Description (include: descriptive information such as on-site resident or community amenities, climate adaptive features, and resources in the immediate vicinity)

The Turk Street site is a 0.433-acre parcel under ownership of the California Employment Development Department (EDD). The site currently serves as a parking lot for EDD staff. The Project is designed as 92-units consisting of 28 studios, 16 one-bedrooms, 21 two-bedrooms and 27 three-bedrooms targeted to families and individuals making between 30-60% AMI. In addition to the apartment units, the project provides extensive common space as well as office space for Property Managers and Resident Services providers. Common areas are located on the ground, second and eighth floors of the building and include laundry space, community room and kitchen, secured bike room, and outdoor spaces which include a play structure.

Onsite services will be provided by MidPen Resident Services and will focus on services important to the target population, such as service coordination, adult education classes and afterschool programs. Residents will be provided transit passes for the first 3 years of operations as well as City Fiber internet free of charge. Additionally the project's location in the Civic Center/Hayes Valley neighborhood of San Francisco is ideal for walkability and bikeability. An abundance of amenities are available within .5 miles of the site.

The project aims to be cost-effective and sustainable. In addition to achieving GreenPoint Rated Platinum, the development maximizes PV on the infill site to offset the common load and incorporates a cictory to continue reinvector for engits irrigation.

V1 1/30/23

The narrative-based policy scoring section of the application will be scored only for projects that meet threshold requirements listed in Section 106.

For Narrative-Based Policy Scoring, applicants must provide responses to the questions and prompts outlined in the Narrative Prompts document. Please reference the Narrative Prompts document and rubric at the SGC AHSC Program Website for instructions, the specific questions to answer, and necessary application materials.

	3	3 11	
File Name	Narrative	Provide a response to each prompt as outlined in the <u>Narrative Prompts document.</u> The responses must be uploaded as a PDF and must follow the stated word counts. See Narrative Scoring Rubric document for guidance in completing Narratives.	Yes

The following is a summary of each section:

(a) Community Benefits & Engagement §107(a) - 6 Points Maximum

Community involvement and leadership are crucial to ensuring that both the principal objectives and co-benefits of the project respond to the true needs of the community. Taken together, the responses to the prompts will explain how local residents and community-based organizations were meaningfully engaged in developing the Project, especially those from Disadvantaged and Low-income Communities, and how the project addresses community-identified needs and promotes community health and well-being. The prompts will ask applicants to address two main components: (1) Community Engagement and Leadership and (2) how the AHSC Project addresses community needs.

File Name	Community Tracker	Provide a completed AHSC Round 7 Community Engagement Tracker.	Uploaded to HCD?	Yes
File Name	Community ineeds	Letter of support from local community-based, grassroots organization describing the community engagement process and how feedback from local residents was incorporated into the Project.	Uploaded to HCD?	Yes

(b) Climate Adaptation & Community Resiliency §107(b) - 5 Points Maximum

Communities will continue to experience effects of climate change in many ways, including increased likelihood of droughts, flooding, heatwaves, sea level rise, severe weather, and wildfires. Due to these effects, climate resiliency is a key part of planning and project implementation. The prompts will ask applicants to address how the risks posed from climate change and other environmental exposures will be reduced by strategies listed in the Climate Adaptation Assessment Matrix. The prompts will also ask how the Project will reduce the health risks of climate change and other environmental exposures including extreme heat, wildfires and smoke, air pollution from vehicle emissions, and more. Under this section applicants will fill out the Climate Adaptation Assessment Matrix.

Note: If available, use localized climate impact projections.

For tools to help assess general climate impacts, please visit Cal-Adapt's Local Climate Snapshot tool.

(c) Collaboration & Planning §107(c) - 4 Points Maximum

Collaboration between local governments and housing and transportation providers is critical to create a project that ensures connectivity and responds to the day to day needs of the community. Taken together, the responses to the prompts of this section should outline how the proposed project brings together the efforts of local government, including housing and transportation agencies to achieve projects that improve efforts related to climate adaptation, health, housing, mobility, and safety. The prompts will ask applicants to address two components of this: (1) Local Planning Efforts and (2) Housing and Transportation Collaboration.

File Name	Site Plan	Provide the most current site plan.	Uploaded to HCD?	Yes
File Name		Optional : Submit supporting documentation to demonstrate future engagement with either a CBO or residents (i.e. any engagement plans, agreements, etc.). Can be included as part of the Community Needs upload if it is the same CBO.	Uploaded to HCD?	N/A

(d) Equity & Transformation §107(d) – 3 Points Maximum

As stated in the AHSC Program Overview, SGC is committed to achieving racial equity in its operations, investments, and policy initiatives and to achieving its vision that: All people in California live in healthy, thriving, and resilient communities regardless of race (read more in the SGC Racial Equity Action Plan). The AHSC Program encourages a holistic approach to community development and broader investments in neighborhoods. Under this section, the prompts will ask applicants to describe how the Project: 1) advances equity and 2) is either piloting new or innovative approaches or policies, leveraging existing resources in a new way, or shaping future projects in the nearby communities.

Dear Shwetha Subramanian and Sara Amaral:

RE: Conditional Award Commitment and Acceptance of Terms and Conditions Affordable Housing and Sustainable Communities (AHSC) Fiscal Year 2022/2023, Round 7
MidPen Housing Corporation and City and County of San Francisco – 850 Turk Street
Contract No. 23-AHSC-17947 and 23-AHSC-17948

The California Department of Housing and Community Development ("**Department**") issued a Notice of Funding Availability on January 30, 2023, and subsequently amended on March 15, 2023, (the "**Affordable Housing and Sustainable Communities NOFA**"). The Department is now pleased to inform you of this conditional award to MidPen Housing Corporation and the City and County of San Francisco ("**Awardees**"). This conditional award is a loan and grant in the amount of \$31,971,048 (the "**Conditional Award**") for the above-referenced project (the "**Project**") and includes the following:

AHSC Program Award Components	Award Amount	Contract Number
AHSC Program Loan Award	\$22,000,000	23-AHSC-17947
AHSC Program Grant Award	\$9,971,048	23-AHSC-17948

The Conditional Award is based on and subject to the Applicant Representations and the Terms and Conditions of Conditional Award, both as further specified and described in this notice of the Conditional Award (the "Conditional Award Commitment"). This Conditional Award may only be accepted by timely delivery of a fully executed Acceptance of Terms and Conditions of Conditional Award form to the Department (an execution copy of this form is enclosed herein).

I. Applicant Representations - Basis of Conditional Award

In response to the Affordable Housing and Sustainable Communities NOFA, the Awardee(s) submitted an application for financing of the Project (that application, and all communications and documentation submitted to the Department in support thereof, the "Application").

The Department is making this Conditional Award to the Awardees on the basis of, and in reliance upon, the representations, warranties, projections, and descriptions that the Awardees submitted as part of the Application (the "Applicant Representations").

The Department may rescind this Conditional Award if the Department discovers, at any time prior to disbursement of the Conditional Award, that the Applicant Representations included material misrepresentations or omissions, regardless of whether or not such misrepresentations or omissions were innocent, unintentional, and/or based upon belief.

II. Terms and Conditions of Conditional Award

The Department may rescind this Conditional Award if any of the terms and conditions enumerated in this Section II (the "**Terms and Conditions of Conditional Award**") are not timely satisfied. TIME IS OF THE ESSENCE IN THE SATISFACTION OF THESE TERMS AND CONDITIONS OF CONDITIONAL AWARD

The Terms and Conditions of Conditional Award and their corresponding timelines are described below. All timelines shall be calculated in calendar days. Any deadline falling on a weekend or State of California holiday shall be extended to the next business day.

If the Terms and Conditions of this Conditional Award <u>are</u> timely satisfied, the Department will (i) promptly provide a written notification to the Awardees via electronic mail; and (ii) circulate an execution copy of an STD 213, Standard Agreement for all appropriate signatures and approvals in accordance with the timeline specified at Section III of this Conditional Award Commitment.

1. Timely Execution of Acceptance of Terms and Conditions of Conditional Award Form:

The Awardees shall execute and deliver a copy of the enclosed Acceptance of Terms and Conditions of Conditional Award to the Department within ten (10) calendar days of the date upon this Conditional Award Commitment. The Department will deem this condition to be unsatisfied if it receives an executed Acceptance of Terms and Conditions of Conditional Award that has been substantively modified, altered, or amended in any way. The signed Acceptance of Terms and Conditions of Conditional Award form must be submitted to AHSC@hcd.ca.gov.

2. Timely Delivery of Authorization and Organizational Documents:

The Awardee(s) shall deliver to the Department, within sixty (60) calendar days of the date upon this Conditional Award Commitment, a legally sufficient set of Authorization and Organizational Documents, as further described and specified below. Specifically, the Awardee(s) shall deliver a duly adopted authorizing

resolution, as well as a complete and duly filed or adopted set of organizational documents and all amendments (the "Authorization and Organizational Documents"), for each of the following entities as applicable: each Awardee entity; the ultimate borrower of the Conditional Award funds (the "Borrower"); and each separate legal entity that is part of the Awardee's or Borrower's organizational structure. Each entity's resolution must constitute, to the Department's reasonable satisfaction, an unconditional, duly adopted, and legally binding authorization of the entity to accept the total amount of these Conditional Award funds, to fully participate in the relevant Department program, and to be legally bound by the requirements of the Department program. The Department may agree to an extension of fifteen (15) calendar days based on the Awardee's demonstration of necessity.

Note: Local Public Entities, as defined in the Affordable Housing and Sustainable Communities Program Round 7 Program Guidelines, are not required to submit a complete and duly filed or adopted set of organizational documents and amendments. Both the Conditional Award and this Conditional Award Commitment are subject to Health and Safety Code section 50406, subdivision (p), as subsequently amended ("AB 1010").

The Department has posted resolution templates on its website as informational guidance. Please note that use of the resolution templates is not compulsory. However, use of the provided templates will assist in the timely review and approval of the Standard Agreement. While entities may choose to use modified language in their resolutions, Sponsors should be aware that this may delay preparation of the Standard Agreement or, if deemed insufficient, may result in the need to submit a revised resolution.

At any point prior to disbursement, the Department may also require the Awardees to resubmit Authorization and Organizational Documents if the original submittals were determined to be inaccurate or incomplete.

III. Delivery of Standard Agreement

In an effort to be responsive to each Awardee's closing needs and to ensure timely commitment of funds, the Department commits to delivering an execution copy of the Standard Agreement relative to this Conditional Award within ninety (90) calendar days of receiving all required documents, including all legally sufficient Authorization and Organizational Documents, in connection with this Project and as applicable.

IV. <u>Deadline to Secure Permanent Financing</u>

Please note that the Awardees must secure all permanent financing, including tax credits and bond allocations, within 24 months of the date of the first Department funding award to the Project, consistent with the Department's Disencumbrance Policy (Administrative Notice Number 2022-02: Disencumbrance Policy). Sponsors must demonstrate that all permanent financing is in place allowing the project to commence construction. Failure to meet this requirement shall result in the withdrawal or recapture of this Conditional Award and any other prior or subsequent funds awarded to the Project.

Congratulations on your successful Application. For further information, please contact Alisha Senter, AHSC Manager, Program Design and Implementation Branch, at (916) 776-7588 or Alisha.Senter@hcd.ca.gov.

Sincerely,

Jennifer Seeger Deputy Director

Affordable Housing Development (AHD); Housing-Related Infrastructure (HRI); Sustainable Transportation Infrastructure (STI); Transportation-Related Amenities (TRA); and Program (PGM)

The Application's point score was based, in part, on the Project's total projected reduction of greenhouse gas (GHG) emissions. The Project components (AHD, HRI, STI, TRA, and PGM) that were proposed in the Application and approved by the Department must be completed in order to achieve this projected reduction of GHG emissions.

Round 7 - Grant

- B. By executing this Agreement, the Recipient acknowledges and agrees, that in the event the AHD component is not timely completed pursuant to Program requirements, that the Recipient will no longer qualify for the Grant award. In that event, all disbursements of Grant funds will cease, and the Recipients will be responsible for repayment of all disbursed Grant funds.
- C. The Department recognizes that the Recipient may enter into a separate side agreement to address each individual Recipient entity's responsibilities with respect to each other and with regard to the Program Grant funds and Program Loan Funds; provided, however, in no event shall any such agreement alter or amend the respective obligations of the Recipients to the Department under the applicable Grant Documents or Program Loan Documents, including the joint and several nature thereof.

45. <u>Departmental Cross-Default Provision</u>

In the event the Project or Development is or has been awarded any other Departmental grant or loan funding in addition to the Program Loan and Program Grant contemplated by the Award Letter from the Department to Recipient (each such funding, including the Program Loan and Program Grant referenced in the Award Letter, being a "Departmental Funding"), then each Departmental Funding will be cross-defaulted to the other Departmental Funding so that:

- A. the compliance by the obligated party(ies) under the Department's documentation relating to one Departmental Funding shall be a condition precedent to the funding and disbursement of the funds to be provided under all of the other Departmental Fundings; and
- B. a default under one Departmental Funding shall constitute a default under all of the other Departmental Fundings.

The loan and grant documentation for each Departmental Funding shall reflect the cross-defaulted nature of all such fundings.

Document TitleTurk Street and Golden Gate Avenue Affordable Housing Project

Document Type NOE - Notice of Exemption

Received 4/8/2022

Posted 4/8/2022

Document Description California Governor Newsom directed the California Department of General Services

(DGS) to identify excess state properties as potential affordable housing development sites (Executive Order N-06-19). The proposed project would include demolition of the existing parking lots and development of two buildings providing affordable residential units. Overall, the project would consist of 295 residential units that are 100 percent affordable and permanently deed-restricted, and 105 surface park-

ing spaces to replace the displaced California Employment Development

Department (EDD) parking spaces on the ground floors of the buildings. The 8-story Turk Street building would consist of 105 residential units, open space, and common space. The 9-story Golden Gate Avenue building would consist of 190 residen-

tial units, open space, and common space.

Notice of Exemption

Exempt Status Categorical Exemption

Type, Section or Code Class 32; Section 15332 In-Fill Development

Reasons for Exemption DGS has determined that the project qualifies for Class 32 exemption because the

project is consistent with applicable objective general plan standards and criteria for multi-family residential development. It is an allowable land use in the City and County of San Francisco's land use and zoning designations and the project meets all criteria for Class 32; less than 5 acres, within City and County of San Francisco

limits, surrounded by urban uses, not in an area with value as habitat for

endangered, rare or threatened species, is adequately served by all required utilities and public services. DGS confirms that no exceptions apply which would preclude

the use of an exception for this project.
