16 Be it ordained by the People of the City and County of San Francisco:

17 Section 1. Findings. On September 10, 2023, at approximately 11:29 p.m., a San
18 Francisco Public Utilities Commission (SFPUC) 16" high pressure water main broke at the
19 intersection of Fillmore and Green Streets. Water flowed down Fillmore Street, flooded streets
20 and catch basins in the area, and damaged approximately 43 residential and commercial
21 properties (September 10th Incident). The purpose of this ordinance is to enable prompt
22 payment to those impacted by the September 10th Incident, by establishing an expedited
23 settlement procedure to facilitate the timely resolution of anticipated damages claims or
24 litigation directly resulting from the September 10th Incident.

1 Section 2. Upon investigation and evaluation of claims directly resulting from the
2 September 10th Incident by the City Attorney Bureau of Claims Investigation and
3 Administration (as provided under Charter Section 6.102(9)), the City Attorney, with the
4 approval of the SFPUC, is authorized to settle claims and related litigation for amounts less
5 than or equal to \$1,000,000 for each claim and for an aggregate total amount not-to-exceed
6 \$7,000,000, notwithstanding Administrative Code Sections 10.22, *et seq.*, which require Board
7 of Supervisors approval of each settlement of a litigated or unlitigated claim in excess of
8 \$25,000, and Charter Section 6.102(5), which requires Board of Supervisors approval for
9 settlements of litigation by ordinance upon recommendation of the City Attorney.

10 Section 3. The total amount authorized under this Ordinance may not exceed
11 \$7,000,000 for all such settlements; provided, however, that the Board of Supervisors may by
12 resolution increase the \$7,000,000 limit. In all cases, the Controller must first certify that
13 sufficient funds are available from the proper funds or appropriation to pay each claim as
14 compromised and settled. At least once every six months, the SFPUC and the City Attorney
15 shall submit periodic reports to the Board of Supervisors Government Audit and Oversight
16 Committee on the settlement of claims or litigation arising out of the September 10th Incident.

17 Section 4. Effective Date. This ordinance shall become effective 30 days after
18 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
19 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
20 of Supervisors overrides the Mayor's veto of the ordinance.
