1 [Charter Amendment - Minimum Police Department Staffing and Five-Year Annual Funding
2 Requirement]

3 **Describing and setting forth a proposal to the voters at an election to be held on March 5,**
4 **2024, to amend the Charter of the City and County of San Francisco to define “Full-Duty**
5 **Sworn Officers” for purposes of establishing minimum staffing levels for sworn officers of**
6 **the Police Department; and, contingent upon the Controller’s certification that a future tax**
7 **measure passed by the voters will generate sufficient additional revenue to fund the cost of**
8 **employing Full-Duty Sworn Officers at specified minimum staffing levels and the minimum**
9 **amount necessary to implement a police staffing fund: 1) set the Minimum Staffing**
10 **Number for five fiscal years beginning with 1,700 full-duty sworn officers in year one, with**
11 **increases each year such that by the fifth fiscal year, the Minimum Staffing Number shall**
12 **be 2,074; 2) require for a period of five years that the Mayor and Board of Supervisors**
13 **appropriate funds to pay for at least the number of sworn officers as of February 1 of the**
14 **prior fiscal year; 3) establish a Police Full Staffing Fund (“Fund”) for a period of five fiscal**
15 **years to facilitate minimum police staffing; 4) require that \$16.8 million be appropriated**
16 **into the Fund in the first year, and varying amounts in years two through five, calculated**
17 **based on staffing shortages, but allowing for a temporary freeze of appropriations to the**
18 **Fund after the first year in a budgetary or economic emergency.**

19
20 Section 1. Findings.

21 (a) For nearly three decades, San Franciscans have been denied the benefits of a fully-
22 staffed police force. Although policymakers have made important progress in recent years to
23 develop a workload-based, data-driven methodology for establishing the number of full-duty
24 officers required to meet the City’s public safety needs, the Police Department has not been able
25 to hire at a pace that would allow for full staffing.

1 (b) Despite considerable efforts over the last several years to remedy the chronic
2 shortage in staffing of full-duty officers, the San Francisco Police Department faces a worsening
3 police understaffing crisis. As of September 2023, there were 1,578 full-duty sworn members in
4 the Police Department, which is an unprecedented low point in recent history. This is
5 approximately 600 fewer officers than required to staff the Department at a level that would meet
6 the City's public safety needs, according to the Department's assessment. Compounding this
7 problem is that police retirements are far outpacing the combined annual total of new recruits
8 and lateral transfers that the Department has been able to hire from other law enforcement
9 agencies. As of September 2023, nearly 350 of the City's current sworn officers were eligible
10 for retirement, having reached 50 years of age with 20 years or more of service.

11 (c) San Francisco is competing for officers amid a nationwide crisis in police
12 understaffing and in the most competitive environment for law enforcement personnel in recent
13 history. The City's failure to keep up with the pace of needed hiring is resulting in mounting
14 public safety challenges, which involve myriad harms suffered by our residents and visitors, in
15 our neighborhoods and all areas of the City, and which threaten our City's economic wellbeing.
16 Additionally, chronic understaffing in the Police Department creates needlessly expensive and
17 wasteful inefficiencies, including overtime. In the most recent fiscal year, overtime accounted
18 for nearly 20% of the Department's salary budget.

19 (d) Efforts thus far to recruit the number of full-duty sworn officers required to meet the
20 City's public safety needs have failed. San Francisco has been unsuccessful in competing with
21 other law enforcement agencies for a limited pool of qualified candidates. Our competitors offer
22 hiring bonuses and other incentives for new recruits and lateral transfers that San Francisco has
23 been unable to match or exceed. For example, the City of Alameda recently began offering
24 \$75,000 new hire recruiting bonuses, which has allowed it to reduce its police staffing shortage
25 by two-thirds within five months.

1 (e) This Charter amendment aims to guarantee San Franciscans have a fully-staffed
2 police force to ensure maximum public safety. The amendment would establish, upon the
3 Controller’s certification that a future tax measure passed by the voters will generate sufficient
4 additional revenue to fund the cost of employing Full-Duty Sworn Officers at specified
5 minimum staffing levels and the minimum amount necessary to implement a police staffing
6 fund, a minimum staffing number for full-time sworn police officers in San Francisco for a five-
7 year period, with the goal of reaching full staffing within that time frame. The amendment
8 makes it possible to meet this goal by mandating sufficient funding for the Police Department to
9 hire the needed number of new recruits and lateral transfers and establishing a Police Full
10 Staffing Fund to be used to enable the Police Department to adequately compete with other local
11 jurisdictions for new hires.

12
13 Section 2. The Board of Supervisors hereby submits to the qualified voters of the City
14 and County, at an election to be held on March 5, 2024, a proposal to amend the Charter of the
15 City and County by revising Section 4.127 and adding Section 16.132, to read as follows:

16 NOTE: **Unchanged Charter text and uncodified text** are in plain font.
17 **Additions** are *single-underline italics Times New Roman font*.
18 **Deletions** are ~~*strike-through italics Times New Roman font*~~.

subsections.

20 **SEC. 4.127. POLICE DEPARTMENT.**

21 The Police Department shall preserve the public peace, prevent and detect crime, and
22 protect the rights of persons and property by enforcing the laws of the United States, the State of
23 California, and the City and County.

24 The Chief of Police may appoint and remove at pleasure special police officers.

25 The Chief of Police shall have all powers which are now or that may be conferred upon

1 a sheriff by state law with respect to the suppression of any riot, public tumult, disturbance of the
2 public peace, or organized resistance against the laws or public authority.

3 DISTRICT POLICE STATIONS. The Police Department shall maintain and operate
4 district police stations. The Police Commission, subject to the approval by the Board of
5 Supervisors, may establish additional district stations, abandon or relocate any district station, or
6 consolidate any two or more district stations.

7 BUDGET. Monetary awards and settlements disbursed by the City and County as a
8 result of police action or inaction shall be taken exclusively from a specific appropriation listed
9 as a separate line item in the Police Department budget for that purpose.

10 POLICE STAFFING. For purposes of the Police Staffing provisions in this Section
11 4.127, the following definitions apply:

12 (a) The Full Funding Date means, as certified by the Controller in writing to the
13 Mayor and Clerk of the Board of Supervisors, the first day of August of the first fiscal year for
14 which the Controller estimates that a new or modified tax passed by the voters will generate
15 sufficient additional general fund or dedicated revenues available both (1) to fund the cost of
16 employing Full-Duty Sworn Officers at the Minimum Staffing Number, set pursuant to this
17 Section 4.127, and also (2) to make deposits into the Police Full Staffing Fund at the minimum
18 amount necessary to implement Section 16.132.

19 (b) The Minimum Staffing Number means the minimum number of required Full-Duty
20 Sworn Officers of the Police Department.

21 (c) Full-Duty Sworn Officers means full-time sworn members of the Department
22 except those assigned to the San Francisco International Airport, those on long-term leaves of
23 absence, and Police Academy recruits.

24 (d) Police Full Staffing Fund means the fund established pursuant to Section 16.132.
25

1 For five fiscal years beginning with the Full Funding Date, the Police Department shall
2 consist of no less than the number of officers equal to the Minimum Staffing Number. Beginning
3 on the Full Funding Date, and every year thereafter for a total of five fiscal years, the Minimum
4 Staffing Number shall be: (1) 1,700 in Year 1; (2) 1,800 in Year 2; (3) 1,900 in Year 3; (4) 2,000
5 in Year 4; and (5) 2,074 in Year 5. Thereafter, the Minimum Staffing Number shall be
6 established as set forth in the next paragraphs.

7 By no earlier than October 1 and no later than November 1 in every odd-numbered
8 calendar year until the Full Funding Date and, following the Full Funding date, in every fifth
9 calendar year thereafter, the Chief of Police shall transmit to the Police Commission a report
10 describing the ~~D~~department's current number of ~~full-duty sworn officers~~ Full-Duty Sworn
11 Officers and recommending staffing levels of ~~full-duty sworn officers~~ Full-Duty Sworn Officers
12 in the subsequent ~~two~~ five fiscal years. The report shall include an assessment of the Police
13 Department's overall staffing, the workload handled by the ~~d~~Department's employees, the
14 ~~d~~Department's public service objectives, the ~~d~~Department's legal duties, and other information
15 the Chief of Police deems relevant to determining proper staffing levels of Full-Duty Sworn
16 Officers ~~full-duty sworn officers~~. The report shall evaluate and make recommendations regarding
17 staffing levels at all district stations and in all types of jobs and services performed by ~~full-duty~~
18 ~~sworn officers~~ Full-Duty Sworn Officers. To guide the Chief of Police's report, by ~~By~~ no later
19 than July 1 in every odd-numbered calendar year until the Full Funding Date and, following the
20 Full Funding date, in every fifth calendar year thereafter, the Police Commission shall adopt a
21 policy prescribing the methodologies that the Chief of Police may use in evaluating staffing
22 levels, which may include consideration of factors such as workload metrics, the Department's
23 targets for levels of service, ratios between supervisory and non-supervisory positions in the
24 Department, whether particular services require a fixed number of hours, and other factors the
25 Police Commission determines are best practices or otherwise relevant. The Chief of Police may,

1 but is not required by this Section 4.127 to, submit staffing reports regarding ~~full-duty sworn~~
2 ~~officers~~ Full-Duty Sworn Officers to the Police Commission more frequently than set forth
3 above. even-numbered years. The Police Commission shall consider the most recent report and
4 Minimum Staffing Number in its consideration and approval of the Police Department's
5 proposed budget every fiscal year.

6 Beginning in the fifth calendar year following the Full Funding Date, tThe Police
7 Commission shall hold a public hearing regarding the Chief of Police's staffing report by
8 December 31 in every year in which the Chief of Police submits a staffing report between
9 October 1 and November 1, as described above~~odd-numbered calendar year. At that public~~
10 hearing, the Police Commission shall consider the most recent report and adopt a Minimum
11 Staffing Number for the Police Department. The Police Commission shall not reduce the
12 Minimum Staffing Number by more than 5% year-over-year except by a two-thirds vote of the
13 Police Commission. The Police Commission shall consider the most recent report and Minimum
14 Staffing Number in its consideration and approval of the Police Department's proposed budget
15 every fiscal year, but the Commission shall not be required to accept or adopt any of the
16 recommendations in the report The Police Commission shall approve a budget for submission to
17 the Mayor that includes funding for the salaries required to meet at least the Minimum Staffing
18 Number as set forth in this Section 4.127.

19 For the five fiscal years beginning on the Full Funding Date, the biennial budget in
20 Section 9.101 shall appropriate funds sufficient to pay for at least the number of Full-Duty
21 Sworn Officers actually employed as of February 1 of the prior fiscal year. In any of those five
22 fiscal years, in the event that this funding level to support Full-Duty Sworn Officers is lower than
23 the amount necessary to fund the actual or projected Full-Duty Staffing Levels described in this
24 Section 4.127, the Police Department may introduce an ordinance to amend the biennial budget
25 if the Department subsequently projects that it can achieve higher Full-Duty Sworn Officer

1 staffing levels than those contained in the adopted biennial budget. No amendment to the
2 biennial budget may be adopted unless the Controller certifies availability of funds and the need
3 for the requested funds to meet expected staffing levels for that fiscal year.

4 Except that the Board of Supervisors may not reduce the Minimum Staffing Number as
5 set forth in this Section 4.127 for the five fiscal years beginning on the Full Funding Date, tThe
6 Board of Supervisors is empowered to adopt ordinances necessary to effectuate the purpose of
7 this section regarding staffing levels including but not limited to ordinances regulating the
8 scheduling of police training classes.

9 Further, the Police Commission shall initiate an annual review to civilianize as many
10 positions as possible and submit that report to the Board of Supervisors annually for review and
11 approval.

12 PATROL SPECIAL POLICE OFFICERS. The Commission may appoint patrol special
13 police officers and for cause may suspend or dismiss patrol special police officers after a hearing
14 on charges duly filed with the Commission and after a fair and impartial trial. Patrol special
15 police officers shall be regulated by the Police Commission, which may establish requirements
16 for and procedures to govern the position, including the power of the Chief of Police to suspend
17 a patrol special police officer pending a hearing on charges. Each patrol special police officer
18 shall be at the time of appointment not less than 21 years of age and must possess such physical
19 qualifications as may be required by the Commission.

20 Patrol special police officers may be designated by the Commission as the owners of a
21 certain beat or territory which may be established or rescinded by the Commission. Patrol special
22 police officers designated as the owners of a certain beat or territory or the legal heirs or
23 representatives of the owners may dispose of their interest in the beat or territory to a person of
24 good moral character, approved by the Police Commission and eligible for appointment as a
25 patrol special police officer.

1 Commission designation of beats or territories shall not affect the ability of private
2 security companies to provide on-site security services on the inside or at the entrance of any
3 property located in the City and County.

4
5 **SECTION 16.132. THE POLICE FULL STAFFING FUND.**

6 (a) Establishment of Fund. There is hereby established the Police Full Staffing Fund to
7 be administered by the Police Department. Monies therein shall be expended or used solely by
8 the Department, subject to the budgetary and fiscal provisions of the Charter, for the purposes
9 set forth in this Section 16.132.

10 **(b) Definitions.**

11 “Department” means the Police Department.

12 “Full-Duty Sworn Officers” has the meaning set forth in Section 4.127.

13 “Full Funding Date” has the meaning set forth in Section 4.127.

14 “Fund” means the Police Full Staffing Fund established by this Section 16.132.

15 “Minimum Staffing Number” means the minimum number of Full-Duty Sworn Officers as
16 established under Section 4.127.

17 “Recruitment Supplement” means an amount to be calculated by the Controller equal to
18 \$75,000 for each Full-Duty Sworn Officer the Department is, as of February 1 of each year,
19 short of the Minimum Staffing Number.

20 **(c) Purpose and Use of Fund. The purpose of the Fund is to provide additional**
21 resources to the Department to ensure adequate staffing of Full-Duty Sworn Officers and to meet
22 the Minimum Staffing Number in each year. These resources shall be in addition to those
23 amounts previously appropriated for the Department’s staffing in the biennial budget for the
24 fiscal year preceding the Full Funding Date. The Fund will be used exclusively to support full
25 staffing of Full-Duty Sworn Officers, including, but not limited to, recruitment and hiring efforts,

1 advertising, development and administration of hiring strategies, and funding hiring incentives
2 for new police officers. In recruitment efforts, the Fund will prioritize local hiring and
3 diversifying applicants in accordance with the principles of the May 2015 final report of
4 President Obama's Task Force on 21st Century Policing and the recommendations of the U.S.
5 Department of Justice's Collaborative Reform Initiative Program.

6 (d) **Appropriations to the Fund.** For the fiscal year beginning on the Full Funding
7 Date, the City shall appropriate to the Fund \$16,800,000. On July 1 of each of the subsequent
8 four fiscal years – for a total of five fiscal years – the Controller shall allocate to the Fund an
9 amount equal to the Recruitment Supplement, but not to exceed \$30 million. The City may, at its
10 discretion, continue to appropriate money to the Fund for more than five fiscal years. The
11 Controller shall set aside and maintain appropriations, together with any interest earned
12 thereon, in the Fund. Nothing herein is intended to limit the City's ability to accept private
13 donations to satisfy the required appropriations to the Fund.

14 (e) **Temporary Freezes.** Notwithstanding subsection (d) or Charter Section 4.127, the
15 City may freeze contributions to the Fund at the level of contributions for the prior fiscal year for
16 any fiscal year after the fiscal year beginning on the Full Funding Date when the City's
17 projected budget deficit for the upcoming fiscal year at the time of the March Joint Report or
18 March Update to the Five Year Financial Plan as prepared jointly by the Controller, the
19 Mayor's Budget Director, and the Board of Supervisors' Budget Analyst exceeds \$250 million,
20 adjusted annually beginning with Fiscal Year 2025-2026 by the percentage increase or decrease
21 in aggregate City discretionary revenues, as determined by the Controller, based on calculations
22 consistent from year to year.

23 (f) **Unspent Funds.** All unspent amounts in the Fund on June 30 of each fiscal year
24 shall be returned to the General Fund.

1 (g) **Expiration.** This Section 16.132 shall expire by operation of law ten years after the
2 Full Funding Date, following which the City Attorney may cause it to be removed from the
3 Charter unless the Section is extended by Charter amendment.

LEGISLATIVE DIGEST
(Revised 10/30/2023)

[Charter Amendment - Minimum Police Department Staffing and Five-Year Annual Funding Requirement]

Describing and setting forth a proposal to the voters at an election to be held on March 5, 2024, to amend the Charter of the City and County of San Francisco to define “Full-Duty Sworn Officers” for purposes of establishing minimum staffing levels for sworn officers of the Police Department; and, contingent upon the Controller’s certification that a future tax measure passed by the voters will generate sufficient additional revenue to fund the cost of employing Full-Duty Sworn Officers at specified minimum staffing levels and the minimum amount necessary to implement a police staffing fund: 1) set the Minimum Staffing Number for five fiscal years beginning with 1,700 full-duty sworn officers in year one, with increases each year such that by the fifth fiscal year, the Minimum Staffing Number shall be 2,074; 2) require for a period of five years that the Mayor and Board of Supervisors appropriate funds to pay for at least the number of sworn officers as of February 1 of the prior fiscal year; 3) establish a Police Full Staffing Fund (“Fund”) for a period of five fiscal years to facilitate minimum police staffing; 4) require that \$16.8 million be appropriated into the Fund in the first year, and varying amounts in years two through five, calculated based on staffing shortages, but allowing for a temporary freeze of appropriations to the Fund after the first year in a budgetary or economic emergency.

Existing Law

Section 4.127 of the Charter sets forth a process for establishing the San Francisco Police Department’s current number of full-duty sworn officers and recommended full-staffing level. The Charter does not define the term “full-duty sworn officers.” The Charter requires the Chief of Police to report the Department’s recommended staffing levels to the Police Commission every two years. The Police Commission is required to consider the most recent report in approving the Department’s proposed budget each fiscal year; however, the Commission is not required to accept or adopt the findings in the Department’s report.

There is currently no requirement that the City’s budget appropriate funds for any specific number of police officers. Additionally, the Charter currently only allows the Mayor or a member of the Board of Supervisors to submit an amendment to the budget. There are no provisions in the Charter requiring the City’s budget appropriate funds for recruitment of police officers.

Amendments to Current Law

This Charter amendment would update the current process for establishing the San Francisco Police Department’s full-staffing levels by defining the term “Full-Duty Sworn Officers” to mean

the full-time sworn members of the Department except those assigned to the San Francisco International Airport, those on long-term leaves of absence, and Police Academy recruits. The amendment would also establish a “Full Funding Date,” following the adoption of a future tax measure.

Following the Full Funding Date, the Charter amendment would: (1) establish a “Minimum Staffing Number” for each of five fiscal years, beginning the first fiscal year at 1,700 Full-Duty Sworn Officers, with increases each year such that by the fifth fiscal year, the Minimum Staffing Number will be 2,074; (2) decrease the frequency with which the Chief of Police must make reports to the Police Commission regarding the Minimum Staffing Number from every two years to every five years; (3) require the Police Commission adopt a Minimum Staffing Number which may not be reduced by more than 5% year-over-year absent a two-third’s vote of the Police Commission; (4) require the Police Commission approve a budget each fiscal year that funds at least the salaries required to meet that year’s Minimum Staffing Number; (5) for the five fiscal years following the Full Funding Date, require the City to appropriate sufficient funds to pay for at least the actual number of Full-Duty Sworn Officers in the Department as of February 1 of the prior fiscal year; and (6) should the Department determine it is able to hire additional officers, allow the Department to submit an amendment to the budget directly to the Board of Supervisors.

The Charter amendment would also add a new Section 16.132 consisting of the Police Full Staffing Fund. The Fund would, for five fiscal years following the Full Funding Date, be used to support full staffing of Full-Duty Sworn Officers through recruitment and hiring efforts that prioritize local hiring and diversity in recruitment of applicants. In the first year starting with the Full Funding Date, the City would be required to appropriate \$16,800,000 to the Fund. The amount appropriated to the Fund in the subsequent four fiscal years would depend on the number of unfilled Full-Duty Sworn Officer positions within the Department, but would not exceed \$30 million in any fiscal year. The City may also freeze contributions to the Fund at the prior year’s level in the event of a projected budget deficit. Unspent amounts in the Fund will be returned to the City’s general fund at the end of each fiscal year. The Charter amendment authorizes, but does not require, the City to continue to appropriate money to the Fund for more than five fiscal years; but, absent an extension approved by the voters, the Fund will sunset ten years after the Full Funding Date.

Background Information

In November, 2020, voters amended Section 4.127 of the Charter to establish a process for determining the recommended staffing levels for full-duty sworn officers in the Department. The November 2020 amendment also eliminated the mandate that the police force in the City and County consist of no less than 1,971 full-duty sworn officers. That requirement had been in the Charter since 1996, and was originally adopted by the voters in June, 1994.

This Charter amendment was introduced on September 19, 2023. As initially introduced, the amendment would have established a Minimum Staffing Number of 1,800 Full-Duty Sworn

Officers for Fiscal Year 2024-2025, with increases each year such that by Fiscal Year 2028-2029, the Minimum Staffing Number would be 2,182 Full-Duty Sworn Officers. The Charter amendment also would have, upon becoming effective: (1) required the City to begin appropriating funds to the Fund in Fiscal Year 2024-2025 and for the four fiscal years thereafter; (2) reduced the frequency with which the Chief of Police must make reports to the Commission from every two years to every five years; and (3) required the City to appropriate sufficient funds for the five fiscal years beginning in Fiscal Year 2024-2025 to pay for at least the actual number of Full-Duty Sworn Officers employed in the Department as of February 1 of the prior fiscal year.

On October 23, 2023, this Charter amendment was amended in Rules Committee to reduce the Minimum Staffing Number for the first five years of the Fund, with the Minimum Staffing Number for years one through four being reduced by 100 each, such that the Minimum Staffing Number in the first year would be 1,700, and the Minimum Staffing Number for year five being reduced from 2,182 to 2,074. The Rules Committee also added language to the Fund to clarify that the amounts allocated to the Fund are intended to be in addition to those amounts previously appropriated for staffing in the prior fiscal year. The Committee further amended the Fund to permit the City to continue appropriating money to the Fund after five fiscal years.

On October 30, 2023, the Charter amendment was further amended in the Rules Committee to make operative upon the effective date of the amendment the new definition of "Full-Duty Sworn Officers," but to otherwise make the amendment's operation contingent upon the Controller's certification that a future tax measure passed by the voters will generate sufficient additional revenue to fund the cost of employing Full-Duty Sworn Officers at the specified minimum staffing levels and the minimum amount necessary to implement the Fund.

SFPD STRATEGIC PLAN & RECOMMENDATIONS

RECRUITING ELIGIBLE NON-CITIZENS

- Effective January 1, 2023, SB960 modified California Government Code Section 1031 to allow non-citizens legally authorized to work in the United States to become Police Officers
- On April 22, 2023, SFPD issued Press Release 23-042 announcing that San Francisco would be one of the first major cities in CA to revise its hiring requirements to include eligible non-citizens
- The JOINSFPD.com website advertises this change in two areas of the FAQ page:

Citizenship:

- A U.S. Citizenship is no longer required. Applicants must be legally authorized to work in the United States under Federal Law.

– Do I need to be a citizen of the United States of America to apply?

No, but you must be legally authorized to work in the United States under Federal Law.

RE: File 230985 – Charter amendment (Third Draft) to establish minimum police staffing requirements for sworn officers and creation of a five-year Police Full Staffing Fund to support recruitment and hiring

Dear Ms. Calvillo,

Should the proposed Charter amendment be approved by the voters, in my opinion, it would have a significant impact on the cost of government. These costs will vary considerably depending on the operational decisions made by the San Francisco Police Department (SFPD) and decisions made by the Mayor and the Board of Supervisors through the normal budget process, given that some requirements established in the measure are binding while others establish non-binding City policy.

The proposed Charter amendment establishes a binding required appropriation to a new Police Full Staffing Fund (Fund) to provide resources to increase staffing in the department in the coming five fiscal years if a future tax measure is passed by the voters. The amendment requires the City to appropriate \$16.8 million in FY 2024-2025 to the Fund and appropriate \$75,000 per officer that SFPD is below the required number of officers each subsequent year, not to exceed \$30 million per fiscal year. Given current staffing levels versus those required in the measure, it is likely that future year required appropriations would be significant. The measure freezes appropriations to the fund at the prior year's level if the budget deficit exceeds \$250 million. The amendment would set aside these funds for recruitment and hiring efforts, advertising, development and administration of hiring strategies, and funding hiring incentives for new police officers.

The SFPD currently has approximately 1,580 full-duty sworn officers. The proposed Charter amendment sets the required number of full-duty sworn officers to 1,700 in FY 2024-2025, 1,800 in FY 2025-2026, 1,900 in FY 2026-2027, 2,000 in FY 2027-2028, and 2,074 in FY 2028-2029. Thereafter, staffing level determinations would be based on an SFPD staffing needs report to the Police Commission every five years. When compared to currently budgeted staffing levels and if these goals are met, this provision would require the City to increase future fiscal year budgets by approximately \$2 million in the first fiscal year, increasing by approximately \$18 million annually for each of the next four years, increasing costs by a cumulative total of \$200 million during this period, assuming no increase in management ranks needed to support the growth in line staff.

This investment may result in reductions in overtime currently employed by the department. If these additional full-duty officers resulted in an hour for hour reduction in overtime use, this would reduce the estimated cumulative cost by approximately \$130 million, to approximately \$70 million. However, meeting these staffing goals will depend on the SFPD's ability to fill positions. Additionally, the ultimate cost of this provision of the measure will depend on decisions by the Mayor and Board through the City's annual budget process, as these staffing levels are not binding on the decisions the Mayor and Board make during the annual budget process.

If required staffing level are not achieved, the proposed amendment requires the Mayor and Board, at a minimum, to appropriate funds for the coming fiscal year sufficient to maintain police staffing levels at the prior year level. For context, current staffing levels for the department would require appropriations of approximately \$475 million in the coming fiscal year, adjusted each year for changes in staffing levels and employee wage and benefit changes.

If the Charter amendment is approved, the funding requirements would be dependent on the Controller certifying in writing to the Mayor and the Clerk of the Board of Supervisors that a new or modified tax passed by the voters will generate sufficient revenue to fund the required number of full-duty sworn officers and to fund the new Police Full Staffing Fund (Fund).

This proposed amendment is not in compliance with a non-binding, voter-adopted city policy regarding set-asides. The policy seeks to limit set-asides which reduce General Fund dollars that could otherwise be allocated by the Mayor and the Board of Supervisors in the annual budget process.

The amendment will also create a requirement for the Controller to set aside and maintain appropriations to the Fund. Note that the proposed amendment would change the duties of the Controller's Office, which has prepared this statement.

Sincerely,

Janice Levy FOR
Ben Rosenfield
Controller

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Michelle Hughes

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Lala Wu
San Francisco, CA 94110

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Forrest Liu

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Aisling Ferguson

Dear Rules Committee,

I am writing on behalf of the Golden Gate Restaurant Association (GGRA), in support of Supervisors Safai and Peskin's [Charter Amendment](#) for the March 5, 2024 election that would require the Mayor of San Francisco to approve SFMTA's budget and any proposed increases to fares, parking meter maximum rates, and hours or days of operation.

Earlier this year, the GGRA, many community organizations, and the Board of Supervisors opposed the SFMTA plan to extend parking meters until 10 pm Monday through Saturday, and on Sundays from 12 pm to 6 pm. While we understood the significant financial challenges that SFMTA is facing and strongly support the need for a robust public transportation system in the city, the plan was ill conceived and the implementation plan was problematic. Although we are grateful that the program has been paused for further study, it illustrates a need for greater oversight of certain SFMTA programs.

As such, we strongly support this measure to fix this problem and require the Mayor to affirmatively approve in writing certain San Francisco Municipal Transportation Agency (SFMTA) proposals as part of the SFMTA's proposed budget or budget amendment, including changes to fares, parking meter maximum rates, and hours or days of parking meter operation. We believe that this additional oversight would benefit San Francisco and our small business community.

We thank you for your consideration.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

Having more police will solve many problems.

1. Citizen safety
2. Tourist safety
3. Lower smash and grabs
4. Help small mom and pop businesses being robbed

I am not asking for nasty racist police . That does NOT have to happen.

Therefore I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force.

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message to the Rules Committee and the Board of Supervisors

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

I plan to give public comment at the October 19 meeting: Can't make it

I oppose the Marina Improvement and Remediation Project.

Message

Dear Mayor London Breed, Rec and Park Commissioners, David Chiu-City Attorney, Board of Supervisors, PG&E, PROSAC, and RPD Project Staff,

(My family and) I oppose the Marina Improvement and Remediation Project.
I (we) join nearly 2,700 people who signed a petition opposing this plan.

What we want:

- Abandon plans for a new yacht harbor in front of the Marina Green!
- Clean up toxins in Gas House Cove!
- Renegotiate settlement with PG&E to use funding for restoring and maintaining existing East Harbor facilities!

We attended the August RDP meetings and are concerned we are not being heard!

- The current plan provides a nominal amount of dredging and leaves 85% of the toxic waste in place.
- Residents from the entire Bay Area and all over the world come to the Marina to enjoy the view. Detrimental changes to the area are not isolated to Marina residents.
- Iconic views that attract millions in revenue-generating tourism will be forever eliminated by building a big yacht harbor across the entire Marina Greens. Think America's Cup, Alcatraz Triathlon, and Fleet Week.
- Already horrendous flooding in the Marina during storms may be exacerbated since the project design has not been coordinated with the PUC at this stage.

The diversity of the city is not represented due to bad communication!

- The city is not being transparent; we had to find out from neighbors and other residents about the toxins in the water and full details of the plan
- The diversity of users of the Marina Green is not being represented. Communications by RPD were limited to residents within 1000 feet of the project, yet residents citywide use the Marina Green for recreation.
- The necessary reviews and approvals haven't been completed, yet RPD has publicly referred to it as a "done deal," discouraging feedback.

Please STOP the Marina Improvement and Remediation Project in its current form before it's too late!

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Jane Perry

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

ACTUALLY READ THIS

I'm tired of hearing about incidents of police misconduct as justification for not hiring more police officers. These are two separate issues and it is insulting to hear some of you try to conflate them. I support the full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Helen Kong

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
JeNeall Granieri

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

While we all know policing is a fraught issue, I do support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Please unite as a BOS on this issue to show us you care about our safety and to show the world we are not a broken liberal city.

We all know where the most dangerous areas are—I was attacked in my car at the intersection of Geary and Divisadero by a man who repeatedly tried to kick in my driver's side window, at 9am on a weekday—and there should be regular patrols who have ties to the neighborhoods they are in.

Long-term residents are finding it increasingly difficult to balance the risks of living here with the rewards. And downtown has made us a national punchline. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. And for everyone's safety, additional funds should be set aside for increased training of these officers. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Attached is a new body memo for revising the Behavioral Health Commission 231076. I have also included a new proposed Vacancy notice implementing the changes. For your review and signature. Do I need to inform AC as this was regarding the body in the newspaper article.

Also 231081 is only an extension of the sunset for the Reentry council . do we need a new body member for it???

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
David Nolley

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Janet Gamble

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

The public is turning against those supervisors who are not ensuring police force is staffed and will be holding all you accountable and voting out those who are against this measure. I'm also voting against any superior court justices who are letting people arrested for committing crimes and not holding them in jail until trial.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Edward Sullivan

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Barbara Pletz
San Francisco, CA 94114

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Christopher Stark

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I have lived in San Francisco for almost 40 years and have watched its level of safety decline. Yet when the police came to protect the attendees at a women's rights conference I attended in September, I was impressed (but not surprised) at their level of competence and professionalism when they dealt with a large number of immature and violent protesters who came to harass us. The event could have resulted in far more harm had the police not been there. We need to support our police department here in San Francisco. Their job is a difficult one.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Tom Dehnel

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Allen Nikka

Dear Supervisors,

Below is a message that I'm guessing you'll get from many folks. I've been living in SF for over 10 years and we need real change, now. San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Tague Griffith

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Moraya Khan

Dear Supervisors,

Just last night our dear neighbor, a mailman serving the city, explained how he had been accosted for the second time and his keys stolen. And that wasn't the worst part of his day. Someone had stolen the catalytic converter from his old Toyota while he was at work. Last night (the same night), multiple business' windows on Irving St. near 9th Ave were smashed, including our hardware store and a few food businesses. These are small, locally owned, neighborhood stores. It has to stop.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Donna Hurowitz

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Steven Solomon

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Sincerely,

Richard Parina

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Dan Langford

Do this for the residents for whom you work. We don't work for you, you work for us the residents of San Francisco! This city is getting more untenable, unlivable and unaffordable for many of us and you do little to nothing to solve these critical issues. I oppose the Marina Improvement and Remediation Project.

Message

Dear Mayor London Breed, Rec and Park Commissioners, David Chiu-City Attorney, Board of Supervisors, PG&E, PROSAC, and RPD Project Staff,

My family and I oppose the Marina Improvement and Remediation Project. We join nearly 2,700 people who signed a petition opposing this plan.

What we want:

- Abandon plans for a new yacht harbor in front of the Marina Green!
- Clean up toxins in Gas House Cove!
- Renegotiate settlement with PG&E to use funding for restoring and maintaining existing East Harbor facilities!

We attended the August RDP meetings and are concerned we are not being heard!

- The current plan provides a nominal amount of dredging and leaves 85% of the toxic waste in place.
- Residents from the entire Bay Area and all over the world come to the Marina to enjoy the view. Detrimental changes to the area are not isolated to Marina residents.
- Iconic views that attract millions in revenue-generating tourism will be forever eliminated by building a big yacht harbor across the entire Marina Greens. Think America's Cup, Alcatraz Triathlon, and Fleet Week.
- Already horrendous flooding in the Marina during storms may be exacerbated since the project design has not been coordinated with the PUC at this stage.

The diversity of the city is not represented due to bad communication!

- The city is not being transparent; we had to find out from neighbors and other residents about the toxins in the water and full details of the plan
- The diversity of users of the Marina Green is not being represented. Communications by RPD were limited to residents within 1000 feet of the project, yet residents citywide use the Marina Green for recreation.
- The necessary reviews and approvals haven't been completed, yet RPD has publicly referred to it as a "done deal," discouraging feedback.

Please STOP the Marina Improvement and Remediation Project in its current form before it's too late!

Dear Victor Young,

I am writing to you to express my support of Supervisor Stefani's Nonprofit Auditing Ordinance and urge you to vote in support of it.

The City currently spends \$1.7 billion on contracts with over 600 nonprofits. While many of these organizations provide valuable services to our communities, the City's lack of guidelines for these contracts has resulted in waste and redundancy.

By requiring the Controller to develop guidelines on metrics that must be included in City contracts, it will ensure consistency across the variety of contracts that nonprofits have with the city, thereby enabling that nonprofits to best deliver against clear metrics. Not only is this good governance to hold nonprofits accountable for results, it is needed to enable the City to measure progress towards addressing its most pressing problems, including homelessness and the drug and mental health crisis.

Finally, the high profile collapse of Baker Places and corruption discovered at United Council of Human Services highlights the need for increased oversight of service providers to ensure money is accounted for and is being used effectively to provide our most vulnerable the help they need.

Ultimately, this legislation will help improve oversight of taxpayer money, address the issues faced by nonprofits contracting with the City, and increase public access to information around nonprofit contracts.

I hope you will vote in support of this legislation.

Sincerely,
Rose Jakubaszek

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

Let's be honest.

In the age of citizen reporting and cell phone cameras capturing the police violence that has ALWAYS plagued our country paired with a united and growing call for police accountability and a national protest against police corruption in the wake of George Floyd (among the hundreds of other men and women murdered by police), I ask you this:

Who wants to be a cop? Why are people NOT going to the academy? Think about it.

Locally, let's talk about what SFPD has done to create terrible public perception and turn our young people against them because of the incompetent and brutal abuse of young San Franciscans at the Dolores Park skate event.

No one will forget the massive turn out of officers in RIOT GEAR, getting paid loads of overtime to zip tie kids, let them pee on themselves, and not allow them to even call their parents? Besides being straight up abuse, what horrid PR this was!!

I can't believe I agree with something the original author of this petition mentioned, but the actual work of community safety IS safer when the peace officers LIVE where they work.

However, even with their bloated budget, enormous signing bonuses and pay incentives, can officers ever afford to live here at all anymore?

The housing crisis is real. And when you create an environment with no middle working class, the bottom drops out.

And here we are, a city with a lightening fast wealth gap between our ever-increasing numbers of our poorest, most vulnerable and unhoused folks alongside the ultra-wealthy who wish to criminalize poverty, treat humans like garbage they can throw away, and don't want to see the humanitarian crisis in front of their eyes.

Please work to build more AFFORDABLE and BELOW "market rate" homes, for police, for educators and for all of our hard working class folks who make this city what it is.

Please repair the damage done to kids of SF.

Dorsey, weren't you a public relations guy for SFPD? How does SFPD repair its relationship to our most vital SF resource? Im not talking about AI here, I'm talking about our kids.

Muriel Huribell should be ashamed of being so dumb that she cannot see the real issues at hand.

I pray you all are smarter, more creative and especially more compassionate than that.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

350 cops are currently eligible to retire. If they retire tomorrow then the city is 50% under staffed in the police department. It will make the criminals even more emboldened to reign terror on the community.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
John Doherty

If I was in town I would be at the meeting on Monday to personally support this amendment, I hope this message will carry the same importance. As a homeowner, business owner, landlord, and long term resident and voter of this city the crime and generally lack of respect for any type of law and order in this city has grown to crisis levels. While it's not violent crime, it dramatically affects quality of life. From CONSTANT sideshows on Caesar Chavez to open fentanyl dealing everywhere it's out of hand.

Thanks for your attention to this pressing matter.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Mike Linksvayer

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This is long overdue. Let's get it done. Thank you!

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Justin Hughes

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

ACTUALLY READ THIS

I'm tired of hearing about incidents of police misconduct as justification for not hiring more police officers. These are two separate issues and it is insulting to hear some of you try to conflate them. I support the full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
JeNeall Granieri

Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Dear Supervisors,

While we all know policing is a fraught issue, I do support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Please unite as a BOS on this issue to show us you care about our safety and to show the world we are not a broken liberal city.

We all know where the most dangerous areas are—I was attacked in my car at the intersection of Geary and Divisadero by a man who repeatedly tried to kick in my driver's side window, at 9am on a weekday—and there should be regular patrols who have ties to the neighborhoods they are in.

Long-term residents are finding it increasingly difficult to balance the risks of living here with the rewards. And downtown has made us a national punchline. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. And for everyone's safety, additional funds should be set aside for increased training of these officers. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Attached is a new body memo for revising the Behavioral Health Commission 231076. I have also included a new proposed Vacancy notice implementing the changes. For your review and signature. Do I need to inform AC as this was regarding the body in the newspaper article.

Also 231081 is only an extension of the sunset for the Reentry council . do we need a new body member for it???

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
David Nolley
San Francisco, CA 94122

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Janet Gamble

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

The public is turning against those supervisors who are not ensuring police force is staffed and will be holding all you accountable and voting out those who are against this measure. I'm also voting against any superior court justices who are letting people arrested for committing crimes and not holding them in jail until trial.

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Edward Sullivan

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Greg Tolson

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Christopher Stark

Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I have lived in San Francisco for almost 40 years and have watched its level of safety decline. Yet when the police came to protect the attendees at a women's rights conference I attended in September, I was impressed (but not surprised) at their level of competence and professionalism when they dealt with a large number of immature and violent protesters who came to harass us. The event could have resulted in far more harm had the police not been there. We need to support our police department here in San Francisco. Their job is a difficult one.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
David Saarman

Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

Yes we need more police but where are the SFPD we already have on staff? No where to be seen. They are MIA. Fire the current Police Commissioner while you are at it. The taxpayers of SF are not idiots and you will all be fired if we don't see action.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Allen Nikka

Dear Supervisors,

Below is a message that I'm guessing you'll get from many folks. I've been living in SF for over 10 years and we need real change, now. We need more focus on public safety - I know a number of my clients (private equity/investment bankers) that don't want to come here and are flocking to New York because of public safety.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Tague Griffith

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Danric Vargas

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

Just last night our dear neighbor, a mailman serving the city, explained how he had been accosted for the second time and his keys stolen. And that wasn't the worst part of his day. Someone had stolen the catalytic converter from his old Toyota while he was at work. Last night (the same night), multiple business' windows on Irving St. near 9th Ave were smashed, including our hardware store and a few food businesses. These are small, locally owned, neighborhood stores. It has to stop.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Nicholas Danford

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Subject: In Support of File #230985 - Supervisor Dorsey's Police Staffing Charter Amendment
Date: Friday, October 20, 2023 3:08:43 PM

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Libby Dodd
San Francisco, CA 94110

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Steven Solomon

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Susan Fisch

Do this for the residents for whom you work. We don't work for you, you work for us the residents of San Francisco! This city is getting more untenable, unlivable and unaffordable for many of us and you do little to nothing to solve these critical issues. Why should we reelect you when you've done little for us other than give lip service, crickets or the finger behind our backs?

I oppose the Marina Improvement and Remediation Project.

Message

Dear Mayor London Breed, Rec and Park Commissioners, David Chiu-City Attorney, Board of Supervisors, PG&E, PROSAC, and RPD Project Staff,

My family and I oppose the Marina Improvement and Remediation Project. We join nearly 2,700 people who signed a petition opposing this plan.

What we want:

- Abandon plans for a new yacht harbor in front of the Marina Green!
- Clean up toxins in Gas House Cove!
- Renegotiate settlement with PG&E to use funding for restoring and maintaining existing East Harbor facilities!

We attended the August RDP meetings and are concerned we are not being heard!

- The current plan provides a nominal amount of dredging and leaves 85% of the toxic waste in place.
- Residents from the entire Bay Area and all over the world come to the Marina to enjoy the view. Detrimental changes to the area are not isolated to Marina residents.
- Iconic views that attract millions in revenue-generating tourism will be forever eliminated by building a big yacht harbor across the entire Marina Greens. Think America's Cup, Alcatraz Triathlon, and Fleet Week.
- Already horrendous flooding in the Marina during storms may be exacerbated since the project design has not been coordinated with the PUC at this stage.

The diversity of the city is not represented due to bad communication!

- The city is not being transparent; we had to find out from neighbors and other residents about the toxins in the water and full details of the plan
- The diversity of users of the Marina Green is not being represented. Communications by RPD were limited to residents within 1000 feet of the project, yet residents citywide use the Marina Green for recreation.
- The necessary reviews and approvals haven't been completed, yet RPD has publicly referred to it as a "done deal," discouraging feedback.

Please STOP the Marina Improvement and Remediation Project in its current form before it's too late!

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Stefani's Nonprofit Auditing Ordinance and urge you to vote in support of it.

The City currently spends \$1.7 billion on contracts with over 600 nonprofits. While many of these organizations provide valuable services to our communities, the City's lack of guidelines for these contracts has resulted in waste and redundancy.

By requiring the Controller to develop guidelines on metrics that must be included in City contracts, it will ensure consistency across the variety of contracts that nonprofits have with the city, thereby enabling that nonprofits to best deliver against clear metrics. Not only is this good governance to hold nonprofits accountable for results, it is needed to enable the City to measure progress towards addressing its most pressing problems, including homelessness and the drug and mental health crisis.

Finally, the high profile collapse of Baker Places and corruption discovered at United Council of Human Services highlights the need for increased oversight of service providers to ensure money is accounted for and is being used effectively to provide our most vulnerable the help they need.

Ultimately, this legislation will help improve oversight of taxpayer money, address the issues faced by nonprofits contracting with the City, and increase public access to information around nonprofit contracts.

I hope you will vote in support of this legislation.

Sincerely,
Rose Jakubaszek

Dear Supervisors,

Let's be honest.

In the age of citizen reporting and cell phone cameras capturing the police violence that has ALWAYS plagued our country paired with a united and growing call for police accountability and a national protest against police corruption in the wake of George Floyd (among the hundreds of other men and women murdered by police), I ask you this:

Who wants to be a cop? Why are people NOT going to the academy? Think about it.

Locally, let's talk about what SFPD has done to create terrible public perception and turn our young people against them because of the incompetent and brutal abuse of young San Franciscans at the Dolores Park skate event.

No one will forget the massive turn out of officers in RIOT GEAR, getting paid loads of overtime to zip tie kids, let them pee on themselves, and not allow them to even call their parents? Besides being straight up abuse, what horrid PR this was!!

I can't believe I agree with something the original author of this petition mentioned, but the actual work of community safety IS safer when the peace officers LIVE where they work.

However, even with their bloated budget, enormous signing bonuses and pay incentives, can officers ever afford to live here at all anymore?

The housing crisis is real. And when you create an environment with no middle working class, the bottom drops out.

And here we are, a city with a lightening fast wealth gap between our ever-increasing numbers of our poorest, most vulnerable and unhoused folks alongside the ultra-wealthy who wish to criminalize poverty, treat humans like garbage they can throw away, and don't want to see the humanitarian crisis in front of their eyes.

Please work to build more AFFORDABLE and BELOW "market rate" homes, for police, for educators and for all of our hard working class folks who make this city what it is.

Please repair the damage done to kids of SF.

Dorsey, weren't you a public relations guy for SFPD? How does SFPD repair its relationship to our most vital SF resource? Im not talking about AI here, I'm talking about our kids.

Muriel Huribell should be ashamed of being so dumb that she cannot see the real issues at hand.

I pray you all are smarter, more creative and especially more compassionate than that.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Spencer Camp

Message to the Rules Committee and the Board of Supervisors

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Stephanie Hill

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

Property crime is out of control and I'm sick of watching business owners suffer and fail because of it. Drug crimes are another big problem. And of course violence and dangerous behaviors like speeding must also be addressed.

The point is we need a full police presence of our city is to thrive. But we don't have it.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear San Francisco Board of Supervisors:

My name is Ana Canillas. My partner and I are active voters who have invested our lives in San Francisco. We love the City!

Sadly, my neighbors and I are living the seeming destruction of our beautiful City.

We believe the lack of sufficient trained law enforcement staffing greatly contributes to the crime and lawlessness on our streets.

We believe providing sufficient police staffing will go a long way in ensuring public safety.

The data and analysis reported by Supervisor Dorsey, just makes sense by offering solutions to addressing the rampant lawlessness and crimes that common San Franciscans face seemingly without recourse.

We need Police Full Force Staffing.

We agree with Supervisor Dorsey's analysis that current chronic understaffing

- creates needlessly expensive and wasteful inefficiencies as vacant police officer positions more than offset mounting needs for overtime pay to address operational staffing shortages and myriad unforeseen public safety.

We are encouraged by the study presented conclusively demonstrating in measurable benefit-cost ratios that medium-to-large U.S. cities over a 50-year period from 1960 to 2010 concluded **that every \$1.00 spent on policing generates social benefits and reduced victim costs of approximately \$1.63**, with the authors of the study adding, "this conclusion is conservative.

Police Full Force Staffing just makes sense

Please join my neighbors and me in supporting File #230985 (Police Full Staffing Charter Amendment).

Thank you for your leadership, consideration and time!

Sincerely,
Ana Canillas

Dear Supervisors,

I would have rewritten the pre Moab text below but it pretty accurately expresses my position and reasoning. We need to clean up the streets if we want that convention and tourist money that is a huge chunk of the city's economy - not to mention attracting businesses to fill the vacant offices - and we need enough cops to do it.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,
I IMPLY you to take accountability for the current unsafe conditions and overall decline of the city. The first and CRITICAL step to turning the city around is to fully staff the SFPD. Under Peskin's leadership, the supervisors have been ineffective at making meaningful improvements expediently to avoid further exodus from SF downtown/SOMA, the SF tax revenue driver. This is your chance to show the voters that the supervisors can make common sense decisions and care about the future of the city. Policies that are lenient on crime have failed us ALL so stop going down this path and vote to put Supervisors Dorsey's full staffing amendment for SFPD on the ballot in March 2024.

Dear Board of Supervisors,

I am writing in strong support for the Police Full Staffing Charter Amendment (file #230985). I have been a resident of San Francisco since 2015, living first in SOMA and now in Hayes Valley. Since 2020, I have witnessed an increase in crime in my neighborhood and the effects of an understaffed and under-resourced police department. My neighbors and I have witnessed and reported to police open air drug consumption, drug dealing and trafficking, vandalism, theft, residential break-ins, and bike chopping operations. We have also called the non-emergency line multiple times to ask for checks on persons who seemed in distress due to drug consumption or health crises. The police response has been constrained by their limited resources. This is reflected in the time it takes to arrive at the scene (sometimes it can take an hour to get a police drive-by after reporting illegal activity), in their ability to investigate illegal activity (they simply don't have the people and resources to investigate issues), and in their ability to be present and visible in the community in order to deter crime. We urgently need more police officers in our neighborhoods to address crime and safety concerns. I strongly believe this charter amendment will help San Francisco's recovery and the adaptation of this vibrant city to the post-pandemic reality. Thank you for your consideration of this support statement.

Best regards,
Dana Foarta

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I have served on Ingleside Community Police Advisory Board for many years. My neighbors and I are deeply concerned about the thinly distributed police patrols we depend upon to respond to incidents and to maintain a sense of safety in our community. We urge you to support Supervisor Dorsey's full staffing amendment for SFPD. Please hear our safety concerns and vote to put this amendment on the ballot in March 2024. Restore our city's reputation as a safe destination to live, work, visit, and shop with a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

Property crime is out of control and I'm sick of watching business owners suffer and fail because of it. Drug crimes are another big problem. And of course violence and dangerous behaviors like speeding must also be addressed.

The point is we need a full police presence of our city is to thrive. But we don't have it.

If I was in town I would be at the meeting on Monday to personally support this amendment, I hope this message will carry the same importance. As a homeowner, business owner, landlord, and long term resident and voter of this city the crime and generally lack of respect for any type of law and order in this city has grown to crisis levels. While it's not violent crime, it dramatically affects quality of life. From CONSTANT sideshows on Caesar Chavez to open fentanyl dealing everywhere it's out of hand.

Thanks for your attention to this pressing matter.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

A bunch of hiring managers should be fired in the city for not planning for this situation a decade ago.

350 cops are currently eligible to retire. If they retire tomorrow then the city is 50% under staffed in the police department. It will make the criminals even more emboldened to reign terror on the community.

Good morning, Madam/Sir—

I am a resident in the 6th District of San Francisco. Prior to the pandemic, I considered the Tenderloin home for a decade.

I have always appreciated my neighborhoods' gritty history and the long-time institutions that have lent life to this part of San Francisco. In the last two years alone, some of these have closed (thinking of Frena's Bakery around the corner, especially). I suspect that a good reason for this has to do with maintaining a business in an area intensified by pervasive homelessness, petty theft, and open-air drug use.

Among all City agencies, SFPD has been most responsive to my requests to keep sidewalks passable and safe. To the extent that other agencies have not been as accessible to public inquiry (e.g., Public Health, DPW, and Homeless Outreach), local residents have relied on SFPD non-emergency and our local CBDs to address immediate concerns around safety and public hygiene. By default therefore, SFPD and CBDs are forced to stand right in the front lines of day-to-day life. The police have consistently undertaken their work in ways that respect both the needs of pedestrians and the rights of those unhoused. Captain Luke Martin of the Southern Station has proven especially attentive to resident concerns and has met with us several times to explore practical steps to keep our streets passable.

Of late, however, response time has *significantly lagged* due to shortage in staffing.

Supervisor Dorsey's proposal seeks to return SFPD staffing levels to a workable number in a city the size of San Francisco. This is worth our consideration.

At a time when many of us are interrogating the role of the police in the public square, I am mindful that increased policing is not always the solution to the stability of quotidian life. In light of our City's failure to implement policies to address homelessness, illegal drug use, and public hygiene, however, the SFPD has stepped up to make our streets accessible and livable.

For this reason, I support the inclusion of the Full Staffing Act for voter consideration in the March elections.

Many thanks,
MS Campos

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

Let's be honest.

In the age of citizen reporting and cell phone cameras capturing the police violence that has ALWAYS plagued our country paired with a united and growing call for police accountability and a national protest against police corruption in the wake of George Floyd (among the hundreds of other men and women murdered by police), I ask you this:

Who wants to be a cop? Why are people NOT going to the academy? Think about it.

Locally, let's talk about what SFPD has done to create terrible public perception and turn our young people against them because of the incompetent and brutal abuse of young San Franciscans at the Dolores Park skate event.

No one will forget the massive turn out of officers in RIOT GEAR, getting paid loads of overtime to zip tie kids, let them pee on themselves, and not allow them to even call their parents? Besides being straight up abuse, what horrid PR this was!!

I can't believe I agree with something the original author of this petition mentioned, but the actual work of community safety IS safer when the peace officers LIVE where they work.

However, even with their bloated budget, enormous signing bonuses and pay incentives, can officers ever afford to live here at all anymore?

The housing crisis is real. And when you create an environment with no middle working class, the bottom drops

out.

And here we are, a city with a lightening fast wealth gap between our ever-increasing numbers of our poorest, most vulnerable and unhoused folks alongside the ultra-wealthy who wish to criminalize poverty, treat humans like garbage they can throw away, and don't want to see the humanitarian crisis in front of their eyes.

Please work to build more AFFORDABLE and BELOW "market rate" homes, for police, for educators and for all of our hard working class folks who make this city what it is.

Please repair the damage done to kids of SF.

Dorsey, weren't you a public relations guy for SFPD? How does SFPD repair its relationship to our most vital SF resource? Im not talking about AI here, I'm talking about our kids.

Muriel Huribell should be ashamed of being so dumb that she cannot see the real issues at hand.

I pray you all are smarter, more creative and especially more compassionate than that.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Do this for the residents for whom you work. We don't work for you, you work for us the residents of San Francisco! This city is getting more untenable, unlivable and unaffordable for many of us and you do little to nothing to solve these critical issues. Why should we reelect you when you've done little for us other than give lip service, crickets or the finger behind our backs?

I am a longtime San Francisco resident and voter and I DO NOT SUPPORT the police full staffing act.

- 1) SFPD is NOT understaffed. We have the highest number of police officers per capita of any city in California over 100k residents. The city's problems would be better tackled with more (and wiser) social service spending.
- 2) Our "crime epidemic" is not a real thing borne out by data. Our tax money would be better spent on PR to claw back some of the tourism we lose due to this crime epidemic myth.
- 3) Most importantly, our police have difficulty recruiting because of their bad behavior and poor reputation. We need real reforms to make SFPD a corps of better trained, more accountable, and more representative public servants. If people in this city looked up to the police as opposed to viewing them as an adversary or an occupying force, much of our supposed staffing problem would be solved free of charge.

Sincerely,
Chrissy Shively

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

Just last night our dear neighbor, a mailman serving the city, explained how he had been accosted for the second time and his keys stolen. And that wasn't the worst part of his day. Someone had stolen the catalytic converter from his old Toyota while he was at work. Last night (the same night), multiple business' windows on Irving St. near 9th Ave were smashed, including our hardware store and a few food businesses. These are small, locally owned, neighborhood stores. It has to stop.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

Below is a message that I'm guessing you'll get from many folks. I've been living in SF for over 10 years and we need real change, now. We need more focus on public safety - I know a number of my clients (private equity/investment bankers) that don't want to come here and are flocking to New York because of public safety.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. Yes we need more police but where are the SFPD we already have on staff? No where to be seen. They are MIA.

Fire the current Police Commissioner while you are at it.

The taxpayers of SF are not idiots and you will all be fired if we don't see action.

Supervisor Rafael Mandelman
District 8.
San Francisco Board of Supervisors

Dear Rafael:

Corbett Heights Neighbors organization, (CHN) supports this proposed amendment, in concept, and urges your positive action on it.

While recognizing it does not resolve all aspects and issues of the complex policing question, it is an important step forward in an effort to halt and then begin to reverse the serious decline of public safety and related conditions in San Francisco.

As you know, CHN has represented the NW Eureka Valley for nearly 20 years. The CHN Board of Directors, members of which are elected annually by the membership, read the proposed Amendment text, the Legislative Digest and related materials and held and in-person discussion attended by all members of our Board before taking this position. The vote was unanimous.

Thank you.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Anika

Supervisors Dorsey, Safai and Walton
Rules Committee
San Francisco Board of Supervisors

Corbett Heights Neighbors organization, (CHN) supports this proposed amendment, in concept, and urges your positive action on it.

While recognizing it does not resolve all aspects and issues of the complex policing question, it is an important step forward in an effort to halt and then begin to reverse the serious decline of public safety and related conditions in San Francisco.

CHN has represented the NW Eureka Valley for nearly 20 years. The CHN Board of Directors, member of which are elected annually by the membership, read the proposed Amendment text, the Legislative Digest and related materials and held an in-person discussion attended by all members of our Board before taking this position. The vote was unanimous.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I have lived in San Francisco for almost 40 years and have watched its level of safety decline. Yet when the police came to protect the attendees at a women's rights conference I attended in September, I was impressed (but not surprised) at their level of competence and professionalism when they dealt with a large number of immature and violent protesters who came to harass us. The event could have resulted in far more harm had the police not been there. We need to support our police department here in San Francisco. Their job is a difficult one.

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

The public is turning against those supervisors who are not ensuring police force is staffed and will be holding all you accountable and voting out those who are against this measure. I'm also voting against any superior court justices who are letting people arrested for committing crimes and not holding them in jail until trial.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We are in a public safety crisis and cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force.

Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Solving the police shortage will simply not happen without this Charter Amendment.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

While we all know policing is a fraught issue, I do support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Please unite as a BOS on this issue to show us you care about our safety and to show the world we are not a broken liberal city.

We all know where the most dangerous areas are—I was attacked in my car at the intersection of Geary and Divisadero by a man who repeatedly tried to kick in my driver's side window, at 9am on a weekday—and there should be regular patrols who have ties to the neighborhoods they are in.

Long-term residents are finding it increasingly difficult to balance the risks of living here with the rewards. And downtown has made us a national punchline. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. And for everyone's safety, additional funds should be set aside for increased training of these officers. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

ACTUALLY READ THIS

I'm tired of hearing about incidents of police misconduct as justification for not hiring more police officers. These are two separate issues and it is insulting to hear some of you try to conflate them. I support the full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. Re: Vote No on Agenda Item 1 (Charter Amendment No. 230985) on the Board of Supervisors Rules Committee for Monday October 23, 2023

Dear Supervisors Dorsey, Walton, and Safai:

On Monday during the Rules Committee meeting, you will vote on whether to approve the proposed amendment to the City Charter, titled “Minimum Police Department Staffing and Five-Year Annual Funding Requirement,” that would restore minimum police staffing levels, create a five-year funding requirement, and establish a “Police Full Staffing Fund.” The legislation is regressive and is an attempt, along with other efforts, to give SFPD free reign to police as it sees fit, plainly ignoring the fact that SFPD was directed by the United States Department of Justice and then the California Department of Justice to implement significant changes to its practices. I therefore strongly recommend you reconsider this measure, vote “no,” and do not place it on the ballot.

A Solution in Search of a Problem

To start, the legislation is inflexible, lacks clear metrics and accountability, and effectively gives SFPD unprecedented access to the City’s coffers at a time when the City is projecting a \$780MM budget deficit¹ while the Mayor has directed city departments to cut their budgets mid-year.² The legislation locks the City into specific staffing increases—i.e., 100 additional officers annually for the next five years—without explaining why those proposed increases are justified beyond the broad, previously challenged³ claim that SFPD is understaffed.

Moreover, this legislation, without new evidence, directly undermines the express will of voters who just three years ago passed Prop E to remove the minimum

staffing levels with more than 70% support.⁴ Voters then knew what we still know: having a fixed number of officers is “detached from financial or social reality”⁵ and a “hard-and-fast number [of officers] shouldn’t be the rule.”⁶ Dropping the set minimum number of officers was an “obvious change that the city should have made years ago.”⁷ Board President Norman Yee was right to say that the city should use “a thoughtful process for determining police staffing levels” and should “remove the handcuffs that this mandatory minimum staffing requirement” places on San Franciscans.⁸

The ballot initiative also fails to explain why SFPD response times have gotten worse *long before* the supposed staffing crisis: “The police department has consistently missed its goals for response times on all manner of calls, and is missing them by more every year. And that was the case even before money and personnel issues grew dire.”⁹ That mirrors other anecdotal evidence where civilians have noted¹⁰ and complained¹¹ that officers simply are not doing their jobs,¹² which has [at best] little to do with how many officers SFPD employs. The data also suggests that SFPD is ineffective at solving property crimes as the “general pattern over the past 10 years is a steady, gradual decline in property crime clearance rates, irrespective of police [staffing levels].”¹³ Why should a department with this track record continue to be the beneficiary of the public’s money? This legislation is a solution to a different problem while ignoring the issues currently plaguing this department.

Little Meaningful Oversight or Accountability

How should SFPD manage this windfall should the legislation be adopted by City voters? The legislation is entirely silent. Instead, the legislation orders the Police Commission—the entity tasked under the City Charter to set the policy and direction for SFPD—to blindly accept SFPD’s budgetary requests and to limit any

reductions to SFPD’s budget to no more than 5% absent a two-thirds vote. This legislation should be seen in the context of other efforts to weaken the Commission, paint it as a *driving force* behind the serious issues impacting San Francisco, and remove key oversight and accountability for a department that has long required it.

Similarly, the proposed “Fund” provides SFPD with open-ended discretion to spend precious public resources on “recruitment and hiring efforts, advertising, development and administration of hiring strategies, and funding hiring incentive for new police officers.” Conspicuously, the legislation is silent on metrics to measure effectiveness, whether SFPD is required to explain how it used the funds, or what it used the funds on. It is also fair to wonder if this fund will be used for other purposes such as creating a reality show about SFPD officers for “advertising” purposes.¹⁴

These efforts are aimed at allowing the police to, in effect, police themselves. They have done nothing to earn that privilege.

Throwing Good Money After Bad

The Board should be skeptical of allowing SFPD to govern its own affairs and of continuing to invest huge sums of public funds into a department with a track record of misconduct. Just recently, several officers were accused of falsifying traffic stop data,¹⁵ which may show that SFPD’s already inexcusable racial disparities in stops, searches, and seizures are underreported. During the pandemic, dozens of officers were fired because they refused to receive the COVID-19 vaccine,¹⁶ raising serious questions about whether SFPD’s staffing crisis is, in part, self-made. Since 2016, SFPD has stashed dozens of problem officers away who cannot perform their Charter duty to “preserve the public peace, prevent and detect crime, and protect the rights of persons and property” in so-called “rubber rooms” while the City has paid upwards of \$16MM in salary for those officers.¹⁷ Similarly, the City has paid \$70MM to settle claims against SFPD officers. None of this money comes from SFPD’s budget. Perhaps it should.

Adding more officers with a weakened oversight and accountability systems is a recipe to waste more public funds. A retired SFPD veteran put it this way:

“Forty years ago, when I became a cop, the job had a better rep, cops had more autonomy and less accountability. That’s not a

good thing, but there was an attraction there. When I was a rookie cop, we knew we could get away with whatever we wanted. And we did.”¹⁸

We cannot return to that San Francisco.

Falling into Old, Bad Habits

Instead of inflating an already large department—and particularly in the current economic climate—the City should reinvigorate its search for more effective and cost-efficient alternatives to policing.¹⁹ With a claimed officer shortfall and small academy classes, an immediate way to reduce officer workload while preserving transparency and accountability is enacting policies such as the limitation on pretext stops. According to detailed analysis conducted by SPUR, SFPD conducts tens of thousands of stops for minor infractions such as broken tail lights but rarely recovers contraband.²⁰ To further reduce burdens on officer time, instead of creating more time through increased staffing, invest in evidence-based alternatives to policing via a “Community Violence Intervention” model.²¹ Importantly, such models are overwhelmingly popular with the public as an alternative to police-only interventions.²² Or consider Denver’s approach to mental health calls for service: sending mental health specialists instead of police to address substance use and nonviolent emergencies reduced some crimes by as much as 34%.²³ San Francisco can follow their lead and expand our Street Crisis Response Teams so that we can provide care 24/7.

The City should remain focused on addressing the root causes of crime—housing, job, education, and healthcare insecurity—and not on solutions that worsen public safety. Study after study shows that creating supportive housing reduces arrests for offenses associated with experiencing homelessness.²⁴ The same is true of investing in underserved communities by providing job opportunities and access to healthcare. Given the challenging environment to hire officers nationwide as noted

criminologist Jeff Asher has observed,²⁵ investing in alternatives is altogether more important.

Our community thrives when we put people first, not economic interests enforced by an armed-to-the-teeth police department. While the legislation speaks to lofty goals, it is woefully short on details explaining why an increase in SFPD is justified, why this level of increase is justified, and why alternatives should be eschewed in favor of continued investment in a scandal-plagued department. Consequently, I urge you to vote NO on this legislation today.

Respectfully Submitted,

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Emma Stewart

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I IMPLORE you to take accountability for the current unsafe conditions and overall decline of the city. The first and CRITICAL step to turning the city around is to fully staff the SFPD. Under Peskin's leadership, the supervisors have been ineffective at making meaningful improvements expediently to avoid further exodus from SF downtown/SOMA, the SF tax revenue driver. This is your chance to show the voters that the supervisors can make common sense decisions and care about the future of the city. Policies that are lenient on crime have failed us ALL so stop going down this path and vote to put Supervisors Dorsey's full staffing amendment for SFPD on the ballot in March 2024.

We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I would have rewritten the pre Moab text below but it pretty accurately expresses my position and reasoning. We need to clean up the streets if we want that convention and tourist money that is a huge chunk of the city's economy - not to mention attracting businesses to fill the vacant offices - and we need enough cops to do it.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
JConr Ortega

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Herbert Stackhouse

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Hello,

I am a San Francisco resident that works in civic center. I used to teach in our public schools. We do not need more bonuses for police, but we absolutely need funds for educating our children. It is absolutely absurd that we spend over a billion dollars a year on criminalization when so many educators make tens of thousands of dollars below a living wage, and thousands of students leave school hungry and homeless daily. If we want to change this city we need to change our priorities back to supporting students and families.

I am asking you to please vote no on Dorsey's charter amendment. Put community over criminalization.

- Amelia Tehrani

Best wishes,
Golzar Tehrani

Dear Supervisors,

I FO NOT support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. San Francisco has too many poorly trained police officers who think that they are immune from consequences. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop while they continue to poorly perform their duties since they do not have any consequences to poor performance. When and if they will agree that they exist to serve the people of San Francisco without qualified immunity or criminal indemnification, then we can move forward and reform the current institution.

San Franciscans prioritize public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

More funding leads to more military grade hardware, which we do not need. And more staffing will happen with better educated, and trained officers who seek to serve the residents of San Francisco.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Herbert Stackhouse

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Hazel Mayorga

Hello,

I am a San Francisco resident that works in civic center. I used to teach in our public schools. We do not need more bonuses for police, but we absolutely need funds for educating our children. It is absolutely absurd that we spend over a billion dollars a year on criminalization when so many educators make tens of thousands of dollars below a living wage, and thousands of students leave school hungry and homeless daily. If we want to change this city we need to change our priorities back to supporting students and families.

I am asking you to please vote no on Dorsey's charter amendment. Put community over criminalization.

- Amelia Tehrani

Best wishes,
Golzar Tehrani

Dear Supervisors,

I FO NOT support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. San Francisco has too many poorly trained police officers who think that they are immune from consequences. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop while they continue to poorly perform their duties since they do not have any consequences to poor performance. When and if they will agree that they exist to serve the people of San Francisco without qualified immunity or criminal indemnification, then we can move forward and reform the current institution.

San Franciscans prioritize public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

More funding leads to more military grade hardware, which we do not need. And more staffing will happen with better educated, and trained officers who seek to serve the residents of San Francisco.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Mercedes Ho

Message: I support Supervisor Safai's Charter Amendment that would give Mayoral approval over parking meter and other transportation fees and fares.

Dear Supervisors,

I support Supervisor Safai's Charter Amendment for the March 5, 2024 election that would require the Mayor of San Francisco to approve any proposed increases to SFMTA fares, parking meter maximum rates, and hours or days of operation.

No single unelected city department head should have the sole authority to increase our parking or fare rates. To correct this, the proposed Charter Amendment requires the Mayor to approve any fare, parking, or MUNI rate increases put into the SFMTA budget, placing the authority back on elected leaders. Transportation fees significantly impact the lives of residents, and businesses, particularly those in lower-income areas, and when fees need to be changed, this decision should be made by our mayor, who can take all factors and constituents into consideration.

Please vote to support this Charter Amendment.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Dear Supervisor Safai,

Really? This is unbelievable. You want to increase our taxes because we want a fully staffed police force? We have a budget larger than entire states. You want to run for mayor and are asking to increase our taxes when we are asking for the BASIC services that a city should provide each and everyone on of their constituents? There is plenty of money in the budget. Please use it wisely and increasing taxes so the taxpayers can be provided with a fully staffed police force is unreasonable when we have a budget of 14.6 billion. I am 100 percent sure the money is there. We will remember this when it's time to vote.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Message: I OPPOSE Safai's charter amendment to increase taxes to solve the SFPD staffing crisis.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

Message: I OPPOSE Safai's charter amendment to increase taxes to solve the SFPD staffing crisis.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Message to the Rules Committee and the Board of Supervisors

From your constituent: Christina Pappas, scoutca66@gmail.com

I am a resident of District 1

Message: I OPPOSE Safai's charter amendment to increase taxes to solve the SFPD staffing crisis.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

We are hard-pressed to believe that the money couldn't be found in the city budget. Perhaps you should consider ending the funding of just one ineffective non-profit annually to cover that cost.

You have recently overseen a city budget that has DOUBLED since 2017, and you are telling the working residents of San Francisco that taxes must be raised for the city to provide basic law enforcement services and address a public safety crisis that city leaders should have handled long ago.

This is unacceptable and outrageous.

I do not support your amendment that guts Supervisor Dorsey's charter amendment for SFPD staffing and request that you withdraw it immediately or kill the bill

entirely.

Message: I OPPOSE Safai's charter amendment to increase taxes to solve the SFPD staffing crisis.

Dear Supervisor Safai,

I am writing to vehemently OPPOSE your amendment to Supervisor Dorsey's SFPD staffing plan. Increasing our taxes to solve the SFPD staffing crisis is irresponsible and demonstrates a disregard for residents who struggle to afford to live in San Francisco, and who expect public safety and a fully staffed police department to be part of the basic city services we already pay for.

We need the restoration of public safety now so that residents and business owners can feel reasonably safe again. This is a top priority for the majority of San Franciscans, and a fully staffed police force is needed to do the work that is necessary.

The net amount needed to fund the ORIGINAL Dorsey Charter amendment is estimated to be \$20M annually (after accounting for overtime savings).

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Dear Supervisors,

I FO NOT support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. San Francisco has too many poorly trained police officers who think that they are immune from consequences. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop while they continue to poorly perform their duties since they do not have any consequences to poor performance. When and if they will agree that they exist to serve the people of San Francisco without qualified immunity or criminal indemnification, then we can move forward and reform the current institution.

San Franciscans prioritize public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

More funding leads to more military grade hardware, which we do not need. And more staffing will happen with better educated, and trained officers who seek to serve the residents of San Francisco.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.
