LEGISLATIVE DIGEST

[Planning Code, Zoning Map - 68 Nantucket Avenue]

Ordinance amending the Zoning Map of the Planning Code to rezone Assessor's Parcel Block No. 3144B, Lot Nos. 027A and 036A, known as 68 Nantucket Avenue, from Public (P) District to Residential-House, One Family (RH-1) District; and affirming the Planning Department's determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and making public necessity, convenience, and general welfare findings under Planning Code, Section 302.

Existing Law

The Planning Code and Zoning Map regulate development in the City, and provide use restrictions and various other controls. Planning Code Section 211 establishes the Public Use District, which applies to land that is owned by a governmental agency and in some form of public use. Section 209.1 establishes five classes of residential Use Districts, including the Residential-House, One Family (RH-1) Districts. These RH-1 Districts are occupied mainly by single-family houses without side yards. The Zoning Map sets forth the boundaries of these Use Districts.

Amendments to Current Law

The ordinance would amend Zoning Use District Map ZN11 to rezone Assessor's Block 3144B, lots 027A and 036A, from P (Public) to Residential-House, One Family (RH-1).

EXECUTIVE SUMMARY
ZONING MAP AMENDMENT INITIATION

HEARING DATE: September 28, 2023

Project Name:	68 NANTUCKET AVENUE
Case Number:	2018-008802MAP [Board File No. TBD]
Staff Contact:	Gabriela Pantoja Gabriela.Pantoja@sfgov.org, 628-652-7380
Reviewed by:	Sylvia Jimenez, Principal Planner sylvia.jimenez@sfgov.org, 628-652-7348
Recommendation:	Initiate and Consider Adoption on or after November 2, 2023

The action before this Commission is initiation of the code amendments described below. Initiation does not involve a decision on the substance of the amendments; it merely begins the required 20-day notice period, after which the Commission may hold a hearing and take action on the proposed Code amendments.

Planning Code Amendment

The proposed Ordinance would amend Sectional Map ZN11 of the Zoning Map to rezone Assessor's Block 3144B, Lots 027A and 036A, known as 68 Nantucket Avenue, from Public (P) to Residential-House, One-Family (RH-1) Zoning District.

The Way It Is Now:

Assessor's Block 3144B, Lots 027A and 036A, known as 68 Nantucket Avenue are currently designated as a Public (P) Zoning District. The subject parcels were formerly owned by Bay Area Rapid Transit (BART).

The Way It Would Be:

Assessor's Block 3144B, Lots 027A and 036A, known as 68 Nantucket Avenue will be rezoned to Residential-House, One-Family (RH-1) Zoning District. The subject parcels are currently privately-owned.

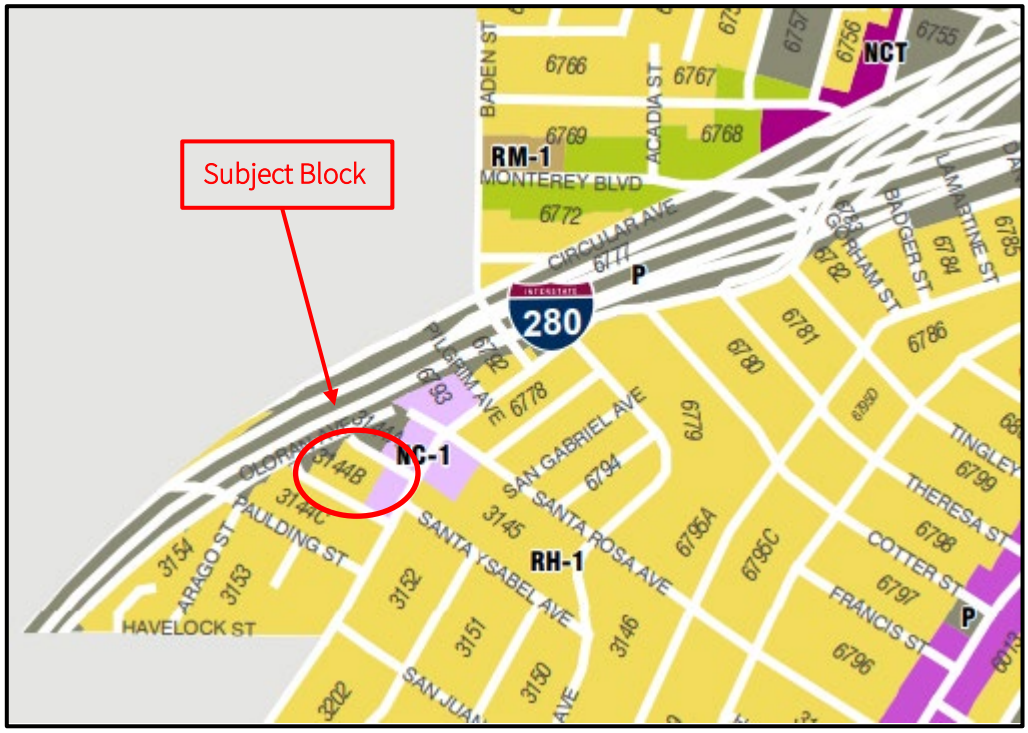
Background

Until 2017, the subject parcels were formerly owned by Bay Area Rapid Transit (BART). In 1969, BART purchased the subject parcels in addition to a number of other parcels across San Francisco for the development of its rapid transit system. The subject parcels abut the system's exterior rail line from Glen Park Station to Balboa Park Station and are currently undeveloped.

Issues and Considerations

- Surrounding Neighborhood.

  The subject parcels are located within the Public (P) Zoning District, 40-X Height and Bulk District, and within the Outer Mission neighborhood, adjacent to the Bernal Heights and Glen Park neighborhoods. The immediate neighborhood's context is predominantly residential in character with two- to three-story residential developments. Immediately adjacent zoning districts include RH-1 (Residential-House, One-Family) and P (Public) Zoning Districts.



- The proposed ordinance will expand housing opportunities for local residents and their families while strengthening neighborhood vitality and will advance the City's implementation of the Housing Element. In particular, Policy 20 which states "increase mid-rise and small multi-family housing types by adopting zoning changes or density bonus programs in Well-resourced Neighborhoods near transit, including along SFMTA Rapid Network and other transit, and throughout lower-density areas, by adopting zoning changes or density bonus programs." Additionally, the proposed ordinance will expand small and mid-rise multi-family housing production to serve our workforce, prioritizing middle-income households (Housing

Element, Objective 4.B) and connect people to jobs and their neighborhood with numerous, equitable, and healthy transportation and mobility options (Housing Element, Objective 5.A).

Recommendation

The Department recommends that the Commission recommend approval of the resolution to initiate the Planning Code amendments for consideration on or after November 2, 2023.

Basis for Recommendation

The Department recommends that the Commission initiate the proposed ordinance because it will help advance the City's implementation of the Housing element by expanding the RH-1 Zoning District into undeveloped lots with the potential to increase the City's housing stock. Additionally, the subject parcels at 68 Nantucket Avenue are no longer under the ownership of a public entity, BART, or for the public benefit.

Required Commission Action

The proposed Ordinance is before the Commission so that it may initiate the proposed Ordinance and schedule a time for the Ordinance to be heard for adoption.

Environmental Review

The proposal to amend the Planning Code is anticipated to result in no physical impact on the environment. Evaluation under CEQA will be complete prior to the adoption hearing.

Public Comment

As of the date of this report, the Planning Department has received one e-mail inquiring into the proposed rezoning. The Department has not received any public comment in opposition nor support of the proposed Ordinance.

RECOMMENDATION: Initiate and Consider Adoption on or after November 2, 2023

WHEREAS, the Planning Commission has reviewed the proposed Ordinance; and

MOVED, that the Planning Commission hereby approves the proposed ordinance.

Findings

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

The proposed Ordinance will help advance the City's implementation of the Housing Element by expanding the RH-1 Zoning District into undeveloped lots with the potential to increase the City's housing stock.

General Plan Compliance

The proposed Ordinance is consistent with the following Objectives and Policies of the General Plan:

HOUSING ELEMENT

OBJECTIVE 3.B
CREATE A SENSE OF BELONGING FOR ALL COMMUNITIES OF COLOR WITHIN WELL-RESOURCED NEIGHBORHOODS THROUGH EXPANDED HOUSING CHOICE.

POLICY 19
Enable low and moderate-income households, particularly American Indian, Black, and other people of color, to live and prosper in Well-resourced Neighborhoods by increasing the number of permanently affordable housing units in those neighborhoods.

POLICY 20
Increase mid-rise and small multi-family housing types by adopting zoning changes or density bonus programs in Well-resourced Neighborhoods and adjacent lower-density areas near transit, including along SFMTA Rapid Network and other transit.

OBJECTIVE 4.B
EXPAND SMALL AND MID-RISE MULTI-FAMILY HOUSING PRODUCTION TO SERVE OUR WORKFORCE, PRIORITIZING MIDDLE-INCOME HOUSEHOLDS

POLICY 31

Facilitate small and mid-rise multi-family buildings that private development can deliver to serve middle-income households without deed restriction, including through adding units in lower density areas or by adding Accessory Dwelling Units (ADUs).

OBJECTIVE 5.A

CONNECT PEOPLE TO JOBS AND THEIR NEIGHBORHOOD WITH NUMEROUS, EQUITABLE, AND HEALTHY TRANSPORTATION AND MOBILITY OPTIONS

POLICY 38

Ensure transportation investments create equitable access to transit and are planned in parallel with increase in housing capacity to advance well-connected neighborhoods consistent with the City's Connect SF vision and encourage sustainable trips in new housing.

The proposed Ordinance will rezone two existing lots from Public (P) to Residential, One-Family (RH-1) Zoning District within close proximity to public transportation. The subject lots are less than two blocks from the J-MUNI line and less than one mile from the Balboa BART station. The proposed Ordinance will also facilitate small scale residential development that is both compatible with the neighborhood and accessible to all existing and future residents. At minimum, the opportunity for one additional housing unit will be created by the proposed Ordinance. As lots zoned within the RH-1 Zoning District, additional local and state programs will become available that may result in more than one dwelling unit including the Accessory Dwelling Unit program and Senate Bill 9.

Planning Code Section 101 Findings

The proposed amendments to the Planning Code are consistent with the eight Priority Policies set forth in Section 101.1(b) of the Planning Code in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

   The proposed Ordinance will not have a negative effect on neighborhood serving retail uses and will not have a negative effect on opportunities for resident employment in and ownership of neighborhood-serving retail.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

   The proposed Ordinance would not have a negative effect on housing or neighborhood character.

3. That the City's supply of affordable housing be preserved and enhanced;

   The proposed Ordinance would not have an adverse effect on the City's supply of affordable housing. The subject lots are undeveloped.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The proposed Ordinance would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

   The proposed Ordinance would not cause displacement of the industrial or service sectors due to office development, and future opportunities for resident employment or ownership in these sectors would not be impaired.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

   The proposed Ordinance would not have an adverse effect on City's preparedness against injury and loss of life in an earthquake.

7. That the landmarks and historic buildings be preserved;

   The proposed Ordinance would not have an adverse effect on the City's Landmarks and historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

   The proposed Ordinance would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.

Planning Code Section 302 Findings.

The Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the proposed amendments to the Planning Code as set forth in Section 302.

NOW THEREFORE BE IT RESOLVED that the Commission hereby APPROVES the proposed Ordinance as described in this Resolution.
