Contractor and any subcontractors performing Covered Services will cooperate fully with DIR and/or OLSE and other City employees and agents authorized to assist in the administration and enforcement of the prevailing wage requirements. Contractor agrees that (i) OLSE shall have the right to engage in random inspections of job sites and have access to the employees of the Contractor, employee time sheets, inspection logs, payroll records and employee paychecks; (ii) Contractor shall maintain a sign-in and sign-out sheet showing which employees are present on the job site; (iii) Contractor shall prominently post at each job-site a sign informing employees that the project is subject to the City's prevailing wage requirements and that these requirements are enforced by OLSE; and (iv) OLSE may audit such records of Contractor as it reasonably deems necessary. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.4 Goods.

4.4.1 **Place of Manufacture.** No article furnished hereunder shall have been made in prison or by convict labor, except Goods purchased for use by City's detention facilities. The City may require Contractor to provide within seven (7) working business days from the date they are requested to do so, information and documentation requested by Purchaser, including but not limited to: sources of supply, distribution, dealership or agency agreements and authorizations from manufacturer(s) they claim to represent, lines of credit with financial institutions for manufacturer(s) they claim to represent, lines of credit with financial institutions and suppliers, numbers of employees, trade references and any other information to determine the Contractor's fitness to supply the Agreement requirements.

If City is required to pay a price that exceeds the price agreed upon by this Agreement, the excess price may be charged to and collected from Contractor (or sureties on its bond, if bond has been required); or, the City may terminate the Agreement for default; or, the City may return deliveries already made and receive a refund.

4.4.7 **Safety Data Sheets.** Where required by law or by City, Contractor will include Safety Data Sheets (SDSs) with delivery for applicable items. Failure to include the SDSs for such items will constitute a material breach of contract and may result in refusal to accept delivery.

4.4.8 **Awarded Goods.** If during the term of the Agreement, a contract item is determined to be unacceptable for a particular use, and such is documented by a City Department and as determined by Purchasing, it is understood and agreed that the item will be canceled and removed from the Agreement without penalty to the City. The City's sole obligation to the supplier is payment of deliveries made prior to the cancellation date. City shall give the supplier ten days' notice prior to any cancellation. The City will purchase the required replacement item from any source and in the manner as determined by Purchasing. If a contracted item has been discontinued by the manufacturer or is deemed temporarily unavailable, it will be the responsibility of the Contractor to search the marketplace and find an

acceptable equal substitute in the time required for delivery and at the Agreement price. Contractor must notify Purchasing in writing, which can include email, certified mail, registered mail, or other trackable mail, of any changes in the description of article, brand, product code or packaging. Any changes made without the approval of City will constitute a Default.

4.4.9 **Warranty.** Contractor warrants to City that the manufacturer's warranty and service will be passed on to the City at the time of delivery.

4.5 **Services.**

4.5.1 **Services Contractor Agrees to Perform.** Contractor agrees to provide the Goods and perform the Services stated in the Appendices attached to this Agreement, and each Purchase Order executed pursuant to this Agreement. Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Goods and Services beyond the Goods and Services listed in the Appendices and executed Purchase Order, unless the Appendices are modified as provided in Section 11.5, "Modification of this Agreement", or the Purchase Order is modified in writing by the City and Contractor.

4.5.2 **Subcontracting.** Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Contractor agrees City shall have the right to communicate directly with any subcontractor(s) in connection with Technology Marketplace Transactions under this Agreement. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. In connection with performing work under this Agreement, Contractor and any authorized subcontractors shall not enter non-compete agreements prohibited by California Business and Professions Code section 16600 in which either Contractor or subcontractor are prohibited from entering into or starting a similar profession or trade in competition against the other related to the Services Contractor or any subcontractor(s) have agreed to perform under this Agreement. Services performed by Contractor or any subcontractor(s) outside of the United States must be disclosed to City with all quotes and scopes of work and shall not be permitted without prior written approval of City. Any agreement made in violation of this provision shall be null and void.

4.5.3 **Awarded Services.** If, during the term of the Agreement, a contract service is determined to be unacceptable for a particular department, and such is documented by Purchasing, it is understood and agreed that the service will be canceled and removed from the Agreement without penalty to City. City's sole obligation to Contractor is payment for Services performed prior to the cancellation date. City shall give Contractor ten days' notice prior to any cancellation. City will contract for the required service from any source and in the manner as determined by Purchasing. Contractor must notify Purchasing in writing, which can include email, certified mail, registered mail, or other trackable mail, 30 days in advance of any changes in the Services required in the Agreement. Any changes made without the approval of Purchasing will constitute a Default.

4.5.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

(a) **Independent Contractor.** For the purposes of this Section 4.5, “Contractor” shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it delivers the Goods and Services required by this Agreement and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor’s performing any of the obligations pursuant to this Agreement, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor’s work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor’s compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor’s receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

(b) **Payment of Employment Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past Services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.5 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and hold

harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.6 Assignment. The Services to be performed by Contractor are personal in character. Neither this Agreement, nor any duties or obligations hereunder, may be directly or indirectly assigned, novated, hypothecated, transferred, or delegated by Contractor, or, where the Contractor is a joint venture, a joint venture partner, (collectively referred to as an "Assignment") unless first approved by City by written instrument executed and approved in the same manner as this Agreement in accordance with the Administrative Code. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (i) reputable and capable, financially and otherwise, of performing each of Contractor's obligations under this Agreement and any other documents to be assigned, (ii) not forbidden by applicable law from transacting business or entering into contracts with City; and (iii) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

4.7 Liquidated Damages. Contractor acknowledges that certain Technology Marketplace Transactions may require that Contractor meet specific dates for providing Deliverables under the Agreement. In such cases, Contractor agrees that its failure to adhere to the schedule specified in the Purchase Order may subject City to actual damages that are impractical or extremely difficult to ascertain. Contractor understands and agrees that City may specify in the Purchase Order, as a reasonable estimate of the loss City will incur because of Contractor's delay, a daily rate of liquidated damages. By accepting the Purchase Order, Contractor agrees that this sum shall not be considered a penalty and is an agreed upon sum of monetary damages sustained by City because of Contractor's failure to furnish Deliverables to City within the time period fixed or such extensions of time permitted in writing by City.

4.8 Bonding Requirements. The Contractor may be required on a case-by-case basis to furnish a performance bond in a form acceptable to the City, to guarantee the faithful performance of this Agreement. The bonds must be approved as to sufficiency and qualifications of the surety by the Controller and City Attorney.

4.9 Reserved (Fidelity Bond).

4.10 Emergency - Priority 1 Service. In case of an emergency that affects any part of the San Francisco Bay Area, Contractor will give the City and County of San Francisco Priority 1 service with regard to the Goods and Services procured under this Agreement unless preempted by State and/or Federal laws. Contractor will make every good faith effort in attempting to deliver products using all modes of transportation available. Contractor shall provide a 24-hour emergency telephone number of a company representative who is able to receive and process orders for immediate delivery or will call in the event of an emergency. In addition, the Contractor shall charge fair and competitive prices for Goods and Services ordered during an emergency and not covered under the awarded Agreement.

4.11 Usage Reports by Contractor.

4.11.1 Upon request, Contractor shall prepare and submit to City an electronic report of the total Goods delivered and/or Services rendered under this Agreement during the period of time requested by City. The report must list by City department the following: (1) all Goods and Services ordered (“Order”) (2) all Goods and Services delivered; (3) the date on which each Order was placed; (4) the date on which each Order was delivered; and (5) total quantity and unit price of the Goods and/or Services contained within each Order. Contractor must also furnish a separate similar report for the total of all items and/or Services ordered by City which are not part of this Agreement.

4.11.2 Reserved.

4.11.3 Reserved.

4.12 **Warranty.** If equipment maintenance is required under this Agreement, Contractor warrants to City that the maintenance services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the maintenance services are performed so as to ensure that all maintenance services performed are correct and appropriate for the purposes contemplated in this Agreement. Contractor warrants to City that the manufacturer’s warranty and service will be passed on to the City at the time of delivery.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 The following insurance requirements are the minimum coverages required under this Agreement. At the individual purchase level, on a project-by-project basis, these requirements may be modified based on the Goods and/or Services the City is procuring under this Agreement. Such modifications may include the type of insurance, the required minimum limits of insurance, as well as exclusions or inclusions related to coverage. Any such changes will be stated in the accompanying Purchase Order issued under this Agreement.

5.1.2 **Required Coverages.** Without in any way limiting Contractor’s liability pursuant to the “Indemnification” section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

Article 6 Liability of the Parties

6.1 **Liability of City.** CITY’S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, “PAYMENT,” OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED OR GOODS DELIVERED IN CONNECTION WITH THIS AGREEMENT.

6.2 **Liability for Use of Equipment.** City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 **Liability for Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor’s acts or omissions.

Article 7 Payment of Taxes

7.1 **Contractor to Pay All Taxes.** Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Goods and Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 **Possessory Interest Taxes.** Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply.

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience.

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall

exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

(a) Halting the performance of all obligations under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for Goods, materials, Services, equipment, or other items.

(c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(e) Completing performance of any obligations that City designates to be completed prior to the date of termination specified by City.

(f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth the cost of all Goods and Services delivered prior to City's notice of termination. City's payment obligation pursuant to this Subsection 8.1.3 shall be subject to Section 3.3.2 of this Agreement. With respect to reimbursement for Contractor's services in connection with the maintenance of equipment, in no event will the compensation paid for the month in which termination occurs be greater than the scheduled monthly fee multiplied by a fraction, the numerator of which will be the days in the month elapsed prior to the termination and the denominator of which shall be 31. Upon approval and payment of this invoice by City, City shall be under no further obligation to Contractor monetarily or otherwise.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically listed in Section 8.1.2. Such non-recoverable costs include, but are not limited to, anticipated profits on the Goods delivered and/or Services rendered by Contractor under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense, which is not reasonable or authorized under Section 8.1.2.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for the Goods delivered and/or Services rendered by Contractor's final invoice; (ii) any claim, which City may have against Contractor in

connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Goods delivered and/or Service rendered by Contractor under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Goods and Services, the difference between the invoiced amount and City’s estimate of the reasonable cost of delivering the invoiced Goods and/or performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City’s payment obligation under this Section shall survive termination of this Agreement.

8.1.7 Contractor agrees and acknowledges that cancellation or termination of any Purchase Orders issued under this Agreement are governed by provisions stated in Appendix A.

8.2 Termination for Default; Remedies.

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.2.5 Contractor agrees and acknowledges that cancellation or termination of any Purchase Orders issued under this Agreement are governed by provisions stated in Appendix A.

8.3 Non-Waiver of Rights.

The omission by either Party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof or of any Purchase Order issued under this Agreement by the other Party at the time designated, shall not be a waiver of any such default or right to which the Party is entitled, nor shall it in any way affect the right of the Party to enforce such provisions thereafter.

13.1.2 Confidential Information. In the performance of Services or delivery of the Goods pursuant to this Agreement, Contractor may have access to City’s proprietary or Confidential Information, the disclosure of which to third parties may damage City. If City discloses proprietary or Confidential Information to Contractor, or Contractor collects such information on City’s behalf, such information must be held by Contractor in confidence and used only in performing the Agreement. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary or Confidential Information.

13.2.1 Applications shall be compliant with the Payment Application Data Security Standard (PA-DSS) and validated by a Payment Application Qualified Security Assessor (PA-QSA). 13.3 Business Associate Agreement.

The Parties acknowledge that CITY is a Covered Entity as defined in the Healthcare Insurance Portability and Accountability Act of 1996 (“HIPAA”) and is required to comply with the HIPAA Privacy Rule governing the access, use, disclosure, transmission, and storage of protected health information (PHI) and the Security Rule under the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 (“the HITECH Act”). Contractor or, where applicable, its Subcontractor(s) will be required to enter into a Business Associate Agreement, substantially in the form attached hereto as Appendix B, if the Contractor or, where applicable, its Subcontractor(s) will do at least one or more of the following:

13.4 Protected Health Information. Where applicable, Contractor, all subcontractors, all agents and employees of Contractor and any subcontractor shall comply with all federal and state laws regarding the transmission, storage and protection of all private health information, if any, disclosed to Contractor by City in the performance of this Agreement. Contractor agrees that any failure of Contractor to comply with the requirements of federal and/or state and/or local privacy laws shall be a material breach of the Agreement. In the event that City pays a regulatory fine, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible use or disclosure of protected health information given to Contractor or its subcontractors or agents by City, Contractor shall indemnify City for the amount of such fine or penalties or damages, including costs of notification. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement.

13.5 Management of City Data

13.5.1 Use of City Data. Contractor agrees to hold City Data received from, or collected on behalf of, the City, in strictest confidence. Contractor shall not use or disclose City Data except as permitted or required by the Agreement or as otherwise authorized in writing by the City. Any work by Contractor or its authorized subcontractors using, or sharing or storage of, City Data outside the continental United States is prohibited, absent prior written authorization by the City. Access to City Data must be strictly controlled and limited to Contractor’s staff assigned to this project on a need-to-know basis only. City Data shall not be distributed, repurposed or shared across other applications, environments, or business units of Contractor. Contractor is provided a limited non-exclusive license to use the City Data solely for performing its obligations under the Agreement and not for Contractor’s own purposes or later use. Nothing herein shall be construed to confer any license or right to the City Data, by implication, estoppel

or otherwise, under copyright or other intellectual property rights, to any third-party. Unauthorized use of City Data by Contractor, subcontractors, or other third-parties is prohibited. For purpose of this requirement, the phrase “unauthorized use” means the data mining or processing of data, stored or transmitted by the service, for commercial purposes, advertising or advertising-related purposes, or for any purpose other than security or service delivery analysis that is not explicitly authorized.

13.6 Disposition of City Data. Upon request of City or termination or expiration of this Agreement, and pursuant to any document retention period required by this Agreement, Contractor shall promptly, but in no event later than thirty (30) calendar days, return all City Data given to, or collected or created by Contractor on City’s behalf, which includes all original media. Once Contractor has received written confirmation from City that City Data has been successfully transferred to City, Contractor shall within ten (10) business days clear or purge all City Data from its servers, any hosted environment Contractor has used in performance of this Agreement, including its subcontractors environment(s), work stations that were used to process the data or for production of the data, and any other work files stored by Contractor in whatever medium. Contractor shall provide City with written certification that such purge occurred within five (5) business days of the purge. Secure disposal shall be accomplished by “clearing,” “purging” or “physical destruction,” in accordance with National Institute of Standards and Technology (NIST) Special Publication 800-88 or most current industry standard.

13.7 Ownership of City Data. The Parties agree that as between them, all rights, including all intellectual property rights, in and to the City Data and any derivative works of the City Data is the exclusive property of the City. Use of Artificial Intelligence (AI) to perform professional services under this Agreement shall be permitted solely upon written approval of City. Use of City Data to train AI under this Agreement shall be permitted solely upon written approval of the City.

13.8 Cybersecurity Risk Assessment. Where applicable, City may require Cybersecurity Risk Assessment (CRA) be performed for each entity manufacturing the Goods, performing technical functions related to the performance of the Goods, and/or accessing City’s networks and systems under this Agreement. Where Contractor performs an active role in any of these activities, CRA may also be required for Contractor.

To conduct a CRA, City may collect prior to execution or at any time throughout the duration of this Agreement, one of the following two reports:

1. **SOC-2 Type 2 Report:** Report on Controls at a Service Organization Relevant to Security, Availability, Processing Integrity, Confidentiality, or Privacy; or
2. **City’s Cyber Risk Assessment Questionnaire:** Contractor’s responses to City’s Cyber Risk Assessment Questionnaire.

The above reports may be requested prior to execution or at any time throughout the duration of this Agreement. The reports will be evaluated by the awarding Department and the City’s Department of Technology to identify existing or potential cyber risks to City. Should such risks be identified, City shall afford Contractor an opportunity to cure such risk within a period of time deemed reasonable to City. Failure by Contractor to remedy the identified risks within such period of time shall constitute a material breach of this Agreement, and City may

terminate this Agreement for Default. Such remediation and continuing compliance shall be subject to City's on-going review and audit through industry-standard methodologies, including but not limited to: on-site visits, review of the entities' cybersecurity program, penetration testing, and/or code reviews.

13.9 Loss or Unauthorized Access to City's Data; Security Breach Notification.

Contractor shall comply with all applicable laws that require the notification to individuals in the event of unauthorized release of personally identifiable information or other event requiring notification. Contractor shall notify City of any actual or potential exposure or misappropriation of City's Data (any "Leak") within twenty-four (24) hours of the discovery of such, but within twelve (12) hours if the Data Leak involved personally identifiable information. Contractor, at its own expense, will reasonably cooperate with City and law enforcement authorities to investigate any such Leak and to notify injured or potentially injured parties. Contractor shall pay for the provision to the affected individuals of twelve (12) months of free credit monitoring services, if the Leak involved information of a nature reasonably necessitating such credit monitoring. The remedies and obligations set forth in this subsection are in addition to any other City may have. City shall conduct all media communications related to such Leak.

POs are awarded to Technology Marketplace contractors in accordance with the policies of the Office of Contract Administration ("OCA" or "Purchasing") and applicable laws and regulations of City as they may be amended from time to time.

After contract award, a competitive solicitation will be required for all Technology Marketplace Transactions greater than a \$10,000 threshold, which may be revised during the term of this Agreement. Transactions shall not exceed \$2,500,000 unless otherwise authorized by the Purchaser – such limit may be revised during the term of this Agreement at the sole discretion of the City.

All terms and conditions in this Appendix A shall be incorporated into every Technology Marketplace Transaction PO.

Items that are substituted without approval may be returned at no cost to the City and the order cancelled.

- d. **Hours of Delivery** Unless requested otherwise by City in the Purchase Order, all deliveries shall be made and accepted at the City location indicated by the ordering department between the hours of 8:00 A.M. and 2:00 P.M.
- e. **Substitutions:** No substitutions will be allowed unless approved in advance in writing by City.
- f. **Emergency Deliveries:** Emergency deliveries shall be delivered by best means possible. Should the emergency delivery cause City to incur additional costs not contemplated by this Agreement, Contractor shall obtain City's prior approval. Contractor shall notify City of the estimated time of delivery.
- g. **Complete Orders:** Orders must be delivered in total, unless a prior written authorization for partial shipment has been received from the ordering department.
- h. **Back Orders:** Contractor shall notify the ordering department immediately if it is unable to deliver the items and/or quantity ordered. Contractor must notify and obtain approval from the ordering department prior to delivery of any back-ordered items. Department may reject back-ordered items at no additional costs incurred to the City. If back-ordered items are delayed in excess of five (5) business days, City may reject partial shipment or cancel the item(s) at no additional cost to the City.
- i. **Packing Slips for Goods:** All deliveries must include a packing slip and provide the following information:

- c. **With respect to Services,** a detailed list of Services performed, Deliverables met, the Department name and contact person and, where applicable, timesheets signed by the Department authorizing payment for the Services, must be included with each invoice.

4. Change Orders.

- a. **"Change Order"** means a written instrument signed by City that modifies the applicable Term Sheet and the Agreement through an adjustment to one or more of the following: (i) the project schedule, (ii) the scope of work, (iii) the acceptance criteria, or (iv) other requirements specified in the applicable Term Sheet and the Agreement.

- b. **City Proposed Change Order.** The City may at any time, by written order, and without notice to Contractor's sureties, submit a Change Order to Contractor. Within ten (10) working days of receiving a proposed Change Order, Contractor shall submit to City a written cost estimate, which shall include any adjustments to the project price, the project schedule, the scope of work, the acceptance criteria, or any other obligations of Contractor as applicable.

5. Cancellations of Purchase Orders

- a. **Before Delivery of Goods or Performance of Services.** City may, without incurring any fees, penalties or other costs, cancel any PO for Goods and/or Services, other than POs of customized Goods, prior to scheduled delivery of a Good or, with respect to the performance of Services, any time prior to the performance of the Services. With respect to customized Goods, City may terminate the PO at any time but shall compensate Contractor for reasonable expenses incurred by Contractor in the performance of fulfilling the PO between the dates of issuance and cancellation.
- b. **For Convenience.** City shall have the option, in its sole discretion, to terminate any PO, at any time during the term thereof, for City's convenience and without cause by giving Contractor written notice of such termination. In the event of such termination, Contractor will be paid for the Goods delivered and Services performed pursuant to the PO to the satisfaction of the City up to the date of termination. City will not be liable for costs incurred by Contractor after receipt of notice of termination. Such non-recoverable costs include, but are not limited to, anticipated profits on the PO, post-termination employee salaries, post-termination administrative expenses, or any other cost that is not authorized or reasonable.
- c. **For Cause.** If Contractor fails to perform any of its obligations under a PO, City may terminate the PO and all of Contractor's rights thereunder. Termination will be effective after ten (10) days written notice to Contractor. If a PO is terminated for cause, City will pay Contractor for Goods delivered and/or services performed to the satisfaction of the City up to the date of termination. City may offset from any such amounts due Contractor any costs City has or will incur due to Contractor's non-performance. Any such offset by City will not constitute waiver of any other remedies City may have against Contractor for financial injury or otherwise under this Agreement or the PO.

6. Title and Warranties

- a. **Warranties.** Contractors shall transfer all warranties offered by manufacturers to the City on all Goods within forty-eight (48) hours (excluding weekends) of delivery to City. The Contractor must also offer any additional warranty services offered by a manufacturer for purchase.

2. If after forty-eight (48) hours the City cannot obtain service under the manufacturer's warranty, because title has not been properly passed to the City by the Contractor or the Contractor has not properly recorded ownership, the City shall immediately notify the Contractor. Contractor will have twenty-four (24) hours to record title of the Good properly, repair the Good, or replace the non-working Good with a comparable working product.
- c. **Liquidated Damages.** The timely transfer to City of manufacturer warranties and title to licenses procured through a PO is a material term of this Agreement. Contractor acknowledges that City, in its sole discretion, may include a liquidated damages provision in any PO to compensate City for actual damages that will be impractical or extremely difficult to determine. Contractor agrees that any such liquidated damages clause is not a penalty, but a reasonable estimate of the loss that City will incur based on the delay, established in light of the circumstances existing at the time the PO was issued. City may deduct a sum representing the liquidated damages from any money due to Contractor under this Agreement or any other contract between City and Contractor.

7. No Automatic Renewal. To the extent a Purchase Order issued under this Agreement involves the maintenance of equipment, and notwithstanding anything to the contrary contained in this Agreement or the Purchase Order (including, without limitation, any terms and conditions of Contractor attached hereto): (a) in no event shall the term of the Purchase Order be longer than the initial term expressly stated in the Purchase Order; (b) any automatic renewal or extension (whether or not conditioned upon any notice or absence thereof from either Party) or any similar "evergreen" provision shall be deemed null and void ab initio; and (c) the term of the Purchase Order shall not be extended or renewed except by written agreement duly authorized, executed, and delivered by City. In the event of any inconsistency within this Agreement or the Purchase Order relating to the duration of the initial term hereof, the shorter initial term shall govern. - 2. Prohibited Goods and Minimum Specifications.** From time to time, the City reserves the right to prohibit Contractor from selling to the City certain products, and to prohibit user Departments from purchasing the same. The City may also set minimum specifications for performance or energy efficiency that may be updated from time to time. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If an individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA, or its agents or subcontractors [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

k. Governmental Access to Records. BA shall make its internal practices, books, and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. Section 164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

l. Minimum Necessary. BA, and its agents and subcontractors shall request, use, and disclose only the minimum amount of Protected Information necessary to accomplish the intended purpose of such use, disclosure, or request. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to what

constitutes “minimum necessary” to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.

m. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA, or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies, and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

o. Breach Pattern or Practice by Business Associate’s Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations, or other security or privacy laws;

or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations, or other security or privacy laws is made in any administrative or civil proceeding in which the Party has been joined.

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA, and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI. Per the Secretary's guidance, the City will accept destruction of electronic PHI in accordance with the standards enumerated in the NIST SP 800-88, Guidelines for Media Sanitization. The City will accept destruction of PHI contained in paper records by shredding, burning, pulping, or pulverizing the records so that the PHI is rendered unreadable, indecipherable, and otherwise cannot be reconstructed.

a. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access, or disclosure of Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

b. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The Parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The Parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations, and other applicable state or federal laws relating to the security or confidentiality of PHI. The Parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either Party, the other Party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations, or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section, or (ii) BA does not enter

into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use, or disclosure of PHI by BA, or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine, penalties, or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties, or damages.
