To Whom It May Concern:

The Planning Department recommends approval for ABC Type-90 license in conjunction with principally permitted Nighttime Entertainment use (d.b.a Origin Boutique Nightclub) in the Fillmore Street Neighborhood Commercial Transit District per Planning Code Section 760. All Eating and Drinking uses are subject to the following operating conditions of Planning Code Section 202.2(a)(1):

1. The business operator shall maintain the main entrance to the building and all sidewalks abutting the subject property in a clean and sanitary condition in compliance with the Department of Public Works Street and Sidewalk Maintenance Standards. In addition, the operator shall be responsible for daily monitoring of the sidewalk within a one-block radius of the subject business to maintain the sidewalk free of paper or other litter associated with the business during business hours, in accordance with Article 1, Section 34 of the San Francisco Police Code.
2. When located within an enclosed space, the premises shall be adequately soundproofed or insulated for noise and operated so that incidental noise shall not be audible beyond the premises or in other sections of the building, and fixed-source equipment noise shall not exceed the decibel levels specified in the San Francisco Noise Control Ordinance.
3. While it is inevitable that some low level of odor may be detectable to nearby residents and passersby, appropriate odor control equipment shall be installed in conformance with the approved plans and maintained to prevent any significant noxious or offensive odors from escaping the premises.
4. Garbage, recycling, and compost containers shall be kept within the premises and hidden from public view and placed outside only when being serviced by the disposal company. Trash shall be contained and disposed of pursuant to garbage and recycling receptacles guidelines set forth by the Department of Public Works.

Re: Liquor License "PCN" Request
Original Type #90 - 655750

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's PSNS Subcommittee calendar for Public Convenience and Necessity review for our Type 90 ABC license.

Our business, Origin Boutique Nightclub, proves to be necessary in San Francisco, as an integral part of the live entertainment scene since 2014. We have been operating with the Dept. of ABC's Type 47 license for a restaurant in order to allow minors on site for our shows. This has added a lot of complexity to operations, and distracts from our main goal of amazing live entertainment.

With the new Type 90 Music Venue license now available, we would like to pursue this new license as it better conforms with our operations and allows us to cater to all ages without requiring us to operate as a restaurant.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of San Francisco.

Please include our ABC representative, Jemma Jorel Lester, on correspondence scheduling our hearing date. She can be reached via email at jemma@properpourco.com. Thank you for your kind consideration of this request.

Sincerely,

Lily Nguyen, Manager
