall mean: (a) any commercial lease or other commercial occupancy agreement with respect to the Vertical Improvement; and (b) any contract for janitorial, security, landscape, or operations and maintenance services performed at the Horizontal Improvement or Vertical Improvement.**
- c. "DA" means that certain Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission with respect to the Project Site.**

- d. "DDA" means that certain Disposition and Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission with respect to the Project Site.
- e. "Developer" has the meaning set forth in the DDA, including any successor during the term of this FSHA Agreement.
- f. "Horizontal Improvement" has the meaning set forth in the DDA.
- g. "Lessee" includes every commercial tenant, subtenant, or any other entity occupying a Vertical Improvement for the intent of doing business in the City and County of San Francisco and possessing a Business Registration Certificate with the Office of Treasurer required to enter into a First Source Hiring Agreement as defined in Chapter 83, provided, however, that in no event shall the meaning of Lessee include a commercial tenant, subtenant, or any other entity occupying less than 5,000 square feet in floor area within the Vertical Improvement.
- h. "OEWD Resume Database" shall mean the web portal administered by OEWD that connects Lessees, Service Providers and Professional Service Providers with qualified job seekers. The web portal is a free recruiting service to all Lessees, Service Providers and Professional Service Providers and is to be used by the Lessees, Service Providers and Professional Service Providers as part of their FSHA Agreement.
- i. "Professional Service Contract" shall mean any contract for architectural or engineering services performed with respect to a Horizontal Improvement or Vertical Improvement, except for contracts for architectural or engineering services related to the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area within a Vertical Improvement.
- j. "Professional Service Provider" shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to perform architectural or engineering services with respect the Horizontal Improvement or Vertical Improvement, provided, however, that no professional services firm performing work through a contract valued at less than \$500,000 shall have an obligation to enter into this First Source Hiring Agreement.
- k. "Project Site" shall mean the area consisting of an approximately 16-acre parcel located south of Mission Creek/China Basin Channel, bordered by Third Street on the west, Mission Rock Street on the south, and Terry Francois Boulevard on the east, as reconfigured in accordance with AB 2797.
- l. "Service Provider" shall mean any person(s), firm, partnership, corporation, government agency, nonprofit or combination thereof, who owns or operates a commercial business that enters into a Contract to perform janitorial, security,

landscape, or operations and maintenance with respect the Horizontal Improvement or Vertical Improvement.

- m. "Referral" shall mean a qualified job seeker identified by OEWD as having the appropriate training, background and skill sets for a [Lessee/ Service Provider] specified Entry Level Position.
- n. "Vertical Developer" shall mean [*insert name of applicable Vertical Developer*], including any successor during the term of a FSHA Operations Agreement.
- o. "Vertical Improvement" has the meaning set forth in the DDA.

## 2. LESSEE AND SERVICE PROVIDER OEWD WORKFORCE PARTICIPATION

- a. Lessee or Service Provider, as applicable, shall contact OEWD's Business Services team to provide headcount projections for Entry Level Positions and register with the OEWD Resume Database upon execution of its Contract.
- b. Lessee or Service Provider, as applicable, shall notify OEWD's Business Team of every available Entry Level Position by posting job openings for Entry Level Positions on the OEWD Resume Database. Lessee or Service Provider, as applicable, shall provide OEWD a period of time to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. OEWD shall develop a pipeline of potential candidates and shall develop a staffing and implementation plan that is generally designed to allow OEWD to provide Lessee or Service Provider, as applicable, with its list of Referrals within 3 business days after such Lessee or Service Provider has posted a job opening. In the event the OEWD Resume Database is inaccessible, Lessee or Service Provider, as applicable, shall contact OEWD directly regarding their FSHA obligations by emailing Business.Services@sfgov.org, or other email address as may be mutually agreed upon by Professional Service Provider's single point of contact and OEWD, and submitting Attachment A-1.
- c. Lessee or Service Provider, as applicable, shall consider and screen all Referrals that meet the minimum qualifications of a Lessee's or Service Provider's, as applicable, job opening and shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired. Hiring decisions shall be entirely at the discretion of Lessee or Service Provider, as applicable.

**3. LESSEE AND SERVICE PROVIDER GOOD FAITH EFFORT TO COMPLY WITH ITS OBLIGATIONS HEREUNDER**

Lessee or Service Provider, as applicable, will make good faith efforts to comply with its obligations under this FSHA Agreement. Determination of good faith efforts shall be based on all of the following:

- a. Lessee or Service Provider, as applicable, shall execute this FSHA Agreement and Attachment A-1 upon entering into Contracts. Lessee or Service Provider will also accurately complete and submit Attachment A-1 annually to reflect employment conditions.
- b. Lessee or Service Provider, as applicable, shall register with the OEWD Resume Database. Lessee or Service Provider, as applicable, using a resume database not associated with OEWD will not be considered towards the requirements of the FSHA Agreement.
- c. Lessee or Service Provider, as applicable, shall provide OEWD a period of time to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. Lessee or Service Provider, as applicable, must identify a single point of contact responsible for communicating Entry Level Positions and take active steps to ensure continuous communication with OEWD's Business Services Team. Lessee or Service Provider, as applicable, shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired.

**4. PROFESSIONAL SERVICES - ARCHITECTURAL AND ENGINEERING SERVICE PROVIDERS**

- a. This section incorporates additional requirements for Professional Service Providers performing architectural or engineering services. Professional Service Providers obligations relate only to preconstruction work and shall terminate upon the completion of the Professional Service Provider's Professional Service Contract.
- b. Participation.
  - i. Professional Service Provider shall contact OEWD's Business Services team to provide headcount projections for Entry Level Positions and register with the OEWD Resume Database upon execution of its Professional Services Contract.
  - ii. Professional Service Provider shall notify OEWD's Business Team of every available Entry Level Position by posting job openings for Entry Level Positions on the OEWD Resume Database. Professional Service Provider shall provide OEWD a period of time

to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. In the event the OEWD Resume Database is inaccessible, Professional Service Provider shall contact OEWD directly regarding their FSHA obligations and submit Attachment A-1.

iii. Professional Service Provider shall consider and screen all Referrals that meet the minimum qualifications of a Professional Service Provider's, as applicable, job opening and shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired. Hiring decisions shall be entirely at the discretion of Professional Service Provider.

iv. Within 30 days of executing a Professional Services Contract, Professional Service Provider will email OEWD and schedule to meet with staff from the First Source Hiring Program. At the meeting, the Professional Service Provider will provide information on new and available Entry Level Positions, anticipated job opening projections, start dates and rate of pay.

c. Good Faith Compliance.

Compliance with the requirements of subsections i through iv below shall demonstrate Professional Service Provider's good faith compliance with its obligations under this FSHA Agreement.

i. Over the life of the Contract, Professional Service Provider shall make good faith efforts to hire Referrals from the First Source Hiring Program to fulfill new and available Entry Level Positions. Professional Service Provider may decline to hire a Referral if the Contractor considers the Referral in good faith and deems the Referral is not qualified. The final decision to hire a Referral shall be made by the Professional Service Provider.

ii. Professional Service Provider, as applicable, shall execute this FSHA Agreement and Attachment A-1 upon entering into Professional Service Contracts. Professional Service Provider will also accurately complete and submit Attachment A-1 annually to reflect employment conditions.

iii. Professional Service Provider shall register with the OEWD Resume Database. Professional Service Provider using a resume database not associated with OEWD will not be considered towards the requirements of the FSHA Agreement.

iv. Professional Service Provider shall notify OEWD's Business Services Team of all available Entry Level Positions by posting job openings for Entry Level Positions on the OEWD Resume Database. Professional Service Provider shall provide OEWD a period of time to recruit and refer qualified candidates prior to advertising such position to the general public, starting on the date that the Lessee or Service Provider, as applicable, posts the job opening on the OEWD Resume Database, and ending on the earlier of: (i) 10 business days; or (ii) the date upon which such Lessee or Provider has received OEWD's list of Referrals and

- has considered such Referrals for the available Entry Level Position in good faith, subject to Section 5 below. OEWD shall develop a pipeline of potential candidates and shall develop a staffing and implementation plan that is generally designed to allow OEWD to provide Lessee or Service Provider, as applicable, with its list of Referrals within 3 business days after such Lessee or Service Provider has posted a job opening. Professional Service Provider must identify a single point of contact responsible for communicating Entry Level Positions and take active steps to ensure continuous communication with OEWD's Business Services Team. Professional Service Provider shall use the OEWD Resume Database to provide feedback regarding Referrals that were screened, interviewed and hired. In the event the OEWD Resume Database is inaccessible, Professional Service Provider shall contact OEWD directly regarding their FSHA obligations by emailing Business.Services@sfgov.org, or other email address as may be mutually agreed upon by Professional Service Provider's single point of contact and OEWD, and submitting Attachment A-1.
- d. OEWD Requirements. OEWD's Referrals to such Professional Service Provider s shall be economically disadvantaged workers identified by OEWD that either: (a) graduated from OEWD's Entry Level Professional Services Training Program; or (b) have the appropriate training, employment background and skill set for any new and available Entry Level Position specified by the Professional Service Provider.

## 5. COMPLIANCE AND ENFORCEMENT

- a. Compliance with the operational goals of Chapter 83 shall be determined on an individual Contract basis and compliance with the voluntary professional service goals within this FSHA Agreement shall be determined on an individual Professional Service Contract basis.
- b. Lessee's, Service Provider's or Professional Service Provider's failure to meet the criteria set forth in Section 3 or 4 above, as applicable, does not impute "bad faith", but shall trigger a review of the Referral process and compliance with this FSHA Agreement. Failure and noncompliance with this FSHA Agreement may result in penalties as defined in Chapter 83, provided, however, that Lessee, Service Provider or Professional Service Provider shall be provided notice and a reasonable opportunity to cure such noncompliance prior to the assessment of any penalties. Lessee or Service Provider, as applicable, agrees to review SF Chapter 83, and execution of the FSHA Agreement denotes that Lessee or Service Provider agrees to its terms and conditions. OEWD agrees and acknowledges that Professional Service Provider's obligations hereunder are opted into voluntarily and such obligations are not based on the requirements of Chapter 83.
- c. Notwithstanding anything to the contrary herein, nothing in this FSHA Agreement precludes Lessees, Service Providers or Professional Service Providers from immediately advertising and filling an Entry Level Position that performs essential functions of its operation prior to notifying OEWD provided, however, the obligations of this FSHA Agreement to make good faith efforts to fill such vacancies permanently with Referrals remains in effect. For these

purposes, "essential functions" means those functions necessary to remain open for business. If Lessee, Service Provider or Professional Service Provider has an immediate need to fill an Entry Level Position that perform essential functions, Lessee, Service Provider or Professional Service Provider shall provide OEWD notice of such position, and the fact that there is an immediate need to fill such position, on or before the date such position is advertised to the general public.

- d. Nothing in this FSHA Agreement shall be interpreted to prohibit the continuation of existing collective bargaining agreements or existing employment policies, including, but not limited to, advertising job openings to existing employees. In the event of a conflict between this FSHA Agreement and an existing collective bargaining agreement, the terms of the existing agreement shall supersede this FSHA Agreement.

#### 6. FSHA AGREEMENT DURATION

- a. Lessees and Service Providers: This FSHA Agreement shall be in full force and effect up to 10 years from the date of the temporary certificate of occupancy of the Vertical Improvement or the earlier termination of Lessee's Contract with regard to Lessee and 10 years from the date of substantial completion of the Horizontal Improvement or the earlier termination of Service Provider's Contract with regard to Services Provider. Upon termination of this FSHA Agreement, the Project will be subject to Existing City Laws, as defined in the DA, including the applicable requirements of Chapter 83.
- b. Professional Service Providers: This FSHA Agreement shall be in full force and effect up to the completion of a Professional Service Contract or the earlier termination of such Professional Service Contract.

#### 7. NOTICE

All notices to be given under this FSHA Agreement shall be in writing and sent via mail or email as follows:

**8. ENTIRE AGREEMENT**

This FSHA Agreement and the Transaction Documents contain the entire agreement between the parties and shall not be modified in any manner except by an instrument in writing executed by the parties or their respective successors. If any term or provision of this FSHA Agreement shall be held invalid or unenforceable, the remainder of this FSHA Agreement shall not be affected. If this FSHA Agreement is executed in one or more counterparts, each shall be deemed an original and all, taken together, shall constitute one and the same instrument. This FSHA Agreement shall inure to the benefit of and be binding on the parties and their respective successors and assigns. If there is more than one party comprising Lessee, their obligations shall be joint and several.

Section titles and captions contained in this FSHA Agreement are inserted as a matter of convenience and for reference and in no way define, limit, extend or describe the scope of this Agreement or the intent of any of its provisions. This FSHA Operations Agreement shall be governed and construed by laws of the State of California.

## Attachment A-1 Employer Services Form

The First Source Hiring Program is administered by the Office of Economic and Workforce Development (OEWD) and provides recruiting services at no cost to the employer. ## **Attachment B: Local Hiring Agreement**

This Local Hiring Agreement ("Local Hiring Agreement") is made as of , by and between , the San Francisco Office of Economic and Workforce Development, (the "OEWD"), and the undersigned contractor ("Contractor"):

### **RECITALS**

WHEREAS, Contractor has executed or will execute an agreement (the "Contract") to construct or oversee a portion of the Project to construct [**Horizontal Improvements, including [specify improvements]**] OR [**Vertical Improvements, including [specify improvements]**] ("Construction Work") at , Lots in Assessor's Block , San Francisco California ("Site"), and a copy of this Local Hiring Agreement is attached as an exhibit to, and incorporated in, the Contract; and

WHEREAS, as a material part of the consideration given by Contractor under the Contract, Contractor has agreed to execute this Local Hiring Agreement and comply with the local hiring requirements established by the City and County of San Francisco, pursuant to Chapter 82 of the San Francisco Administrative Code ("Chapter 82"), as further modified herein;

WHEREAS, the provisions of the San Francisco Local Hiring Policy for Construction (the "Policy") as set forth in Chapter 82, as modified herein, are hereby incorporated as a material term of the Contract. Where used in this Attachment B, "Policy" shall include the modifications herein.

WHEREAS, Contractor agrees that (i) Contractor shall comply with all applicable requirements of the Policy; (ii) the provisions of this Local Hiring Agreement are reasonable and achievable by Contractor and its Subcontractors; and (iii) they have had a full and fair opportunity to review and understand the terms of the Policy.

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties covenant and agree as follows:

#### **1.1 SUMMARY**

- A. This Local Hiring Agreement incorporates applicable requirements consistent with the Policy as set forth in Chapter 82. The provisions of the Policy are hereby incorporated as a material term of the DDA. Contractor agrees that (i) Contractor shall comply with all applicable requirements of the Policy; (ii) the provisions of the Policy are reasonable and achievable by Contractor and its Subcontractors; and (iii) they have had a full and fair opportunity to review and understand the terms of the Policy.
- B. OEWD is responsible for administering the Policy and will be administering the applicable requirements for the Contract. For more information on the Policy and its implementation, please visit the OEWD website at:  
[www.workforcedevelopmentsf.org](http://www.workforcedevelopmentsf.org).

- C. Capitalized terms not defined herein shall have the meanings ascribed to them in the DDA.

## 1.2 DEFINITIONS

- A. "Apprentice" means any worker who is indentured in a construction apprenticeship program that maintains current registration with the State of California's Division of Apprenticeship Standards.
- B. "Area Median Income (AMI)" means unadjusted median income levels derived from the Department of Housing and Urban Development ("HUD") on an annual basis for the San Francisco area, adjusted solely for household size, but not high housing cost area.
- C. "Construction Work" means: (i) in the case of Horizontal Improvements, the construction of all Horizontal Improvements required or permitted to be made to the Project Site during a Phase and to be carried out by Developer under the DDA; or (ii) in the case of Vertical Improvements, the construction of a Vertical Improvement to be carried out by a Vertical Developer on a Development Parcel pursuant to an applicable Vertical DDA and Parcel Lease and all tenant improvements therein, except for the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area.
- D. "Construction Work Hours" means the total onsite work hours worked on a construction contract for a Construction Work by all apprentices and journey-level workers, whether those workers are employed by the Contractor or any Subcontractor.
- E. "Contractor" means a prime contractor, general contractor, or construction manager contracted by Developer or a Vertical Developer who performs Construction Work on the Project.
- F. "DDA" means that certain Disposition and Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission.
- G. "Disadvantaged Worker" means a local resident, who (i) resides in a census tract within the City with a rate of unemployment in excess of 150% of the City unemployment rate; or (ii) at the time of commencing work on a covered project has a household income of less than 80% of the AMI, or (iii) faces or has overcome at least one of the following barriers to employment: being homeless; being a custodial single parent; receiving public assistance; lacking a GED or high school diploma; participating in a vocational English as a second language program; or having a criminal record or other involvement with the criminal justice system.
- H. "Developer" has the meaning set forth in the DDA, including any successor during the term of this Local Hiring Agreement.

- I. "Development Parcel" has the meaning set forth in the DDA.
- J. "Excess Credit Hours" shall mean the number of Construction Work Hours performed within a trade by Local Residents or Apprentices, as applicable, on a Construction Work that exceed the obligations set forth in Section 1.3.
- K. "Horizontal Improvement" has the meaning set forth in the DDA.
- L. "Job Notification" means the written notice of any Hiring Opportunities from Contractor to CityBuild. Contractor shall provide Job Notifications to CityBuild with a minimum of 3 business days' notice.
- M. "Local Resident" means an individual who is domiciled, as defined by Section 349(b) of the California Election Code, within the City at least seven (7) days prior to commencing work on a portion of the Project.
- N. "Non-Covered Construction Work" means any construction work not covered by the San Francisco Local Hiring Policy and the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area.
- O. "Parcel Lease" has the meaning set forth in the DDA.
- P. "Phase" has the meaning set forth in the DDA.
- Q. "Project Site" has the meaning set forth in the DDA.
- R. "Specialized Trades" means a list of trades designated as "Specialized Trades" published by OEWD for which the local hiring requirements of the Policy will not apply.
- S. "Targeted Worker" means any Local Resident or Disadvantaged Worker.
- T. "Vertical DDA" has the meaning set forth in the DDA.
- U. "Vertical Developer" has the meaning set forth in the DDA.
- V. "Vertical Improvement" has the meaning set forth in the DDA.

### 1.3 LOCAL HIRING PARTICIPATION

- A. The Contractor will work with OEWD's CityBuild Program to achieve the following employment participation levels for all Construction Work:
  - 1. Total Construction Work Hours By Trade. For all contracts for Construction Work, the mandatory participation level in terms of Construction Work Hours within each trade to be performed by Local Residents is 30%, with a goal, which is not mandatory under this

- agreement, of no less than 15% of Construction Work Hours within each trade to be performed by Disadvantaged Workers.
2. Apprentices. For all Construction Work, at least 30% of the Construction Work Hours performed by apprentices within each trade is required to be performed by local residents. OEWD has a goal of 50%, which is not mandatory under this agreement, and OEWD will work with contractors to look for feasible opportunities by trade to achieve the 50% goal. Where the candidate pool at a given time includes both apprentices referred by CityBuild and other apprentices, Contractors, shall undertake reasonable efforts to interview the apprentices referred by CityBuild first. This Local Hiring Agreement also establishes a goal, which is not mandatory under this agreement, of no less than 15% of Construction Work Hours performed by apprentices within each trade to be performed by Disadvantaged Workers.
  3. Out-of-State Workers. For all Construction Works, Construction Work Hours performed by residents of states other than California will not be considered in calculation of the number of Construction Work Hours to which the local hiring requirements apply. Contractors and Subcontractors shall report to OEWD the number of Construction Work Hours performed by residents of states other than California.
- B. Pre-construction or other Local Hire Meeting. Prior to commencement of construction on Construction Works, Contractor and its Subcontractors whom have been engaged by contract and, identified in the forms required under Section 1.6 below as contributing toward the mandatory local hiring requirement, shall attend a preconstruction or other Local Hire meeting convened by OEWD staff. Representatives from Contractor and the Subcontractor(s) who attend such pre-construction or other Local Hire meeting will have hiring authority. OEWD shall approve applicable Construction Work-specific Specialized Trade exemptions, in addition to the list of trades designated by OEWD as Specialized Trades in accordance with the Section 82.5 of the Policy, during such meeting. Contractor and its Subcontractors who are engaged after the commencement of construction shall attend a future preconstruction meeting or meetings as mutually agreed by Contractor and OEWD staff.
- C. The Policy does not limit Contractor's or its Subcontractors' ability to assess qualifications of prospective workers, and to make final hiring and retention decisions. In no event shall hiring preferences required hereunder prevent Contractor's or its Subcontractors' ability to comply with applicable labor agreements or union dispatch procedures. No provision of the Policy shall be interpreted so as to require a Contractor or Subcontractor to employ a worker not qualified for the position in question, or to employ any particular worker.
- D. Tenant Improvements. All future tenant improvements performed within a Construction Work subsequent to any initial tenant improvements within such

Construction Work ("Subsequent Tenant Improvements") shall not be subject to the mandatory participation levels set forth in subsection A above. With respect to Subsequent Tenant Improvements, Contractor or Subcontractor, as applicable, are required only to make good faith efforts to hire Local Residents and Disadvantaged Workers to perform construction work for Subsequent Tenant Improvements. Good faith efforts shall include Contractor's or Subcontractor's, as applicable, attendance at a pre-construction or other Local Hire meeting, requesting to connect with potential workers through Citybuild, considering Targeted Workers provided by CityBuild and submitting Local Hiring Forms 1 and 2.

**1.4 COMPLIANCE WITH PARTICIPATION OBLIGATIONS CITYBUILD  
WORKFORCE DEVELOPMENT PROGRAM: EMPLOYMENT NETWORKING  
SERVICES**

- A. OEWD administers the CityBuild Program. CityBuild shall be the primary resource for Contractor and Subcontractors to use to meet Contractor's local hiring requirements under the Policy. CityBuild has two main goals:
  - 1. Assist with local hiring requirements under the Policy by connecting Contractor and Subcontractors with qualified journey-level, apprentice, and pre-apprentice local residents.
  - 2. Promote training and employment opportunities for disadvantaged workers of all ethnic backgrounds and genders in the construction work force.
- B. Where Contractor's or its Subcontractors' preferred or preexisting hiring or staffing procedures or labor agreements for a Construction Work do not enable Contractor to satisfy the local hiring requirements of the Policy, the Contractor or Subcontractor shall use other procedures to identify and retain Targeted Workers, including the following:
  - 1. Requesting to connect with workers through CityBuild, with qualifications described in the request limited to skills directly related to performance of job duties.
  - 2. Considering Targeted Workers networked through CityBuild within three business days of the request and who meet the qualifications described in the request. Such consideration may include in-person interviews. All workers networked through CityBuild will qualify as Disadvantaged Workers under the Policy. Neither Contractor nor its Subcontractors are required to make an independent determination of whether any worker is "disadvantaged" as defined in the Policy.
- C. **Basis of Compliance:**

1. With regard to Horizontal Improvements, OEWD shall determine compliance with this Agreement for each trade on a Phase by Phase basis. OEWD shall measure compliance by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, within a trade by the total number of Construction Work Hours performed within the same trade on the Horizontal Improvements within a Phase. In lieu of a Phase by Phase basis, Developer may determine that it can best achieve compliance with this Local Hire Agreement on a Project-wide basis, and may elect to comply on a Project-wide basis by delivering notice to OEWD and the Port of such election during the submission of the penultimate Phase Submittal. After such election, compliance shall be established upon the completion of the Project. In each case, once compliance is established, any Excess Credit Hours shall be confirmed by OEWD and shall be available for Developer, provided developer remains a Giants Affiliate, as defined in the DDA, to use to offset shortfalls in the same trade elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Horizontal Improvements that complied with the procedures set forth in Sections 1.3B, 1.4B and 1.6 and at completion are still short of attaining the participation levels set forth in Section 1.3A.
2. With regard to Vertical Improvements, OEWD shall determine compliance with this Agreement for each trade on an individual Vertical Improvement basis. OEWD shall measure compliance by dividing the number of Construction Work Hours performed by Local Residents or Apprentices, as applicable, within a trade by the total number of Construction Work Hours performed within the same on the Vertical Improvement. In lieu of an individual Vertical Improvement basis, Developer may determine that it can best achieve compliance with this Local Hire Agreement on a Phase by Phase basis, and may elect to comply on a Phase by Phase basis by delivering notice to OEWD and the Port of such election during the submission of a Phase Submittal. After such election, compliance shall be established upon the completion of the Phase, as applicable. In each case, once compliance is established, any Excess Credit Hours shall be confirmed by OEWD and shall be available to the Vertical Developer of the Vertical Improvement that generated such Excess Credit Hours, to transfer to another Vertical Developer, provided that such Vertical Developer is a Giants Affiliate, as defined in the DDA, to offset shortfalls in the same trade on a Vertical Improvements elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Vertical Improvements that complied with the procedures set forth in Sections 1.3B, 1.4B and 1.6 and at completion are still short of attaining the participation levels set forth in Section 1.3A.

#### 1.5 WAIVER FROM LOCAL HIRING REQUIREMENTS

- A. Contractor or the Subcontractor may request waivers as follows: (1) Requests for waivers based on Specialized Trades or other non-availability of workers (subsection 1); and (2) other requests for waivers, which may be considered as conditional waivers by OEWD in its discretion, or based on credit for Non-Covered Construction Work or other construction work specified in subsection 3, and/or participation in the programs described in subsections 4 and 5 below or alternative programs identified by OEWD (subsection 2).

1. Specialized Trades and Other Non-Availability Waivers. Specialized Trades are exempt from local hiring requirements and established in accordance with Section 1.3(B). OEWD shall grant waivers based on a Specialized Trades exemption, provided that (a) the Specialized Trade appears on OEWD's approved list or has been approved as a Construction Work-specific Specialized Trade exemption, and (b) notwithstanding the exemption, Contractor and its Subcontractors have reported to OEWD for its records any Construction Work Hours utilized in each designated Specialized Trade and in each OEWD-approved Construction Work-specific Specialized Trade. As of the date of this Agreement, Specialized Trades include any marine diving, underwater, or marine-related pile-driving work, helicopter pilot, crane operators and oilers, boat, barge, dredge, and/or floating equipment operators, deck engineers, oilers, tunnel/underground work performed by operating engineers and laborers, lineman/cable splicer, stainless steel welders, ironworker connectors and millwrights.

In addition to Specialized Trades, Contractor or Subcontractor may from time to time seek a waiver based on non-availability of workers in one or more other trades ("Non-availability Waiver"). OEWD may apply any Excess Credit Hours (on a 1:1 basis of Excess Credit Hours to shortfall hours) to address any shortfalls identified with respect to a completed Construction Work that would otherwise be entitled to request a Non-availability Waiver under this subsection. At OEWD's discretion, Excess Credit Hours may be allocated anywhere within the Project Site, and to either the same or a different trade. Once Excess Credit Hours are allocated by OEWD such Excess Credit Hours shall no longer be available to Developer elsewhere on the Project Site. OEWD shall grant a Non-Availability Waiver pursuant to this subsection regardless of whether Excess Credit Hours are available to address any shortfall in a trade's Construction Work Hours with respect to a Construction Work, provided that Contractor or Subcontractor has submitted evidence of compliance with the procedures set forth in Sections 1.3B, 1.4B and 1.6.

2. Other Non-Compliance and Corrective Action Plan. In the event Contractor or Subcontractor fails to meet the requirements of Section 1.3 on a basis other than as set forth in subsection 1, OEWD may, in its discretion, negotiate a Corrective Action Plan with the Contractor or Subcontractor. The Corrective Action Plan may include a conditional

waiver that allows the Contractor or Subcontractor to avoid financial penalties. In determining whether to approve the waiver, OEWD may establish alternative means to achieve the participation levels set forth in Section 1.3, including, but not limited to, credit accumulated pursuant to subsection 3 or participation in the programs specified in subsections 4 and 5.

3. Credit for Hiring on Non-Covered Construction Work. Contractor and its Subcontractors may accumulate credit hours for hiring Targeted Workers on Non-Covered Construction Work or on other construction work for which for which the Contractor has exceeded project goals in the nine-county San Francisco Bay Area and apply those credit hours to contracts for Construction Work to meet the mandatory local hiring requirement. For hours performed by Targeted Workers on Non-Covered Construction Work, the hours shall be credited toward the local hiring requirement for the Contract provided that:
  - a. the Targeted Workers are paid the prevailing wages or union scale for work on the Non-Covered Construction Work; and
  - b. such credit hours shall be committed to by the Contractor on future projects to satisfy any short fall the Contractor may have on a Construction Work. Such commitment shall be in writing by the Contractor, shall extend for a period of time negotiated between the contractor and OEWD, and shall commit to satisfying any assessed penalties should Contractor fail to achieve the required credit hours.
4. Sponsoring Apprentices. Contractor or a Subcontractor may agree to sponsor new apprentices in trades in which noncompliance is likely and retain those apprentices for the period of Contractor's or a Subcontractor's work on the Construction Work, provided that OEWD verifies with the California Department of Industrial Relations that the new apprentices are registered and active apprentices. Contractor will be required to write a sponsorship letter on behalf of the identified candidate to the appropriate Local Union and will make the necessary arrangements with the Union to hire the candidate as soon as s/he is indentured.
5. Direct Entry Agreements. OEWD is authorized to negotiate and enter into direct entry agreements with apprenticeship programs that are registered with the California Department of Industrial Relations' Division of Apprenticeship Standards. Contractor may avoid assessment of penalties for non-compliance with the Policy by Contractor or Subcontractor hiring and retaining apprentices who are enrolled through such direct entry agreements. Contractor may also utilize OEWD-approved organizations with direct entry agreements with Local Unions, such as Helmets to

Hardhats, to hire and retain Targeted Workers. Such exception from assessments of penalties is subject to review and approval by OEWD.

## 1.6 LOCAL HIRING FORMS

- A. The Contractor shall provide CityBuild with information about the Contractor's employment needs under the Contract for each Construction Work by utilizing the City's online Project Reporting System ("PRS"). Contractor shall submit the following forms, as applicable, to OEWD:
1. Form 1: Local Hiring Workforce Projection. This Form 1 shall be initially submitted prior to the start of construction and updated quarterly by the Contractor until all subcontracting is completed.
  2. Form 2: Local Hiring Plan. For Construction Works estimated to cost more than \$1,000,000, Contractor shall prepare and submit to Contracting City Agency and OEWD for approval a Local Hiring Plan for the Construction Work using OEWD Form 2. Form 2 shall be initially submitted prior to the start of construction and updated quarterly by the Contractor until all subcontracting is completed. Upon commencement of work, Contractor and its Subcontractors may submit Job Notifications to CityBuild to connect with local trades workers.
  3. Form 3: Intentionally Omitted.
  4. Form 4: Waivers. To be completed by Contractor in the event that Contractor or a Subcontractor believes the local hiring requirements cannot be met. Refer to Articles 1.4 and 1.5 for more information regarding such waivers.

## 1.7 ENFORCEMENT, RECORD KEEPING, NONCOMPLIANCE AND PENALTIES

- A. Subcontractor Compliance. Each Contractor and Subcontractor shall ensure that all Subcontractors agree to comply with applicable requirements of this Local Hiring Agreement. All Subcontractors performing construction work on the Construction Work shall be responsible for complying with the recordkeeping and reporting requirements set forth in this Local Hiring Agreement.
- B. Recordkeeping. Contractor and each Subcontractor shall keep, or cause to be kept, for a period of four years from the date of Substantial Completion of the Construction Work, certified payroll and basic records, including time cards, tax forms, and superintendent and foreman daily logs, for all workers within each trade performing work on the Construction Work.
1. Such records shall include the name, address and social security number of each worker who worked on the Construction Work, his or her

classification, a general description of the work each worker performed each day, the apprentice or journey-level status of each worker, daily and weekly number of hours worked, the self-identified race, gender, and ethnicity of each worker, whether or not the worker was a local resident, and the referral source or method through which the contractor or subcontractor hired or retained that worker for work on the Construction Work (e.g., core workforce, name call, union hiring hall, CityBuild referral source, or recruitment or hiring method).

2. Contractor and Subcontractors may verify that a worker is a Local Resident by following OEWD's domicile policy.
  3. All records described in this subsection shall at all times be open to inspection and examination by the duly authorized officers and agents of the City, including representatives of the OEWD.
- C. **Reporting.** Contractor shall submit certified payrolls to the City electronically using the Project Reporting System. OEWD will monitor compliance with the Policy electronically.
- D. **Monitoring.** From time to time and in its sole discretion, OEWD may monitor and investigate compliance of Contractor and Subcontractors working on a Construction Work with requirements of this Local Hiring Agreement and the Policy. Contractor shall allow representatives of OEWD, in the performance of its duties, to engage in random inspections of a Construction Work. Contractor and all Subcontractors shall also allow representatives of OEWD to have access to employees of Contractor and Subcontractors and the records required to be maintained under this Local Hiring Agreement.
- E. **Noncompliance and Penalties.** Failure of Contractor and/or its Subcontractors to comply with the requirements of this Local Hiring Agreement and the obligations set forth in the Local Hiring Plan may subject Contractor to the consequences of noncompliance, including but not limited to the assessment of penalties if a waiver is not granted. The assessment of penalties for noncompliance shall not preclude the City from exercising any other rights or remedies to which it is entitled.
- a. **Penalties Amount.** Any Contractor or Subcontractor who fails to satisfy Local Hiring Requirements of this agreement applicable to Construction Work Hours performed by Local Residents and who does not receive a waiver shall forfeit to the City, and, in the case of any Subcontractor so failing, the Contractor and Subcontractor shall jointly and severally forfeit to the City, an amount equal to the journeyman or Apprentice prevailing wage rate, as applicable, with such wage as established by the Board of Supervisors or the California Department of Industrial Relations under subsection 6.22(e)(3) of the Administrative Code, for the primary trade

used by the Contractor or Subcontractor on the Construction Work for each hour by which the Contractor or Subcontractor fell short of the Local Hiring Requirement. The assessment of penalties under this subsection shall not preclude the City from exercising any other rights or remedies to which it is entitled under this agreement.

- b. **Assessment of Penalties.** OEWD shall determine whether a Contractor and/or any Subcontractor has failed to comply with the Local Hire Requirement. If after conducting an investigation, OEWD determines that a violation has occurred, OEWD shall provide Contractor or Subcontractor, as applicable, notice of such failure and provide such entity a reasonable opportunity to cure its failure. If such entity does not cure such failure, OEWD shall issue and serve an assessment of penalties to the Contractor and/or any Subcontractor that sets forth the basis of the assessment and orders payment of penalties in the amounts equal to the journeyman or apprentice prevailing wage rates, as applicable, for the primary trade used by the Contractor or Subcontractor on the Construction Work for each hour by which the Contractor or Subcontractor fell short of the Local Hiring Requirement. Assessment of penalties under this subsection shall be made only upon an investigation by OEWD and upon written notice to the Contractor or Subcontractor identifying the grounds for the penalty and providing the Contractor or Subcontractor with the opportunity to respond pursuant to the recourse procedures prescribed in this agreement.
- c. **Recourse Procedure.** If the Contractor or Subcontractor disagrees with the assessment of penalties, then the following procedure applies:
  - i. The Contractor or Subcontractor may request a hearing in writing within 15 days of the date of the final notification of assessment. The request shall be directed to the City Controller. Failure by the Contractor or Subcontractor to submit a timely, written request for a hearing shall constitute concession to the assessment and the forfeiture shall be deemed final upon expiration of the 15-day period. The Contractor or Subcontractor must exhaust this administrative remedy prior to commencing further legal action.
  - ii. Within 15 days of receiving a proper request, the Controller shall appoint a hearing officer with knowledge and not less than five years' experience in labor law, and shall so advise the enforcing official and the Contractor or Subcontractor, and/or their respective counsel or authorized representative.
  - iii. The hearing officer shall promptly set a date for a hearing. The hearing must commence within 45 days of the notification of the appointment of the hearing officer and conclude within 75 days of such notification unless all parties agree to an extended period.

- iv. Within 30 days of the conclusion of the hearing, the hearing officer shall issue a written decision affirming, modifying, or dismissing the assessment. The decision of the hearing officer shall consist of findings and a determination. The hearing officer's findings and determination shall be final.
- v. The Contractor or Subcontractor may appeal a final determination under this by filing in the San Francisco Superior Court a petition for a writ of mandate under California Code of Civil Procedure Section 1084 *et seq.*, as applicable and as may be amended from time to time.

#### 1.8 COLLECTIVE BARGAINING AGREEMENT

Nothing in this Local Hiring Agreement shall be interpreted to prohibit the continuation of existing workforce training agreements or to interfere with consent decrees, collective bargaining agreements, project labor agreements or existing employment contracts (Collective Bargaining Agreements"). In the event of a conflict between this Local Hiring Agreement and a Collective Bargaining Agreement, the terms of the Collective Bargaining Agreement shall supersede this Local Hiring Agreement.

#### 1.9 DURATION OF THIS AGREEMENT

This Local Hiring Agreement shall be in full force and effect throughout the term of the Contract. Upon expiration of the Contract, or its earlier termination, this Local Hiring Agreement shall terminate and it shall be of no further force and effect on the parties hereto.

#### 1.10 NOTICE

All notices to be given under this Local Hiring Agreement shall be in writing and sent by: certified mail, return receipt requested, in which case notice shall be deemed delivered three (3) business days after deposit, postage prepaid in the United States Mail, a nationally recognized overnight courier, in which case notice shall be deemed delivered one (1) business day after deposit with that courier, or hand delivery, in which case notice shall be deemed delivered on the date received, all as follows:

Any party may change its address for notice purposes by giving the other parties notice of its new address as provided herein. A "business day" is any day other than a Saturday, Sunday or a day in which banks in San Francisco, California are authorized to close.

Notwithstanding the forgoing, any Job Notification or any other reports required of Contractor under this Agreement (collectively, "Contractor Reports") shall be delivered to the address of OEWD pursuant to this Section via first class mail, postage paid, and such Contractor Reports shall be deemed delivered two (2) business days after deposit in the mail in accordance with this Subsection.

#### **1.11 ENTIRE AGREEMENT**

This Local Hiring Agreement and the Transaction Documents contain the entire agreement between the parties to this Local Hiring Agreement and shall not be modified in any manner except by an instrument in writing executed by the parties or their respective successors in interest. This Local Hiring Agreement shall inure to the benefit of and be binding on the parties and their respective successors and assigns. If there is more than one party comprising Contractor, their obligations shall be joint and several.

#### **1.12 SEVERABILITY**

If any term or provision of this Local Hiring Agreement shall, to any extent, be held invalid or unenforceable, the remainder of this Local Hiring Agreement shall not be affected.

#### **1.13 COUNTERPARTS**

This Local Hiring Agreement may be executed in one or more counterparts. Each shall be deemed an original and all, taken together, shall constitute one and the same instrument.

#### **1.14 HEADINGS**

Section titles and captions contained in this Local Hiring Agreement are inserted as a matter of convenience and for reference and in no way define, limit, extend or describe the scope of this Local Hiring Agreement or the intent of any of its provisions

**1.15 GOVERNING LAW**

This Local Hiring Agreement shall be governed and construed by the laws of the State of California, and interpreted consistent with the requirements of Chapter 82.

**FORM 1: LOCAL HIRING WORKFORCE PROJECTION**

**Contractor:** \_\_\_\_\_ **Project Name:** \_\_\_\_\_

The Contractor must complete and submit this *Local Hiring Workforce Projection* (Form 1) prior to the start of construction and quarterly until all subcontracting is complete. The Contractor must include information regarding all of its Subcontractors who will perform construction work on the project regardless of Tier and Value Amount.

**Will you be able to meet the mandatory Local Hiring Requirements?**

- ☐ **YES** (Please provide information for all contractors performing construction work in Table 1 below.)
- ☐ **NO** (Please complete Table 1 below and Form 4: Conditional Waivers.)

**INSTRUCTIONS FOR COMPLETING TABLE 1:**

1. Please organize the contractors' information based on their Trade Craft work.
2. For contractors performing work in various Trade Craft, please list contractor name in each Trade Craft (i.e. if Contractor X will perform two trades, list Contractor X under two Trade categories.)
3. If you anticipate utilizing apprentices on this project, please note the requirement that 30% of apprentice hours must be performed by San Francisco residents.
4. Additional blank form is available at our Website: [www.workforcedevelopsf.org](http://www.workforcedevelopsf.org). For assistance or questions in completing this form, contact (415) 701-4894 or Email @ [Local.hire.ordinance@sfgov.org](mailto:Local.hire.ordinance@sfgov.org).

**FORM 2: LOCAL HIRING PLAN**

**Contractor:** \_\_\_\_\_ **Project Name:** \_\_\_\_\_

If the Estimate for this Project exceeds \$1 million, then Contractor must submit a Local Hiring Plan using this Form 2 through the City's Project Reporting System. Form 2 shall be initially submitted prior to the start of construction and include all known subcontractors. Contractor shall update this Form 2 quarterly as subcontractors are identified and shall continue with updates until all subcontracting is complete. The OEWD-approved Local Hiring Plan will be a Contract Document and will be the basis for determining Contractor's and its Subcontractors' compliance with the local hiring requirements. Any OEWD-approved Conditional Waivers (Form 4) will be incorporated into the OEWD-approved Local Hiring Plan.

**COMPLETE AND SUBMIT A SEPARATE FORM 2 FOR EACH TRADE THAT WILL BE UTILIZED ON THIS PROJECT.**

**INSTRUCTIONS:**

1. Please complete tables below for Contractor and all Subcontractors that will be contributing Construction Work Hours to meet the Local Hiring Requirement.
2. Please note that a Form 2 will need to be developed and approved separately for each trade craft that will be utilized on this project.
3. If you anticipate utilizing apprentices on this project, please note the requirement that 30% of apprentice hours must be performed by San Francisco residents.
4. The Contractor and each Subcontractor identified in the Local Hiring Plan must sign this form before it will be considered for approval by OEWD.
5. If applicable, please attach all OEWD-approved Form 4 Conditional Waivers.
6. Additional blank form is available at our Website: [www.workforcedevelopsf.org](http://www.workforcedevelopsf.org). For assistance or questions in completing this form, contact (415) 701-4894 or Email @ [Local.hire.ordinance@sfgov.org](mailto:Local.hire.ordinance@sfgov.org).

*List Trade Craft. Add numerical values from Form 1: Local Hiring Workforce Projection and input in the table below.*

| Trade Craft             | Total Work Hours | Total Local Work Hours | Local Work Hours% | Total Apprentice Work Hours | Total Local Apprentice Work Hours | Local Apprentice Work Hours % |
|-------------------------|------------------|------------------------|-------------------|-----------------------------|-----------------------------------|-------------------------------|
| <i>Example: Laborer</i> | 1500             | 450                    | 30%               | 200                         | 100                               | 50%                           |

*List all contractors contributing to the Construction Work Hours to meet the Local Hiring Requirements for the above Trade Craft*

| Contractor and Authorized Representative | Local Journey Hours | Local Apprentice Hours | Total Local Work Hours | Start Date | Number of Working Days | *Contractor Signature |
|--|---------------------|------------------------|------------------------|------------|------------------------|-----------------------|
| Contractor X<br>Joe Smith                | 250                 | 100                    | 350                    | 3/25/13    | 60                     | Joe Smith             |
| Contractor Y<br>Michael Lee              | 100                 | 0                      | 100                    | 5/25/13    | 30                     | Michael Lee           |
|  |                     |                        |                        |            |                        |                       |

## **DDA Exhibit B6 - B**

### **Local Business Enterprise (LBE) Utilization Program.**

The development plan for Mission Rock under the Transaction Documents provides for the development of a new mixed-use neighborhood composed of commercial/office, retail, garage, market rate and affordable residential uses and major new and expanded parks. This Workforce Development Plan sets forth the activities Developer and Vertical Developer shall undertake, and require their Contractors, Consultants, Subcontractors, Subconsultants, and Commercial Tenants, as applicable, to undertake, to support local business enterprises in both the construction and operations phases of the Project, as set forth in this Exhibit B6-B.<sup>1</sup>

The Port and Developer shall enter into the DDA which will provide for the development of the Project in a series of Phases. In connection with the DDA, the Port and the Developer will enter into a Master Lease providing Developer the right to construct Horizontal Improvements within the Project. Developer will enter into contracts with Contractors and Consultants to construct all Horizontal Improvements allowed under the Master Lease.

Developer will submit Phase Submittals to the Port pursuant to the Transaction Documents. Following each Phase Approval, the Port will authorize the Chief Harbor Engineer to issue Port permits necessary for Developer to begin to construct Horizontal Improvements in accordance with the DDA and the Master Lease. Upon exercise of an Option in accordance with the DDA, the Port will convey each Development Parcel through Parcel Leases to a Vertical Developer. A Vertical Developer will enter into contracts with Contractors and Consultants to construct the Vertical Improvements, including residential and commercial improvements, in accordance with the Parcel Lease and Vertical DDA. Upon completion of the Vertical Improvements, the applicable Parcel Lease, between the Port and the Vertical Developer, shall govern the operation and use of the Vertical Improvements.

The foregoing summary is provided for convenience and for informational purposes only. In case of any conflict, the provisions of the DDA and each Vertical DDA shall control.

---

<sup>1</sup> Any capitalized term used in this Exhibit B6-B, including its Attachments, that is not defined herein, or in such Attachments, or in the referenced Administrative Code Sections, shall have the meaning given to such term in the DDA.

### **LBE Utilization Plan.**

Developer, with respect to Horizontal Improvements, shall, and the Vertical Developer, with respect to each Vertical Improvement, shall comply and require their respective Contractors and Consultants to comply with the Local Business Enterprise Utilization Plan (the "LBE Utilization Plan") set forth in Attachment A hereto. The Port shall cause (i) Developer, pursuant to the DDA and Master Lease, to comply with the Plan by including such requirements as a material term in the DDA and Master Lease applicable to all phases of Horizontal Improvements and (ii) each Vertical Developer to comply with the Plan by including such requirements as a material term in the VDDA and Parcel Lease applicable to each Vertical Improvement. The Port and Developer will seek to, whenever practicable, engage contracting teams to reflect the diversity of the City and include participation of both businesses and residents from the City's most disadvantaged communities including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods.

Compliance with the construction requirements of the LBE Utilization Plan for Horizontal Improvements shall be determined on a Phase by Phase basis. Compliance will be measured by dividing the cost of all Contracts for a Phase of Horizontal Improvement awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Phase of Horizontal Improvement. If Developer exceeds the goals set forth in the LBE Utilization Plan with respect to an individual Horizontal Improvement, Developer may, at its option, allocate such excess, subject to terms outlined below, towards the compliance of another Horizontal Improvement within the Project Site, subject to the requirements of Attachment A. Notwithstanding ~~anything to the contrary, Developer may, at its election, require that compliance be~~ determined on a Project-wide basis by giving notice to CMD and the Port of such election during the submission of the penultimate Phase Submittal.

Compliance with the construction requirements of the LBE Utilization Plan for Vertical Improvements shall be determined on an individual Vertical Improvement basis. Compliance will be measured by dividing the cost of all Contracts for a Vertical Improvement awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Vertical Improvement. If a Vertical Improvement exceeds goals set forth in the LBE Utilization Plan, the Vertical Developer of such Construction Work may, at its option, allocate such excess towards the compliance of another Vertical Improvement within the Project Site or transfer such excess to another Vertical Developer within the Project Site, subject to the requirements of Attachment A. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Phase-wide basis by giving notice to CMD and the Port of such election, pursuant to Attachment A, during the submission of a Phase Submittal.

The Developer, Vertical Developer(s) and CMD seek to reduce barriers to LBE participation, cost, and time. As such, the Developer and Vertical Developer(s) shall work in

good faith with CMD to design and implement for each Horizontal and Vertical Improvement insurance programs which provides to LBE participating subcontractors access to the required coverage through either the owner, Owner-Controlled Insurance Policy (OCIP), general contractor, Contractor-Controlled Insurance Policy (CCIP), or such other insurance program as may become reasonably commercially available.

CMD shall notify Contractors, Consultants, Subcontractors and Subconsultants, as applicable, in writing, with a copy to the Port and Developer or Vertical Developer, as applicable, of any alleged breach on the part of that entity of its obligations under San Francisco Administrative Code Chapter 14B ("Chapter 14B") or its LBE Utilization Plan, as applicable, and provide such entity an opportunity to cure its failure before seeking an assessment of liquidated damages. CMD's sole remedies against a Contractor, Consultant, Subcontractor and Subconsultant shall be as set forth in the applicable LBE Utilization Plan, including the enforcement process. Upon CMD's request, Port, Developer or Vertical Developer, as applicable, shall reasonably cooperate with CMD in any such enforcement action against any Contractors, Consultants, Subcontractors and Subconsultants, provided that in no event shall Port, Developer or Vertical Developer, as applicable, be liable for any breach by a Contractor, Consultant, Subcontractor or Subconsultant.

If the Port, Developer or Vertical Developer, as applicable, fulfills its obligations as set forth in this Exhibit B2, it shall not be held responsible for the failure of a Contractor, Consultant, Subcontractor and Subconsultant or any other person or party to comply with the requirements of San Francisco Administrative Code Chapter 14B ("Chapter 14B") or this Exhibit B2. If Developer or Vertical Developer, as applicable, fails to fulfill its obligations under this Exhibit B6-B, the applicable provisions of Chapter 82 shall apply, though the Port and Developer, as applicable, shall have the right to invoke the process set forth in Article 10 of the DDA.

This Exhibit B6-B complies with the requirements of Chapter 14B, including Sections 14B.20.

Attachment A

**Local Business Enterprise Utilization Plan**

1. Purpose and Scope. This Local Business Enterprise Utilization Plan (this "LBE Utilization Plan") governs the Local Business Enterprise obligations of the Workforce Improvement or the Construction Work pursuant to San Francisco Administrative Code Section 14B.20 and satisfies the obligations of Developer, Vertical Developer and their Contractors and Consultants for a LBE Utilization Plan as set forth herein. In the event of any conflict between San Francisco Administrative Code Chapter 14B ("Chapter 14B") and this attachment, this LBE Utilization Plan shall govern.
2. Roles of Parties. In connection with the design and construction phases of each Construction Work (as defined below) and the operations of each Workforce Improvement, the Project will provide community benefits designed to foster employment opportunities for disadvantaged individuals by offering contracting and consulting opportunities to local business enterprises ("LBEs"). Developer and Vertical shall participate in a local business enterprise program, and the City's Contract Monitoring Division ("CMD") will serve the roles as set forth below.
3. Definitions. For purposes of this Attachment, the definitions shall be as follows:
  - a. "CMD" shall mean the Contract Monitoring Division of the City Administrator's Office.
  - b. "Commercially Useful Function" shall mean that the business is directly responsible for providing the materials, equipment, supplies or services to Developer, Vertical Developer, Contractor or professional services firm retained to work on a Construction Work or Workforce Improvement, as the case may be (each, a "Contracting Party") as required by the solicitation or request for quotes, bids or proposals. Businesses that engage in the business of providing brokerage, referral or temporary employment services shall not be deemed to perform a "commercially useful function" unless the brokerage, referral or temporary employment services are those required and sought by Developer or Vertical Developer or a Contractor or professional services firm. When Developer or Vertical Developer or a Contractor or professional services firm requires and seeks products from an LBE supplier or distributor, no more than sixty percent of the cost of the product shall be credited towards LBE participation goals. If the listed supplier or distributor does not regularly stock or is a specially manufactured item(s), the required product, no more than five percent of the cost of the product shall be credited towards LBE participation goals.
  - c. "Consultant" shall mean a person or company that has entered into a professional services contract for monetary consideration with Developer or Vertical Developer to provide advice or services to Developer directly related to the architectural or landscape design, physical planning, and/or civil, structural or

environmental engineering of a Construction Work or Workforce Improvement.

- d. "Construction Work" shall mean: (i) in the case of Horizontal Improvements, construction of all Horizontal Improvements required or permitted to be made to the Project Site during a Phase and to be carried out by Developer under the DDA subject to Chapter 14B; or (ii) in the case of Vertical Improvements, a Vertical Improvement and all tenant improvements therein, except for the construction of any tenant improvements within a leased premises comprised of less than 15,000 square feet in floor area, to be constructed by a Vertical Developer on a Development Parcel pursuant to an applicable Vertical DDA and Parcel Lease.
- e. "Contract(s)" shall mean an agreement, whether a direct contract or subcontract, for Consultant or Contractor services for all or a portion of a Construction Work or Workforce Improvement.
- f. "Contractor" shall mean a person or entity that enters into a direct Contract with Developer or Vertical Developer to build or construct all or a portion of a Construction Work or operate a Workforce Improvement.
- g. "DDA" means the Disposition and Development Agreement between Developer and the City and County of San Francisco, acting by and through the San Francisco Port Commission.
- h. "Developer" has the meaning set forth in the DDA, including any successor during the term of this LBE Utilization Plan.
- i. "Development Parcel" has the meaning set forth in the DDA.
- j. "Excess Credit" shall mean the total cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants that are Small and Micro-LBEs that exceeds the goals set forth in Section 4.
- k. "Horizontal Improvement" has the meaning set forth in the DDA.
- l. "Good Faith Efforts" shall mean procedural steps taken by Developer, Vertical Developer, Contractor or Consultant with respect to the attainment of the LBE participation goals, as set forth in Section 6 below.
- m. "Local Business Enterprise" or "LBE" means a business that is certified as an LBE under Chapter 14B.3.
- n. "LBE Liaison" shall mean Developer's and Vertical Developer's primary point of contact with CMD regarding the obligations of this LBE Utilization Plan. Each prime Contractor(s) shall likewise have a LBE Liaison.

- o. "Parcel Lease" has the meaning set forth in the DDA.
  - p. "Phase" has the meaning set forth in the DDA.
  - q. "Port" has the meaning set forth in the DDA.
- 
- r. "Project" has the meaning set forth in the DDA.
  - s. "Project Site" has the meaning set forth in the DDA.
  - t. "Subconsultant" shall mean a person or entity that has a direct Contract with a Consultant to perform a portion of the work under a Contract for a Construction Work or Workforce Improvement.
  - u. "Subcontractor" shall mean a person or entity that has a direct Contract with a Contractor to perform a portion of the work under a Contract for a Construction Work or Workforce Improvement.
  - v. "Vertical DDA" has the meaning set forth in the DDA.
  - w. "Vertical Developer" has the meaning set forth in the DDA.
  - x. "Workforce Improvement" shall mean all completed Vertical Improvements, but excluding within: (a) any commercial premises occupying less than 15,000 square feet in floor area, and (b) any residential units therein, subject to Chapter 14B.

4. LBE Participation Goal. Developer and Vertical Developer agree to participate in this LBE Utilization Plan and CMD agrees to work with Developer and Vertical Developer in this effort, as set forth in this LBE Utilization Plan. As long as this LBE Utilization Plan remains in full force and effect, Developer, with respect to the construction of Horizontal Improvements, and Vertical Developer, with respect to the construction of Vertical Improvements, shall make good faith efforts as defined below to achieve an overall LBE participation goal of 20% of the total cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants that are Small and Micro-LBEs, as set forth in Administrative Code Section 14B.8(A) and a participation goal of 10% during the pre-construction phase of the Project.

5. Developer/Vertical Developer Obligations. Developer, with respect to the construction of Horizontal Improvements, and Vertical Developer, with respect to the construction of Vertical Improvements, shall comply with the requirements of this Attachment A as follows: Upon entering into a Contract with a Contractor or Consultant, Developer or Vertical Developer, as applicable, will include each such Contract a provision requiring the Contractor or Consultant to comply with the terms of this Attachment A, and setting forth the applicable percentage goal for such Contract, and provide a signed copy thereof to CMD and the Port within 10 business days of execution. Such Contract shall specify the notice information for the

Contractor or Consultant to receive notice pursuant to Section 16. Developer and each Vertical Developer shall identify a "LBE Liaison" as its main point of contact for outreach/compliance concerns and shall be available to meet with CMD staff on a regular basis or as necessary regarding the implementation of this Attachment A. If Developer, with respect to Horizontal Improvements, or a Vertical Developer, with respect to construction of the Vertical Improvements, fulfills its obligations as set forth in this Section 5 and otherwise cooperates in good faith at CMD's request with respect to any meet and confer process or enforcement action against a non-compliant Contractor, Consultant, Subcontractor or Subconsultant, then Developer or Vertical Developer, as applicable, shall not be held responsible for the failure of a Contractor, Consultant, Subcontractor or Subconsultant or any other person or party to comply with the requirements of this Attachment A.

6. Good Faith Efforts. City acknowledges and agrees that Developer, Vertical Developer, Contractor, Subcontractor, Consultant and Subconsultant shall have the sole discretion to qualify, hire or not hire LBEs. If a Contractor or Consultant does not meet the LBE hiring goal set forth above in Section 5, it will nonetheless be deemed to satisfy the good faith effort obligation of this Section 6 and thereby satisfy the requirements and obligations of this Attachment A if the Contractor, Consultants and their Subcontractors and Subconsultants, as applicable, perform the good faith efforts set forth in this Section 6 as follows:

- a. Advance Notice. Notify CMD and the Port in writing of all upcoming solicitations of proposals for work under a Contract at 15 business days before issuing such solicitations to allow opportunity for CMD to identify and outreach to any LBEs that it reasonably deems may be qualified for the Contract scope of work.
- b. Contract Size. Where practicable, Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant will divide the work in order to encourage maximum LBE participation or, encourage joint venturing. The Contracting Party will identify specific items of each Contract that may be performed by Subcontractors.
- c. Advertise. Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant will advertise for at least 30 days prior to the opening of bids or proposals, for professional services and contracting opportunities in media focused on small businesses including the Bid and Contract Opportunities website through the City's Office of Contract Administration (<http://mission.sfgov.org/OCABidPublication>) and other local and trade publications, and allowing subcontractors to attend outreach events, pre-bid meetings, and inviting LBEs to submit bids to Developer or Vertical Developer or their respective Prime Contractor or Consultant, as applicable. As practicable, convene pre-bid or pre-solicitation meetings no less than 15 days prior to the opening of bids and proposals to all for LBEs to ask questions about the selection process and technical specifications/requirements. Developer or Vertical Developer may request CMD's permission to award a contract without advertising if the work consists of specialty services or otherwise does not provide

opportunities for LBE participation.

- d. CMD Invitation. If a pre-bid meeting or other similar meeting is held with proposed Contractors, Subcontractors, Consultants or Subconsultants, invite CMD to the meeting to allow CMD to explain proper LBE utilization.
- e. Public Solicitation. Developer or Vertical Developer or their respective Prime Contractor(s) and/or Consultants, as applicable, will work with CMD to follow up on initial solicitations of interest by contacting LBEs to determine with certainty whether they are interested in performing specific items in a project.
- f. Outreach and Other Assistance. Developer or Vertical Developer or their respective Prime Contractor (s) and/or Consultants, as applicable, will a) provide LBEs with plans, specifications and requirements for all or part of the project; b) notify LBE trade associations that disseminate bid and contract information and provide technical assistance to LBEs. The designated LBE Liaison(s) shall be or work with a LBE Consultant with experience in and responsibility for making recommendations on how to maximize engagement of local small businesses from disadvantaged communities including, but not limited to the Bayview/Hunters Point, Chinatown, Mission, South of Market, Tenderloin, Visitacion Valley and Western Addition neighborhoods, and will work with CMD to conduct outreach to LBEs for all consulting/contracting opportunities in the applicable trades and services in order to encourage them to participate on the project.
- g. Contacts. Make contacts with LBEs, associations or development centers, or any agencies, which disseminate bid and contract information to LBEs and document any other efforts undertaken to encourage participation by LBEs.
- h. Good Faith/Nondiscrimination. Make good faith efforts to enter into Contracts with LBEs and give good faith consideration to bids and proposals submitted by LBEs. Use nondiscriminatory selection criteria (for the purpose of clarity, exercise of subjective aesthetic taste in selection decisions for architect and other design professionals shall not be deemed discriminatory and the exercise of its commercially reasonable judgment in all hiring decisions shall not be deemed discriminatory).
- i. Incorporation into contract provisions. Developer or Vertical Developer shall include in its Contracts provisions that require prospective Contractors and Consultants that will be utilizing Subcontractors or Subconsultants to follow the above good faith efforts to subcontract to LBEs, including overall LBE participation goal and any LBE percentage that may be required under such Contract.
- j. Monitoring. Allow CMD Contract Compliance unit to monitor Consultant/Contractor selection processes and, when necessary give suggestions as to how best to maximize LBEs ability to complete and win

procurement opportunities.

- k. **Insurance and Bonding.** Recognizing that lines of credit, insurance and bonding are problems common to local businesses, staff will be available to explain the applicable insurance and bonding requirements, answer questions about them, and, if possible, suggest governmental or third party avenues of assistance. Contractor, Subcontractor, Consultant and Subconsultant will work with the Developer, Vertical Developer and CMD in good faith to design and implement for each Horizontal and Vertical Improvement insurance programs which provides to LBE participating subcontractors access to the required coverage through either the owner, Owner-Controlled Insurance Policy (OCIP), general contractor, Contractor-Controlled Insurance Policy (CCIP), or such other insurance program as may become reasonably commercially available.
- l. **Maintain Records and Cooperation.** Maintain records of LBEs that are awarded Contracts, not discriminate against any LBEs, and, if requested, meet and confer with CMD as reasonably required in addition to the meet and confer sessions described in Section 9 below to identify a strategy to meet the LBE goal;
- m. **Quarterly Reports.** During design and construction, the LBE Liaison(s) shall prepare a quarterly report of LBE participation goal attainment and submit to CMD as required by Section 9 herein; and
- n. **Meet and Confer.** Attend the meet and confer process described in Section 9.

7. **Good Faith Outreach.** Good faith efforts shall be deemed satisfied solely by compliance with Section 6. Contractors and Consultants, and Subcontractors and Subconsultants as applicable shall also work with CMD to identify from CMD's database of LBEs those LBEs who are most likely to be qualified for each identified opportunity under Section 6.b, and following CMD's notice under Section 8.a, shall undertake reasonable efforts at CMD's request to support CMD's outreach identified LBEs as mutually agreed upon by CMD and each Contractor or Consultant and its Subcontractors and Subconsultants, as applicable.

8. **CMD Obligations.** The following are obligations of CMD to implement this LBE Utilization Plan:

- a. During the fifteen (15) business day notification period for upcoming Contracts required by Section 6.b, CMD will work with Developer or its prime Contractor and/or Consultant as applicable to send such notification to qualified LBEs to alert them to upcoming Contracts.
- b. Provide assistance to Contractors, Subcontractors, Consultants and Subconsultants on good faith outreach to LBEs.
- c. Review quarterly reports of LBE participation goals; when necessary give

suggestions as to how best to maximize LBEs ability to compete and win procurement opportunities.

- d. Perform other tasks as reasonably required to assist Developer or Vertical Developer or their Contractors, Subcontractors, Consultants and Subconsultants in meeting LBE participation goals and/or satisfying good faith efforts requirements.

9. Meet and Confer Process. Commencing with the first Contract that is executed for a Construction Work, and every six (6) months thereafter, or more frequently if requested by either CMD, Developer or a Contractor or Consultant each Contractor and Consultant and the CMD shall engage in an informal meet and confer to assess compliance of such Contractor and Consultants and its Subcontractors and Subconsultants as applicable with this Attachment A. When deficiencies are noted, meet and confer with CMD to ascertain and execute plans to increase LBE participation.

10. Prohibition on Discrimination. Developer and Vertical Developer shall not discriminate in its selection of Contractors and Consultants, and such Contractors and Consultants shall not discriminate in their selection of Subcontractors and Subconsultants against any person on the basis of race, gender, or any other basis prohibited by law. As part of its efforts to avoid unlawful discrimination in the selection of Subconsultants and Subcontractors, Contractors and Consultants will undertake the Good Faith Efforts and participate in the meet and confer processes as set forth in Sections 6 and 9 above.

11. Collective Bargaining Agreements. Nothing in this Attachment A shall be interpreted to prohibit the continuation of existing workforce training agreements or to interfere with consent decrees, collective bargaining agreements, project labor agreement, project stabilization agreement, existing employment contract or other labor agreement or labor contract ("Collective Bargaining Agreements"). In the event of a conflict between this Attachment A and a Collective Bargaining Agreement, the terms of the Collective Bargaining Agreement shall supersede this Attachment A.

12. Reporting and Monitoring. Each Contractor, Consultant, and its Subcontractors and Subconsultants as applicable shall maintain accurate records demonstrating compliance with the LBE participation goals, including keeping track of the date that each response, proposal or bid that was received from LBEs, including the amount bid by and the amount to be paid (if different) to the non-LBE contractor that was selected, documentation of any efforts regarding good faith efforts as set forth in Section 6. Developer and Vertical Developer shall create a reporting method for tracking LBE participation. Data tracked shall include the following (at a minimum):

- a. Name/Type of Contract(s) let (e.g. Civil Engineering contract, Environmental Consulting, etc.)
- b. Name of prime Contractors (including identifying which are LBEs and non-LBEs)
- c. Name of Subcontractors (including identifying which are LBEs and non-LBEs)
- d. Scope of work performed by LBEs (e.g. under an Architect, an LBE could be procured to provide renderings)

- e. Dollar amounts associated with both LBE and non-LBE Contractors at both prime and Subcontractor levels.
- f. Total LBE participation is defined as a percentage of total Contract dollars.

13. Basis of Compliance:

- a. With regard to Horizontal Improvements, CMD shall determine compliance with this Agreement on a Phase-wide basis and measure compliance by dividing the cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Construction Work. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Project-wide basis by giving notice to CMD and the Port of such election not later than the submission of the penultimate Phase Submittal. After such election, compliance shall be measured upon the completion of the Project. In each case, once compliance is established, any Excess Cr dit shall be confirmed by CMD and shall be available for Developer, provided Developer remains a Giants Affiliate, as defined in the DDA, to offset shortfalls elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Horizontal Improvements that complied with the procedures set forth in Section 6 and at completion are short of attaining the participation levels set forth in Section 4.
- b. With regard to Vertical Improvements, CMD shall determine compliance with this Agreement on an individual Vertical Improvement basis and measure compliance by dividing the cost of all Contracts for a Construction Work awarded to LBE Prime Contractors, Subcontractors, Prime Consultants or Subconsultants divided by the total cost of all Contracts awarded to Prime Contractors, Subcontractors, Prime Consultants or Subconsultants for such Vertical Improvement. Notwithstanding anything to the contrary, Developer may, at its election, require that compliance be determined on a Phase-wide basis, as Developer plans to develop each Vertical Improvement in such Phase, by giving notice to CMD and the Port of such election during the submission of a Phase Submittal. After such election, compliance shall be measured upon the completion of the Phase, as applicable. In each case, once compliance is established, any Excess Credits shall be confirmed by CMD and shall be available to the Vertical Developer of the Vertical Improvement that generated such Excess Credits to transfer to another Vertical Developer, provided that such Vertical Developer is a Giants Affiliate, as defined in the DDA, to offset shortfalls in the same trade on Vertical Improvements elsewhere on the Project Site, provided, however that Excess Credits may only be transferred to Vertical Improvements that complied with the procedures set forth in Section 6 and at completion are still short of attaining the participation levels set forth in Section 4.

14. Workforce Improvement Operations. Each Vertical Developer will use good faith efforts to hire LBEs for ongoing service contracts within Workforce Improvements and advertise such contracting opportunities with CMD except to the extent impractical or infeasible. If a master association is responsible for the operation and maintenance of publicly owned improvements within the Project Site, CMD shall refer LBEs to such association for consideration with regard to contracting opportunities for such improvements. Such association will consider in good faith such LBE referrals, but hiring decisions shall be entirely at the discretion of such association.

15. Monitoring and Enforcement. CMD shall both monitor and enforce the standards and requirements, including the good faith efforts, of this Program. CMD Compliance Officers shall schedule meetings with the LBE Liaison(s) through the term of this Program to promote consistent communication and practice.

16. Written Notice of Deficiencies. If based on complaint, failure to report, or other cause, the CMD has reason to question the good faith efforts of a Developer, Vertical Developer, Contractor, Subcontractor, Consultant or Subconsultant, then CMD shall provide written notice to Developer or Vertical Developer, as applicable, each affected prime Contractor or Consultant and, if applicable, also to its Subcontractor or Subconsultant. The prime Contractor or Consultant and, if applicable, the Subcontractor or Subconsultant, shall have a reasonable period, based on the facts and circumstances of each case, to demonstrate to the reasonable satisfaction of the CMD that it has exercised good faith to satisfy its obligations under this Attachment A. When deficiencies are noted CMD staff will work with the appropriate LBE Liaison(s) to remedy such deficiencies.

17. Remedies. Notwithstanding anything to the contrary in the DDA, the following process and remedies shall apply with respect to any alleged violation of this Attachment A:

Mediation and conciliation shall be the administrative procedure of first resort for any and all compliance disputes arising under this Attachment A. The Director of CMD shall have power to oversee and to conduct the mediation and conciliation.

Non-binding arbitration shall be the administrative procedure of second resort utilized by CMD for resolving the issue of whether a Developer, Contractor, Consultant, Subcontractor or Subconsultant discriminated in the award of one or more LBE Contracts to the extent that such issue is not resolved through the mediation and conciliation procedure described above. Obtaining a final judgment through arbitration on LBE contract related disputes shall be a condition precedent to the ability of the City or Developer, Contractor, Consultant, Subcontractor or Subconsultant to file a request for judicial relief.

If a Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant is found to be in willful breach of the obligations set forth in this Attachment A, assess against the noncompliant Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant liquidated damages not to exceed \$25,000 or 5% of the Contract, whichever is less; for each such willful breach. In determining the amount of any liquidated damages to be assessed within the limits described above, the arbitrator or court of competent jurisdiction shall consider the

financial capacity of Developer, Vertical Developer, Contractor, Consultant, Subcontractor or Subconsultant. For purposes of this paragraph, "willful breach" means a knowing and intentional breach. For all other violations of this Attachment A, the sole remedy for violation shall be specific performance.

18. Duration of this Agreement. This Attachment A shall terminate (i) at the expiration of the Development Agreement, as defined in the DDA, and; (ii) for any Construction Work that has commenced before the termination of the Development Agreement, but is not yet complete upon the termination of the Development Agreement, upon the completion of such Construction Work. Upon such termination, this Attachment A shall be of no further force and effect.

19. Notice. All notices to be given under this Attachment A shall be in writing and sent by: certified mail, return receipt requested, in which case notice shall be deemed delivered three (3) business days after deposit, postage prepaid in the United States Mail, a nationally recognized overnight courier, in which case notice shall be deemed delivered one (1) business day after deposit with that courier, or hand delivery, in which case notice shall be deemed delivered on the date received, all as follows:

APN:

**DDA AND MASTER LEASE PARTIAL RELEASE**

This **DDA AND MASTER LEASE PARTIAL RELEASE** (this "**Partial Release**"), dated for reference purposes only as of \_\_\_\_\_, 20\_\_\_\_ (the "**Reference Date**"), is made by the **CITY AND COUNTY OF SAN FRANCISCO** (the "**City**"), operating by and through the **SAN FRANCISCO PORT COMMISSION** ("**Port**"), as landlord, and **SEAWALL LOT 337 ASSOCIATES, LLC**, a Delaware limited liability company ("**Tenant**" or "**Master Developer**"), with reference to the following facts and circumstances:

A. Tenant and the Port entered into that certain Master Lease, dated for reference purposes as of [\_\_\_\_], 2018 (as amended and as may be further amended from time to time, the "**Master Lease**"). In accordance with Section 43.10 of the Master Lease, a Memorandum of Lease was recorded in the Official Records of the City and County of San Francisco ("**Official Records**") on [\_\_\_\_] as Document No. [\_\_\_\_]. All capitalized terms used but not defined herein shall have the meanings assigned to them in the Master Lease.

B. Tenant and Port also entered into that certain Development and Disposition Agreement, dated for reference purposes as of [\_\_\_\_], 2018 (as amended and as may be further amended from time to time, the "**DDA**") pursuant to which Tenant, as the master developer of Mission Rock, will perform certain obligations, including the construction of Horizontal Improvements. The DDA was recorded in the Official Records on [\_\_\_\_] as Document No. [\_\_\_\_]. Tenant, as master developer of Mission Rock, is sometimes referred to as the Master Developer in the Master Lease.

C. **[add for Development Parcel conveyances only]** Port and [\_\_\_\_], a [\_\_\_\_] ("**Vertical Developer**") entered into that certain Vertical Disposition and Development Agreement dated for reference purposes as of [\_\_\_\_] (as amended from time to time, the "**Vertical DDA**") for the Development

Parcel more particularly described in *Exhibit A-1* and shown on the map attached hereto as *Exhibit A-2* (the "Development Parcel"). Port is obligated to convey the Development Parcel to the Vertical Developer upon satisfaction or waiver of various conditions, all of which have either been satisfied by Vertical Developer or waived by Port as of the date hereof. In order for Port to convey the Development Parcel to the Vertical Developer, the Development Parcel must first be released from the Premises. **Master Lease Section 1.4(a) and DDA Section 18.3(b)** provides that Port and Tenant will execute and record a DDA and Master Lease Partial Release for that portion of the Premises consisting of the Development Parcel in order to effectuate the Vertical DDA applicable to such Development Parcel. The Parties now desire to release the Development Parcel from the Premises (the "Release Parcel") and release the lien of the DDA from the Release Parcel. Accordingly, the Parties wish to enter into this Partial Release and record the same in the Official Records.

C. **[use if the Release Parcel is a Park Parcel or contains Phase Improvements or Deferred Infrastructure that has been Accepted by the Port Commission per DDA Section 14.7, where all Horizontal Improvements within the Release Parcel are Accepted]** Master Lease Section 1.4(b) provides that Port and Tenant will execute and record a DDA and Master Lease Partial Release for that portion of the Premises on which Tenant has constructed Horizontal Improvements that have been accepted by Port or other City Agencies, as applicable, in accordance with **DDA Section 14.7** (Acceptance of Port Facilities) and **DDA Section 14.8** (Acceptance of Other Horizontal Improvements) and **DDA Section 18.3(b)** provides for the release of the lien of the DDA. By [insert Port resolution No. \_\_\_\_\_, dated \_\_, 20XX], a copy of which is attached hereto as *Exhibit B*, Port Accepted the Park Parcels and Phase Improvements described in Resolution No. \_\_\_\_ that are contained within that portion of the Premises described in *Exhibit A-1* and shown on the map attached hereto as *Exhibit A-2* (the "Release Parcel"), and authorized the Port Executive Director or her designee to sign and record this Partial Release after satisfaction of all conditions required by the Port Commission for acceptance. All conditions to Resolution No. \_\_\_\_ have been satisfied. Accordingly, the Parties wish to enter into this Partial Release and record the same in the Official Records.

C. **[use if all Horizontal Improvements within the Release Parcel have been Accepted by the Board of Supervisors per DDA Section 14.8. There are no other Horizontal Improvements within the Release Parcel that need Acceptance]** Master Lease Section 1.4(b) provides that Port and Tenant will execute and record a DDA and Master Lease Partial Release for that portion of the Premises on which Tenant has constructed Horizontal Improvements that have been accepted by Port or other City Agencies, as applicable, in accordance with **DDA Section 14.7** (Acceptance of Port Facilities) and **DDA Section 14.8** (Acceptance of Other Horizontal Improvements) and **DDA Section 18.3(b)** provides for the release of the lien of the DDA. By [insert Board of Supervisors Motion No. \_\_\_\_\_, dated \_\_, 20XX], a copy of which is attached hereto as *Exhibit B*, the City Accepted all Horizontal Improvements [add if applicable: including Utility Infrastructure] that are described in Motion No. \_\_\_\_ and contained within that portion of the Premises described in *Exhibit A-1* and shown on the map attached hereto as *Exhibit A-2* (the "Release Parcel"). Accordingly, the Parties wish to enter into this Partial Release and record the same in the Official Records.

D. By recording this Partial Release, the Parties seek to notify third parties that the Premises described in the Master Lease will be further adjusted by the release of the Release Parcel and that the lien of the DDA is released from the Release Parcel.

**NOW THEREFORE**, in consideration of the foregoing facts, understandings and agreements, the Parties agree as follows:

#### **AGREEMENT**

1. In accordance with Master Lease Section [1.4(a) (Development Parcels)] or [1.4(b) (Horizontal Improvement Parcels)], Port and Tenant hereby release as of the date hereof, the Release Parcel from the Master Lease and as of the date hereof, the “**Premises**” under and as defined in the Master Lease will be adjusted to exclude the Release Parcel.

2. In accordance with **DDA Section 18.3(b)**, Port and Tenant hereby release as of the date hereof, the lien of the DDA from the Release Parcel.

3. Other than the adjustment of the Premises and the partial release of the DDA as set forth in this Partial Release, all other terms and conditions of the Master Lease and DDA remain unchanged.

*[Signature appears on following page]*

IN WITNESS WHEREOF, Port and Tenant have executed this Release as of the day and year first above written.

VDDA EXHIBIT K

FORM OF MASTER DEVELOPER/MASTER TENANT/PHASE SUBTENANT ESTOPPEL  
CERTIFICATE IN CONNECTION WITH VERTICAL DEVELOPER/DEVELOPMENT PARCEL CLOSING

Seawall Lot 337 Associates, LLC, a Delaware limited liability company ("Master Developer" or "Master Tenant"), is the master tenant of the real property commonly known as Parcel [XX] (the "Development Parcel"). The Development Parcel is located within the mixed-use development commonly known as "Mission Rock" in San Francisco, California. **[Note: Use only if Development Parcel is s.t. Phase Sublease: \_\_\_\_\_], a \_\_\_\_\_ ("Phase Subtenant") subleased the Development Parcel from Master Developer.]** The undersigned [Master Developer] [Phase Subtenant] hereby certifies to the City and County of San Francisco, a municipal corporation, operating by and through the San Francisco Port Commission ("Port"), to \_\_\_\_\_ ("Vertical Developer") [and to \_\_\_\_\_] the following as of \_\_\_\_\_ ("Certification Date") **[Note: certification date will be the Development Parcel Closing Date]:**

1. That there is presently in full force and effect Master Lease No. L-[\_\_\_\_\_] dated as of [\_\_\_\_], 2018 (as may be modified, assigned, supplemented and/or amended, the "Master Lease"), between Master Developer, as tenant, and Port, as landlord, covering portions of the Mission Rock development, as further described in the Master Lease (the "Master Premises"), which Master Premises includes the Development Parcel. **[Note: Use only for Phase Subtenant:]** That there is presently in full force and effect Sublease Agreement dated as of [\_\_\_\_], 20[XX] (as may be modified, assigned, supplemented and/or amended, the "Phase Sublease"), between Phase Subtenant, as subtenant, and Master Developer, as sublandlord, covering Phase [XX] of the Mission Rock development, which Phase includes the Development Parcel, as further described in the Phase Sublease.

2. That there is presently in full force and effect a Disposition and Development Agreement dated as of [\_\_\_\_], 2018 (as may be modified, assigned, supplemented and/or amended, the "DDA"), between Master Developer, as master developer of the Master Premises, and Port, as further described in the DDA, a copy of which was recorded in the official records of the City and County of San Francisco ("Official Records") as Instrument No. \_\_\_\_\_.

3. That there is presently in full force and effect a Development Agreement dated as of [\_\_\_\_], 2018 (as may be modified, assigned, supplemented and/or amended, the "DA"), between Master Developer, as master developer of the Master Premises, and the City and County of San Francisco, a municipal corporation (the "City"), as further described in the DA, a copy of which was recorded in the Official Records as Instrument No. \_\_\_\_\_.

4. **[Include if Phase Sublease in effect:]** That Master Developer and Phase Subtenant have entered into that certain [DDA and DA Assignment and Assumption Agreement dated as of [\_\_\_\_], 20[XX]], pursuant to which Master Developer has assigned to, and Phase Subtenant has assumed, certain rights and obligations under the DDA and DA, as more specifically set forth therein.]

5. That the undersigned has executed, acknowledged, and delivered into escrow as of [\_\_\_\_], 20[XX], the DDA and Master Lease Partial Release (as required under Section 5.3 of the Master Lease **[Insert for Phase Sublease: 18.5 of the Master Lease]**), releasing the Development Parcel from the Master Premises and any rights it has in the Development Parcel, which DDA and Master Lease Partial Release will be effective as of the Closing Date. The undersigned also has consented to the recordation of the DDA and Master Lease Partial Release

in the Official Records. The undersigned has no claim, interest, or right to any interest in the Development Parcel as of the Closing Date.

6. That the undersigned has executed, acknowledged, and delivered into escrow as of [ ], 20[XX], the Development Agreement Assignment and Assumption Agreement, assigning to Vertical Developer certain specified rights and obligations under the DA, which Development Agreement Assignment and Assumption Agreement will be effective as of the Closing Date. The undersigned also has consented to the recordation of the Development Agreement Assignment and Assumption Agreement in the Official Records.

7. That, to the undersigned's actual knowledge, there does not exist an Event of Default, or Prospective Breach or Prospective Default (as to which [Master Developer][Phase Subtenant] has given Port a notice of such Prospective Breach or Prospective Default), of Port under the DDA except as follows: [ ].

8. That, to the undersigned's actual knowledge, there does not exist an Event of Default, or Prospective Breach or Prospective Default (as to which [Master Developer][Phase Subtenant] has received a notice from Port of such Prospective Breach or Prospective Default), of [Master Developer][Phase Subtenant] under the DDA except as follows: [ ].

9. That, to the undersigned's actual knowledge, there does not exist any default (as to which [Master Developer][Phase Subtenant] has given City a notice of such default), of City under the DA except as follows: [ ].

10. That, to the undersigned's actual knowledge, there does not exist any default (as to which [Master Developer][Phase Subtenant] has received a notice from City of default), of [Master Developer][Phase Subtenant] under the DA except as follows: [ ].

11. That, to the undersigned's actual knowledge after diligent inquiry, Port is not in default or breach of the Master Lease, nor has Port committed an act or failed to act in such a manner, which, with the passage of time or notice or both, would result in a default or breach of the Master Lease by Port. **Note: Use only for Phase Subtenant:** That, to the undersigned's actual knowledge after diligent inquiry, Master Developer is not in default or in breach of the Phase Sublease, nor has Master Developer committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Phase Sublease by Master Developer.

12. That, to the undersigned's actual knowledge after diligent inquiry, Master Developer is not in default or in breach of the Master Lease, nor has Master Developer committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Master Lease by Master Developer. **Note: Use only for Phase Subtenant:** That, to the Phase Subtenant's actual knowledge, after diligent inquiry, Phase Subtenant is not in default or in breach of the Phase Sublease, nor has the undersigned committed an act or failed to act in such a manner which, with the passage of time or notice or both, would result in a default or breach of the Phase Sublease by the undersigned.

13. The undersigned has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code and to the undersigned's current actual knowledge, no involuntary petition naming [Master Developer] [Phase Subtenant] as debtor has been filed under any chapter of the U.S. Bankruptcy Code..

14. That, to the undersigned's actual knowledge there are no unrecorded leases, license or agreements affecting the Development Parcel, or parties in possession of the Development Parcel, that will remain in effect or in possession following the Closing Date, other than [ ].

15. That, to the undersigned's actual knowledge after diligent inquiry, there are no unrecorded claims against the Development Parcel, nor any set of facts by reason of which the undersigned's [ground leasehold] [sublease hold] interest in the Development Parcel might be disputed or questioned, and the [Master Developer] [Phase Subtenant] has been in peaceable and undisputed possession of the Development Parcel since its leasehold interest in the Development Parcel was acquired.

16. That there has not been any construction, repairs, alterations or improvements made, ordered or contracted to be made on or to the Development Parcel, nor materials ordered therefor within the last six months which have not been paid for in full except as follows: \_\_\_\_\_; nor are there any fixtures attached to the Development Parcel which have not all been paid for in full except as follows: \_\_\_\_\_.

17. That, to the undersigned's actual knowledge, there has been no violation of any covenants, conditions or restrictions of record affecting the Development Parcel and that there are no disputes with any adjoining property owners or tenants as to the location of Development Parcel lines, or the encroachment of any improvements.

This Certificate shall be binding upon the undersigned and inure to the benefit of Port, Vertical Developer [, ] and their respective successors and assigns.

**EXHIBIT L**

**FORM OF DEVELOPMENT AGREEMENT ASSIGNMENT AND ASSUMPTION  
AGREEMENT**

VERTICAL DDA EXHIBIT L

RECORDING REQUESTED BY: AND  
WHEN RECORDED MAIL TO:

[\_\_\_\_\_]
[\_\_\_\_\_]
[\_\_\_\_\_] Attn: [\_\_\_\_\_]

DEVELOPMENT AGREEMENT ASSIGNMENT
AND ASSUMPTION AGREEMENT

This DEVELOPMENT AGREEMENT ASSIGNMENT AND ASSUMPTION AGREEMENT
(this "Agreement"), effective as of [\_\_\_\_\_] (the "Effective Date"), is entered into
by [\_\_\_\_\_] a [\_\_\_\_\_] ("Horizontal Developer" or
"Assignor"), and [\_\_\_\_\_] a [\_\_\_\_\_] ("Vertical
Developer" or "Assignee").

RECITALS:

A Horizontal Developer and the City and County of San Francisco, a municipal
corporation (the "City") entered into that certain Development Agreement (the "Development
Agreement") dated as of [\_\_\_\_\_] 2018 for reference purposes, with respect to
certain real property leased by Horizontal Developer pursuant to that certain Master Lease No.
L-16417 dated as of [\_\_\_\_\_] 2018 (the "Master Lease"), between Horizontal Developer and
the City, operating by and through the San Francisco Port Commission ("Port"), as such property
is more particularly described in the Master Lease (the "Mission Rock Site"). The Development
Agreement was recorded in the Official Records of the City and County of San Francisco
("Official Records") on [\_\_\_\_\_] 2018 as Document No. [\_\_\_\_\_] and a
Memorandum of the Master Lease was recorded in the Official Records on [\_\_\_\_\_]
2018 as Document No. [\_\_\_\_\_] [Note: add if applicable any intervening
amendment and/or assignments]

B The City, operating by and through Port and Vertical Developer are parties to
that certain Vertical Disposition and Development Agreement dated as of [\_\_\_\_\_] 20XX, for
certain property located in the City and County of San Francisco, California, as more
particularly described in Exhibit A attached hereto and made a part hereof (the "Transferred
Property") [Note: add if applicable any intervening amendment and/or assignments] (the
"Vertical DDA"). The Transferred Property is located within the Mission Rock Site.

C Under Section 11.1 of the Development Agreement, the initial Vertical

Developer of each Development Parcel will be assigned specified rights and obligations under the Development Agreement by a recorded Assignment and Assumption Agreement, which Assignment and Assumption Agreement will provide, among other things, for the City to release Horizontal Developer from obligations under the Development Agreement to the extent they are assumed by the Vertical Developer, which release will be effective as to the City when evidenced by the signature of the City's Planning Director or his or her designee, and approved as to form by the City Attorney. Delivery of this Agreement is a condition to Close of Escrow under the Vertical DDA.

D. Pursuant to the Development Agreement, Horizontal Developer desires to assign all of its rights, title and interest under the Development Agreement with respect to the Transferred Property and Vertical Developer desires to assume all such rights, title and interest from Horizontal Developer on the terms and conditions set forth in this Agreement.

### **AGREEMENT**

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Horizontal Developer and Vertical Developer agree as follows:

1. **Assignment By Horizontal Developer.** Horizontal Developer hereby assigns to Vertical Developer as of the Effective Date each and all of the right, title, interest and obligations of Horizontal Developer under the Development Agreement with respect to the Transferred Property. Horizontal Developer retains all the rights, title, interest, burdens and obligations under the Development Agreement with respect to all other portions of the Mission Rock Site for which the DDA remains in effect.

2. **Assumption By Vertical Developer.**

2.1 **Assumption by Vertical Developer.** Vertical Developer hereby assumes from Horizontal Developer as of the Effective Date each and all of the right, title, interest and obligations of Horizontal Developer under the Development Agreement with respect to the Transferred Property. Vertical Developer hereby acknowledges that Vertical Developer has reviewed the Development Agreement and agrees to be bound by the Development Agreement and all conditions and restrictions to which Horizontal Developer is subject under the Development Agreement to the extent applicable to the Transferred Property.

2.2 **[Note: add if applicable to residential rental projects] [To be confirmed-subject to further modification] Costa-Hawkins Waiver.** Without limiting the foregoing assumption of rights and obligations by Assignee, Assignee specifically acknowledges that the Development Agreement and the DDA, which includes the Affordable Housing Plan attached thereto as Exhibit [XX], [provide regulatory concessions and significant public investment to the Mission Rock Site that directly reduce development costs at the Mission Rock Site]. The regulatory concessions and public investment include a

direct financial contribution of net tax increment and other forms of public assistance specified in California Government Code section 65915. These public contributions result in identifiable, financially sufficient, and actual cost reductions for the benefit of Horizontal Developer and Vertical Developers under California Government Code section 65915. In consideration of the City's direct financial contribution and other forms of public assistance, the parties understand and agree that the Costa-Hawkins Act does not apply to any BMR Unit or Inclusionary Units developed under the AHP for the Mission Rock Site..

3. Representations and Warranties of Horizontal Developer. Horizontal Developer hereby makes the following representations and warranties to Vertical Developer, Port and the City as of the Effective Date:

3.1 Status. Horizontal Developer is a [ ] duly organized, validly existing and in good standing under the laws of the State of [ ] and is authorized to do business in the State of California and is in good standing therein.

3.2 Authority; No Conflicts. This Agreement is duly authorized, executed and delivered and shall be the legal, valid and binding obligation of Horizontal Developer. The person signing this Agreement on behalf of Horizontal Developer has full power and authority to sign this Agreement on Horizontal Developer's behalf. This Agreement will not violate any provision of any agreement or judicial order to which Horizontal Developer is a party or to which Horizontal Developer is subject.

4. Representations and Warranties of Vertical Developer. Vertical Developer hereby makes the following representations and warranties to Horizontal Developer, Port and the City as of the Effective Date:

4.1 Status. Vertical Developer is a [ ] duly organized, validly existing and in good standing under the laws of the State of [ ] and is authorized to do business in the State of California and is in good standing therein.

4.2 Authority. This Agreement is duly authorized, executed and delivered and shall be the legal, valid and binding obligation of Vertical Developer. The person signing this Agreement on behalf of Vertical Developer has full power and authority to sign this Agreement on Vertical Developer's behalf. This Agreement will not violate any provision of any agreement or judicial order to which Vertical Developer is a party or to which Vertical Developer is subject.

5. Release of City Parties and the State Lands Indemnified Parties. Vertical Developer, on behalf of itself and its successors and assigns, waives or will be deemed to waive, any right to recover from, and forever releases, acquits, and discharges City Parties and the State Lands Indemnified Parties under the Development Agreement of all Losses against the City Parties and the State Lands Indemnified Parties for the condition of the Improvements or the real property or any claims Horizontal Developer may have against the City Parties

arising prior to the Effective Date; provided, however, the foregoing waiver will not apply to Losses arising from or relating to the sole negligence or willful misconduct of the Indemnified Parties.

Vertical Developer understands and expressly accepts and assumes the risk that any facts concerning the Losses released, waived, and discharged in this Agreement includes known and unknown claims, disclosed and undisclosed, and anticipated and unanticipated claims pertaining to the subject matter of the releases, waivers, and discharges, and might be found later to be other than or different from the facts now believed to be true, and agrees that the releases, waivers, and discharges in this Agreement will remain effective. Accordingly, with respect to the claims released, waived, and discharged in this Agreement, Vertical Developer expressly waives the benefits of Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

BY PLACING ITS INITIALS BELOW, VERTICAL DEVELOPER SPECIFICALLY ACKNOWLEDGES AND CONFIRMS THE VALIDITY OF THE RELEASES, WAIVERS, AND DISCHARGES MADE ABOVE AND THE FACT THAT VERTICAL DEVELOPER WAS REPRESENTED BY COUNSEL WHO EXPLAINED, AT THE TIME THIS AGREEMENT WAS MADE, THE CONSEQUENCES OF THE ABOVE RELEASES, WAIVERS AND DISCHARGES.

VERTICAL DEVELOPER INITIALS: \_\_\_\_\_

6. General Provisions.

6.1 Attorneys' Fees. If either Party hereto fails to perform any of its respective obligations under this Agreement or if any dispute arises between the Parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the defaulting Party or the Party not prevailing in such dispute, as the case may be, will pay any and all costs and expenses incurred by the other party on account of such default or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements.

6.2 Notices. The provisions of Section 14.1 of the Development Agreement are incorporated by reference with the same effect as if set forth herein; provided, however, the address for Vertical Developer is as follows:

[\_\_\_\_\_]
[\_\_\_\_\_]
[\_\_\_\_\_]

Attn: \_\_\_\_\_

With a copy to:

[ ]  
[ ]  
[ ]

Attn: [ ]

6.3 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective executors, administrators, successors, and assigns.

6.4 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one instrument.

6.5 Captions. Any captions to, or headings of, the Articles, Paragraphs, or subparagraphs of this Agreement are solely for the convenience of the parties hereto, are not a part of this Agreement, and shall not be used for the interpretation or determination of the validity of this Agreement or any provision hereof.

6.6 Amendment To Agreement. The terms of this Agreement may not be modified or amended except by an instrument in writing executed by each of the parties hereto.

6.7 Exhibits. The Exhibits attached hereto are hereby incorporated herein by this reference for all purposes.

6.8 Waiver. The waiver or failure to enforce any provision of this Agreement shall not operate as a waiver of any future breach of any such provision or any other provision hereof.

6.9 Applicable Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of California.

6.10 Fees and Other Expenses. Except as otherwise provided herein, each of the parties shall pay its own fees and expenses in connection with this Agreement.

6.11 Partial Invalidity. If any portion of this Agreement as applied to any party or to any circumstances shall be adjudged by a court to be void or unenforceable, such portion shall be deemed severed from this Agreement and shall in no way affect the validity or enforceability of the remaining portions of this Agreement.

6.12 Independent Counsel. Each party hereto acknowledges that: (a) it has been represented by independent counsel in connection with this Agreement; (b) it has

executed this Agreement with the advice of such counsel; and (c) this Agreement is the result of negotiations between the parties hereto and the advice and assistance of their respective counsel. The fact that this Agreement was prepared by Horizontal Developer's counsel as a matter of convenience shall have no import or significance. Any uncertainty or ambiguity in this Agreement shall not be construed against Horizontal Developer because Horizontal Developer's counsel prepared this Agreement in its final form.

6.13 Defined Terms. All capitalized terms not defined herein are set forth in the Development Agreement.

[the remainder of this page has been intentionally left blank]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed as of the Effective Date.

Memorandum of Vertical Disposition and Development Agreement

**THIS MEMORANDUM OF VERTICAL DISPOSITION AND DEVELOPMENT AGREEMENT** (this "Memorandum") dated for reference purposes as of [\_\_\_\_], 20[XX] is by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (the "City"), operating by and through the **SAN FRANCISCO PORT COMMISSION** (the "Port"), and [\_\_\_\_], a [\_\_\_\_] (the "Developer").

1. **Agreement.** Port and Developer have entered into a Vertical Disposition and Development Agreement dated as of [\_\_\_\_], 20[XX] (the "Agreement"), under which (a) upon satisfaction or waiver of the conditions described in the Agreement, Port agrees to lease the property as more particularly described on Exhibit A attached hereto (as may be refined and adjusted in accordance with the terms of the Agreement, the "Property") in accordance with the terms of the Agreement; (b) upon satisfaction or waiver of the conditions described in the Agreement, Developer agrees to lease the Property from Port; and (c) governs the development of the Vertical Project. Except as otherwise defined in this Memorandum, capitalized terms will have the meanings given them in the Agreement.

2. **Term.** The term of the Agreement will be from the Effective Date until recording of the Certificate of Completion, unless the Agreement is earlier terminated in accordance with its provisions.

3. **Notice.** The parties have executed and recorded this Memorandum to give notice of the Agreement and their respective rights and obligations under the Agreement to all

third parties. The Agreement is incorporated by reference in its entirety in this Memorandum. In the event of any conflict or inconsistency between this Memorandum and the Agreement, the Agreement will control.

4. Counterparts. This Memorandum may be executed in two or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.

*[Remainder of this page left intentionally blank]*

IN WITNESS WHEREOF the parties hereto have caused this Memorandum of Vertical Disposition and Development Agreement to be executed by their duly appointed representatives as of the date first above written.

**FORM OF PORT ESTOPPEL CERTIFICATE**

The **City and County of San Francisco**, a municipal corporation, operating by and through the **San Francisco Port Commission ("Port")** and \_\_\_\_\_, a \_\_\_\_\_ ("Vertical Developer"), are parties to that certain Vertical Disposition and Development Agreement dated \_\_\_\_\_, 20XX [as amended] (the "**VDDA**"). Port is the owner of the fee simple estate in the Property. Port hereby certifies in this Estoppel Certificate ("**Certificate**") to Vertical Developer (and to \_\_\_\_\_) the following as of \_\_\_\_\_, 20XX:

1. That, to the actual knowledge of Port, there does not exist an Event of Default, or Prospective Breach or Prospective Default (as to which the Port has received a notice of such Prospective Breach or Prospective Default), of Port under the Horizontal DDA except as follows: \_\_\_\_\_.

2. That, to the actual knowledge of Port, there is no Horizontal Developer Event of Default or Prospective Breach or Prospective Default (as to which the Port has given Horizontal Developer a notice of such Prospective Breach or Prospective Default) under the Horizontal DDA except as follows: \_\_\_\_\_.

3. The undersigned hereby certifies that he or she is duly authorized to sign and deliver this Certificate on behalf of Port.

For purposes of this Estoppel Certificate, the term "actual knowledge" shall mean the actual knowledge of Port after diligent inquiry. All capitalized terms not defined herein are as defined in the VDDA.

This Certificate shall be binding upon Port and inure to the benefit of Vertical Developer, \_\_\_\_\_ and their respective successors and assigns.

Dated: \_\_\_\_\_, 20\_\_\_\_.

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |   |   |   |  |
|--|---|---|---|--|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |   |   |   |  |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation Responsibility   | Mitigation Schedule                       | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule  |
| MITIGATION MEASURES FOR THE SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT  |   |   |   |  |
| <i>Cultural Resources (Archaeological Resources) Mitigation Measures</i>   |   |   |   |  |
| <p><b>M-CP-2: Archeological Testing.</b><br/>Based on a reasonable presumption that archeological resources may be present within the project site, the following measures shall be undertaken to avoid any potentially significant adverse effect from the proposed project on buried or submerged historical resources. The project sponsor shall retain the services of an archeological consultant from the rotational Qualified Archeological Consultants List (QACL) maintained by the Planning Department archeologist. The project sponsor shall contact the Planning Department archeologist to obtain the names and contact information for the next three archeological consultants on the QACL. The archeological consultant shall undertake an archeological testing program as specified herein. In addition, the consultant shall be available to conduct an archeological monitoring and/or data recovery program if required pursuant to this measure. The archeological consultant's work shall be conducted in accordance with this measure at the direction of the Environmental Review Officer (ERO). All plans and reports prepared by the consultant, as specified herein, shall be submitted first and directly to the ERO for review and comment and shall be considered draft reports subject to revision until final approval by the ERO. Archeological monitoring and/or data recovery programs required by this measure could suspend construction of the project for up to a maximum of 4 weeks. At the direction of the ERO, the suspension of construction can be extended beyond 4 weeks only if such a suspension is the only feasible means to reduce to a less-than-significant level of potential effects on a significant archeological resource, as defined in CEQA Guidelines, Sections 15064.5 (a) and (c).</p> | <p>Permittee for horizontal improvements, such as infrastructure, in public right-of-ways, and public spaces (hereinafter "infrastructure developer") or vertical developer(s) for work on vertical development parcels and related improvements (hereinafter "vertical developer(s)"),<sup>1</sup> as applicable, to retain qualified professional archaeologist from the rotational pool of archaeological consultants maintained by the Planning</p> | <p>Prior to issuance of site permits.</p> | <p>Infrastructure developer or vertical developer, as applicable, to retain the qualified archeological consultant for the project who shall report to the ERO. Qualified archeological consultant will scope archeological testing program with ERO.</p> | <p>Considered complete when infrastructure developer or vertical developer(s), as applicable, retains a qualified professional archaeological consultant and archeological consultant has approved scope by the ERO and submits any required reports to ERO for the archeological testing program.</p> |

<sup>1</sup> Where applicable, "vertical developer" includes the Pier 48 developer.

|---|--|---|---|---|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.  |  |   |   |   |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL  | Implementation Responsibility  | Mitigation Schedule   | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule   |
| <p><i>Consultation with Descendant Communities:</i> On discovery of an archaeological site<sup>2</sup> associated with descendant Native Americans, the overseas Chinese, or other potentially interested descendant group, an appropriate representative<sup>3</sup> of the descendant group and the ERO shall be contacted. The representative of the descendant group shall be given the opportunity to monitor archaeological field investigations of the site and offer recommendations to the ERO regarding appropriate archeological treatment of the site, recovered data from the site, and, if applicable, interpretative treatment of the associated archeological site. A copy of the final archeological resources report shall be provided to the representative of the descendant group.</p> | <p>Department.</p> <p>Infrastructure developer or vertical developer(s) (as applicable) and archaeological consultant.</p> | <p>For the duration of soil-disturbing activities and data recovery of potentially significant archeological sites.</p> | <p>Infrastructure developer or vertical developer(s) (as applicable) and/or archaeological consultant shall contact the ERO and descendant group representative upon discovery of an archaeological site associated with descendant Native Americans, Overseas Chinese, or interested descendant group. The representative of the descendant group shall be given the opportunity to monitor archaeological field investigations on the site and consult with the ERO regarding appropriate archaeological treatment of the site, of recovered data from the site, and, if applicable, any interpretative treatment of the associated archaeological site. Archaeological Consultant shall prepare a Final Archaeological Resources</p> | <p>Considered complete upon submittal of Final Archaeological Resources Report.</p> |

<sup>2</sup> The term "archeological site" is intended here to include any archeological deposit, feature, burial, or evidence of burial.

<sup>3</sup> An "appropriate representative" of the descendant group is here defined to mean, in the case of Native Americans, any individual listed in the current Native American contact list for the City and County of San Francisco maintained by the NAHC or, in the case of overseas Chinese, the Chinese Historical Society of America. An appropriate representative of other descendant groups should be determined in consultation with the department archeologist.

| MEASURES ADOPTED AS CONDITIONS OF APPROVAL  | Implementation Responsibility  | Mitigation Schedule  | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule  |
|   |  |  | Report in consultation with the ERO (per below). A copy of this report shall be provided to the ERO and the representative of the descendant group.   |  |
| <i>Archeological Testing Program.</i> The archeological consultant shall prepare and submit to the ERO for review and approval an archeological testing plan (ATP). The archeological testing program shall be conducted in accordance with the approved ATP. The ATP shall identify the property types of the expected archeological resource(s) that could be adversely affected by the proposed project, the testing method to be used, and the locations recommended for testing. The purpose of the archeological testing program will be to determine, to the extent possible, the presence or absence of archeological resources and identify and evaluate whether any archeological resource encountered on the site constitutes a historical resource under CEQA.  | Infrastructure developer or vertical developer(s) (as applicable) and archaeological consultant in consultation with the ERO. Development of ATP for a defined geographic area and/or specified construction activities. | Prior to any excavation, site preparation or construction, and prior to testing, submit an ATP for a defined geographic area and/or specified construction activities to and obtain approval by the ERO. A single ATP or multiple ATPs may be produced to address project phasing. | Archaeological consultant to undertake ATP in consultation with ERO.  | Prior to any soil disturbing activities. Considered complete upon approval of the ATP by the ERO and finding by the ERO that the ATP is implemented. |
| At the completion of the archeological testing program, the archeological consultant shall submit a written report of the findings to the ERO. If, based on the archeological testing program, the archeological consultant finds that significant archeological resources may be present, the ERO, in consultation with the archeological consultant, shall determine if additional measures are warranted. Additional measures that may be undertaken include additional archeological testing, archeological monitoring, and/or an archeological data recovery program. No archeological data recovery shall be undertaken without the prior approval of the ERO or the Planning Department archaeologist. If the ERO determines that a significant archeological resource is present and that the resource could be adversely affected by the proposed project, at the discretion of the project sponsor: | Infrastructure developer or vertical developer(s) (as applicable) and archaeological consultant in consultation with the ERO.  | Upon completion of the archeological testing program.  | Archaeological consultant to submit results of testing, and, in consultation with ERO, determine whether additional measures are warranted. If significant archaeological resources are present and may be adversely affected, the infrastructure developer or vertical developer(s) (as applicable), at its discretion, may elect to redesign a project, or implement data | Considered complete after ERO review and approval of report(s) on ATP findings.  |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |   |  |   |  |
|--|---|--|---|--|

| <p>resource:</p> <ul style="list-style-type: none"> <li>The archeological monitor(s) shall be present on the project site according to the schedule agreed upon by the archeological consultant and the ERO until the ERO has, in consultation with project archeological consultant, determined that project construction activities could have no effects on significant archeological deposits;</li> <li>The archeological monitor shall record and be authorized to collect soil samples and artifactual/ecofactual material as warranted for analysis;</li> <li>If an intact archeological deposit is encountered, all soil-disturbing activities in the vicinity of the deposit shall cease. The archeological monitor shall be empowered to temporarily redirect demolition/excavation/pile-driving/construction activities and equipment until the deposit is evaluated. If, in the case of pile-driving activity (foundation, shoring, etc.), the archeological monitor has cause to believe that the pile-driving activity may affect an archeological resource, the pile-driving activity shall be terminated until an appropriate evaluation of the resource has been made in consultation with the ERO. The archeological consultant shall immediately notify the ERO of the encountered archeological deposit. The archeological consultant shall make a reasonable effort to assess the identity, integrity, and significance of the encountered archeological deposit and present the findings of this assessment to the ERO.</li> <li>Whether or not significant archeological resources are encountered, the archeological consultant shall submit a written report of the findings of the monitoring program to the ERO.</li> </ul> |  | consultant shall determine what archeological monitoring is necessary. A single AMP or multiple AMPs may be produced to address project phasing. |   |   |
| <p><i>Archeological Data Recovery Program.</i> The archeological data recovery program shall be conducted in accordance with an archeological data recovery plan (ADRP). The archeological consultant, project sponsor, and ERO shall meet and consult on the scope of the ADRP prior to preparation of a draft ADRP. The archeological consultant shall submit a draft ADRP to the ERO. The ADRP shall identify how the proposed data recovery program will preserve the significant information the archeological resource is expected to contain. That is, the ADRP will identify what scientific/historical research questions are applicable to the expected resource, what data classes the resource is expected to possess, and how the expected data classes would</p>   | Infrastructure developer or vertical developer(s) (as applicable) and archeological consultant in consultation with the ERO. | Upon determination by the ERO that an ADRP is required. A single ADRP or multiple ADRPs may be produced to address project phasing.              | If required, archeological consultant to prepare an ADRP(s) in consultation with the ERO. | Considered complete upon review and approval of the ADRP(s) by the ERO. |

| <p>address the applicable research questions. Data recovery, in general, should be limited to the portions of the historical property that could be adversely affected by the proposed project. Destructive data recovery methods shall not be applied to any portions of the archeological resources if nondestructive methods are practical.</p> <p>The scope of the ADRP shall include the following elements:</p> <ul style="list-style-type: none"> <li>Field Methods and Procedures. Descriptions of proposed field strategies, procedures, and operations.</li> <li>Cataloging and Laboratory Analysis. Description of selected cataloging system and artifact analysis procedures.</li> <li>Discard and Deaccession Policy. Description of and rationale for field and post-field discard and deaccession policies.</li> <li>Interpretive Program. Consideration of an onsite/offsite public interpretive program during the course of the archeological data recovery program.</li> <li>Security Measures. Recommended security measures to protect the archeological resource from vandalism, looting, and nonintentionally damaging activities. Final Report. Description of proposed report format and distribution of results.</li> <li>Curation. Description of the procedures and recommendations for the curation of any recovered data having potential research value. identification of appropriate curation facilities, and a summary of the accession policies of the curation facilities.</li> </ul> |   |   |   |   |
| <p><i>Final Archeological Resources Report.</i> The archeological consultant shall submit a Draft Final Archeological Resources Report (FARR) to the ERO that evaluates the historical significance of any discovered archeological resource and describes the archeological and historical research methods employed in the archeological testing/monitoring/data recovery program(s) undertaken. A separate, brief, non-confidential summary of findings that can be made available to the public shall be submitted with each FARR.</p>   | Infrastructure developer or vertical developer(s) (as applicable) and archaeological consultant in consultation with the ERO. | For infrastructure developer-prior to acceptance of work. Prior to issuance of Certificate of Temporary or Final Occupancy, whichever occurs first. | If applicable, archaeological consultant to submit a Draft FARR to ERO. | Considered complete on submittal of FARR and approval by ERO. |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |  |   |   |  |
|--|--|---|---|--|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |  |   |   |  |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation Responsibility  | Mitigation Schedule   | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule  |
| Once approved by the ERO, copies of the FARR shall be distributed as follows: California Archeological Site Survey Northwest Information Center (NWIC) shall receive one copy, the ERO shall receive a copy of the transmittal of the FARR to the NWIC, and the Environmental Planning division of the Planning Department shall receive one bound, one unbound, and one unlocked, searchable PDF copy on CD of the FARR, along with copies of any formal site recordation forms (CA DPR 523 series) and/or documentation for nomination to the National Register of Historic Places/California Register of Historical Resources. In instances of high public interest in or high interpretive value of the resource, the ERO may require a final report content, format, and distribution different from that presented above.  | Archaeological consultant at the direction of the ERO.   | Upon approval of the FARR by the ERO.   | Archaeological consultant to distribute FARR.   | Considered complete when archaeological consultant provides written certification to the ERO that the required FARR distribution has been completed.         |
| <b>M-CP-3: Treatment of Human Remains, Associated or Unassociated Funerary Objects.</b><br>The treatment of human remains and associated or unassociated funerary objects discovered during any soil-disturbing activity shall comply with applicable state and federal laws. This shall include immediate notification of the coroner of the City and County of San Francisco and, in the event of the coroner's determination that the human remains are Native American remains, notification of the Native American Heritage Commission (NAHC), which shall appoint a Most Likely Descendant (MLD) (PRC Section 5097.98). The ERO will also be immediately notified. The archaeological consultant, project sponsor, ERO, and MLD shall have up to but not beyond 6 days after the discovery to make all reasonable efforts to develop an agreement for the treatment of human remains and associated or unassociated funerary objects with appropriate dignity (CEQA Guidelines, Section 15064.5(d)). The agreement should take into consideration the appropriate excavation, removal, recordation, analysis, custodianship, curation, and final disposition of the human remains and associated or unassociated funerary objects. Nothing in existing state regulations or in this mitigation measure compels the project sponsor and the ERO to accept recommendations of an MLD. The archaeological consultant shall retain possession of any Native American human remains and associated or unassociated burial objects until completion of any scientific analyses of the human remains or objects, as specified in the treatment agreement, if such an agreement has been made or, otherwise, as determined by the archaeological consultant and the ERO. | Infrastructure developer or vertical developer(s) (as applicable) and archaeological consultant, in consultation with the San Francisco Coroner, NAHC, ERO, and MLD. | In the event human remains and/or funerary objects are encountered, during soils disturbing activity. | Archaeological consultant or archaeological monitor or infrastructure developer or vertical developer(s) or contractor to contact San Francisco County Coroner and ERO Implement regulatory requirements, if applicable, regarding discovery of Native American human remains and associated and/or unassociated funerary objects. Contact archaeological consultant and ERO. | Considered complete on notification of the San Francisco County Coroner, ERO, and NAHC, if necessary, and completion of treatment agreement and/or analysis. |

| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation Responsibility   | Mitigation Schedule   | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule   |
| <p><b>M-CP-4: Tribal Cultural Resources Interpretive Program.</b></p> <p>If the ERO determines that a significant archeological resource is present, and if in consultation with the affiliated Native American tribal representatives, the ERO determines that the resource constitutes a tribal cultural resource (TCR) and that the resource could be adversely affected by the proposed project, the proposed project shall be redesigned so as to avoid any adverse effect on the significant tribal cultural resource, if feasible.</p> <p>If the Environmental Review Officer (ERO) determines that preservation-in-place of the tribal cultural resource (TCR) pursuant to Mitigation Measure M-CP-2, Archeological Testing, is both feasible and effective, then the archeological consultant shall prepare an archeological resource preservation plan (ARPP). Implementation of the approved ARPP by the archeological consultant shall be required when feasible.</p> <p>If the Environmental Review Officer (ERO), if in consultation with the affiliated Native American tribal representatives and the Project Sponsor, determines that preservation-in-place of the tribal cultural resources is not a sufficient or feasible option, the project sponsor shall implement an interpretive program of the TCR in consultation with affiliated tribal representatives. An interpretive plan produced in consultation with the ERO and affiliated tribal representatives, at a minimum, and approved by the ERO would be required to guide the interpretive program. The plan shall identify, as appropriate, proposed locations for installations or displays, the proposed content and materials of those displays or installation, the producers or artists of the displays or installation, and a long-term maintenance program. The interpretive program may include artist installations, preferably by local Native American artists, oral histories with local Native Americans, artifacts displays and interpretation, and educational panels or other informational displays.</p> | Infrastructure developer or vertical developer(s) (as applicable), archeological consultant, and ERO, in consultation with the affiliated Native American tribal representatives. | If significant archeological resources are present, during implementation of the project.     | Infrastructure developer, vertical developer(s), or archeological consultant shall implement the project redesign, completion of archeological resource preservation plan, or interpretive program of the TCR, if required. | Considered complete upon project redesign, completion of ARPP, or interpretive program of the TCR, if required. |
| <b>Transportation and Circulation Mitigation Measures</b>  |   |   |   |   |
| <p><b>M-TR-3: Parking Garage and Intersection Queue Impacts.</b></p> <p>The easternmost driveway on Long Bridge Street (i.e., closest to Bridgeview Street) shall be restricted to right-in, right-out access during all times. Restricted access could be accomplished by placing signage (i.e., on Long Bridge Street to direct westbound traffic to the westernmost garage driveway, and within the parking garage for exiting traffic to indicate outbound right</p>   | Infrastructure developer, garage operator, or vertical developer(s) of garage.  | Prior to issuance of certificate of occupancy of Block D2 parking garage.<br>Note: Mitigation | SFMTA, in consultation with the Planning Department and the Port, to review and sign off on detailed plans regarding driveways to ensure design will  | Considered complete upon approval of the final driveway plans by SFMTA.   |

| turn movement only allowed) as well as delineators of a sufficient length in the middle of Long Bridge Street to block left-turn access to the driveway.  |   | Measure M-TR-3 is not applicable to Variant 3 (Reconfigured Parking).   | sufficiently restrict movements at driveway to right-in, right-out.  | Planning Department, and the Port.  |
| <p><b>M-TR-4.1: Provide Fair-Share Contribution to Improve 10 Townsend Line Capacity.</b></p> <p>Upon completion and occupancy of Phase 1 of the proposed project and upon completion and occupancy of each subsequent phase as defined in the Development Agreement the project sponsor shall obtain from SFMTA the current ridership on the 10 Townsend and conduct an assessment of the capacity utilization at the screenline's Maximum Load Point (MLP) for weekday AM and PM peak hour conditions.</p> <p>If the capacity utilization exceeds 85 percent, a fair share contribution payment shall be made to SFMTA by the project sponsor, calculated as further provided in a Transit Mitigation Agreement described below, and attached to or incorporated into the Development Agreement. Such payment shall be adjusted, as appropriate, to the extent, if any, that the proposed project reflects either the High Residential Assumption or High Commercial Assumption based upon all phases of the proposed project that have been completed up to such date. Accordingly, the fair share contributions by phase may differ by scenario because the number of transit riders varies due to different mixes of land use.</p> <p>If the capacity utilization based on SFMTA's ridership data is less than 85 percent, then the project sponsor's fair share payment for that phase shall be \$0 and the process will repeat at the next subsequent phase. Each subsequent fair share calculation shall take account of amounts paid for prior phases, to ensure that payments are not duplicative for the same transit rider impacts.</p> <p>The project sponsor shall enter into a Transit Mitigation Agreement with the SFMTA pursuant to which the project sponsor will make a fair share contribution to the cost of providing additional bus service or otherwise improving service on the 10 Townsend. The fair share contribution as documented in the Transportation Impact Study for the proposed project shall not exceed the following amounts, in total across all phases:</p> <p>a. \$991,230 for High Commercial Assumption</p> | Infrastructure developer and/or vertical developer(s), Transportation Coordinator, and SFMTA. | Prior to issuance of certificate of occupancy of Phase 1 of the proposed project, enter into Transit Mitigation Agreement. Upon issuance of a certificate of occupancy for each phase of development as defined in the Development Agreement, SFMTA to provide ridership data and assess capacity utilization and, if capacity utilization exceeds 85 percent, the infrastructure developer/vertical developer(s) would pay fair share contribution fees as specified in this measure, which would be used by | Infrastructure developer and/or vertical developer(s) and Transportation Coordinator to obtain current ridership on the 10 Townsend from SFMTA and conduct an assessment of the capacity utilization associated with the project, as described in the measure. If the capacity utilization of the 10 Townsend line at its maximum load point exceeds 85 percent as measured at the completion of any individual project phase, and the SFMTA has committed to implement M-TR-4.1, the infrastructure developer shall provide a fair share contribution subject to the limits stated in M-TR-4.1 to capital costs for SFMTA to implement one of the designated capacity enhancement measures. | Considered complete upon execution of Transit Mitigation Agreement and payment of fair share contribution as described in this M-TR-4.1 for any phase of development for which such contribution is determined to be necessary. |

| <p>b. \$782,706 for High Residential Assumption</p> <p>SFMTA will determine whether adding bus(es) or other measures are more desirable to increase capacity along the route and will use the funds provided by the project sponsor to implement the most desirable measure(s), which may include but is not limited to the following measures:</p> <ol style="list-style-type: none"> <li>1. Convert to using higher-capacity vehicles on the 10 Townsend route. In this case, the project sponsor's fair share contribution may be utilized to convert the route to articulated buses. Some bus stops along the route may not currently be configured to accommodate the longer articulated buses. Some bus zones could be extended by removing one or more parking spaces at locations where appropriate space is available.</li> <li>2. Instead of adding more buses to a congested route, increase travel speeds along the route which would allow for buses to move faster thus increasing efficiency and reliability. In this case, the project sponsor's fair share contribution may be used to fund a study to identify appropriate and feasible improvements and/or implement a portion of the improvements that would increase travel speeds enough to increase capacity along the bus route. Such improvements could include transit only lanes, transit signal priority, and transit boarding improvements.</li> <li>3. Increase capacity along the corridor by adding a new Muni service route in this area. If this option is selected, the project sponsor's fair share contribution may fund the purchase of the new vehicles.</li> </ol> |  | SFMTA to increase capacity.   |   |   |
| <p><b>M-TR-4.2: Provide Fair-Share Contribution to Improve 30 Stockton Line Capacity Proposed Project.</b></p> <p>Upon completion and occupancy of Phase I of the proposed project and upon completion and occupancy of each subsequent phase as defined in the Development Agreement, the project sponsor shall obtain from SFMTA the current ridership on the 30 Stockton and conduct an assessment of the capacity utilization at the Maximum Load Point (MLP) on the route between the proposed project and Market Street for weekday PM peak hour conditions.</p> <p>If the capacity utilization exceeds 85 percent, a fair share contribution payment shall be made by the project sponsor, calculated as further provided in Transit Mitigation Agreement described below, and attached to or incorporated into the Development Agreement. Such payment shall be</p>  | Infrastructure developer and/or vertical developer(s), or Transportation Coordinator, and SFMTA. | Prior to issuance of certificate of occupancy of Phase I of the proposed project, enter into Transit Mitigation Agreement. Upon issuance of a certificate of occupancy for each phase of development as | Infrastructure developer or Transportation Coordinator to obtain current ridership on the 30 Stockton from SFMTA and conduct an assessment of the capacity utilization associated with the project, as described in the measure.<br><br>If the capacity utilization of the 30 Stockton line at its maximum load point exceeds 85 percent as measured at | Considered complete upon execution and implementation of Transit Mitigation Agreements and payment of fair share contribution as described in this M-TR-4.2 for any phase for which |

| bus route. Such improvements could include transit only lanes, transit signal priority, and transit boarding improvements.<br>3. Increase capacity along the corridor by adding a new Muni service route in this area. If this option is selected, the project sponsor's fair share contribution may fund the purchase of the new vehicles.   |  |   |  |   |
| <b>M-TR-6: Parking Garage and Intersection Queue Impacts on Transit Delay</b><br>A. The westernmost driveway on Mission Rock Street (i.e., closest to Third Street) shall be restricted to right-in, right-out access and closed during large AT&T Park events. Restricted access could be accomplished by placing signage as well as delineators of a sufficient length on the center line on Mission Rock Street east of Third Street to block left-turn access to the driveway.  | Infrastructure developer and/or garage operator<br>SFMTA, Planning Department,<br>Transportation Coordinator, onsite transportation staff, parking garage management staff, event staff. | Prior to certificate of occupancy for Block D garage.   | SFMTA, in consultation with the Planning Department and the Port, to review and sign off on detailed plans regarding driveways to ensure design will sufficiently restrict movements at driveway to right-in, right-out. | Infrastructure developer's/garage operator's obligations deemed complete once construction of listed improvements are complete. |
| B. A "keep clear" zone shall be provided in front of the easternmost driveway on Mission Rock Street (i.e., closest to Bridgeview Street) to prevent westbound queues at the Third Street/Mission Rock traffic signal from blocking inbound access to the driveway. The Keep Clear pavement markings shall be placed in the westbound lane immediately in front of the easternmost driveway for the Block D2 parking garage.  | Infrastructure developer and/or garage operator<br>SFMTA, Planning Department,<br>Transportation Coordinator, onsite transportation staff, parking garage management staff, event staff. | Prior to the opening of the Block D2 garage.  | SFMTA, in consultation with the Planning Department and the Port, to review and sign off on detailed plan regarding the easternmost driveway keep clear zone.  | Infrastructure developer's/garage operator's obligations deemed complete once construction of listed improvements are complete. |
| C. The southbound left-turn lane at the Third Street/Mission Rock Street intersection shall be restriped to extend the length of the left-turn lane to 350 feet. Advance traffic signal detection equipment shall be installed at the end of the newly striped left-turn pocket to detect when queues fill up the left-turn pocket and extend north to the end of the pocket near the Third Street/Channel Street intersection, allowing additional green time to be allocated to the southbound left-turn movement at the Third Street/Mission Rock Street traffic signal. | Infrastructure developer and/or garage operator<br>SFMTA, Planning Department,<br>Transportation Coordinator, onsite transportation staff, parking garage                                | Prior to certificate of occupancy for Block D garage; sequencing and selection of interventions outlined within Item C shall be at the direction of the | SFMTA, in consultation with the Planning Department and the Port, to review and sign off on detailed plans regarding extension of the left-turn pocket on Third Street/Mission Rock Street.                              | Infrastructure developer's/garage operator's obligations deemed complete once construction of listed improvements are complete. |

|  |  | non-holiday week.  |   |   |
| H. If the SFMTA Director, or his or her designee, receives information that a recurring queue that could affect the operation of the T Third line is imminent or present, SFMTA shall notify the property owner in writing. Upon request, the owner/operator shall hire a qualified transportation consultant to evaluate the conditions at the site for no less than 7 days. The consultant shall prepare a monitoring report to be submitted to SFMTA for review. If SFMTA determines that a recurring queue does exist, the facility owner/operator shall have 45 days from the date of the written determination to abate the excessive recurring queue. Approaches to queue abatement could include but are not limited to: changing parking access and revenue collection system (PARCS) technology to process vehicles more rapidly, adjusting the layout of the garage's ground floor to accommodate more queuing vehicles within the garage, implementing peak-period surge pricing to encourage garage access and egress outside of times with recurrent excessive queues; installing additional variable message signage further upstream from the site to direct drivers to garage access routes away from affected intersections; and/or closing, limiting or controlling Mission Rock Street access from Third Street during times with excessive recurrent queuing and redirecting garage-bound traffic to Terry A. Francois Boulevard. | Infrastructure developer and/or garage operator vertical, SFMTA, Planning Department, Transportation Coordinator, onsite transportation staff, parking garage management staff, event staff. | As may be requested during operations, per written notification by SFMTA. With commencement of operation of the Block D2 garage and on-going through the life of the project. If analysis is requested, the analysis shall be conducted during a period that is representative of standard traffic patterns, e.g. on week that does not contain a holiday, is not during winter break, or off-season, etc. The analysis period chosen by the infrastructure developer/garage operator and consultants must be approved by the SFMTA. | SFMTA.  | Ongoing during project operations after opening of Block D2 garage. |

| <p><b>M-TR-11.1: Commercial Loading Supply – Monitor Loading Activity and Implement Additional Loading Management Strategies as Needed.</b></p> <p>After completion of the first phase of the proposed project and prior to approval of each subsequent phase, the project sponsor shall conduct a study of utilization of commercial loading spaces. The methodology for the study shall be reviewed and approved by the Planning Department prior to completion. If the result of the study indicates that fewer than 15 percent of the commercial loading spaces are available during the peak loading period, the project sponsor shall implement additional loading management strategies and/or provide additional or expanded off-street loading supply sufficient to meet the loading demand in subsequent phases of the project in either the garages or in off-street parking in individual buildings, consistent with the proposed project's design intent. Additional loading strategies could include (but are not limited to): expanding efforts to coordinate with parcel delivery companies to schedule deliveries to the site during hours outside the peak hour of loading, installing parcel lock boxes that allow parcel delivery personnel unsupervised access to enable off-hour deliveries, coordinating delivery services across buildings to enable the delivery of several buildings' packages to a single location, and/or encouraging deliveries to the retail and restaurant components of the projects to happen during early morning or late evening hours. The project sponsor may also address a shortfall by reserving parking spaces for smaller delivery vehicles such as autos or vans, which comprise approximately two-thirds of the vehicle types for freight delivery service, on the ground floor of the Block D2 garage during peak or appropriate business hours for small-vehicle deliveries and, in connection therewith, providing hand trucks, bicycles, or electric wheeled carts for distribution of packages to buildings throughout the site.</p> <p>If plans for individual buildings include a driveway to off-street loading or parking (maximum 10 off-street spaces) along a frontage that has a designated on-street loading zone, an equivalent amount or level of off-street loading space shall be provided to effectively replace the lost on-street loading area.</p> | Infrastructure developer, vertical developer(s) or garage operators (as applicable). | <p>Study completion: after completion of the first phase of the proposed project and prior to approval of each subsequent phase.</p> <p>If additional loading management strategies ongoing in subsequent phases are needed: after completion of each phase for which additional strategies are applicable.</p> | <p>Planning Department, in consultation with the SFMTA, will review and approve methodology of utilization study.</p> <p>Infrastructure developer, vertical developer(s), and garage operators (as applicable) will provide report to Planning Department on implementation of additional loading management strategies, if required.</p> | <p>Considered complete for each phase after Planning Department staff reviews and approves the study, in consultation with the SFMTA, and, if deemed necessary, the infrastructure developer, vertical developer(s), and garage operators (as applicable) incorporate provides a report of how it incorporated any additional management strategies for loading into each applicable phase.</p> |

| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation Responsibility  | Mitigation Schedule  | Monitoring/Reporting Responsibility (Public Agency)   | Monitoring Schedule  |
| <ul style="list-style-type: none"> <li>A plan for notification of neighboring residents and nonresidential building managers within 300 feet of the project construction area at least 30 days in advance of extreme noise-generating activities (defined as activities that generate noise levels of 90 dBA or greater) about the estimated duration of the activity and the associated control measures that will be implemented to reduce noise levels.</li> </ul>  |  |  |   |  |
| <p><b>Mitigation Measure M-NOI-2.1: Noise Control Plan for Special Outdoor Amplified Sound.</b></p> <p>To reduce potential impacts related to noise generated by events in project outdoor use areas, the project sponsor shall develop and implement a Noise Control Plan for operations at the proposed entertainment venues to reduce the potential for noise impacts from public address and/or amplified music. This Noise Control Plan shall contain the following elements:</p> <ul style="list-style-type: none"> <li>The project sponsor shall comply with noise controls and restrictions in applicable entertainment permit requirements for outdoor concerts, and shall comply with the Port of San Francisco's "Good Neighbor" standards, unless the Port Commission makes a specific finding that a particular condition is unnecessary or infeasible.</li> <li>Speaker systems shall be directed away from the nearest sensitive receptors to the degree feasible.</li> <li>In order to limit or prevent sleep disturbance, events with amplified sound shall, to the extent reasonable and appropriate given the nature and context of the event, end at 10:00 p.m.</li> </ul> | Infrastructure developer and/or park manager, the Port, parks management entity and/or parks programming entity. | Prior to the issuance of event permit.   | Infrastructure developer and/or park manager, the Port, parks management entity and/or parks programming entity to submit the Noise Control Plan to the Port. | Considered complete upon submission and approval of the Noise Control Plan by the Port, although the Noise Control Plan may be adjusted as needed. |
| <p><b>Mitigation Measure M-NOI-2.2: Stationary Equipment Noise Controls.</b></p> <p>Noise attenuation measures shall be incorporated into all stationary equipment (including HVAC equipment and emergency generators) installed on all buildings that include such stationary equipment as necessary to meet noise limits specified in Section 2909 of the Police Code. Interior noise limits shall be met under both existing and future noise conditions, accounting for foreseeable changes in noise conditions in the future (i.e., changes in on-site building configurations). Noise attenuation measures could include provision of sound enclosures/barriers, addition of roof parapets to block noise, increasing setback distances from sensitive receptors, provision of louvered vent openings, location of vent openings away from adjacent residential uses, and restriction of generator testing to the daytime hours.</p>   | Vertical developer(s).   | Prior to the issuance of certificate of occupancy for each building located on the site. | The Port's Building Permit Group to review construction plans regarding noise attenuation measures for stationary equipment.                                  | Considered complete after submittal and approval of plans including noise attenuation measures by the Port's Building Permit Group.                |

| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation Responsibility   | Mitigation Schedule   | Monitoring/Reporting Responsibility (Public Agency)  | Monitoring Schedule   |
| <b>Mitigation Measure M-NOI-2.3: Design of Future Noise-Sensitive Uses.</b><br>Prior to issuance of a building permit for a residential building on Mission Rock Boulevard between Terry A. Francois Boulevard and Third Street, a noise study shall be conducted by a qualified acoustician to determine the need to incorporate noise attenuation measures into the building design in order to meet Title 24's interior noise limit for residential uses as well as the City's (Article 29, Section 2909(d)) 45-dBA (L <sub>dn</sub> ) interior noise limit for residential uses. This evaluation shall account for the projected increase in traffic noise as a result of project traffic along Mission Rock Boulevard between Terry A. Francois Boulevard and Third Street and any new shielding benefits provided by surrounding buildings that exist at the time of development, future cumulative traffic noise increases on adjacent roadways, existing and planned stationary sources (i.e., emergency generators, HVAC, etc.), and future noise increases from all known cumulative projects located with direct line-of-sight to the project building.   | Vertical developer(s) and qualified acoustician.  | Prior to the issuance of the building permit for vertical construction of any residential building on each parcel on Mission Rock Boulevard between Terry A. Francois Boulevard and Third Street. | Port staff to review the noise study. A single noise study or multiple noise studies may be produced to address project phasing.                                 | Considered complete after submittal and approval of the noise study by the Port.                            |
| <b>Mitigation Measure M-NOI-2.4: Design of Future Noise-Generating Uses near Residential Uses.</b><br>Future land uses shall be designed to minimize the potential for sleep disturbance (defined as exceeding 45 dBA at residential interiors during the hours of 10 p.m. to 7 a.m.) at any future adjacent residential uses. Design approaches including, but not limited to, the following shall be incorporated into future development plans to minimize the potential for noise conflicts of future uses on the project site: <ul style="list-style-type: none"> <li>• Design of Future Noise-Generating Uses. To reduce potential conflicts between sensitive receptors and new noise-generating land uses located adjacent to these receptors, exterior facilities such as loading areas/docks, trash enclosures, and surface parking lots shall be located on the sides of buildings facing away from existing or planned sensitive receptors (e.g., residences). If this is not feasible, these types of facilities shall be enclosed or equipped with appropriate noise shielding.</li> <li>• Design of Future Above-Ground Parking Structure on Block D2. For parking garage on Block D2, the sides of the parking structures facing adjacent or nearby existing or planned residential uses shall be designed to shield residential receptors from noise associated with parking cars.</li> </ul> | Garage developer (for Block D2 garage) and vertical developer(s) (for commercial/office buildings), | Prior to the issuance of a building permit for each commercial/office building, and prior to issuance of building permit for Block D2 parking garage.   | The Port's Building Permit Group to review construction plans to confirm that future noise-generating land uses meet the requirements of this Measure M-NOI-2.4. | Considered complete after submittal and approval of construction plans by the Port's Building Permit Group. |

| <b>Mitigation Measure M-AQ-1.3: Low-VOC Architectural Coatings.</b><br>The project sponsor shall use low-VOC (i.e., ROG) coatings, beyond local requirements (i.e., Regulation 8, Rule 3: Architectural Coatings), for at least 90 percent of all residential and nonresidential interior and exterior paints. This includes all architectural coatings applied during both construction and reapplications throughout the project's operational lifetime. At least 90 percent of coatings applied must meet the "super-compliant" VOC standard of less than 10 grams of VOC per liter of paint. After start of construction activities, the contractor shall submit quarterly reports to the ERO documenting compliance with this measure by providing an inventory listing the VOC content of all coatings purchased and applied during construction activities.<br>For the reapplication of coatings during the project's operational lifetime, the Declaration of Covenants, Conditions, and Restrictions shall also contain a stipulation that low-VOC coatings must be used and a list of potential coatings shall be provided. A list of "super-compliant" coatings can be found on the South Coast Air Quality Management District's website: <a href="http://www.aqmd.gov/home/regulations/compliance/architectural-coatings/super-compliant-coatings">http://www.aqmd.gov/home/regulations/compliance/architectural-coatings/super-compliant-coatings</a> . | Vertical developer(s).        | At the start of construction activities and quarterly during construction and the project's operational lifetime.   | Vertical developer(s) to submit initial report and quarterly reports to the Port's Building Permit Group documenting compliance for review and approval.  | Ongoing throughout construction and operation.  |
| <b>Mitigation Measure M-AQ-1.4: Best Available Control Technology for In-Water Construction Equipment.</b><br>The project sponsor shall require all construction contractors to implement the following measures to reduce emissions from in-water equipment.<br>A. Engine Requirements <ol style="list-style-type: none"> <li>1. The project sponsor shall ensure that the construction barge shall have engines that meet or exceed USEPA marine engine Tier 3 emissions standards.</li> <li>2. The project sponsor shall also ensure that the construction work boat engine shall be model year 2005 or newer or meet NOx and PM emissions standards for that model year.</li> </ol>   | Pier 48 developer.            | Prepare and Implement Construction Emissions Minimization Plan including barge and work boat engine requirements. Prior to issuance of a grading, excavation, or demolition permits | Pier 48 developer or contractor to submit a Construction Emissions Minimization Plan including barge and work boat engine requirements to Port staff for review and approval. Quarterly reports to be submitted to Port staff documenting compliance with the plan for review and approval. | Considered complete upon Port review and approval of Construction Emissions Minimization Plan, ongoing review and approval of quarterly reports, and review and |

| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |                                  |  |   |                                  |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation<br>Responsibility | Mitigation<br>Schedule   | Monitoring/Reporting<br>Responsibility (Public<br>Agency) | Monitoring<br>Schedule           |
| <p>Planning Department's approval of the proposed offset project by providing documentation of the estimated amount of emissions of ROG and NOx to be reduced (tons per year) within the SFBAAB from the emissions reduction project(s). The project sponsor shall notify the Planning Department within 6 months of completion of the offset project for Planning Department verification.</p> <p>2. Pay a mitigation offset fee to the BAAQMD Bay Area Clean Air Foundation (Foundation) in installments, as further described below, with each installment amount to be determined prior to the estimated first year of exceedance. This fee is intended to fund emissions reduction projects to achieve reductions totaling up to 10.5 tons of ozone precursors per year, the estimated maximum tonnage of operational and construction-related emissions offsets required to reduce emissions below significance levels after implementation of other identified mitigation measures. This total emissions offset amount was calculated by summing the maximum daily construction and operational emissions of ROG and NO<sub>x</sub> (pounds/day), multiplying by 260 work days per year for construction and 365 days per year for operation, and converting to tons. The amount represents the total estimated operational and construction-related ROG and NO<sub>x</sub> emissions offsets required.</p> <p>The fee shall be paid in up to 12 installments, each installment payable at the time of application for a site permit for each development block, representing the portion of the 10.5 tons of ozone precursors per year attributable to each building, as follows: (a) Blocks A, G, and K: 6.6% or 0.70 tons per each development block; (b) Pier 48: 18.6% or 1.95 tons; (c) Blocks B, C, and D: 9% or 0.95 tons per each development block; (d) Blocks E and F: 10.3% or 1.08 tons per each development block; and (e) Blocks H, I, and J: 4.6% or 0.49 tons per each development block. The mitigation offset fee, currently estimated at approximately \$18,262 per weighted ton, shall not exceed \$35,000 per weighted ton of ozone precursors plus an administrative fee of no more than 5 percent of the total offset to fund one or more emissions reduction projects within the SFBAAB. The not to exceed amount of \$35,000 will be adjusted to reflect annual California Consumer Price Index adjustments between 2017 and the estimated first year of exceedance. Documentation of payment shall be provided to the Planning Department.</p> |                                  | with site permit application for each block, if no specific project or program is identified. Enter into MOU with BAAQMD Foundation and pay offset fee in installments for each development block. |   | installment outlined in the MOU. |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |                                  |   |   |  |
|--|----------------------------------|---|---|--|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |                                  |   |   |  |
| MEASURES ADOPTED AS CONDITIONS OF APPROVAL   | Implementation<br>Responsibility | Mitigation<br>Schedule  | Monitoring/Reporting<br>Responsibility (Public<br>Agency)   | Monitoring<br>Schedule   |
| Unless directly implementing a specific offset project (or program) as described above, the project sponsor would enter into a Memorandum of Understanding (MOU) with the BAAQMD Foundation in connection with each installment payment described above. The MOU will include details regarding the funds to be paid, the administrative fee, and the timing of the emissions reductions project. Acceptance of this fee by the BAAQMD shall serve as acknowledgment and a commitment to (1) implement an emissions reduction project(s) within a time frame to be determined, based on the type of project(s) selected, after receipt of the mitigation fee to achieve the emissions reduction objectives specified above and (2) provide documentation to the Planning Department and the project sponsor describing the project(s) funded by the mitigation fee, including the amount of emissions of ROG and NOx reduced (tons per year) within the SFBAAB from the emissions reduction project(s). To qualify under this mitigation measure, the specific emissions reduction project must result in emission reductions within the SFBAAB that are real, surplus, quantifiable, and enforceable and would not otherwise be achieved through compliance with existing regulatory requirements or any other legal requirement. |                                  |   |   |  |
| <b>Mitigation Measure M-AQ-2.1: Best Available Control Technology for Operational Diesel Generators.</b><br>The project sponsor shall ensure that the operational backup diesel generators comply with the following: (1) ARB Airborne Toxic Control Measure (ATCM) emissions standards for model year 2008 or newer engines; and (2) meet or exceed one of the following emission standards for particulate matter: (A) Tier 4 interim certified engine or (B) Tier 2 or Tier 3 certified engine that is equipped with an ARB Level 3 VDECS. A nonverified diesel emissions control strategy may be used if the filter has the same particulate matter reduction as the identical ARB-verified model and BAAQMD approves of its use. The project sponsor shall submit documentation of compliance with the BAAQMD NSR permitting process (Regulation 2, Rule 2, and Regulation 2, Rule 5) and the emissions standard requirement of this measure to the Planning Department for review and approval prior to issuance of a permit for a backup diesel generator from any City agency.   | Vertical developer(s).           | Prior to issuance of permit for each backup diesel generator from BAAQMD. | Vertical developer(s) shall submit documentation of compliance to the Port for review and approval. | Considered complete upon review and approval of documentation by Port staff. |

| <p><b>Mitigation Measure M-AQ-2.2: Reactive Organic Gases Emissions Reduction Measures.</b></p> <p>To reduce ROG emissions associated with the project, the project sponsor shall provide education for residential and commercial tenants to help reduce area source (e.g., architectural coatings, consumer products, and landscaping) emissions associated with residential and building operations. Prior to receipt of any building permit and every 5 years thereafter, the project sponsor shall work with the San Francisco Department of Environment to develop electronic correspondence, which will be distributed by email annually to tenants of the project that encourages the purchase of consumer products that are better for the environment and generate fewer VOC emissions. The correspondence shall encourage environmentally preferable purchasing and include contact information and links to SF APPROVED. While microbreweries do not typically implement emission control devices, to further reduce ROG (primarily ethanol) emissions associated with Pier 48 industrial operations, the project sponsor shall implement technologies to reduce ethanol emissions if available and practicable. Such measures could include wet scrubbers, ethanol recovery and capture (e.g., carbon absorption) or incineration. At the time when specific designs for the Pier 48 use are submitted to the City for approval, the project sponsor shall provide an analysis that quantifies the emissions, based on the specific design proposal, and evaluates ROG emission control technologies.</p> | Vertical developer(s).  | Prior to issuance of any building permit and every 5 years thereafter.   | Vertical developer(s) to work with the San Francisco Department of Environment to develop materials. San Francisco Department of the Environment to review and approve materials.  | Considered complete after documentation provided to the Department of Environment of distribution of educational materials to residential and commercial tenants.                        |
| <p><b>Mitigation Measure M-AQ-2.3: Transportation Demand Management.</b></p> <p>The project sponsors shall prepare and implement a Transportation Demand Management (TDM) Plan. The TDM Plan shall have a goal of reducing estimated aggregate daily one-way vehicle trips by 20 percent compared to the aggregate daily one-way vehicle trips identified in the project's travel demand memo, prepared by Advant Consulting, dated June 30, 2015 ("Travel Demand Memo"), and attached as Appendix 4-4 to the Draft EIR. The project sponsors shall be responsible for monitoring implementation of the TDM Plan and proposing adjustments to the TDM Plan if its goal is not being achieved, in accordance with the following provisions.</p> <p>The TDM Plan may include, but is not limited to, the types of measures summarized below by way of example. TDM Plan measures shall generally be consistent with the City's adopted TDM Program Standards and the draft</p>   | Transportation Coordinator and/or infrastructure developer to prepare the TDM Plan, which will be implemented by the Transportation Coordinator and will be binding on all development parcels. | Transportation Coordinator and/or Infrastructure developer to prepare TDM Plan and submit to Planning Department staff prior to approval of the project. | Transportation Coordinator to submit the TDM Plan to Planning Department staff for review and approval. Transportation Coordinator to submit monitoring report annually to Planning Department staff and implement TDM Plan Adjustments (if required). | The TDM Plan is considered complete upon approval by the Planning Department staff, in consultation with the SFMTA. Annual monitoring reports would be on-going during project buildout. |

| offset fee in accordance with Mitigation Measure M-AQ-1.5, in the amount required to address both the shortfall in reduction during the previously monitored years and the anticipated shortfall in the remaining expected years of project operations, the latter of which shall be based on the shortfall that occurred in the most recently monitored year. Calculations of emissions to be offset shall be based on the total amount of emissions anticipated to be reduced by achieving the 20 percent TDM goal adjusted for the actual percentage of aggregate daily one-way vehicle trip reduction achieved in the most recently monitored year.  |   |  |  |   |
| <b>Wind and Shadow Mitigation Measures</b>   |   |  |  |   |
| <b>M-WS-1: Assessment and Mitigation of Wind Hazards on a Building-by-Building Basis.</b><br>1. Prior to or as part of the submittal package for the schematic design of a new building (Proposed Building), the Proposed Building developer shall submit to the Planning Department, for its review and approval, a scope of work and, following approval of the scope, a report from a Qualified Wind Consultant (QWC) that reviews the Proposed Building schematic design, absent landscaping. <sup>6</sup> "QWC" means a wind consultant retained by the Proposed Building(s) developer and approved by the Planning Department for preparation of the report. The EIR wind consultant for the proposed project and any other wind consultant on the City's then approved list or otherwise approved by the City will be considered a QWC.<br>2. The QWC report shall evaluate whether the Proposed Building(s) would create a Significant Wind Impact. "Significant Wind Impact" means a substantial increase on a site-wide basis in the number of hours per year that the 26 mph wind hazard criterion is exceeded or, if baseline wind conditions are greater than 26 mph, a substantial increase in the area subjected to winds greater than 26 mph. This analysis shall focus on the entire project area that was studied in wind tunnel tests conducted for the EIR and not just the area immediately surrounding the Proposed Building(s). | Vertical developer(s) and qualified wind consultant.<br><br>Vertical developer(s) to implement architectural or landscaping features, or a combination of such features, that have been demonstrated in wind tunnel to reduce the Proposed Building's wind hazards to a level no greater than those of either | Prior to or as part of the submittal package for the schematic design of a new building. | Vertical developer(s) to submit to the Planning Department and the Port, for their review and approval, a scope of work and, following the approval of the scope of work by Planning Department and Port staff, a report from a qualified wind consultant that determines building-specific wind conditions. | Considered complete upon approval of wind report by the Planning Department and Port. |

<sup>6</sup> The scope of work for this report shall use the same methodology and wind test point locations as the Wind Study prepared for this EIR.

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |   |                     |   |                     |
|--|---|---------------------|---|---------------------|
| NOTE: Each mitigation measure in this document applies to the proposed project and all variants, unless noted otherwise.   |   |                     |   |                     |

| <p>3. The QWC shall consider the Proposed Building(s) in the context of the "Current Project," which, at any given time during construction of the Project, shall be defined as the building masses used in the Original Model (Wind Study Configuration B),<sup>7</sup> except as updated to reflect schematic design submittals for any previously approved building that has not yet commenced construction, and construction permit designs for on-site buildings that are under construction or have completed construction. This model shall be referred to as the "Current Project" and shall be updated over time as architectural design for each proposed project block/building is completed.</p> <p>4. The Proposed Building shall be tested in the wind tunnel as proposed, including any architectural features that can be shown on plans to mitigate wind effects.<sup>8</sup> Testing may not include any existing or proposed onsite landscaping. A separate test shall be conducted with existing and proposed onsite landscaping included, if required per Section 5, below. The accompanying report shall compare the wind tunnel results analyzing the Proposed Building in the context of the Current Project to the following two baselines: (1) the EIR baseline conditions for the project site (Wind Study Configuration A), and (2) Existing Plus Project (i.e., with Mission Rock proposed project) conditions used in the EIR (Wind Study Configuration B).</p> <p>5. No further analysis shall be required if the QWC concludes, and the Planning Department concurs, that the Proposed Building's schematic design, absent proposed onsite landscaping, would not create a Significant Wind Impact. If the QWC concludes that the Proposed Building's schematic design, absent proposed onsite and existing offsite landscaping, would create a Significant Wind Impact, as defined above, then a second wind tunnel test shall be conducted, taking into account proposed onsite landscaping and existing offsite landscaping. The intent of landscaping is</p> | Wind Study Configuration A or Wind Study Configuration B. |                     |   |                     |

<sup>7</sup> All references to the Wind Study refer to the Mission Rock EIR Pedestrian Wind Study Wind Tunnel Tests Report prepared by RWDI, final report, January 25, 2017, which can be found in Appendix 7-1 to this EIR.

<sup>8</sup> These could include features such as setbacks, wind baffles, randomized balconies, overhangs, canopies, awnings and the like, provided they are consistent with the project's Design Controls and shown on schematic architectural plans for the Proposed Building.

| <p>If it is not feasible to avoid the nesting season and suitable nesting areas remain on the project site, the project sponsor shall hire a qualified wildlife biologist with demonstrated nest-searching experience to conduct surveys for nesting birds, including raptors. The following list details the nesting bird survey requirements for this project.</p> <ul style="list-style-type: none"> <li>One nesting bird assessment is required at the beginning of each year, at the start of the nesting bird season (February), to determine if suitable nesting habitat remains or has been reinstated (e.g., the project site is revegetated).</li> <li>If suitable nesting habitat is present, one nesting survey shall be conducted between February and April, and one nesting survey shall be conducted between April and June.</li> <li>Additional nesting surveys are required when construction work stops at a portion of the site where suitable nesting habitat remains for more than 15 days or if construction is phased in such a way that no disturbance has occurred in a portion of the project site.</li> <li>If active nests are observed during construction when the wildlife biologist is not present, all work within 250 feet of the nest shall stop, and wildlife biologist shall be contacted immediately. All personnel shall move at least 250 feet away from the nest. To the extent feasible, after consulting with the wildlife biologist, construction equipment shall be shut down or moved 250 feet away from the nest.</li> </ul> <p>Nesting bird surveys shall be performed no earlier than 7 days prior to the commencement of ground-disturbing activities and vegetation removal (including clearing, grubbing, and staging). The area surveyed shall include all construction areas as well as areas within 250 feet outside the boundaries of the areas to be cleared or as otherwise determined by the biologist.</p> <p>If the wildlife biologist finds any active nests (e.g., a nest with eggs, chicks, or young) during the survey, the biologist shall establish no-disturbance species-specific buffer zones for each nest, marked with high-visibility fencing, flagging, or pin flags. No construction activities shall be allowed within the buffer zones. The size of the buffer shall be based on the species' sensitivity to disturbance and planned work activities in the vicinity; typical buffer sizes are 250 feet for raptors and 50 feet for other birds. The buffer shall remain in effect until the chicks have fledged from the nest or the nest is no longer active, which will be verified by the biologist.</p> |                                  | <p>during the nesting season (February 1 through August 31), conduct pre-construction surveys (February through June), or remove vegetation and/or structures outside breeding season.</p> | <p>determining the survey effort and results and submit the memorandum to the infrastructure developer or vertical developer (s) (as applicable) and Port staff within 7 days of survey completion. Port staff to review and approve report.</p> | <p>approval of nesting surveys by Port staff.</p> |

| procedures, museum storage coordination for any specimen recovered, and a report of findings. Recommendations in the recovery plan that are determined by the San Francisco Planning Department to be necessary and feasible shall be implemented before construction activities can resume at the site where the paleontological resources were discovered. The San Francisco Planning Department shall be responsible for ensuring that the monitor's recommendations regarding treatment and reporting are implemented.   |   |  |   |                                      |
| IMPROVEMENT MEASURES FOR THE SEAWALL LOT 337 AND PIER 48 MIXED-USED PROJECT  |   |  |   |                                      |
| <p><b>I-TR-1: Construction Management Plan.</b><br/> <b>Traffic Control Plan for Construction</b> – To reduce potential conflicts between construction activities and pedestrians, bicyclists, transit and autos during construction activities, the project sponsor should require construction contractor(s) to prepare a traffic control plan for major phases of construction (e.g. demolition and grading, construction, or renovation of individual buildings). The project sponsor and their construction contractor(s) should meet with relevant City agencies to coordinate feasible measures to reduce traffic congestion, including temporary transit stop relocations and other measures to reduce potential traffic and transit disruption and pedestrian circulation effects during major phases of construction. This includes coordinating project construction activities with nearby City construction projects, such as the Third Street Rehabilitation Project. For any work within the public right-of-way, the contractor would be required to comply with the San Francisco's Regulations for Working in San Francisco Streets, which establishes rules and permit requirements so that construction activities can be conducted safely and with the least possible interference with pedestrians, bicyclists, transit, and vehicular traffic. Additionally, restrict truck movements and deliveries to the maximum feasible extent during peak hours (generally 7:00 to 9:00 a.m. and 4:00 to 6:00 p.m., or other times, as determined by SFMTA and the TASC).</p> <p>In the event that the construction timeframes of the major phases and other development projects adjacent to the project site overlap, the project sponsor should coordinate with City agencies through the TASC and the adjacent developers to minimize the severity of any disruption to adjacent land uses and transportation facilities from overlapping construction transportation</p> | Infrastructure developer and/or developer(s) (as applicable) (s). | Construction Management Plan for Construction: Prior to the issuance of a grading, excavation, or building permit. Project Construction Updates: ongoing throughout construction activities. | Infrastructure developer and/or vertical developer(s) (as applicable) and construction contractor(s) to submit Traffic Control Plan for Construction to the Port and SFMTA for review and approval. Project construction update materials would be provided in the annual mitigation and monitoring plan. | Ongoing during project construction. |

| MITIGATION MONITORING AND REPORTING PROGRAM FOR<br>SEAWALL LOT 337 AND PIER 48 MIXED-USE PROJECT   |                                  |  |   |  |

**FORM OF ARCHITECT'S CERTIFICATE**

**VERTICAL DDA EXHIBIT P  
FORM OF ARCHITECT'S CERTIFICATE**

TO: Port of San Francisco  
Pier 1  
San Francisco, California 94111

Completion of Vertical Project at Mission Rock: insert address/Project name

DATE: \_\_\_\_\_, 20XX

FROM: Architect of Record, \_\_\_\_\_

The statements herein refer only to the Construction Documents prepared by the Architect. Any and all construction documents prepared by others, such as engineers, consultants or contractors, are not included in these representations.

This Architect's Certificate is being provided pursuant to Section 13.1(a) of that certain Vertical Disposition and Development Agreement dated \_\_\_\_\_, 20XXXX (as may be amended from time to time, the "**Vertical DDA**") between the **City and County of San Francisco**, a municipal corporation, operating by and through the **San Francisco Port Commission** and \_\_\_\_\_, a \_\_\_\_\_. Capitalized terms used herein have the meanings given them in the Vertical DDA.

We hereby declare that we are architects licensed in the State of California and that we prepared the final Construction Documents for the Vertical Project [**Add the following only if applicable:** (other than Deferred Infrastructure).] As Architect of Record for the construction of the Vertical Project, to the best of our knowledge, we hereby declare as follows:

1. The Vertical Project has been completed in accordance with the final Construction Documents except as noted on **Schedule A** attached hereto (collectively, the "**Plans**"). The Plans describe the Vertical Project, completely and accurately, depict all material parts of the Vertical Project and have been completed with the standard of care exercised in this profession.
2. Based on our observations, the construction of the Vertical Project has been performed in a good and worker-like manner, except as may be noted on Schedule A attached hereto.
3. In our professional opinion, the completed Vertical Project complies with all applicable local, state, federal laws, regulations and ordinances in all material respects.

4. We have been notified by our client, the Vertical Developer, that the required Regulatory Approvals from all Regulatory Agencies related to the Vertical Project have been issued and are in force, and there is not an undischarged violation of applicable Laws of which we have notice as of the date hereof, except as may be noted on **Schedule A** attached hereto.

5. We have been notified in signed reports by independent, qualified testing professionals that the following utilities are connected to the Property and are fully operational: \_\_\_\_\_

**CERTIFICATE OF COMPLETION OF VERTICAL PROJECT**

WHEREAS, the **CITY AND COUNTY OF SAN FRANCISCO**, operating by and through the **SAN FRANCISCO PORT COMMISSION ("Port")** and \_\_\_\_\_, a \_\_\_\_\_ (the "**Vertical Developer**") entered into a Vertical Disposition and Development Agreement dated as of \_\_\_\_\_, 20XX (the "**Vertical DDA**"), a memorandum of which was recorded on \_\_\_\_\_, 20XX, in the Office of the Recorder of the City and County of San Francisco, in Reel \_\_\_\_\_, of the Official Records, at Image \_\_\_\_\_, setting forth the rights and obligations of the Vertical Developer with respect to the construction of the Vertical Project on that certain real property situated in the City and County of San Francisco, State of California, which property is particularly described in **Exhibit A** attached hereto and made a part hereof (the "**Property**"), and setting forth the terms and conditions under which Port and Vertical Developer would enter into a lease for the Property. Except as otherwise defined herein, capitalized terms shall have the meanings given them in the Vertical DDA;

WHEREAS, by Lease No. \_\_\_\_\_ dated as of \_\_\_\_\_, 20\_\_\_\_ (the "**Lease**"), a memorandum of which was recorded on \_\_\_\_\_, 20\_\_\_\_, in the Office of the Recorder of the City and County of San Francisco, in Reel \_\_\_\_\_, of the Official Records, at Image \_\_\_\_\_, Port did convey to the Vertical Developer (as Tenant thereunder) a leasehold interest in the Property;

WHEREAS, Port has conclusively determined that Vertical Developer has Completed the Vertical Project and fully performed all obligations under the Vertical DDA in accordance with its terms;

WHEREAS, as stated in the Vertical DDA, Port's determination regarding the Completion of the Vertical Project is not directed to, and thus Port assumes no responsibility by virtue of this Certificate of Completion for, any of the Project Requirements or compliance with

applicable Laws, including applicable building, fire, or other code requirements, conditions to occupancy of any improvement, or other applicable Laws; and

WHEREAS, capitalized terms not defined in this Certificate of Completion of Vertical Project will have the meanings given them in the Vertical DDA.

NOW THEREFORE, as provided in the Vertical DDA, and subject to the foregoing provisions hereof, Port does hereby certify that the Vertical Project has been fully performed and completed as aforesaid as of \_\_\_\_\_, 20\_\_\_\_ (the "Termination Date") and that the Vertical DDA is terminated (other than the provisions that survive the expiration or termination of the Vertical DDA) as of the Termination Date.

Nothing contained in this instrument shall modify in any way any provisions of the Lease.

IN WITNESS WHEREOF, Port has duly executed this instrument this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.

**VERTICAL DDA EXHIBIT R  
ASSIGNMENT AND ASSUMPTION AGREEMENT AND RELEASE**

(Vertical Disposition and Development Agreement)  
[(Development Agreement)]

**[Note: This form for use until Port issues Certificate of Completion for Vertical Project. If use before Close of Escrow, delete references to Development Agreement and Parcel Lease as those documents will not be assigned until Closing.]**

This ASSIGNMENT AND ASSUMPTION AGREEMENT AND RELEASE (this "Agreement"), effective as of [\_\_\_\_\_] (the "Effective Date"), is entered into by and between [\_\_\_\_\_] a [\_\_\_\_\_] ("Vertical Developer" or "Transferor"), and [\_\_\_\_\_] a [\_\_\_\_\_] ("Transferee").

**RECITALS:**

A. The City and County of San Francisco, a municipal corporation (the "City"), operating by and through the San Francisco Port Commission ("Port") and Vertical Developer are parties to that certain Vertical Disposition and Development Agreement dated as of [\_\_\_\_\_] 20[\_\_\_], for certain property located in the City and County of San Francisco, California, as more particularly described in *Exhibit A* attached hereto and made a part hereof (the "Property"), [Note: add any intervening amendment and/or assignments] (as [amended] [and] [assigned], the "Vertical DDA"). Terms used herein but not defined herein have the meaning ascribed to such terms in the Vertical DDA.

B. [Use if Assignment is after Closing] Port and Vertical Developer have also entered into that certain Parcel Lease, dated \_\_\_\_\_, 20\_\_, pursuant to which Port leases to Vertical Developer, and Vertical Developer leases from Port, the Property (the "Parcel Lease").

C. [Use if Assignment is after Closing] Seawall Lot 337 Associates, LLC, a Delaware limited liability company ("Horizontal Developer") and the City entered into that certain Development Agreement (the "Development Agreement") dated as of [\_\_\_\_\_] 2018 for reference purposes, with respect to certain real property more particularly described in the Development Agreement ("Mission Rock"). The Property is located within Mission Rock. The Development Agreement was recorded in the Official Records on [\_\_\_\_\_] 2018 as Instrument No. [\_\_\_\_\_].

D. [Use if Assignment is after Closing] The Development Agreement was assigned by Horizontal Developer to Vertical Developer by that certain Development Agreement Assignment and Assumption Agreement dated as of [\_\_\_\_\_] 20[xx] and recorded in

the Official Records on [ ], 20[xx] as Instrument No. [ ].  
**[Note: add if applicable any intervening amendment and/or assignments]**

E. The Property is located within the mixed-use development commonly known as Mission Rock. The Vertical DDA and **[Note: add any other agreements or documents entered into by and between Port and Vertical Developer pursuant to the Vertical DDA or as it relates to the Property as applicable]** are referred to herein collectively, as the "Property Agreements."

F. Vertical Developer and Transferee have entered into an agreement (the "Transfer Agreement") pursuant to which Vertical Developer has agreed to assign all of its right, title and interest in and to the Property Agreements **[and certain right title and interest in the Development Agreement]** to Transferee, and Transferee has agreed to assume all of Vertical Developer's right title and interest in and to the Property Agreements **[and certain right title and interest in the Development Agreement]** from Vertical Developer OR [An Excluded Transfer (as defined in the Vertical DDA) has occurred and Vertical Developer and the Transferee in such Excluded Transfer desire to enter into this Agreement in connection therewith.] The Transfer Agreement, the Property Agreements, this Agreement **[and the Development Agreement]** are collectively referred to as the "Transaction Documents."

G. In order to consummate the transactions contemplated by the Purchase Agreement, Vertical Developer desires to assign and Transferee desires to assume the Transfer Agreements **[and the Development Agreement]** on the terms and conditions set forth in this Agreement.

#### AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Vertical Developer and Transferee agree as follows:

1. **Assignment By Vertical Developer.** Vertical Developer hereby assigns to Transferee as of the Effective Date each and all of the right, title, interest and obligations of Vertical Developer under the Property Agreements **[and certain right title and interest in the Development Agreement]** and any other agreements or documents entered into by and between Port and Vertical Developer pursuant to the Property Agreements and any other agreements or documents entered into by and between City and Vertical Developer pursuant to the Development Agreement as it relates to the Property **[to the extent first arising from and after the Effective Date]**.

2. **Assumption By Transferee.**

2.1. **Assumption by Transferee.** Transferee hereby assumes from Vertical Developer as of the Effective Date each and all of the right, title, interest and obligations of Vertical Developer under the Property Agreements **[and certain right title and interest in the Development Agreement]**, and any other agreements or documents entered into by and between Port and Vertical Developer pursuant to the Property Agreements and any other agreements or documents entered into by and between City and Vertical Developer pursuant to the Development Agreement as it relates to the Property **[to the extent first arising from and after the Effective Date]**. Transferee hereby acknowledges that Transferee has reviewed the Property Agreements, the Development Agreement, and all other agreements it is assuming pursuant to this Agreement, and agrees to be bound by the Property Agreements, the Development Agreement, and such other agreements being assumed, and all conditions and restrictions to which Vertical Developer is subject under the Vertical DDA and to which Horizontal Developer is subject under the Development Agreement to the extent applicable to the Property.

2.2. **[Note: add if applicable to residential rental projects] [To be confirmed-subject to further modification]** Costa-Hawkins Waiver. Without limiting the foregoing assumption of rights and obligations by Transferee, Transferee specifically acknowledges that the

Development Agreement and the DDA, which includes the Affordable Housing Plan attached thereto as Exhibit [XX], [provide regulatory concessions and significant public investment to Mission Rock that directly reduce development costs at Mission Rock] **Port: Please confirm statement**. The regulatory concessions and public investment include a direct financial contribution of net tax increment and other forms of public assistance specified in California Government Code section 65915. These public contributions result in identifiable, financially sufficient, and actual cost reductions for the benefit of Horizontal Developer and Vertical Developers under California Government Code section 65915. In consideration of the City's direct financial contribution and other forms of public assistance, the parties understand and agree that the Costa-Hawkins Act does not apply to any BMR Unit or Inclusionary Units developed under the AHP for Mission Rock.

**3. Representations and Warranties of Vertical Developer.** Vertical Developer hereby makes the following representations and warranties to Transferee, Port, and the City as of the Effective Date:

**3.1.** Vertical Developer is a [ ] duly organized, validly existing and in good standing under the laws of the State of [ ] and is authorized to do business in the State of California and is in good standing therein.

**3.2.** That this Agreement and the Transfer Agreement (collectively, the "Transaction Documents") and all documents executed by Vertical Developer in connection with this Agreement: (i) are duly authorized, executed and delivered by Vertical Developer; (ii) are legal, valid and binding obligations of Vertical Developer; and (iii) do not violate any provision of any agreement or judicial order to which Vertical Developer is a party or to which Vertical Developer is subject.

**3.3.** That Vertical Developer has all requisite power and authority to execute and deliver the Transaction Documents and to carry out and perform all of the terms and covenants of the Transaction Documents.

**3.4.** None of Vertical Developer's formation documents, nor any other agreement or Law in any way prohibits, limits or otherwise affects the right or power of Vertical Developer to enter into and perform all of the terms and covenants of the Transaction Documents. Vertical Developer is not party to or bound by any contract, agreement, indenture, trust agreement, note, obligation or other instrument that could prohibit, limit or otherwise affect the same. No consent, authorization or approval of, or other action by, and no notice to or filing with, any governmental authority, regulatory body or any other Person is required for the due execution, delivery and performance by Vertical Developer of the Transaction Documents or any of the terms and covenants contained therein. There are no pending or threatened lawsuits or proceedings or undischarged judgments affecting Vertical Developer before any court, governmental agency, or arbitrator that is reasonably expected to materially and adversely affect the enforceability of the Transaction Documents or the business, operations, assets or condition of Vertical Developer.

**3.5.** The execution, delivery and performance of the Transaction Documents (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default under (A) any agreement, document or instrument to which Vertical Developer or by which Vertical Developer's assets may be bound or affected, (B) any Law, or (C) the articles of incorporation, the bylaws, partnership agreement or operating agreement of Vertical Developer, and (ii) do not and will not result in the creation or imposition of any lien or other encumbrance upon the assets of Vertical Developer (other than the lien of a Mortgage in accordance with the Vertical DDA or the Parcel Lease).

**3.6.** There is no material adverse change in Vertical Developer's financial condition and Vertical Developer is meeting its current liabilities as they mature; no federal or state tax liens have been filed against it; and Vertical Developer is not in default or claimed default under any agreement for borrowed money.

4. **Representations and Warranties of Transferee.** Transferee hereby makes the following representations and warranties to Vertical Developer, Port, and the City as of the Effective Date:

4.1. Transferee is a [ ] duly organized, validly existing and in good standing under the laws of the State of [ ] and is authorized to do business in the State of California and is in good standing therein.

4.2. That Transferee has not been suspended, disciplined or disbarred by, or prohibited from contracting with, any federal, state or local governmental agency. In the event Transferee has been so suspended, disbarred, disciplined or prohibited from contracting with any governmental agency, it will immediately notify Port of same and the reasons therefore together with any relevant facts or information requested by Port. Any such suspension, debarment, discipline or prohibition may result in the termination or suspension of the Transaction Documents.

4.3. That the Transaction Documents and all documents executed by Transferee: (i) are duly authorized, executed and delivered by Transferee; (ii) are legal, valid and binding obligations of Transferee; and (iii) do not violate any provision of any agreement or judicial order to which Transferee is a party or to which Transferee is subject.

4.4. That Transferee has all requisite power and authority to execute and deliver the Transaction Documents and to carry out and perform all of the terms and covenants of the Transaction Documents.

4.5. None of Transferee's formation documents, nor any other agreement or Law in any way prohibits, limits or otherwise affects the right or power of Transferee to enter into and perform all of the terms and covenants of the Transaction Documents. Transferee is not party to or bound by any contract, agreement, indenture, trust agreement, note, obligation or other instrument that could prohibit, limit or otherwise affect the same. No consent, authorization or approval of, or other action by, and no notice to or filing with, any governmental authority, regulatory body or any other Person is required for the due execution, delivery and performance by Transferee of the Transaction Documents or any of the terms and covenants contained therein. There are no pending or threatened lawsuits or proceedings or undischarged judgments affecting Transferee before any court, governmental agency, or arbitrator that is reasonably expected to materially and adversely affect the enforceability of the Transaction Documents or the business, operations, assets or condition of Transferee.

4.6. The execution, delivery and performance of the Transaction Documents (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default under (A) any agreement, document or instrument to which Transferee or by which Transferee's assets may be bound or affected, (B) any Law, or (C) the articles of incorporation, the bylaws, partnership agreement or operating agreement of Transferee, and (ii) do not and will not result in the creation or imposition of any lien or other encumbrance upon the assets of Transferee (other than the lien of a Mortgage in accordance with the Vertical DDA or the Lease).

4.7. There is no material adverse change in Transferee's financial condition and Transferee is meeting its current liabilities as they mature; no federal or state tax liens have been filed against it; and Transferee is not in default or claimed default under any agreement for borrowed money.

5. **[To be included if Transferee is a Qualified Transferee: Qualified Transferee.]**

Transferee (i) has, or has engaged a property manager with, at least ten (10) years' experience operating major [commercial] or [residential] projects, (ii) has (a) a net worth (inclusive of its interests in the Property) equal to at least Twenty-Seven Million Five Hundred Thousand Dollars (\$27,500,000.00), which amount will increase by ten percent (10%) on the tenth (10th) anniversary of the Effective Date (as such term is defined in the Vertical DDA) and every ten (10) years thereafter **[NOTE: \$27.5 million to increase by 5% every 5 years after Horizontal]**

DDA execution], or (b) satisfied the obligation to deliver the Net Worth Guaranty, and (iii) is subject to jurisdiction of the courts of the State of California. "Qualified Transferee" means any transferee that satisfies each of the following criterion: (1) has, or has engaged a property manager with at least ten (10) years' experience operating [use for commercial development parcels: major commercial projects] [use for residential development parcels: residential projects]; (2) satisfies the Net Worth Requirement (as such term is defined in the Vertical DDA); and (3) is subject to jurisdiction of the courts of California.

**6. Investigation of Property; No Port or City Representations.** Transferee has conducted a thorough investigation and due diligence of the Property [and the Improvements]. Transferee has reviewed and is familiar with the terms and conditions of the Property Agreements. Transferee recognizes and acknowledges that Port makes no representation or warranty hereby, express or implied, regarding the Property, [the Improvements], or the amount, nature, or extent of any representations or warranties with respect to the obligation, liability, or duty under any of the Property Agreements.

**7. Release of Indemnified Parties and the State Lands Indemnified Parties.** Transferee, on behalf of itself and its successors and assigns, waives or will be deemed to waive, any right to recover from, and forever releases, acquits, and discharges Indemnified Parties and the State Lands Indemnified Parties under the Vertical DDA of all Losses against the Indemnified Parties and the State Lands Indemnified Parties for the condition of the [Improvements or the] Property or any claims assignor may have against the Indemnified Parties arising prior to the Effective Date; provided, however, the foregoing waiver will not apply to Losses arising from or relating to the sole negligence or willful misconduct of the Indemnified Parties.

Transferee understands and expressly accepts and assumes the risk that any facts concerning the Losses released, waived, and discharged in this Agreement includes known and unknown claims, disclosed and undisclosed, and anticipated and unanticipated claims pertaining to the subject matter of the releases, waivers, and discharges, and might be found later to be other than or different from the facts now believed to be true, and agrees that the releases, waivers, and discharges in this Agreement will remain effective. Accordingly, with respect to the claims released, waived, and discharged in this Agreement, Transferee expressly waives the benefits of Section 1542 of the California Civil Code, which provides as follows:

          A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

BY PLACING ITS INITIALS BELOW, TRANSFEE SPECIFICALLY ACKNOWLEDGES AND CONFIRMS THE VALIDITY OF THE RELEASES, WAIVERS, AND DISCHARGES MADE ABOVE AND THE FACT THAT VERTICAL DEVELOPER WAS REPRESENTED BY COUNSEL WHO EXPLAINED, AT THE TIME THIS AGREEMENT WAS MADE, THE CONSEQUENCES OF THE ABOVE RELEASES, WAIVERS AND DISCHARGES.

TRANSFEE INITIALS: \_\_\_\_\_

**8. Release of Transferor.**

          (a) Subject to **Section 8(b)**, from and after the Effective Date, Transferor will be released from all obligations and liability under Vertical DDA to the extent first arising after the Effective Date and Transferee has assumed all such obligations and liabilities. In no event will Transferor be liable for a new default under Vertical DDA first arising after the Effective Date so long as Transferee has assumed all obligations and liabilities under Vertical DDA arising as of the Effective Date. The effectiveness of any Transfer hereunder is not in any way to be construed to relieve Transferor of any liability arising out of or with regard to the performance

of any covenants or obligations to be performed by Transferor under Vertical DDA before the Effective Date.

(b) [Use only with transfers occurring prior to Close of Escrow under the VDDA per Section 19.1 and 19.4 of the Vertical DDA] Notwithstanding Section 8(a), if Transferor and Transferee are Affiliates, Transferor will be released only if (i) Transferee satisfies the Net Worth Requirement, or (ii) if the Transferee does not satisfy the Net Worth Requirement, written evidence satisfactory to the Port Executive Director that an Affiliate of the Transferee (that also meets the Net Worth Requirement) has a legally binding obligation to provide the Transferee with capital sufficient to cause such the Transferee to meet the Net Worth Requirement as of the Effective Date.

**9. General Provisions.**

**9.1. Attorneys' Fees.** If either Party hereto fails to perform any of its respective obligations under this Agreement or if any dispute arises between the Parties hereto concerning the meaning or interpretation of any provision of this Agreement, then the defaulting Party or the Party not prevailing in such dispute, as the case may be, will pay any and all costs and expenses incurred by the other party on account of such default or in enforcing or establishing its rights hereunder, including, without limitation, court costs and reasonable attorneys' fees and disbursements.

**9.2. Notices.** The provisions of Section 21.1 of the Vertical DDA and Section 14.1 of the Development Agreement are incorporated by reference with the same effect as if set forth herein; provided, however, the address for Transferee is as follows:

[\_\_\_\_\_]
[\_\_\_\_\_]
[\_\_\_\_\_]
Attn: [\_\_\_\_\_]

With a copy to:

[\_\_\_\_\_]
[\_\_\_\_\_]
[\_\_\_\_\_]
Attn: [\_\_\_\_\_]

**9.3. Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of each of the parties hereto and their respective executors, administrators, successors, and assigns.

**9.4. Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall constitute an original and all of which shall constitute one instrument.

**9.5. Captions.** Any captions to, or headings of, the Articles, Paragraphs, or subparagraphs of this Agreement are solely for the convenience of the parties hereto, are not a part of this Agreement, and shall not be used for the interpretation or determination of the validity of this Agreement or any provision hereof.

**9.6. Amendment to Agreement.** The terms of this Agreement may not be modified or amended except by an instrument in writing executed by each of the parties hereto.

**9.7. Exhibits.** The Exhibits attached hereto are hereby incorporated herein by this reference for all purposes.

**9.8. Waiver.** The waiver or failure to enforce any provision of this Agreement shall not operate as a waiver of any future breach of any such provision or any other provision hereof.

**9.9. Applicable Law.** This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of California.

**9.10. Fees and Other Expenses.** Except as otherwise provided herein, each of the parties shall pay its own fees and expenses in connection with this Agreement.

**9.11. Partial Invalidity.** If any portion of this Agreement as applied to any party or to any circumstances shall be adjudged by a court to be void or unenforceable, such portion shall be deemed severed from this Agreement and shall in no way affect the validity or enforceability of the remaining portions of this Agreement.

**9.12. Independent Counsel.** Each party hereto acknowledges that: (a) it has been represented by independent counsel in connection with this Agreement; (b) it has executed this Agreement with the advice of such counsel; and (c) this Agreement is the result of negotiations between the parties hereto and the advice and assistance of their respective counsel. The fact that this Agreement was prepared by Horizontal Developer's counsel as a matter of convenience shall have no import or significance. Any uncertainty or ambiguity in this Agreement shall not be construed against Vertical Developer because Horizontal Developer's counsel prepared this Agreement in its final form.

**9.13. Defined Terms.** All capitalized terms not defined herein are set forth in the Vertical DDA.

***[The remainder of this page has been intentionally left blank]***

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed as of the Effective Date.

**PORT AND CITY SPECIAL PROVISIONS**

## **VDDA EXHIBIT S**

The Municipal Code (available at [www.sfgov.org](http://www.sfgov.org)) and City and Port policies described in this Exhibit are incorporated by reference as though fully set forth in the DDA (collectively, the “**Other City Requirements**”). Developer is charged with full knowledge of and compliance with each applicable ordinance and policy and any related implementing regulations as amended, subject to *DA § 5.3 (New City Laws)*.

In Ordinance No. 33-18, a copy of which is attached as **Exhibit A**, the Board of Supervisors waived the application to the Mission Rock Project of the following provisions of the Administrative Code (collectively, the “**DA Waivers**”):

1. Chapter 6 (Public Works Contracting Policies and Procedures) other than the payment of prevailing wages as required in Chapter 6;
2. to the extent inconsistent with Developer’s approved LBE Utilization Program, Chapter 14B (Local Business Enterprise Utilization and Non-Discrimination in Contracting);
3. Competitive Bidding Procedures and Additional Appraisal Review as defined in Section 23.3 (Chapter Definitions) and required by Section 23.3 (Conveyance and Acquisition of Real Property);
4. Section 23.31 (Year-to-Year and Shorter Leases);
5. Section 23.30 (Lease of Real Property);
6. Section 23.33 (Competitive Bidding Procedures);
7. Section 23A. 7 (Transfer of Jurisdiction Over Surplus Properties to the Mayor’s Office of Housing and Community Development);
8. Subsection (c)(2) of Section 61.5 (Listing of Unacceptable Non-Maritime Land Uses); and
9. contract termination, liquidated damages, and debarment remedies under Section 4.9-1(c) (Nutritional Standards and Guidelines), Section 12Q.5(f) (Health Care Accountability), and Section 2T (Criminal History in Hiring and Employment).

The descriptions below are not comprehensive but are provided for notice purposes only. Developer understands that its failure to comply with any applicable provision of the Other City Requirements will give rise to the specific remedies described in the applicable Other City Requirements (which may include penalties) and in certain cases give rise to a default under the DDA, which could result in a default under the DA as well. References to Developer in the Other City Requirements will apply to Developer, its successors under the DDA, and DA Successors under the DA.

All statutory references in this Exhibit are to the Municipal Code as in effect on the DA Ordinance Effective Date unless specified otherwise. Initially capitalized or highlighted terms used in this Exhibit and not defined in the Appendix have the meanings ascribed to them in the cited ordinance.

## **Contracting, Hiring, and Construction**

### **1. Nondiscrimination in Contracts and Property Contracts.**

(Admin. Code ch. 12B, ch. 12C)

(a) **Covered Contracts.** All provisions in this Section regarding the Nondiscrimination in Contracts and Property Contracts ordinance apply to “subcontracts to contracts” and “property contracts” as defined in Administrative Code sections 12B.2 and 12C.2.

(b) **Covenant Not to Discriminate.** In its development of the Project Site, Developer covenants and agrees not to discriminate against or segregate any person or group of persons on any basis listed in section 12955 of the California Fair Employment and Housing Act (Cal. Gov. Code §§ 12900-12996), or on the basis of the fact or perception of a person’s race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, AIDS/HIV status, weight, height, association with members of protected classes, or in retaliation for opposition to any forbidden practices against any employee of, any City employee working with, or applicant for employment with Developer, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in the business, social, or other establishment or organization operated by Developer.

(c) **Requirement to Include.** Developer must: (i) include a nondiscrimination clause in substantially the form of **Subsection (a)** (Covenant Not to Discriminate); and (ii) incorporate by reference Administrative Code sections 12B.2(a), 12B.2(c)-(k), and 12C.3(a) in all contracts, subcontracts, and subleases and require all contractors, subcontractors, and subtenants to comply with those provisions.

(d) **Nondiscrimination in Benefits.** Developer agrees not to discriminate between employees with domestic partners and employees with spouses, or between the domestic partners and spouses of employees, where the domestic partnership has been registered with any governmental entity under state or local law authorizing registration, subject to the conditions set forth in Administrative Code section 12B.2. Developer’s agreement relates to bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, and travel benefits (collectively “**Core Benefits**”), as well as other employee benefits described in section 12B.1(b), during the term of each covered contract.

(e) **Form.** On or before the Reference Date, Developer must complete, execute, deliver to, and obtain approval of its completed *Nondiscrimination in Contracts and Benefits* form CMD-12B-101 from CMD. The form is available on CMD’s website.

(f) **Penalties.** Developer understands that under Administrative Code section 12B.2(h), the City may assess against Developer or deduct from any payments due Developer a penalty for each person for each calendar day during which Developer or its subcontractor, property contractor, or other contractor discriminated against a protected person in violation of this Section.

**2. Health Care Accountability Ordinance.**

(Admin. Code ch. 12Q)

(a) Developer agrees to comply fully with and be bound by the Health Care Accountability Ordinance ("HCAO"), as set forth in Administrative Code chapter 12Q, unless exempt.

(b) Covered Employees. For each Covered Employee, Developer must provide the appropriate health benefit set forth in HCAO section 12Q.3, unless it is exempt as a small business under HCAO section 12Q.3(e).

(c) Notice and Opportunity to Cure. If Developer fails to cure a violation of the HCAO after receiving notice of a violation and an opportunity to cure the violation, the City will have the remedies set forth in HCAO section 12Q.5(f), subject to the DA Waivers, which the City may exercise individually or in combination with any of its other rights and remedies.

(d) Covered Contracts. Any Contract, Subcontract, or Sublease, as defined in Chapter 12Q, that Developer enters into for public works, public improvements, or for services that the City will pay directly or reimburse Developer for must require the Contractor, Subtenant, or Subcontractor, as applicable, to comply with the applicable provisions of the HCAO and must contain contractual obligations substantially the same as those set forth in the HCAO. Developer agrees to notify the Contracting Department promptly of any Subcontractors performing services covered by Chapter 12Q and certify to the Contracting Department that Developer has notified the Subcontractors of their HCAO obligations under this Chapter.

(e) Noncompliance. Developer will be responsible for monitoring compliance with the HCAO by each Subcontractor, Subtenant, and Contractor performing services on the Project Site. But the City agrees that Developer will not be liable for the noncompliance of its Subcontractors, Subtenants, or Contractors. The City's remedies for Developer's noncompliance with the HCAO are subject to the DA Waivers.

(f) Retaliation Prohibited. Developer must not discharge, reduce in compensation, or otherwise discriminate against any Employee for notifying the City of any issue regarding noncompliance or anticipated noncompliance with the HCAO, for opposing any practice proscribed by the HCAO, for participating in any proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(g) Representation and Warranty. Developer represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(h) Reporting. Upon request, Developer must provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO.

(i) Records. After receiving a written request from the City to inspect pertinent payroll records and after at least 10 days to respond have elapsed, Developer agrees to provide the City with access to pertinent payroll records relating to the number of employees employed and terms of medical coverage. In addition, the City and its Agents, in consultation with the Department of Public Health, may conduct audits of Contracting Parties, although such audits shall be conducted through an examination of records at a mutually agreed upon time and location within 10 days after written notice. Developer agrees to cooperate with the City in connection with these audits.

(j) **Threshold.** If a Subcontractor, Subtenant, or Contractor is exempt from the HCAO because the amount payable to the Subcontractor, Subtenant, or Contractor under all of its contracts with the City or relating to City-owned property is less than \$25,000 (or \$50,000 for nonprofits) in that City Fiscal Year, but the Subcontractor, Subtenant, or Contractor later enters into one or more agreements with the City or relating to City-owned property that cause the payments to the Subcontractor, Subtenant, or Contractor to equal or exceed \$75,000 in that City Fiscal Year, then all of the Contractor's, Subtenant's, or Subcontractor's contracts with the City and relating to City-owned property will become subject to the HCAO from the date on which the later agreement is executed.

**3. Prevailing Wages and Working Conditions in Construction Contracts.**  
(Calif. Labor Code §§ 1720 *et seq.*; Admin. Code § 6.22(e))

(a) **Labor Code Provisions.** Certain contracts for work at the Project Site may be public works contracts if paid for in whole or part out of public funds, as the terms "**public work**" and "**paid for in whole or part out of public funds**" are defined in and subject to exclusions and further conditions under California Labor Code sections 1720-1720.6.

(b) **Requirement.** Developer must comply with the prevailing wage requirements in *ML §13.3(f) (Prevailing Wages)*.

(c) **Penalties.** The Port has designated OLSE as the agency responsible for ensuring that prevailing wages are paid and other payroll requirements are met, subject to the DA Waivers;

**4. Other Prevailing Wage Rate Requirements.**  
(Admin. Code §§ 21C.3, 21C.4)

(a) Under Administrative Code section 21C.4, individuals engaged in theatrical or technical services related to the presentation of a Show at the Project Site, including rigging, sound, projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion picture services, are entitled to be paid not less than the Prevailing Rate of Wages (including fringe benefits or matching equivalents) fixed by the Board of Supervisors, unless the Show is free and open to the public or meets any of the other exemptions in Administrative Code section 21C.4(b)(1).

(b) Individuals employed in the following activities at the Project Site are also entitled to the Prevailing Rate of Wages: (i) a Public Off-Street Parking Lot, Garage or Automobile Storage Facility under Administrative Code section 21C.3; (ii) a Special Event under Administrative Code section 21C.8; and (iii) Broadcast Services under Administrative Code section 21C.9.

(c) **Agreement.** Developer agrees to comply with the obligations in Administrative Code chapter 21C and to require its tenants, contractors, and any subcontractors to comply with the obligations in chapter 21C. In addition, if Developer or its tenant, contractor, or any subcontractor fails to comply with these obligations, the City will have all available remedies against Developer to secure compliance and seek redress for workers who provided the services as described in section 21C.7, together with the remedies set forth in the DDA.

(d) Payroll Records. Developer will: (i) comply with Administrative Code section 21C.7(c)(4) as to any Covered Contract on the Project Site as defined in Administrative Code section 21C.7(b); and (ii) provide to the City for inspection, after receipt of a Violation Notice (as defined in section 21C.7(c)(4)), payroll records and other documentary evidence necessary to establish that the noticed violation has been cured.

(e) OLSE. For current Prevailing Wage rates, see the OLSE website or call the OLSE at 415-554-6235.

**5. First Source Hiring Program.**  
(Admin. Code §§ 83.1 et seq.)

Developer's obligations to comply with the First Source Hiring Program are set forth in **DDA Exh B6-A** (*Workforce Development Program*).

**6. Criminal History In Hiring And Employment Decisions.**  
(Admin. Code ch. 12T)

(a) Agreement to Comply. Administrative Code Chapter 12T ("**Chapter 12T**") will only apply to a Contractor's, Subcontractor's, or subtenant's operations to the extent those operations are in furtherance of performing a Contract or Property Contract with the City subject to Chapter 12T. If applicable, Developer will comply with and be bound by Chapter 12T, including the remedies and implementing regulations, with respect to applicants to and employees of Developer who would be or are performing work at the Project Site under the DDA.

(b) Breach. Developer must incorporate Chapter 12T by reference in all contracts related to be performed in furtherance of a Contract or Property Contract with the City, as defined in Administrative Code section 12T.1. Developer will be responsible for monitoring compliance by its Subcontractors, Contractors, and subtenants, but the City agrees that Developer will not be liable for their noncompliance.

(c) Prohibited Activities. Developer and its Subcontractors, Contractors, and subtenants must not inquire about, require disclosure of, or if the information is received, base an Adverse Action on an applicant's or potential applicant's or employee's: (i) Arrest not leading to a Conviction, except under circumstances identified in Chapter 12T as an Unresolved Arrest; (ii) participation in or completion of a diversion or a deferral of judgment program; (iii) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (iv) a Conviction or any other adjudication in the juvenile justice system, or information regarding a matter considered in or processed through the juvenile justice system; (v) a Conviction that is more than seven years old, based on the date of sentencing; or (vi) information pertaining to an offense other than a felony or misdemeanor, such as an infraction, except that a Contractor, Subcontractor, or subtenant may inquire about, require disclosure of, base an Adverse Action on, or otherwise consider an infraction or infractions contained in an applicant or employee's driving record if driving is more than a de minimis element of the employment in question.

(d) Employment Applications. Developer and its Subcontractors, Contractors, and subtenants must not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any Conviction

History or unresolved arrest until either after the first live interview with the person, or after a conditional offer of employment in accordance with section 12T.4(c).

(e) **Disclosure.** Developer and its Subcontractors, Contractors, and subtenants must state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Developer or its Subcontractors, Contractors, and subtenants at the Project Site that the DDA and all Contracts and Property Contracts will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(f) **Posting.** Developer and its Subcontractors, Contractors, and subtenants must post the notice prepared by the OLSE, available on OLSE's website, in a conspicuous place at the Project Site and at other workplaces, job sites, or other locations under the Subcontractor's, Contractor's, or subtenant's control at which work is being done or will be done in furtherance of performing a Contract or Property Contract under the DDA with the City. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Project Site or other workplace at which it is posted.

(g) **Penalties.** Developer and its Subcontractors, Contractors, and subtenants understand and agree that upon any failure to comply with Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T, subject to **Subsection (b) (Breach)** and the DA Waivers, including a penalty of \$50 for each employee, applicant or other person as to whom the violation occurred or continued, and thereafter, for subsequent violations, the penalty may increase to no more than \$100, for each employee or applicant whose rights were, or continue to be, violated.

(h) **Inquiries.** If Developer has any questions about the applicability of Chapter 12T, it may contact the Port for additional information. The Port will consult with the Director of the City's Office of Contract Administration, who has authority to grant a waiver under the circumstances set forth in section 12T.8 of Chapter 12T.

**7. Employee Signature Authorization Ordinance.**  
(Admin Code §§ 23.50-23.56)

The City has adopted an Employee Signature Authorization Ordinance, which requires employers of employees in hotel or restaurant projects on public property with 50 or more full-time or part-time employees to enter into a "card check" agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative. Developer agrees to comply with the requirements of the ordinance, if applicable, including any requirements applicable to its successors, as specified in Administrative Code section 23.54.

**Use Of City Property**

**8. Local Business Enterprises.**  
(Admin. Code ch. 14B)

Developer agrees to comply with the LBE Utilization Program, **DDA Exh B6-B.**

**9. Tobacco Products and Alcoholic Beverages.**

(Admin. Code § 4.20; Health Code art. 19K)

(a) **Definitions.** For purposes of this Section: (i) “**alcoholic beverage**” is defined in California Business and Professions Code section 23004 and excludes cleaning solutions, medical supplies, and other products and substances not intended for drinking; and (ii) “**tobacco product**” is defined in Health Code section 1010(b).

(b) **Advertising Ban.** New general advertising signs that are visible to the public are prohibited on the exterior of any City-owned building under Administrative Code section 4.20-1.

(c) **Tobacco Sales Ban.** No person may sell tobacco products on property owned by or under the control of the City under Health Code article 19K.

(d) **Alcoholic Beverage Advertising.** Port property used for operation of a restaurant, concert or sports venue, or other facility or event where the sale, production, or consumption of alcoholic beverages is permitted, will be exempt from the alcoholic beverage advertising prohibition in Administrative Code section 4.20(a)-(c).

**10. Integrated Pest Management Program.**

(Env. Code ch. 3)

(a) **IPM Plan.** Chapter 3 of the Environment Code (the “**IPM Ordinance**”) describes an integrated pest management policy (“**IPM Policy**”) to be implemented by all City departments. Except for the permitted uses of pesticides provided in IPM Ordinance section 303, Developer must not use or apply during the DDA term, and must not contract with any party to provide pest abatement or control services to the Project Site, except in compliance with the Port’s integrated pest management plan (“**IPM Plan**”).

(b) **Application.** Although not a City Department, Developer agrees to comply, and must require all of Developer’s contractors to comply, with the Port’s approved IPM Plan and IPM Ordinance sections 300(d), 302, 304, 305(f), 305(g), and 306, as if Developer were a City department. Among other matters, the IPM Ordinance: (i) provides for the use of pesticides only as a last resort; (ii) prohibits the use or application of pesticides on City-owned property except for pesticides granted exemptions under IPM Ordinance section 303 (including pesticides included on the most current Reduced Risk Pesticide List compiled by the Department of the Environment); (iii) imposes certain notice requirements; and (iv) requires Developer to keep certain records and to report to the City all pesticide use by Developer’s staff or contractors.

(c) **Prior Review.** Before Developer or Developer’s contractor applies pesticides to outdoor areas, Developer must obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation and any such pesticide application must be made only by or under the supervision of a person holding a valid Qualified Applicator certificate or Qualified Applicator license under California law. The City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the Department of the Environment website, <http://sfenvironment.org/ipm>.

**11. Resource-Efficient Facilities and Green Building Requirements.**  
(Env. Code ch. 7)

Developer agrees to comply with all applicable provisions of the Environment Code relating to resource-efficiency and green building design requirements.

**12. Tropical Hardwood and Virgin Redwood Ban.**  
(Env. Code ch. 8)

The City urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product, except as expressly permitted by the application of Environment Code sections 802(b) and 803(b). Developer agrees that, except as permitted by the application of Environment Code sections 802(b) and 803(b), Developer will not use or incorporate any tropical hardwood or virgin redwood in the construction of the Improvements or provide any items to the construction of the Project, or otherwise in the performance of the DDA that are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. If Developer fails to comply in good faith with any of Environment Code chapter 8, Developer will be liable for liquidated damages for each violation in any amount equal to the contractor's net profit on the contract, or 5% of the total amount of the contract dollars, whichever is greater.

**13. Diesel Fuel Measures.**  
(Env. Code ch. 9)

Consistent with the City's Greenhouse Gas Emissions Reduction Plan (Env. Code § 903) to reduce greenhouse gas emissions in the City, Developer must minimize exhaust emissions from operating equipment and trucks during construction. Developer's compliance with MMRP Mitigation Measure M-AQ-1a will satisfy this requirement.

**14. Arsenic-Treated Wood.**  
(Env. Code ch. 13)

Developer must not purchase preservative-treated wood products containing arsenic on behalf of the City in the performance of the DDA without obtaining an exemption under Environment Code section 1304 from the Department of Environment. Developer may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Developer from purchasing preservative-treated wood containing arsenic for saltwater immersion. In this Section: (a) "**preservative-treated wood containing arsenic**" means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative; and (b) "**saltwater immersion**" means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

**15. Food Service and Packaging Waste Reduction Ordinance.**  
(Env. Code ch. 16)

Developer agrees to comply fully with and be bound by section 1604(d) of the Food Service and Packaging Waste Reduction Ordinance (Env. Code ch. 16), including the remedies

provided in section 1607 and implementing guidelines and rules. By entering into the DDA and the Development Agreement, Developer agrees that if it breaches this provision, and fails to cure within the cure periods provided herein, the City will suffer actual damages that will be impractical or extremely difficult to determine and that the following amounts of liquidated damage are reasonable estimates of the damage that the City will incur based on any violation, established in light of the circumstances existing on the Reference Date: (a) \$100 for the first breach; (b) \$200 for the second breach in the same year; and (c) \$500 for subsequent breaches in the same year. These liquidated damages will not be considered penalties, but agreed monetary damages sustained by the City because of Developer's noncompliance.

**16. Bottled Drinking Water.**

(Env. Code ch. 24; Port Reso. No. 12-11)

Developer is subject to all applicable provisions of Environment Code chapter 24 prohibiting the sale or distribution of drinking water in plastic bottles with a capacity of 21 fluid ounces or less at Events held on City Property with attendance of more than 100 people during the DDA Term. Also, Developer must comply with the Port's *Zero Waste Policy for Events and Activities* (Port Reso. No. 12-11) for applicable Events at the Project Site during the DDA Term.

**17. Graffiti Removal and Abatement.**

(Pub. Works Code Sec. 23)

(a) Requirement. Developer agrees to remove all graffiti from the Project Site, including from the exterior of any structures within the Project Site, consistent with the notice and cure provisions of Public Works Code section 23. If the Director of Public Works determines that any property contains graffiti in violation of section 2303, the Director may issue a notice of violation to Developer and any Offending Party. At the time the notice of violation is issued, the Director will take one or more photographs of the alleged graffiti and make copies of the photographs available to Developer and any Offending Party upon request. The photographs will be dated and retained as a part of the file for the violation. The notice will give Developer and any Offending Party 30 days after the date of the notice to either remove the graffiti or request a hearing on the notice of violation and set forth the procedure for requesting the hearing. This Section is not intended to require a tenant to breach any lease or other agreement that it may have concerning its use of the real property.

(b) Application. In this Section, "**graffiti**" means any inscription, word, figure, marking, or design that is affixed, marked, etched, scratched, drawn, or painted on any building, structure, fixture, or other improvement, whether permanent or temporary, including signs, banners, billboards, and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and that is visible from the public right-of-way, but does not include: (i) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the DDA or the Port Building Code; (ii) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (Calif. Civil Code §§ 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 *et seq.*); (iii) any painting or marking that a City department makes in the course of its official duties or as part of a public education campaign; or (iv) any painting or marking required for compliance with any local, state, or federal law.

**18. Drug-Free Workplace.**

(41 U.S.C. ch. 81; Police Code art. 40)

To the extent applied by a federal grant or contract for the Project, the Drug-Free Workplace Act of 1988 (41 U.S.C. ch. 81) will apply to Developer. Developer agrees to adopt a Drug-Free Workplace Policy and comply with all other applicable requirements of the drug-free workplace laws under Police Code article 40.

**19. Nutritional Standards and Guidelines.**

(Admin. Code § 4.9-1)

(a) Definitions. For the purpose of this Section: (i) “**meal**” means “**prepared food**” as defined in Environment Code section 1602(l), which means food or beverages prepared within San Francisco for individual customers or consumers in a form commonly understood to be a breakfast, lunch, or dinner; (ii) “**Nutritional Standards Requirements**” means the food and beverage nutritional standards and calorie labeling requirements set forth in Administrative Code section 4.9-1(c); (iii) “**restaurant**” is defined in Health Code section 451(s) and includes any coffee shop, cocktail lounge, sandwich stand, public school cafeteria, in-plant or employee eating establishment, and any other eating establishment that gives or offers for sale food that requires no further preparation to the public, guests, patrons, or employees for consumption on or off the premises; (iv) “**vending machine**” is defined in Administrative Code section 4.2(a) and means an automated machine dispensing products or services, including food, beverages, tobacco products, newspapers, and periodicals.

(b) Vending Machines. Any permitted vending machine must comply with the Nutritional Standards Requirements in section 4.9-1(c). Developer must incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Project Site or for the supply of food and beverages to that vending machine.

(c) Restaurants. Any restaurant on City property is encouraged to ensure that at least 25% of meals offered on the menu meet the Nutritional Standards Requirements set forth in Administrative Code section 4.9-1(e).

(d) Penalties. Developer’s failure to comply with the Nutritional Standards Requirements in section 4.9-1(c) will be considered an Event of Default under the DDA and in addition to its other remedies, which will be subject to the DA Waivers, the City may require the removal of any vending machine on the Project Site that is not permitted or that violates the Nutritional Standards Requirements. Developer will be responsible for monitoring compliance with the Nutritional Standards Requirements by each subcontractor, subtenant, and contractor performing services or occupying premises on the Project Site. But the City agrees that Developer will not be liable for the noncompliance of its subcontractors, subtenants, or contractors.

**20. All-Gender Toilet Facilities.**

(Admin. Code § 4.1-3)

Developer must include at least one all-gender toilet facility on each floor of any new building on City-owned land or that is constructed by or for the City where toilet facilities are required or provided. Unless not allowed by an existing lease, whenever extensive renovations are made on one or more floors in any building on land that the City owns or in a building that is leased to or by the City, Developer will provide at least one all-gender toilet facility on each

floor where the renovations take place and toilet facilities are required or provided. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures. "Extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the required toilet facilities.

**21. Indoor Air Quality.**  
(Env. Code § 711(g))

Developer agrees to comply with section 711(g) of the Environment Code and regulations adopted under Environment Code section 703(b) relating to construction and maintenance protocols to address indoor air quality.

**Other Public Policies**

**22. Conflicts of Interest.**  
(Calif. Gov. Code §§ 87100 *et seq.* & §§ 1090 *et seq.*; Charter § 15.103; Campaign and Gov't Conduct Code art. III, ch. 2)

Through its execution of the DDA, Developer acknowledges that it is familiar with Charter section 15.103, Campaign and Governmental Conduct Code article III, chapter 2, and California Government Code sections 87100 *et seq.* and sections 1090 *et seq.*, certifies that it does not know of any facts that would violate these provisions and agrees to notify the Port if Developer becomes aware of any such fact during the DDA Term.

**23. Sunshine.**  
(Calif. Gov. Code §§ 6250 *et seq.*; Admin. Code ch. 67)

Developer understands and agrees that under the California Public Records Act (Calif. Gov. Code §§ 6250 *et seq.*) and the City's Sunshine Ordinance (Admin. Code ch. 67), the Transaction Documents and all records, information, and materials that Developer submits to the City may be public records subject to public disclosure upon request. Developer may mark materials it submits to the City that Developer in good faith believes are or contain trade secrets or confidential proprietary information protected from disclosure under public disclosure laws, and the City will attempt to maintain the confidentiality of these materials to the extent provided by law. Developer acknowledges that this provision does not require the City to incur legal costs in any action by a person seeking disclosure of materials that the City received from Developer.

**24. Contribution Limits-Contractors Doing Business with the City.**  
(Campaign and Gov't Conduct Code § 1.126)

(a) Application. Campaign and Governmental Conduct Code section 1.126 ("Section 1.126") applies only to agreements subject to approval by the Board of Supervisors, the Mayor, any other elected officer, or any board on which an elected officer serves. Section 1.126 prohibits a person who contracts with the City for the sale or lease of any land or building to or from the City from making any campaign contribution to: (i) any City elective officer if the officer or the board on which that individual serves or a state agency on whose board an appointee of that individual serves must approve the contract; (ii) a candidate for the office held by the individual; or (iii) a committee controlled by the individual or candidate, at

any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for the contract or six months after the date the contract is approved.

(b) Acknowledgment. Through its execution of the DDA, Developer acknowledges the following.

- (i) Developer is familiar with Section 1.126.
- (ii) Section 1.126 applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more.
- (iii) If applicable, the prohibition on contributions applies to: (1) Developer; (2) each member of Developer's board of directors; (3) Developer's chairperson, chief executive officer, chief financial officer, and chief operating officer; (4) any person with an ownership interest of more than 20% in Developer; (5) any subcontractor listed in the contract; and (6) any committee, as defined in Campaign and Governmental Conduct Code section 1.104, that is sponsored or controlled by Developer.

**25. Implementing the MacBride Principles – Northern Ireland.**  
(Admin. Code ch. 12F)

The Port and the City urge companies doing business in Northern Ireland to move towards resolving employment inequities and encourage them to abide by the MacBride Principles. The Port and the City urge San Francisco companies to do business with corporations that abide by the MacBride Principles.

[Development Agreement - Seawall Lot 337 Associates, LLC - Seawall Lot 337 - Mission Rock Project]

**Ordinance approving a Development Agreement between the City and County of San Francisco and Seawall Lot 337 Associates, LLC, for 28 acres of real property known as Seawall Lot 337, located east of Third Street between China Basin Channel and Mission Rock Street, China Basin Park and the portion of Terry A. Francois Boulevard abutting the park, Pier 48, the marginal wharf between Pier 48 and Pier 50, and Parcel P20; for the proposed Mission Rock Mixed-Use Project; waiving certain provisions of the Administrative Code, Planning Code, and Subdivision Code; and adopting findings under the California Environmental Quality Act, public trust findings, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b).**

**NOTE:** Unchanged Code text and uncodified text are in plain Arial font. Additions to Codes are in single-underline italics Times New Roman font. Deletions to Codes are in ~~strikethrough italics Times New Roman font~~. Board amendment additions are in double-underlined Arial font. Board amendment deletions are in ~~strikethrough Arial font~~. Asterisks (\* \* \*) indicate the omission of unchanged Code subsections or parts of tables.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Findings.

(a) California Government Code Sections 65864 et seq. ("Development Agreement Law") authorize any city, county, or city and county to enter into an agreement for the development of real property within its jurisdiction.

(b) Chapter 56 of the Administrative Code sets forth certain procedures for processing and approving development agreements in the City and County of San Francisco (the "City").

1 (c) In May 2010, the Port Commission (the "Port") selected SWL 337 Associates,  
2 LLC, a Delaware limited liability company ("Developer"), through a competitive process to  
3 negotiate exclusively for the mixed-use development (the "Project") of Seawall Lot 337,  
4 bounded by Third Street on the west, Parcel P20 and Mission Rock Street on the south,  
5 Pier 48 to the east, and China Basin Park on the north, and Pier 48. The Port Commission  
6 later added China Basin Park, the marginal wharf between Pier 48 and Pier 50, and  
7 Parcel P20 to the development site (collectively, the "Site"), subject to approvals necessary to  
8 remove Parcel P20 from the Mission Bay South Redevelopment Project Area. Developer, an  
9 affiliate of the San Francisco Giants, will act as the master developer for the Project.

10 (d) In conjunction with this ordinance, this Board has taken or intends to take a  
11 number of other actions in furtherance of the Project, including approval of: (1) a disposition  
12 and development agreement ("DDA") between Developer and the Port; (2) amendments to  
13 the Planning Code that create the Mission Rock Special Use District (the "SUD amendments")  
14 and incorporate the more detailed Mission Rock Design Controls; (3) amendments to the  
15 Zoning Maps; (4) a memorandum of understanding for interagency cooperation between the  
16 Port and other City agencies (the "ICA") with respect to the subdivision of the Site and  
17 construction of public infrastructure and other public facilities; (5) formation proceedings for  
18 financing districts covering the Site and a memorandum of understanding between the Port  
19 and the Treasurer and Tax Collector and the Controller regarding the assessment, collection,  
20 and allocation of ad valorem and special taxes to the financing districts; and (6) a number of  
21 related documents and entitlements to govern the Project.

22 (e) At full build-out, the Project will include: (1) 1.1 million to 1.6 million gross square  
23 feet ("gsf") of new residential uses (an estimated 1,000 to 1,950 new residential units), at least  
24 40% of which will be on-site housing affordable to a range of low- to moderate-income  
25 households as described in the Housing Plan in the DDA; (2) 972,000 to 1.4 million gsf of new

1 commercial and office space; (3) 241,000 to 244,800 gsf of active retail and production uses  
2 on 11 proposed development blocks on SWL 337 in buildings that would range in height from  
3 90 to 240 feet, consistent with Section 5 of the Mission Rock Affordable Housing, Parks, Jobs  
4 and Historic Preservation Initiative (Proposition D, November 2015); (4) rehabilitation and  
5 reuse of Pier 48, a significant contributing resource to the Port of San Francisco Embarcadero  
6 Historic District; (5) approximately 1.1 million gsf of above- and below-grade parking in one or  
7 two garages; (6) transportation demand management on-site and payment of impact fees that  
8 the Municipal Transportation Agency will use to improve transportation service in the area;  
9 (7) approximately 5.4 acres of net new open space for a total of approximately 8 acres of new  
10 and expanded open space, including an expansion of China Basin Park, a new central  
11 Mission Rock Square, and waterfront access along the shoreline; (8) public access areas,  
12 assembly areas, and an internal grid of public streets, shared streets, and utilities  
13 infrastructure; and (9) on-site strategies to protect against sea level rise.

14 (f) While the DDA binds the Port and Developer, other City agencies retain a role in  
15 reviewing and issuing certain later approvals for the Project. Later approvals include approval  
16 of subdivision maps and plans for public infrastructure and public facilities, design review and  
17 approval of new buildings under the SUD amendments, and acceptance of Developer's  
18 dedications of public infrastructure and public facilities for maintenance and liability under the  
19 Subdivision Code. Accordingly, the City and Developer negotiated a development agreement  
20 for the Project (the "Development Agreement"), a copy of which is in Board File No. 171313  
21 and incorporated in this ordinance by reference. The DDA, the Development Agreement, the  
22 ICA, the Tax MOU, and all vertical disposition and development agreements and leases that  
23 the Port enters into in accordance with the DDA are referred to collectively as the "Transaction  
24 Documents."  
25

1 (g) Development of the Site in accordance with the DDA and the Development  
2 Agreement will help realize and further the City's goals to restore and revitalize Seawall  
3 Lot 337 and Pier 48, increase public access to the waterfront, increase public open space and  
4 community facilities within the neighborhood, add to the City's affordable and market-rate  
5 housing stock, and create a significant number of construction and permanent jobs in and  
6 near the Site. In addition, the Project will provide additional benefits to the public that could  
7 not be obtained through application of existing City ordinances, regulations, and policies.

8 Section 2. Environmental Findings.

9 (a) The Planning Commission has determined that the actions contemplated in this  
10 ordinance comply with the California Environmental Quality Act (Cal. Pub. Res. Code  
11 §§ 21000 et seq.) ("CEQA"). A copy of this determination is in Board File No. 171313 and  
12 incorporated in this ordinance by reference.

13 (b) The Board of Supervisors has adopted Resolution No. 36-18, a copy of which is  
14 in Board File No. 171286, making CEQA findings for the Project. The Board of Supervisors  
15 adopts and incorporates in this ordinance by reference the Planning Commission's findings  
16 under CEQA.

17 Section 3. Consistency Findings.

18 The Planning Commission recommended that the Board of Supervisors approve the  
19 Development Agreement and amendments to the Planning Code and the Zoning Maps at a  
20 public hearing on October 5, 2017, by Motion No. 20019 and Resolution No. 20020, copies of  
21 which are in Board File No. 171313. This Board adopts and incorporates by reference in this  
22 ordinance the Planning Commission's findings of consistency with the General Plan and the  
23 eight priority policies of Planning Code Section 101.1(b).

24 Section 4. Public Trust Findings.  
25

1 At a public hearing on January 30, 2018, the Port Commission consented to the  
2 Development Agreement and approved the DDA, subject to the Board of Supervisors'  
3 approval, finding that the Project would be consistent with and further the purposes of the  
4 common law public trust and statutory trust under the Burton Act (Stats. 1968, ch. 1333), as  
5 amended by Senate Bill 815 (Stats. 2007, ch. 660) and Assembly Bill 2797 (Stats. 2016,  
6 ch. 529), by Resolution Nos. 18-03 and 18-06, copies of which are in Board File No. 171313.  
7 The Board of Supervisors adopts and incorporates in this ordinance by reference the Port  
8 Commission's public trust findings.

9 Section 5. Approval of Development Agreement.

10 The Board of Supervisors:

11 (a) approves all of the terms and conditions of the Development Agreement in  
12 substantially the form in Board File No. 171313;

13 (b) finds that the Development Agreement substantially complies with the  
14 requirements of Administrative Code Chapter 56 (Development Agreements);

15 (c) finds that the Project is a large multi-phase and/or mixed-use development as  
16 defined in Administrative Code Section 56.3(g); and

17 (d) approves the Workforce Development Plan attached to the DDA in lieu of  
18 requirements under Administrative Code Chapter 14B (Local Business Enterprise Utilization  
19 and Non-Discrimination in Contracting Ordinance), Article VII of Chapter 23 (Prevailing Wage,  
20 Apprenticeship, and Local Hire Requirements in City Real Property Sales Contracts and  
21 Leases), Section 56.7(c) (Nondiscrimination/Affirmative Action Requirements), and  
22 Chapter 83 (First Source Hiring Program) to the extent that they apply to construction work  
23 that is subject to the Local Hiring Requirements of the Workforce Development Plan.  
24  
25

1           Section 6. Administrative Code Chapter 56 Waivers.

2           The Board of Supervisors waives the application to the Project of the following  
3 provisions of Administrative Code Chapter 56 to the extent inconsistent with the Development  
4 Agreement, the DDA, or the ICA, specifically:

5           (a)    Section 56.4 (Application, Forms, Initial Notice, Hearing); Section 56.7(c)  
6 (Nondiscrimination/Affirmative Action Requirements); Section 56.8 (Notice); Section 56.10  
7 (Negotiation Report and Documents); Section 56.15 (Amendment and Termination);  
8 Section 56.17(a) (Annual Review); Section 56.18 (Modification or Termination); and  
9 Section 56.20 (Fee); and

10          (b)    any other procedural or other requirements if and to the extent that they are not  
11 strictly followed.

12          Section 7. Other Administrative Code Waivers.

13          The Board of Supervisors waives the application to the Project of the following  
14 additional provisions of the Administrative Code:

15          (a)    Chapter 6 (Public Works Contracting Policies and Procedures) other than the  
16 payment of prevailing wages when required;

17          (b)    remedies and penalties for noncompliance with Chapter 12Q (Health Care  
18 Accountability), Chapter 12T (City Contractor/Subcontractor Consideration of Criminal History  
19 in Hiring and Employment Decisions), or Section 4.9-1 (Nutritional Standards for Vending  
20 Machines; Nutritional Guidelines for Food Served at City Meetings and Events;  
21 Recommended Nutritional Guidelines for Restaurants on City Property) that could result in the  
22 termination of any Transaction Document, loss or impairment of Developer's rights under the  
23 Transaction Documents or a vertical developer's rights under a property contract for any part  
24 of the Site, or debarment of Developer or any vertical developer from future contract  
25 opportunities with the City;

1 (c) Chapter 14B (Local Business Enterprise Utilization and Non-Discrimination in  
2 Contracting Ordinance);

3 (d) Competitive Bidding Procedures and Appraisal Review as defined in  
4 Section 23.2 (Chapter Definitions) and required by Section 23.3 (Conveyance and Acquisition  
5 of Real Property) or Section 23.33 (Competitive Bidding Procedures);

6 (e) Section 23.31 (Year-to-Year or Shorter Leases), which limits the Director of  
7 Property's authority to enter into leases on behalf of the City as landlord for periods longer  
8 than one year;

9 (f) Chapter 23A.7 (Surplus Public Lands Ordinance);

10 (g) Paragraph (2) of Section 61.5(c) (Listing of Unacceptable Non-Maritime Land  
11 Uses); and

12 (h) solely to the extent inconsistent with Developer's approved Workforce  
13 Development Program, Chapter 82 (Local Hiring Policy for Construction) and Chapter 83  
14 (First Source Hiring Program).

15 Section 8. Subdivision Code Waivers.

16 (a) The Board of Supervisors waives the application to the Project of time limits  
17 under Subdivision Code Section 1346(e) (Improvement Plans) and Section 1355 (Time Limit  
18 for Submittal) to the extent that they conflict with the ICA or the Development Agreement.

19 (b) The Board of Supervisors also waives the application to the Project of  
20 Subdivision Code Section 1348 (Failure To Complete Improvements Within Agreed Time),  
21 and the following terms shall apply in lieu thereof: The Public Improvement Agreement, as  
22 defined in the ICA, shall include provisions consistent with the Transaction Documents and  
23 the applicable requirements of the Municipal Code and the Subdivision Regulations regarding  
24 extensions of time and remedies that apply when improvements are not completed within the  
25 agreed time.

1           Section 9. Authorization.

2           (a)    The Board of Supervisors affirms that the waivers in this ordinance do not waive  
3 requirements under the Development Agreement Law and authorizes the City to execute,  
4 deliver, and perform the Development Agreement as follows:

5                   (1)    the Director of Planning, the City Administrator, and the Director of Public  
6 Works are authorized to execute and deliver the Development Agreement with signed  
7 consents of the Port Commission, the Municipal Transportation Agency, and the San  
8 Francisco Public Utilities Commission; and

9                   (2)    the Director of Planning and other appropriate City officials are authorized  
10 to take all actions reasonably necessary or prudent to perform the City's obligations under the  
11 Development Agreement in accordance with its terms.

12           (b)    The Director of Planning is authorized to exercise discretion, in consultation with  
13 the City Attorney, to enter into any additions, amendments, or other modifications to the  
14 Development Agreement that the Director of Planning determines are in the best interests of  
15 the City and that do not materially increase the obligations or liabilities of the City or materially  
16 decrease the benefits to the City as provided in the Development Agreement. Final versions  
17 of any additions, amendments, or other modifications to the Development Agreement shall be  
18 provided to the Clerk of the Board of Supervisors for inclusion in Board File No. 171313  
19 within 30 days after execution by all parties.

20           Section 10. Ratification of Past Actions; Authorization of Future Actions.

21           All actions taken by City officials in preparing and submitting the Development  
22 Agreement to the Board of Supervisors for review and consideration are hereby ratified and  
23 confirmed, and the Board of Supervisors hereby authorizes all subsequent action to be taken  
24 by City officials consistent with this ordinance.

**Section 11. Effective and Operative Dates.**

(a) This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned, or the Mayor does not sign the ordinance within ten days after receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

(b) This ordinance shall become operative only on the effective date of the DDA. No rights or duties are created under the Development Agreement until the operative date of this ordinance.

City and County of San Francisco

Tails  
Ordinance

City Hall  
1 Dr. Carlton B. Goodlett Place  
San Francisco, CA 94102-4689

File Number: 171313

Date Passed: February 27, 2018

Ordinance approving a Development Agreement between the City and County of San Francisco and Seawall Lot 337 Associates, LLC, for 28 acres of real property known as Seawall Lot 337, located east of Third Street between China Basin Channel and Mission Rock Street, China Basin Park and the portion of Terry A. Francois Boulevard abutting the park, Pier 48, the marginal wharf between Pier 48 and Pier 50, and Parcel P20; for the proposed Mission Rock Mixed-Use Project; waiving certain provisions of the Administrative Code, Planning Code, and Subdivision Code; and adopting findings under the California Environmental Quality Act, public trust findings, and findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b).

February 07, 2018 Government Audit and Oversight Committee - RECOMMENDED

February 13, 2018 Board of Supervisors - PASSED ON FIRST READING

Ayes: 9 - Breed, Fewer, Kim, Peskin, Ronen, Sheehy, Stefani, Tang and Yee

Excused: 2 - Cohen and Safai

February 27, 2018 Board of Supervisors - FINALLY PASSED

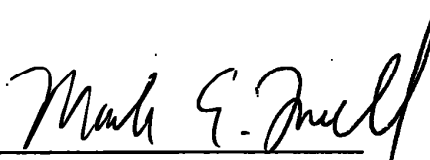

Ayes: 10 - Breed, Cohen, Fewer, Kim, Peskin, Ronen, Safai, Sheehy, Stefani and Yee

Excused: 1 - Tang

File No. 171313

I hereby certify that the foregoing  
Ordinance was FINALLY PASSED on  
2/27/2018 by the Board of Supervisors of  
the City and County of San Francisco.

  
Angela Calvillo  
Clerk of the Board

  
Mark E. Farrell  
Mayor

**SCHEDULE 12.4-1**

**DESCRIPTION OF DEFERRED INFRASTRUCTURE APPLICABLE FOR CERTAIN DEALS**

[To be attached prior to execution]

**Schedule 15.3**  
**Remedies for Failure to Commence Construction**

**1. Liquidated Damages.**

a. If the Vertical Project has not Commenced Construction as of the Construction Commencement Date or construction has not been Completed as of the Construction Completion Date (as such dates may have been extended pursuant to this Agreement) and Vertical Developer has failed to cause such Commencement or Completion to occur within thirty (30) days after Port's notice to Vertical Developer of such failure (which notice the Port may give as early as 30 days in advance of the Commencement or Completion deadline if Port reasonably believes at such time that commencement or completion will not occur by the applicable deadline) ("**Deadline Notice**"), then Vertical Developer will be liable to Port, as liquidated damages, for an amount equal to the Daily LD Amount for each day that the Construction Commencement Date or the Construction Completion Date of the Vertical Project is delayed beyond the applicable date set forth in Section 12.1(b) of this Agreement, as such date may have been extended. Vertical Developer will pay to Port the Liquidated Amount within ten (10) business days of demand therefor; provided, however, Port's delay in making any such demand will not be deemed to be a waiver of its rights to demand such amounts. As used herein the term "**Daily LD Amount**" will mean the annual amount of all Mello Roos Taxes for the twelve (12)—month period immediately following the Deadline Notice, divided by 365 times 110%.

b. The Liquidated Amount will be applied by Port as follows:

- i. First, to pay any Mello Roos Taxes on the Property as they become due and payable;
- ii. Second, all remaining proceeds to Port to be deposited into the DRP Fund in accordance with Section 3.7 of the Financing Plan (Exhibit C1 to the Horizontal DDA).

c. THE PARTIES HAVE AGREED THAT PORT'S ACTUAL DAMAGES, IN THE EVENT OF THE FAILURE TO CAUSE THE COMMENCEMENT OR COMPLETION OF THE VERTICAL PROJECT ON OR PRIOR TO THE CONSTRUCTION COMMENCEMENT DATE OR CONSTRUCTION COMPLETION DATE, AS APPLICABLE, WOULD BE EXTREMELY DIFFICULT OR IMPRACTICABLE TO DETERMINE. AFTER NEGOTIATION, THE PARTIES HAVE AGREED THAT, CONSIDERING ALL THE CIRCUMSTANCES EXISTING ON THE DATE OF THIS AGREEMENT, THE LIQUIDATED AMOUNT IS A REASONABLE ESTIMATE OF THE DAMAGES THAT PORT WOULD INCUR IN SUCH AN EVENT. BY PLACING THEIR RESPECTIVE INITIALS BELOW, EACH PARTY SPECIFICALLY CONFIRMS THE ACCURACY OF THE STATEMENTS MADE ABOVE AND THE FACT THAT EACH PARTY WAS REPRESENTED BY COUNSEL WHO EXPLAINED, AT THE TIME THIS AGREEMENT WAS MADE, THE CONSEQUENCES OF THIS LIQUIDATED DAMAGES PROVISION.

INITIALS: PORT: \_\_\_\_\_ VERTICAL DEVELOPER: \_\_\_\_\_

**2. Additional Port Remedies for Failure to Commence Construction.**

a. Notice. If Commencement of Construction does not occur by the later of (i) the required Construction Commencement Date (as such date may have been extended pursuant to this Agreement) or (ii) thirty (30) days after Vertical Developer's receipt of the Deadline Notice (a "**Commencement Default**"), then Port will promptly deliver notice of the Commencement Default to Vertical Developer (the "**Commencement Default Notice**").

b. Assignment of Lease. If the Construction Commencement Date has not occurred by the date that is thirty (30) days after the Commencement Default Notice, then (x) Port will have an exclusive, one-time right to cause Vertical Developer to assign the Parcel Lease to a Successful Respondent or assign all of its rights under the Parcel Lease (including rights to any

Improvements) to Port or the City, or (y) terminate the Parcel Lease, on the following terms and conditions (the "Port Assignment Option"):

i. Port will have a period of sixty (60) days from the date of the Commencement Default Notice in which to notify Vertical Developer in writing that it desires to exercise the Port Assignment Option (the "Port Exercise Notice").

ii. If Port timely delivers the Port Exercise Notice, then Port may elect, in its sole discretion, to (1) issue a request for proposal for the Parcel Lease or such other solicitation as determined by Port (collectively, "RFP"), consistent with the provisions of paragraphs (iii) and (iv) below, and otherwise in accordance with the procedures for a Public Offering as provided in the Horizontal DDA, or (2) assume (or have the City assume) all of Tenant's rights under the Parcel Lease or (3) terminate the Parcel Lease. Vertical Developer will cooperate with Port and the successful respondent to the RFP ("Successful Respondent"), as applicable, to consummate the assignment of Tenant's leasehold in the Parcel Lease (including all rights to any Improvements) (the "15.3 Assignment") or termination of the Parcel Lease ("15.3 Termination"), as applicable, within ninety (90) days of Port's selection of the Successful Respondent.

iii. The RFP, if any, will specify that all consideration payable by the successful respondent with respect to any [pre-paid rent] paid by the Tenant under the Parcel Lease ("VD DRP") and any amounts that the successful respondent wishes to offer in excess of such [pre-paid rent] (collectively, "15.3 Pre-Paid Rent") will be payable in cash at the 15.3 Closing. If the Port elects a 15.3 Termination, then the RFP will provide for a minimum upfront cash payment equal to no less than 85% of the Vertical Developer DRP.

iv. Any 15.3 Assignment will provide for the assignment to, and the assignee's assumption of, all of Tenant's interest in this Lease. In the event of a 15.3 Assignment, Tenant will be released from obligations that are expressly transferred to and assumed by the transferee in the assignment and assumption agreement that first arise from and after the effective date of the Transfer, except from those provisions of the Parcel Lease and this Agreement that expressly survive the expiration or earlier termination. In the event of a 15.3 Termination, Tenant will be released from obligations that first arise from and after the effective date of the 15.3 Termination, except from those provisions of the Parcel Lease and this Agreement that expressly survive the expiration or earlier termination.

c. Vertical Developer Obligations. In connection with the closing of the Port Assignment Option or 15.3 Termination (collectively, the "15.3 Closing"), Vertical Developer will deliver into escrow, at least five (5) days prior to the contemplated 15.3 Closing, (i) in the event of a 15.3 Assignment only, an assignment of the Parcel Lease to the Successful Respondent, (ii) a quitclaim deed with respect to any and all Improvements in, on, or under the Property, subject only to Permitted Exceptions, and (iii) if there is a Mortgage encumbering the Property, a reconveyance of any Mortgage encumbering the Property, together with irrevocable instruction from the applicable Lender(s) to record the same upon payment to such Lender in accordance with Section e below.

d. Revocation. Notwithstanding anything herein to the contrary, Port will have the right, for any reason or no reason, to rescind the Port Exercise Notice at any time before the consummation of the Closing by delivering written notice to Vertical Developer, in which event Port will have no further rights under the Port Assignment Option.

e. Application of 15.3 Pre-Paid Rent. At the 15.3 Closing, the 15.3 Pre-Paid Rent paid by the Successful Respondent will be applied as follows: (i) first, to Port for any unpaid Rent to Port under the Parcel Lease then due and payable; (ii) second, to Port to pay any unpaid amounts required to be paid under this Agreement, including, but not limited to, any unpaid LD

Amount; (iii) third, to pay any taxes and assessments on the Property (including Mello Roos Taxes) to the extent not already paid (or payable by Port out of LD Amounts paid by Vertical Developer) and then due and payable; (iv) fourth, to pay Port's Closing Costs associated with the 15.3 Closing; (v) fifth, if applicable, to any Lender to satisfy the indebtedness evidenced by the Mortgage; and (vi) sixth, to Vertical Developer, up to an amount equal to eighty-five percent (85%) of VD DRP, and (vii) seventh, to Port for deposit in the DRP Fund.

f. **Term.** Unless terminated sooner as provided for in this Schedule 15.3, the Port Assignment Option will automatically terminate, and will be of no force or effect, upon the earliest of (a) so long as no Commencement Default Notice has been delivered, the date upon which Commencement of Construction occurs, or (b) the date upon which a Lender Acquisition is consummated.

g. **Lenders' Rights.** Without limiting the rights afforded to Lenders pursuant to Article 16 (Financing; Rights of Lenders) of this Agreement or expanding Lender rights under the Parcel Lease, following a Commencement Default Notice, Lender will have the right, but not the obligation, to notify Port, Master Developer and Vertical Developer that it intends to pursue a Lender Acquisition. Upon receipt of such notice, Port will not pursue its assignment right hereunder, as applicable for so long (and only for so long) as Lender is diligently pursuing such Lender Acquisition, and all time periods set forth herein in connection with the Port Assignment Option will be tolled for such period of time.

### **3. Failure to Complete Construction.**

If Commencement of Construction has timely occurred but Vertical Developer has not Completed construction on or before the Construction Completion Date, then, so long as Vertical Developer is diligently pursuing Completion and Developer is timely paying the Liquidated Amount, Vertical Developer will not be in default under this Agreement or the Parcel Lease solely for failing to Complete construction on or before the Construction Completion Date.

### **4. Rights of Lenders.**

Lenders and Successor Owners will have the rights, and Port will have the obligations to such parties, as set forth in Section 16.1 of this Agreement.

[The remainder of this page left intentionally blank.]

**DDA EXHIBIT D3**  
**FORM OF APPRAISAL INSTRUCTIONS**

### **DDA EXHIBIT D3**

#### **Form of Joint Appraisal Instructions**

##### **I. Introduction**

These Appraisal Instructions (these "**Instructions**") constitute a part of that certain Disposition and Development Agreement (the "**DDA**"), dated as of [\_\_\_\_], by and between the City and County of San Francisco, a municipal corporation and charter city (the "**City**") acting by and through the San Francisco Port Commission (the "**Port**" or the "**Port Commission**"), and [Seawall Lot 337 Associates, a Delaware limited liability company] ("**Developer**"). All capitalized terms used herein but not otherwise defined herein will have the meaning ascribed to such terms in the DDA as summarized in Schedule 2.

These Instructions will govern preparation and delivery of each appraisal report (each, an "**Appraisal**") setting forth the Appraiser's opinion of the Fair Market Value of the Subject Property for purposes of determining the price of conveyance of the Subject Property as an Option Parcel, in accordance with Article 7 of the DDA.

These Instructions, along with Sections 7.4 and 7.5 of the DDA, (see Schedule 6) will constitute the scope of work and sole instructions to be utilized by the Appraiser in preparing an Appraisal.

##### **II. Subject Property.**

The Option Parcel that is the subject of these Appraisal Instructions is identified as Parcel [ ] as more particularly described in Attachment 1 attached hereto (the "**Subject Property**").

##### **III. Appraisal Standards.**

Each opinion of value will be stated in a self-contained appraisal report based on a comprehensive study and analysis and setting forth, in detail, all data, analysis, and conclusions, as necessary and typical of an appraisal report in compliance with the current version of the Uniform Standards of Professional Appraisal Practice ("**USPAP**").

The Appraisal Report will include the Appraiser's final opinion of the Fair Market Value for the Subject Property stated as a specific dollar figure.

##### **IV. Documents to be Reviewed and Considered by the Appraiser**

###### **A. Project Documents**

The Subject Property shall be appraised assuming that the following documents are applicable to the property and property interests being appraised (collectively, the "**Project Documents**"):

1. The SUD and Design for Development, attached hereto as Attachment 2;
2. The Interagency Cooperation Agreement, attached hereto as Attachment 3;

3. The Vertical DDA for the Subject Property, substantially in the form attached hereto as Attachment 4 which includes (a) the Scope of Development which provides the permitted uses and certain standards for development of the Subject Property, (b) the inclusionary requirement applicable to the Subject Property [include clause (b) *for residential uses only; inclusionary requirement will be an in-lieu fee for condo parcels or on-site inclusionary for rental parcels*], (c) Jobs Program, (d) measures under the MMRP applicable to the Subject Property as identified therein, and (e) a preliminary budget, including contingency, for the Vertical Developer's cost to construct Deferred Infrastructure and description of the treatment of Deferred Infrastructure costs per Section 2.6 of the Financing Plan;

4. The Parcel Lease for the Subject Property, substantially in the form attached to the Vertical DDA;

5. The rights and obligations under the Development Agreement as established by a Development Agreement Assignment, Assumption and Release substantially in the form attached hereto as Attachment 5;

6. The Master CC&Rs, substantially in the form attached hereto as Attachment 6;

7. The Vertical Cooperation Agreement, substantially in the form attached hereto as Attachment 7;

8. Lien of Special Taxes for Community Facilities District as summarized in Attachment 8;

9. Rate and Method of Apportionment as attached as Attachment 9;

10. Final Subdivision Map No. \_\_\_\_\_ that establishes the Subject Property as a legal parcel subdivided in accordance with the Subdivision Map Act and all applicable laws shown in Attachment 10.

*[Add reference to any additional entitlement or regulatory approvals and any other documents not listed above to which the Subject Property will be subject, including matters affecting title to the Subject Property.]*

B. Other Information

*[Describe here any other documents that the Port and Developer mutually agree to present to the Appraiser for its consideration during the appraisal process, which may include, without limitation: (i) information regarding the then-current condition of the Subject Property, (ii) additional information regarding the status of all required horizontal improvements, (iii) cost estimates or other information relevant to the cost or value of the vertical development, and (iv) data from recent transactions at the site or nearby sites.]*

**V. Appraisal Purpose and Report Requirements.**

**A. Purpose.**

**1. Appraisal Assignment.**

*[For transfers pursuant to Fully Pre-paid Leases:]* The appraisal assignment is to determine, subject to the Special Instructions and Extraordinary Assumptions set forth in these Instructions (1) the Fair Market Value as defined by California Code of Civil Procedure section 1263.320 of the fee interest in the Subject Property (the "**Fee Value**"), (2) the Fair Market Value of the leased fee interest; and (3) the Fair Market Value of a leasehold interest held by the Tenant under the Parcel Lease for a [75] year term as provided therein, assuming that all rent under such Parcel Lease is fully prepaid (the "**Prepaid Lease Value**").

*[For transfers pursuant to Hybrid Leases:]* The appraisal assignment is to determine, subject to the Special Instructions and Extraordinary Assumptions set forth in these Instructions (1) the Fair Market Value as defined by California Code of Civil Procedure section 1263.320 of the fee interest in the Subject Property (the "**Fee Value**"), (2) the Fair Market Value of the leased fee interest; and (3) the Fair Market Value of a leasehold interest held by the Tenant under the Parcel Lease for a [75] year term as provided therein, assuming that all rent under such Parcel Lease is fully prepaid (the "**Prepaid Lease Value**").

*[For transfers pursuant to Hybrid Leases:]* In addition, the Appraiser shall, after consultation with at least 2 firms from the Qualified Investment Advisor pool established by the Port and Developer, determine a factor (the "**Conversion Factor**") that, when multiplied by the Fee Value or the Prepaid Lease Value (Appraiser to determine whether to apply the factor to the Fee Value or the Prepaid Lease Value), would equal the fair market annual base rent payable under the terms of the Parcel Lease if no rent is prepaid.

**2. Intended Use**

*[For transfers pursuant to Fully Pre-paid Leases:]* The Parties intend to use the Appraisal to establish the amount payable upon conveyance of the Parcel Lease, in accordance with the DDA. The Port also intends to use the Appraisal to support its findings that the proposed Parcel Lease is consistent with the conditions in the State statute (SB 815) allowing for the Port's transfer of a leasehold interest in the Site free from public trust use restrictions, subject to the Port receiving fair market value for the lease.

*[For transfers pursuant to Hybrid Leases:]* The Parties intend to use the Prepaid Lease Value and the Conversion Factor determined through the Appraisal to establish the amount of the Base Rent initially payable following conveyance of the Parcel Lease in accordance with the DDA. If no rent is prepaid, the initial Base Rent would be determined by multiplying the Fee Value or the Prepaid Lease Value by the Conversion Factor. The Parties may require that some portion of the rent be prepaid, in which event the Base Rent would be determined by multiplying the difference between the Prepaid Lease Value and the actual prepaid rent by the Conversion Factor. The Port also intends to use the Appraisal to support its findings that the proposed Parcel lease is

consistent with the conditions in the State statute (SB 815) allowing for the Port's transfer of a leasehold interest in the Site free from public trust use restrictions, subject to the Port receiving fair market value for the lease.

**B. Appraisal and Report Requirements.**

1. General Principles. Each Appraisal will be prepared in accordance with USPAP and the following requirements:

a. The Appraiser shall take into account the terms and conditions of the Project Documents applicable to the Subject Property, including, without limitation, the Lien of Special Taxes, and the terms of the Vertical DDA, the Parcel Lease and Development Agreement Assignment, Assumption and Release.

b. The Appraiser shall take into account any other covenants, conditions, and restrictions or easements benefitting or burdening the Subject Property and any unusual characteristics of the Subject Property, including without limitation, zoning, land use and other regulatory restrictions applicable to the Subject Property as of the date of value of the Appraisal.

c. The Appraiser shall explain the reasoning applied to arrive at the final opinion of value and how the results of each approach to value were weighed in that opinion, and the reliability of each approach to value for solving the particular appraisal problem.

d. The Appraiser shall state as a single amount (i.e., not a range of values) his or her final opinion of [each of] the values described in Section 5(A)(1) Appraisal Assignment.

e. Comparable market data ("comparables") shall be presented in individual write-up sheets and include the following data:

- Physical address and legal description (if possible)
- Parties to the transaction
- Date of Transaction
- Sales price
- Financing terms and conditions (if known)
- Property rights conveyed
- Transaction conditions (buyer motivation, arm's length, distressed, etc.) (if discoverable)
- Description of improvements, including utilities available
- Size and shape of property
- Unit counts (if applicable)
- Current Use
- Zoning and proposed zoning change (if applicable)

- Development of capitalization rate (if sale comparable is income producing)
- Verification of the transaction data (including names and contact information of with whom the transaction was verified/confirmed and date verified)

f. Comparable lease data shall additionally include:

- Date of lease or most recent transaction
- Lease rates and terms
- TI allowances, expense allocations, and rental concessions, if any and known
- Square feet of leased space (and basis of calculation, if known)
- Date and source of verification

g. The Appraiser shall physically inspect all comparables relied upon if located within a sixty (60) mile radius of the Subject Property. As to any comparables relied upon outside of this radius, the Appraiser shall take other reasonable steps to evaluate the location and condition of the comparable.

h. Discount and capitalization rates must be supported by market data and discussed in the narrative as to how they were derived.

i. The actual adjustments shall be set forth in an adjustment grid(s) and discussed in sufficient detail to lead the reader to the Appraiser's conclusions.

j. Photographs of all comparables utilized by the Appraiser shall be provided within the appraisal, including original photographs of all comparables physically inspected.

k. Maps displaying the location of all comparables as compared to the Subject Property shall be included.

l. Consistent with USPAP direction, the Appraiser shall avoid use of, or justify inclusion of comparable sales requiring extraordinary verification and weighting considerations, such as sales to governmental agencies, sales to non-profit organizations, sales to environmental organizations, sales to parties desiring to exchange the land to the government, distressed sales, and other atypical or non-arm's length sales.

m. The Appraiser must provide a line-item discussion reflecting the development of each income, expense, vacancy, infrastructure, cost-to-cure, or demolition item cited in the Appraisal.

n. Property operating expenses, development costs, delay costs may be supported by comparables construction contracts, building contractors, cost-estimators, cost-

estimating services to industry recognized income/expense manuals such as Marshall & Swift, BOMA, IREM, etc.

o. If the Appraiser chooses to use self-made or commercial appraisal software, such as Argus Enterprise, Microsoft Excel etc., he/she must provide all supporting printouts, spreadsheets, and electronic versions of the files, which support the Operating Income Statement or Discounted Cash Flow (DCF) analyses provided within the Appraisal.

**C. Extraordinary Assumptions and Special Instructions**

**1. Extraordinary Assumptions**

a. Upon conveyance, the Subject Property will be a valid legal parcel in accordance with the requirements of the Subdivision Map Act and will be fully entitled subject only to design review approval by Planning in accordance with the requirements of the SUD and Design for Development and approval of building permits by the Port for Vertical Improvements and approvals necessary to commence Deferred Infrastructure.

b. *[add if commercial parcel]*: An Office Development Authorization from the Planning Commission (per Planning Code Sections 321 and 322), and approval from the Planning Department is not required for new office development under the jurisdiction of the Port.

c. The Subject Property has access to public streets and all required utilities necessary to serve the development as further described in the Project Documents. *[If horizontal improvements are not yet complete, substitute the following: The Subject Property will be provided with access to public streets and required utilities necessary to serve the development as and when provided in the Vertical DDA and Vertical Cooperation Agreement.]*

d. The Subject Property is graded and soil compacted in accordance with the certification of Developer's geotechnical engineer

e. The permitted uses are set forth in the Vertical DDA's Scope of Development of the Subject Property (residential (rental or for-sale) or commercial), including maximum density and maximum off-street parking.

f. *[applies to residential uses only]* The affordable housing requirements applicable to the Subject Property are set forth in the Vertical DDA.

**2. Special Instructions**

a. In evaluating the estimated revenue to be derived from the anticipated development of the Subject Property, the Appraiser shall (1) consider data provided by the Port and Developer, (2) consult with a real estate broker or brokerage firm with at least 5 years' experience in the San Francisco real estate market, *[if occupied buildings exist on the Site]* and (3) review proprietary rent roll and sublease information from the following operating buildings at the Site, after signing a non-disclosure agreement (Attachment 11).

b. In evaluating the estimated construction period and development costs of the anticipated development of the Subject Property for the purposes of a residual land value analysis, the Appraiser shall consult with a general contractor or construction cost estimator with at least 5 years' experience in estimating construction costs of similar developments in San Francisco and may consider construction cost estimates provided by the Port and Developer.

c. The Appraiser shall provide a detailed analysis of the method(s), data and information relied upon in determining each capitalization rate used in the Appraisal. In making this determination, the Appraiser shall conduct and document (name, title, company and opinion summary) market participant interviews regarding market capitalization rates for fee simple *[and leasehold]* transactions and for transactions involving completed buildings and development sites, and consult with at least 2 Qualified Investment Advisors. "**Qualified Investment Advisor**" means a firm providing real estate investment banking or real estate investment advisory services, including real estate investment brokerage services, with at least 10 years' experience in the San Francisco real estate market, selected from the list of firms set forth on Schedule 5, or another comparable firm approved by Port and Developer.

d. Based on the comparables set, market participant interviews and consultation with at least 2 Qualified Investment Advisors, the Appraiser shall quantify the capitalization rate differential between fee simple and the subject leasehold transactions. The Port and Developer understand that the capitalization rate differential between fee simple and leasehold transactions has historically been greater than 5 basis points. The Appraisal shall include a reasoned narrative to support the conclusion set forth in the Appraisal regarding the capitalization rate differential, including any deviation from the historic differential.

e. The Appraiser shall select approaches to value that are applicable to the assignment, but shall include a residual land value analysis as one approach.

## **VI. Appraisal Procedures.**

The following sets forth the procedures for the preparation of each Appraisal; these procedures may be modified or waived by mutual agreement of Port and Developer, each agreeing to such modification or waiver in its sole discretion.

A. **Contracting Parties.** The Appraiser will be engaged jointly by Developer and Port (collectively, the "**Contracting Parties**") and will be provided with points of contact for each to assist in completing the assignment. For questions regarding the appraisal and subject documents, please contact both of the following:

**Port Contact:**

Port of San Francisco  
Pier 1  
San Francisco, CA 94111  
Att'n: Michael Martin, Director, Real Estate & Development  
  
Telephone: (415) 274-0400  
Facsimile: (415) 274-0495  
Email: michael.martin@sfport.com

**With a copy to:**

City Attorney's Office  
Port of San Francisco  
Pier 1  
San Francisco, CA 94111  
Att'n: Eileen Malley, General Counsel  
  
Telephone: (415) 274-0485  
Facsimile: (415) 274-0494  
Email: eileen.malley@sfgov.org

**Developer Contact:**

Name, Address, Phone #, Email address

**B. Pre-Work Conference:** At the request of the Contracting Parties, the Appraiser will attend a pre-work conference for discussion and understanding of these Instructions, including a timing update. The pre-work conference may be held in conjunction with an inspection of the Subject Property.

**C. Inspection:** Inspection of the Subject Property is to be coordinated with the property contacts who will both have the option of having representatives attend the inspection with the Appraiser.

**D. Draft Report:** The Appraiser will submit to the Contracting Parties an initial draft appraisal report (the "**Draft Report**"), consisting of an unprotected PDF copy of such report, within the period specified within the fully executed contract for appraisal services. The Appraiser shall maintain a well-documented workfile, available on request for review by the Contracting Parties, containing supporting documents, meeting and interview notes, and other materials relied upon but not included in the Appraisal.

**E. Review and Comment Period:** Following its receipt of the Draft Report, the Contracting Parties will review such Draft Report and, within 15 calendar days thereafter, provide any comments or feedback to the Appraiser.

**F. Final Appraisal:** Following receipt of any comments, the Appraiser will, within a reasonable time (not to exceed 15 calendar days without the Contracting Parties' written consent), revise the Draft Report as appropriate after considering any such comments or

feedback and deliver to the Contracting Parties a final Appraisal, by emailing a PDF report and delivering by overnight delivery service two (2) signed hard copies of the Final Appraisal.

## **VII. Confidentiality.**

The Contracting Parties and the Appraiser acknowledge and agree that, in the course of preparing an Appraisal pursuant to these Instructions, the Contracting Parties may disclose confidential information, which has been approved and authorized by Contracting Parties for release, to the Appraiser.

The Appraiser agrees not to disclose such confidential information to any third party and to treat it with the same degree of care as it would its own confidential information. It is understood, however, that the Appraiser may disclose such confidential information on a "need to know" basis to the Appraiser's employees and subcontractors. As a condition precedent to any such disclosure, each and all of such employees and subcontractors will have executed a written confidentiality agreement with the Contracting Parties which obligates such employees and subcontractors to maintain the confidentiality of such confidential information.

Each Appraisal, the Fair Market Value determination included therein, and the supporting documentation, also constitute confidential information, and the Appraiser will strictly abide by the confidentiality and ethics provisions of the Appraisal Institute and USPAP.

The Appraiser must obtain written authorization from the Contracting Parties before disclosure of any confidential information. The passage of time in and of itself will not extinguish either the Appraiser's responsibility for confidentiality or the appraiser/client relationship. The appraiser/client relationship is extinguished only upon written release from the Contracting Parties. Even though the appraiser/client relationship may terminate, the Appraiser will at all times remain subject to the confidentiality and ethics provisions of Appraisal Institute and USPAP.

- *Description of the grading, excavation and geotechnical condition of the site (as certified by Developer's geotechnical engineer), and the applicable standard of remediation.*
- *If the Subject Property includes a basement level, description of the condition of the site, which may be left as-is, or partially pre-excavate.*
- *Separate Special Instructions for Residential and Commercial-Office if the Subject Property is Flex and a dual appraisal is requested by Developer.]*

**SCHEDULE 2: DDA DEFINED TERMS**

**[SEE DISPOSITION AND DEVELOPMENT AGREEMENT APPENDIX PART B]**

### **SCHEDULE 3: BACKGROUND**

### **SCHEDULE 3: BACKGROUND**

**A. Entitlement and Legal Framework.** The applicable zoning for the Project Site consisting of Seawall Lot 337, a portion of Terry A. Francois Boulevard, a portion of the wharf between Pier 48 and Pier 50, China Basin Park, and certain other property, all as more specifically described in the Mission Rock Special Use District (the “SUD”) and Design for Development that govern the development standards and guidelines for Vertical Development: The DDA is the principal agreement governing development of the Project Site, including both “horizontal” and “vertical” development of the Project, delivery of public benefits and the financial structure for the transaction. The City has entered into a Development Agreement with Developer that provides vested rights to both horizontal and vertical development to proceed in accordance with the Project Approvals and Transaction Documents.

**B. Horizontal Development and Deferred Infrastructure.**

1. Developer is responsible under the DDA for horizontal development of the Project, including entitlement, site preparation (including grading and environmental remediation), subdivision and construction work related to streets and sidewalks, public realm amenities (e.g., parks and open space), public utilities and shoreline improvements to create development parcels and support and protect buildings (including affordable housing). Standards for horizontal development are set forth in the Infrastructure Plan attached to the DDA and the Streetscape Plan subsequently approved by the Port. Under the Interagency Cooperation Agreement, the City and Port agree to process applications for Horizontal Improvements and subdivision maps consistent with the DDA (including the Infrastructure Plan and Streetscape Plan) and in accordance with the streamlined review and approval procedures set forth therein.

2. The DDA establishes the scope and timing of Project phasing through a Phasing Plan and Schedule of Performance that establishes deadlines by which Developer must submit development applications for each Phase, commence and complete the Phase Improvements within each Phase, and deliver Associated Public Benefits, subject to Excusable Delay. The DDA also allows Port and Developer to identify Deferred Infrastructure associated with Option Parcels which may be assigned to Vertical Developers. Vertical Developer will be obligated to construct the designated Deferred Infrastructure, subject to the Schedule of Performance attached as DDA Exhibit B2 and as outlined in the Vertical Cooperation Agreement.

**C. Phase Submittals.** The Subject Property is included within the Phase Submittal for Phase [XX] of the Project, a copy of which is attached hereto as Attachment 2. The Phase Submittal sets forth all applicable obligations and timing for completion of Phase Improvements within the applicable Phase, the range of residential density and maximum off-street parking that can be allocated to each Option Parcel and the public benefits that will be provided with the delivery of Vertical Improvements within the applicable Phase, including child-care facilities, community facilities and affordable housing.

**D. Conveyance of Subject Property and Vertical Development.** Pursuant to Section \_\_ of the DDA, Developer has triggered the appraisal process for the Subject Property by

delivering to the Port the Appraisal Notice attached hereto as Schedule 4. In the Appraisal Notice, Developer has identified the Subject Property, provided a detailed program of uses planned for the parcel, including the area programmed for each type of use, the location, and amount of office development on the Subject Property that would be counted against the maximum annual limit under Planning Code Section 321 and identified the inclusionary housing, fee and program requirements that will be binding on the Subject Property consistent with the Affordable Housing Plan.

**SCHEDULE 4: APPRAISAL NOTICE**

**[TO BE ATTACHED]**

**SCHEDULE 5: LIST OF QUALIFIED INVESTMENT ADVISORS**

**[TO BE ATTACHED]**

**SCHEDULE 6: DDA SECTIONS 7.4 AND 7.5**

**Schedule 6**  
**DDA Sections 7.4 and 7.5**

**7.4. Fair Market Value.**

(a) **Established by Appraisal.** Fair Market Values of Option Parcels will be established by appraisals under this Section.

(b) **Appraisal Notice.** Developer will trigger the appraisal process for an Option Parcel by delivering an Appraisal Notice to the Parties' jointly chosen Qualified Appraiser before the Outside Date to begin construction of Phase Improvements or in response to a Put Notice. The Appraisal Notice will identify the Option Parcel and provide a detailed program of uses planned for the parcel, including the area programmed for each type of use. The Appraisal Notice will include Appraisal Instructions that require the Qualified Appraiser to deliver an appraisal report for the applicable Option Parcel to the Parties within 30 days after the Appraisal Notice is delivered.

(c) **Appraiser Qualifications.** Each Qualified Appraiser must meet the following qualifications:

(i) be licensed in the State of California as a Certified General Appraiser;

(ii) be a member of the Appraisal Institute;

(iii) have at least 10 years' experience in the San Francisco Bay Area valuing commercial-office or multiple occupancy residential properties or both, depending on the allowed uses of the Option Parcel;

(iv) be a principal in either a national or regional firm based in California that:

(1) is not a Vertical Developer Affiliate;

(2) does not have an equity investment in Developer, any Vertical Developer Affiliate, any Vertical Developer that has entered into a Parcel Lease with the Port, or any of their Affiliates;

(3) does not have a conflict of interest by virtue of a contractual relationship with Developer either existing or in the 24 months immediately preceding the engagement, unless the Port in its sole discretion waives the conflict;

(4) agrees to avoid future conflicts of interest as a condition to being on the panel; and

(v) is otherwise acceptable to both Parties.

(d) **Qualified Appraiser Pool.** The Qualified Appraiser Pool from which the Parties may select as of the Project Approval Date is attached as DDA Schedule 2. From time to time, either Party may propose in writing to amend the Schedule to add or remove appraisers to or from the Qualified Appraisers Pool. If the Parties disagree on a proposed addition or removal, then the Parties will engage in a dispute resolution procedure under Section 9.4 (Binding Arbitration).

(e) **Appraisal Instructions.** The Appraisal Instructions will direct the Qualified Appraiser to prepare and deliver simultaneously to both Parties a Joint Appraisal. For a Residential Project where TAY Units are required, the appraisal instructions will instruct the Qualified Appraiser to assume that:

(i) TAY Units will be provided as Inclusionary Units restricted to households with incomes up to 45% of AMI;

(ii) TAY Units and associated service space will occupy the same building area that would be occupied by the same number of Inclusionary Units restricted to households with incomes up to 45% of AMI; and

(iii) the Vertical Developer and operator of the Residential Project will not bear the cost of services associated with TAY Units.

(f) Revisions.

(i) Either Party may propose to make nonmaterial changes to the form of Appraisal Instructions from time to time. The other Party will not unreasonably withhold, condition, or delay its approval of the proposed changes.

(ii) If a Party proposes material changes to Appraisal Instructions, such as revising assumptions, special assumptions, limiting conditions, hypothetical conditions, and special instructions, the Party proposing the changes must provide its proposal in writing with evidence supporting its proposed changes. The other Party may approve or disapprove the proposed changes in its sole discretion.

(g) Joint Appraisal.

(i) If the Parties agree on the value conclusions in the Joint Appraisal for an Option Parcel, it will become the Final Appraisal. The costs of the Joint Appraisal will be Soft Costs.

(ii) If the Parties do not agree on the value conclusions in a Joint Appraisal, the dispute will be resolved by procedures in Section 7.5 (Appraisal Disputes); provided, however, that the Developer may withdraw its Appraisal Notice at any time prior to delivery of a notice by either Party pursuant to Subsection 7.5(a) submitting a Disputed Value to binding arbitration. If pursuant to the preceding sentence, Developer withdraws an Appraisal Notice that was delivered under Subsection 7.3(b) (Effect on Option Parcels) in response to a Put Notice, the Developer shall be deemed to have declined to exercise the Put Option for the applicable Option Parcel as of the date of such withdrawal, the Developer's Option for such Parcel shall be suspended under Subsection 7.3(b) (Effect on Option Parcels), and the Port shall have the rights provided under Subsection 7.3(d) (Election to Publicly Offer). If Developer withdraws any other Appraisal Notice, such withdrawal (i) will be without prejudice to Developer's right to deliver a subsequent Appraisal Notice or the Port's right to exercise its Put Option with respect to such Option Parcel(s) if and when otherwise applicable, and (ii) will not itself be grounds for Port to commence a Public Offering. Whether determined by a mutually acceptable Joint Appraisal or by Section 7.5 (Appraisal Disputes), a Final Value for any Option Parcel must be determined within six months after the date that Developer delivered the related Appraisal Notice.

7.5. Appraisal Disputes. A Party that objects to the Fair Market Value or the Rent Conversion Factor in the Joint Appraisal may submit the Disputed Value to binding arbitration under this Section by notice delivered within two weeks after the Joint Appraisal is delivered.

(a) Right to Party Appraisals.

(i) Each Party will have the right to engage another Qualified Appraiser to prepare a Party Appraisal using the same instructions used for the disputed Joint Appraisal. The fees and costs of Party Appraisals will not be Soft Costs.

(ii) If a Party chooses not to obtain a Party Appraisal, the appraisal delivered under Subsection 7.4(g) (Joint Appraisal) will be deemed to be its Party Appraisal for the purpose of this Section.

(b) Dispute Resolution Procedures. The Final Value will be determined as follows:

(i) Step 1. If the Disputed Values in the Party Appraisals are within 10% of each other, then the Final Value will be the average of those two. Otherwise, go to Step 2.

(ii) Step 2. The Parties will jointly select another Qualified Appraiser to prepare a Neutral Appraisal using the same instructions. The fees and costs of the Neutral Appraisal will be Soft Costs. The Disputed Value will be established as follows.

- (1) If the Disputed Values in the Neutral Appraisal and only one of the Party Appraisals are within 10% of each other, then the Final Value will be the average of the Disputed Values in the Neutral Appraisal and the Party Appraisal within 10%.
- (2) If the Disputed Value in the Neutral Appraisal is within 10% of the Disputed Values in both Party Appraisals, then the Final Value will be the average of all three values.
- (3) If neither Paragraph (1) nor Paragraph (2) applies, then both Party Appraisals will be disregarded, and the Final Value will be the Disputed Value in the Neutral Appraisal.
- (c) Delay in Achieving Final Map; Withdrawal of Appraisal Notice. If a Party submits a Disputed Value to binding arbitration under this Section 7.5 and Developer thereafter reasonably determines in good faith that there is a substantial risk that Developer will not achieve and record the Final Map for the applicable Phase by the First Scheduled Closing Date that would be established by a Vertical DDA resulting from the exercise of Developer's Option for such Parcel following the determination of the Final Value, then, at any time prior to Developer's exercise of such Option, Developer may, by notice to the Port setting forth the grounds for such determination, withdraw its Appraisal Notice. Withdrawal of the Appraisal Notice shall be effective 10 days following Developer's delivery of notice pursuant to the preceding sentence unless within such 10 day period Port gives notice of its reasonable determination that (i) there is not a substantial risk that the Final Map will not be recorded for the applicable Phase by the First Scheduled Closing Date so long as Developer continues to diligently pursue such recordation, or (ii) Developer's past failure to use diligent efforts as required under Section 2.2(b) (Subdivision Maps) was a direct, material and substantial cause of substantial risk that the Final Map will not be recorded for the applicable Phase by the First Scheduled Closing Date. Any dispute with respect to the withdrawal of an Appraisal Notice pursuant to this Subsection 7.5(c) shall be subject to binding arbitration. If pursuant to this Subsection 7.5(c), Developer withdraws an Appraisal Notice that was delivered under Subsection 7.3(b) (Effect on Option Parcels) in response to a Put Notice, the Developer will be deemed to have declined to exercise the Put Option for the applicable Option Parcel as of the date of such withdrawal, the Developer's Option for such Parcel shall be suspended under Subsection 7.3(b) (Effect on Option Parcels), and the Port shall have the rights provided under Subsection 7.3(d) (Election to Publicly Offer). If Developer withdraws any other Appraisal Notice, such withdrawal (i) will be without prejudice to Developer's right to deliver a subsequent Appraisal Notice or the Port's right to exercise its Put Option with respect to such Option Parcel(s) if and when otherwise applicable, and (ii) will not itself be grounds for Port to commence a Public Offering.

**DDA EXHIBIT D4**  
**BIDDER QUALIFICATIONS**

**EXHIBIT D4**  
**BIDDER QUALIFICATION**  
**CRITERIA**

**I. RESIDENTIAL PARCELS**

**Financial Requirements**

-Bidder is able to demonstrate the financial ability to perform the obligations it is assuming in association with the development of the Option Parcel. For purposes of this section, this includes net worth as defined in VDDA, evidence of access to adequate equity and debt capital along with commitment letters from those financing sources, and the ability to post the required security associated with the development of the Option Parcel.

- Provision of a commitment letter to fund a 10% refundable deposit within 1 business days of being selected as the Vertical Developer through the Public Offering

**Experience Requirements**

-The managing principal of the bidder has at least five (5) years of experience in developing the type of residential product to be developed on the Option Parcel the bidder is seeking to purchase or lease.

-The principals of the bidder have collectively completed at least three (3) development projects containing at least 75% of the number of units proposed for the Option Parcel.

**Entity in Good Standing Requirements**

-Documentation evidencing that the bidder and its constituent members, if any, have been duly formed, made all filings and are in good standing in the State of California and in the state of their respective incorporation. If the bidder is a joint venture, then the bidder shall provide evidence demonstrating the existence of a duly executed contractual relationship between the applicable parties.

-Bidder has not defaulted on its obligations on another lot or project within the Project area.

**No Unfair Advantage Requirement**

-Bidder has not received an unfair advantage by receiving any non-public information regarding the bid package that is different from or in advance of the bid package being made available to other interested bidders.

-Bidder does not have any financial agreements with Developer related to the Option Parcel that would provide that Bidder with an unfair advantage. Bidders may be affiliates of Developer, and common ownership and management shall not be considered to provide a Bidder with an unfair advantage.

*Compliance with Transaction Documents and Port/City Requirements*

-Bidder has indicated its willingness to enter into the Vertical DDA [and form of Ground Lease] in the form included in the bid package, and its ability to comply with applicable Port and City requirements thereunder, including the Workforce Development Plan.

**II. COMMERCIAL PARCELS**

*Financial Requirements*

-Bidder is able to demonstrate the financial ability to perform the obligations it is assuming in association with the development of the Option Parcel. For purposes of this section, this includes net worth as defined in VDDA, evidence of access to adequate equity and debt capital along with commitment letters from those financing sources, and the ability to post the required security associated with the development of the Option Parcel.

- Provision of a commitment letter to fund a 10% refundable deposit within 1 business days of being selected as the Vertical Developer through the Public Offering

*Experience Requirements*

-The managing principal of the bidder has at least five (5) years of experience in developing the type of commercial product to be developed on the Option Parcel the bidder is seeking to purchase or lease.

-The principals of the bidder have collectively completed at least three (3) development projects containing at least 75% of the commercial square footage proposed for the Option Parcel.

*Entity in Good Standing Requirements*

-Documentation evidencing that the bidder and its constituent members, if any, have been duly formed, made all filings and are in good standing in the State of California and in the state of their respective incorporation. If the bidder is a joint venture, then the bidder shall provide evidence demonstrating the existence of a duly executed contractual relationship between the applicable parties.

-Bidder has not defaulted on its obligations on another lot or project within the Project.

*Compliance with Transaction Documents and Port/City Requirements*

Bidder has indicated its willingness to enter into the Vertical DDA and form of Ground Lease in the form included in the bid package, and its ability to comply with applicable Port and City requirements thereunder, including the Workforce Development Plan.

**No Unfair Advantage Requirement**

-Bidder has not received an unfair advantage by receiving any non-public information regarding the bid package that is different from or in advance of the bid package being made available to other interested bidders.

- Bidder does not have any financial agreements with Developer related to the Option Parcel in submitting its bid. Bidders may be affiliates of Developer, and common ownership and management shall not be considered to provide a Bidder with an unfair advantage.
