19
20 Section 1. Findings.

21 (a) For nearly three decades, San Franciscans have been denied the benefits of a fully-
22 staffed police force. Although policymakers have made important progress in recent years to
23 develop a workload-based, data-driven methodology for establishing the number of full-duty
24 officers required to meet the City’s public safety needs, the Police Department has not been able
25 to hire at a pace that would allow for full staffing.

1 (b) Despite considerable efforts over the last several years to remedy the chronic
2 shortage in staffing of full-duty officers, the San Francisco Police Department faces a worsening
3 police understaffing crisis. As of September 2023, there were 1,578 full-duty sworn members in
4 the Police Department, which is an unprecedented low point in recent history. This is
5 approximately 600 fewer officers than required to staff the Department at a level that would meet
6 the City's public safety needs, according to the Department's assessment. Compounding this
7 problem is that police retirements are far outpacing the combined annual total of new recruits
8 and lateral transfers that the Department has been able to hire from other law enforcement
9 agencies. As of September 2023, nearly 350 of the City's current sworn officers were eligible
10 for retirement, having reached 50 years of age with 20 years or more of service.

11 (c) San Francisco is competing for officers amid a nationwide crisis in police
12 understaffing and in the most competitive environment for law enforcement personnel in recent
13 history. The City's failure to keep up with the pace of needed hiring is resulting in mounting
14 public safety challenges, which involve myriad harms suffered by our residents and visitors, in
15 our neighborhoods and all areas of the City, and which threaten our City's economic wellbeing.
16 Additionally, chronic understaffing in the Police Department creates needlessly expensive and
17 wasteful inefficiencies, including overtime. In the most recent fiscal year, overtime accounted
18 for nearly 20% of the Department's salary budget.

19 (d) Efforts thus far to recruit the number of full-duty sworn officers required to meet the
20 City's public safety needs have failed. San Francisco has been unsuccessful in competing with
21 other law enforcement agencies for a limited pool of qualified candidates. Our competitors offer
22 hiring bonuses and other incentives for new recruits and lateral transfers that San Francisco has
23 been unable to match or exceed. For example, the City of Alameda recently began offering
24 \$75,000 new hire recruiting bonuses, which has allowed it to reduce its police staffing shortage
25 by two-thirds within five months.

1 (e) This Charter amendment aims to guarantee San Franciscans have a fully-staffed
2 police force to ensure maximum public safety. The amendment would establish, upon the
3 Controller’s certification that a future tax measure passed by the voters will generate sufficient
4 additional revenue to fund the cost of employing Full-Duty Sworn Officers at specified
5 minimum staffing levels and the minimum amount necessary to implement a police staffing
6 fund, a minimum staffing number for full-time sworn police officers in San Francisco for a five-
7 year period, with the goal of reaching full staffing within that time frame. The amendment
8 makes it possible to meet this goal by mandating sufficient funding for the Police Department to
9 hire the needed number of new recruits and lateral transfers and establishing a Police Full
10 Staffing Fund to be used to enable the Police Department to adequately compete with other local
11 jurisdictions for new hires.

12
13 Section 2. The Board of Supervisors hereby submits to the qualified voters of the City
14 and County, at an election to be held on March 5, 2024, a proposal to amend the Charter of the
15 City and County by revising Section 4.127 and adding Section 16.132, to read as follows:

16 employing Full-Duty Sworn Officers at the Minimum Staffing Number, set pursuant to this
17 Section 4.127, and also (2) to make deposits into the Police Full Staffing Fund at the minimum

3 above. even-numbered years. The Police Commission shall consider the most recent report and
4 Minimum Staffing Number in its consideration and approval of the Police Department's
5 proposed budget every fiscal year.

6 Beginning in the fifth calendar year following the Full Funding Date, tThe Police
7 Commission shall hold a public hearing regarding the Chief of Police's staffing report by
8 December 31 in every year in which the Chief of Police submits a staffing report between
9 October 1 and November 1, as described above~~odd-numbered calendar year. At that public~~
10 hearing, the Police Commission shall consider the most recent report and adopt a Minimum
11 Staffing Number for the Police Department. The Police Commission shall not reduce the
12 Minimum Staffing Number by more than 5% year-over-year except by a two-thirds vote of the
13 Police Commission. The Police Commission shall consider the most recent report and Minimum

20 Section 9.101 shall appropriate funds sufficient to pay for at least the number of Full-Duty
21 Sworn Officers actually employed as of February 1 of the prior fiscal year. In any of those five
22 fiscal years, in the event that this funding level to support Full-Duty Sworn Officers is lower than
23 the amount necessary to fund the actual or projected Full-Duty Staffing Levels described in this
24 Section 4.127, the Police Department may introduce an ordinance to amend the biennial budget
25 if the Department subsequently projects that it can achieve higher Full-Duty Sworn Officer

1 staffing levels than those contained in the adopted biennial budget. No amendment to the
2 biennial budget may be adopted unless the Controller certifies availability of funds and the need
3 for the requested funds to meet expected staffing levels for that fiscal year.

4 Except that the Board of Supervisors may not reduce the Minimum Staffing Number as
5 set forth in this Section 4.127 for the five fiscal years beginning on the Full Funding Date, tThe

7 this section regarding staffing levels including but not limited to ordinances regulating the

14 on charges duly filed with the Commission and after a fair and impartial trial. Patrol special
15 police officers shall be regulated by the Police Commission, which may establish requirements
16 for and procedures to govern the position, including the power of the Chief of Police to suspend
17 a patrol special police officer pending a hearing on charges. Each patrol special police officer
18 shall be at the time of appointment not less than 21 years of age and must possess such physical
19 qualifications as may be required by the Commission.

20 Patrol special police officers may be designated by the Commission as the owners of a
21 certain beat or territory which may be established or rescinded by the Commission. Patrol special
22 police officers designated as the owners of a certain beat or territory or the legal heirs or
23 representatives of the owners may dispose of their interest in the beat or territory to a person of
24 good moral character, approved by the Police Commission and eligible for appointment as a
25 patrol special police officer.

1 Commission designation of beats or territories shall not affect the ability of private
2 security companies to provide on-site security services on the inside or at the entrance of any
3 property located in the City and County.

4
5 **SECTION 16.132. THE POLICE FULL STAFFING FUND.**

9 set forth in this Section 16.132.

15 City may freeze contributions to the Fund at the level of contributions for the prior fiscal year for

LEGISLATIVE DIGEST
(Revised 10/30/2023)

[Charter Amendment - Minimum Police Department Staffing and Five-Year Annual Funding Requirement]

Describing and setting forth a proposal to the voters at an election to be held on March 5, 2024, to amend the Charter of the City and County of San Francisco to define “Full-Duty Sworn Officers” for purposes of establishing minimum staffing levels for sworn officers of the Police Department; and, contingent upon the Controller’s certification that a future tax measure passed by the voters will generate sufficient additional revenue to fund the cost of employing Full-Duty Sworn Officers at specified minimum staffing levels and the minimum amount necessary to implement a police staffing fund: 1) set the Minimum Staffing Number for five fiscal years beginning with 1,700 full-duty sworn officers in year one, with increases each year such that by the fifth fiscal year, the Minimum Staffing Number shall be 2,074; 2) require for a period of five years that the Mayor and Board of Supervisors appropriate funds to pay for at least the number of sworn officers as of February 1 of the prior fiscal year; 3) establish a Police Full Staffing Fund (“Fund”) for a period of five fiscal years to facilitate minimum police staffing; 4) require that \$16.8 million be appropriated into the Fund in the first year, and varying amounts in years two through five, calculated based on staffing shortages, but allowing for a temporary freeze of appropriations to the Fund after the first year in a budgetary or economic emergency.

Existing Law

Section 4.127 of the Charter sets forth a process for establishing the San Francisco Police Department’s current number of full-duty sworn officers and recommended full-staffing level. The Charter does not define the term “full-duty sworn officers.” The Charter requires the Chief of Police to report the Department’s recommended staffing levels to the Police Commission every two years. The Police Commission is required to consider the most recent report in approving the Department’s proposed budget each fiscal year; however, the Commission is not required to accept or adopt the findings in the Department’s report.

There is currently no requirement that the City’s budget appropriate funds for any specific number of police officers. Additionally, the Charter currently only allows the Mayor or a member of the Board of Supervisors to submit an amendment to the budget. There are no provisions in the Charter requiring the City’s budget appropriate funds for recruitment of police officers.

Amendments to Current Law

This Charter amendment would update the current process for establishing the San Francisco Police Department’s full-staffing levels by defining the term “Full-Duty Sworn Officers” to mean

the full-time sworn members of the Department except those assigned to the San Francisco International Airport, those on long-term leaves of absence, and Police Academy recruits. The amendment would also establish a “Full Funding Date,” following the adoption of a future tax measure.

Following the Full Funding Date, the Charter amendment would: (1) establish a “Minimum Staffing Number” for each of five fiscal years, beginning the first fiscal year at 1,700 Full-Duty Sworn Officers, with increases each year such that by the fifth fiscal year, the Minimum Staffing Number will be 2,074; (2) decrease the frequency with which the Chief of Police must make reports to the Police Commission regarding the Minimum Staffing Number from every two years to every five years; (3) require the Police Commission adopt a Minimum Staffing Number which may not be reduced by more than 5% year-over-year absent a two-third’s vote of the Police Commission; (4) require the Police Commission approve a budget each fiscal year that funds at least the salaries required to meet that year’s Minimum Staffing Number; (5) for the five fiscal years following the Full Funding Date, require the City to appropriate sufficient funds to pay for at least the actual number of Full-Duty Sworn Officers in the Department as of February 1 of the prior fiscal year; and (6) should the Department determine it is able to hire additional officers, allow the Department to submit an amendment to the budget directly to the Board of Supervisors.

The Charter amendment would also add a new Section 16.132 consisting of the Police Full Staffing Fund. The Fund would, for five fiscal years following the Full Funding Date, be used to support full staffing of Full-Duty Sworn Officers through recruitment and hiring efforts that prioritize local hiring and diversity in recruitment of applicants. In the first year starting with the Full Funding Date, the City would be required to appropriate \$16,800,000 to the Fund. The amount appropriated to the Fund in the subsequent four fiscal years would depend on the number of unfilled Full-Duty Sworn Officer positions within the Department, but would not exceed \$30 million in any fiscal year. The City may also freeze contributions to the Fund at the prior year’s level in the event of a projected budget deficit. Unspent amounts in the Fund will be returned to the City’s general fund at the end of each fiscal year. The Charter amendment authorizes, but does not require, the City to continue to appropriate money to the Fund for more than five fiscal years; but, absent an extension approved by the voters, the Fund will sunset ten years after the Full Funding Date.

Background Information

In November, 2020, voters amended Section 4.127 of the Charter to establish a process for determining the recommended staffing levels for full-duty sworn officers in the Department. The November 2020 amendment also eliminated the mandate that the police force in the City and County consist of no less than 1,971 full-duty sworn officers. That requirement had been in the Charter since 1996, and was originally adopted by the voters in June, 1994.

This Charter amendment was introduced on September 19, 2023. As initially introduced, the amendment would have established a Minimum Staffing Number of 1,800 Full-Duty Sworn

Officers for Fiscal Year 2024-2025, with increases each year such that by Fiscal Year 2028-2029, the Minimum Staffing Number would be 2,182 Full-Duty Sworn Officers. The Charter amendment also would have, upon becoming effective: (1) required the City to begin appropriating funds to the Fund in Fiscal Year 2024-2025 and for the four fiscal years thereafter; (2) reduced the frequency with which the Chief of Police must make reports to the Commission from every two years to every five years; and (3) required the City to appropriate sufficient funds for the five fiscal years beginning in Fiscal Year 2024-2025 to pay for at least the actual number of Full-Duty Sworn Officers employed in the Department as of February 1 of the prior fiscal year.

On October 23, 2023, this Charter amendment was amended in Rules Committee to reduce the Minimum Staffing Number for the first five years of the Fund, with the Minimum Staffing Number for years one through four being reduced by 100 each, such that the Minimum Staffing Number in the first year would be 1,700, and the Minimum Staffing Number for year five being reduced from 2,182 to 2,074. The Rules Committee also added language to the Fund to clarify that the amounts allocated to the Fund are intended to be in addition to those amounts previously appropriated for staffing in the prior fiscal year. The Committee further amended the Fund to permit the City to continue appropriating money to the Fund after five fiscal years.

On October 30, 2023, the Charter amendment was further amended in the Rules Committee to make operative upon the effective date of the amendment the new definition of "Full-Duty Sworn Officers," but to otherwise make the amendment's operation contingent upon the Controller's certification that a future tax measure passed by the voters will generate sufficient additional revenue to fund the cost of employing Full-Duty Sworn Officers at the specified minimum staffing levels and the minimum amount necessary to implement the Fund.
