Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Herbert Stackhouse

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Hello,

I am a San Francisco resident that works in civic center. I used to teach in our public schools. We do not need more bonuses for police, but we absolutely need funds for educating our children. It is absolutely absurd that we spend over a billion dollars a year on criminalization when so many educators make tens of thousands of dollars below a living wage, and thousands of students leave school hungry and homeless daily. If we want to change this city we need to change our priorities back to supporting students and families.

I am asking you to please vote no on Dorsey's charter amendment. Put community over criminalization.

- Amelia Tehrani

Best wishes,
Golzar Tehrani

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I FO NOT support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. San Francisco has too many poorly trained police officers who think that they are immune from consequences. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop while they continue to poorly perform their duties since they do not have any consequences to poor performance. When and if they will agree that they exist to serve the people of San Francisco without qualified immunity or criminal indemnification, then we can move forward and reform the current institution.

San Franciscans prioritize public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

More funding leads to more military grade hardware, which we do not need. And more staffing will happen with better educated, and trained officers who seek to serve the residents of San Francisco.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Mercedes Ho

Message: I support Supervisor Safai's Charter Amendment that would give Mayoral approval over parking meter and other transportation fees and fares.

Dear Supervisors,

I support Supervisor Safai's Charter Amendment for the March 5, 2024 election that would require the Mayor of San Francisco to approve any proposed increases to SFMTA fares, parking meter maximum rates, and hours or days of operation.

No single unelected city department head should have the sole authority to increase our parking or fare rates. To correct this, the proposed Charter Amendment requires the Mayor to approve any fare, parking, or MUNI rate increases put into the SFMTA budget, placing the authority back on elected leaders. Transportation fees significantly impact the lives of residents, and businesses, particularly those in lower-income areas, and when fees need to be changed, this decision should be made by our mayor, who can take all factors and constituents into consideration.

Please vote to support this Charter Amendment.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Morgen Humes

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Dear Supervisor Safai,

Really? This is unbelievable. You want to increase our taxes because we want a fully staffed police force? We have a budget larger than entire states. You want to run for mayor and are asking to increase our taxes when we are asking for the BASIC services that a city should provide each and everyone on of their constituents? There is plenty of money in the budget. Please use it wisely and increasing taxes so the taxpayers can be provided with a fully staffed police force is unreasonable when we have a budget of 14.6 billion. I am 100 percent sure the money is there. We will remember this when it's time to vote.

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Message: I OPPOSE Safai's charter amendment to increase taxes to solve the SFPD staffing crisis.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Message: I OPPOSE Safai's charter amendment to increase taxes to solve the SFPD staffing crisis.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message to the Rules Committee and the Board of Supervisors

From your constituent: O Donoghue John, johnod5274@gmail.com

I am a resident of

District 7

Message: I OPPOSE Safai's charter amendment to increase taxes to solve the SFPD staffing crisis.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I FO NOT support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. San Francisco has too many poorly trained police officers who think that they are immune from consequences. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop while they continue to poorly perform their duties since they do not have any consequences to poor performance. When and if they will agree that they exist to serve the people of San Francisco without qualified immunity or criminal indemnification, then we can move forward and reform the current institution.

San Franciscans prioritize public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

More funding leads to more military grade hardware, which we do not need. And more staffing will happen with better educated, and trained officers who seek to serve the residents of San Francisco.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

SUPES" WORRY LESS ABOUT HOUSING AND CRAZY RENT CONTROL GUIDELINES AND GIVE AWAY "FREE HOUSING...." When everyone leaves SF, AND ALL THE SMALL BUSINESSES CLOSE WHO the hell is going to pay for all your freebies , subsidies, reparations, monitoring, and "give aways?"

CAN you convince SACRAMENTO TO subsidize our housing, so we can move to Hillsborough or Atherton? After all, if you endorse such absurd CONCEPTS as "HOUSING IS A RIGHT"- It is a right if you can afford it, otherwise leave Pierre-Joseph Proudhon (1840- "Property is Theft..." "What is P{roperty}").
