Existing Law

The Planning Code regulates various uses as principally permitted, conditionally permitted, or not permitted. In certain commercial and residential districts, some commercial uses either are not permitted or require conditional use authorization (CUA).

Pursuant to existing law:

- In the Polk Street Neighborhood Commercial District, Nighttime Entertainment Uses are conditionally permitted on the ground floor and not permitted on the second or third floors.
- Limited commercial uses (LCUs) within one-quarter mile of and compliant with certain restricted use subdistricts are exempt from specified termination provisions for non-conforming uses if they comply with the use requirements in the listed subdistricts. The North Beach SUD is not one of the listed subdistricts.
- Retail Professional Services Uses are permitted on the ground floor in the North Beach Neighborhood Commercial District.
- Use Characteristics for LCUs are not specifically listed in the Planning Code Sections for Residential, House (RH) and Residential, Mixed (RM) Districts.

- Hours limitations for LCCUs in the RH and RM Districts are specified.
- For LCCUs in RTO Districts, the zoning controls do not specify locational requirements or use depth requirements.
- For LCCUs, allowable uses are those set forth in the NC-1 district and use sizes are limited to 1,200 or 2,500 square feet for specified residential districts.

Amendments to Current Law

This ordinance would make the following amendments to existing law:

- In the Polk Street Neighborhood Commercial District, Nighttime Entertainment Uses would be principally permitted on the ground floor and conditionally permitted on the second floor.
- LCUs within one-quarter mile of and compliant with the North Beach SUD would be exempt from specified non-conforming use termination provisions.
- Retail Professional Services Uses in the North Beach Neighborhood Commercial District would require conditional use authorization on the ground floor, except where prohibited by the North Beach Financial Service, Limited Financial Service, and Business or Professional Service Subdistrict.
- Use Characteristics for LCUs and LCCUs in RH and RM are specified to include: Formula Retail is not permitted; hours of operation are limited to 6 a.m. to 10 p.m.; outdoor activity areas (e.g., patios) are permitted if located in the front of the building and not permitted if located elsewhere.
- Clarify that, where conditionally permitted, Outdoor Activity Areas not at the front of the building must meet specified limitations.
- For LCCUs in RTO Districts, the use must be located on a corner lot and is limited to 50 feet of lot depth.
- For LCCUs within one-quarter mile of an NCD or SUD, allowable uses are those set forth in the NCD or SUD; if the use is farther from an NCD or SUD, the allowable uses are those set forth in in the NC-1 District.
- LCCU maximum use sizes are as follows:
 - In RH, RM-1, and RM-2 Districts within one-quarter mile of an NCD or SUD, use sizes are those allowed by the NCD or SUD, up to 1,200 square feet; if the use is farther from an NCD or SUD, the allowable use size is 1,200 square feet.
 - In RM-3 and RM-4 Districts within one-quarter mile of an NCD or SUD, use sizes are those allowed by the NCD or SUD, up to 2,500 square feet; if the use is farther from an NCD or SUD, the allowable use size is 2,500 square feet.
