Dear Ms. Calvillo,

On December 12, 2023, Supervisor Peskin introduced proposed legislation regarding non-renewal of the Mills Act Historical Property Contracts for 988 Market Street and 2209 Webster Street in order to better achieve a balance between the benefits of the Mills Act and the costs to the City (see Board File Nos. 231281 and 231280). The Board of Supervisors Resolutions establish non-renewal for these Contracts at year 11 in 2033. On February 21, 2024, the Historic Preservation Commission conducted a duly noticed public hearing at a regularly scheduled meeting to consider the Non-Renewal of the Mills Act Historical Property Contracts for 988 Market Street and 2209 Webster Street. At the hearing, the Historic Preservation Commission recommended to approve the proposed Resolutions.

Recommendation: Recommend Non-Renewal of the Mills Act Historical Property Contracts to the Board of Supervisors

Timeline

At a public hearing on October 4, 2023, the Historic Preservation Commission recommended that the Board of Supervisors approve the Mills Act Historical Property Contracts (Contracts) for the buildings located at 988 Market Street and 2209 Webster Street per Resolution Nos. 1348 and 1349. At a public hearing on December 12, 2023, in Resolution Nos. 600-23 and 559-23, and after reviewing the Historic Preservation Commission's recommendation and the information provided by the Assessor Recorder's Office, the Board of Supervisors approved the Contracts for 988 Market Street and 2209 Webster Street. The Mayor approved the Contracts on December 19, 2023. The Contract for 988 Market Street was recorded at the Assessor Recorder's Office on December 22, 2023, and the Contract for 2209 Webster Street was recorded on December 21, 2023. These are the anniversary dates of the Contracts. The Contracts are binding on all successors and assignees, as are all Mills Act Contracts.

On December 12, 2023, Supervisor Peskin introduced proposed legislation regarding non-renewal of the aforementioned Contracts in order to better achieve a balance between the benefits of the Mills Act and the costs to the City. The proposed Board of Supervisors Resolutions establish non-renewal for the Mills Act Historical Property Contracts for 988 Market Street and 2209 Webster Street at year 11 in 2033.

Background

MILLS ACT

Enacted in 1972, the California Mills Act (Government Code Section 50280 et seq.) authorizes local jurisdictions such as San Francisco to enter into a Contract with the owners of a qualified historical property who agree to rehabilitate, restore, preserve, and maintain the property in return for property tax reductions under the California Revenue and Taxation Code. Chapter 71 of the Administrative Code was adopted to implement the Mills Act in San Francisco and to preserve these historic buildings. Property owners who participate in the program adhere to a schedule of maintenance repairs and upkeep on their historic property for the duration of the contract. In exchange, the property owner is entitled to an alternate evaluation of the property for tax purposes, which usually results in a reduced property tax bill.

Under the State Law and Chapter 71 of the San Francisco Administrative Code, a Mills Act Contract is a ten-year rolling contract. As such, one year is added automatically to the initial term of the Contract at the anniversary date of the Contract, unless notice of non-renewal is given. If a Contract is not renewed, scopes of work detailed in the Rehabilitation/Restoration and Maintenance plans must still be completed according to the schedule stated in each plan.

A Mills Act Historical Property Contract allows either the property owners or the City to not renew the Contract in advance of the annual renewal date. If the property owners desire not renew the Contract, they must serve written notice to the City at least ninety (90) days prior to the date of renewal. If the City desires not to renew the Contract, the City must serve written notice to the property owners sixty (60) days prior to the date of renewal. If written notice is not served prior to the renewal date, one year will be automatically added to the term of the Contract. The Board of Supervisors will make the City's determination that the Contract will not be renewed by either party.

Public/Neighborhood Input

The Department has not received any public feedback about the proposed non-renewals.

Environmental Review Status

The proposed actions are not a project under CEQA Guidelines Sections 15060(c) and 15378 because there would be no direct or indirect physical change in the environment as a result of the resolutions.

Basis for Recommendation

The Department recommends that the Commission adopt findings recommending to the Board of Supervisors non-renewal of the Mills Act Historical Property Contracts for 988 Market Street and 2209 Webster Street in 2033, in order to better achieve a balance between the benefits of the Mills Act and the costs to the City.
