Subject:	RE: Board File No. 231162 - Accept and Expend Grant and Amend the Annual Salary Ordinance - Retroactive - Board of State and Community Corrections - Organized Retail Theft Prevention Grant Program - $15,326,301
Date:	Monday, December 11, 2023 9:51:49 PM

The Department is requesting retroactive approval for the ordinance to allow for currently planned retail theft blitz operations during the holiday shopping period to be charged to the grant once the ordinance is fully adopted. The grant performance period starts October 1, 2023 and the earliest adoption date of the ordinance will be early January. This will allow eligible overtime costs from the blitz operations to be retroactively billed as grant activities. If retroactive approval is not granted, then the grant activities during this period will not be able to be billed, and only prospective activities after passage of the ordinance can be billed.

Good morning,

The following item was heard at the Budget & Finance Committee on December 6, 2023, and forwarded to the full Board for December 12, 2023:

- **File No. 231162** - Accept and Expend Grant and Amend the Annual Salary Ordinance - Retroactive - Board of State and Community Corrections - Organized Retail Theft Prevention Grant Program - $15,326,301

The legislation authorizes “retroactive” approval. Due to the full Board’s concerns regarding “retroactive” approvals, please make sure you – or a department representative - will be in attendance to answer any questions or concerns when the full Board considers these matters.

If you would like to include additional written explanation regarding the “retroactive” approval to the full Board of Supervisors, please forward to me and I will disseminate to the Members and

include in the legislative file.

Thank you for your continued collaboration on the legislative process.
