(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably

possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents

and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section

12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

- (a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.
- (b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.
- (c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- (d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.
- (e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.
- (f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- (g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.
- (h) Tenant shall keep itself informed of the current requirements of the HCAO.

- (i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.
- (j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.
- (k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.
- (l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.
- (m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any

person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City’s other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco’s Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no “affordable” alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant’s employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant’s employees. In order to demonstrate compliance with the Airport’s labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport’s Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “Local Hiring Requirements”). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City’s Office of Economic Workforce and Development (“OEWD”) to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a “Covered Project”). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“Chapter 12K”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures,

and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE [COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 1 FOOD AND BEVERAGE CONCESSION LEASE 9, LEASE NO. 18-0216 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between SF Foodways, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On July 10, 2018, by Resolution No. 18-0216, the Commission awarded to Tenant the Terminal 1 Food and Beverage Concession Lease 9 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated September 9, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022, as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 2 years, 9 months (“COVID Extension Term”), and the new Expiration Date is August 30, 2033. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Street Pricing Program. The provisions of Section 3.6 [Prices] of the Lease are hereby deleted and replaced with the following:

“Tenant’s prices for food and beverages sold in the Premises under the Permitted Uses of this Lease shall be the same as or comparable to prices found in Tenant’s menu at Tenant’s other food and beverage facilities, or at such other locations determined by Director, and shall otherwise comply with the Airport’s Street Pricing Program (“Street Pricing Program”). The prices shall be deemed “comparable” if it is no more than 11% higher than the price for the comparable item at tenant’s off-Airport locations, or other locations as determined by Director. For purposes of the Street Pricing Program, if Tenant is a licensee of a restaurant concept, then the street pricing comparison shall be to the other restaurants with the same concept operated by the licensor or other licensees. Stadiums, entertainment venues, resorts, hotels, and any venue which has a captive audience may not be used for comparison. City shall have the right to audit Tenant’s compliance with the Street Pricing Program in the same manner as the audit of Tenant operations pursuant to this Lease. Tenant acknowledges and agrees that City may amend or modify the Airport’s Street Pricing Program from time to time by issuance of an Airport Operations Bulletin or an amendment to the Airport Rules, and any such amendment or modification shall control over this Section of this Lease.”

5. Employee Benefit Surcharges Excluded from Gross Rent. For the avoidance of doubt, surcharges imposed by Tenant under the EBS Policy authorized by Airport Commission Resolution No. 22-0168 for Tenants meeting certain criteria, shall not be included in the calculation of Gross Revenues and therefore are not subject to the Percentage Rent calculation under the Lease.

6. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San

Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

7. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are

tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by the City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will the City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the

Civil Rights Act of 1964) (collectively, the “Acts and Regulations”), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: “The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from

participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-

discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably

possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents

and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section

12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

- (a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.
- (b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.
- (c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- (d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.
- (e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.
- (f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- (g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.
- (h) Tenant shall keep itself informed of the current requirements of the HCAO.

- (i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.
- (j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.
- (k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.
- (l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.
- (m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any

person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City’s other rights and remedies under this Lease, the City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco’s Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no “affordable” alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant’s employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant’s employees. In order to demonstrate compliance with the Airport’s labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport’s Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “Local Hiring Requirements”). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City’s Office of Economic Workforce and Development (“OEWD”) to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a “Covered Project”). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“Chapter 12K”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures,

and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 1 FOOD AND BEVERAGE CONCESSION LEASE 8, LEASE NO. 18-0217 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Host International, Inc. (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On July 10, 2018, by Resolution No. 18-0217, the Commission awarded to Tenant the Terminal 1 Food and Beverage Concession Lease 8, (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated April 12, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022, as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 2 years, 1 month (“COVID Extension Term”), and the new Expiration Date is August 31, 2033. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Street Pricing Program. The provisions of Section 3.6 [Prices] of the Lease are hereby deleted and replaced with the following:

“Tenant’s prices for food and beverages sold in the Premises under the Permitted Uses of this Lease shall be the same as or comparable to prices found in Tenant’s menu at Tenant’s other food and beverage facilities, or at such other locations determined by Director, and shall otherwise comply with the Airport’s Street Pricing Program (“Street Pricing Program”). The prices shall be deemed “comparable” if it is no more than 11% higher than the price for the comparable item at tenant’s off-Airport locations, or other locations as determined by Director. For purposes of the Street Pricing Program, if Tenant is a licensee of a restaurant concept, then the street pricing comparison shall be to the other restaurants with the same concept operated by the licensor or other licensees. Stadiums, entertainment venues, resorts, hotels, and any venue which has a captive audience may not be used for comparison. City shall have the right to audit Tenant’s compliance with the Street Pricing Program in the same manner as the audit of Tenant operations pursuant to this Lease. Tenant acknowledges and agrees that City may amend or modify the Airport’s Street Pricing Program from time to time by issuance of an Airport Operations Bulletin or an amendment to the Airport Rules, and any such amendment or modification shall control over this Section of this Lease.”

5. Employee Benefit Surcharges Excluded from Gross Rent. For the avoidance of doubt, surcharges imposed by Tenant under the EBS Policy authorized by Airport Commission Resolution No. 22-0168 for Tenants meeting certain criteria, shall not be included in the calculation of Gross Revenues and therefore are not subject to the Percentage Rent calculation under the Lease.

6. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San

Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

7. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are

tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by the City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will the City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the

Civil Rights Act of 1964) (collectively, the “Acts and Regulations”), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: “The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from

participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-

discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;

- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably

possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents

and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section

12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

- (a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.
- (b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.
- (c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- (d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.
- (e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.
- (f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- (g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.
- (h) Tenant shall keep itself informed of the current requirements of the HCAO.

- (i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.
- (j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.
- (k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.
- (l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.
- (m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any

person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City’s other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco’s Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no “affordable” alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant’s employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant’s employees. In order to demonstrate compliance with the Airport’s labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport’s Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “Local Hiring Requirements”). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City’s Office of Economic Workforce and Development (“OEWD”) to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a “Covered Project”). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“Chapter 12K”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures,

and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO INTERNATIONAL TERMINAL BOARDING AREA A ELECTRONICS STORE LEASE NO. 18-0231 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between InMotion SFO-IT, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On August 7, 2018, by Resolution No. 18-0231, the Commission awarded to Tenant the International Terminal Boarding Area A Electronics Store Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 11, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 3 years, 6 months (“COVID Extension Term”), and the new Expiration Date is June 30, 2033. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the

California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant’s net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport’s Quality Control Department. Nothing in this Lease shall limit Tenant’s obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting

that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City

will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;

- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with

members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in

the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It

is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the

MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor

through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to

or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance

also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the

extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 3 BOARDING AREAS E AND F ELECTRONICS STORES LEASE NO. 18-0232 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between InMotion SFO-T3, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On August 7, 2018, by Resolution No. 18-0232, the Commission awarded to Tenant the Terminal 3 Boarding Areas E and F Electronics Stores Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 11, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 2 years, 11 months (“COVID Extension Term”), and the new Expiration Date is August 31, 2033; this new Expiration Date applies to InMotion Entertainment located in Terminal 3 Boarding Area E. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday

work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant’s net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport’s Quality Control Department. Nothing in this Lease shall limit Tenant’s obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the

foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this

Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;

- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with

members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in

the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It

is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the

MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor

through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to

or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance

also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the

extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 3 BOARDING AREA E RETAIL SPECIALTY STORE LEASE NO. 18-0233 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Air Sun JV dba Sunglass Hut (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On August 7, 2018, by Resolution No. 18-0233, the Commission awarded to Tenant the Terminal 3 Boarding Area E Retail Specialty Store Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 11, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 3 years, 6 months (“COVID Extension Term”), and the new Expiration Date is June 30, 2030. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the

California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting

that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City

will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;

- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with

members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in

the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It

is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the

MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor

through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to

or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance

also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the

extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 3 BOARDING AREA E CANDY KIOSK LEASE NO. 18-0284 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Canonica New York, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On September 4, 2018, by Resolution No. 18-0284, the Commission awarded to Tenant the Terminal 3 Boarding Area E Candy Kiosk Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 22, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. ____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 3 years, 6 months (“COVID Extension Term”), and the new Expiration Date is January 31, 2030. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor

employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant’s net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport’s Quality Control Department. Nothing in this Lease shall limit Tenant’s obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting

that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City

will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;

- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with

members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in

the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the “Labor Peace Card Check Rule”) and Model Form Labor Peace/Card Check Agreement (“Model Form Card Check Agreement”), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant’s compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It

is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the

MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor

through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to

or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance

also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the

extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE [COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 2 SUNGLASS STORE LEASE NO. 18-0345 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Air Sun JV dba Sunglass Hut (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On October 16, 2018, by Resolution No. 18-0345, the Commission awarded to Tenant the Terminal 2 Sunglass Store Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 11, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. ____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 3 years, 6 months (“COVID Extension Term”), and the new Expiration Date is June 30, 2030. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued."

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the "contractor" in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);

- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy

No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further

agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by

Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the “Labor Peace Card Check Rule”) and Model Form Labor Peace/Card Check Agreement (“Model Form Card Check Agreement”), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant’s compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant’s obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement

fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement

that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors'

compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign

contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made

from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in

furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 3 COFFEE AND QUICK SERVE CONCESSION LEASE NO. 18-0346 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Elevate Gourmet Brands, Inc. and Aimhigh ESG, LLC, a joint venture d.b.a. Elevate Gourmet Brands - SFO Group (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On October 16, 2018, by Resolution No. 18-0346, the Commission awarded to Tenant the Terminal 3 Coffee and Quick Serve Concession Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 9, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022, as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 3 years, 6 months (“COVID Extension Term”), only for the Green Beans Coffee location in Terminal 3. The second location under the Lease, SF Mac + Cheese Kitchen, is not eligible for the Covid Extension Term. The new Expiration Date for Green Beans Coffee in Terminal 3 is September 30, 2031. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Street Pricing Program. The provisions of Section 3.6 [Prices] of the Lease are hereby deleted and replaced with the following:

“Tenant’s prices for food and beverages sold in the Premises under the Permitted Uses of this Lease shall be the same as or comparable to prices found in Tenant’s menu at Tenant’s other food and beverage facilities, or at such other locations determined by Director, and shall otherwise comply with the Airport’s Street Pricing Program (“Street Pricing Program”). The prices shall be deemed “comparable” if it is no more than 11% higher than the price for the comparable item at tenant’s off-Airport locations, or other locations as determined by Director. For purposes of the Street Pricing Program, if Tenant is a licensee of a restaurant concept, then the street pricing comparison shall be to the other restaurants with the same concept operated by the licensor or other licensees. Stadiums, entertainment venues, resorts, hotels, and any venue which has a captive audience may not be used for comparison. City shall have the right to audit Tenant’s compliance with the Street Pricing Program in the same manner as the audit of Tenant operations pursuant to this Lease. Tenant acknowledges and agrees that City may amend

or modify the Airport's Street Pricing Program from time to time by issuance of an Airport Operations Bulletin or an amendment to the Airport Rules, and any such amendment or modification shall control over this Section of this Lease."

5. Employee Benefit Surcharges Excluded from Gross Rent. For the avoidance of doubt, surcharges imposed by Tenant under the EBS Policy authorized by Airport Commission Resolution No. 22-0168 for Tenants meeting certain criteria, shall not be included in the calculation of Gross Revenues and therefore are not subject to the Percentage Rent calculation under the Lease.

6. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

"7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) "Covered Work" means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) "Threshold Amount" means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) "Prevailing Wage or Prevailing Rate of Wage" means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

7. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by the City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will the City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the “Acts and Regulations”), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: “The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the "contractor" in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);

- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the

Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial

data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or “IPM Ordinance”) describes an integrated pest management (“IPM”) policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City’s written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City’s IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant’s primary IPM contact person with City. Tenant will comply, and will require all of Tenant’s contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City’s Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant’s staff or contractors.

(b) If Tenant or Tenant’s contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation (“CDPR”) and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the “Labor

Peace Card Check Rule”) and Model Form Labor Peace/Card Check Agreement (“Model Form Card Check Agreement”), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant’s compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant’s obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO.

Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not

tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by

such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City's other rights and remedies under this Lease, the City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited,

received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO BOARDING AREA C RETAIL CONCESSION LEASE NO. 1, LEASE NO. 18-0367 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between HG SFO Retailers 2017 JV (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On November 20, 2018, by Resolution No. 18-0367, the Commission awarded to Tenant the Boarding Area C Retail Concession Lease No. 1 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 26, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 3 years, 6 months (“COVID Extension Term”), and the new Expiration Date is May 31, 2030. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor

employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting

that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City

will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;

- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with

members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in

the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It

is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the

MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor

through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to

or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance

also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the

extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO BOARDING AREA C RETAIL CONCESSION LEASE 2, LEASE NO. 18-0368 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between The Marshall Retail Group, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On November 20, 2018, by Resolution No. 18-0368, the Commission awarded to Tenant the Boarding Area C Retail Concession Lease 2 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 11, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. ____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 2 years, 9 months (“COVID Extension Term”), and the new Expiration Date is August 31, 2030. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor

employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting

that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City

will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;

- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with

members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in

the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It

is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the

MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor

through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to

or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance

also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the

extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 2 TO SFO CONCESSION LEASE [COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 2 TO TERMINAL 1 RETAIL CONCESSION LEASE 3, LEASE NO. 18-0395 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Emporio Rulli, Inc. (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On December 18, 2018, by Resolution No. 18-0395, the Commission awarded to Tenant the Terminal 1 Retail Concession Lease 3 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 26, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 6 months (“COVID Extension Term”), and the new Expiration Date is March 31, 2029. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.8 is added to the end of Section 7 of the Lease:

“7.8 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor

employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant’s net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport’s Quality Control Department. Nothing in this Lease shall limit Tenant’s obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting

that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City

will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;

- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with

members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in

the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It

is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the

MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor

through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to

or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance

also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the

extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO TERMINAL 2 SPECIALTY RETAIL CONCESSION LEASE 2, LEASE NO. 19-0053 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Apparel Sourcing and Production, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On March 19, 2019, by Resolution No. 19-0053, the Commission awarded to Tenant the Terminal 2 Specialty Retail Concession Lease 2 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. ____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 2 years (“COVID Extension Term”), and the new Expiration Date is August 31, 2030. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers

performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor’s or Subcontractor’s failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City’s electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker’s classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City.”

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the

MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued."

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or

contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the "contractor" in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the

- programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
 - The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
 - Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
 - Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
 - Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the

Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that

person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or “IPM Ordinance”) describes an integrated pest management (“IPM”) policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City’s written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City’s IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant’s primary IPM contact person with City. Tenant will comply, and will require all of Tenant’s contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City’s Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant’s staff or contractors.

(b) If Tenant or Tenant’s contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation (“CDPR”) and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the “Labor Peace Card Check Rule”) and Model Form Labor Peace/Card Check Agreement (“Model Form Card Check Agreement”), incorporated into the Airport Rules as Rule 12.1 and

Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

- (d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.
- (e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.
- (f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.
- (g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- (h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- (i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property

confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any

practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

- (f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- (g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.
- (h) Tenant shall keep itself informed of the current requirements of the HCAO.
- (i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.
- (j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.
- (k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.
- (l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.
- (m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same

individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the

labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to

comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 4 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 4 TO AIRPORT LUGGAGE CART LEASE AND OPERATING AGREEMENT LEASE NO. 19-0069 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Smarte Carte, Inc. (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On April 2, 2019, by Resolution No. 19-0069, the Commission awarded to Tenant the Airport Luggage Cart Lease and Operating Agreement Lease No. 19-0069 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

(i) Amendment No. 1 dated March 9, 2021, authorized by Commission Resolution No. 20-0180 and Board of Supervisors Resolution No. 5-21; and

(ii) Amendment No. 2 dated June 4, 2021, authorized by Commission Resolution No. 21-0089 and Board of Supervisors Resolution No. 221-21; and

(iii) Amendment No. 3 dated June 9, 2023, authorized by Commission Resolution No. 23-0090 and Board of Supervisors Resolution No. 264-23.

B. Amendment No. 1 evidenced the Commission’s authorization of the COVID-19 Emergency Rent Relief Program (the “**COVID-19 Rent Relief Program**”) which provided for the rent relief to address the devastating financial impacts of the COVID-19 pandemic on concession tenants.

C. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges

imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

D. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

E. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 3 years, 6 months (“COVID Extension Term”), and the new Expiration Date is June 30, 2029. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) "Threshold Amount" means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) "Prevailing Wage or Prevailing Rate of Wage" means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or

costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City.”

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant’s net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including

the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the

grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);

- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

- (a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities,

privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III,

Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with

the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator

certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time

off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations

substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements. Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“Chapter 12K”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 **Green Building Requirements.** Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 **Plastic Beverage Container Restrictions.** Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO TERMINAL 1 BOARDING AREA C FOOD AND BEVERAGE KIOSK LEASE NO. 19-0244, A SMALL BUSINESS ENTERPRISE SET-ASIDE (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Park Café Group, Inc (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On October 1, 2019, by Resolution No. 19-0244, the Commission awarded to Tenant the Terminal 1 Boarding Area C Food and Beverage Kiosk Lease, A Small Business Enterprise Set-Aside (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022, as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “**Effective Date**”).

3. Term. The Term of the Lease is extended by 1 year, 7 months (“**COVID Extension Term**”), and the new Expiration Date is August 31, 2033. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Street Pricing Program. The provisions of Section 3.6 [Prices] of the Lease are hereby deleted and replaced with the following:

“Tenant’s prices for food and beverages sold in the Premises under the Permitted Uses of this Lease shall be the same as or comparable to prices found in Tenant’s menu at Tenant’s other food and beverage facilities, or at such other locations determined by Director, and shall otherwise comply with the Airport’s Street Pricing Program (“Street Pricing Program”). The prices shall be deemed “comparable” if it is no more than 11% higher than the price for the comparable item at tenant’s off-Airport locations, or other locations as determined by Director. For purposes of the Street Pricing Program, if Tenant is a licensee of a restaurant concept, then the street pricing comparison shall be to the other restaurants with the same concept operated by the licensor or other licensees. Stadiums, entertainment venues, resorts, hotels, and any venue which has a captive audience may not be used for comparison. City shall have the right to audit Tenant’s compliance with the Street Pricing Program in the same manner as the audit of Tenant operations pursuant to this Lease. Tenant acknowledges and agrees that City may amend or modify the Airport’s Street Pricing Program from time to time by issuance of an Airport Operations Bulletin or an amendment to the Airport Rules, and any such amendment or modification shall control over this Section of this Lease.”

5. Employee Benefit Surcharges Excluded from Gross Rent. For the avoidance of doubt, surcharges imposed by Tenant under the EBS Policy authorized by Airport Commission Resolution No. 22-0168 for Tenants meeting certain criteria, shall not be included in the calculation of Gross Revenues and therefore are not subject to the Percentage Rent calculation under the Lease.

6. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor’s or Subcontractor’s failure to

comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

7. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by the City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will the City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee,

permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will

require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination

includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and

all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant

were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under

Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements. Tenant may not install or permit any vending machine on the Premises without the prior

written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City’s other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco’s Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no “affordable” alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant’s employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant’s employees. In order to demonstrate compliance with the Airport’s labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport’s Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “Local Hiring Requirements”). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City’s Office of Economic Workforce and Development (“OEWD”) to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a “Covered

Project”). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“Chapter 12K”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full

responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE [COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO TERMINAL 3 BOARDING AREA F FOOD AND BEVERAGE KIOSK LEASE NO. 19-0245, A SMALL BUSINESS ENTERPRISE SET-ASIDE (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Sidewalk Juice SFO, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On October 1, 2019, by Resolution No. 19-0245, the Commission awarded to Tenant the Terminal 3 Boarding Area F Food and Beverage Kiosk Lease No. 19-0245, A Small Business Enterprise Set-Aside (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022, as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 2 years, 6 months (“COVID Extension Term”), and the new Expiration Date is August 31, 2033. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Street Pricing Program. The provisions of Section 3.6 [Prices] of the Lease are hereby deleted and replaced with the following:

“Tenant’s prices for food and beverages sold in the Premises under the Permitted Uses of this Lease shall be the same as or comparable to prices found in Tenant’s menu at Tenant’s other food and beverage facilities, or at such other locations determined by Director, and shall otherwise comply with the Airport’s Street Pricing Program (“Street Pricing Program”). The prices shall be deemed “comparable” if it is no more than 11% higher than the price for the comparable item at tenant’s off-Airport locations, or other locations as determined by Director. For purposes of the Street Pricing Program, if Tenant is a licensee of a restaurant concept, then the street pricing comparison shall be to the other restaurants with the same concept operated by the licensor or other licensees. Stadiums, entertainment venues, resorts, hotels, and any venue which has a captive audience may not be used for comparison. City shall have the right to audit Tenant’s compliance with the Street Pricing Program in the same manner as the audit of Tenant operations pursuant to this Lease. Tenant acknowledges and agrees that City may amend or modify the Airport’s Street Pricing Program from time to time by issuance of an Airport Operations Bulletin or an amendment to the Airport Rules, and any such amendment or modification shall control over this Section of this Lease.”

5. Employee Benefit Surcharges Excluded from Gross Rent. For the avoidance of doubt, surcharges imposed by Tenant under the EBS Policy authorized by Airport Commission Resolution No. 22-0168 for Tenants meeting certain criteria, shall not be included in the calculation of Gross Revenues and therefore are not subject to the Percentage Rent calculation under the Lease.

6. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.”

(a) For purposes of this Lease, any undefined, initially capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor’s or Subcontractor’s failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching

party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

7. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by the City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will the City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives,

successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP

persons have meaningful access to your programs (70 CFR at 74087 to 74100); and

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property

are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall

indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i)

provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under

Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements. Tenant may not install or permit any vending machine on the Premises without the prior

written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City’s other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco’s Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no “affordable” alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant’s employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant’s employees. In order to demonstrate compliance with the Airport’s labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport’s Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “Local Hiring Requirements”). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City’s Office of Economic Workforce and Development (“OEWD”) to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a “Covered

Project”). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“Chapter 12K”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full

responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO TERMINAL 3 BOARDING AREA F NEWS AND MULTI-CONCEPT RETAIL STORE LEASE NO. 19-0246 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between MRG San Francisco Terminal 3, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On October 1, 2019, by Resolution No. 19-0246, the Commission awarded to Tenant the Terminal 3 Boarding Area F News and Multi-Concept Retail Store Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. ____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 2 years, 7 months (“COVID Extension Term”), and the new Expiration Date is August 31, 2030. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers

performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the

MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued."

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or

contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the "contractor" in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the

- programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
 - The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
 - Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
 - Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
 - Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the

Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that

person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or “IPM Ordinance”) describes an integrated pest management (“IPM”) policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City’s written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City’s IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant’s primary IPM contact person with City. Tenant will comply, and will require all of Tenant’s contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City’s Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant’s staff or contractors.

(b) If Tenant or Tenant’s contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation (“CDPR”) and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the “Labor Peace Card Check Rule”) and Model Form Labor Peace/Card Check Agreement (“Model Form Card Check Agreement”), incorporated into the Airport Rules as Rule 12.1 and

Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

- (d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.
- (e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.
- (f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.
- (g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- (h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- (i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property

confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any

practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

- (f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- (g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.
- (h) Tenant shall keep itself informed of the current requirements of the HCAO.
- (i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.
- (j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.
- (k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.
- (l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.
- (m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same

individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the

labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to

comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO HARVEY MILK TEMINAL 1 FOOD AND BEVERAGE CONCESSION LEASE 10, LEASE NO. 20-0041 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Proper Food SFO Airport, LLC (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On March 17, 2020, by Resolution No. 20-0041, the Commission awarded to Tenant the Harvey Milk Teminal 1 Food and Beverage Concession Lease 10, Lease No. 20-0041 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022, as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 1 year, 2 months (“COVID Extension Term”), and the new Expiration Date is September 30, 2035. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Street Pricing Program. The provisions of Section 3.6 [Prices] of the Lease are hereby deleted and replaced with the following:

“Tenant’s prices for food and beverages sold in the Premises under the Permitted Uses of this Lease shall be the same as or comparable to prices found in Tenant’s menu at Tenant’s other food and beverage facilities, or at such other locations determined by Director, and shall otherwise comply with the Airport’s Street Pricing Program (“Street Pricing Program”). The prices shall be deemed “comparable” if it is no more than 11% higher than the price for the comparable item at tenant’s off-Airport locations, or other locations as determined by Director. For purposes of the Street Pricing Program, if Tenant is a licensee of a restaurant concept, then the street pricing comparison shall be to the other restaurants with the same concept operated by the licensor or other licensees. Stadiums, entertainment venues, resorts, hotels, and any venue which has a captive audience may not be used for comparison. City shall have the right to audit Tenant’s compliance with the Street Pricing Program in the same manner as the audit of Tenant operations pursuant to this Lease. Tenant acknowledges and agrees that City may amend or modify the Airport’s Street Pricing Program from time to time by issuance of an Airport Operations Bulletin or an amendment to the Airport Rules, and any such amendment or modification shall control over this Section of this Lease.”

5. Employee Benefit Surcharges Excluded from Gross Rent. For the avoidance of doubt, surcharges imposed by Tenant under the EBS Policy authorized by Airport Commission Resolution No. 22-0168 for Tenants meeting certain criteria, shall not be included in the calculation of Gross Revenues and therefore are not subject to the Percentage Rent calculation under the Lease.

6. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor’s or Subcontractor’s failure to

comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

7. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by the City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will the City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee,

permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will

require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination

includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and

all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant

were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

- (a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.
- (b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.
- (c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.
- (d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.
- (e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.
- (f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons

required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City’s other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco’s Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no “affordable” alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant’s employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant’s employees. In order to demonstrate compliance with the Airport’s labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport’s Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “Local Hiring Requirements”). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less

than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An "all-gender toilet facility" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "extensive renovations" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO HARVEY MILK TEMINAL 1 FOOD AND BEVERAGE CONCESSION LEASE 13, LEASE NO. 20-0043 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Culinary Heights Hospitality (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On March 17, 2020, by Resolution No. 20-0043, the Commission awarded to Tenant the Harvey Milk Teminal 1 Food and Beverage Concession Lease 13, Lease No. 20-0043 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022, as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “**Effective Date**”).

3. Term. The Term of the Lease is extended by 11 months (“**COVID Extension Term**”), and the new Expiration Date is August 31, 2035. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Street Pricing Program. The provisions of Section 3.6 [Prices] of the Lease are hereby deleted and replaced with the following:

“Tenant’s prices for food and beverages sold in the Premises under the Permitted Uses of this Lease shall be the same as or comparable to prices found in Tenant’s menu at Tenant’s other food and beverage facilities, or at such other locations determined by Director, and shall otherwise comply with the Airport’s Street Pricing Program (“Street Pricing Program”). The prices shall be deemed “comparable” if it is no more than 11% higher than the price for the comparable item at tenant’s off-Airport locations, or other locations as determined by Director. For purposes of the Street Pricing Program, if Tenant is a licensee of a restaurant concept, then the street pricing comparison shall be to the other restaurants with the same concept operated by the licensor or other licensees. Stadiums, entertainment venues, resorts, hotels, and any venue which has a captive audience may not be used for comparison. City shall have the right to audit Tenant’s compliance with the Street Pricing Program in the same manner as the audit of Tenant operations pursuant to this Lease. Tenant acknowledges and agrees that City may amend or modify the Airport’s Street Pricing Program from time to time by issuance of an Airport Operations Bulletin or an amendment to the Airport Rules, and any such amendment or modification shall control over this Section of this Lease.”

5. Employee Benefit Surcharges Excluded from Gross Rent. For the avoidance of doubt, surcharges imposed by Tenant under the EBS Policy authorized by Airport Commission Resolution No. 22-0168 for Tenants meeting certain criteria, shall not be included in the calculation of Gross Revenues and therefore are not subject to the Percentage Rent calculation under the Lease.

6. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor’s or Subcontractor’s failure to

comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

7. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by the City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will the City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee,

permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued.”

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner’s race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation’s regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will

require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the “contractor” in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
- The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination

includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and

- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by the City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and

all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services, and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that person or organization is awarded the contract or benefit. The information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City's written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City's IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant's primary IPM contact person with City. Tenant will comply, and will require all of Tenant's contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant

were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant's staff or contractors.

(b) If Tenant or Tenant's contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation ("CDPR") and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the "Labor Peace Card Check Rule") and Model Form Labor Peace/Card Check Agreement ("Model Form Card Check Agreement"), incorporated into the Airport Rules as Rule 12.1 and Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.

(e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.

(f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under

Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements. Tenant may not install or permit any vending machine on the Premises without the prior

written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the “Nutritional Standards Requirements”). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting the City’s other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco’s Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no “affordable” alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant’s employees elect to be represented by a lawful labor organization, by majority determination through the labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant’s employees. In order to demonstrate compliance with the Airport’s labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport’s Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the “Local Hiring Requirements”). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City’s Office of Economic Workforce and Development (“OEWD”) to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a “Covered

Project”). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K (“Chapter 12K”), the Consideration of Salary History Ordinance or “Pay Parity Act.” Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses, and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full

responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor's and subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>

8. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

9. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO HARVEY MILK TERMINAL 1 RETAIL CONCESSION LEASE 11, LEASE NO. 20-0046 ((this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Genesco Partners Joint Ventures #11 (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On March 17, 2020, by Resolution No. 20-0046, the Commission awarded to Tenant the Harvey Milk Terminal 1 Retail Concession Lease 11 (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “Effective Date”).

3. Term. The Term of the Lease is extended by 1 year, 1 month (“COVID Extension Term”), and the new Expiration Date is August 31, 2035. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its

Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar work performed in San Mateo County (collectively, "Prevailing Wage Requirements"). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement ("OLSE").

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor's or Subcontractor's failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City's electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker's classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City."

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

"19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco

urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued."

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease

agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the "contractor" in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the

- programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
 - The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
 - Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
 - Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
 - Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the

Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that

person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or “IPM Ordinance”) describes an integrated pest management (“IPM”) policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City’s written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City’s IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant’s primary IPM contact person with City. Tenant will comply, and will require all of Tenant’s contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City’s Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant’s staff or contractors.

(b) If Tenant or Tenant’s contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation (“CDPR”) and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the “Labor Peace Card Check Rule”) and Model Form Labor Peace/Card Check Agreement (“Model Form Card Check Agreement”), incorporated into the Airport Rules as Rule 12.1 and

Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

- (d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.
- (e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.
- (f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.
- (g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- (h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- (i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property

confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any

practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.

(h) Tenant shall keep itself informed of the current requirements of the HCAO.

(i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.

(k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.

(l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.

(m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same

individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the

labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to

comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AMENDMENT NO. 1 TO SFO CONCESSION LEASE
[COVID-19 Lease Extension Program]

This LEASE AMENDMENT NO. 1 TO TERMINAL 2 BOOKSTORE LEASE NO. 20-0049 (this “**Amendment**”) is dated as of the Effective Date (as defined below) and entered into by and between Books, Inc. (“**Tenant**”) and City and County of San Francisco (“**City**”), acting by and through its Airport Commission (“**Commission**”).

RECITALS:

A. On March 17, 2020, by Resolution No. 20-0049, the Commission awarded to Tenant the Terminal 2 Bookstore Lease (as amended, the “**Lease**”) at San Francisco International Airport (“**Airport**”). The Lease was previously amended as follows:

B. On September, 5, 2023, by Resolution No. 23-0224, the Commission authorized the Airport Director to implement the COVID-19 Lease Extension Program (the “**COVID-19 Lease Extension Program**”) with certain food and beverage, retail and service concession tenants to further address such financial impacts by improving the financial feasibility of each lease and preserving each tenant’s ability to continue operating at the Airport, which is of considerable value to the Airport and its concession tenants. The COVID-19 Lease Extension Program offers lease extensions of varying terms to those concession tenants that had an active lease during the COVID-19 pandemic or opened during the COVID-19 pandemic, and which are currently operating at the Airport. As a condition to receiving the lease extensions, Tenant must agree in this Amendment to comply with (i) all updated City and other governmental contracting requirements, including, without, limitation, the Airport’s revised Labor Peace Card Check Rule; and (ii) Prevailing Wage Requirements for Covered Tenant Construction (as defined below). This Amendment also includes (i) the updates to the Airport’s Street Pricing Program for food and beverage concession tenants authorized by Airport Operations Bulletin issued on November 2, 2022 as 22-04-AOB and (ii) a clarification that Employee Benefit Surcharges imposed by food and beverage concession tenants under the authority of Commission Resolution No. 22-0168 are not included in the calculation of Gross Revenue under the Lease.

C. On _____, by Resolution No. _____, the Board of Supervisors authorized the COVID-19 Lease Extension Program pursuant to City Charter Section 9.118.

D. All capitalized terms used in this Amendment and not otherwise defined have the meaning provided in the Lease.

NOW, THEREFORE, in consideration of the foregoing and for valuable consideration the sufficiency of which is hereby acknowledged, City and Tenant hereby agree to enter into this Amendment as follows:

AGREEMENT:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein by this reference as if fully set forth in this Amendment.

2. Effective Date. This Amendment shall be deemed effective upon the date of execution by City after receipt of all required approvals of City, as set forth below (the “**Effective Date**”).

3. Term. The Term of the Lease is extended by 2 years, 4 months (“**COVID Extension Term**”), and the new Expiration Date is August 31, 2033. In the event that the Effective Date occurs during the initial Operating Term, then the Operating Term is extended by the COVID Extension Term, and all further Extension Options shall remain in full force and effect. In the event that the Effective Date occurs during any previous extension of the Term due to the exercise by City of an Extension Option, then the current extension term is extended by the COVID Extension Term, and any further Extension Options shall remain in full force and effect. In the event the Effective Date occurs during any holdover term of the Lease, then the COVID Extension Term shall commence as of the first calendar day of the month immediately following the Effective Date.

4. Prevailing Rates of Wages for Tenant Improvements and Alterations. The following new Section 7.9 is added to the end of Section 7 of the Lease:

“7.9 Prevailing Rates of Wage for Tenant Initial Improvements and Alterations.

(a) For purposes of this Lease, any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61, except as set forth below:

(i) “Covered Work” means any single project of Alterations in the Premises (including for the avoidance of doubt, the Tenant Initial Improvements) with an aggregate cost equal to or in excess of the Threshold Amount.

(ii) “Threshold Amount” means the amount established annually pursuant to Section 6.1 of the San Francisco Administrative Code Section.

(ii) “Prevailing Wage or Prevailing Rate of Wage” means the highest general prevailing rate of wage plus "per diem wages" and wages paid for overtime and holiday work paid in private employment in San Mateo County as fixed and determined by the California Department of Industrial Relations for the various crafts and kinds of labor employed in the performance of the Covered Work. "Per diem wages" are defined pursuant to California Labor Code Section 1773.1, as amended from time to time.

(b) Without limiting any other provision of this Lease, Tenant covenants and agrees at all times to comply with all applicable wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter and the San Francisco Municipal Code. Tenant will require its Contractors and Subcontractors performing any Covered Work to: (i) pay workers performing that work not less than the Prevailing Rate of Wages, and (ii) provide the same hours, working conditions, and benefits in each case as are provided for similar

work performed in San Mateo County (collectively, “Prevailing Wage Requirements”). Tenant will cooperate with City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. All Covered Work is subject to compliance monitoring by the San Francisco Office of Labor Standards Enforcement (“OLSE”).

(c) Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier), to include in any construction contract for Covered Work the Prevailing Wage Requirements, and the agreement to cooperate in City enforcement actions. Each construction contract will name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third-party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section will constitute a material breach of this Lease. A Contractor’s or Subcontractor’s failure to comply with the Prevailing Wage Requirements will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. The enforcement and recourse provisions applicable to such failure by a Contractor or Subcontractor set forth in San Francisco Administrative Code Section 23.61(d) and are hereby incorporated by reference. For the current Prevailing Rate of Wages, see www.sfgov.org/olse or call OLSE at 415-554-6235.

(d) Tenant will require each Contractor and Subcontractor to utilize the City’s electronic certified payroll reporting system to keep or cause to be kept complete and accurate payroll records for all persons performing the Covered Work. Such records shall include the name, address and social security number of each worker who provided labor, including apprentices, such worker’s classification, a general description of the services each worker performed each day, the rate of pay (including rates of contributions for, or costs assumed to provide fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Every Subcontractor who shall undertake the performance of any part of the Covered Work herein required shall keep a like record of each person engaged in the execution of the subcontract. All such records shall at all times be available for inspection of and examination by the City.”

5. City and Other Governmental Provisions. The provisions of Article 19 of the Lease (including any provisions of Article 19 amended or incorporated by any previous amendments to the Lease) are hereby deleted and replaced with the following:

“19.1 MacBride Principles - Northern Ireland. Pursuant to San Francisco Administrative Code §12.F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Tenant acknowledges that he or she has read and understood this section.

19.2 Charter. The terms of this Lease shall be governed by and subject to the budget and fiscal provisions of the Charter of the City and County of San Francisco.

19.3 Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges companies not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environmental Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the San Francisco Environmental Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to Tenant's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

19.4 No Representations. Tenant acknowledges and agrees that neither City nor any person on behalf of City has made, and City hereby disclaims, any representations or warranties, express or implied, regarding the business venture proposed by Tenant at the Airport, including any statements relating to the potential success or profitability of such venture. Tenant represents and warrants that it has made an independent investigation of all aspects of the business venture contemplated by this Lease and the Permitted Use.

19.5 Effect of City Approvals. Notwithstanding anything to the contrary herein, Tenant acknowledges and agrees that City is entering into this Lease as a landowner, and not as a regulatory agency with police powers. Accordingly, any construction, alterations, or operations contemplated or performed by Tenant hereunder may require further authorizations, approvals, or permits from governmental regulatory agencies, including the Airport's Quality Control Department. Nothing in this Lease shall limit Tenant's obligation to obtain such other authorizations, approvals, or permits. No inspection, review, or approval by City pursuant to this Lease shall constitute the assumption of, nor be construed to impose, responsibility for the legal or other sufficiency of the matter inspected, reviewed, or approved. In particular, but without limiting the generality of the foregoing, in approving plans and specifications for Alterations, City (a) is not warranting that the proposed plan or other action complies with applicable Laws, and (b) reserves its right to insist on full compliance in that regard even after its approval has been given or a permit has been issued.

19.6 Limitation on Damages. Notwithstanding anything to the contrary herein, in no event will City or any City Entity be liable to Tenant or any Tenant Entity for any consequential, incidental, or special damages, or special damages, or lost revenues or lost profits.

19.7 Sponsor's Assurance Agreement. This Lease shall be subordinate and subject to the terms of any "Sponsor's Assurance Agreement" or any like agreement heretofore or hereinafter entered into by City and any agency of the United States of America.

19.8 Federal Nondiscrimination Regulations.

(a) Tenant understands and acknowledges that City has given to the United States of America, acting by and through the Federal Aviation Administration, certain assurances with respect to nondiscrimination, which have been required by Title VI of the Civil Rights Act of 1964, as effectuated by Title 49 of the Code of Federal Regulations, Subtitle A Office of the Secretary of Transportation, Part 21, as amended, and 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964) (collectively, the "Acts and Regulations"), as a condition precedent to the government making grants in aid to City for certain Airport programs and activities, and that City is required under said Regulations to include in every agreement or concession pursuant to which any person or persons other than City, operates or has the right to operate any facility on the Airport providing services to the public, the following covenant, to which Tenant agrees as follows: "The (grantee, lessee, permittee, etc. as appropriate) for himself, herself, his/her heirs, personal representatives, successors in interest and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities; (2) in the event facilities are constructed, maintained or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a U.S. Department of Transportation activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, Tenant will maintain and operate such facilities and services in compliance with all requirements imposed by the Acts and Regulations (as may be amended) such that no person on the grounds of race, color, or national origin will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (3) that the grantee, licensee, permittee, etc., shall use the Premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Subtitle A, Office of the Secretary of Transportation, Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation Effectuations of Title VI of the Civil Rights Act of 1964, and as said regulations may be amended. With respect to this Lease, in the event of a breach of any of the above non-discrimination covenants, City will have the right to terminate this Lease and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if this Lease had never been made or issued."

(b) (i) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 23. The concessionaire or contractor agrees that it will not discriminate against any business owner because of the owner's race, color, national origin, or sex in connection with the award or performance of any concession agreement, management contract, or subcontract, purchase or lease agreement, or other agreement covered by 49 CFR part 23. (ii) The concessionaire or

contractor agrees to include the above statements in any subsequent concession agreement or contract covered by 49 CFR part 23 that it enters and cause those businesses to similarly include the statements in the further agreements.

(c) This agreement is subject to the requirements of the U.S. Department of Transportation's regulations, 49 CFR part 27, which require, among other things, that all televisions and audio-visual displays installed in passenger areas have high-contrast captioning capability, which is at all times enabled.

19.9 Federal Affirmative Action Regulations. Tenant assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Tenant assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered by this subpart. Tenant assures that it will require that its covered sub-organizations provide assurances to Tenant that they similarly will undertake affirmative action programs and that they will require assurances from their sub organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.

19.10 Pertinent Non-Discrimination Authorities. During the performance of this Lease, Tenant, for itself, its assignees, and successors-in-interest (hereinafter referred to as the "contractor" in this Section 18.10) agrees to comply with the following non-discrimination statutes and authorities, including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC §2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation-Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 USC §4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973, (29 USC. §794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR §27;
- The Age Discrimination Act of 1975, as amended (42 USC §6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC §471, Section 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the

- programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 USC §12131 - 12189) as implemented by Department of Transportation regulations at 49 CFR §37 and 38 and the Department of Justice regulations at 28 CFR, parts 35 and 36;
 - The Federal Aviation Administration's Non-discrimination statute (49 USC §47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
 - Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
 - Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 CFR at 74087 to 74100); and
 - Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC §1681 et seq.).

19.11 City's Nondiscrimination Ordinance.

(a) In the performance of this Lease, Tenant agrees not to discriminate against any employee, City and County employee working with Tenant, applicant for employment with Tenant, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Tenant shall include in all subleases and other subcontracts relating to the Premises hereunder a nondiscrimination clause in substantially the form of subsection (a) above. In addition, Tenant shall incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subtenants and other subcontractors to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco, where the work is being performed for the City, or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Tenant hereby represents that prior to execution of this Lease (i) Tenant executed and submitted to the Contract Monitoring Division of the City and County of San Francisco (the "CMD") the Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits form (Form CMD-12B-101), with supporting documentation, and (ii) the CMD approved such form.

(e) The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to nondiscrimination by parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Lease as though fully set forth herein. Tenant shall comply fully with and be bound by all of the provisions that apply to this Lease under such Chapters of the Administrative Code, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that pursuant to Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

19.12 Conflict of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of section 15.103 of City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and sections 87100 et seq. and sections 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitute a violation of said provision and agrees that if it becomes aware of any such fact during the term of this Agreement it shall immediately notify City.

19.13 Prevailing Rates of Wage. Reference is made to Airport Commission Policy No. 80-0031, requiring that Tenant pay prevailing rates of salaries, wages, and employee benefits, to its employees working at San Francisco International Airport pursuant to this Lease. Tenant covenants and agrees to pay either (i) the prevailing rate of wages required by such Airport Commission Policy or (ii) the rate required by the Minimum Compensation Ordinance, as set forth below, whichever is greater.

19.14 Declaration Regarding Airport Private Roads. Tenant hereby acknowledges and agrees that all roads existing at the date of execution hereof within the boundaries of the

Airport, as shown on the current official Airport plan and as it may be revised, are the private property and private roads of the City and County of San Francisco, with the exception of that portion of the old Bayshore Highway which runs through the southern limits of the City of South San Francisco and through the northern portion of the Airport to the intersection with the North Airport Road as shown on said Airport Plan, and with the exception of that portion of the North Airport Road which runs from the off- and on-ramps of the State Bayshore Freeway to the intersection with said old Bayshore Highway as shown on said Airport Plan. It further acknowledges that any and all roads hereafter constructed or opened by City within the Airport boundaries will be the private property and road of City, unless otherwise designated by appropriate action.

19.15 No Relocation Assistance; Waiver of Claims. Tenant acknowledges that it will not be a displaced person at the time this Lease is terminated or expires by its own terms, and Tenant fully releases, waives, and discharges forever any and all claims or other Losses, against and covenants not to sue City or any City Entity under any Laws, including any and all claims for relocation benefits or assistance from City under federal and state relocation assistance laws. Without limiting Section 5 [Assignment or Subletting], Tenant shall cause any Transferee to expressly waive entitlement to any and all relocation assistance and benefits in connection with this Lease. Tenant shall indemnify, defend, and hold harmless City for any and all Losses arising out of any relocation assistance or benefits payable to any Transferee.

19.16 Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant or any Tenant Entity shall constitute a default hereunder.

19.17 Compliance with Americans With Disabilities Act. Tenant acknowledges that, pursuant to the ADA, programs, services and other activities provided by a public entity, whether directly or through a contractor, must be accessible to the disabled public. Tenant shall provide the services specified in this Lease in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation, including but not limited to, Titles II and III of the Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794 et seq.), 28 CFR Parts 35 and 36, and 49 CFR Parts 27, 37 and 38. Tenant agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Lease, and further agree that any violation of this prohibition on the part of Tenant, its employees, agents or assigns shall constitute a material breach of this Lease.

19.18 Sunshine Ordinance. In accordance with S.F. Administrative Code Section 67.24(e), contractors' bids, responses to RFPs and all other records of communications between the City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefits until and unless that

person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

19.19 Pesticide Prohibition.

(a) Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or “IPM Ordinance”) describes an integrated pest management (“IPM”) policy to be implemented by all City departments. Tenant may not use or apply or allow the use or application of any pesticides on the Premises or contract with any party to provide pest abatement or control services to the Premises without first receiving City’s written approval of an IPM plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term, (ii) describes the steps Tenant will take to meet City’s IPM Policy described in Section 300 of the IPM Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant’s primary IPM contact person with City. Tenant will comply, and will require all of Tenant’s contractors to comply, with the IPM plan approved by City and will comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, the provisions of the IPM Ordinance: (i) provide for the use of pesticides only as a last resort, (ii) prohibit the use or application of pesticides on City property, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City’s Department of the Environment), (iii) impose certain notice requirements, and (iv) require Tenant to keep certain records and to report to City all pesticide use at the Premises by Tenant’s staff or contractors.

(b) If Tenant or Tenant’s contractor would apply pesticides to outdoor areas at the Premises, Tenant will first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation (“CDPR”) and the pesticide application will be made only by or under the supervision of a person holding a valid, CDPR-issued Qualified Applicator certificate or Qualified Applicator license. City’s current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

19.20 First Source Hiring Ordinance. Tenant shall comply with the San Francisco First Source Hiring Ordinance (Board of Supervisors Ordinance No. 264-98, as amended by Board of Supervisors Ordinance Nos. 32-09 and 149-09) in cooperation with the Airport Commission Office of Employment and Community Partnerships pursuant to the First Source Hiring Agreement entered into between the Airport Commission and the Tenant concurrently herewith, and incorporated herein by reference.

19.21 Labor Peace/Card Check Rule. On February 7, 2023, by Resolution No. 23-0018, the Airport Commission adopted its current Labor Peace/Card Check Rule (the “Labor Peace Card Check Rule”) and Model Form Labor Peace/Card Check Agreement (“Model Form Card Check Agreement”), incorporated into the Airport Rules as Rule 12.1 and

Appendix C, respectively. All capitalized terms not otherwise defined in this provision shall have the meaning in the Labor Peace Card Check Rule. Without limiting the generality of other provisions herein requiring Tenant to comply with all Airport Rules, Tenant shall comply with the Labor Peace Card Check Rule. To comply with the Labor Peace/Card Check Rule, Tenant shall, among other actions, enter into a Labor Peace/Card Check Agreement with any Registered Labor Organization which requests such an agreement, within thirty (30) days after request. In the event that any such Registered Labor Organization and the Tenant are unable to negotiate a Labor Peace/Card Check Agreement within the 30-day period, the parties shall then be deemed to be bound by the Model Form Check Agreement attached as Appendix C to the Airport Rules, automatically and without any further action required by the parties. Tenant represents and warrants that it has fully reviewed the Labor Peace/Card Check Rule and agrees to be bound by all of its terms and conditions. Tenant acknowledges and agrees that Tenant's compliance with the Labor Peace/Card Check Rule is a material condition of this Lease, and if the Director determines that Tenant shall have violated the Labor Peace/Card Check Rule, the Director shall have the right to terminate this Lease, in addition to exercising all other remedies available to him/her.

19.22 Requiring Minimum Compensation.

(a) Tenant agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Tenant's obligations under the MCO is set forth in this Section. Tenant is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(b) The MCO requires Tenant to pay Tenant's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Tenant is obligated to keep informed of the then-current requirements. Any subcontract entered into by Tenant shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Tenant's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Tenant.

(c) Tenant shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

- (d) Tenant shall maintain employee and payroll records as required by the MCO. If Tenant fails to do so, it shall be presumed that the Tenant paid no more than the minimum wage required under State law.
- (e) The City is authorized to inspect Tenant's premises and conduct interviews with employees and conduct audits of Tenants.
- (f) Tenant's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Tenant fails to comply with these requirements. Tenant agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Tenant's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.
- (g) Tenant understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.
- (h) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.
- (i) If Tenant is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Tenant later enters Tenant an agreement or agreements that cause Tenant to exceed that amount in a fiscal year, Tenant shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Tenant and this department to exceed \$25,000 in the fiscal year.

19.23 Airport Intellectual Property. Pursuant to Resolution No. 01-0118, adopted by the Airport Commission on April 18, 2001, the Airport Commission affirmed that it will not tolerate the unauthorized use of its intellectual property, including the SFO logo, CADD designs, and copyrighted publications. All proposers, bidders, contractors, tenants, permittees, and others doing business with or at the Airport (including subcontractors and subtenants) may not use the Airport intellectual property, or any intellectual property

confusingly similar to the Airport intellectual property, without the Director's prior consent.

19.24 Requiring Health Benefits for Covered Employees. Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(a) For each Covered Employee, Tenant shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(b) Notwithstanding the above, if the Tenant is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(c) Tenant's failure to comply with the HCAO shall constitute a material breach of this agreement. City shall notify Tenant if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Tenant fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

(d) Any Subcontract entered into by Tenant shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Tenant shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Tenant shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the Subcontractor's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

(e) Tenant shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Tenant's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any

practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

- (f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.
- (g) Tenant shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the City Contract.
- (h) Tenant shall keep itself informed of the current requirements of the HCAO.
- (i) Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.
- (j) Tenant shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least ten business days to respond.
- (k) Tenant shall allow City to inspect Tenant's premises and have access to Tenant's employees in order to monitor and determine compliance with HCAO.
- (l) City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant agrees to cooperate with City when it conducts such audits.
- (m) If Tenant is exempt from the HCAO when this Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and the City to be equal to or greater than \$75,000 in the fiscal year.

19.25 Notification of Limitations on Contributions. By executing this Lease, Tenant acknowledges its obligations under section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who leases, or seeks to lease, to or from any department of the City any land or building from making any campaign contribution to (a) an individual holding a City elective office if the contract must be approved by that official, the board on which that individual serves, or a state agency on whose board an appointee of that individual serves, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the lease until the later of either the termination of negotiations for the lease or twelve (12) months after the date the City approves the lease. Tenant acknowledges that the foregoing restriction applies only if this Agreement or a combination or series of leases or other contracts approved by the same

individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that (i) the prohibition on contributions applies to each prospective party to the lease; any person on Tenant's board of directors, any of Tenant's principal officers (including its chairperson, chief executive officer, chief financial officer, chief operating officer) and any person with an ownership interest of more than 10 percent (10%) in Tenant; any subtenant listed in the lease or any lease proposal; and any committee that is sponsored or controlled by Tenant; and (ii) within thirty (30) days of the submission of a proposal for the lease, the City department with whom Tenant is leasing is obligated to submit to the Ethics Commission the parties to the lease and any subtenant. Additionally, Tenant certifies that it informed any member of its board of directors and any of its principal officers, including its chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest of more than 10% in Tenant, and any subtenant listed herein of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for this Agreement, and has provided the names of the persons required to be informed to the City department with whom it is leasing. Violation of Section 1.126 may result in criminal, civil, or administrative penalties.

19.26 Vending Machines; Nutritional Standards and Calorie Labeling Requirements.

Tenant may not install or permit any vending machine on the Premises without the prior written consent of the Airport Director. Any permitted vending machine will comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code Section 4.9-1(c), as may be amended from time to time (the "Nutritional Standards Requirements"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 19.26 will be a material breach of this Lease. Without limiting City's other rights and remedies under this Lease, City will have the right to require the immediate removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

19.27 Food Service Waste Reduction Ordinance. San Francisco's Food Service Waste Reduction Ordinance, Ordinance No. 295-06, SF Environment Code Chapter 16 requires restaurants, retail food vendors, City departments, City contractors and City lessees to use biodegradable/compostable or recyclable disposable food service ware when selling or distributing prepared foods, unless there is no "affordable" alternative. The ordinance also prohibits such businesses and the City from using disposable food service ware made from polystyrene (Styrofoam™). Violation of the ordinance may result in contractual damages, a criminal fine, administrative penalty, or other civil enforcement action.

19.28 Multi-Employer Bargaining Group Participation. Tenant agrees and acknowledges that a multi-employer bargaining group is an established mechanism for employers to bargain collectively with any lawful labor organization representing its employees in an appropriate bargaining unit. In the event that Tenant's employees elect to be represented by a lawful labor organization, by majority determination through the

labor peace/card check process or otherwise, Tenant agrees to join the relevant multi-employer bargaining group at the Airport, and become a party to, and be bound by, a collective bargaining agreement for its operations under this Lease in the event a collective bargaining agreement is then in effect or is negotiated on behalf of Tenant's employees. In order to demonstrate compliance with the Airport's labor harmony commitment, Tenant agrees that membership in a multi-employer bargaining group includes attendance at group meetings and participation in its business activities.

19.29 Worker Retention Policy. Tenant acknowledges the Airport's Worker Retention Policy and agrees to comply with its requirements.

19.30 Local Hire Policy. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "Local Hiring Requirements"). All Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (a) estimated to be less than \$1,000,000 per building permit or (b) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it shall comply with the Local Hiring Requirements to the extent applicable. Before starting any Alteration, Tenant shall contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (i.e., whether the work is a "Covered Project"). Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

19.31 Consideration of Salary History. Tenant shall comply with Administrative Code Chapter 12K ("Chapter 12K"), the Consideration of Salary History Ordinance or "Pay Parity Act." Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Lease or in furtherance of this Lease, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Tenant shall Tenant is required to

comply with all of the applicable provisions of Chapter 12K, irrespective of the listing of obligations in this Section. Tenant shall include this obligation in all subleases, licenses, sublicenses and any other contracts for work performed in furtherance of this Lease (including all amendments of the same), and failure to do so shall constitute a material breach of this Lease.

19.32 All Gender Toilet Facilities. If applicable, Tenant will comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of the Premises in any building where extensive renovations are made by Tenant. An “all-gender toilet facility” means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and “extensive renovations” means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by Administrative Code Section 4.1-3. If Tenant has any question about applicability or compliance, Tenant should contact Building Inspection and Code Enforcement (BICE) for guidance.

19.33 Federal Fair Labor Standards Act. This Lease incorporates by reference the provisions of 29 USC §201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part time workers. Tenant has full responsibility to monitor compliance to the referenced statute or regulation. Tenant must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

19.34 OSHA. This Lease incorporates by reference the requirements of 29 CFR §1910 with the same force and effect as if given in full text. Tenant must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. Tenant retains full responsibility to monitor its compliance and their contractor’s and subcontractor’s compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR §1910). Tenant must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

19.35 Green Building Requirements. Tenant acknowledges that the City and County of San Francisco has enacted Chapter 7 of the San Francisco Environment Code relating to green building requirements. Tenant hereby agrees that it shall comply with all applicable provisions of Chapter 7, including but not limited to those relating to Leadership in Energy and Environmental Design (LEED) certification.

19.36 Plastic Beverage Container Restrictions. Tenant shall comply with Airport Rule 8.2(B), which prohibits Airport tenants, vendors, and permittees from providing or selling beverages in containers that contain plastic or aseptic paper packaging, including in vending machines. The Airport has compiled a list of compliant beverage container packaging available on <https://www.flysfo.com/approved-bottled-water-list>.

6. No Other Modifications. Except as otherwise expressly set forth above, the Lease remains unmodified and in full force and effect.

7. Counterparts and Electronic Signatures. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Amendment may be executed and delivered by electronic signature (including portable document format) by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically or by facsimile as if the original had been received.

AIRPORT COMMISSION
CITY AND COUNTY OF SAN FRANCISCO
RESOLUTION NO. **23-0224**

COVID-19 LEASE EXTENSION PROGRAM FOR CERTAIN AIRPORT FOOD AND BEVERAGE, RETAIL, AND SERVICE CONCESSION TENANTS

- WHEREAS, flight and passenger activity immediately and dramatically declined after the March 11, 2020 COVID-19 pandemic declaration by the World Health Organization; and
- WHEREAS, on March 13, 2020, President Trump declared COVID-19 a national emergency, and on March 17, 2020, a “Shelter-In-Place” order was issued by public health officials from six Bay Area counties, including San Francisco and San Mateo; and
- WHEREAS, the number of food and beverage, retail, and service concession locations in operation at the Airport went from 149 to 27 within days of the Shelter-in-Place order; and
- WHEREAS, all concessions locations have opened, however, passenger enplanement activity is still down 18.2% from pre-pandemic levels in 2019 as of May 2023; and
- WHEREAS, while concessionaires have been supported by federal stimulus and grant programs, there is still a multi-year recovery period planned for the return of passenger activity; and
- WHEREAS, most concessionaires were awarded leases, in part, based upon rent they would pay during their lease terms and made significant investments in tenant build-out and have ongoing operational costs; and
- WHEREAS, the business deals upon which the rents were established, and the financial offers made by the tenants were based upon a projected pre-pandemic level of enplanements; and
- WHEREAS, while minimum annual guarantees were suspended based upon the “Severe Decline in Enplanement” lease provision in the concession leases (with some remaining suspended to date), tenant re-openings have been phased, and the federal stimulus program have all provided relief in the near term, the expected four to five-year recovery period places all leases in a different financial position than what was originally underwritten by tenants; and
- WHEREAS, Staff recommends authorization for the Airport Director to execute lease amendments extending the term for certain food and beverage, retail, and service concession tenants that had an active lease during the COVID-19 pandemic or opened during the pandemic and which are currently operating, as listed in Attachments A, B, and C attached to the Airport Director’s memorandum accompanying this Resolution and incorporated by reference (Eligible Concessionaires); and

AIRPORT COMMISSION
CITY AND COUNTY OF SAN FRANCISCO
RESOLUTION NO. 23-0224

- WHEREAS, Eligible Concessionaires that were in operation at the start of the COVID-19 pandemic in March 2020 will receive an extension of three and one-half years, Eligible Concessionaires that were not in operation at the start of the pandemic but subsequently commenced operation during the COVID-19 pandemic will receive an extension equal to the number of months they operated within the pandemic, which for the purposes of this extension program (COVID-19 Lease Extension Program) is the three and one-half year period between March 2020 and August 2023; and
- WHEREAS, Clear Channel Outdoor, LLC is required to install its permanent equipment in Harvey Milk Terminal 1, as specified in its lease, in order to be eligible for the COVID-19 Lease Extension Program; and
- WHEREAS, the lease extensions will apply to the base terms of each lease and will not affect any extension options in favor of the Airport Commission; if a lease has already been extended, the extension term granted under the COVID-19 Lease Extension Program will be added to the end of the current extension term; if a lease is in a holdover, the extension term granted will begin upon the first day of the month following all required City approvals of the COVID-19 Lease Extension Program; and if the Airport must terminate any lease shown on Attachments A, B, and C early, the term added under the COVID-19 Lease Extension Program will not be utilized in calculating a buy-out of unamortized hard construction costs, if one is determined to be appropriate; and
- WHEREAS, the lease extensions being offered under the COVID-19 Lease Extension Program are appropriate because they will help concession tenants mitigate business losses during and after the pandemic by allowing for a longer period for the amortization of tenant improvement costs, and will allow them to better recoup current business losses in the latter years of their leases when enplanements are anticipated to be higher; and
- WHEREAS, to ensure fairness and for efficiency, the proposed amendments will be substantially standardized in form depending on the specific category of concessionaire, and as a condition to receiving the extensions of lease term under the COVID-19 Lease Extension Program, each tenant must agree in the amendment to comply with: (i) updated City and County of San Francisco contracting requirements, (ii) new Airport Rule 12.3 (Prevailing Wage Requirements – Covered Tenant Construction), and (iii) revised Rule 12.1 (Labor Peace/Card Check Rule); now, therefore, be it

AIRPORT COMMISSION

CITY AND COUNTY OF SAN FRANCISCO

RESOLUTION NO. 23-0224

RESOLVED, that this Commission hereby authorizes the Airport Director to implement the COVID-19 Lease Extension Program, as defined above, by executing appropriate amendments of leases with certain food and beverage, retail, and service concession tenants that had an active lease during the COVID-19 pandemic or opened during the pandemic and which are currently operating concessionaires, as listed on Attachments A, B, and C attached to the Airport Director's memorandum accompanying this Resolution, in form and substance acceptable to the Airport Director, consistent with the terms stated above and on the other terms and conditions provided in the Airport Director's accompanying memorandum; and, be it further

RESOLVED, that this Commission directs the Commission Secretary to seek approval from the San Francisco Board of Supervisors for those lease amendments requiring such approval under Section 9.118 of the Charter of the City and County of San Francisco.

FROM: Airport Director

SUBJECT: COVID-19 Lease Extension Program for Certain Airport Food and Beverage, Retail, and Service Concession Tenants

DIRECTOR'S RECOMMENDATION: ADOPT RESOLUTION (1) AUTHORIZING THE AIRPORT DIRECTOR TO IMPLEMENT THE COVID-19 LEASE EXTENSION PROGRAM BY EXECUTING AMENDMENTS OF CERTAIN FOOD AND BEVERAGE, RETAIL, AND SERVICE CONCESSION AGREEMENTS, EXTENDING THE LEASE TERMS BY UP TO THREE AND ONE-HALF YEARS, TO ALLOW FOR FINANCIAL RECOVERY IN RESPONSE TO THE DEVASTATING IMPACT OF THE COVID-19 PANDEMIC; AND (2) DIRECTING THE COMMISSION SECRETARY TO OBTAIN APPROVAL FROM THE BOARD OF SUPERVISORS FOR THOSE LEASE AMENDMENTS REQUIRING APPROVAL UNDER SECTION 9.118 OF THE CHARTER OF THE CITY AND COUNTY OF SAN FRANCISCO.

Executive Summary

Staff recommends that the Airport Commission (Commission) authorize the Airport Director to execute lease extensions for certain food and beverage, retail, and service concession tenants that had an active lease during the COVID-19 pandemic and which are currently operating their concessions (Eligible Concessionaires). The recommended lease extensions are for a period of up to three and one-half years for Eligible Concessionaires (COVID-19 Lease Extension Program). The lease extensions requested in this memorandum are being proposed in recognition of the expectation that passenger activity is not anticipated to return to pre-pandemic levels until 2024-2025. The COVID-19 Lease Extension Program will support Eligible Concessionaires by allowing for a longer period for the amortization of costs, provide more confidence for their lenders, and, in concept, allow tenants to recoup business losses in the latter period of the leases when enplanements are expected to be higher.

Background

In response to the dramatic decline of passenger activity following the March 11, 2020 COVID-19 pandemic declaration by the World Health Organization, the Airport undertook efforts to manage and mitigate its tenants' financial losses. The number of restaurants, stores, and passenger services locations operational at SFO went from 149 to 27 in March 2020. Many concession locations were required to be closed under stay-at-home orders and the designation by public health authorities of essential and non-essential businesses. Enplanement activity for calendar year 2020 remained depressed, down by 71.4% compared to fiscal year 2019, the last fiscal year before the pandemic.

IVAR C. SATERO
AIRPORT DIRECTOR

On October 6, 2020, by Resolution No. 20-0180, the Commission authorized Staff to implement its COVID-19 Emergency Rent Relief Program, which granted rent relief to concessionaires valued at \$21.8 million. The Airport received \$254.8 million in funding from the Coronavirus Aid, Relief, and Economic Security (CARES) Act, and the Federal Aviation Administration (FAA) directed airports to use a portion of the CARES Act funds for temporary rent abatements and minimum annual guarantee (MAG) waivers. The \$21.8 million funded: (1) MAG waivers for three months until the MAGs were suspended contractually in accordance with the “Severe Decline in Enplanements” provision in the concession leases; (2) two months of no rent or fees; and (3) seven months of waived storage rent, marketing, infrastructure, food court cleaning, and refuse fees.

On March 2, 2021, by Resolution No. 21-0047, the Commission authorized the acceptance and allocation of grant monies from the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA). Of the \$46,543,901 allocated to the Airport, the FAA stipulated that \$5,949,587 was to be allocated among the concession tenants for rent and MAG relief. Generally, this amount equated to approximately two months of rent relief for most concessionaires. The Airport allocated such funds in accordance with the law.

On July 20, 2021, by Resolution No. 21-0154, the Commission authorized the acceptance and allocation of American Rescue Plan Act (ARPA) funds totaling \$192,813,293. A portion of the ARPA funding, \$23,798,350, was distributed to eligible concession tenants in the form of rent and MAG relief. Generally, the ARPA funding equated to approximately six months of rent relief for food and beverage, retail, and service concession tenants. Pursuant to the federal guidelines under ARPA, the funds were not available to rental car concession tenants.

These programs helped concession tenants get through the worst of the pandemic. In addition to the rent waivers and credits offered under these programs, Airport staff worked closely with concession tenants to phase the reopening of individual locations. This collaborative effort helped in aiding the financial viability of tenants. Fiscal year 2023 enplanement activity is down 18.2% compared to fiscal year 2019. All concession locations have reopened.

The lease extensions requested in this memorandum will support the concession tenants by allowing for a longer term for the amortization of tenant investment costs, providing more confidence for their lenders, and, in concept, allowing tenants to recoup business losses in the latter part of the leases when enplanements are anticipated to be higher. Staff recommends up to a three-and-one-half-year extension to Eligible Concessionaires based generally on the period during which enplanement passenger activity was classified as a “Severe Decline in Enplanements” for most tenants. The three-and-one-half-year period is defined as the period between March 2020 and August 2023 (Pandemic Period).

Proposal

Under the COVID-19 Lease Extension Program:

- Eligible Concessionaires that were in operation at the start of the pandemic in March 2020 will receive an extension of three and one-half years.
- Eligible Concessionaires that were not in operation at the start of the pandemic but subsequently commenced operation will receive an extension equal to the number of months they operated within the Pandemic Period.

- Clear Channel Outdoor, LLC is required to install its permanent equipment in Harvey Milk Terminal 1, as specified in its lease, in order to be eligible for the COVID-19 Lease Extension Program.

The lease extensions will apply to the base terms of each lease and will not affect any extension options in favor of the Airport Commission. If a lease has already been extended, the extension term granted under the COVID-19 Lease Extension Program will be added to the end of the current extension term. If a lease is in a holdover, the extension term granted will begin upon the first day of the month following all required City approvals of the COVID-19 Lease Extension Program. The lists of Eligible Concessionaires are shown in Attachments A, B, and C. If the Airport must terminate any lease shown on Attachments A, B, and C early, the term added under the COVID-19 Lease Extension Program will not be utilized in calculating a buy-out of unamortized hard construction costs, if one is determined to be appropriate.

This COVID-19 Lease Extension Program will not be extended to the following concessionaires and permittees:

- Concessionaires or Permittees under short-term leases or permits, such as the retail pop-up tenants, the espresso vending machine operator, and food trucks.
- Concessionaires within the footprint of the Terminal 3 West and International Terminal Arrivals Area renovation projects, as those spaces will be impacted over the next two to three years.
- The Terminal 2 News, Coffee and Specialty Store lease with World Duty Free Group North America, LLP because another lease has been awarded to provide most of the services offered under this lease.
- American Express Travel Related Services, Inc. (AMEX). The AMEX lease was extended by seven years in 2020 related to a sizable premises expansion.
- Service concessionaires including Airport Mailers, Airport Terminal Services, Bank of America, Alclear, Grab SFO, New Cingular Wireless, SFO Shoeshine, and Wells Fargo. These leases are unique in their capital investment in their premises and the way they have been impacted by the pandemic.
- Rental Car Concessions.
- Concessionaires who are not current with deposits, insurance, and accounts receivable obligations under their lease.

Additionally, there are two food and beverage concession tenants not included in the current request due to concerns raised regarding those concessionaires' completion of all requirements of the Airport's Labor Peace/Card Check Rule. The Commission maintains a strong proprietary interest in promoting efficient and smooth business operations at the Airport. The continued successful operation of the Airport relies on the uninterrupted procurement of needed goods and services, including food and beverage concessions, to the traveling public. In furtherance of its strong proprietary interest, the Commission seeks to promote labor harmony between concession employers at the Airport and their employees, among others, seeking to organize workers during organizing drives. To ensure Airport rules relating to labor peace are being complied with in furtherance of supporting smooth and successful operations, the Airport will look into the concerns raised. Assuming there is compliance, the Airport plans to return to the Commission to request these tenants also be offered participation in the COVID-19 Lease Extension Program in the coming months. The tenants are Rylo Management, LLC (operating as Farley's Community Café) and Joe & the Juice New York, LLC (operating as Joe & The Juice).

There are a total of 133 concessions leases at the Airport, and 88 of those leases are included in the COVID-19 Lease Extension Program as follows:

- Attachment A lists the 53 food and beverage concessions;
- Attachment B lists the 33 retail concessions;
- Attachment C lists the two service concessions.

To ensure fairness and for efficiency, the amendments providing for the COVID-19 Lease Extension Program will be substantially standardized in form depending on the specific category of concessionaire. As a condition to receiving the lease extension under the COVID-19 Lease Extension Program, each tenant must agree in the amendment to comply with: (i) updated City and County of San Francisco contracting requirements, (ii) new Airport Rule 12.3 (Prevailing Wage Requirements – Covered Tenant Construction), and (iii) revised Rule 12.1 (Labor Peace/Card Check Rule). In some cases, lease amendments will require the Board of Supervisors' approval under Charter Section 9.118.

Recommendation

I recommend the Commission adopt the accompanying Resolution (1) authorizing the Airport Director to implement the COVID-19 Lease Extension Program by executing amendments of leases of certain food and beverage, retail, and service concessionaires listed on Attachments A, B, and C consistent with the terms outlined in this memorandum, and (2) directing the Commission Secretary to request the approval from the San Francisco Board of Supervisors for those lease amendments requiring approval under Section 9.118 of the Charter of the City and County of San Francisco.
